b. A Resolution Accepting, Approving and Ratifying the Submitted Recommendations of Several City of Reynoldsburg Tax Incentive Review Councils.

Chairman Cotner: Mr. Havener, do you have any comments.

Mr. Havener: There really is not a lot to say other than that this is an annual process that we go through for the different TIF programs that we have in place, and it is pretty self explanatory.

Minutes Acceptance: Minutes of Nov 2, 2015 7:30 PM (Approval of Minutes)

Chairman Cotner: I always like to make sure there are no issues. Any questions or comments? Do you want to do this as an emergency after a couple of reading or do you want it right away?

Mr. Havener: I think it could be passed as an emergency because we need to notify the counties that it has been approved. And, the sooner we can do that, the better.

Chairman Cotner: If there are no objections, I will send this tonight with recommendations for emergency. I make a motion that we send this onto Council with recommendation for adoption as an emergency.

RESULT:	REFERRED TO COUNCIL [UNANIMOUS]	Next: 11/9/2015 7:30 PM
MOVER:	Barth R. Cotner, At Large	
SECONDER:	Mel Clemens, Ward IV	
AYES:	Barrett, Kelly, McGrady III, Clemens, Cotner, Long

- c. Ordinance Unappropriating \$20,000 from Account 110.595.5371 (General & Administrative, Election Expenses) and Appropriate \$20,000.00 to Account 110.522.5332 (Mayor's Office, Legal Expenses) from the Unappropriated General Fund, and Declaring an Emergency.

Chairman Cotner: It looks like the Mayor is going to share a comment or two here.

Mayor McCloud: Thank you Chairman Cotner. This is merely a request to move some money within the budget. This is not a request for a new appropriation. Essentially, we would like to move some funds from an account that is not being used, to a fund that is being used.

Chairman Cotner: Questions. Councilman Barrett.

Councilman Barrett: What accounts are not being used?

Mayor McCloud: The Election Expense account.

Mr. Harris: Since the Democrats did not have a primary this Spring, there is an extra \$40,000 that was not used for the primary election. So he wants to take half of that and move it into Special Council.

Councilman Barrett: Is that something we should bank? Do we get it appropriated year after year? Where does that money come from?

Mr. Harris: The assumption always has to be that you are going to have a primary election. We do it way before the petitions have to be returned. The other thing is, the County takes the money from the property tax. They already have the money. In this case, they sent us back a check for the \$40,000. They keep it from the property tax because they can.

Councilman Barrett: So, in two years, there is another election, we get another \$40,000?

Mr. Harris: If there is no primary election, we will get more than that back. But this time the Democrats didn't have a primary because there were no contested races. They didn't need the Democratic poll workers because there was no Democratic election.

Councilman Barrett: Wouldn't it be more prudent just to hold onto it, just in case?

Mr. Harris: The appropriation goes away at the end of the year anyway. The money is already in the General Fund. When we get the check, it goes to the General Fund. The appropriation is not the spending of money, it's the authority to spend. It is already in the General Fund. We hold it. It is already there.

Chairman Cotner: Does anyone else have questions? Do we have emergency language on this? I will make a motion that we send this to Council with a recommendation for adoption as an emergency.

Council President Joseph: Mr. Chairman, you will have to add emergency language next week because you only have two more votes.

Chairman Cotner: Thank you. So, I will make a motion that we send this forward to Council with recommendation for adoption.

- g. Ordinance to Enact Title Nine, Chapter 190 of the Codified Ordinances of the City of Reynoldsburg Regarding Municipal Income Tax and Declaring an Emergency. (Second Reading 10/26/2015).

Mr. Harris: Thank you Chairman Cotner. This is the last go around for the substitute House Bill 5. This has been a royal pain for me for sometime, but we are seeing the end coming, I hope. Brenda and I have gone through the ordinance again. We have a couple of revisions to make, they are more grammatical and explanatory. There is no change for what you have now. I am waiting for Mr. Hood to finish his review. It has been reviewed by the folks at Rita. They have approved it. It will be here in the next couple of days. Like I said, there are no real changes from what you have here. If anyone has any questions, I will be more than happy to answer them, if I can.

Chairman Cotner: Other than just minor changes, we will clean that up next week. If there are no other questions or comments, we will make a motion to send this forward to Council with recommendation for adoption as an emergency.

- h. Ordinance Making Transfer of Funds from the Unappropriated Special Assessment Fund (320) to the Unappropriated General Fund. (Second Reading 10/26/2015).

Mr. Harris: This is interesting because I am usually not last. Most of the time you guys are glad when I leave. This time you are really gonna be glad when I am done. As we talked about this, this is a Special Assessment Fund that the State Auditor would like us to empty out so we do not have to continue to do financial reports on it. It has not been used since 2009. What this was used for, was assessment projects, bonds. Assessment projects funded

have been paid off. There has been no activity since 2009, so we are asking to move the money out. Thank you.

Chairman Cotner: I will make a motion we send this to Council with recommendation for adoption.

Re: Dental Plan Rate Review, Group #0280-0001

Dear Mr. McCloud,

Thank you for placing your confidence in Delta Dental. We are committed to improving the oral health of our communities by providing access to the nation's largest dental network at competitive rates. This allows your enrollees to obtain the dental care they need to remain healthy.

We have completed a comprehensive review of your dental plan premiums. Enclosed are the rates and renewal documents related to your contract renewal. Payment of the new rates will be your consent to renew Delta Dental coverage. No action is required from you at this time unless you wish to change the benefits you offer.

If your coverage or budget goals have changed, please contact Ms. Jennifer Varanese or me for more plan design options. We can administer many different plan designs to suit your needs and provide you with a comprehensive analysis of how any changes would affect your rates. Benefit changes can be effective at your renewal, but you must request them no later than 15 days prior to your plan's renewal date.

This is a prepaid dental benefits program, so your group's first payment at this rate is due by January 1. If you do not wish to renew coverage, please provide notice to us in accordance with your Contract. Notwithstanding the above terms of this "evergreen" contract, all delinquent balances due to Delta Dental must be paid in full prior to acceptance on the above-mentioned renewal date. If there is a deficit at the time of your acceptance, Delta Dental reserves the right to revoke this offer and terminate your existing contract upon its natural expiration date.

Please call me at (614) 776-2307 if you have any questions or if I can be of help in any way. Thank you, we look forward to continuing our relationship with you and we greatly appreciate your business.

Sincerely,

Woody Jenkins

After careful consideration of the above factors, we have established our pricing for the upcoming policy year. Following are both your current and renewal rates, which will be effective on January 1, 2016.

<u>Coverage</u>	<u>Current Rates</u>	<u>Renewal Rates</u>	<u>Rate Basis</u>

Any additional coverages not specifically mentioned in this letter that are active at the time of the renewal will have their rates continued through the coming year.

It is our expressed intent to provide the best possible relationship of benefit costs to the products we provide to your group. Request to Notify Alaska Residents of Impending Coverage and/or Premium Changes

Under Alaska Statute 21.36.225, covered individuals residing in Alaska must be notified of impending coverage and/or premium changes, as applicable. If you have employees residing in Alaska who are covered under MetLife's Disability, Dental, Vision or Accidental Death and Dismemberment policies, we ask that you provide them with written notice at least 45 days in advance of the effective date of the renewal, notifying them that coverage and/or premiums may change. Once renewal details are finalized, a second notice must be provided setting forth the details of the coverage or premium change. If you would like wording for these notices, please contact your MetLife service team.

INTERMEDIARY AND PRODUCER COMPENSATION NOTICE

MetLife enters into arrangements concerning the sale, servicing and/or renewal of MetLife group insurance and certain other group-related products ("Products") with brokers, agents, consultants, third-party administrators, general agents, associations, and other parties that may participate in the sale, servicing and/or renewal of such Products (each an "Intermediary"). MetLife may pay your Intermediary compensation, which may include, among other things, base compensation, supplemental compensation and/or a service fee. MetLife may pay compensation for the sale, servicing and/or renewal of Products, or remit compensation to an Intermediary on your behalf. Your Intermediary may also be owned by, controlled by or affiliated with another person or party, which may also be an Intermediary and who may also perform marketing and/or administration services in connection with your Products and be paid compensation by MetLife.

Base compensation, which may vary from case to case and may change if you renew your Products with MetLife, may be payable to your Intermediary as a percentage of premium or a fixed dollar amount. MetLife may also pay your Intermediary compensation that is based upon your Intermediary placing and/or retaining a certain volume of business (number of Products sold or dollar value of premium) with MetLife. In addition, supplemental compensation may be payable to your Intermediary. Under MetLife's current supplemental compensation plan, the amount payable as supplemental compensation may range from 0% to 8% of premium. The supplemental compensation percentage may be based on: (1) the number of Products sold through your Intermediary during a prior one-year period; (2) the amount of premium or fees with respect to Products sold through your Intermediary during a prior one-year period; (3) the persistency percentage of Products inforce through your Intermediary during a prior one-year period; (4) premium growth during a prior one-year period; (5) a fixed percentage of the premium for Products as set by MetLife. The supplemental compensation percentage will be set by MetLife prior to the beginning of each calendar year and it may not be changed until the following calendar year. As such, the supplemental compensation percentage may vary from year to year, but will not exceed 8% under the current supplemental compensation plan.

The cost of supplemental compensation is not directly charged to the price of our Products except as an allocation of overhead expense, which is applied to all eligible group insurance products, whether or not supplemental compensation is paid in relation to a particular sale or renewal. As a result, your rates will not differ by whether or not your Intermediary receives supplemental compensation. If your Intermediary collects the premium from you in relation to your Products, your Intermediary may earn a return on such amounts. Additionally, MetLife may have a variety of other relationships with your Intermediary or its affiliates, or with other parties, that involve the payment of compensation and benefits that may or may not be related to your relationship with MetLife (e.g., insurance and employee benefits exchanges, enrollment firms and platforms, consulting agreements, or reinsurance arrangements).

More information about the eligibility criteria, limitations, payment calculations and other terms and conditions under MetLife's base compensation and supplemental compensation plans can be found on MetLife's Web site at www.metlife.com/brokercompensation. Questions regarding Intermediary compensation can be directed to ask4met@metlifeservice.com, or if you would like to speak to someone about Intermediary compensation, please call (800) ASK 4MET. In addition to the compensation paid to an Intermediary, MetLife may also pay compensation to your MetLife sales representative. Compensation paid to your MetLife sales representative is for participating in the sale, servicing, and/or renewal of Products, and the compensation paid may vary based on a number of factors including the type of Product(s) and volume of business sold. If you are the person or entity to be charged under an insurance policy or annuity contract, you may request additional information about the compensation your MetLife sales representative expects to receive as a result of the sale or concerning compensation for any alternative quotes presented, by contacting your MetLife sales representative or calling (866) 796-1800.

MEMORANDUM

Date: November 9, 2015
To: Reynoldsburg City Council Members
Re: 2016 Storm Water Fees and the Clean River Surcharge

Since 2006, residents in Reynoldsburg and elsewhere have been required to pay a Clean Rivers Surcharge. The fee is used to support various improvements related to the Project Clean Rivers initiative, which is designed to reduce pollution in waterways. The City of Columbus is charged with managing a 40 year, \$2.5 billion Wet Weather Management Plan and this fee supports that effort. The fee was created and mandated by a consent order from Environmental Protection Agency and the State of Ohio.

Reynoldsburg residents have been paying this fee through their sewage charges. We are now proposing to have this fee paid with storm water charges, which will lessen the increases in future sewage charges and is more appropriate given the goals of the Clean Rivers Project.

Our residents currently pay \$2.00 per month for storm water fees, among the lowest fees in Central Ohio, and our storm water fees have not been changed since 2004. This proposal will set monthly storm water fees at \$4.00 and the extra funds will cover the Clean Rivers Surcharge.

It is important to note that this a revenue neutral move that simply changes the fund that collects the fee. When implemented, residents will be notified of the change to their storm water fee via information provided with their water bill.

We request that this item pass as an emergency on the second reading in order to have it be effective by January 1. Auditor Harris and I will speak to this item during the November 16 Finance Committee meeting. Thank you.

Re: Franklin Soil and Water Conservation District Agreement, 2016

This legislation will authorize an agreement with the Franklin Soil and Water Conservation District for 2016. The draft of the agreement is attached for your review.

Council members are familiar with Kurt Keljo and this agreement will allow Kurt to continue working on watershed and storm water issues in Reynoldsburg. These agreements have been very beneficial for city staff and our residents due to Kurt's expertise on these matters. Additionally, this agreement will enable us to explore grants, collaborate with other municipalities, access state and federal resources, and other important goals and objectives outlined in section 1 of the agreement.

Under the terms of the agreement, the City will provide a grant to Franklin Soil and Water in the amount of \$8,250. No appropriation is requested at this time as these funds will be included in the 2016 storm water budget and paid out as needed in 2016.

In order to have the agreement signed by both parties before the end of the year, we request that this item pass as an emergency on the second reading (December 7). If you have any questions, please feel free to contact me. Thank you.
