Mr. Skinner: I got an email, but I do want to hone in on this today, I got an email request to hold it, but I would like to have know, get some feedback as to when we would be seeing some legislation. Mr. Roth are you standing in for Mr. Hood?

Mr. Roth: Yes.

Mr. Skinner: Ok, this is something we requested back in July, so I'm not trying to hold, I know you're kind of put in an awkward position, but is it something, can I get an update on a time line as to when we're going to get an ordinance?

Mr. Roth: Mr. Hood said 2 weeks. Mrs. Bauman was out with her family most of last week so they didn't get to sit down and work on anything.

Mr. Skinner: Ok, so meaning 2 weeks, by the next meeting?

Mr. Roth: Yes.

Mr. Skinner: Ok, is he, do you know if he's going to have different drafts? At the last meeting we talked about different types of proposals, is the intent to have 2 different types of ordinances.

Mr. Roth: That I don't know. He did not discuss that with me.

Mr. Skinner: Ok, I'll have April follow up with your office later this week and we'll see if we can get that buttoned down.
