- a. Motion that the Council of the City of Reynoldsburg Does Hereby Adopt the Resolution to Urge the Investor-Operator and Chairman of Columbus Crew Soccer Club to Keep the Franchise in Columbus and Forego Any Exploration of Relocation to Another City.**

Mr. Skinner: This is something that I asked April to put on the agenda. The City of Columbus and Clintonville and some other cities, I guess Columbus and Clintonville have already passed resolutions just memorializing the request to keep the Columbus Crew Soccer team here in town. Other communities are starting to do so as well and so it's something that I wanted us to consider. Any questions about that or concerns? Columbus Crew has been pretty impactful in our community. I know that they have programs that stem down into the younger generations and our community has participated in that at times. I thought it would be something to show our support and at least ask them to stay put.

AN ORDINANCE ESTABLISHING REYNOLDSBURG PARKS AND RECREATION TOBACCO FREE ZONES

Whereas, the City believes that tobacco use in the proximity of children and adults engaging in or watching outdoor activities at city-owned or operated facilities is detrimental to their health and that secondhand smoke can be dangerous for those using such facilities; and

Whereas, the City has a unique opportunity to create and sustain an environment that supports a non-tobacco norm through a tobacco-free zone policy, rule enforcement, and adult-peer role modeling within city-owned parks; and

Whereas, the City believes parents, leaders, coaches, and officials involved in recreation and leisure activities are role models for youth and can have a positive effect on the lifestyle choices they make; and

Whereas, cigarettes and smokeless tobacco products once consumed in public spaces become debris material and waste and are often discarded on the ground requiring additional maintenance expenses, can diminish the beauty of the City's facilities; and

Whereas, the City's Parks and Recreation Department determines that the creation of tobacco free zones in city parks serves to protect the health, safety and welfare of the citizens of Reynoldsburg.

Now Therefore, be it ordained by the City Council of the City of Reynoldsburg, Fairfield, Franklin, and Licking Counties, Ohio, that,

- 1.5. Cigarettes consumed in outdoor public places are often discarded on the ground as an environmental blight, diminishing the beauty of recreational areas, requiring additional maintenance expenses to clean up, and posing a fire risk as well as risk to human and animal health through potential ingestion and contamination of water sources.
- 1.6. The tobacco industry advertises at and sponsors recreational events to foster a connection between tobacco use and recreation.
- 1.7. The [City/County] believes parents, coaches, leaders, and officials involved in recreation are role models for youth and can have a positive effect on the lifestyle choices they make.
- 1.8. The [City/County] believes tobacco use is detrimental to the public's health and has determined that prohibiting the use of tobacco products and electronic delivery devices in all [City/County] recreational areas serves to protect the public's health, safety and welfare.
