836 Promise Court

I've lived at Promise court for 35 years. There is a serious flooding problem at Briarcliff that has not been addressed and needs to be addressed. The houses in Briarcliff are beautiful houses, especially along the backend but they never should have been built. We can't do

**MINUTES REGULAR MEETING

much about that now. Blacklick creek is really a problem. Over the 35 years that I've been there, no one from the city of Reynoldsburg has ever come out to check on it or us. Or see how we are doing with the flooding, there's been six floods since I've lived there, three of them in the last 17 months. They are getting more serious by the day, week hour. They are more powerful, there is climate change, everything is adding to it. I know everyone saw the footage of the flood waters in New York, that's what promise court looks like. I've been water up to my waist in my driveway. I lost my basement numerous times, it's a finished basement. Including four weeks ago tomorrow, I've lost two cars that were sitting in my driveway because of flood water, again nothing has ever been done. I come here addressing city Council as a representative a promise court. My house is the closest house on Blacklick Creek. Four weeks ago it took an hour and a half of heavy rain for it destroy my basement again. I found out from some of my neighbors that the building going on by Rose Hill elementary school, they were given permission to elevate their property over there. So that means that the next time, in fact I saw a difference in this flood because of them because it was muddy nasty water but they've been given permission to elevate. Which means the next hard rain we are going to get the runoff from it in the water is even going to be higher. I am asking city Council to do something. I believe in the 1970s someone came out and dredge the creek but nothing since then. I am asking someone to come out and do something, dredge, build a flood wall, I'm no flood expert. I don't know other things that could possibly be done but this is ridiculous I'm losing neighbors, the value of my house. My neighbors their wall, their foundation walls caved in because it was more powerful, so I'm asking city Council to do something about it. I'm considering suing. I'm drafting one now, I don't want to do that but something needs to be done or we're going to end up suing the city of Reynoldsburg and the developer with a class action lawsuit. I am here to ask Reynoldsburg city Council, because we are suffering and it's not fair. Thank you.

I am here to speak in support of the addition or change in verbiage in regards to our code when it comes to parking and easements on the end of our driveway. As many of you are probably aware, according to Ohio revised code 215101, parking provision according to Ohio revised code cannot be within 5 feet of a driveway. So as you can see some of the pictures I

**MINUTES REGULAR MEETING

have included, it's become an issue in our court. I am here to represent my court because most of them are elderly people and it really is an issue to get out of their driveway on normal conditions let alone a day with snow and ice. It really has become an issue, I think it's something that's fixable very easily, most police officers thought it was already a code in effect until we came across one that said it's not a code that is in effect right now so he put a halt to it and now we're back to square one. That's when I wrote in for a quick fix there. I'm a member of the next-door group in a lot of the residents there chat back-and-forth with each other, Mrs. Green from Summerfield summed it up very well, move into a suburb and subdivision for the homogeneous way that neighbors respect each other, they do not have to be laws per se there is courtesy and respect. We have driveways and we need to use driveways and get whatever cars, boats, campers etc. you have in your driveway. There are indeed restrictions that may be forcible. So in this case that may not be true but I think a lot of common courtesy has gone out the window with Covid and what's going on in the world today. So I think we need to make a change and get that addressed, fixed and help these people out. Thank you.

I would like to talk about an item on tonight's agenda also, item 10d-1 in the development Parks and Recreation committee and item 11-1 on the consent agenda, the Rose Hill town home development. I would like to ask for a professional engineering study to be done questioning if raising the elevation have an adverse effect on the Briarcliff community? When this property was rezoned, city Council and the residence of this community were believed that this was being done to allow a senior living community constructed on it. We were also told that the front 3 acres were all that could be built on, Mr. Bowsher's exact words from that council meeting from March 23, 2021 you can only build up on the front half about 3 acres Of the total 10 acres are buildable, the rest are basically wetlands. It appears to me that there are considerably more than 3 acres being built on. I believe city Council in the members of Reynoldsburg were misled into improving this rezoning.

Like the other speakers here, I am very concerned about the water in the flooding in Briarcliff. I have lived here since 63 and went to Rose Hill and that Lynn that they are building on was the first floodplain South Broad Street to protect Briarcliff and the rest of the city and it is gone. Got a 10 foot earth and blood wall built there and Briarcliff phase 1 will be that new flood zone if we don't do something. I would like the council or whoever is in charge to hire somebody to defoliate Blacklick Creek Base all the way to Broad Street golf course, it's been overgrown for the last 4 decades. No one has done anything about it and if the water can't get down and out of town it's going to keep causing us trouble, flooding our homes, and our value is dropping like a rock. I would like everyone to consider that when you meet again with the Franklin County federal management people. Maybe something from the big infrastructure package in Washington right now and really clean it out. Take some of the trees out and have a walkway for citizens it would be beautiful but if you don't we are going to have water everywhere. This building, the Y senior citizen center, could be underwater.

I've been in Reynoldsburg for about 10 years now. At the last city Council meeting we had the second reading on the Local Waste contract and there was some concerns raised at that meeting that I have not heard any response to. Mainly the bulk large item pick up in the pickup of large containers in the contract that Local Waste has provided the city of Reynoldsburg quite simply didn't have the same or comparable bulk pick up. Their answer to that question at the last meeting essentially was they would bring a bin to whichever citizen needed the bulk pick up and then that Citizen would then be responsible for that been in the pickup itself so that is not comfortable. And I think that waste pick up is a large municipal responsibility and I did want to know if you had any response from local Waste in regards to that and how that lack of comparability would affect their contract. Also, along with what some other people said tonight with the flood issue in an infrastructure package looming there are going to be some opportunities to dredge the creek and make it a little bit deeper and that will have a positive economic effect on Blacklick as a whole as well is that

community specifically. I would love to see some exploration in that area. Thank you all for your time.

**Christine Stout-Smuck

I'm contacting you to urge the city council to reconsider awarding the refuse contract to Local Waste. The price is slightly lower than Rumpke but it will end up costing residents more. Currently Rumpke takes any waste we sit out. I've replaced vanities, toilets and cabinets and the old stuff was picked up. Local Waste will just tag it as "construction" waste and leave it. We have great service from Rumpke and I hope we can keep them. Thank you.

As a co-founder of the Friends of Pine Quarry Park I want to express our appreciation for the support and collaboration we have with the Parks and Recreation Department. Prior to our 3rd. Annual Unplugged Concert in the park, I contacted Donna Bauman about help in clearing an area in Pine Quarry for our musician and singer to perform. Donna arranged for the Parks ground crew members to meet with me to discuss our needs. After meeting with Brian McGuire in the park a plan was made to clear an area allowing for concert attendees to better see the performers. The Friends of Pine Quarry Park so appreciate our collaborative partnership with the Reynoldsburg Parks and Recreation Department. We look forward to continuing this unique city and public partnership. Thank you.

Councilmember Strickland

I am your ward representative for Ward one. I was over there in 2019 walking around when there was a flood talking to neighbors and in promise court and we went to the back of his house and saw all of the damage the water had made. So I wanted to let everyone know that I have been out there talking to neighbors, we know there is a problem with the flooding. I have talked to you and worked with Mayor Begeny on how to fix this or at least address it. I don't know Mayor Begeny wants to say a couple things but I want to make sure it is said that I have been out there talking to neighbors about this issue, there may not be something we can do right now but please know that we are trying to address it, and it was said no one has been out there over the six times this has happened in the last 40 years, yes I have been out there. Thank you.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

Councilmember Baker

I was out there with Council member Strickland and I saw all the damage to the gentleman's house to be honest it made me sick because that shouldn't happen. I surveyed further beyond behind the house to see where it came from and how did it happen and I'm hoping we get some answers tonight when we get to that part of development. I am aware of the flooding not just over there but on the east side of Reynoldsburg. I understand we had 7 1/2 inches of rain within 90 minutes, I'm no expert but I'm not aware of any system that could handle that kind of rainfall in a short amount of time. However, it's not the first flood over in your neighborhood or other parts of Reynoldsburg so we are working diligently to rectify the issue that's been long overdue issue, it didn't happen overnight, it's years of infrastructure decay and sewer systems need upgraded and some areas. We just upgraded sewer and water out at the intersection of Lancaster and Main Street that was 90 years old. It shouldn't wait 90 years to have something replaced, we should be on top of it. Just to let you know we are aware of it we are not turning a blind eye. In 2018 my basement flooded when I lived on the east side of Reynoldsburg, so I am very aware of the issue and it will be worked with.

Mayor Begeny

To address the flooding situations, you may not have gotten a letter mailed yet, we did get it out last week. We've been trying to coordinate with the number of different federal agencies and state agencies to have a meeting to address the issue you're referring to. So if you did not get a letter in the mail you should be getting it in a couple days, we sent them out Friday. So on Wednesday, September 22 at 7 PM here at City Hall we are going to have representatives from Franklin County emergency management in Homeland security as well as representatives from the EPA and the Ohio department of natural resources water management flood mitigation department. They will be here to give you their expert opinions of it. When we met with Jeff Young from Franklin County homeland security, he did bring up one of the issues you had mentioned about dredging Blacklick Creek and issues that go along with it. Those are things that are going to have a little bit more of expertise whether it's in Reynoldsburg or the entire area Reynoldsburg all the way across. In the meantime some things I want to make sure everybody is aware of, after the rain on August 17 the areas were inspected in the following days, specifically the stormwater sewers to make sure there were no obstructions, cracks, breaks things of that nature. By the end of August 20 any debris that

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

had been in the general vicinity especially of Blacklick Creek had been removed. This year alone, you should be starting to see some sewer work done in the Roundelay area, It was adjusted from last year, after every year the city of Reynoldsburg goes to certain parts of the community and after last year's flooding we went ahead and re-organize the priorities to make sure that roundelay and those ear areas hit most severe would be that. Right now we are looking at approximately \$1 million that it's going to be coming from the American recovery act program to do some significant improvements in that area that was hit most hardly but you're looking at White Butterfly, Carrousal Drive, Promise Court, and etcetera. Last year when I was out again at Peggy's Cove we were able again to see the issue of water and stormwater versus water that was in the actual creek and things of that nature but the EPA and the other groups that will be here will be able to speak to things of that nature. As far as the interest with the developments and things of that nature, we do have our city engineer that is there to provide the engineer ring for it and they have gone through. The engineer is here tonight so when we go through the questions if there is anything that Council wants to ask tonight we can go ahead answer those. Beyond that some of the other issues that are out there with flood mitigation options, obviously the worst case scenario is that some of those houses on white butterfly are in the flood zone and then the question is in other areas of the United States where that is happened before where they look at the flood mitigation where there is a grant partnership to purchase the property and then move from there at market value. So that is an option, obviously we would like to find the best option not to do that but all issues are going to be on the table and that's what they are going to be coming here to talk about in much more detail with much more Expertise that I can do at this time. So again that is September 22 Wednesday at 7 o'clock. Please pay attention to social media notifications, you should have gotten something in the mail we went through to make sure that we got everybody. And we didn't just stop at roundelay we went almost all the way to Tanya Terrace honestly. White butterfly can continue all the way through out so to have everyone there, it will be live streamed as well so if you cannot make it. We anticipate a rather large crowd. If there's not enough room in here you will still be able to participate. We will have sign in sheets and documentation from those organizations that have the ability to answer those questions in a much more detailed way. With that I do have a few other comments, I would like to thank city attorney Chris Shook the assistant city attorney, Chief Baker in the entirety of the Reynoldsburg police department in the efforts of shutting down the Days inn. I

cannot comment too much about it because it is an ongoing litigation but needless to say it was a very good thing that it's going to be closed. Its temporary closed in Junction with Franklin County court, environmental court judge Stephanie Mingo. For council as well as residence here, we did have a wonderful tomato festival here while everyone was on recess. We are currently looking at future dates, we had a survey that went out and there were a few issues that came up specifically for rides and games. But obviously the community made it very clear that one of the things the community would like to see at future tomato festivals are more rides activities and games. There are some obstacles with that due to staffing and the number of businesses in Ohio that do that in the time of year that we have the festival. We are looking to have some of that clarity for you by late September early October so we can have a very specific day in mind for next year. We do have a community cleanup organization and I am extending the invitation to all members of council and members of the audience, this is an unusual community cleanup day because it's happening in October. It's October 16 from 9 AM to 1 PM here at City Hall as well as Spangler Park. We are going to have hazardous material as well as bulk material disposal. As well as our traditional shred trucks, so that will be October 16 from 9 to 1, don't worry Ohio State is not playing that day that is why we picked it,. If you want to stick around for later in the evening the community association will be partnering with the city For a Halloween party that evening. Last but not least I would like to take one moment to introduce somebody who got thrown right into things, we have our social worker who was brought on in about four days into the job, Melissa if you want to come up and introduce yourself. This is an initiative that we had started to help support our Reynoldsburg police officers. Our police officers are trained to be police officers what some of them are not trained to do or what Melissa brings to the table. For example some of what happened at the days inn. We obviously were giving the Days Inn Less than about 24 hours to vacate the property and one of the things we wanted to make sure of is if there was anyone at the Days Inn that wasn't able to find a place to live that we had somebody ready to go on site who would help make that transition all the way across and that's something that Melissa brings expertise in, to bring that ability out to our community. Not only was she doing this we have already heard from a number of people in our community that she has been a resource in some of our calls so she is working hard, this is the first program in the state of Ohio like this. We do hope to broaden the program over the next couple of years, but the reality is the situation that our officers are asked to do more and

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

more of the time and that we dedicate their resources so they can do their job the best way that they know how an expert's like Melissa will be able to do the things that she knows well. Now I would like to introduce Melissa to counsel and some of our community members. Now keep in mind that she is only been working for about two weeks so no real specific questions this is a program we are building from scratch. As a matter fact that was one of the challenges during the interview process, this is brand new. If you could design a program to meet the needs of today's world a social worker can do with the police department what would it look like and how would it be accomplished. And it was impressive enough to everybody so this is her thing and we are enthusiastically supportive of what she is here to do.

Melissa Blankenship

Thank you guys for having me and the Mayor and Chief. This has been a long process. To keep brief, it was interesting and insightful and any social worker's dream. I have been doing social work for 20 years, I have a lot of experience across-the-board between children services, medical, HIV and AIDS, home waiver based services. So services that are available to keep individuals in their homes healthy and safe in their own community, is the goal of everybody I believe that is here today. It is really innovative and exciting that this is allowed to take place here and we are starting this in Ohio and some of the other states have come a little bit further along the way but we are building it from the ground up here. It has been amazing. From day two, they said they wouldn't overwhelm me so as of day two to get to see some of the things and meet some of the individuals that they frequently come into contact with. And I will say that a large majority of what we are dealing with here on runs is social service oriented and so being able to really tap into those people and the needs of our community and maybe do some prevention and education and retention of those amazing residents that we have here to be able to retain them into our home and community here in Reynoldsburg so they are not leaving and going to other communities. We want them here to help us grow. I came here when I was two years old, my parents are back here and they still live in Huber Homes. Girl Scout troop is here, this is home for me, and I lived for 15 years over off of first gate. I couldn't be more blessed to be here and be doing what I'm doing. That is what I'm saying 2 1/2 weeks into it, the story may change in a month but that is what it is and I think you all so much.

TREASURY BOARD MINUTES AUGUST 2021

Motions

A MOTION TO APPROVE A RESOLUTION RECOGNIZING GRANDPARENTS DAY

Councilmember Strickland

One of the reasons I would like to recognize this grandparent's day is because three years ago my sister had passed away unexpectedly and my mother had to raise three young kids and her great grandchild. More and more you are seeing that grandparents are raising grandchildren and it's so important to put our support behind grandparents. I know Toni Kleckley is in the audience, and I would like her to say a couple words about her organization after I read the motion.

Councilmember Strickland reads the motion into the minutes.

Toni Kleckley

It is with great gratitude that our nonprofit organization, Trans4mation Now, grandparents educating minds is receiving this recognition. I am so humbled and honored to of worked with the individuals I've worked with throughout my job. Building our community resources for grandparents is one of my passions. Also, I would like to say I cannot accomplish this alone, there are others that deserve this award also, this recognition, just so happens that my husband is here in this room and he has supported me every step of the way. I am thankful to him for being there. How did I get here, 2014 my husband and I were faced with a dilemma when my daughter was incapacitated, we had to take in our grandchild overnight in our lives changed. But it also became an open door for me how to help other grandparents. That was in 2014. Fast forward to 2017, in Washington DC and a special committee on aging with Susan Collins ranking member Bob Casey came together in a bipartisanship deal that supports grandparents raising grandchildren called the grandparent Act. Across the nation approximately 2.6 million children are currently being raised by grandparents because of the opioid epidemic,

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

incarceration and other things that parents are missing from. On September 11, 2019 with the addiction crisis in mind US senator Sherrod Brown passed bipartisan bill requiring the creation of an advisory Council to assist grandparents and other relatives raising children. In creating this bipartisan deal, two Ohioans were chosen from across the nation to sit on his advisory board, and I happen to be one of the grandparents that were elected and appointed for that position. We have come a long way to support families of grandparents raising grandchildren but we still have a long way to go. I also want to give another statistic, in Ohio we have 240,000 children under 18 living in homes with grandparents raising grandchildren 216,000 of them are right here in our own community. Trans4mation Now , Our organization, grandparents educating minds, as we move forward with our vision for building an important network where grandparents and children are connected by learning and leading on the stress of each other, we hope to bridge the gap between generations for tomorrow's future. I have enjoyed my conversation with Councilmember Strickland about grandparents raising grandchildren, I am truly humbled and thank you for the mayor and city Council for recognizing our group during national grandparent week.

A MOTION TO APPROVE A RESOLUTION RECOGNIZING NATIONAL SUICIDE PREVENTION MONTH

Councilmember Strickland

Last year my cousin committed suicide. He was only 22 years old. Two months before he committed suicide, he contacted me and asked me if he could come live with me. He had some mental issues that I was aware of but at the time I didn't want him to come and live with me because I have two sons of my own at home. The entire family did not want to recognize that there was something going on with him and he needed extra help which was something we were not able to provide to him. Last year he committed suicide and we just celebrated his birthday last week.

I just want to thank Councilmember Strickland for bringing this resolution forward because mental health is a very big and before has been swept under the rug. You always told toughen up and walk it off but that was not the way it should be. She can help is remedy, there is no medicine to make it go away but there is treatment to help in my line of work I see people with mental health issues were seeking help because they are carrying a burden that no one should carry alone. Councilmember Bryant

The reason that I felt compelled to bring the resolution for it overdose awareness is Induction knows the race, no economic or religious bounds. It can attack anyone anywhere at any time regardless of where you come from. I have had professional colleagues who have given into substance abuse and Last summer I lost someone who I

worked with at the Department of taxation in this shows that it can effect anybody. The person I had known for 20 years lost her life to an overdose and the people she was with left her body in a dumpster. No one deserves this, I don't care who you are or where you come from. Substance abuse is wicked, those who are left behind like the grandparents that Councilmember Strickland mentioned. I thank City Attorney Shook for doing what he is doing in engaging in treatment options for people in Mayors court. I know there is a propensity to look at it as a moral failing to many people but it's deeper than that.

Councilmember Pyakurel

Thank you for bringing the resolution and on that line the community members can take training. The Reynoldsburg Police have training, I have taken the training with Columbus Police a long time back. West Licking Fire District Report

WEST LICKING FIRE DISTRICT

Councilmember Baker

The statistic numbers are in your packet but the same as always, the response times are impeccable for the places they have to run all of the west side of Licking County, which is a vast part. I would like to commend all the men and women firefighters for the work they do in the West Licking Fire District. For Reynoldsburg and the western portion of Licking County, there has been a lot of progress for the new fire house being built on Taylor Road. We should have some rendering and drawings here very shortly. I would like to have a public forum for people to come and look at those drawings and get some input before we approve the final plat so we can make sure its Reynoldsburg specific. So far it is going to be specific, we are not following some cookie cutter design. I told them I want something that is specific to Reynoldsburg, so I am excited about that and it should be coming down the pipe here very soon.

This is the Development, Parks and Recreation Committee meeting for September 13, 2021.

Members in attendance are Councilmember Cotner, Councilmember Pyakurel, Councilmember Lawson-Rowe, Chair Baker and President Jenkins.

An Ordinance to Approve the Final Plat Plan for the Rose Hill Townhome Development

Director Bowsher

Planning commission has approved this. Based off the ORC it has to go this route when we approve a residential development after planning commission we do a preliminary plat at that time and we do a final plat afterwards. Planning commission has approved this and now it is for your final approval so it can be recorded with the county. There have been no changes since its original conception.

Councilmember Baker

With the flooding issues, I know we are now holding developers' feet to the fire and making sure they are doing what they say they are doing compared to the past, helping mitigate the flooding issue in that area. I did look at that area when I went behind that gentleman's house and I did see the results of flooding. I want to make sure what we are doing on our end, something like that is not going to happen again. I know we can't promise that it won't but I know we sure can try that it doesn't. I don't know if you've been talking to them about the retention pond, I know they were putting one back there and it's still in construction so it's not fully functioning. I just want to make sure for the residents that are here and listening that we're not just letting them fill something there just to say they have something. And also if you

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

could adjust the comments about the national church residence and how that conspired.

Director Bowsher

I'm going to take the second one first and then I am going to ask our city engineer Ryan Andrews in accompanying me in answering some of those more engineering specific questions. But to encapsulate what you were talking about and I believe is thrown out there that there are 3 acres. There is only 3 acres that are buildable, Ryan Homes also purchased the land up to the north and it did not need rezoned, it was already zoned SR, it got a conditional use. We did have several conversations with national church residencies during 2020. It was a month before the pandemic happened and it was unfortunate. They shut down their operation and they said they were fearful of how many new applicants and residents they would have moving in and also forwarded a second senior living residency on a parcel that we will be talking about next. So to potential seniors living options both declined and backed away. This was pretty much spread across the board. We started working with the property owner Ted Lemon, they approach Ryan homes to us and we started working with them. They are not building in the flood way, I want to make that very clear. I think the total buildable acres is maybe 4 and that does include the parcel to the north. That wasn't rezoned it all so I want to make that very clear. As far as engineering is concerned, I will let Ryan touch on that, but we did ensure that they sized it correctly for the detention pond. In fact it's oversized for the area because we knew there was a shooting problem from the elementary school just to the south with that I know he reviewed the plans and I will let him give his statement on what he reviewed to the major site plans.

City Engineer Ryan

We review plans on behalf of the City of Reynoldsburg for any development that comes into the City. Invisibly we look at a number of things but we're really guided by the local standards and requirements of the City when it comes to things like storm water management, floodplain. We are verifying that the plans are verifying to the City storm water code and design manual and also the City's flood hazard protection

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

zone requirements. As well as FEMA specific guidance and requirements for development in or near or around floodplains. We reviewed that particular plan for the rose hill development for the city and we made comments back to the designer engineer and developer along the way as Andrew said they have designed their Storm water management appropriately for their site. As far as we saw they followed all the rules that are in place to guide this type of development. I'm happy to answer any questions you have more specifically about it.

Councilmember Bryant

It sounds like there was a lot of concern that this was being built up and it would cause a runoff onto other properties.

City Engineer

In terms of runoff, whenever a development takes place we're always trying to make sure that in the post developed condition it drains to the same place that it does prior to the development. That's one thing that is part of the cities Storm water design manual that we follow. In this case, once the construction is complete, all of the runoff per se will be channeled toward the stream as it is today. In terms of building up the development, there are probably a couple areas within the development that they have increased the grade to protect the homes or condos being built there. That is outside of the floodway so there is nothing that prohibits that.

Councilmember Strickland

Do you know how many retention ponds we are going to have in that particular area?

City Engineer

There is just one with this particular development.

Councilmember Strickland

Let's say 10 years from now, we are seeing issues with that particular area. Will someone come back and dig deeper hole and how can we try and mitigate that up front.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

City Engineer

As part of the cities EPA permit, so we have a permit to discharge Stormwater to the drains as the city of Reynoldsburg, as part of that permit one thing we are required to do is to make developers provide a long-term maintenance plan for their stormwater controls, for their pond. So they're actually required to come back and do their own inspections and make repairs or do maintenance to the pond if needed. Where the city can go out and inspect if we find that they are delinquent in their responsibility to maintain the ponds and we can require them to do that.

Councilmember Strickland

One thing that I heard when I was there a couple weeks ago talking to neighbors was that now that the townhomes are there they are flooding even more. Can you explain a little bit about that, is it because Ryan is now building these townhomes is there any issue where this water is flowing?

City Engineer

I don't think so. I understand there was a big rain event something change and there is a desire to connect it to you, the development happening along with this big rain event. In reality the Blacklick Creek watershed is huge and adding a little Phil here, grading a pond, really has an inconsequential affect in the way the floodplain in the stream operate. What you dealt with on August 17 was a rainfall event that was pretty monumental. We are talking 3 1/2 to 4 inches in three hours. I'm not a meteorologist but engineers we do look at these rain events because we are studying Stormwater in Stormwater management. They talk about recurrence intervals, so if it's going to happen once every 10 years they call it a 10 year rain event. I don't know if the statistical analysis on this brain of it is complete but based on the things that we saw in terms of total rainfall volume in a short duration of time we are talking about a 100 to 500 a year rain event. Outside of that particular area with the Rose Hill development, I know you've got the briar cliff development there are a lot of homes inside Briarcliff that I'm fortunately is now identified as floodway and floodplain and they are at risk because of it. Obviously, things weren't studied like that back in the time with those homes were developed and it's unfortunate. The event the mayor

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

talked about with the open house is a good event for those homeowners to come and talk about, I know the one individual who talked about her house flooding six-time over the course of not that many years. I know those things are good testimonies to have and to share at an event like this. When those agencies with grant assistance they tend to focus more on the properties that are at high risk rather than trying to fix the stream because fixing the stream is almost insurmountable.

Councilmember Pyakurel

As many may not agree I do agree that climate change is happening that's a real thing. Unexpected weather conditions are happening more frequently and with the new development are they going to be prepared and have solutions for things like unexpected weather conditions, are those things planned going forward for this particular development?

City Engineer

When we review plans we review them against the current code and requirements of the city. One of the things we are doing right now is planning on revisiting the storm water manual. I think there's an opportunity for us to potentially look at opportunities to do you incorporate different standards and factor in different levels of safety because we are seeing whether you believe in climate change or not over the last 18 Months we've seen three storms in Reynoldsburg that are pretty phenomenal. They've created a significant amount of flooding. Engineers and planners to focus on stormwater are looking at it globally and around the country. When we set up standards we always look at historical data. What happened in the past you think that's going to predict what happens in the future. One of the things we are looking at now because of climate change is the intensity of the storms. Is maybe to say that's not the best approach we have to be a little different about how we predict what's going to happen in the future. I think there is a shift in the industry to look a little bit more into the future and do a better job of planning for bigger storm events. But that doesn't help an existing develop neighborhood like we're talking about here that was built 50 or 60 years ago where there's a little opportunity for us to get in there and "fix this."

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

Councilmember Cotner

Just a moment ago you said 50 or 60 years ago those homes weren't in the floodplain did that change because standards and rules changed or because the community changed?

City Engineer Ryan

It changed because studies were done by the flood insurance program and I think our maps are dated 2008 right now. So the last time a significant study was done to evaluate floodplain in Reynoldsburg is when those were published in 08. I can't tell you the history of when those were first done just sometime between when those homes were built in that study in 2008 there was an initial study probably that identified in about the floodplain in floodway.

Councilmember Cotner

But now they are in the floodplain and are required to have flood insurance and most lenders aren't even going to deal with them.

City Engineer

If they have a mortgage yes I would imagine most of those people have flood insurance or if their home is paid off they may choose to no longer have it.

Councilmember Cotner

This was promised as national church residence, this wasn't a maybe it was this is what it's going to be. That certainly would be less people driving and less occupants. What's the difference of where we are now how many units are in this how many cars? I know some of those are maybe not exact numbers but this is a big difference from senior retirement community.

Director Bowsher

That senior retirement community, when we showed pictures was going to be roughly 3 stories and was modeled after one they were building in Gahanna. What we were

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

talking about now is 79 townhome units. There was certainly going to be more than 80 units inside of this for senior living. So the amount of traffic or cars on Rosedale would probably increase. So to say that there is more of an impact now, I will politely disagree.

Councilmember Cotner

I will politely disagree, we will leave it at that.

Councilmember Bryant

I have a follow up to the comment about flood insurance, I've had people talk to me about the fact that they cannot get flood insurance because they are told they are not on a floodplain but they are clearly affected. They are losing everything they own in their basements every time this happens. Do we know anything about who is and who isn't compared to who is being affected?

City Engineer Ryan

Yes I think that some of that could be a scenario where someone is very close to it, maybe the line on the study that was done 13 or 14 years ago maybe their house is out of it. But again those studies are done with aerial photography so they are not 100% accurate. These are things that you get from the FEMA website in the best available information but it may not always be 100% true. You may get a lot of people who probably live near but may not be on the map but it still affects them because they are so close.

Councilmember Baker

I know it's still under construction but when you are done there is going to be nature around the retention pond, it's not going to be concrete slabs or something like that?

City Engineer Ryan

I don't get too involved in looking at the landscape plans and I know there's going to be an access back to it but I do not think it's paved I think it is going to be pretty natural.

**MINUTES REGULAR MEETING

An Ordinance Authorizing the Mayor to Enter into a Contract to Purchase Real Property Located on East Main Street to be Owned by the City of Reynoldsburg for a Public Purpose, and Declaring an Emergency

Mayor Begeny

I'm going to give you a brief timeline of events. We are all familiar with the property in question across from the cemetery on Main Street. Approximately sometime in May, this Homewood apartment complex was before BZBA to purchase this particular property. At that point in time build apartment complexes there, however at that time it did not meet the needs of the BZBA and was rejected. Probably in about 30 minutes of that rejection, I got on the phone with our city auditor Cicak and spoke with him about purchasing that particular property. He was enthusiastic about it at that time and Director Bowsher and I got to work on getting our plans to you and executive session on June 14. What we would like to do at this point in time is move forward with the purchase. However I will give you the intent and purpose of the entirety of everything. Do you recall home with Holmes was looking to purchase the land and have the 4 acres on the Franklin County Side being used for a major medical provider? However the major medical provider was not able to commit, we are in negotiations with them now for a potential development deal. The other side of things we have another group that we are working with as well for the commercial development of things. So what we decided to do please take a look at the community comments that had come in at that point in time and apartments were not anything that anyone wanted in that area the time but we wanted to increase our income for the major medical provider to come in that is what we presented to you on June 14 and since the negotiations have been going on.

Director Bowsher

Two parcels that we are taking a look at roughly about 14 acres for the total. Half of it in Franklin County and half of it in Licking County roughly. For an overall purchase

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

price of 1.15. We ask that you approve this and let the mayor entering the contract we certainly have a letter Intent, Very hopeful that it will be there before you see this again later this month. Great communication and great talks with other commercial users. One of the problem with the way that it is that they only wanted to sell the land to one particular user, so we find ourselves in a really fortunate position and a great price. We are still able to get a major medical provider and utilize the rest of the land for other commercial uses. It will bring jobs prosperity and really great attractions to the city. I ask that you consider this and move this along.

Councilmember Cotner

So the city would be purchasing it and it says for public use but is it going to be sold these medical providers at cost and are we going to be made whole? What does the financial future look like?

Director Bowsher

Correct. It will be very similar to some of the other development deals that we have entered into. We are still under negotiation with this medical development as to what the purchase price will be. But we would certainly be made almost entirely whole just on their 4 acres parcel.

Councilmember Cotner

OK and their developers are going to put in their own infrastructure and handle those things as well? Still the keyword in there is that we would be almost in there others that we could argue aren't being made whole that the taxpayers are still paying businesses as opposed to the residence benefit. We are just making it easier and faster for a business to do their job. I do think it's a good purchase and a good deal as far as the price, I am all for that. Just once we purchase it I want to see that the city is made home.

Director Bowsher

I think we all want to see that.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

Councilmember Cotner

These dollars would then come from the CIP? What does that leave our balance at auditor Cicak?

Auditor Cicak

The balance is in the report, we are getting close to running out of the fund but we are transferring money from the general fund into the CIP fund tonight to cover purchases. The other one that is going to come up is the bearing of the power lines. I've been working with the mayor and looking at the funds to make sure we have enough cash flow for the last three months of the year. We are going to be OK. If the deal pans out as it has been sold to all of us for the amount of money that we are going to get back, this is a great deal. If not, I will just say I was here to tell you how much money you had. The fund does take a while to build back up the CIP. That's a very real issue, we may have to readdress how we allocate our dollars. In the beginning of the year it was always 73, 12 and 15 in your initial training when I explained how the Dollar gets broken down into different funds that may have to change so we can build it back up for the street program in the summer. But for right now we can do this.

Councilmember Cotner

In the transfer you mentioned that's going to take place tonight, that's from the general fund?

Auditor Cicak

Yes.

Mayor Begeny

While we're on the topic of this, as some of you may or may not be aware of the property on the corner of Lancaster and Main, The Happy Dragon, that building was demolished. The cleanup process will begin tomorrow and we hope to have something back to you possibly as early as the September meeting for the purchase agreement to recoup some of the costs from that. If it's not the September 27 meeting

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

it will be the month of October. We are very close and should have some design sketches in the not too distant future and it being on planning commission again maybe as early as October or November. So that is something we will be able to get off the books and get compensated for it back again.

Councilmember Baker

This basically sounds like high risk high reward and I hope we come out on the reward and not the other.

Councilmember Cotner

I'm confident in the value of the property, I think that's a great deal and I think we will come out even. I think they're a great opportunities and we don't want to be up here hoping we want to make sure we are making the right decisions and I think that land that's been sitting there for so long is a great opportunity and it's wonderful that the city is taking the steps to do that I just want to make sure that is made whole, that is my only concern. As long as we manage it correctly there is no reason it shouldn't.

Councilmember Baker

I agree with you and I said it before we have to invest in ourselves. We tell our kids to invest in themselves and work hard so as a city we need to invest in ourselves and I'm sure we will come out on top.

An Ordinance Authorizing the Mayor to Enter into a Contract with EMH&T for the Engineering, Plans, and Preparation of Bid Documents for the 2022 Street and Sidewalk Maintenance and Repair Program and Appropriating Funds Therefore

Director Dorman

This is a program that we bring before council every year. This is our 2022 street program including our sidewalk program which we initiated this year actually. This is for the design work proposal from EMH&T included in your packet as well as a list of propose streets for this year. That is based on when we get our final numbers in from the engineer and it goes out to bid. Especially now a days with the shortfall of materials and prices fluctuating on things. Sometimes that makes us cut down on some of the work. This is just for the design portion. The bigger one to point out is on Broadwyn that is a complete redesign. Actually creating more of what you see in a traditional streetscape especially in an older neighborhood and historic area do you have a tree lawn curb and street trees and creating a really nice walkable street along there. If you have driven down there recently you've seen for some reason there's fire hydrants in the street not protected in the curve is no longer there. This will really improve the character along that street.

Councilmember Strickland makes a motion to forward the ordinance to Council for first reading. Second by Councilmember Pyakurel. Motion carries.

An Ordinance Authorizing EMH&T to Conduct Survey and Preliminary Engineering Design Services for Waggoner Road Improvements, and Appropriating Funds Therefor

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

Director Dorman

Today we did submit our application OPWC for funding. For phase 1, if you remember we went to counsel a few weeks ago regarding supporting the application for funding for phase 1 which is from Priestley down to Main Street. If we are rewarded that will be the first phase of this project. Prior to getting into the project we have to go out and do some preliminary survey, this is a very long Corridor and fairly extensive survey because of the amount of properties to deal with and street crossings, curvature of the road, these are the things we're trying to figure out on how we can improve the safety of that road. Also providing safe and adequate pedestrian crossing and walkable. We had a really good public meeting a while back. Had quite a few people about 30 even though there was a big storm that evening. We have received a lot of favorable feedback from residents as well. We sent letters out to every single person along that Corridor, including the subdivisions that come off of that like Jordan Crossing. We feel we have a really strong application in this just to get us a little ahead of the curve, to get the survey work done so we can start paying property owners and to figure out what we need to do, if we do need to approach anyone at all. Our goal is obviously to not affect anyone's property but if we do this will at least get us a starting point for negotiations and that sort of thing.

Councilmember Strickland makes a motion to forward the ordinance to Council for a first reading. Second buy Councilmember Lawson-Rowe. Motion carries.

An Ordinance Authorizing the Mayor to Enter into a Contract with Complete General Construction Pertaining to Main Street Utility Relocation Project (Main Street and Lancaster Avenue Intersection), Appropriating Funds, Waive Competitive Bidding, and Declaring an Emergency

Director Dorman

Yes I believe you may be familiar that years ago the city did a fairly extensive relocation project along probably from our corporate limits all the way down to Blacklick Creek. For some reason this little section of utilities was left off which is strange because the utilities go under the creek and then come back up and go to that

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

intersection. And that intersection is the spaghetti of wires going across the traffic signal. Then it continues down Lancaster. We started talking about this Main Street project and every time we walk out there we talk about why leave these up right now as there are safety issues. And cleaning up the aesthetics of the cord. As Auditor Cicak mentioned earlier we kind of all sat down and talked about it and felt now or never if we don't bury these it will not be done in the future, \$4 million dollars. We felt now is the best time in and talking to Jack who is the owner of the Happy dragon prior to brought up many stories of cars that would come up to the building in the middle of the night, whether they were driving around or drunk, he had lots of cars that would almost end up at the drive-through window in close to hitting the building. So obviously we are concerned and want to push those back because if they fall, lots of them have transformers on them and that would take out a big section of the city as well. Our goal is to now do this, We have talk to AEP as well and they are ready to do this now because they have a circuit that they need to redo an add in 2022 or 2023 so he felt this is a great time to take care of this. Complete General is the same contractor that did work for the city a few years ago. They worked with me in New Albany when we buried all of the utilities in the historic area of New Albany as well. Very good contractor versed in this. They will be the utilities then put the storm sewer in.

Councilmember Baker

Is that the reason why that section of Main Street has not been paved?

Director Dorman

Correct. It's part of our project as a part of the grant. That section from Waggoner down to Davidson.

An Ordinance to Authorize the Mayor to Enter into a Contract with CivicEngage Central for Website Design and Appropriate Funds

Mayor Begeny

This is hopefully the last in a long track of trying to get our website re-designed. Our original website provider was unable to fulfill due to unfortunately loss of life due to Covid. Including a family member as well as one of the lead programmers and they felt they were not going to be able to fulfill this part of the contract. So at that point in time we engaged and started looking for other developers, other website designers, and looked at a number of them and we came to Civic Engage. Well the initial cost itself is under the \$25,000 threshold, city attorney Shook and I and Jennifer Clemens from communications all felt that it would be best to bring this to Council because the two-year service agreement that comes to a total of \$4725.00 total dollars would be over that \$25,000 limit. We did not want to feel like we are misleading or misunderstanding where the money is coming from or how it would be spent. On the bright side due to some great accounting work by Joni and the auditor's office, we were able to utilize some of our remaining care act dollars that would have to go back to the federal government, instead we are going to be appropriating some of that from the Licking County share and Franklin County share of the cares act dollars to help fund it. Originally they were coming from the budget so this will actually save us money in the long run all the way across. Civic Engages primary commitment is to safety and security. I don't want to tell you what they said as far as how often their securities have been breached because I do not want to jinx them but if you're reading that you can tell rarity is a strong word for it. This will allow the city of Reynoldsburg not only to live stream Council meetings but other events direct to the website itself. Specifically I see you won't have to necessarily go through Facebook, for those who

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
September 13, 2021**

do not want to wait or have access to Facebook, They can see it right from the website itself. As well as a number of bells and whistles. Members of the different offices have given their suggestions of what they would like to see from the website as well and those will come into play, this is on for three weeks however if you prefer to have the website done sooner no one will argue with you but I completely understand having this go through in three reads. Is there any other questions I am happy to entertain them

Councilmember Strickland

Have you seen some of the websites that Civic Engage actually designed? Making sure that the RPO is up so that there's no issue when it comes to a lag and things of that nature.

Mayor Begeny

Yes it was actually between this And if you other incidences but it was actually the security aspect what is the selling point all the way across. Most of the other prices were comparable but this one with the added security was there. They are familiar with the city of Reynoldsburg in the central Ohio area as well, all of them have slipped my mind at the moment but I will get them to you tomorrow. I'm very confident in what they will be able to do for the city.

This is the legislation for our liability, automobile and property insurance. This is just to renew that insurance. We did not choose to go out this year simply because we went out to bid last year, that's why we changed midstream. We did have a pretty high claim that they paid out so it probably wouldn't be a good time to market ourselves again. The emergency language is because we do need this coverage in place by October 14. Councilmember Baker

What is the difference between this ordinance and the one for Local Waste?

Mayor Begeny

Local Waste will be accepting your curbside recycling and then Rumpke will accept the waste for recycling it at their facilities.

Councilmember Baker

Right, yes that is correct.

Councilmember Cotner

Resident commented earlier about bulk pick up. Local Waste definitely talked about it, I know that this is a change, Rumpke has done great so I understand reservation. They will still take the things removed from a home, your remodeling a bathroom and throwing out a toilet, they will take it. The gentleman that came that night said if you're a contractor cleaning out a whole house, then you will be expected to pay for something like that. Aside from that, our general bulk pick up will not change with Local Waste services. We are going to give them a chance and let's hope they live up to the promises because they presented it very well.

Other Council Matters

Councilmember Lawson-Rowe

I would like to share that the citizen's police academy is underway. Officers Marshall and King are facilitating it. I enjoyed the first class, the second class I had a conflict and I will be making it up but I would like to invite Council along with neighbors, to participate in the academy, it will give you a greater understanding of what the men and women in uniform do

to take care of us here in the City and I recommend it. There are upcoming academies beginning in January, so please look for next time. There are about 20 or so in the class.

Councilmember Baker

The Blues and Brews is coming up, so please come out and support. I did enjoy getting dunked in the tank at the Tomato festival, the water was cold and it was for a great cause. And my tradition of thanking the men and women in the service industry, nurses and doctors. They are working hard still in this pandemic. The high school football team has another big match up this weekend against Olentangy. At the next meeting I am going to bring up speeding in the residential areas, just for a heads up to Council, bring some questions and solutions. I just wanted to give that a heads up.

Councilmember Pyakurel

The Heroes for Heroes, I want to thank Reynoldsburg for putting that on. My son and I completed our second 5K of the year and just want to thank them for doing that.

Director Dorman

I brought James in tonight to talk about the trash contract. I know at the last meeting we had our first reading. We were talking about a 3 year contract, moving from our current provider Rumpke to Local Waste. James will answer most the questions talking about their company and logistics. We had a nice sit down meeting with them last week to go over, meet their staff and they met our staff. Meet the people on the front end when there are complaints. It was really interesting, we learned a lot of things about the company.

James Weaver

Controller of Local Waste Services

Thank you all for having me. We are privately owned, the owner of our company was born and raised in Carroll, Ohio and was an executive at the local waste management branch here for a number of years and then spun off and created his own trash company in 1999. Once we

get all of our vehicles we have on order, we will have a 100 pieces of equipment and about 200 employees. We are growing a lot and we have picked up a lot of communities in the area. We are super excited to have Reynoldsburg now. We are excited to share the features and technology that was discussed last week in our vehicles and some different things we have that we think the community is going to enjoy. All the vehicles that we have on order for this contract are CNG powered. Now we cannot guarantee that all the vehicles in the City will be CNG, but we continue to grow our CNG fleet you can have less emissions in the City and that's a big deal for a lot of places. It's a big deal for us and that's why every year we add to our fleet of CNG vehicles. We have a CNG filling station. All of trucks have a tablet there where we are able to complete stops, it communicates back with our customer service department. If we pick up at Ms. Jenkins home, we will hit the complete button and that communicates back to customer service, they can see the time stamp from the pick-up, they can say looks like we picked up there at 11:54. If someone says hey I took my trash out late, we have that same kind of communication, our guy marked skipped, and resident says they put it out at 2:00 PM, no big deal. We have 5 cameras on all of our trucks now. There is a cab camera, forward facing camera, one on each side and one in the back. What we use these for is not only verify our service but to create what we call a culture of safety. Our drivers know that we are watching all of the time, we have a full time employee that's always watching what they are doing and how they are performing. We have notification set ups for distracted driving, hard stops, rolling stops, anything like that we are able to get notified immediately for those. That's one of the features we have that we believe sets us apart from the competition. We are one of the smaller haulers in the area but we are the second largest residential hauler. We pick up Upper Arlington, Grove City, Worthington, Hilliard and a number of other communities in the area.

President Jenkins

What is the projected timeline for the switch?

James Weaver

We are already in that process. I was able to get a great list of the customers in the area from the water department. They were super helpful with that. In reviewing all of the street names, I have got that in a sequence now for the drivers to drive through the community and start to route that. What we will do is create one giant route, one sequence number and we will work with the community to decide where we can divide that to make different barriers. Main Street hypothetically, we would be able to pick up the north side one day and the south side on another or east to west, which what we talked about in the meeting. Once we have that information, we will be able to make a welcome packet. That packet will be given to Director

Dorman and he can go through the proper steps on that to get it approved. We will then send that out to the residents. It will detailed information on the types of things that are and are not able to be thrown away. When that particular individual will be collected, they will be collected all the same day trash, recycling and yard waste will all be on the same day. We will have information regarding cart delivery. Information on anything else that is needed as far as if someone wants a smaller cart, maybe they don't want the full size container, that's not a big deal and will be handled on a case by case basis. The default will be a 95 gallon.

Director Dorman

Our goal is for the contract to commence at the beginning of the year. With the Holiday we assume Rumpke will go through and start picking things up, mid to late December from those renting a car from them. Local Waste will start deploying their toters probably around the same time for the solid waste as well. One thing, the past year has been challenging with Covid, I just went to Wendy's and couldn't walk in, doors were closed because not enough staff. One major thing we found with Local Waste is that with this contract we will be doing half the City of Wednesday and half on Thursday, everything is status quo. Your bulk is unlimited, your recycling goes in the cart, all gets picked up, if you have extra you place it next to the cart and it will get picked up as well, nothing changes. The nice thing though is they are on routes, so if you're picked up on Wednesday, you will get picked up at almost the exact same time every Wednesday. Whereas, unfortunately now, we are having issues and drivers from other cities are just trying to jump in where ever they see trash, there is no rhyme or reason which has been very frustrating on our end and yours as well I'm sure. We thought was great though when their drivers come in, everything is computerized and routed, so they are going right to their first stop and start making their way around. The really nice thing he mentioned too, every stop, no matter if there is trash there or not, they check it on their tablet and instantaneously that goes back to their department. If they pick up it's completed, if it wasn't out, they put wasn't out or the reason for it. We have all this data in a complex spreadsheet. Doesn't mean we won't go back and service someone if something happened. If it's a chronic thing that happens over and over, we will go out and talk to the resident. Our ordinance does say to have it out by the morning.

James Weaver

We do recommend that everyone has their trash out by 7:00 AM. Every dwelling is routed in the City, if there is a vacant home we are able to do the appropriate things and follow up with that one. If there is bulk material, we take a picture and it goes on the costumer account. They call in upset, we can look at the picture on the account and we can tell exactly what's going on.

Councilmember Strickland

What is the amount per household, how much will it cost?

James Weaver

Our bid was \$20.47 per month that includes the trash container we are proving as well.

Councilmember Strickland

Is there a senior discount?

James Weaver

I believe there is a 10% senior discount in this contract. In comparison, the other bid was \$22.31 for the first 3 years with no container. The option years were \$23.09 and \$23.90.

Councilmember Strickland

Director Dorman, how will the residents be notified to leave out their Rumpke trash can?

Director Dorman

If they are renting it, it's directly through Rumpke. Rumpke will send them out something saying how that will go. Some people own them, those will not get picked up, and Rumpke will communicate that with them. For instance as James mentioned, Local Waste owns these carts. So if there is an issue, Local Waste will go out and fix them or replace them. Which is better for us and takes that off of us which is great. But as far as Rumpke communication, we are going to meet with them too and go over it with them. Not this week, but next week. That transition, will be both people in the area dropping things off. They do it based on their grid, so it will be systematically dropped off. One thing to note, they do one side of the street and then come back. So people may call saying they were missed, but that's not the case, they are very systematic.

Councilmember Salvati

As far as bulk item pick up, I read in the contract, the examples of items considered bulk, I don't have any problems with that list. Is there a limit to the amount of bulk items a resident can have out at one time, in one week. What if they have 10 mattresses in one week?

James Weaver

We have a judicial set out order. What we consider a move in or move out pile, those are considered outside of that bulk you can know the difference between that pretty easy. What I

Reynoldsburg

OHIO • 1839

MINUTES REGULAR MEETING REYNOLDSBURG CITY COUNCIL July 26, 2021

like to say is if it can't fit in the bed of a pick-up. If your cleaning out every room of your house, that's different. Minor Home remodeling, a couple beds, doors or drywall and toilet, that's no big deal. We just can't do 30 yards of trash. It's not a 1 item limit. We pick up far more than most of our competitors, its easiest when we handle it when were there, we are the best at unlimited service. It's very clear, William and everyone will see emails here at some point and be in an agreement, that yea you guys should not have picked that up, it's much larger than a small construction project.

Director Dorman

Rumpke is the same way too. We won't see a real change on that. The main provision with that is if you're a contractor doing a flip on a house, rent a dumpster. I know they are trying to save money, but we don't want it sitting out there all well. Bulk pick up just like trash, shouldn't be out there until noon the day prior. People that are doing these projects are bringing them out every day they are working on it. I think there were less than 10 bulk pick-ups that they said they wouldn't do, out of all the other candidates.

Councilmember Baker

I heard you say Local Waste provides the trash can, if you have one your purchased, can you put that out as well.

James Weaver

Yes, it's not a cart contents only program. We have the same program in Upper Arlington, trash and recycling carts. If you have more than what fits in the carts jut set it out and we will get it, you can use other carts as well. If you don't want to use the cart we provide that's always an option as well. You did mention about potentially making that the law of the land but that's completely up to you guys. We will have a head board or mattress with the cart as well, we will grab the cart and then hop out and get the mattress, and it's not a big deal.

Councilmember Salvati

I know there were 3 different sizes of can you could get, can you completely opt out of getting a can?

James Weaver

Yes, you can. With the coronavirus we did have to pull a couple favors did the carts in time. The cold freeze in Texas last year froze some of the plants but we did order 20,000 of the carts.

MINUTES REGULAR MEETING REYNOLDSBURG CITY COUNCIL July 26, 2021

Councilmember Cotner

How much were you all affected by Covid?

James Weaver

We were delayed in service by exactly 0 days. We are really proud about that and it's something we worked really hard with. Over the last several years, even before the pandemic we created the driver training program. Training someone who is a hard worker, train them how to throw trash and then get their CDL. We pay them more as they get their temps and then their license. They become part of the team and fabric of what we are. We had a lot of those employees going into the pandemic. During that, there was a period of time they weren't able to take any vacation, we paid them out 60 hours of their vacation for the extra check. We don't have any temporary employees, everyone is 100% eligible for the 401K and the health insurance. We are also really proud that we are the highest paying trash provider in central Ohio. We have plans for the future on how we are going to continue to be that place. Are guys are the highest workers and we pay them more.

Councilmember Cotner

Are they all single man crews? Or is someone driving and someone picking up?

James Weaver

We have both rear loading, the guy hanging on the back of the truck, 46 of those. We have 26 automated pieces of equipment that will be done in your community. Yard waste will always be done in the rear load system. If we try to pick up a paper bag with an automated system it will just break so we have to do that manually. Unless there is an equipment issue we are working through, we will pick up all the residents in this community with the automated system. A number of communities that have tighter allies or things like that, that don't allow up to use automated systems. There is a driver and a helper on the step but on the automated there is just one.

Councilmember Cotner

Can you run through again, who you are in a contract with and even who you are going to enter into contract with?

James Weaver

Yes, that was included in the bid. The full list is Riverlea, Groveport, Grove City, Jackson Township, Norwich Township, Ashville, Sharon Township, Harrison Township, Whitehall, Pleasant Township, Clinton Township, Village of Brice, Madison Township, Pleasantville,

Worthington, Urbancrest, Carroll, City of Hilliard, Plain City, Minerva Park, Sunbury, Granville Township, Buckeye Lake, Johnstown, Truro Township right next door, Nashport, Upper Arlington, Hamilton Township, Pataskala and Kingston Township. We recently got the commitment letter from the City of Gahanna as well.

Councilmember Cotner

It sounds like everything is great and everything you're telling is selling a good product which is great. What about your customer critique project when there are problems? I'm sure someone trash is missed and they are calling Mr. Dorman's Office, the Mayor's Office, that usually what happens. What can someone expect if they call Local Waste Service, are they going to get a person, routed to a voice mail?

James Weaver

That's a great question. We do have a full customer service staff that reports to me, they are in the office from 8 to 5. The number to call is 614-409-9375. The expectation is to answer the phone in under 4 minutes. We have a lot of individuals who are there and our call ques are typically much less than that. We have a customer portal on our website too where someone can just email us. That gets passed around and addressed immediately. If we have missed pick up situation, we pull that camera footage and see what our drivers do. Was the trash out or not out, we are then able to follow up with our driver. With this contract we are going to have a supervisor in the area on our collection days. It wouldn't be a big deal to give someone a courtesy pick up, we can track those, if someone wants to do those once a month we can arrange that at that time. It should be really easy to navigate those systems with our software and everything that we have.

Councilmember Cotner

Since were splitting in to two days here in the City, what does the holiday pick up look like?

James Weaver

So if the holiday falls before a collection day, everything gets pushed back one day. So a holiday on a Friday, no difference. Holiday on a weekend, no difference. Holiday on a Monday, everything just gets shifted one day. If your collection was Tuesday, it snot Wednesday. Everyone pretty much does the holiday schedule the same because we have to follow landfill schedules, we can't pick up when they are not open.

President Jenkins

I remember some time ago, there was a problem with communities having problems with bed bugs, I thought that was the reason you had to cover it in plastic. I have noticed some residents are not doing that, is there still a policy for that?

James Weaver

The policy is to have it wrapped in plastic, that's the best way. If a rain storm comes up and soaks a mattress and it weighs 400 pounds when we get there, were not going to be able to move that either. It may not be infested when it leaves your home but sitting on the curb it might get some sort of infestation. It's the best interest for everyone to go ahead and wrap those items. Not to say they won't throw it in if it's not bad, but its best to do so.

Councilmember Pyakurel

If a resident has an extra bulk pick up in between days, can you pay extra to have those picked up?

James Weaver

Not part of this contract. They could call get a roll off dumpster or something. We offer 10 yard to 40 yard dumpster but that's not part of the contract. Were really excited about this, I was reading over the contract. We have been unsuccessful bidding to Reynoldsburg in the past and we are really excited to offer your residents what we think is the best service in central Ohio. We look forward to working with all of you.

I am the found of Fresh Bloom Bins, a curbside sanitization service and longtime Reynoldsburg resident. I am here today to ask that Council reconsiders changing trash service providers and increasing cost. Members of the community will be asked to change a long time behavior with no real added benefit. We could really invest in recycling efforts, environmental knowledge and behaviors in the community and schools. We have seen ow residents bag their water bottles and put Kroger bags into the recycling cart. I believe applying an initiative and pairing it with some kind of education would really move in the right direction. I have actually coined it as "recycle right, get your bins wiped". As the founder, I really wanted to create an alignment with current and future sustainability models. With a corporation like Rumpke supporting small businesses like us, I really believe it could create some fresh ideas to the table, create jobs and increase sustainability and sanitation

I have been a resident in Reynoldsburg since 1995. I am here to say a few things about the ordinance being considered for creating the office position for diversity, equity and inclusion. It's a long time coming, I have read the ordinance, it's very well written. As a matter of fact it looks like my old PD when I was working for the Ohio Department of Natural Resources. I was the EEO and contract compliance officer there for about 5 years. The City of Reynoldsburg has a lot for work to do in terms of increasing the diversity of its work force and also creating and offering opportunities for it minority female and underserved businesses. I think it's something that ought to be considered and passed and I would be willing to help in any way to make that happen,

Franklin Davis

7972 Fenway Circle

I just had a couple of quick questions and comments regarding our proposed waste contract. In listening today, it seems there is a difference in services regarding bulk pick up and hole house moves, those are some concerns I just happened to see raised by Reynoldsburg Citizens. I have heard mixed reviews on how they have fulfilled their contracts with some of their other localities, especially Whitehall and Pataskala. If some of those same concerns continue in our City, is there anything in the contract that allows us to move on from the contract and is there anything that precludes us from going into the contract if the services being offered are not in fact quite equal. Are we allowed to get another bid that includes bulk pick up comparable to what Rumpke offers as opposed to getting a bin or container at our own house at our own personal cost? If it's a contractor sure, but an individual doing a remodel or buy a decent amount of furniture, I have not seen them have to bare that type of cost and that does seem like a difference in service. What is the recourse to avoid that personal cost for our citizens? Thank you.

Councilmember Lawson-Rowe

On July 16th there was a Books and Badges event that Reynoldsburg Police department participated in. The Reynoldsburg Youth Foundation actually hosted the event at Huber Park, I just wanted to publicly thank the PD. We have the best police force in all of Ohio. I wanted to thank Deputy Chief Grizzell for her leadership. I don't have the name of all the officers that participated. They were so engaging, they read a book about tigers, they asked questions, and the kids asked questions. When it was over, the Police Officers answered questions from children's and adults that range from, school safety, summer safety, water safety, transport guns and so forth. It was a great time had by all. Along with the Licking County Star Fish they assisted over 50 children and adults. Were just really excited with what RPD did with the Reynoldsburg Youth Foundation. So much so that I understand that there are plans for Civic Park sometime. Also to challenge by Council colleagues, the Mayor and City Attorney to join me at the school supply drive. It's that time of year again. This is organized under the leadership of April Darling. There will be supplies dropped off on July 31 from 10 am to 1pm. Then we will have folks come and pick up their supplies on August 21st and its drive through servicing again.

Councilmember Baker

I just want to point this out now. It came across my Facebook feed, someone posted where a police were called for kids playing with water guns. RPD came out and investigated, the person that posted was very positive about RPD. They handles the situation very professionally and came to the conclusion that someone called the police for basically no reason. These were just kids playing. I just wanted to mention that on the record that RPD handled that call very professionally. We all know what's going on in the world and it could have been tragic, but it wasn't and I wanted to give RPD kudos for that.

Mayor Begeny

Just a couple quick ones. I know we are neck deep in planning for the Tomato Festival. If you want to take a look, here is one of the shirts that is being proposed from Starstruck for our sale. They are one of a couple vendors that are proposing to have these t-shirts for sale. While were still doing that, we also had a successful music in the cul-de-sac and concert on the lawn. This Thursday is the last music on the cul-de-sac, I believe on Ashley Drive. We will have the Nepali Heritage Dance Group performing. I am going to turn the microphone over to the Deputy Chief, she has one other thing as well. I would like to thank Councilmember Baker for agreeing to join me in the dunk tank at the Tomato Festival on Saturday, August 14th and that will support the Reynoldsburg Education foundation. There is plenty of time for the rest of you to join. There are two dunk tanks out there.

Presentation by Franklin County Clerk of Courts Maryellen O'Shaughnessy's Office

Clerk O'Shaughnessy

Thank you for having me, it became very apparent when I started this position that people really don't know what we do at county government, at 373 High Street. Nick and I, who is here with me, made a point to go out to the communities and talk about what the Clerk does and does not do. You gave me the perfect opportunity because I don't do registrations and I get calls all the time about the BMV, I am not the BMV. That's the State, but what I do is auto titles, that's half of my work. The other is documents for court proceedings, those are the two main things that I do. I have got 200 deputy clerks in 9 to 10 areas, depending on how you count, throughout the area. Why does the Clerk title vehicles? Let's go back to Lucas Sullivant who founded Franklinton and actually central Ohio was the first clerk. Back in the olden days most people were illiterate and they needed someone to make sure they had the proper court documents to proceed with a court case and proper documentation for an expensive piece of machinery, which today of course is a car. So that's why we do what we do. Like I said, I have got 200 employees in officers throughout the county, most of the ones with court are stationed with the court. There is a bright line in Ohio between what the Clerk does and what the court does. When I first ran for this in 2008 I said why doesn't the court just appoint the Clerk? The attorney said well Maryellen a lot of people think it should be that way but in small counties where you don't have 32 judges, like we do, the judge may be your neighbor and there may be a bias. So we want to make sure that there is not even the appearance of a judicial bias when it comes to setting the docket, who's taking care of the case and managing the documents. We have about 5 million hits a year on our website. We are the largest by far when it comes to the Clerk of Courts Office. We do titles, we are not the BMV. If you have any issues call me or Nick. Nick is handing out mine and his card. Now, why should you see us as a resource in Franklin County? A significant portion of

that \$15.00 comes back to the county that processes that title. When you title your car in Franklin County, you're helping make Franklin County strong. Central Ohio and Franklin County is a major contributor to those people who need help. I am proud to say because we have worked hard to make sure people title in Franklin County, I talked to Mayor Begeny about this about 2 years ago? We have been able to give \$10,000,000.00 back to county commissioners to help balance their budget to continue to provide essential human services that the county provides. We have case information online, that's something we did when I first took office in 2009. If you want to do a background check on someone, you can put their name in and see if there are any outstanding court cases. That contributes a lot to our 5 million hits on our website. We are updating our case management system. We went electronic, we have the most comprehensive electronic case filing system on this side of the Mississippi. We are busy continuing to improve that by making sure we are updating our case management system. The most important thing I can tell you is that if you have any questions about what we do, please check our website at clerk.franklincountyohio.gov. You can always call us, 614-525-3600. We want to be a resource for you and everyone in Franklin County. Even if we don't do the service you're asking about, we can connect you with the service that does. I am Maryellen O'Shaughnessy, yes I do give a damn and I am your Franklin County Clerk of Courts. Keep Reynoldsburg strong, thank you.

Public Hearing

An Ordinance to Amend Chapter Eleven - Planning and Zoning Code for the City of Reynoldsburg, OH

**Cassandra Kurtz
480 West Broad Street
Columbus, Ohio**

I'm going to give a little background, my request for you is in regards to zoning. As a person, I think we each have a responsibility to make our corner of the world better. I want to be part of the Reynoldsburg Community to make it better. In the past few years I have been a Girl Scout leader, a living kidney donor, who gave an Ohio father back his life. I have been a member of a team that raised \$118,554.00 for a nonprofit central Ohio charity that services military veterans and their families. I'm a leader and community organizer and a veterinarian who is passionate about public health. I'm a giver and a doer and I want to bring everything that I have to your community to be my community too. All of this relates to the fact that the City had a request to revise and re-zone some of the zoning code in Reynoldsburg. A parcel that I am in a contingent land contract with was in

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

the rezoning request. Most of the revisions passed but the parcel that I am in the contingent land contract in did not and was removed from rezoning. It's currently zones commercial. I want to make a home in Reynoldsburg and I want to change the zoning to suburban residential, same as the parcel just north of it. Because that zoning revision for that particular parcel that I am interested in failed last week, I am here today to ask for an appeal from you, Council, to override that decision last week and revert the zoning back to suburban residential. The property was residential and had a home on it three years ago. The home burned down and converted to commercial, which is what most of the area is around it right now. This zoning is not practical. The parcel in its entirety is 0.6 acres. 50% is covered by a flood plain. There is no water or sewer and currently the City sewer line is 450 feet away, necessitating an onsite septic system. The ravine at the front of the property makes the estimate to run water to the property 8-10,000 dollars, not including a tap fee. So the property has some issues. The total available space for commercial use, after accounting for flood plains and setbacks, parking requirements and other essential necessities, leaves 1/10th of an acre for a commercial building. No commercial builder is going to touch this parcel, it doesn't make sense for them to do so. It will sit as it has for the last three years, vacant with trash, beer cans and burned out spots where people have started small fires. The best thing to do is to return it to its previous zoning of suburban residential, as the only thing it could be used for is a small single family home. This would make the land useful, prevent loitering and crime on a vacant lot and give tax revenue to the City. The Building and Planning Commission was concerns about revising the current commercial zoning would create a hole in coverage. What it would actually do is extend the residential zoning just north of it. I would submit that a useful, productive plan rather than an empty lot in the City. I appreciate your time and thank you for considering my request.

An Ordinance to Amend Chapter Eleven - Planning and Zoning Code for the City of Reynoldsburg, Ohio

Director Bowsher

Before you tonight there are three different additions that you have in front of you. Residential design requirements, residential setbacks for RV's and the portable storage addition, those are the three things that were add ons and new ones that you have not seen that was outside of your packet. For the record, I am going to go through and briefly go over all of the changes that were made. The first, medical marijuana, defining separate outside of the pharmacy business regulation ordinance that City Attorney Shook has been working on. Credit for green space, updated that obviously the design requirements as I mentioned, new commercial signage with some tweaks there. Roof mounted solar. The elimination of the permit, if its roof mounted because we're already doing it within the building department for a building code. Anything that's ground mounted will still need a zoning permit. Height transition requirements, we removed those from the insight district but we added them to all the residential, we set that at 200%, major site plan applications 21 days is the requirement and then we added in a City Engineer staff report. We defined small format grocery witch we did not have that were in there, we added an office use to the Old Reynoldsburg neighborhood district. There's already offices on Lancaster currently so wanted to make sure that continues. The setbacks for the RV updated. Removal of certain glass requirements for the insight districts, new side yard setback districts 8 feet to 5. Map changes, as was stated earlier, the public hearing it went from the three original ones that you had saw in the previous two meetings, down to two, which was the parcel on Lancaster and the parcel on Oak Valley. The Planning Commission felt that the surrounding area, especially knowing that there is a 10 acre parcels to the east of that at 8300 East Main Street. That was just recently discussed, felt like if that was up for sale, it could be parceled with this, they felt like it would be

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

advantageous to keep those all at the same zoning, so they decided to keep that. They had two different types of chances to revert that back and keep that a suburban residential as was proposed, they decided to take that out and send it with a recommendation that that not be changed. And then the addition of portable storage that was in the old zoning codes. So if anyone is looking to have pod type storage, we put that back into the code. For whatever reason that was missed. So those are the main changes across the board. They've all been submitted to Mollie, those three, that you have in front of you, as I mentioned, those are the ones that were not in the packet previously for the previous Council meetings.

Councilmember Cotner

You always have so much to bring and a lot to digest. Few questions, if you could, it's hard to tell on the map, but the parcels to clarify but the one down by the vet clinic, not clinic but office. So that's the one that we're changing that the commercial?

Director Bowsher

Community commercial to innovation.

Councilmember Cotner

Again, that veterinary office is good in the innovation office, permitted use. If they want to expand they want to do whatever, it just limits future someone else coming in, or maybe but this is specifically to address that it's not about trying to spot zone directly.

Director Bowsher

In fact, we think that actually the community commercial was probably spot zoning when we did it because there's no other community commercial, generally speaking, area, the two closest, three really, you already have innovation that's in there, you have suburban residential and residential medium. So we wanted to limit how many different uses were actually on Lancaster Avenue. We thought this was a better fit for the air it is still wow that current use its place.

Councilmember Cotner

And then the speedway that's the other one that we are changing so that it's going to be residential medium. So that they can put a little more multifamily but this is definitely not commercial use, they can't make an office space or anything like that.

Reynoldsburg

OHIO • 1839

MINUTES REGULAR MEETING REYNOLDSBURG CITY COUNCIL July 26, 2021

Andrew Bowsher

Correct. And that was it was requested by a landowner to have that as well as actually some of the residents.

Councilmember Cotner

I know the residents want to make sure there's no commercial back there and the landowner wants to put multiple houses. So, again, seems like a reasonable use that's fine, again keeps commercial off, going back into that neighborhood so I think that makes sense. I just wanted to again clarify, where we are exactly in which specific parcels, the Old Reynoldsburg neighborhood district, the office use in there and I know you talked specifically about a couple of parcels that are down there. What does that mean to some of those residential homes that are there? You're not going to get an office pop up next to somebody on Baldwin Drive.

Director Bowsher

Correct, basically it's allowing the existing use, currently right now because the way that is that if somebody were to move out is that building. Three months later, they wouldn't be grandfathered in any longer and then therein lies the problem and they can backfill those parcels that are there, I don't think you're going to find that there's going to be a problem say Baldwin Drive where an office gets built next to it or something of that nature. They all have specific code requirements for when they're going to build out, I would say though that will allow say for an architect, to be able to open up an in home business and that's a little bit different because you were looking at commercial buildings versus in home occupations and there's a separate section code for those.

Councilmember Cotner

And we do allow in home occupations in multiple areas. We have talked about that you and I for a long time, but just making sure that they are handled correctly and some that push the limits. My bigger concern would be yes, you have got one of those historic homes in the Old Reynoldsburg area, and somebody just happens to buy two parcels next door and I mean there's a few places that you could see somebody wanting to somehow maneuver something so just making sure that we're not going to be running down that line.

Director Bowsher

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

Right. I think the design guidelines that we asked specifically in the Old Reynoldsburg Neighborhood District, if they were to build anything that it would be so stringent, they would have to tie into the Old Reynoldsburg character, it would make it extremely difficult for somebody like that to build something down there that would be out of character and out of place.

Councilmember Cotner

Even Trivium has got some parcels down there, down in some of those areas, I would hate to see something turned into commercial as opposed to, again, in home architect, fantastic, that makes sense. Somebody puts up a duplex, those things make sense I get that that fits the goal and agenda but I want to avoid true commercial. Thank you for some of those verifications. And then last but not least, I want to talk about is this small parcel of 0.6 acres on Main Street. Staff suggested to planning commission to keep that as residential?

Director Bowsher

So what we did was, understanding that she had first went in for an application for a use variance. We don't want to do a use variance, it's really bad precedent, and it basically undermines City Council's decision making ability. You zoned it a specific parcel and we should stick with that. We allow different conditional use, that's what BZBA is set up for.

Councilmember Cotner

We really should have very many variances anyway.

Director Bowsher

Right, trying to streamline that, so we're going to City Attorney Shook, myself, Emily Wheeler our planning and zoning administrator, understanding that it really needed to be a re-zoning, and a rezoning for residential about \$1400.00 and it just didn't seem appropriate to charge \$1400.00 when we're already going through the process. So included in there, without a full recommendation, understanding that we could see the hardship, there was clearly are hardship that was that was there, there used to be a home on the site. We felt that it was best to leave it to planning commission and City Council to make that recommendation on whether or not it should be or should not be a residential site.

Councilmember Cotner

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

Reynoldsburg

OHIO • 1839

MINUTES REGULAR MEETING REYNOLDSBURG CITY COUNCIL July 26, 2021

And they said it should not be, but it sure makes a lot of sense that it should. I mean, it's a tiny little piece and it's got residence just north. And I know the parcel that we're talking old football fields is right there but there's still road in between that I'm not sure how does that tie together.

Director Bowsher

The parcel they are speaking of is a parcel directly attached. It's currently for sale there's actually a lake, it's on there around that land that's over there so the parcel is directly to that north, actually, that same parcel that's zone that and then you go further, you really get into the Greentree duplexes that are there and then there's suburban residential homes that have very long lots back there. So it is a very unique challenging lot there's obviously the creek the sort of runs through there goes up underneath the Main Street and that ties into Glen Rest storm water system. It is a challenging site, regardless what you do with it. And obviously, it already being on well and septic and sewer that's all the way to the north, it will be extremely costly, put in there. I think that they felt like if you combine it with the parcel to the east it ties it all back together. But I don't think that anybody had strong feelings one way or the other to be honest with you.

Councilmember Cotner

And for this woman who just spoke, who has purchased or in contract?

<INAUDIBLE>

Councilmember Cotner

You talked about the \$1400.00 fee, would that be an option, would she have to appeal back to say, Okay, I want to spot zone this one, and pay \$1400.00 or is her next step saying, I'm done I'm not going to buy that land and off we go.

Director Bowsher

Well if it would normally be denied in a regular zoning and it came to City Council and it was denied or denied at planning commission and she appealed it to city council, and you denied it again, it could not be re-zoned for a year, that's the zoning code specifically. So in this context, I would get a legal opinion honestly.

Attorney Shook

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

Reynoldsburg

OHIO • 1839

MINUTES REGULAR MEETING REYNOLDSBURG CITY COUNCIL July 26, 2021

In this context, she could get a second bite of the apple because this is legislatively initiated. Because planning commission did not recommend to city council to rezone this parcel, you would need $\frac{3}{4}$ of the members of Council, because one is absent tonight, you would need unanimous approval. If that were not to pass, she could file an application of rezoning and pay \$1400.00 and go through essentially the same process where it goes to Planning Commission and then it comes back the council. I think our thought was we certainly did not want her to spend \$1400.00, that there was another way and so that's why we went this route.

Councilmember Cotner

Okay, and said there's not a strong feeling positive with your or negatively then, you've been very open with your views of much of this, what would be your recommendation to Council on the professional side, because it sure makes a lot of sense that this small parcel is occupied and we have a lot of residents along Main Street, I'm not sure how this negatively impacts our code, if this person is able to live and develop that home site.

Director Bowsher

I think, for us, me, for decision here based on professional knowledge.

Councilmember Cotner

It's not like you don't have some history of it, I'm not asking something totally out of left field.

Director Bowsher

I also don't have strong feelings one way or the other. I understand we're planning commission is, as you can see the parcel to the east and how it be tied in. Understanding that that parcel is currently for sale. And I can also empathize the Ms. Kurtz and understanding that she wants to bring her expertise, she wants to be a resident of the city of Reynoldsburg. The home she's trying to build is a very cute A frame home. It was given to us. I think she's probably got some challenges headed her way and she does go through that. But I wouldn't be necessarily be against it at professional manner if we rezones it this evening, and it was built as a house. I think that would be a great home. I do feel that there's probably some traffic problems and there were definitely some concerns of that nature of getting in and out of Main Street and there's not necessarily sort of crossover especially if you're making a left hand turn, and that's the reason why we zone it all, you know commercial. I don't think the

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

City's losing our tax revenue if you zone it tonight as suburban residential. It would be hard pressed to me to push it one way or the other, because I can see both sides and she certainly has a hardship, there is no question.

Councilmember Cotner

Well if a person is willing to take the risk of a left turn on the Main Street and I think that she's an adult, she knows how to drive. I think we cannot worry about that one with all of the other traffic issues there. The property that's for sale, signs been out there for quite a while so, unless there's something else that is beating down doors. I'm not sure how this will impact the development either so again, that would be the only one I would like to see adjusted myself. Okay. I said my piece, asked my questions, so that's where I'll be at, thank you very much.

Councilmember Pyakurel

I have a strong feeling and hearing the resident, I think we should rezone back to what she is asking for. It's a very small size property, it's very close to my house. I can see the difficulties there, that's my opinion on this one.

President Jenkins

You spoke about it and she did as well, the sewer. Then a lake and how it ties in and a cemetery. I think I know where the property is. It goes down a hill right?

Director Bowsher

Two separate things I was speaking about. One is storm sewer system. So that's like run off. Different from the actual sewer itself, true black water. There is no sewer that is currently active on the site. There is water on Main Street she could tap in to receive services but she would be to put in a septic. I'm sure she probably more about all that. She's obviously dug in and done research. The closest sewer is all the way up a little past Green Tree. 430 feet.

President Jenkins

Did you mention there is a lake in the back?

Director Bowsher

Not on her property, the adjacent property to the east, there is a lake that sits over there. I call it a lake but it looks like a pond, anything over an acre is considered a lake.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

President Jenkins

Are there any issues with flooding in that area, I know in Reynoldsburg, especially where I live, but it's been resolved recently? Are there water way that would cause flooding back there?

Director Bowsher

There is a creek bank from that pond I mentioned, goes under Main Street and then it ties back to the storm system that's there at Glen Rest and they have sort of one that's across the way that you can see as your driving past Main Street. I don't think there are flooding concerns on the site?

Ms. Kurtz

So according to the county site, 50% of the parcel is in the 100 year flood plain. So that's the big problem with commercial is you take the 0.59 acres and take the entire portion off due to flood plain because you can't build there. So you are losing half the parcel usage right there. It's not a frequent flood but it's considered a flood plain and therefore cannot be built on. The entire back half.

Councilmember Strickland

Are you planning on building a house on this particular parcel?

Ms. Kurtz

Yes. A small single family home. A frame. The planning commission has access to the pictures but just for myself and my dog.

Councilmember Strickland

Attorney Shook, you don't see it being a problem down the road, changing it back to the SR?

Attorney Shook

No, you would need as I mentioned before 6 votes. We did give all of the proper public notices for this rezoning because it was part of the initial zoning changes. So all of the notices went out for the planning commission meeting. So, what I would suggest is that, so there would be two motions tonight relative to the zoning code in the committee. One motion to amend to add all of the other changes, besides the East Main Street parcel. And then the second motion to amend to add in the East Main Street parcel and rezone it suburban residential. It would go to Council for vote, if it

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

has 6 votes at that time then you will have it rezoned. Even as I was saying, I just reflected that that better process might actually be in committee move to amend to add in all the other recommendations for planning commission besides the East Main Street recommendation. Actually including the East Main Street recommendation for Planning Commission. And then that goes to City Council in the emergency legislation, remove that from the consent agenda. At that time, you need to make a motion to amend it, and then to change the zoning designation for that parcel to suburban residential. Do a roll call votes and if you have 6 votes then you have the amendment. And then you take the zoning code back to Council at that time. The reason I suggest that process is that you want to if you have the 6 votes before you put the motion in for the full zoning code to Council.

Councilmember Baker

Ok let me clarify that. We make the motion to accept the recommendation as is and then change it in Council.

Attorney Shook

Yes, that way you don't run the risk of approving it in committee and then it goes to Council and it's a 5 to 1 vote and none of the changes are adopted.

Councilmember Baker makes a motion to forward the ordinance to Planning Commission for recommendation. Second by Councilmember Pyakurel. Motion carries.

Director Bowsher

Clarification if I may so Council does not think we changed this from SR to the Main Street District. It was never SR. SR is actually the new portion on our zoning. It was actually CC long before that. Originally when it was built, it was a house, so it's going back to its original use, not necessarily its original zoning.

Director Bowsher

We will consider this 0 Priestly Road as it does not have an address. If you have been on Priestly Road you can probably see this is the entry way that goes to north of Pine Quarry Park. We are purchasing this property from the Home Owners Association for \$2500.00. This will allow us to control that entry way feature so when we go to make improvements to be a more emphasized entrance. We were negotiating for the last 5 years and finally got their HOA to accept. That wanted several thousands of dollars and so this is \$2500.00 plus the contingency to ensure for tax, title and closing cost.

Councilmember Cotner

The seller shows the Nance family, is that a mistake on here.

Attorney Shook

Yes, that is a mistake, I just found out about the purchase. Were actually going to do a different contract than the one you. I think Director Bowsher used the one that we did before but were going to use a different, smaller contract like we used with West Licking.

Director Bowsher

It doesn't need to be as detailed at that one was.

Yes, this will stick through 3 readings. We're not in a rush to be able to do this. We wanted to put it on as their Council had asked.

Councilmember Cotner

Their Home Owners Association voted on it then, they agreed?

Director Bowsher

Yes. They did, they had to go get signatures from everyone in the HOA, that's why it took so long. I believe their current president is Fred Knopp, who collected said signatures.

Councilmember Cotner

We know Priestley already has its challenges, the purchase of this isn't going to impact more traffic, neighbors nearby, or neighbors are comfortable with this sale and change?

Mayor Begeny

The only thing that would be changed with it would most likely be some sort of a cross walk feature that would allow people from the other side to enter the park and then the rest would be more of a defined entrance, outside. There shouldn't be any impact what so ever, no parking, nothing additional would go in.

I understand the Local Waste came at the lowest and best bid and Rumpke was going to raise their prices 20%, was that correct if we would have went with Rumpke?

Attorney Shook

The current Rumpke price is \$19.13 per month, on their bid for the 3 year price they were raising it more than \$3.00 per month and then for the first and second option years the price was \$1.59 more a month beyond the first 3 years. So yes it's about 15-20%.

Councilmember Baker

I just wanted it on the record and for the community who's watching and here the difference in pricing from Local Waste and Rumpke. This is on your water bill under refuse. When the committee is making this decision, just keep in mind, that's a significant increase if we would have went with Rumpke over Local Waste. I haven't dealt with Local Waste, so I don't have anything positive or negative to say about them. I just wanted to put that out there about the pricing difference.

Councilmember Cotner

Just to put it in perspective, it's a \$1.87 more for the 3 years, that's what Rumpke would be over Local Waste services. They are both an increase but Rumpke more than Local Waste. So Rumpke would be about \$24.00 a year more than Local Waste.

Councilmember Baker

I was just bringing it up because I know we had a debate over the City of Columbus and the 3% water rate. Trying to save money for families during the pandemic, and we did by cutting off a percent so I just wanted to let people know the difference in price over the longevity of the contract.

Councilmember Strickland makes a motion to forward the ordinance to Council for a second reading. Second by Councilmember Pyakurel. Motion carries.

An Ordinance Authorizing the Mayor to Enter into a Contract with Rumpke Trash and Recycling for Recycling Processing Generated by Residential Units, Municipal Facilities, and Various Special Events in the City of Reynoldsburg, Ohio

Reynoldsburg

OHIO • 1839

MINUTES REGULAR MEETING REYNOLDSBURG CITY COUNCIL July 26, 2021

Clerk Prasher

What this is, is even though Local Waste will still be our primary refuse you hauler, when they pick up our trash they have to take it to Rumpke for processing. Rumpke is the only processing facility in Central Ohio. Local Waste will have to pay Rumpke for every ton. We are making a contract with Rumpke to take that recycling material to their facilities. I believe it was at a cost of \$0.50. That will be in addition to what residents are paying for Local Waste, so it would be \$0.50 more per month but that's a per tonnage fee to pay for recycling. It's buried currently because Rumpke is both your regular waste service and taking care of the recycling but it has to be separated out this time since you have separate trash hauler.

Councilmember Strickland

So, it's not included in the \$20.47?

Clerk Prasher

So it will be \$20.97 per month total. I'm not sure how it will show on the bill, separate or not.

Councilmember Pyakurel

What's the difference between Local Waste and Rumpke for cost with the \$0.50.

Councilmember Salvati

It's a \$1.35.

Attorney Shook

They are the only service provider, so we have to use them to process the refuse.

Councilmember Strickland makes a motion to forward the ordinance to Council for a first read. Second by Councilmember Lawson-Rowe. Motion carries.

An Ordinance Authorizing the Mayor to Enter into a Contract with Colvin Gravel Company Inc. for the Demolition of the Property Located at 7332 East Main Street (Happy Dragon), Appropriating Funds, and Declaring an Emergency

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

Councilmember Cotner

We had talked about this quite a bit that the developer would pay for the cost of demolition. Then it was discussed that it would be put into the project and they would only pay 70% at most but then reading this contract it says prior to the project the City is going to pay for the entire expense, so now the City is paying for the entire demolition of the Happy Dragon?

Attorney Shook

No, that was actually part of the negotiation that we wanted to include the demo cost in what we call project cost, these are costs that we need to be reimbursed for. They did not want to include demo cost and we did, demo costs are included within what we define as project cost.

Councilmember Cotner

So when we get to the developer agreement later, we can amend this, because it says we are paying at our sole cost.

Attorney Shook

We are paying for the demolition before we are even agreeing to transfer the property. At the time and point of the purchase and sale agreement with the developer, which is not the agreement we are seeing tonight, we have set the minimum price of transfer at 70% of demolition cost. We do take on the demolition cost up front as part of this ordinance.

Councilmember Strickland makes a motion to forward the ordinance to Council for a first read. Second by Councilmember Lawson-Rowe. Motion carries.

AN ORDINANCE TO CREATE CHAPTER 176 DIVERSITY, EQUITY AND INCLUSION INTO THE CODIFIED ORDINANCES OF THE CITY OF REYNOLDSBURG, OHIO

Attorney Shook

As Council may recall back to the second meeting in June, Council passed a resolution directing the City administration to draft an ordinance to present to you in this nature for a work session. We felt it best to submit this legislation to you before your August break, that way if there are significant changes to be made, we have an entire month to work with which ever Council member reaches out to make those changes. The high light of this ordinance I would say is the creation of a diversity,

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

equity and inclusion officer. As we have seen in other cities like Bexley and Westerville, they have created that position but have not given the position a lot of guidance on what their responsibilities would be. This ordinance gives a significant amount of guidance and in addition it places some requirements on our bidding contractors to increase their outreach in minority owned businesses and sub-contractors. It places an additional burden on our departments to be more proactive in their outreach for woman and minority owned businesses as vendors. It also gives diversity and inclusion officer a significant amount of discretion to be able to create guidelines to help director our departments and bidding contracts going forward to ensure that our outreach is going to those businesses and we are improving our contracting with those businesses.

Councilmember Cotner

I know you are big on not reinventing the wheel so what community base did you use to start the core of this? Or was it crafted on your own?

Attorney Shook

No, I would love to pat myself on the back and say I drafted this from scratch, right. It would have taken until September or October. We looked at all of the communities I could find in the state of Ohio that had similar ordinances. Interestingly, Springfield, which isn't a city much larger than Reynoldsburg, was the first city in the state of Ohio I could find that passed an ordinance of this nature. It was actually in the early 1990's. The first think I did was look at their ordinance and some of the things they included but also taking into account that, that ordinance is about 30 years old and things have changed. We also looked at Canton, Toledo and of course Columbus. We also took into account they are larger cities, they have much significant man power in terms of employment to be able to administer that program. As you are aware, we basically have a skeletal staff here at City Hall. We have the employees that we need, which isn't very many here inside City Hall. We had to take into account our financial ability to be able to bring in someone to administer this program that wouldn't put anymore burden on those department directors who are already pretty stretched thin with their time. So we came to the conclusion that the only way to do this and do it right would be to create a new position and give that position responsibilities of this nature.

Councilmember Cotner

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

Do the cities that you mentioned all have that individual officer that works in that position?

Attorney Shook

The City of Springfield does. The City of Columbus has an entire department that is dedicated to this. We were not going to create a department. Our officer would be someone who is working with our directors to ensure that this ordinance is being implemented properly.

Councilmember Cotner

Would the vision of this, for that officer be a full time position?

Attorney Shook

I believe so. In the conversations I have had with Mayor Begeny and Chair Strickland, I think that was the intent.

Councilmember Cotner

Paid position, full benefits. Is there any agency that could be third party contracted, someone that has HR knowledge, Council sets the rules. Are their options that way?

Attorney Shook

Not really, the state obviously has a process through the department of administrative services by where they are able to certify minority and women owned businesses in the state. Of course as we talked about back when we passed the resolution, we have a number of those businesses already in the City. We want to be able to rely on that certification process because if they have already gone through being certified with the state, why would we make them go through a different certification process with the City. The ordinance does allow for reciprocity for anyone of those businesses who are certified. We also wanted our own internal process for any business that didn't want to go through the state and could go through the City. We put in those requirements for how you get certified and we give that power and responsibility to the DEI officer.

Councilmember Cotner

I'm glad you mentioned that, so they can go through the state or if they want to be more streamlines, is a better way to say it.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

Attorney Shook

Streamlined and local. Yes I think it's easier. Anybody that has worked with the state knows there is a significant amount of bureaucracy there. Here you would have one person you are communicating with.

Councilmember Cotner

I think the way I read that it's written, that position reports to which department or under the Mayor's Office, Council? Where are they falling in line in their direction?

Attorney Shook

It's kind of a combination of, again this is up to Council, but what I presented to Council is that this person would be appointed through a selection committee that consist of the Mayor, the Human Resources Director, the chair of the Public Service and Transportation Committee and Council President. They would select this person with the approval of Council. The DEI officer would report directly to the mayor but they would have reporting requirements to Council as well. They would not fall under any one department director, especially since they are going to be acting as more of an over site officer for those directors.

Councilmember Cotner

So it would be a bit almost of Council hiring as well, we would have to vote on and approve the individual. So it's quite different from any other staff member we have because it's requiring Council approval. No offense to you but I didn't think it was all from your brain power but I think it's a great start and good information to try and find the best way forward so thank you very much.

Mayor Begeny

Just a few comments as why this position is needed at the local level instead of the state. I am going to give a shout out to one of my summer interns, Drew Longaberger who has done a fantastic job of going through all of the vendors the City of Reynoldsburg, has used over the last two years. The state of Ohio has one of those that would be certified, that would be Star Consultants, they are the ones doing the work for the evaluation on our Parks and Water Building facilities. However, he has found 12 other vendors at least so far that are women or minority owned businesses that have not gone through the certification process. We are trying to match up all of those things so we know that state of Ohio has that. Maybe it's something to the point where it's not reaching down to the communities or like City Attorney Shook

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

mentioned maybe the process is a little more of a hoop to jump through than anything else. At the local level, at our level, it's something we want to make sure we have an eye on. A perfect example would be Star Struck. They are not registered with the state of Ohio, but obviously, it is a minority owned business that we do work with extensively.

Councilmember Baker

I just want to make a statement about this because I think this is something that the City of Reynoldsburg can benefit from seeing how one minority owned business to our knowledge has done business with the City of Reynoldsburg. Am I correct?

Mayor Begeny

So far yes. It's a long list.

Councilmember Baker

Just the fact that you have to reach back so far to find a minority owned business or woman owned business who has done business with the City of Reynoldsburg, it's sad and pathetic. Especially since we have been here since 1838. It's ridiculous. I full heartedly support this legislation and I hope it does live up to what we are going to make it be. We have to invest in ourselves and that's not just with money but character and content and opportunity. Our motto is the City of Respect, let's not just say it, and let's do it. Let's actually be it. This is a step in the right direction to make sure that happens. I hope when the time comes it's unanimous not 6 to 1 or 5 to 2. That this unanimously passed to not just show our residents but show everyone I Franklin County, in the state, that we are inclusive and have something to back it up.

President Jenkins

When I worked for the state of Ohio, when using vendors we had to put forth the effort in using minorities and woman and so I'm familiar with that process and at the end of every year we used to have to report with the purchasing department and they would have to make sure we were in compliance with doing that. It is rather important to do that and consider minority and woman businesses so I applaud Reynoldsburg in looking at this.

Councilmember Strickland

Attorney Shook, thank you so much for working on this. It really tells us about who we are and where we are going as Reynoldsburg. We have to be able to be inclusive

**MINUTES REGULAR MEETING

with everything that we do from a City, school perspective, everything. As Councilmember stated before, since 1800's, were only dealing with one minority business. I will do everything that we can to make sure we are going after these woman and minority businesses to make sure that we know there is a place here for them. It's important. I know Stacie and I started this whole process last year. Started the conversation, I am glad we are moving in the right direction. Thank you.

An Ordinance to Authorize the Mayor to Enter into a Development Agreement with Trivium Development, LLC for the Purpose of Future Sale and Re-Development of Real Estate, and Declaring an Emergency

Councilmember Strickland

Mayor can you give us a little more information on this ordinance.

Mayor Begeny

This is an agreement to set the parameters for ultimately what the development will look like. There are clauses in there to talk about the square footage, how the facilities would be used, parking aspects, things of that nature. It's not a sale agreement. The purchase is the minimum not the maximum. As far as a potential return. We bring this to you as an emergency in hopes that by the time September comes around we will be able to bring you a purchase agreement with identifiable vendors, tenants that will be in this particular location.

Councilmember Cotner

Just to clarify again, make sure we get a list of this project. Mr. Cicak I assume your office would be tracking and can show us the project cost on this of what all it looks

like so we can see demolition cost and anything else involved with this. The EPA studies and everything else were going to be dealing with, through your office?

<INAUDIBLE>

Mayor Begeny

Are those typically for development deals or purchase agreements?

<INAUDIBLE>

Director Bowsher

This is not something you would typically ask for in a purchase agreement. You are agreeing to enter into a contractual obligation to move through the process so that development can continue, it won't necessarily go through financials, and I'm not even sure what the auditor would ask for. It's something that you don't typically do. I don't think that we looked at financial statements from every single business that we operate on, they are the ones that have brought the risk on themselves, so they are the ones that decided to purchase said building and then get a development out of it. It's still free country I am aware of. Not sure that it's the best practice and I don't think I read it in that statement. We pretty much followed it almost to a T and I believe I had mentioned that last time I was up here discussing it.

Councilmember Cotner

Yes, this document still doesn't obviously bind them purchasing the property. It binds us a little bit to them. Saying as long as they do what they are supposed to, we will sell said property to them.

Director Bowsher

Correct. It gives the City teeth.

Attorney Shook

I think that is generally correct, I think it may be a little overly simplification. They still have to submit a development plan to the City that meets our approval. Essentially the purpose of this development agreement from the City's standpoint is to induce the developer to take on those cost and expenses of reaching out to build tenants for a commercial development here, to take on the cost of engineers and architects for designs to submit to the City. Expenses and cost they probably wouldn't

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

otherwise take on if they didn't have protection here in the developer's agreement of course. But its minimal protection. We have been very careful to ensure that the City is at least protected from a financial stand and gives us maximum discretion on what that development plan could or should be.

Councilmember Cotner

I think that's the interesting part because this is still pretty vague of a document. That's intentional. Again, my concern all along has always been over payment of property and removal of public parking. Those have always been my concerns. You and I talked about this for a long time with the hope of seeing some progress. It's a great concept seeing some development there and I'm all for it just the process and prices were a few of my concerns and taxpayers can recoup as much as possible that we have paid out. I think this is intentionally vague to help Trivium move forward, I can get that. As long as we see that developer's agreement that I stated at the other meeting two weeks ago, it will be very clear public parking is required. It will be very clear what their obligations are to keep that open. I think those are some very important facts.

Attorney Shook

You will see a lot more of those ambiguities become concrete and clear. I believe our intent with any sale and purchase of property is to incorporate the development plan that they have agreed to in accordance with the plan and to protect the City. So if they do not, we have reversionary right to that real estate.

Director Bowsher

Next time, you will see something for this specific site and it will actually go into play. Based on preliminary conversation it would be early fall.

Councilmember Cotner

So they have already got something prepared for planning commission?

Director Bowsher

Correct, so it would be there. We would moralize that at planning commission, that would be pushed in part of the purchase and sale contract, which would then come back to you to be finalized. They are hoping to get started still yet this year.

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

Councilmember Cotner

You mentioned fees that they are going to be dealing with. Architectural, engineering, are they going to include that into here and try and get us to eat some of those cost. No a lot of that is all on the, in fact they have already spent quite a bit of that already. There is a provision, if that is what City Attorney Shook was questioning. I don't think this is going to necessarily be on this specific parcel but potentially on the next parcel, and I'll get to that. There is sort of an out clause that says if they have worked to a specific agreement or they have not met certain mile stones that we have said they to meet, planning commission documents and that sort. They have spent considerable amount of dollars, they need to be able to recuperate that if we decide to break ties and move on and go a different direction with a different developer. That is in there at \$50,000.00 I believe.

Attorney Shook

That is not in this contract. We have no out provision at all in terms of monetary compensations. Again, that is to the City's benefit. We didn't want to have to pay to leave this contract.

Councilmember Cotner

My last question then, Auditor Cicak can you elaborate more, I'm not sure what the concern?

Director Bowsher

He wants to see his tax returns and financial documents. It's not necessary for this stage or really ever when we're selling said parcels. If we were partnering with said developer and we were entering into a contractual obligation, like say we did with the YMCA, we would take a look and make sure they would be bringing said finances to ensure that they would be able to do what they said, then yes we would take a look at that. But they are entering into the contract and saying they could do said this because we are holding them to that, as well as selling to property. We are not partnering up dollars and entering into an investment deal with them to build a property with them so we wouldn't be looking at their financial documents as if they were a banker of some sort. It's a wash because you're comparing apples to oranges on this project.

Councilmember Cotner

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

Ok, but if we were entering into an agreement with them, doesn't that make sense for our auditor to address that question at all.

Director Bowsher

A clarification of exactly what he is looking for specifically maybe just making that request to Trivium specifically. If he is the one that is in fact looking for said documents.

Councilmember Cotner

Ok, well that is why I wanted to clarify with the Auditor.

Auditor Cicak

In April when we had our first meeting, we had legal counsel there and I presented documents to show the best practices for economic development from my angle from public finance. You have \$3,000,000.00 that we were laying out here for two properties. Plus demolition cost, plus other cost that we are including for environmental studies. We want to know basic financial documents. I don't want the person's personal IRS returns. But we don't even have an annual report. This is something that I asked for in April and I have asked for it repeatedly.

Councilmember Cotner

I have looked at Trivium's website, I don't see any financials on there either, and I don't know the answer. We are not the banker, they are not paying us back a loan and we could certainly walk away as City Attorney Shook shared. We certainly have outs if they can't pay. I can understand the concern though. The City Auditor's job is to be accountable to City finances. I understand the questioning at least, maybe I am off base too. The question makes sense, but whether we had it or not maybe doesn't matter. That's what I wanted to try and clarify what we were looking at and what the seemingly disagreement on that was.

Attorney Shook

It's probably a fair question in terms in the developer being able to build what they say they are going to build. I think we are going to have that protection in there in the purchase and sale agreement. So I think the developer does have the financial capability of doing what they say they are going to. Whether that means we request detailed financial records or otherwise. That is certainly something that is going to be taken into account when we get to that stage, which we are not there yet.

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
July 26, 2021**

Councilmember Cotner

Ok, that sounds like a little bit of middle common ground here which seems reasonable, we are not to that stage yet but when do you think that stage will be.

Director Bowsher

I would say what a fair statement is we are looking for something from the bank that we are actually going to be able to secure said purchase contract when we get to that phase, when it comes back to Council for purchase contract. We will have it in the documentation, it will say that the bank is securing said loan for the purchase contract so we know that we are securing that. You allow them to dive into the financial statement from them, if they are saying that's good, that should be good enough for the City. After that they have already said what they are going to do, it's already been ordained at that point. They are there to build that and they have a time frame to get that done.

Councilmember Cotner

I think it seems like a reasonable question if we are entering into agreement with someone. It seems like a reasonable middle ground then. If we are entering into an agreement and are at some point selling to this corporation, the CIC that we have with Mr. Spencer, is that an appropriate relationship still? Are we as a City able to move forward still in that type, with him sitting in that office and being a member of that board?

Attorney Shook

Yes, as we have talked about with the CIC, we have our public members and then private. 40% of the CIC board has to be our public members so Mayor Begeny, Councilmember Cotner, Councilmember Baker comprise our public members. Then we have our private members and they are technically government officials subject to Ohio law. But he would not be able to vote as a member of the board on anything that presents a conflict of interest to him. This right now is not going through the CIC so it won't be an issue on this matter but certainly I could see where there might be issues that come up in future.

Director Bowsher

I think that goes with a lot of the individual we have serving on the board because they are obviously an active community of different developers or property owners

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING

and things of that nature so we know that is going to come up from time to time with various members that are on there.

Councilmember Cotner

This one seemed a little bigger and further, that's why I wanted to make sure it was addressed. I appreciate the response and clarification.

Councilmember Strickland

It sounds like the Auditor is very concerned seeing financials. Have we done that before in this stage with any developer?

Director Bowsher

No.

Councilmember Cotner

We have never worked with anyone like that though.

Councilmember Strickland

Have we don't this before with any project we have worked on?

Director Bowsher

To be clear, we sold the property to the brewery, we did not do anything of that nature to them. We certainly didn't enter into contract when we were going through the community center, we didn't have Ohio Health show financial statements that they could afford the lease. There have been occasions where we have done somewhat similar deals and no we have not asked for financials.

Councilmember Strickland

Mr. Spencer sitting on the board is like any other person doing business that sits on aboard that may impact them that they may have to repute themselves of a vote, correct?

Director Bowsher

Correct.

Attorney Shook

Minutes Acceptance: Minutes of Jul 26, 2021 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

It's a little different because it's the CIC board, if it were City Council. We could not do business with one of you. Not like this. That would be criminal violation on the part of the council member. This is a little different because he is a private members on a CIC board which is a unique creation in Ohio, it's not the same as a City Council.

Councilmember Baker

What's the reason to bring this up now, why is there urgency, seems like some sort of issue when talking about the financials. It's never been brought up before, why now.

Auditor Cicak

The brewery we sold was \$100,000.00, the Ohio Health development, there annual reports and statements are available online. This is a \$3,000,000.00 deal that we are using tax payer dollars. These are directives that come from the government officers finance association. I don't make them up. They are best practices that have been in practice for a long time. I asked for these basic documents. If you don't want to see them before you make this decision that's on you. It's my duty to advise you to do so. That's what I'm doing is for every member on Council.

Councilmember Baker

The reason I bring it up is because the Y was brought up and we were over budget, we were forever told on time on budget and come to find out there were all kinds of things being taken out, over budget and time. That was the reason why I asked that question. There was no let's see the paperwork then but now. That's why I wondered why something in place right after that wasn't happened.

Auditor Cicak

You're comparing the YMCA changes to economic development here?

Councilmember Baker

No I'm talking about the money. That was a 35 million dollar building, it should be different for one dollar or 100 million. I would like for something like this to come out right after the Y happened, all we had then was finger pointing.

Councilmember Salvati makes a motion to forward the ordinance to Council for a second reading. Second by Councilmember Strickland. Motion carries.

AN ORDINANCE ACCEPTING THE ONE OHIO MEMORANDUM OF UNDERSTANDING AND AUTHORIZE THE CITY OF REYNOLDSBURG TO PARTICIPATE IN THE PROPOSED OPIOID LITIGATION SETTLEMENT PLAN OF CLAIMS AGAINST DISTRIBUTORS IN THE SUITS AGAINST AMERISOURCE BERGEN, CARDINAL HEALTH, AND MC

Attorney Shook

I apologize for bring you in during August break, however this is a pressing matter with a deadline. On July 23rd I attended a meeting at the Ohio Department of Public Safety regarding a significant development in the State of Ohio's Lawsuit against 3 of the 5 major opioid distributors and manufacturers, who are the subjects of multiple lawsuits, not just in the state of Ohio but around the country. These companies are Amerisource

Bergen, Cardinal and McKesson. The two other companies are Johnson and Johnson, they are not a part of the discussion this evening and Purdue Pharma, they are currently in bankruptcy and we did discuss that at the last meeting. The proposed settlements that is being presented, is presented through the One Ohio. It's a conglomeration of all local governments in the state of Ohio and the State of Ohio itself to move the litigation forward in a combined fashion that would allow us to get to a resolution a lot quicker than what is happening in other states. The state of Ohio is quite frankly leading on this litigation and the state of Ohio is being presented an opportunity that is unique and not currently being offered to other states who have not had such consolidation and cooperation under local government and their state. The settlement that was presented for these three companies in total in excess of \$800,000,000.00. The distribution would occur over a number of years, up to 18 years. There are certain incentives to be met in order to make that process quicker. The first step in that process is to have local governments sign off on the settlement and the deadline to sign off is August for local governments. So while I'm sure you do not want to be here this evening, there are lots of City Councils, boards of trustees and townships that are being brought together this week and next week to approve the same item. The breakdown of the settlement would be 15% of the over \$800,000,000.00 would go to the state of Ohio. 30% of the over \$800,000,000.00 would go to the local political subdivisions of the state of Ohio, that includes municipalities like Reynoldsburg, townships, villages and counties. The remaining 55% would go to the One Ohio Foundation. That is a 29 member board that is being created to allocate the additional portion of the settlement to local political subdivisions based on need and application. The numbers for each of the local governments were giving to me last night. The specific numbers that will allow us to understand what would be coming to the City of Reynoldsburg. If we are able to obtain more than 70% of the population, so it would be local governments that encompass more than 70% of the population sign off on this settlement. Then that would trigger payment to the City of Reynoldsburg in the amount of \$98,299.90. If more than 95% of the population, meaning local governments that cover more than 95% of the population in the state of Ohio sign off on this settlement the total amount to the City of Reynoldsburg \$140,428.43. That is just the minimum payment that the City of Reynoldsburg would receive. We certainly will have future opportunities to apply to the Ohio Foundation for additional proceeds. These funds will be earmarked for a specific purpose and that purpose is to address the effects of the opioid epidemic in our community. That means that money can only be used for things more generally described as treatment, education and life saving measures for individuals recovering from the opioid disease in our community. As you know, we already have a recovery court through our Mayor's court that I believe at this time is fairly robust. Probably a little bit

more robust than I anticipated it would be. Our anticipation is that we would use some of these funds to continue and grow that program and apply for additional funds if necessary to continue to support that program. Because the deadline is August 13th for all the local governments to put their support in, that is why I brought this to you this evening and I am requesting that you support this settlement and pass it as an emergency.

Councilmember Strickland

Say the 70% does move forward with this, do we know when the money will be disbursed?

Attorney Shook

Unfortunately no, I would anticipate if we reach the 70% or 95% threshold, it will come sooner than later, but we have not received a timeline. We just got the numbers last night, so we are operating a little bit under the gun here.

Meeder provides monthly statements for its investment management clients to provide information about the investment portfolio. The information should not be used for audit or confirmation purposes. Please review your custodial statements and report any inaccuracies or discrepancies.

Certain information and data has been supplied by unaffiliated third parties. Although Meeder believes the information is reliable, it cannot warrant the accuracy of information offered by third parties. Market value may reflect prices received from pricing vendors when current market quotations are not available. Prices may not reflect firm bids or offers and may differ from the value at which the security can be sold.

Statements may include positions from unmanaged accounts provided for reporting purposes. Unmanaged accounts are managed directly by the client and are not included in the accounts managed by the investment adviser. This information is provided as a client convenience and the investment adviser assumes no responsibility for performance of these accounts or the accuracy of the data reported.

Investing involves risk. Past performance is no guarantee of future results. Debt and fixed income securities are subject to credit and interest rate risk. The investment return and principal value of an investment will fluctuate so that an investors shares, when redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted.

Meeder Investment Management is the global brand for the Meeder group of affiliated companies. Investment advisory services are provided through Meeder Public Funds, Inc. Please contact us if you would like to receive a copy of our current ADV disclosure brochure or privacy policy.

* The 2-month constant maturity series begins on October 16, 2018, with the first auction of the 8-week Treasury bill.

30-year Treasury constant maturity series was discontinued on February 18, 2002 and reintroduced on February 9, 2006. From February 18, 2002 to February 8, 2006, Treasury published alternatives to a 30-year rate. See Long-Term Average Rate for more information.

Treasury discontinued the 20-year constant maturity series at the end of calendar year 1986 and reinstated that series on October 1, 1993. As a result, there are no 20-year rates available for the time period January 1, 1987 through September 30, 1993.

Treasury Yield Curve Rates: These rates are commonly referred to as "Constant Maturity Treasury" rates, or CMTs. Yields are interpolated by the Treasury from the daily yield curve. This curve, which relates the yield on a security to its time to maturity is based on the closing market bid yields on actively traded Treasury securities in the over-the-counter market. These market yields are calculated from composites of indicative, bid-side market quotations (not actual transactions) obtained by the Federal Reserve Bank of New York at or near 3:30 PM each trading day. The CMT yield values are read from the yield curve at fixed maturities, currently 1, 2, 3 and 6 months and 1, 2, 3, 5, 7, 10, 20, and 30 years. This method provides a yield for a 10 year maturity, for example, even if no outstanding security has exactly 10 years remaining to maturity.

Treasury Yield Curve Methodology: The Treasury yield curve is estimated daily using a cubic spline model. Inputs to the model are primarily indicative bid-side yields for on-the-run Treasury securities. Treasury reserves the option to make changes to the yield curve as appropriate and in its sole discretion. See our [Treasury Yield Curve Methodology page](#) for details.

Negative Yields and Nominal Constant Maturity Treasury Series Rates (CMTs): At times, financial market conditions, in conjunction with extraordinary low levels of interest rates, may result in negative yields for some Treasury securities trading in the secondary market. Negative yields for Treasury securities most often reflect highly technical factors in Treasury markets related to the cash and repurchase agreement markets, and are at times unrelated to the time value of money.

At such times, Treasury will restrict the use of negative input yields for securities used in deriving interest rates for the Treasury nominal Constant Maturity Treasury series (CMTs). Any CMT input points with negative yields will be reset to zero percent prior to use as inputs in the

We have reviewed the *Independent Auditor's Report* of the City of Reynoldsburg, Franklin County, prepared by Wilson, Shannon & Snow, Inc., for the audit period January 1, 2020 through December 31, 2020. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The City of Reynoldsburg is responsible for compliance with these laws and regulations.

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
2 CFR 200.510(b)(6)
FOR THE YEAR ENDED DECEMBER 31, 2020**

NOTE A – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of the City of Reynoldsburg, Franklin County (the City) under programs of the federal government for the year ended December 31, 2020. The information on this Schedule is prepared in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the cash basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures may or may not be allowable or may be limited as to reimbursement. The City has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE C - SUBRECIPIENTS

The City passes certain federal awards received from the Ohio Office of Budget and Management to other governments or not-for-profit agencies (subrecipients). As Note B describes, the City reports expenditures of Federal awards to subrecipients when paid in cash.

As a subrecipient, the City has certain compliance responsibilities, such as monitoring its subrecipients to help assure they use these subawards as authorized by laws, regulations, and the provisions of contracts or grant agreements, and that subrecipients achieve the award's performance goals.

FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

City of Reynoldsburg
Franklin County
7232 East Main Street
Reynoldsburg, Ohio 43068

To the City Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Reynoldsburg, Franklin County, (the City) as of and for the year ended December 31, 2020 and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated June 21, 2021, wherein we noted the City restated net position as disclosed in Note 2, and considered the financial impact of COVID-19 as disclosed in Note 15.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the City's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. *A material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the City's financial statements. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

City of Reynoldsburg
Franklin County
Independent Auditor's Report on Internal Control
Over Financial Reporting and on Compliance and Other Matters
Required By *Government Auditing Standards*

Compliance and Other Matters

As part of reasonably assuring whether the City's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

OVER COMPLIANCE AND THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

To the City Council:

Report on Compliance for The Major Federal Program

We have audited the City of Reynoldsburg's (the City) compliance with the applicable requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could directly and materially affect the City of Reynoldsburg's major federal program for the year ended December 31, 2020. The *Summary of Auditor's Results* in the accompanying schedule of findings identifies the City's major federal program.

Management's Responsibility

The City's Management is responsible for complying with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to opine on the City's compliance for the City's major federal programs based on our audit of the applicable compliance requirements referred to above. Our compliance audit followed auditing standards generally accepted in the United States of America; the standards for financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). These standards and the Uniform Guidance require us to plan and perform the audit to reasonably assure whether noncompliance with the applicable compliance requirements referred to above that could directly and materially affect a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our compliance opinion on the City's major programs. However, our audit does not provide a legal determination of the City's compliance.

Opinion on The Major Federal Program

In our opinion, the City of Reynoldsburg complied, in all material respects with the compliance requirements referred to above that could directly and materially affect its major federal program for the year ended December 31, 2020.

Report on Internal Control over Compliance

The City's management is responsible for establishing and maintaining effective internal control over compliance with the applicable compliance requirements referred to above. In planning and performing our compliance audit, we considered the City's internal control over compliance with the applicable requirements that could directly and materially affect a major federal program, to determine our auditing procedures appropriate for opining on each major federal program's compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not to the extent needed to opine on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of the City's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program's applicable compliance requirement. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a federal program compliance requirement will not be prevented, or timely detected and corrected. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with federal program's applicable compliance requirement that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This report only describes the scope of our internal control over compliance tests and the results of this testing based on Uniform Guidance requirements. Accordingly, this report is not suitable for any other purpose.

We have also audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Reynoldsburg (the City) as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our unmodified report thereon dated June 21, 2021, wherein we noted the City restated net position as disclosed in Note 2, and considered the financial impact of COVID-19 as disclosed in Note 15. We conducted our audit to opine on the City's basic financial statements as a whole. The accompanying schedule of expenditures of federal awards presents additional analysis required by the Uniform Guidance and is not a required part of the basic financial statements. The schedule is management's responsibility, and was derived from and relates directly to the underlying accounting and other records management used to prepare the basic financial statements. We subjected this schedule to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this schedule directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, this schedule is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

June 21, 2021

Honorable Citizens of Reynoldsburg
and Members of City Council
Reynoldsburg, Ohio:

I am pleased to present the Comprehensive Annual Financial Report for the City of Reynoldsburg for the year ended December 31, 2020. This report has been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) and guidelines recommended by the Government Finance Officers Association of the United States and Canada (GFOA).

INTRODUCTION

While there is no legal requirement for the preparation of this report, it represents a commitment by the City of Reynoldsburg (the "City") to conform to nationally recognized standards of excellence in financial reporting. Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the City. To the best of my knowledge and belief, the enclosed data, as presented, is accurate in all material respects, is presented in a manner designed to fairly set forth the financial position and results of operations of the City and includes all disclosures necessary to enable the reader to gain an understanding of the City's financial activity.

Generally Accepted Accounting Principles require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. The City of Reynoldsburg's MD&A can be found immediately following the report of the independent auditors.

The Reporting Entity

The accompanying basic financial statements comply with the provisions of accounting principles generally accepted in the United States of America in that the financial statements include all organizations, activities, functions and component units for which the City (the reporting entity) is financially accountable. Financial accountability is defined as the appointment of a voting majority of the component unit's board and either (1) the City's ability to impose its will over the component unit, or (2) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the City.

CITY OF REYNOLDSBURG, OHIO

Letter of Transmittal For the Year Ended December 31, 2020

Based on the foregoing, the reporting entity of the City has no component units but includes the following services as authorized by its Charter: police protection, parks and recreation, planning, zoning, street maintenance and other governmental services. Additionally, the City owns the water distribution system, the wastewater collection system, and the stormwater collection system, each of which is reported as an enterprise fund. Treatment services for both water and wastewater are provided by the City of Columbus on a contractual basis. The City also reports the solid waste collection and disposal operations as an enterprise fund.

Historical Information

The origin of Reynoldsburg can be traced to 1801 when Thomas Jefferson signed an Act of Congress granting land to Lt. Colonel Bradford to be appropriated for refugees from Canada. The first settler was Thomas Palmer, who came from Massachusetts in 1803. The Village of Frenchtown was platted in 1831 on land owned by John D. French. The name was changed in 1839 to Reynoldsburg in honor of John C. Reynolds, the Postmaster and a representative in the Ohio General Assembly. The village was incorporated in 1839 and granted city status in 1960.

Reynoldsburg is noted as "the birthplace of the tomato" because of its famous resident horticulturist Alexander W. Livingston (1821-1898), internationally known for his development of the "Paragon" tomato.

Location

Reynoldsburg is located ten miles east of downtown Columbus and comprises the eastern edge of the Columbus metropolitan area. It was the first Franklin County city to expand into two other counties: Licking County to the east and Fairfield County to the south. Encompassing approximately thirteen square miles, the City lies near the geographic center of the state and is easily accessible from all areas in Ohio. The City is seven miles from Port Columbus International Airport and offers immediate access to interstate highways I-70 and I-270 via three major interchanges. Reynoldsburg is situated 833 feet above sea level and experiences mean temperatures of 71.97 degrees during the summer and 29.8 degrees during the winter.

Form of Government

The City operates under the Charter first adopted by the voters in 1979 and amended by the voters in 1982, 1987, 1992, 1995, 1997, 2007, 2012 and 2017, which provides for a Mayor-Council form of government. The laws of the State of Ohio prevail when conflicts exist between the Charter and the State Constitution and in matters where the Charter is silent. Legislative authority is vested in a seven-member Council of whom three members are elected at-large and four are elected from wards. The presiding officer is the President of Council who is elected at-large.

CITY OF REYNOLDSBURG, OHIO

Letter of Transmittal For the Year Ended December 31, 2020

All members are elected to four-year terms. The City's chief executive and administrative officer is the Mayor who is elected to that full-time office for a four-year term. The Mayor appoints all employees except those of City Council, the City Auditor's office, and the City Attorney's office. The City's chief fiscal officer is the City Auditor, who is elected to that full-time office for a four-year term. The City's legal officer is the City Attorney, who is elected to that full-time office for a four-year term.

ECONOMIC OUTLOOK

Reynoldsburg continued to experience steady growth in the commercial sectors of the community despite the challenges the COVID-19 pandemic presented. The growth came primarily from the health, service and restaurant areas but other industries are interested in our area. The City attracted 34 new or expanded businesses in 2020.

The largest employer in the City is L Brands, Inc. and its subsidiaries, consisting of office, shipping, and distribution facilities on a 360-acre site. The L Brands Inc. specialty shops/facilities at the Reynoldsburg site are Mast Logistic Services Inc., Victoria's Secret Stores, L Brands Services Co. LLC, and Bath and Bodyworks Division. The national retail clothing company has contributed an average of approximately \$7,986,285 dollars a year in income tax receipts since 2010. Other large employers located in the City include Reynoldsburg City Schools, The State of Ohio, Wal-Mart, Target, and Kroger.

The City established the Department of Development in late 1997 to provide business and industry with a point of contact within local government. The department is responsible for business attraction, retention, zoning, and planning. The following are a few businesses that opened locations in Reynoldsburg during 2020:

- Wright-Patt Credit Union constructed and opened a 2,500 square foot building along Main Street in 2020. This is the first location for Wright-Patt Credit Union in the City.
- Mt. Carmel hospital opened a 16,000 square foot medical center and emergency services center in Taylor Square. They expanded and remodeled a vacant building located in the shopping center.
- Ohio Health opened its 15,000 square foot primary care facility in the YMCA building.
- The Christian and Missionary Alliance organization purchased a large vacant property at the intersection of Brice Road and Main Street. They were looking at various locations in the Central Ohio area and eventually decided on the location in Reynoldsburg. They plan to demolish the current building and build a mixed use facility. Demolition will begin in 2021.

CITY OF REYNOLDSBURG, OHIO

Letter of Transmittal For the Year Ended December 31, 2020

Employment Rates

The great diversity of job opportunities in the Central Ohio area has helped the unemployment rate to remain consistently even or lower than the state and national averages. This being said 2020 had many challenges with the COVID-19 pandemic. The unemployment rates rose significantly in 2020, but were on the decline towards the end of the year. It has been estimated that 80% of Reynoldsburg residents work in Columbus and the surrounding area. Therefore, the City's rate of unemployment is influenced to a great extent by that of the metropolitan area. At the end of 2020, when the Federal experienced an average unemployment rate of 8.1% and the State experienced an average unemployment rate of 8.2%, Reynoldsburg experienced an unemployment rate estimated to average 7.4%.

Long-term Financial Planning

The City continually seeks opportunities to increase revenues to fund necessary infrastructure and operating costs. City completed its Comprehensive Master Plan and its Capital Improvement Plan in 2018, the administrative is continually looking for additional improvements that will enhance the infrastructure of the City.

MAJOR INITIATIVES

Capital Improvements

The City is focusing its capital projects on Street Programs, Parks and Utility infrastructure improvements. Sources of funds other than General Fund sources financed many of the projects. Projects begun, completed and/or in the process in 2020 include:

- **JFK Park Improvements-** Improvements to JFK Park included the demolition and replacement of the concession stand, public restrooms and the playground equipment located in the park. The park has the first ADA compliant playground and restrooms in the City. Also, JFK Park has the first Sona YALP system in the State of Ohio. As pictured on our cover, the YALP system allows individuals of all ages to participate in interactive outdoor games and activities. As mentioned the playground equipment is ADA compliant so special care was given to the surfaces and equipment at the park. The recreation department is also updating the skate park. The project is being funded from the Capital Improvement Fund and the General Fund.
- **Davidson Drive Improvements** Upon completion of the YMCA, the City began extensive improvements on the street, parking, sidewalks and storm drainage systems along Davidson Drive. The project will cost approximately \$1.674 million dollars and is being funded from the Capital Improvement and Stormwater Funds. Expected completion date is 2021.
- **Olde Main Street Improvements-**The City is beginning a redesign of the Streetscape in the Olde Reynoldsburg District which is located along Main Street between Davidson Drive and Waggoner Road. The project is being completed in two phases and will last several years. The plan is to increase walkability, add activity space, benches and additional pedestrian amenities. Phase One of the plan will encompass the area between Davidson Drive and Jackson Street and will begin in 2021. The cost of Phase One is expected to be approximately \$3.729 million and will be partially funded with a \$2 million grant/loan from OPWC and the balance from the Capital Improvement, Storm Water Drainage and Permissive Tax funds.

CITY OF REYNOLDSBURG, OHIO

Letter of Transmittal For the Year Ended December 31, 2020

- **2020 Street Program-** The City also began the 2020 Street Program which includes the repairing and repaving of various streets in the City. This project will cost approximately \$2.9 million dollars and will be funded by the Capital Improvement, Storm, Street and Permissive Tax funds.
- **Roselawn Water Project-** The City began replacement of the water main in the Roselawn Avenue area from Stouder to Kaiser Drive. The project is expected to cost approximately \$412,000 and will be paid for from the Water Fund.

FINANCIAL INFORMATION

Internal Control, Budgetary Control, and the Accounting System

Development of the City's accounting system included substantial consideration of the adequacy of the internal accounting controls. Internal accounting controls are designed to provide reasonable but not absolute assurance of the following:

1. The City's assets are protected against loss and unauthorized use or disposition.
2. Reliable financial reports for preparing financial statements and providing accountability for assets are maintained.

The concept of reasonable assurance states that internal controls should be evaluated applying the following criteria:

1. The expense associated with providing the internal controls should not exceed the benefits likely to be derived from their implementation.
2. The evaluation of the offsetting costs and benefits involves estimates and judgment by the City administration and the Auditor's office.

All internal control evaluations occur within this framework. It is the belief of the administrative and financial management personnel that the City's financial controls adequately safeguard existing assets and provide reasonable assurance of the proper recording of financial transactions.

The Auditor's office is responsible for the auditing and analysis of all purchase orders of the City. Personnel of the Auditor's office carefully review purchase orders to ensure the availability of monies in the proper funds and accounts prior to the certification and subsequent payment of approved invoices. The City utilizes a fully automated accounting system as well as an automated system of controls for capital asset accounting and payroll. These systems, coupled with the review and examination performed by the City Auditor's office, ensure that the financial information generated is both accurate and reliable.

Budgetary control is maintained at the object level for each department within each fund via legislation approved by City Council. The various objects are:

- | | |
|------------------------|--------------------------|
| • Personal services | • Materials and Supplies |
| • Contractual Services | • Capital Outlay |
| • Other Expenditures | • Debt Service: |
| • Transfers | Principal |
| | Interest |

CITY OF REYNOLDSBURG, OHIO

Letter of Transmittal For the Year Ended December 31, 2020

Lower levels within each object are accounted for and reported internally. Such lower levels are referred to as line items of expenditure. Estimated amounts must be encumbered prior to final approval of purchase orders or other contracts to vendors. Encumbrances in excess of the available object level appropriations are not approved unless additional appropriations are authorized. Unencumbered appropriations return (lapse) to the unappropriated balances in the individual funds at the end of each fiscal year, which coincides with the calendar year.

The basic financial statements of the City of Reynoldsburg were audited by Wilson, Shannon and Snow Inc. Certified Public Accountants. The independent auditor's unmodified opinion has been included in this report.

Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Reynoldsburg, Ohio for its Comprehensive Annual Financial Report for the year ended December 31, 2019. This was the twenty-ninth consecutive year (1991-2019) that the City received this award.

The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards in state and local government financial reporting. To be awarded a Certificate of Achievement, a governmental unit must prepare an easily readable and efficiently organized Comprehensive Annual Financial Report with contents conforming to all program standards. The report must satisfy both accounting principles generally accepted in the United States of America (GAAP) and applicable legal requirements respective to the reporting entity.

A Certificate of Achievement is valid for a period of one year. The City of Reynoldsburg received its first Certificate of Achievement for the fiscal year ended December 31, 1991. I believe this current report continues to conform to the Certificate of Achievement program requirements, and I am submitting the report to the GFOA.

The publication of this Comprehensive Annual Financial Report is indicative of the City's commitment to providing significantly enhanced financial information and accountability to its citizens. In addition to the citizens of Reynoldsburg, the recipients of this report include city, state and federal officials, schools, libraries, newspapers, investment banking firms, banks and rating agencies. The report is made available to any person or organization requesting it. The extensive effort to prepare and distribute this report is indicative of the City Auditor's goal of full disclosure of the City's finances.

INDEPENDENT AUDITOR'S REPORT

To the City Council:

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Reynoldsburg, Franklin County, Ohio (the City), as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

City of Reynoldsburg
Franklin County
Independent Auditor's Report

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Reynoldsburg, Franklin County, Ohio, as of December 31, 2020, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparisons for the General, Permissive Tax, and Street Construction, Maintenance and Repair funds thereof for the year then ended in accordance with the accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 2 to the financial statements, during 2020 the City restated net position to record corrections related to capital assets. As discussed in Note 15 to the financial statements, during 2020, the financial impact of COVID-19 and the ensuing emergency measures will impact subsequent periods of the City. We did not modify our opinion regarding these matters.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include management's discussion and analysis, and schedules of net pension and other post-employment benefit liabilities and pension and other post-employment benefit contributions listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Supplementary and Other Information

Our audit was conducted to opine on the City's basic financial statements taken as a whole.

The introductory section, the financial section's combining statements, individual fund statements and schedules and the statistical section information present additional analysis and are not a required part of the basic financial statements.

The statements and schedules are management's responsibility, and derive from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. We subjected this information to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling this information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves in accordance with auditing standards generally accepted in the United States of America. In our opinion, this information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

City of Reynoldsburg
Franklin County
Independent Auditor's Report

We did not subject the introductory section and statistical section information to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion or any other assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 21, 2021 on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management's Discussion and Analysis For the Year Ended December 31, 2020

Unaudited

The Management's Discussion and Analysis of the City of Reynoldsburg's (the City) financial performance provides an overall review of the City's financial activities for the year ended December 31, 2020. The intent of the Management's Discussion and Analysis is to look at the City's financial performance as a whole; readers should also review the transmittal letter, notes to the basic financial statements and financial statements to enhance their understanding of the City's financial performance.

FINANCIAL HIGHLIGHTS

Key financial highlights for 2020 are as follows:

- ❑ In total, net position increased \$9,072,109. Net position of governmental activities increased \$8,322,321 which represents a 14.0% increase from 2019. Net position of business-type activities increased \$749,788 or 0.9% from 2019.
- ❑ General revenues accounted for \$31,857,546 in revenue or 54.6% of all revenues. Program specific revenues in the form of charges for services and sales and grants and contributions accounted for \$26,501,032 or 45.4% of total revenues of \$58,358,578.
- ❑ The City had \$30,861,053 in expenses related to governmental activities; \$7,325,828 of these expenses were offset by program specific charges for services and sales, grants or contributions.
- ❑ Among major funds, the General Fund had \$22,833,058 in revenues and \$16,676,667 in expenditures. The General Fund's fund balance increased from \$11,586,778 to \$17,704,443.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of four parts – *management's discussion and analysis*, the *basic financial statements*, *required supplemental information*, and an optional section that presents *combining and individual statements and schedules* for non-major governmental funds. The basic financial statements include two kinds of statements that present different views of the City:

These statements are as follows:

1. *The Government-Wide Financial Statements* – These statements provide both long-term and short-term information about the City's overall financial status.
2. *The Fund Financial Statements* – These statements focus on individual parts of the City, reporting the City's operations in more detail than the government-wide statements.

The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

CITY OF REYNOLDSBURG, OHIO

Management's Discussion and Analysis For the Year Ended December 31, 2020

Government-wide Statements

The government-wide statements report information about the City as a whole using accounting methods similar to those used by private-sector companies. The Statement of Net Position includes all of the City's assets, deferred outflows of resources, liabilities, and deferred inflows of resources. All of the current year's revenues and expenses are accounted for in the Statement of Activities regardless of when cash is received or paid.

The two government-wide statements report the City's net position and how they have changed. Net position, (the difference between the City's assets and deferred outflows of resources and liabilities and deferred inflows of resources), is one way to measure the City's financial health or position.

- Over time, increases or decreases in the City's net position are an indicator of whether its financial health is improving or deteriorating, respectively.
- To assess the overall health of the City you need to consider additional non-financial factors such as the City's tax base and the condition of the City's capital assets.

The government-wide financial statements of the City are divided into two categories:

- *Governmental Activities* – Most of the City's program's and services are reported here including security of persons and property, public health and welfare services, leisure time activities, community environment, transportation and general government.
- *Business-Type Activities* – These services are provided on a charge for goods or services basis to recover all of the expenses of the goods or services provided. The City's water, sewer, storm water drainage and solid waste removal services are reported as business-type activities.

Fund Financial Statements

Funds are accounting devices that the City uses to keep track of specific sources of funding and spending for particular purposes. The fund financial statements provide more detailed information about the City's most significant funds, not the City as a whole.

Governmental Funds – Most of the City's activities are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end available for spending in future periods. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance programs. The City's major funds are the General Fund, Permissive Tax Fund, Street Construction, Maintenance and Repair Fund, Taylor Square TIEF Debt Retirement Fund and the Capital Improvement Fund. The relationship (or differences) between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds is reconciled in the financial statements.

For the Year Ended December 31, 2020**

Proprietary Funds – Proprietary funds use the same basis of accounting as business-type activities; therefore, these statements will essentially match. The proprietary fund financial statements provide separate information for the Water, Sewer, Storm Water Drainage and Solid Waste funds, all of which are considered major funds.

Fiduciary Funds – Fiduciary funds are used to account for resources held for the benefit of parties outside the City. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. All of the City's fiduciary activities are reported in a separate Statements of Fiduciary Net Position and Changes in Fiduciary Net Position.

The implementation of GASB Statement 68, "Accounting and Financial Reporting for Pensions—an Amendment of GASB Statement 27" and GASB Statement 75, "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions," significantly revised accounting for costs and liabilities related to pensions and other postemployment benefits (OPEB). For reasons discussed below, many end users of this financial statement will gain a clearer understanding of the City's actual financial condition by adding deferred inflows of resources related to pension and OPEB, the net pension liability and the net OPEB liability to the reported net position and subtracting deferred outflows of resources related to pension and OPEB.

CITY OF REYNOLDSBURG, OHIO

**Management's Discussion and Analysis
For the Year Ended December 31, 2020**

Governmental Accounting Standards Board standards are national and apply to all government financial reports prepared in accordance with generally accepted accounting principles. Prior accounting for pensions (GASB 27) and postemployment benefits (GASB 45) focused on a funding approach. This approach limited pension and OPEB costs to contributions annually required by law, which may or may not be sufficient to fully fund each plan's net pension liability or net OPEB liability.

GASB 68 and GASB 75 take an earnings approach to pension and OPEB accounting; however, the nature of Ohio's statewide pension/OPEB plans and state law governing those systems requires additional explanation in order to properly understand the information presented in these statements.

GASB 68 and GASB 75 require the net pension liability and the net OPEB liability to equal the City's proportionate share of each plan's collective:

1. Present value of estimated future pension/OPEB benefits attributable to active and inactive employees' past service.
2. Minus plan assets available to pay these benefits.

GASB notes that pension and OPEB obligations, whether funded or unfunded, are part of the "employment exchange" – that is, the employee is trading his or her labor in exchange for wages, benefits, and the promise of a future pension and other postemployment benefits. GASB noted that the unfunded portion of this promise is a present obligation of the government, part of a bargained-for benefit to the employee, and should accordingly be reported by the government as a liability since they received the benefit of the exchange. However, the City is not responsible for certain key factors affecting the balance of these liabilities. In Ohio, the employee shares the obligation of funding pension benefits with the employer. Both employer and employee contribution rates are capped by State statute. A change in these caps requires action of both Houses of the General Assembly and approval of the Governor. Benefit provisions are also determined by State statute. The Ohio Revised Code permits, but does not require the retirement systems to provide healthcare to eligible benefit recipients. The retirement systems may allocate a portion of the employer contributions to provide for these OPEB benefits.

The employee enters the employment exchange with the knowledge that the employer's promise is limited not by contract but by law. The employer enters the exchange also knowing that there is a specific, legal limit to its contribution to the retirement system. In Ohio, there is no legal means to enforce the unfunded liability of the pension/OPEB plan as against the public employer. State law operates to mitigate/lessen the moral obligation of the public employer to the employee, because all parties enter the employment exchange with notice as to the law. The retirement system is responsible for the administration of the pension and OPEB plans.

Most long-term liabilities have set repayment schedules or, in the case of compensated absences (i.e. sick and vacation leave), are satisfied through paid time-off or termination payments. There is no repayment schedule for the net pension liability or the net OPEB liability. As explained above, changes in benefits, contribution rates, and return on investments affect the balance of these liabilities, but are outside the control of the local government. In the event that contributions, investment returns, and other changes are insufficient to keep up with required payments, State statute does not assign/identify the responsible party for the unfunded portion. Due to the unique nature of how the net pension liability and the net OPEB liability are satisfied, these liabilities are separately identified within the long-term liability section of the statement of net position.

In accordance with GASB 68 and GASB 75, the City's statements prepared on an accrual basis of accounting include an annual pension expense and an annual OPEB expense for their proportionate share of each plan's change in net pension liability and net OPEB liability, respectively, not accounted for as deferred inflows/outflows.

Governmental Activities

The net position of the City's governmental activities increased by \$8,322,321. There were some notable items that attributed to this increase. Operating grants and contributions increased by \$2,900,789. The City received \$3,225,497 in Coronavirus Relief Funds (CRF) in 2020. This grant was awarded to the City to help combat the spread of COVID-19 and to help negate the increased burden COVID-19 has placed on governments, businesses and individuals. The City used these funds to obtain PPE, sanitation supplies, equipment, provide small business grants, reimburse wages paid by the City for employees dedicated to the fight of COVID-19 and assist Reynoldsburg City Schools.

Despite the uncertainty of the economy due to COVID-19, most of the City's revenues continued to be stable. Investment earnings did drop \$567,641 due to the decline in interest rates. Miscellaneous revenue increased \$927,054 primarily due to refunds received from the State of Ohio for prior years worker's compensation premiums.

The increase in Security of Persons and Property is because 2019 expenses were significantly lowered due to a change in Net Pension Liability for OP&F OPEB in the amount of \$10,124,063. Without that adjustment in 2019, the expenses would have minimal differences.

Leisure time expenses are lower from 2019 due to the cancellation of all spring and summer programming events due to COVID-19.

Community environment expenses increased due to the necessity of increasing maintenance of all of the buildings due to COVID-19. The City increased its sanitation protocol, increased telecommuting capabilities and purchased equipment to facilitate hands free use and clean air.

Income taxes and property taxes made up 64.6% and 6.2% respectively of revenues for governmental activities for the City in 2020. The City's reliance upon tax revenues is demonstrated by the following graph indicating 72.09% of total revenues are from general tax revenues:

Business-Type Activities

The net position of the business type activities increased by \$749,788. There were no significant fluctuations in the Water, Sewer, Storm or Sanitation funds. The increases in revenue were directly related to the rate increase. Expenses increased as a result of increased personnel costs and additional contract services.

FINANCIAL ANALYSIS OF THE CITY'S FUNDS

The City's governmental funds reported a combined fund balance of \$39,923,403 which is an increase from last year's balance of \$35,413,781. The schedule below indicates the fund balance and the total change in fund balance by funds as of December 31, 2020 and 2019:

	Fund Balance December 31, 2020	Fund Balance December 31, 2019	Increase (Decrease)
General	\$17,704,443	\$11,586,778	\$6,117,665

Total	<u>\$39,923,403</u>	<u>\$35,413,781</u>	<u>\$4,509,622</u>

General Fund – The City's General Fund balance increased \$6,117,665. After March 20, 2020 the City maintained limited operations due to COVID-19. Many of the programs and events that the City normally provided were cancelled therefore reducing expenses significantly. The City also received \$3,225,497 in CRF grants to offset expenses related to stopping the spread of COVID-19. The City was also reimbursed approximately \$1.2 million dollars from the State of Ohio for previously paid worker's compensation premiums. Fortunately, our other revenues were consistent with the previous year which further contributed to the increase of the fund balances. The Permissive Tax and Capital Improvement funds decreased due to ongoing infrastructure improvements in the City.

The table that follows assists in illustrating the financial activities of the General Fund:

	2020	2019	
	Expenditures	Expenditures	Increase
Security of Persons and Property	\$9,002,114	\$11,372,808	(\$2,370,694)
Public Health and Welfare Services	333,255	319,732	13,523

Total	<u>\$16,676,667</u>	<u>\$19,597,746</u>	<u>(\$2,921,079)</u>

General Fund expenditures decreased by \$2,921,079 or 14.9% compared to the prior year. Security of Persons and Property decreased primarily due to safety personnel costs being reimbursed from the CRF fund (special revenue fund) in the amount of \$2.45 million. Leisure time Activities decreased because of the cancellation of all spring and summer programing and limited fall programing

Street Construction, Maintenance and Repair Fund – The Street Construction, Maintenance and Repair Fund balance increased by \$291,509.

Permissive Tax Fund – The Permissive Tax Fund balance decreased by \$324,866 due to ongoing infrastructure improvements in the City

Taylor Square TIEF Debt Retirement Fund – The Taylor Square TIEF Debt Retirement Fund balance did not change significantly.

Capital Improvement Fund – The Capital Improvement Fund balance decreased by \$2,034,279 to \$7,045,317. This decrease is due to the construction of YMCA Community Recreation Center as well as other infrastructure projects.

Proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. Factors concerning the finances of the Water, Sewer, Storm Water Drainage and Solid Waste major enterprise funds have been addressed in the discussion of the City's business-type activities.

GENERAL FUND BUDGETARY HIGHLIGHTS

The City's budget is prepared according to Ohio law and is based on accounting for certain transactions on a basis of cash receipts, disbursements and encumbrances. The most significant budgeted fund is the General Fund.

During the course of 2020, the City amended its General Fund budget several times, none of which were significant. Final budgeted expenditures and other financing uses exceeded original budgeted expenditures by \$419,615. The most significant increase from the original budget was in the General Administration. This additional appropriation was due to changing our General Liability policy to include additional coverage for the YMCA after it opened in February, 2020. Additional increases were needed in contractual services in the Building and Service departments due to the increase of permit and building activity.

With regard to expenditures, there was a positive variance with the final budget of \$5,146,746. Every department was under budget for 2020. This was primarily a result of the shut down and reduced operations due to COVID-19.

The General Fund final budget basis revenue of \$20,675,493 did not significantly change over the original budget estimates. The actual revenues and other financing sources of \$21,652,736 on a budgetary basis were over final budgeted amounts by \$977,243. The majority of this increase was from other revenues which included refunds of prior year Worker's Compensation premiums.

CAPITAL ASSETS AND DEBT ADMINISTRATION**Capital Assets**

At the end of 2020, the City had \$169,790,096 net of accumulated depreciation invested in land, construction in progress, buildings, infrastructure, equipment and vehicles. Of this total, \$90,790,544 was related to governmental activities and \$78,999,552 to the business-type activities. The following tables show 2020 and 2019 balances:

	Governmental Activities		
	2020	Restated 2019	Change
Land	\$17,497,800	\$17,432,481	\$65,319

Less: Accumulated Depreciation	(55,110,296)	(50,855,769)	(4,254,527)
Totals	<u>\$90,790,544</u>	<u>\$86,563,752</u>	<u>\$4,226,792</u>

The increase in Building and Improvements other than Buildings was due to the completion of the YMCA in February, 2020. Land increased from a purchase of property that allowed additional access to Pine Quarry Park. The City completed the 2019 street program and the Palmer Road infrastructure projects in 2020. The City also began three major projects in 2020; the 2020 street program, Davidson Drive Improvements and the JFK park improvements.

Reconciliation Of The Statement Of Revenues, Expenditures And Changes In Fund Balances To The Statement Of Activities Governmental Funds For the Year Ended December 31, 2020

Net Change in Fund Balances - Total Governmental Funds \$ 4,491,167

**Amounts reported for governmental activities in the Statement of
Activities are different because**

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlay exceeded depreciation in the current period.

Capital Outlay	8,704,244	
Depreciation Expense	(4,470,023)	4,234,221

The net effect of various miscellaneous transactions involving capital assets (i.e. disposals and donations) is to decrease net position.

The Statement of Activities reports losses arising from the capital assets. Conversely, the governmental funds do not report loss on the disposal of capital assets.	(7,429)
--	---------

Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds.	(440,154)
--	-----------

Contractually required contributions are reported as expenditures in governmental funds; however, the statement of net position reports these amounts as deferred outflows.	1,874,045
---	-----------

Except for amounts reported as deferred inflows/outflows, changes in the net pension liability are reported as pension expense in the statement of activities.	(3,416,109)
--	-------------

Except for amounts reported as deferred inflows/outflows, changes in the net OPEB liability are reported as OPEB expense in the statement of activities.	(659,817)
--	-----------

The issuance of long-term debt (e.g. bonds, leases) provides current financial resources to government funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities.

General Obligation Bond Principal Payment	2,270,000	
Ohio Public Works Commission Loan Principal Payment	193,557	2,463,557

In the Statement of Activities, interest is accrued on outstanding bonds, whereas in governmental funds, an interest expenditure is reported when due.	4,918

Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.

Compensated Absences	(202,217)	
Change in Inventory	18,455	
Amortization of Bond Premium	42,436	
Amortization of Deferred Charge on Refunding	(80,752)	(222,078)

CITY OF REYNOLDSBURG, OHIO

Notes to the Basic Financial Statements For the Year Ended December 31, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Reynoldsburg, Ohio (the City) is a home-rule municipal corporation created under the laws of the State of Ohio. The City was first incorporated in 1839 and currently operates under and is governed by its own Charter. The current City Charter, which provides for a Mayor-Council form of government, was adopted in 1979 and has been amended by the voters in 1982, 1987, 1992, 1995, 1997, 2007, 2012, and 2017.

The financial statements are presented as of December 31, 2020 and for the year then ended, and have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) applicable to local governments. The Governmental Accounting Standards Board (the GASB) is the standard-setting body for establishing governmental accounting and financial reporting principles, which are primarily set forth in the GASB's Codification of Governmental Accounting and Financial Reporting Standards (GASB Codification).

A. Reporting Entity

The accompanying basic financial statements comply with the provisions of accounting principles generally accepted in the United States of America in that the financial statements include all organizations, activities, functions and component units for which the City (the primary government) is financially accountable. Financial accountability is defined as the appointment of a voting majority of a legally separate organization's governing body and either (1) the City's ability to impose its will over the organization, or (2) the potential that the organization will provide a financial benefit to or impose a financial burden on the City.

Based on the foregoing, the City's financial reporting entity has no component units but includes all funds, agencies, boards and commissions that are part of the primary government, including the following services: police protection, parks and recreation, planning, zoning, street maintenance, and other governmental services. In addition, the City owns the water distribution system and the wastewater collection system, each of which is reported as an enterprise fund. Treatment services for both water and wastewater are provided by the City of Columbus on a contractual basis. The City is also associated with a jointly governed organization, the Mid-Ohio Regional Planning Commission. This organization is discussed in Note 14 to the basic financial statements.

B. Basis of Presentation - Fund Accounting

The accounting system is organized and operated on the basis of funds each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund equity, revenues and expenditures or expenses. The following fund types are used by the City:

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Basis of Presentation - Fund Accounting (Continued)

Governmental Funds

Governmental funds are those funds through which most governmental functions typically are financed. The acquisition, use and balances of the City's expendable financial resources and the related current liabilities (except those accounted for in the proprietary funds) are accounted for through governmental funds. The measurement focus is on determination of "financial flow" (sources and use and balances of financial resources). The following are the City's major governmental funds:

General Fund - This fund is used to account for all financial resources except those accounted for in another fund. The General Fund balance is available to the City for any purpose provided it is expended or transferred according to the general laws of Ohio and the limitations of the City Charter.

Permissive Tax Fund – This fund is used to account for the permissive auto license taxes levied for street construction, maintenance and repair.

Street Construction, Maintenance and Repair Fund – This fund is used to account for State levied and controlled gasoline tax and motor vehicle registration fees restricted for street construction, maintenance and repair.

Taylor Square TIEF Debt Retirement Fund – This fund is used to account for resources that are used for payment of principal, interest and fiscal charges on the Taylor Square Debt.

Capital Improvement Fund – This fund is used to account for resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds) of the City.

Other governmental funds of the City are used to account for (a) the accumulation of resources for, and payment of, general long-term debt principal, interest and related costs; (b) financial resources to be used for the acquisition, construction, or improvement of capital facilities other than those financed by proprietary funds; and (c) for grants and other resources whose use is restricted or committed to a particular purpose.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Basis of Presentation - Fund Accounting (Continued)

Proprietary Funds

All proprietary funds are accounted for on an "economic resources" measurement focus. This measurement focus provides that all assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with the operation of these funds are included on the Statement of Net Position. Proprietary fund type operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net position.

Enterprise Funds - Enterprise funds may be used to account for any activity for which a fee is charged to external users. The following are the City's major enterprise funds:

Water Fund – This fund is used to account for the operation of the City's water service.

Sewer Fund – This fund is used to account for the operation of the City's sanitary sewer service.

Storm Water Drainage Fund – This fund is used to account for the operation of the City's storm water drainage service.

Solid Waste Fund – This fund is used to account for the operation of the City's solid waste collection and disposal service.

Fiduciary Funds

Custodial Funds - Fiduciary fund reporting focuses on net position and changes in net position. The fiduciary category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds and custodial funds. Fiduciary funds are used to account for assets the City holds in a trustee capacity or as an agent for individuals, private organizations, other governments, and other funds. The Custodial funds account for building permit fees collected on behalf of the State, mayor's court collections that are distributed to various local governments, sewer capacity charges distributed to the City of Columbus, and income tax collections that are distributed to Etna Township.

C. Basis of Presentation – Financial Statements

Government-wide Financial Statements – The Statement of Net Position and the Statement of Activities display information about the City as a whole. These statements include the financial activities of the primary government, except for fiduciary funds. The statements distinguish between those activities of the City that are governmental and those that are considered business-type activities.

CITY OF REYNOLDSBURG, OHIO

***Notes to the Basic Financial Statements
For the Year Ended December 31, 2020***

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Basis of Presentation – Financial Statements (Continued)

The government-wide statements are prepared using the economic resources measurement focus. This is the same approach used in the preparation of the proprietary fund financial statements but differs from the manner in which governmental fund financial statements are prepared. Governmental fund financial statements therefore include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the statements for governmental funds.

The government-wide Statement of Activities presents a comparison between direct expenses and program revenues for each segment of the business-type activities of the City and for each function or program of the City's governmental activities. Direct expenses are those that are specifically associated with a service, program or department and therefore clearly identifiable to a particular function. Program revenues include charges paid by the recipient of the goods or services offered by the program and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues which are not classified as program revenues are presented as general revenues of the City, with certain limited exceptions. The comparison of direct expenses with program revenues identifies the extent to which each business segment or governmental function is self-financing or draws from the general revenues of the City.

Fund Financial Statements – Fund financial statements report detailed information about the City. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column. Fiduciary funds are reported by fund type.

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental fund types are accounted for using a flow of current financial resources measurement focus. The financial statements for governmental funds are a Balance Sheet, which generally includes only current assets and deferred outflows of resources and current liabilities and deferred inflows of resources, and a Statement of Revenues, Expenditures and Changes in Fund Balances, which reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources.

All proprietary fund types are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets, deferred outflows of resources, liabilities and deferred inflows of resources associated with the operation of these funds are included on the Statement of Net Position. The Statement of Revenues, Expenses, and Changes in Net Position presents increases (i.e., revenues) and decreases (i.e., expenses) in net position. The Statement of Cash Flows provides information about how the City finances and meets the cash flow needs of its proprietary activities.

Fiduciary funds are reported using the economic resources measurement focus.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Basis of Accounting

Basis of accounting represents the methodology utilized in the recognition of revenues and expenditures or expenses reported in the financial statements. The accounting and reporting treatment applied to a fund is determined by its measurement focus.

The modified accrual basis of accounting is followed by the governmental funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. The term "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period, which the City considers to be 60 days after year end. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which is recognized when due.

Non-exchange transactions, in which the City receives value without directly giving equal value in return, include income taxes, property taxes, grants, entitlements and donations. Revenue from income taxes is recognized in the period in which the income is earned and is available. Revenue from grants, entitlements and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied and the revenue is available. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted, matching requirements, in which the City must provide local resources to be used for a specific purpose, and expenditure requirements, in which the resources are provided to the City on a reimbursement basis. Revenues considered susceptible to accrual at year end include income taxes, property taxes, interest on investments, and state levied locally shared taxes, including motor vehicle license fees and local government assistance. Other revenues, including licenses, permits, certain charges for services, and miscellaneous revenues are recorded when received in cash, because generally these revenues are not measurable until received.

The accrual basis of accounting is utilized for reporting purposes by governmental activities, the proprietary funds and fiduciary funds. Revenues are recognized when they are earned and expenses are recognized when they are incurred.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Budgetary Process

The budgetary process is prescribed by provisions of the Ohio Revised Code and entails the preparation of budgetary documents within an established timetable. The major documents prepared are the tax budget, the certificate of estimated resources and the appropriation ordinance, all of which are prepared on the budgetary basis of accounting. The certificate of estimated resources and the appropriation ordinance are subject to amendment throughout the year.

1. Tax Budget

All funds, other than Custodial funds, are legally required to be budgeted and appropriated. The legal level of budgetary control is by fund at the major object level (i.e., personal services, materials and supplies, contractual services) by department. Budgetary modifications may only be made by ordinance of the City Council.

By July 15, the Mayor submits an annual tax budget for the following fiscal year to City Council for consideration and passage. The adopted budget is submitted to the County Auditor, as Secretary of the County Budget Commission, by July 20 of each year for the period January 1 to December 31 of the following year.

2. Estimated Resources

The County Budget Commission determines if the budget substantiates a need to levy all or part of previously authorized taxes, and reviews estimated revenue. The Budget Commission then certifies its actions to the City by September 1 of each year. As part of the certification process, the City receives an official certificate of estimated resources stating the projected receipts by fund. Prior to December 31, the City must revise its budget so that the total contemplated expenditures from any fund during the ensuing fiscal year do not exceed the amount available as stated in the certificate of estimated resources. The revised budget then serves as the basis for the annual appropriations measure. On or about January 1, the certificate of estimated resources is amended to include any unencumbered fund balances from the preceding year. The certificate may be further amended during the year if a new source of revenue is identified or actual receipts exceed current estimates. The amounts reported as the original budgeted amounts on the budgetary statements reflect the amounts on the certificate of estimated resources when the original appropriations were adopted. The amounts reported as the final budgeted amounts on the budgetary statements reflect the amounts in the final amended official certificate of estimated resources issued during 2020.

CITY OF REYNOLDSBURG, OHIO

***Notes to the Basic Financial Statements
For the Year Ended December 31, 2020***

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Budgetary Process (Continued)

3. Appropriations

A temporary appropriation ordinance to control expenditures may be passed on or about January 1 of each year for the period January 1 through March 31. An annual appropriation ordinance must be passed by April 1 of each year for the period January 1 through December 31. The appropriation ordinance establishes spending controls at the fund and major object level (i.e. personal services, materials and supplies, contractual services) and may be modified during the year by Ordinance of City Council. Total fund appropriations may not exceed the current estimated resources certified by the County Budget Commission. Expenditures may not legally exceed budgeted appropriations at the object level. During 2020, several supplemental appropriations were necessary to budget for major capital improvement projects that were not originally appropriated. Administrative control is maintained through the establishment of more detailed line-item budgets. Funds may be moved from one line-item account to another within the same object without approval of City Council. The City Auditor maintains an accounting of the line-item expenditures to ensure that the total expenditures within a department by object do not exceed approved appropriations. The allocation of appropriations among departments and objects within a fund may be modified during the year by an ordinance of City Council. The amounts reported as the original budget amounts reflect the first appropriation resolution for that fund that covered the entire year, including amounts automatically carried forward from prior years. The amounts reported as final budget amounts in the statement of budgetary comparison represent the final appropriations amount including all amendments and modifications.

4. Lapsing of Appropriations

At the close of each fiscal year, the unencumbered balance of each appropriation reverts to the respective fund from which it was appropriated and becomes subject to future appropriations. The encumbered appropriation balances are carried forward to the subsequent fiscal year and need not be reappropriated.

5. Budgetary Basis of Accounting

The City's budgetary process accounts for certain transactions on a basis other than accounting principles generally accepted in the United States of America (GAAP). The major differences between the budgetary basis and the GAAP basis lie in the manner in which revenues and expenditures are recorded. Under the budgetary basis, revenues and expenditures are recognized on the cash basis. Utilizing the cash basis, revenues are recorded when received in cash and expenditures recorded when paid. In addition, encumbrances are recorded as the equivalent of expenditures on the budgetary basis as opposed to restricted, committed or assigned fund balance on the GAAP basis. Under the GAAP basis, revenues and expenditures are recorded on the modified accrual basis of accounting. On the budgetary basis investment earnings are recognized when realized, whereas on a GAAP basis unrealized gains and losses are recognized when investments are adjusted to fair value.

F. Cash and Cash Equivalents

Cash and cash equivalents include amounts in demand deposits, repurchase agreements, the State Treasury Asset Reserve (STAR Ohio) and certificates of deposit with original maturity dates of three months or less.

The City pools its cash for investment and resource management purposes. Each fund's equity in pooled cash and investments represents the balance on hand. See Note 4, "Cash, Cash Equivalents and Investments."

G. Investments

Investment procedures and interest allocations are restricted by provisions of the Ohio Constitution and the Ohio Revised Code. In accordance with GASB Statement No. 31, "Accounting and Financial Reporting for Certain Investments and for External Investment Pools", the City reports its investments at fair value, except for nonparticipating investment contracts (certificates of deposit and repurchase agreements) which are reported at cost, which approximates fair value. The changes in the fair value of investments are netted against investment earnings in the operating statements. Fair value is determined by quoted market prices.

The City's investment in the State Treasury Asset Reserve of Ohio (STAR Ohio) is an investment pool managed by the State Treasurer's Office which allows governments within the State to pool their funds for investment purposes. STAR Ohio is not registered with the SEC as an investment company and is recognized as an external investment pool by the City. The City measures their investment in STAR Ohio at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides a NAV per share that approximates fair value. For 2020, there were no limitations or restrictions on any participant withdrawals due to redemption notice periods, liquidity fees, or redemption gates. However, notice must be given 24 hours in advance of all deposits and withdrawals exceeding \$100 million. STAR Ohio reserves the right to limit the transaction to \$100 million, requiring the excess amount to be transacted the following business day(s), but only to the \$100 million limit. All accounts of the participant will be combined for these purposes. See Note 4, "Cash, Cash Equivalents and Investments."

H. Inventory

Inventory is stated at cost (first-in, first-out) in the governmental funds, and at the lower of cost or market in the proprietary funds. The costs of inventory items are recorded as expenditures in the governmental funds when purchased and as expenses in the governmental activities and proprietary funds when used.

I. Prepaid Items

Payments made to vendors for services that will benefit periods beyond December 31, 2020, are recorded as prepaid items using the consumption method. A current asset for the prepaid amount is recorded at the time of the purchase and an expenditure/expense is reported in the year in which services are consumed.

J. Capital Assets and Depreciation

Capital assets are defined by the City as assets with an initial, individual cost of more than \$2,500.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J. Capital Assets and Depreciation (Continued)

1. Property, Plant and Equipment - Governmental Activities (Continued)

Governmental activities capital assets are those not directly related to the business-type funds. These generally are acquired or constructed for governmental activities and are recorded as expenditures in the governmental funds and are capitalized at cost (or estimated historical cost for assets not purchased in recent years). These assets are reported in the Governmental Activities column of the Government-wide Statement of Net Position, but they are not reported in the fund financial statements.

Donated capital assets are recorded at acquisition value at the date received. Capital assets include land, buildings, building improvements, machinery, equipment and infrastructure. Infrastructure is defined as long-lived capital assets that normally are stationary in nature and normally can be preserved for a significant number of years. Examples of infrastructure include roads, bridges, curbs and gutters, streets and sidewalks, drainage systems and lighting systems. Estimated historical costs for governmental activities capital asset values were initially determined by identifying historical costs when such information was available. In cases where information supporting original cost was not obtainable, estimated historical costs were developed. For certain capital assets, the estimates were arrived at by indexing estimated current costs back to the estimated year of acquisition.

2. Property, Plant and Equipment – Business-Type Activities

Property, plant and equipment acquired by the proprietary funds are stated at cost (or estimated historical cost), including interest capitalized during construction and architectural and engineering fees where applicable. Donated capital assets are recorded at acquisition value at the date received. These assets are reported in both the Business-Type Activities column of the Government-wide Statement of Net Position and in the respective funds in the fund financial statements.

3. Depreciation

All capital assets are depreciated, excluding land and construction in progress. Depreciation has been provided using the straight-line method over the following estimated useful lives:

Description	Governmental and Business-Type Activities Estimated Lives (in years)
Buildings	15 - 40
Improvements other than Buildings	25
Infrastructure	10-50
Machinery and Equipment	3 - 10

K. Long-Term Obligations

Long-term liabilities are being repaid from the following funds:

<u>Obligation</u>	<u>Fund</u>
General Obligation Bonds	General Debt Retirement Fund, Taylor Square TIEF Debt Retirement Fund, Brice Main TIEF Debt Retirement Fund, Water Fund, Sewer Fund, Storm Water Drainage
Ohio Public Works Commission Loans	General Debt Retirement Fund, Water Fund, Sewer Fund
Compensated Absences, Pension, and OPEB Liabilities	General Fund, Income Tax Fund, Street Construction, Maintenance and Repair Fund Water Fund, Sewer Fund, Storm Water Drainage Fund

L. Compensated Absences

Employees earn vacation leave based on length of service and position. Leave time that has been earned but is unavailable for use as paid time off or as some other form of compensation because an employee has not met the minimum service time requirement is accrued to the extent that it is considered probable that the conditions for compensation will be met in the future.

Employees earn 15 days of sick leave per year. After 10 years of service and upon retirement or resignation, full-time employees will be paid 25% of the accumulated sick leave up to a maximum of 880 hours. The payment increases every 5 years of employment.

In accordance with GASB Statement No. 16, "Accounting for Compensated Absences," the City records a liability for vacation time and sick leave when the obligation is attributable to services previously rendered and it is probable that the City will compensate the employees for the benefits at termination or retirement. The City uses the vesting method for determining the liability for sick leave. Compensated absences accumulated by governmental fund type and proprietary fund type employees are reported as an expense when earned in the government-wide financial statements. For governmental fund financial statements, compensated absences are recognized as a liability and expenditure to the extent payments come due each period upon the occurrence of employee resignations and retirements. These amounts are recorded in the fund from which the employees who have accumulated leave are paid. The noncurrent portion of the liability is not recorded. For proprietary funds, the entire compensated absences amount is reported as a fund liability. See Note 1.K. for funds liquidating compensated absences.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

M. Net Position

Net position represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources. Net position - net investment in capital assets, consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction or improvement of those assets. Any unspent capital debt proceeds at December 31, 2020 do not reduce net investment in capital assets. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The City applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted resources are available.

N. Pensions/Other Postemployment Benefits (OPEB)

For purposes of measuring the net pension/OPEB liability, deferred outflows of resources and deferred inflows of resources related to pensions/OPEB, and pension/OPEB expense, information about the fiduciary net position of the pension/OPEB plans and additions to/deductions from their fiduciary net position have been determined on the same basis as they are reported by the pension/OPEB plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. The pension/OPEB plans report investments at fair value.

O. Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures/expenses in the purchaser funds. Interfund services provided and used are not eliminated in the process of consolidation. Flows of cash or goods from one fund to another without a requirement for repayment are reported as interfund transfers. Interfund transfers are reported as other financing sources/uses in governmental funds and after nonoperating revenues/expenses in proprietary funds. Repayments from funds responsible for particular expenditures/expenses to the funds that initially paid for them are not presented on the financial statements.

Transfers between governmental and business-type activities on the government-wide statements are reported in the same manner as general revenues. In addition, interfund transfers between governmental funds are eliminated for reporting on the government-wide financial statements. Only transfers between governmental activities and business-type activities are reported on the Statement of Activities.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

P. Fund Balances

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components – nonspendable, restricted, committed, assigned and unassigned.

Nonspendable – Nonspendable fund balance includes amounts that cannot be spent because they are either not in spendable form or legally contractually required to be maintained intact.

Restricted – Restricted fund balance consists of amounts that have constraints placed on them either externally by third parties (creditors, grantors, contributors, or laws or regulations of other governments) or by law through constitutional provisions or enabling legislation. Enabling legislation authorizes the City to assess, levy, charge or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement (compelled by external parties) that those resources be used only for the specific purposes stipulated in the legislation.

Committed – Committed fund balance consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the City's highest level of decision making authority. For the City, these constraints consist of ordinances passed by City Council. Committed amounts cannot be used for any other purpose unless the City removes or changes the specified use by taking the same type of action (ordinance) it employed previously to commit those amounts.

Assigned – Assigned fund balance consists of amounts that are constrained by the City's intent to be used for specific purposes, but are neither restricted nor committed. The City Charter authorizes the City Auditor to assign fund balance.

Unassigned – Unassigned fund balance consists of amounts that have not been restricted, committed or assigned to specific purposes within the General Fund as well as negative fund balances in all other governmental funds.

When both restricted and unrestricted resources are available for use, it is the City's policy to use unrestricted resources first (committed, assigned and unassigned), then restricted resources as they are needed, except for the Capital Projects and Debt Service Funds in which restricted resources are used first.

Q. Restricted Assets

Customer deposits, retainage payable, and cash with fiscal agent are classified as restricted assets on the Statement of Net Position because these funds are being held for specified purposes.

CITY OF REYNOLDSBURG, OHIO

**Notes to the Basic Financial Statements
For the Year Ended December 31, 2020**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)
R. Operating Revenues and Expenses

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues are those revenues that are generated directly from the primary activity of the proprietary funds. For the City, these revenues are charges for services for water treatment and distribution, wastewater collection and treatment, maintenance of storm water collection systems and collection of solid waste refuse. Operating expenses are necessary costs incurred to provide the good or service that is the primary activity of the fund. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

S. Estimates

The preparation of the basic financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the basic financial statements and accompanying notes. Actual results may differ from those estimates.

T. Interfund Balances

On fund financial statements, receivables and payables resulting from short-term interfund loans are classified as “interfund loans receivables/payables.” On fund financial statements, long-term interfund loans are classified as “advances to/from other funds” on the financial statements and are equally offset by a fund balance reserve account which indicates that they do not constitute available expendable resources. These amounts are eliminated in the governmental and business-type activities columns of the Statement of Net Position, except for any net residual amounts due between governmental and business-type activities, which are presented as internal balances. The City did not have outstanding interfund loans at December 31, 2020.

U. Extraordinary and Special Items

Extraordinary items are transactions or events that are both unusual in nature and infrequent in occurrence. Special items are transactions or events that are within the control of the City Council and that are either unusual in nature or infrequent in occurrence. Neither type of transaction occurred during 2020.

V. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/ expenditure) until then. For the City, deferred outflows of resources are reported on the government-wide Statement of Net Position for deferred charges on refunding, pension and OPEB. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The deferred outflows of resources related to pension and OPEB plans are explained in Notes 8 and 9.

CITY OF REYNOLDSBURG, OHIO

**Notes to the Basic Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)
V. Deferred Outflows/Inflows of Resources (Continued)

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. For the City, deferred inflows of resources include property taxes, pension, OPEB, and unavailable revenue. On the government-wide Statement of Net Position and governmental funds Balance Sheet, property taxes that are intended to finance future fiscal periods are reported as deferred inflows. In addition, the governmental funds Balance Sheet reports deferred inflows which arise only under a modified accrual basis of accounting. Accordingly, the item, unavailable amounts, is reported only in the governmental funds Balance Sheet. The governmental funds report unavailable amounts for property taxes, income taxes, investment earnings, special assessments, and state levied shared taxes. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. Deferred inflows of resources related to pension and OPEB plans reported on the government-wide Statement of Net Position are explained in Notes 8 and 9.

W. Fair Value

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets. Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

NOTE 2 – CHANGE IN ACCOUNTING PRINCIPLE AND RESTATEMENT OF NET POSITION
A. Change in Accounting Principles

For 2020, the City implemented Governmental Accounting Standards Board (GASB) Statement No. 83, “Certain Asset Retirement Obligations,” Statement No. 84, “Fiduciary Activities,” Statement No. 88, “Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements,” and Statement No. 90, “Majority Equity Interests—an amendment of GASB Statements No. 14 and No. 61.”

GASB Statement No. 83 establishes criteria for determining the timing and pattern of recognition of a liability and a corresponding deferred outflow of resources for asset retirement obligations.

GASB Statement No. 84 establishes criteria for identifying fiduciary activities of all state and local governments.

NOTE 2 – CHANGE IN ACCOUNTING PRINCIPLE AND RESTATEMENT OF NET POSITION (Continued)

A. Change in Accounting Principles (Continued)

GASB Statement No. 88 revises the information that is disclosed in notes to government financial statements related to debt, including direct borrowings and direct placements. This Statement requires that additional essential information related to debt be disclosed in notes to financial statements.

GASB Statement No. 90 establishes criteria for reporting a government's majority equity interest in a legally separate organization.

These changes were incorporated in the City's 2020 financial statements; however, there was no effect on beginning net position/fund balance.

B. Restatement of Net Position

In 2020, the City determined that Construction in Progress was understated. The correction resulted in the restatement of net position as of December 31, 2019 for Governmental Activities as follows:

	Governmental Activities
Net Position as of December 31, 2019	\$57,304,218
Restatement for Construction in Progress	2,177,378
Restated Net Position as of December 31, 2019	<u>\$59,481,596</u>

Stabilization Agreement - In 1994, the City established, by ordinance, a revenue stabilization reserve in the Income Tax Fund and first deposited income tax monies into that fund in 1995. Effective 2009 earnings from designated investments were the primary source of revenue. As a result of the income tax rate increase which became effective July 1, 2017, Council amended the ordinance to allocate .75% of the income tax monies to the revenue stabilization reserve. This amount is in addition to the earnings from designated investments. Amounts in the revenue stabilization reserve may only be expended to continue the basic City services due to a natural disaster or other catastrophic occurrences. The balance of the revenue stabilization reserve at December 31, 2020 is \$3,320,082.

CITY OF REYNOLDSBURG, OHIO

Notes to the Basic Financial Statements For the Year Ended December 31, 2020

NOTE 4 - CASH, CASH EQUIVALENTS AND INVESTMENTS

Cash resources of several individual funds are combined to form a pool of cash, cash equivalents and investments. The City Auditor, with the guidance of the City's Treasury Investment Board, has the responsibility of investing all cash. The City has adopted an Investment Policy that follows Ohio Revised Code Chapter 135 and applies the prudent person standard. The prudent person standard requires the City Auditor to exercise the care, skill and experience that a prudent person would use to manage his/her personal financial affairs. The main objectives of the Investment Policy are the preservation of capital, maintenance of liquidity, and maximization of return on the portfolio.

Statutes require the classification of funds held by the City into three categories.

Category 1 consists of "active" funds - those funds required to be kept in a "cash" or "near cash" status for immediate use by the City. Such funds must be maintained either as cash in the City Treasury or in depository accounts payable or withdrawable on demand, including negotiable order of withdrawal (NOW) accounts.

Category 2 consists of "inactive" funds - those funds not required for use within the current five year period of designation of depositories. Inactive funds may be deposited or invested only as certificates of deposit maturing not later than the end of the current period of designation of depositories.

Category 3 consists of "interim" funds - those funds which are not needed for immediate use but, which will be needed before the end of the current period of designation of depositories. Interim funds may be invested or deposited in the following securities:

1. United States Treasury bills, bonds, notes, or any other obligation or security issued by the United States Treasury or any other obligation guaranteed as to principal and interest by the United States;
2. Bonds, notes, debentures, or any other obligation or security issued by any federal government agency or instrumentality, including but not limited to, the Federal National Mortgage Association, Federal Home Loan Bank, Federal Farm Credit Bank, Federal Home Loan Mortgage Corporation, and Government National Mortgage Association. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities;
3. No-load money market mutual funds consisting exclusively of obligations describe in division (1) or (2) and repurchase agreements secured by such obligations, provided that investments in securities described in this division are made only through eligible institutions;
4. Time certificates of deposit or savings or deposit accounts including, but not limited to, passbook accounts;
5. Bonds and other obligations of the State of Ohio or Ohio; and with certain limitations including a requirement for maturity within ten years from the date of settlement, bonds and other obligations of political subdivisions of the State of Ohio, if training requirements have been met;
6. The State Treasurer's investment pool (STAR Ohio);
7. Certain bankers' acceptances (for a period not to exceed one hundred eighty days) and commercial paper notes (for a period not to exceed two hundred seventy days) in an amount not to exceed 40 percent of the interim monies available for investment at any one time if training requirements have been met; and

CITY OF REYNOLDSBURG, OHIO

NOTE 4 - CASH, CASH EQUIVALENTS AND INVESTMENTS (Continued)

8. Written repurchase agreements in the securities described in (1) or (2) provided the market value of the securities subject to the repurchase agreement must exceed the principal value of the agreement by at least two percent and be marked to market daily, and the term of the agreement must not exceed thirty days.

Investments in stripped principal or interest obligations, reverse repurchase agreements and derivatives are prohibited. The issuance of taxable notes for the purpose of arbitrage, the use of leverage and short selling are also prohibited.

Investments may only be made through specified dealers and institutions. Payment for investments may be made only upon delivery of the securities representing the investments to the treasurer or, if the securities are not represented by a certificate, upon receipt of confirmation of transfer from the custodian.

A. Deposits

Custodial credit risk is the risk that in the event of bank failure, the City's deposits may not be returned. Protection of City cash and deposits is provided by the Federal Deposit Insurance Corporation as well as qualified securities pledged by the institution holding the assets. The City has no policy on custodial credit risk and is governed by the Ohio Revised Code. Ohio Law requires that deposits be placed in eligible banks or savings and loan associations located in Ohio. Any public depository in which the City places deposits must pledge as collateral eligible securities of aggregate fair value equal to the excess of deposits not insured by the Federal Deposit Insurance Corporation (FDIC). Ohio law requires that deposits be either insured or be protected by eligible securities pledged to the City and deposited with a qualified trustee by the financial institution as security for repayment whose fair value at all times shall be at least 105 percent of the deposits being secured, or participation in the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution. OPCS requires the total fair value of the securities pledged to be 102 percent of the deposits being secured or a rate set by the Treasurer of State.

At year end the carrying amount of the City's deposits was \$6,343,651 and the bank balance was \$6,550,091. Federal deposit insurance covered \$282,825 of the bank balance and \$6,267,266 was uninsured. Of the remaining uninsured bank balance, the City was exposed to custodial risk as follows:

	<u>Balance</u>
Uninsured and uncollateralized	\$911
Uninsured and collateralized with securities held in the Ohio Pooled Collateral System.	<u>6,266,355</u>
Total Balance	<u><u>\$6,267,266</u></u>

Investment earnings of \$470,163 earned by other funds were credited to the General Fund as required by state statute.

The City's investments in government agency securities are classified as Level 2 of the fair value hierarchy which are valued using valuation techniques that incorporate market data for similar types of investments, broker quotes and inactive transaction prices. These prices are obtained by our custodian banks from various pricing sources.

1 Standard & Poor's

2 All are fully FDIC insured and therefore have an implied AAA credit rating

Interest Rate Risk – The Ohio Revised Code generally limits security purchases to those that mature within five years of settlement date. The City's Investment Policy does not permit the City Auditor to invest in any security maturing in more than 5 years.

Investment Credit Risk – The City has no investment policy that limits its investment choices other than the limitation of State statute for "interim" funds described previously.

Concentration of Credit Risk – The Investment Policy places no limit on the amount the Auditor may invest in one issuer. The policy limits investments with any one financial institution to 35% of the investment portfolio, with the exception of a 40% limit to investments in STAR Ohio. Of the City's total investments, 7% are FNMA, 22% are negotiable CD's, 11% are FHLB Bonds and Notes, 17% are FFCB, 18% are FHLMC, 2% are US Treasury Bills and 23% are STAR Ohio.

Custodial Credit Risk – For an investment, custodial credit risk is the risk that in the event of the failure of the counterparty, the City will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. Of the City's investment in repurchase agreements, the entire balance is collateralized by underlying securities pledged by the investment's counterparty, not in the name of the City. The City has no policy on custodial credit risk and is governed by the Ohio Revised Code as described under Deposits.

C. Cash with Fiscal Agents

In addition to deposits and investments, the City has uninsured and uncollateralized cash in the amount of \$310,157 being held by the Franklin and Licking County Engineers. This cash is restricted in its use for various road improvement projects.

D. Reconciliation of Cash, Cash Equivalents and Investments

The classification of cash, cash equivalents and investments on the combined financial statements were based on criteria set forth in GASB Statement No. 9. Repurchase agreements and certificates of deposit with an original maturity of three months or less were treated as cash equivalents. The classification of cash and cash equivalents (deposits) for purposes of this note were based on criteria set forth in GASB Statement No. 3.

A reconciliation between classifications of cash and investments on the financial statements and classifications per items A and B of this note are as follows:

NOTE 5 - TAXES

A. Property Taxes

Property taxes include amounts levied against all real estate and public utility property located in the City and used in business. Real property taxes (other than public utility) collected during 2020 were levied after October 1, 2019 on assessed values as of January 1, 2019, the lien date. Assessed values are established by the county auditor at 35 percent of appraised market value. All property is required to be reappraised every six years and equalization adjustments made in the third year following reappraisal. The last revaluations were completed in 2020 in Franklin County and Licking County, and in Fairfield County, the last revaluation was completed in 2019. Real property taxes are paid annually or semi-annually. The first payment is due January 20; the remainder payable by June 20.

Public utility real and tangible personal property taxes collected in one calendar year are levied in the preceding calendar year on assessed values determined as of December 31 of the second year preceding the tax collection year, the lien date. Certain public utility tangible personal property is currently assessed at 88 percent of its true value. Public utility property taxes are payable on the same dates as the real property taxes described previously.

The County Treasurers collect property taxes on behalf of all taxing districts in the County including the City of Reynoldsburg. The County Auditors periodically remit to the City its portion of the taxes collected. The full tax rate for all City operations for the year ended December 31, 2020 was \$0.70 per \$1,000 of assessed value. The assessed value upon which the 2020 tax receipts were based was \$770,662,530. This amount constitutes \$750,616,530 in real property assessed value and \$20,046,000 in public utility assessed value.

Ohio law prohibits taxation of property from all taxing authorities in excess of 1% of assessed value without a vote of the people. Under current procedures, the City's share is .07% (0.7 mills) of assessed value.

B. Income Tax

The City levied a tax of 2.5% on all salaries, wages, commissions and other compensation and on net profits earned within the City as well as on incomes of residents earned outside the City. The City allows a credit of 100% of the tax paid to another municipality to a maximum of the total amount assessed.

Employers within the City are required to withhold income tax on employee compensation and remit the tax to the City either monthly or quarterly, as required. Corporations and other individual taxpayers are required to pay their estimated tax quarterly and file a declaration annually.

NOTE 5 – TAXES (Continued)
C. Tax Abatements

As of December 31, 2020, the City provides tax incentives under the Ohio Enterprise Zone Agreement with four entities.

Pursuant to Ohio Revised Code Chapter 5709, the City established an Enterprise Zone area in 2005, which represents a Project site within the boundaries of the City. The City authorizes incentives through the passage of public ordinances, based upon each businesses investment criteria, and through a contractual application process with each business, including proof that the improvements have been made. The abatement equals an agreed upon percentage of the additional property tax resulting from the increase in assessed value as a result of the improvements. The amount of the abatement is deducted from the recipient's property tax bill. The establishment of the Enterprise Zone gave the City the ability to maintain and expand businesses located in the project site and created new jobs by abating or reducing assessed valuation of properties, resulting in abated taxes, from new or improved business real estate and include inventory and personal property. The City also contracts with the Licking Heights Local School District for payments in lieu of taxes when required by Section 5709.61-69 of the Ohio Revised Code. In conjunction with this agreement the City contracted a Revenue Sharing agreement with Licking Heights Local School District. The agreement allows for a percentage of the withholding taxes collected in the Project site be shared with the School district to compensate for the real estate tax abatement. For 2020 the City paid the School District \$1,608,770 in shared withholding tax.

The entities committed to the acquisition of new equipment, expanded inventory and extensive expansion of the current facility. In addition the entities committed to adding over 900 new permanent full time positions and over 90 permanent part-time positions with estimated annual compensation of approximately \$35,000,000.

The total amount of real property taxes abated in 2020 under the City's Enterprise Zone Agreements was \$76,000.

NOTE 6 – RECEIVABLES

Receivables at December 31, 2020 consisted of taxes, interest, accounts receivable, special assessments, and intergovernmental receivables arising from shared revenues. Receivables have been recorded to the extent that they are measurable at December 31, 2020, as well as intended to finance 2020 operations. All receivables have been disaggregated on the face of the basic financial statements. The only receivable not expected to be collected within the subsequent year are the special assessments which are collected over the life of the assessment.

NOTE 8 – DEFINED BENEFIT PENSION PLANS

Net Pension Liability

The net pension liability reported on the statement of net position represents a liability to employees for pensions. Pensions are a component of exchange transactions—between an employer and its employees—of salaries and benefits for employee services. Pensions are provided to an employee—on a deferred-payment basis—as part of the total compensation package offered by an employer for employee services each financial period. The obligation to sacrifice resources for pensions is a present obligation because it was created as a result of employment exchanges that already have occurred.

The net pension liability represents the City’s proportionate share of each pension plan’s collective actuarial present value of projected benefit payments attributable to past periods of service, net of each pension plan’s fiduciary net position. The net pension liability calculation is dependent on critical long-term variables, including estimated average life expectancies, earnings on investments, cost of living adjustments and others. While these estimates use the best information available, unknowable future events require adjusting this estimate annually.

Ohio Revised Code limits the City’s obligation for this liability to annually required payments. The City cannot control benefit terms or the manner in which pensions are financed; however, the City does receive the benefit of employees’ services in exchange for compensation including pension.

GASB 68 assumes the liability is solely the obligation of the employer, because (1) they benefit from employee services; and (2) State statute requires all funding to come from these employers. All contributions to date have come solely from these employers (which also includes costs paid in the form of withholdings from employees). State statute requires the pension plans to amortize unfunded liabilities within 30 years. If the amortization period exceeds 30 years, each pension plan’s board must propose corrective action to the State legislature. Any resulting legislative change to benefits or funding could significantly affect the net pension liability. Resulting adjustments to the net pension liability would be effective when the changes are legally enforceable.

The proportionate share of each plan’s unfunded benefits is presented as a long-term *net pension liability* on the accrual basis of accounting. Any liability for the contractually-required pension contribution outstanding at the end of the year is included in *intergovernmental payable* on both the accrual and modified accrual bases of accounting.

Plan Description – Ohio Public Employees Retirement System (OPERS)

Plan Description - City employees, other than full-time police, participate in the Ohio Public Employees Retirement System (OPERS). OPERS administers three separate pension plans. The traditional pension plan is a cost-sharing, multiple-employer defined benefit pension plan. The member-directed plan is a defined contribution plan and the combined plan is a cost-sharing, multiple-employer defined benefit pension plan with defined contribution features. While members (e.g. City employees) may elect the member-directed plan and the combined plan, substantially all employee members are in OPERS’ traditional plan; therefore, the following disclosure focuses on the traditional pension plan.

CITY OF REYNOLDSBURG, OHIO

NOTE 8 – DEFINED BENEFIT PENSION PLANS (Continued)

OPERS provides retirement, disability, survivor and death benefits, and annual cost of living adjustments to members of the traditional plan. Authority to establish and amend benefits is provided by Chapter 145 of the Ohio Revised Code. OPERS issues a stand-alone financial report that includes financial statements, required supplementary information and detailed information about OPERS' fiduciary net position that may be obtained by visiting <https://www.opers.org/financial/reports.shtml>, by writing to the Ohio Public Employees Retirement System, 277 East Town Street, Columbus, Ohio 43215-4642, or by calling 800-222-7377.

Senate Bill (SB) 343 was enacted into law with an effective date of January 7, 2013. In the legislation, members were categorized into three groups with varying provisions of the law applicable to each group. The following table provides age and service requirements for retirement and the retirement formula applied to final average salary (FAS) for the three member groups under the traditional plan as per the reduced benefits adopted by SB 343 (see OPERS Comprehensive Annual Financial Report referenced above for additional information, including requirements for reduced and unreduced benefits):

Group A Eligible to retire prior to January 7, 2013 or five years after January 7, 2013	Group B 20 years of service credit prior to January 7, 2013 or eligible to retire ten years after January 7, 2013	Group C Members not in other Groups and members hired on or after January 7, 2013
State and Local	State and Local	State and Local
Age and Service Requirements: Age 60 with 60 months of service credit or Age 55 with 25 years of service credit	Age and Service Requirements: Age 60 with 60 months of service credit or Age 55 with 25 years of service credit	Age and Service Requirements: Age 57 with 25 years of service credit or Age 62 with 5 years of service credit
Formula: 2.2% of FAS multiplied by years of service for the first 30 years and 2.5% for service years in excess of 30	Formula: 2.2% of FAS multiplied by years of service for the first 30 years and 2.5% for service years in excess of 30	Formula: 2.2% of FAS multiplied by years of service for the first 35 years and 2.5% for service years in excess of 35

Final average Salary (FAS) represents the average of the three highest years of earnings over a member's career for Groups A and B. Group C is based on the average of the five highest years of earnings over a member's career.

Members who retire before meeting the age and years of service credit requirement for unreduced benefits receive a percentage reduction in the benefit amount.

When a benefit recipient has received benefits for 12 months, an annual cost of living adjustment (COLA) is provided. This COLA is calculated on the base retirement benefit at the date of retirement and is not compounded. For those retiring prior to January 7, 2013, the COLA will continue to be a 3.00% simple annual COLA. For those retiring subsequent to January 7, 2013, beginning in calendar year 2019, the COLA will be based on the average percentage increase in the Consumer Price Index, capped at 3.00%.

Benefits in the Combined Plan consist of both an age-and-service formula benefit (defined benefit) and a defined contribution element. The defined benefit element is calculated on the basis of age, FAS, and years of service. Eligibility regarding age and years of service in the Combined Plan is the same as the Traditional Pension Plan. The benefit formula for the defined benefit component of the plan for State and Local members in transition Groups A and B applies a factor of 1.00% to the member's FAS for the first 30 years of service.

CITY OF REYNOLDSBURG, OHIO

**Notes to the Basic Financial Statements
For the Year Ended December 31, 2020**

NOTE 8 – DEFINED BENEFIT PENSION PLANS (Continued)

A factor of 1.25% is applied to years of service in excess of 30. The benefit formula for transition Group C applies a factor of 1.0% to the member's FAS and the first 35 years of service and a factor of 1.25% is applied to years in excess of 35. Persons retiring before age 65 with less than 30 years of service credit receive a percentage reduction in benefit. The defined contribution portion of the benefit is based on accumulated member contributions plus or minus any investment gains or losses on those contributions. Members retiring under the Combined Plan receive a 3.00% COLA adjustment on the defined benefit portion of their benefit.

Defined contribution plan benefits are established in the plan documents, which may be amended by the OPERS's Board of Trustees. Member-Directed Plan and Combined Plan members who have met the retirement eligibility requirements may apply for retirement benefits. The amount available for defined contribution benefits in the Combined Plan consists of the member's contributions plus or minus the investment gains or losses resulting from the member's investment selections. The amount available for defined contribution benefits in the Member-Directed Plan consists of the members' contributions, vested employer contributions and investment gains or losses resulting from the members' investment selections. Employer contributions and associated investment earnings vest over a five-year period, at a rate of 20% each year. For additional information, see the Plan Statement in the OPERS Comprehensive Annual Financial Report.

Funding Policy - The Ohio Revised Code (ORC) provides statutory authority for member and employer contributions as follows:

	State and Local
2020 Statutory Maximum Contribution Rates	
Employer	14.0 %
Employee	10.0 %
2020 Actual Contribution Rates	
Employer:	
Pension	14.0 %
Post-employment Health Care Benefits	0.0
Total Employer	<u>14.0 %</u>
Employee	<u>10.0 %</u>

Employer contribution rates are actuarially determined and are expressed as a percentage of covered payroll. The City's contractually required contribution was \$745,363 for 2020. Of this amount, \$61,198 is reported as an intergovernmental payable.

NOTE 8 – DEFINED BENEFIT PENSION PLANS (Continued)

Plan Description – Ohio Police & Fire Pension Fund (OPF)

Plan Description - City full-time police participate in Ohio Police and Fire Pension Fund (OPF), a cost-sharing, multiple-employer defined benefit pension plan administered by OPF. OPF provides retirement and disability pension benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by the Ohio State Legislature and are codified in Chapter 742 of the Ohio Revised Code. OPF issues a publicly available financial report that includes financial information and required supplementary information and detailed information about OPF fiduciary net position. The report that may be obtained by visiting the OPF website at www.op-f.org or by writing to the Ohio Police and Fire Pension Fund, 140 East Town Street, Columbus, Ohio 43215-5164.

Upon attaining a qualifying age with sufficient years of service, a member of OPF may retire and receive a lifetime monthly pension. OPF offers four types of service retirement: normal, service commuted, age/service commuted and actuarially reduced. Each type has different eligibility guidelines and is calculated using the member's average annual salary. The following discussion of the pension formula relates to normal service retirement.

For members hired after July 1, 2013, the minimum retirement age is 52 for normal service retirement with at least 25 years of service credit. For members hired on or before July 1, 2013, the minimum retirement age is 48 for normal service retirement with at least 25 years of service credit.

The annual pension benefit for normal service retirement is equal to a percentage of the allowable average annual salary. The percentage equals 2.5 percent for each of the first 20 years of service credit, 2.0 percent for each of the next five years of service credit and 1.5 percent for each year of service credit in excess of 25 years. The maximum pension of 72 percent of the allowable average annual salary is paid after 33 years of service credit.

Under normal service retirement, retired members who are at least 55 years old and have been receiving OPF benefits for at least one year may be eligible for a cost-of-living allowance adjustment. The age 55 provision for receiving a COLA does not apply to those who are receiving a permanent and total disability benefit and statutory survivors.

Members retiring under normal service retirement, with less than 15 years of service credit on July 1, 2013, will receive a COLA equal to either 3.00% or the percent increase, if any, in the consumer price index (CPI) over the 12-month period ending on September 30 of the immediately preceding year, whichever is less. The COLA amount for members with at least 15 years of service credit as of July 1, 2013 is equal to 3.00% of their base pension or disability benefit.

Employer contribution rates are expressed as a percentage of covered payroll. The City's contractually required contribution to OPF was \$1,207,848 for 2020. Of this amount, \$94,879 is reported as an intergovernmental payable.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

The net pension liability for OPERS was measured as of December 31, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. OPF's total pension liability was measured as of December 31, 2019, and was determined by rolling forward the total pension liability as of January 1, 2019, to December 31, 2019. The City's proportion of the net pension liability was based on the City's share of contributions to the pension plan relative to the contributions of all participating entities. Following is information related to the proportionate share and pension expense:

	<u>OPERS</u>	<u>OP&F</u>	<u>Total</u>
Proportionate Share of the Net Pension Liability	\$6,810,462	\$15,935,534	\$22,745,996

Actuarial Assumptions - OPERS

Actuarial valuations of an ongoing plan involve estimates of the values of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and cost trends. Actuarially determined amounts are subject to continual review or modification as actual results are compared with past expectations and new estimates are made about the future.

NOTE 8 – DEFINED BENEFIT PENSION PLANS (Continued)

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employers and plan members) and include the types of benefits provided at the time of each valuation. The total pension liability in the December 31, 2019 and December 31, 2018 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

	December 31, 2019
Wage Inflation	3.25 percent
Future Salary Increases, including inflation	3.25 to 10.75 percent including wage inflation
COLA or Ad Hoc COLA (Pre 1/7/13 retirees)	3 percent simple
COLA or Ad Hoc COLA (Post 1/7/13 retirees)	1.4 percent simple through 2020. 2.15 percent simple, thereafter
Investment Rate of Return	7.2 percent
Actuarial Cost Method	Individual Entry Age
	December 31, 2018
Wage Inflation	3.25 percent
Future Salary Increases, including inflation	3.25 to 10.75 percent including wage inflation
COLA or Ad Hoc COLA (Pre 1/7/13 retirees)	3 percent simple
COLA or Ad Hoc COLA (Post 1/7/13 retirees)	3 percent simple through 2018. 2.15 percent simple, thereafter
Investment Rate of Return	7.2 percent
Actuarial Cost Method	Individual Entry Age

Pre-retirement mortality rates are based on the RP-2014 Employees mortality table for males and females, adjusted for mortality improvement back to the observation period base year of 2006. The base year for males and females was then established to be 2015 and 2010, respectively. Post-retirement mortality rates are based on the RP-2014 Healthy Annuitant mortality table for males and females, adjusted for mortality improvement back to the observation period base year of 2006. The base year for males and females was then established to be 2015 and 2010, respectively. Post-retirement mortality rates for disabled retirees are based on the RP-2014 Disabled mortality table for males and females, adjusted for mortality improvement back to the observation period base year of 2006. The base year for males and females was then established to be 2015 and 2010, respectively. Mortality rates for a particular calendar year are determined by applying the MP-2015 mortality improvement scale to all of the above described tables.

The most recent experience study was completed for the five year period ended December 31, 2015.

The long-term rate of return on defined benefit investment assets was determined using a building-block method in which best-estimate ranges of expected future real rates of return are developed for each major asset class. These ranges are combined to produce the long-term expected real rate of return by weighting the expected future real rates of return by the target asset allocation percentage, adjusted for inflation.

During 2019, OPERS managed investments in three investment portfolios: the Defined Benefit portfolio, the Health Care portfolio, and the Defined Contribution portfolio. The Defined Benefit portfolio contains the investment assets for the Traditional Pension Plan, the defined benefit component of the Combined Plan and the annuitized accounts of the Member-Directed Plan. Within the Defined Benefit portfolio, contributions into the plans are all recorded at the same time, and benefit payments all occur on the first of the month. Accordingly, the money-weighted rate of return is considered to be the same for all plans within the portfolio. The annual money-weighted rate of return expressing investment performance, net of investment expenses and adjusted for the changing amounts actually invested, for the Defined Benefit portfolio was 17.2% for 2019.

NOTE 8 – DEFINED BENEFIT PENSION PLANS (Continued)

The allocation of investment assets with the Defined Benefit portfolio is approved by the Board of Trustees as outlined in the annual investment plan. Plan assets are managed on a total return basis with a long-term objective of achieving and maintaining a fully funded status for the benefits provided through the defined benefit pension plans. The table below displays the Board-approved asset allocation policy for 2019 and the long-term expected real rates of return:

Asset Class	Target Allocation	Weighted Average Long-Term Expected Real Rate of Return (Arithmetic)
Fixed Income	25.00 %	1.83 %
Domestic Equities	19.00	5.75
Real Estate	10.00	5.20
Private Equity	12.00	10.70
International Equities	21.00	7.66
Other investments	13.00	4.98
Total	100.00 %	5.61 %

Discount Rate The discount rate used to measure the total pension liability was 7.2 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and those of the contributing employers are made at the statutorily required rates. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefits payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the City's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate The following table presents the City's proportionate share of the net pension liability calculated using the current period discount rate assumption of 7.2 percent, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one-percentage-point lower (6.2 percent) or one-percentage-point higher (8.2 percent) than the current rate:

	1% Decrease (6.20%)	Current Discount Rate (7.20%)	1% Increase (8.20%)
City's proportionate share of the net pension liability	\$11,232,656	\$6,810,462	\$2,835,040

Actuarial Assumptions – OPF

OPF's total pension liability as of December 31, 2019 is based on the results of an actuarial valuation date of January 1, 2019, and rolled-forward using generally accepted actuarial procedures. The total pension liability is determined by OPF's actuaries in accordance with GASB Statement No. 67, as part of their annual valuation. Actuarial valuations of an ongoing plan involve estimates of reported amounts and assumptions about probability of occurrence of events far into the future. Examples include assumptions about future employment mortality, salary increases, disabilities, retirements and employment terminations. Actuarially determined amounts are subject to continual review and potential modifications, as actual results are compared with past expectations and new estimates are made about the future. Assumptions considered were: withdrawal rates, disability retirement, service retirement, DROP elections, mortality, percent married and forms of the payment, DROP interest rate, CPI-based COLA, investment returns, salary increases and payroll growth.

Key methods and assumptions used in the latest actuarial valuation, reflecting experience study results, prepared as of January 1, 2019, compared with January 1, 2018, are presented below.

	January 1, 2019	January 1, 2018
Valuation Date	January 1, 2019, with actuarial liabilities rolled forward to December 31, 2019	January 1, 2018, with actuarial liabilities rolled forward to December 31, 2018
Actuarial Cost Method	Entry Age Normal	Entry Age Normal
Investment Rate of Return	8.0 percent	8.0 percent
Projected Salary Increases	3.75 percent to 10.5 percent	3.75 percent to 10.5 percent
Payroll Growth	Inflation rate of 2.75 percent plus productivity increase rate of 0.5	Inflation rate of 2.75 percent plus productivity increase rate of 0.5
Cost of Living Adjustments	3.00 percent simple; 2.2 percent simple for increases based on the lesser of the increase in CPI and 3 percent	3.00 percent simple; 2.2 percent simple for increases based on the lesser of the increase in CPI and 3 percent

For the January 1, 2019 valuation, mortality for non-disabled participants is based on the RP-2014 Total Employee and Healthy Annuitant Mortality Tables rolled back to 2006, adjusted according to the rates in the following table, and projected with the Buck Modified 2016 Improvement Scale. Rates for surviving beneficiaries are adjusted by 120 percent.

Age	Police	Fire
67 or less	77 %	68 %
68-77	105	87
78 and up	115	120

For the January 1, 2019 valuation, mortality for disabled retirees is based on the RP-2014 Disabled Mortality Tables rolled back to 2006, adjusted according to the rates in the following table, and projected with the Buck Modified 2016 Improvement Scale.

The long-term expected rate of return on pension plan investments was determined using a building-block approach and assumes a time horizon, as defined in the Statement of Investment Policy. A forecasted rate of inflation serves as the baseline for the return expectation. Various real return premiums over the baseline inflation rate have been established for each asset class. The long-term expected nominal rate of return has been determined by calculating a weighted averaged of the expected real return premiums for each asset class, adding the projected inflation rate and adding the expected return from rebalancing uncorrelated asset classes.

Best estimates of the long-term expected geometric real rates of return for each major asset class included in OPF's target asset allocation as of December 31, 2019 are summarized below:

Asset Class	Target Allocation	Long Term Expected Real Rate of Return
Cash and Cash Equivalents	0.00 %	1.00 %
Domestic Equity	16.00	5.40
Non-US Equity	16.00	5.80
Private Markets	8.00	8.00
Core Fixed Income *	23.00	2.70
High Yield Fixed Income	7.00	4.70
Private Credit	5.00	5.50
U.S. Inflation Linked Bonds*	17.00	2.50
Master Limited Partnerships	8.00	6.60
Real Assets	8.00	7.40
Private Real Estate	12.00	6.40
Total	120.00 %	

* levered 2x

OPF's Board of Trustees has incorporated the "risk parity" concept into OPF's asset liability valuation with the goal of reducing equity risk exposure, which reduces overall Total Portfolio risk without sacrificing return, and creating a more risk-balanced portfolio based on their relationship between asset classes and economic environments. From the notional portfolio perspective above, the Total Portfolio may be levered up to 1.2 times due to the application of leverage in certain fixed income asset classes.

NOTE 8 – DEFINED BENEFIT PENSION PLANS (Continued)

Discount Rate For 2019, the total pension liability was calculated using the discount rate of 8.00 percent. The discount rate used for 2018 was 8.00 percent. The projection of cash flows used to determine the discount rate assumed the contributions from employers and from the members would be computed based on contribution requirements as stipulated by State statute. Projected inflows from investment earning were calculated using the longer-term assumed investment rate of return 8.00 percent. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members. Therefore, a long-term expected rate of return on pension plan investments was applied to all periods of projected benefits to determine the total pension liability.

Sensitivity of the City's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate Net pension liability is sensitive to changes in the discount rate, and to illustrate the potential impact the following table presents the net pension liability calculated using the discount rate of 8.00 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (7.00 percent), or one percentage point higher (9.00 percent) than the current rate.

	1% Decrease (7.00%)	Current Discount Rate (8.00%)	1% Increase (9.00%)

NOTE 9 - DEFINED BENEFIT OPEB PLANS

Net OPEB Liability

The net OPEB liability reported on the statement of net position represents a liability to employees for OPEB. OPEB is a component of exchange transactions—between an employer and its employees—of salaries and benefits for employee services. OPEB are provided to an employee—on a deferred-payment basis—as part of the total compensation package offered by an employer for employee services each financial period. The obligation to sacrifice resources for OPEB is a present obligation because it was created as a result of employment exchanges that already have occurred.

The net OPEB liability represents the City's proportionate share of each OPEB plan's collective actuarial present value of projected benefit payments attributable to past periods of service, net of each OPEB plan's fiduciary net position. The net OPEB liability calculation is dependent on critical long-term variables, including estimated average life expectancies, earnings on investments, cost of living adjustments and others. While these estimates use the best information available, unknowable future events require adjusting these estimates annually.

Ohio Revised Code limits the City's obligation for this liability to annually required payments. The City cannot control benefit terms or the manner in which OPEB are financed; however, the City does receive the benefit of employees' services in exchange for compensation including OPEB.

GASB 75 assumes the liability is solely the obligation of the employer, because they benefit from employee services. OPEB contributions come from these employers and health care plan enrollees which pay a portion of the health care costs in the form of a monthly premium. The Ohio revised Code permits, but does not require the retirement systems to provide healthcare to eligible benefit recipients. Any change to benefits or funding could significantly affect the net OPEB liability. Resulting adjustments to the net OPEB liability would be effective when the changes are legally enforceable. The retirement systems may allocate a portion of the employer contributions to provide for these OPEB benefits.

The proportionate share of each plan's unfunded benefits is presented as a long-term net OPEB liability on the accrual basis of accounting. Any liability for the contractually-required OPEB contribution outstanding at the end of the year is included in intergovernmental payable on both the accrual and modified accrual bases of accounting.

NOTE 9 - DEFINED BENEFIT OPEB PLANS (Continued)

Plan Description – Ohio Public Employees Retirement System (OPERS)

Plan Description - The Ohio Public Employees Retirement System (OPERS) administers three separate pension plans: the traditional pension plan, a cost-sharing, multiple-employer defined benefit pension plan; the member-directed plan, a defined contribution plan; and the combined plan, a cost-sharing, multiple-employer defined benefit pension plan that has elements of both a defined benefit and defined contribution plan.

OPERS maintains a cost-sharing, multiple-employer defined benefit post-employment health care trust, which funds multiple health care plans including medical coverage, prescription drug coverage and deposits to a Health Reimbursement Arrangement to qualifying benefit recipients of both the traditional pension and the combined plans. This trust is also used to fund health care for member-directed plan participants, in the form of a Retiree Medical Account (RMA). At retirement or refund, member directed plan participants may be eligible for reimbursement of qualified medical expenses from their vested RMA balance.

In order to qualify for postemployment health care coverage, age and service retirees under the traditional pension and combined plans must have 20 or more years of qualifying Ohio service credit. Health care coverage for disability benefit recipients and qualified survivor benefit recipients is available. The health care coverage provided by OPERS meets the definition of an Other Post Employment Benefit (OPEB) as described in GASB Statement 75. See OPERS' Comprehensive Annual Financial Report referenced below for additional information.

The Ohio Revised Code permits, but does not require OPERS to provide health care to its eligible benefit recipients. Authority to establish and amend health care coverage is provided to the Board in Chapter 145 of the Ohio Revised Code.

Disclosures for the health care plan are presented separately in the OPERS financial report. Interested parties may obtain a copy by visiting <https://www.opers.org/financial/reports.shtml>, by writing to OPERS, 277 East Town Street, Columbus, Ohio 43215-4642, or by calling (614) 222-5601 or 800-222-7377.

Funding Policy - The Ohio Revised Code provides the statutory authority requiring public employers to fund postemployment health care through their contributions to OPERS. When funding is approved by OPERS' Board of Trustees, a portion of each employer's contribution to OPERS is set aside to fund OPERS health care plans. Beginning in 2018, health care is not being funded.

Employer contribution rates are expressed as a percentage of the earnable salary of active members. In 2020, state and local employers contributed at a rate of 14.0 percent of earnable salary and public safety and law enforcement employers contributed at 18.1 percent. These are the maximum employer contribution rates permitted by the Ohio Revised Code. Active member contributions do not fund health care.

NOTE 9 - DEFINED BENEFIT OPEB PLANS (Continued)

Each year, the OPERS Board determines the portion of the employer contribution rate that will be set aside to fund health care plans. The portion of employer contributions allocated to health care for members in the Traditional Pension Plan and Combined Plan was 0 percent during calendar year 2020. The OPERS Board is also authorized to establish rules for the retiree or their surviving beneficiaries to pay a portion of the health care provided. Payment amounts vary depending on the number of covered dependents and the coverage selected. The employer contribution as a percentage of covered payroll deposited into the RMA for participants in the Member-Directed Plan for 2020 was 4.0 percent.

Employer contribution rates are actuarially determined and are expressed as a percentage of covered payroll. The City's contractually required contribution was \$0 for 2020.

Plan Description – Ohio Police & Fire Pension Fund (OP&F)

Plan Description – The City contributes to the Ohio Police and Fire Pension Fund (OP&F) sponsored healthcare program, a cost-sharing, multiple-employer defined post-employment health care plan administered by a third-party provider. This program is not guaranteed and is subject to change at any time upon action of the Board of Trustees. On January 1, 2019, OP&F implemented a new model for health care. Under this new model, OP&F provides eligible retirees with a fixed stipend earmarked to pay for health care and Medicare Part B reimbursements.

A retiree is eligible for the OP&F health care stipend unless they have access to any other group coverage including employer and retirement coverage. The eligibility of spouses and dependent children could increase the stipend amount. If the spouse or dependents have access to any other group coverage including employer or retirement coverage, they are not eligible for stipend support from OP&F. Even if an OP&F member or their dependents are not eligible for a stipend, they can use the services of the third-party administrator to select and enroll in a plan. The stipend provided by OP&F meets the definition of an Other Post Employment Benefit (OPEB) as described in Governmental Accounting Standards Board (GASB) Statement No. 75.

The Ohio Revised Code allows, but does not mandate, OP&F to provide OPEB benefits. Authority for the OP&F Board of Trustees to provide health care coverage to eligible participants and to establish and amend benefits is codified in Chapter 742 of the Ohio Revised Code.

OP&F issues a publicly available financial report that includes financial information and required supplementary information for the plan. The report may be obtained by visiting the OP&F website at www.op-f.org or by writing to the Ohio Police and Fire Pension Fund, 140 East Town Street, Columbus, Ohio 43215-5164.

Funding Policy – The Ohio Revised Code provides for contribution requirements of the participating employers and of plan members to the OP&F defined benefit pension plan. Participating employers are required to contribute to the pension plan at rates expressed as percentages of the payroll of active pension plan members, currently 19.5 percent and 24 percent of covered payroll for police and fire employer units, respectively. The Ohio Revised Code states that the employer contribution may not exceed 19.5 percent of covered payroll for police employer units and 24 percent of covered payroll for fire employer units. Active members do not make contributions to the OPEB Plan.

NOTE 9 - DEFINED BENEFIT OPEB PLANS (Continued)

OP&F maintains funds for health care in two separate accounts. There is one account for health care benefits and one account for Medicare Part B reimbursements. A separate health care trust accrual account is maintained for health care benefits under IRS Code Section 115 trust. An Internal Revenue Code 401(h) account is maintained for Medicare Part B reimbursements.

The Board of Trustees is authorized to allocate a portion of the total employer contributions made into the pension plan to the Section 115 trust and the Section 401(h) account as the employer contribution for retiree health care benefits. For 2020, the portion of employer contributions allocated to health care was 0.5 percent of covered payroll. The amount of employer contributions allocated to the health care plan each year is subject to the Trustees' primary responsibility to ensure that pension benefits are adequately funded and is limited by the provisions of Sections 115 and 401(h).

The OP&F Board of Trustees is also authorized to establish requirements for contributions to the health care plan by retirees and their eligible dependents or their surviving beneficiaries. Payment amounts vary depending on the number of covered dependents and the coverage selected.

The City's contractually required contribution to OP&F was \$31,785 for 2020. Of this amount, \$2,497 is reported as an intergovernmental payable.

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

The net OPEB liability and total OPEB liability for OPERS were determined by an actuarial valuation as of December 31, 2018, rolled forward to the measurement date of December 31, 2019, by incorporating the expected value of health care cost accruals, the actual health care payment, and interest accruals during the year. OP&F's total OPEB liability was measured as of December 31, 2019, and was determined by rolling forward the total OPEB liability as of January 1, 2019, to December 31, 2019. The City's proportion of the net OPEB liability was based on the City's share of contributions to the retirement plan relative to the contributions of all participating entities. Following is information related to the proportionate share and OPEB expense:

	OPERS	OP&F	Total
Proportionate Share of the Net OPEB Liability	\$4,757,749	\$2,336,616	\$7,094,365
Proportion of the Net OPEB Liability-2020	0.034445%	0.2365539%

Actuarial Assumptions - OPERS

Actuarial valuations of an ongoing plan involve estimates of the values of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and cost trends. Actuarially determined amounts are subject to continual review or modification as actual results are compared with past expectations and new estimates are made about the future.

Projections of benefits for financial reporting purposes are based on the substantive plan and include the types of coverage provided at the time of each valuation and the historical pattern of sharing of costs between OPERS and plan members. The total OPEB liability was determined by an actuarial valuation as of December 31, 2018, rolled forward to the measurement date of December 31, 2019. The actuarial valuation used the following actuarial assumptions applied to all prior periods included in the measurement in accordance with the requirements of GASB 74:

Wage Inflation	3.25 percent
Projected Salary Increases, including inflation	3.25 to 10.75 percent including wage inflation
Single Discount Rate:	
Current measurement date	3.16 percent
Prior Measurement date	3.96 percent
Investment Rate of Return:	
Current measurement date	6.00 percent
Prior Measurement date	6.00 percent
Municipal Bond Rate:	
Current measurement date	2.75 percent
Prior Measurement date	3.71 percent
Health Care Cost Trend Rate:	
Current measurement date	10.5 percent initial, 3.5 percent ultimate in 2030
Prior Measurement date	10.0 percent, initial 3.25 percent, ultimate in 2029
Actuarial Cost Method	Individual Entry Age Normal

Pre-retirement mortality rates are based on the RP-2014 Employees mortality table for males and females, adjusted for mortality improvement back to the observation period base year of 2006. The base year for males and females was then established to be 2015 and 2010, respectively. Post-retirement mortality rates are based on the RP-2014 Healthy Annuitant mortality table for males and females, adjusted for mortality improvement back to the observation period base year of 2006. The base year for males and females was then established to be 2015 and 2010, respectively. Post-retirement mortality rates for disabled retirees are based on the RP-2014 Disabled mortality table for males and females, adjusted for mortality improvement back to the observation period base year of 2006. The base year for males and females was then established to be 2015 and 2010, respectively. Mortality rates for a particular calendar year are determined by applying the MP-2015 mortality improvement scale to all of the above described tables.

The most recent experience study was completed for the five year period ended December 31, 2015.

NOTE 9 - DEFINED BENEFIT OPEB PLANS (Continued)

The long-term expected rate of return on health care investment assets was determined using a building-block method in which best-estimate ranges of expected future real rates of return are developed for each major asset class. These ranges are combined to produce the long-term expected real rate of return by weighting the expected future real rates of return by the target asset allocation percentage, adjusted for inflation.

During 2019, OPERS managed investments in three investment portfolios: the Defined Benefit portfolio, the Health Care portfolio and the Defined Contribution portfolio. The Health Care portfolio includes the assets for health care expenses for the Traditional Pension Plan, Combined Plan and Member-Directed Plan eligible members. Within the Health Care portfolio, contributions into the plans are assumed to be received continuously throughout the year based on the actual payroll payable at the time contributions are made, and health care-related payments are assumed to occur mid-year. Accordingly, the money-weighted rate of return is considered to be the same for all plans within the portfolio. The annual money-weighted rate of return expressing investment performance, net of investment expenses and adjusted for the changing amounts actually invested, for the Health Care portfolio was 19.7 percent for 2019.

The allocation of investment assets with the Health Care portfolio is approved by the Board of Trustees as outlined in the annual investment plan. Assets are managed on a total return basis with a long-term objective of continuing to offer a sustainable health care program for current and future retirees. OPERS' primary goal is to achieve and maintain a fully funded status for the benefits provided through the defined pension plans. Health care is a discretionary benefit. The table below displays the Board-approved asset allocation policy for 2019 and the long-term expected real rates of return:

Asset Class	Target Allocation	Weighted Average Long-Term Expected Real Rate of Return (Arithmetic)
Fixed Income	36.00 %	1.53 %
Domestic Equities	21.00	5.75
Real Estate Investment Trust	6.00	5.69
International Equities	23.00	7.66
Other investments	14.00	4.90
Total	100.00 %	4.55 %

Discount Rate A single discount rate of 3.16 percent was used to measure the OPEB liability on the measurement date of December 31, 2019. A single discount rate of 3.96 percent was used to measure the OPEB liability on the measurement date of December 31, 2018. Projected benefit payments are required to be discounted to their actuarial present value using a single discount rate that reflects (1) a long-term expected rate of return on OPEB plan investments (to the extent that the health care fiduciary net position is projected to be sufficient to pay benefits), and (2) tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating as of the measurement date (to the extent that the contributions for use with the long-term expected rate are not met). This single discount rate was based on an expected rate of return on the health care investment portfolio of 6.00 percent and a municipal bond rate of 2.75 percent.

CITY OF REYNOLDSBURG, OHIO
**Notes to the Basic Financial Statements
For the Year Ended December 31, 2020**
NOTE 9 - DEFINED BENEFIT OPEB PLANS (Continued)

The projection of cash flows used to determine this single discount rate assumed that employer contributions will be made at rates equal to the actuarially determined contribution rate. Based on these assumptions, the health care fiduciary net position and future contributions were sufficient to finance health care costs through 2034. As a result, the long-term expected rate of return on health care investments was applied to projected costs through the year 2034, and the municipal bond rate was applied to all health care costs after that date.

Sensitivity of the City's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate The following table presents the City's proportionate share of the net OPEB liability calculated using the single discount rate of 3.16 percent, as well as what the City's proportionate share of the net OPEB liability would be if it were calculated using a discount rate that is one-percentage-point lower (2.16 percent) or one-percentage-point higher (4.16 percent) than the current rate:

	1% Decrease (2.16%)	Current Discount Rate (3.16%)	1% Increase (4.16%)
City's proportionate share of the net OPEB liability	\$6,226,278	\$4,757,749	\$3,581,936

Sensitivity of the City's Proportionate Share of the Net OPEB Liability to Changes in the Health Care Cost Trend Rate Changes in the health care cost trend rate may also have a significant impact on the net OPEB liability. The following table presents the net OPEB liability calculated using the assumed trend rates, and the expected net OPEB liability if it were calculated using a health care cost trend rate that is 1.0 percent lower or 1.0 percent higher than the current rate.

Retiree health care valuations use a health care cost-trend assumption that changes over several years built into the assumption. The near-term rates reflect increases in the current cost of health care; the trend starting in 2020 is 10.50 percent. If this trend continues for future years, the projection indicates that years from now virtually all expenditures will be for health care. A more reasonable alternative is that in the not-too-distant future, the health plan cost trend will decrease to a level at, or near, wage inflation. On this basis, the actuaries project premium rate increases will continue to exceed wage inflation for approximately the next decade, but by less each year, until leveling off at an ultimate rate, assumed to be 3.50 percent in the most recent valuation.

	1% Decrease	Current Health Care Cost Trend Rate Assumption	1% Increase
City's proportionate share of the net OPEB liability	\$4,617,352	\$4,757,749	\$4,896,357

Changes between Measurement Date and Reporting Date

On January 15, 2020, the Board approved several changes to the health care plan offered to Medicare and pre-Medicare retirees in efforts to decrease costs and increase the solvency of the health care plan. These changes are effective January 1, 2022, and include changes to base allowances and eligibility for Medicare retirees, as well as replacing OPERS-sponsored medical plans for pre-Medicare retirees with monthly allowances, similar to the program for Medicare retirees. These changes are not reflected in the current year financial statements but are expected to decrease the associated OPEB liability.

Actuarial Assumptions – OP&F

OP&F's total OPEB liability as of December 31, 2019, is based on the results of an actuarial valuation date of January 1, 2019, and rolled-forward using generally accepted actuarial procedures. The total OPEB liability is determined by OP&F's actuaries in accordance with GASB Statement No. 74, as part of their annual valuation. Actuarial valuations of an ongoing plan involve estimates of reported amounts and assumptions about probability of occurrence of events far into the future. Examples include assumptions about future employment mortality, salary increases, disabilities, retirements and employment terminations. Actuarially determined amounts are subject to continual review and potential modifications, as actual results are compared with past expectations and new estimates are made about the future.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employers and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing benefit costs between the employers and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations.

Actuarial calculations reflect a long-term perspective. For a newly hired employee, actuarial calculations will take into account the employee's entire career with the employer and also take into consideration the benefits, if any, paid to the employee after termination of employment until the death of the employee and any applicable contingent annuitant. In many cases, actuarial calculations reflect several decades of service with the employer and the payment of benefits after termination.

Key methods and assumptions used in the latest actuarial valuation, reflecting experience study results, are presented below.

Valuation Date	January 1, 2019, with actuarial liabilities rolled forward to December 31, 2019	January 1, 2018, with actuarial liabilities rolled forward to December 31, 2018
Actuarial Cost Method	Entry Age Normal	Entry Age Normal

The most recent experience study was completed for the five year period ended December 31, 2016. The prior experience study was completed December 31, 2011.

The long-term expected rate of return on OPEB plan investments was determined using a building-block approach and assumes a time horizon, as defined in the Statement of Investment Policy. A forecasted rate of inflation serves as the baseline for the return expected. Various real return premiums over the baseline inflation rate have been established for each asset class. The long-term expected nominal rate of return has been determined by calculating a weighted averaged of the expected real return premiums for each asset class, adding the projected inflation rate and adding the expected return from rebalancing uncorrelated asset classes. Best estimates of the long-term expected geometric real rates of return for each major asset class included in OP&F's target asset allocation as of December 31, 2019, are summarized below:

OP&F's Board of Trustees has incorporated the risk parity concept into OP&F's asset liability valuation with the goal of reducing equity risk exposure, which reduces overall Total Portfolio risk without sacrificing return, and creating a more risk-balanced portfolio based on their relationship between asset classes and economic environments. From the notional portfolio perspective above, the Total Portfolio may be levered up to 1.2 times due to the application of leverage in certain fixed income asset classes.

Discount Rate For 2019, the total OPEB liability was calculated using the discount rate of 3.56 percent. For 2018, the total OPEB liability was calculated using the discount rate of 4.66 percent. The projection of cash flows used to determine the discount rate assumed the contribution from employers and from members would be computed based on contribution requirements as stipulated by State statute. Projected inflows from investment earnings were calculated using the longer-term assumed investment rate of return of 8 percent. Based on those assumptions, OP&F's fiduciary net position was projected to not be able to make all future benefit payments of current plan members. Therefore, a municipal bond rate of 2.75 percent at December 31, 2019 and 4.13 percent at December 31, 2018, was blended with the long-term rate of 8 percent, which resulted in a blended discount rate of 3.56 percent for 2019 and 4.66 percent for 2018. The municipal bond rate was determined using the Bond Buyers General Obligation 20-year Municipal Bond Index Rate. The OPEB plan's fiduciary net position was projected to be available to make all projected OPEB payments until 2034. The long-term expected rate of return on health care investments was applied to projected costs through 2034, and the municipal bond rate was applied to all health care costs after that date.

Sensitivity of the City's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate The net OPEB liability is sensitive to changes in the discount rate, and to illustrate the potential impact the following table presents the net OPEB liability calculated using the discount rate of 3.56 percent, as well as what the net OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (2.56 percent), or one percentage point higher (4.56 percent) than the current rate.

	1% Decrease (2.56%)	Current Discount Rate (3.56%)	1% Increase (4.56%)
City's proportionate share of the net OPEB liability	\$2,897,253	\$2,336,616	\$1,870,765

Sensitivity of the City's Proportionate Share of the Net OPEB Liability to Changes in the Health Care Cost Trend Rate The total OPEB liability is based on a medical benefit that is a flat dollar amount; therefore, it is unaffected by a health care cost trend rate. An increase or decrease in the trend rate would have no effect on the total OPEB liability.

NOTE 13 - CONTINGENCIES

The City may be party to legal proceedings for damages or injunctive relief. The City's legal counsel estimated that the potential uninsured claims against the City resulting from the proceedings would not materially affect the financial statements of the City.

NOTE 14 – JOINTLY GOVERNED ORGANIZATIONS

The City is a participant in the Mid-Ohio Regional Planning Commission (MORPC), a jointly governed organization. MORPC is composed of 74 representatives appointed by member governments who make up the Commission, the policy-making body of MORPC, and the oversight board. MORPC is a voluntary association of local governments in central and south central Ohio and a regional planning agency whose membership includes over 60 political subdivisions in and around Franklin, Ross, Fayette, Delaware, Knox, Marion, Morrow, Union, Pickaway, Madison, Licking, Hocking, Logan, Perry, and Fairfield counties, Ohio. The purpose of the organization is to improve the quality of life for member communities by improving housing conditions, to promote and support livability/sustainability measures as a means of addressing regional growth challenges, and to administer and facilitate the availability of regional environmental infrastructure program funding to the full advantage of MORPC's members.

NOTE 15 – COVID-19

The City continues to navigate through the COVID-19 Pandemic. In 2020, the City did not see any significant negative impacts due to the pandemic and is continuing to monitor the situation. By taking advantage of all available resources, the City feels confident with conservative, well thought out financial management and decisions there will not be any material negative impact to our financial position.

During 2020, the City received Coronavirus Aid, Relief, and Economic Security (CARES) Act funding. Of the amounts received \$449,166 was sub-granted to other organizations. These amounts were reflected as general governmental expenditures in the Coronavirus Relief Special Revenue Fund on the accompanying financial statements.

- (1) Percentages determined by dividing each overlapping subdivisions' assessed valuation within the City by the subdivisions' total assessed valuation.

Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the City. This process recognizes that, when considering the City's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account.

It is understood and agreed that this letter and our negotiations are not an offer to purchase the Property and that neither party shall have any obligation or liability to the other, it being understood that only a subsequent Purchase and Sale Agreement executed by Seller and Buyer shall be legally binding.

Joe Begeny, Mayor of Reynoldsburg

APPROVED AS TO FORM:

Chris Shook, City Attorney

REAL ESTATE PURCHASE CONTRACT

THIS REAL ESTATE PURCHASE CONTRACT (the "Contract") is executed, delivered and made effective as of the Effective Date (as defined in Article 12(h)) by and between (i) **City of Reynoldsburg** ("Buyer") and (ii) **William C. Davis Trust, John C. Lucas, Trustee, ,** ("Seller"; Buyer and Seller sometimes referred to individually as a "Party" or collectively as the "Parties").

Preliminary Statements

- A. Seller is the owner of one parcel identified as Franklin County, Ohio Parcel Number 060-003828-00.00 and Licking County Parcel Number 013-030390-00.00, commonly known as 0 East Main Street, Reynoldsburg, Ohio (as shown on Exhibit A, attached hereto and incorporated herein) being an approximate 13.66 acre tract that contains no improvements (hereinafter "the Property").
- B. Seller desires to sell and convey the Property to Buyer upon the terms and conditions hereinafter set forth.
- C. The Parties desire to set forth in this Contract their respective rights, obligations and conditions with respect to the aforementioned transaction.

Statement of the Contract

In consideration of the foregoing Preliminary Statements, which are hereby incorporated herein, and of the mutual promises herein set forth, the Parties do hereby make this Contract on the following terms and conditions, intending to be bound hereby:

Article 1: Purchase Price.

The purchase price (the "Purchase Price") to be paid by Buyer to Seller for the Property shall be Nine Hundred and Seventy-Five Thousand Dollars (\$975,000.00). The Purchase Price shall be due and payable in immediately available funds at the Closing (as hereinafter defined), subject to adjustments for certain charges and credits as provided hereinafter.

Article 2: Closing; Possession; Condition of Property.

- A. **Closing.** Subject to the provisions of Article 5 and satisfaction and/or waiver of Buyer's Contingencies (as hereinafter defined), the transaction for the sale and purchase of the Property shall be closed as provided below by the delivery of the deed and other Closing instruments specified for the Property as provided in Article 7 and by the payment of the Purchase Price for the Property as provided in Article 1 on or before the thirtieth (30th) day after Buyer waives or satisfies the Buyer's Contingencies (the "Closing"). The specific date, time and location of Closing shall be mutually agreed upon Buyer and Seller, unless extended by mutual agreement of the Parties. Upon termination, all Seller's and Buyer's obligations hereunder shall terminate and neither Party shall have any further obligation or liability

hereunder to the other Party thereafter, except those obligations outlined in Article 3.

- B. Possession. Buyer shall be entitled to possession of the Property at the Closing.
- C. Condition. The Property and each building or other improvement thereon shall be sold in "as is" condition as of the Effective Date.

Article 3: Inspection of the Property.

Inspection of Property. As of the Effective Date, Buyer and its representatives, agents, and contractors shall have the right to enter upon and have reasonable access to the Property in order to conduct such examinations, inspections, studies and tests thereof as Buyer may deem necessary or desirable in Buyer's sole discretion including, without limitation, surveys, soil tests, environmental examinations, audits and tests, feasibility studies and appraisals; and after conducting the same, Buyer shall restore the Property to substantially the same condition as it was prior to Buyer's undertaking of tests and examinations described in this Article 3. Buyer agrees to indemnify and hold Seller harmless from any and all third-party liabilities, claims, causes of action, penalties, demands, and expenses of any kind or nature whatsoever arising from Buyer or Buyer's representatives actions while inspecting the Property. Buyer agrees to notify Seller prior to Buyer or Buyer's representatives entering the building on the Property.

Article 4: Delivery of Seller's Information.

Within five (5) business days after the Effective Date, Seller shall deliver to Buyer the following: copies of any title insurance policies; the surveys; soils analysis; environmental studies and audits, and related materials; copies of any and all documents received by Seller from governmental entities; and all other pertinent reports and information related to the Property which are in Seller's or Seller's agents possession or which can be reasonably obtained at no additional cost to Seller. Seller agrees, in good faith, to continue to share other relevant information on the Property throughout the term of this Contract which may be beneficial to the Buyer.

Article 5: Buyer's Contingencies.

- A. Buyer's Contingencies. Buyer's obligations under this Contract are specifically subject to the following conditions precedent and contingencies (individually, a "Buyer's Contingency" and collectively, "Buyer's Contingencies"), which may be satisfied or waived solely by Buyer, in its sole and absolute discretion, and at its expense within the time-period hereinafter specified for each enumerated category of Buyer's Contingencies:
 1. Survey and Title. Within the time period provided in Article 6 of this Contract, Buyer shall have approved the Title to the Property.
 2. General Due Diligence. Within forty five (45) days after the Effective Date, Buyer, in Buyer's sole discretion, shall have satisfied itself in all matters

pertaining to its due diligence on the Property, including, but not limited to the suitability of the soils within the Property for Buyer's intended use; the availability, size, quality and quantity of any utility service or connection; environmental matters (including but not limited to Phase I and Phase II Environmental Assessments); the zoning; any other survey, test, appraisal, examination or inspection described in or permitted by Article 3 of this Contract; review of all documents supplied pursuant to Article 4 of this Contract; the general feasibility, suitability and fitness of the Property; and any and all additional matters or investigations as Buyer deems necessary or appropriate.

3. Governmental Approval. Within thirty (30) days after the Effective Date, Buyer shall have obtained approval for this Contract and to purchase the Property from the Reynoldsburg City Council, the Mayor of Reynoldsburg, and any and all other related governmental entities as are deemed necessary by the Buyer.
- B. Effect of Failure to Satisfy Buyer's Contingencies. If any of Buyer's Contingencies are not satisfied or waived within the applicable time period specified for each in Article 5(a), then Buyer shall have the right, in Buyer's sole and absolute discretion, to terminate this Contract by giving to Seller written notice of such termination within the time period specified herein and the earnest money shall be returned to Buyer. If Buyer should fail to give to Seller such notice on or before the applicable expiration date of each respective Buyer's Contingency in Article 5(a), then Buyer shall be deemed to have satisfied or waived such Buyer's Contingency.

Article 6: Title and Survey.

- A. Issuance of the Title Commitment. Within seven (7) days following the Effective Date, Buyer, at Buyer's sole expense, shall order and obtain an owner's policy of title insurance with respect to the Property on the then current ALTA form authorized for use within the State of Ohio (the "Title Commitment"). The Title Commitment shall show fee simple title to the Property in Seller free and clear of all liens and encumbrances except: (i) the standard exceptions for an owner's policy, unless one or more of such exceptions are waived by the Title Company, (ii) real estate taxes and assessments affecting the Property, and (iii) easements, conditions, restrictions, covenants, reservations, encumbrances, liens and other matters of record or affecting the Property. The Title Commitment shall be issued in favor of Buyer as the proposed insured, in the aggregated dollar amount of the Purchase Price for the Property.
- B. Survey. Within twenty (20) days following Buyer's receipt of the Title Commitment, Buyer, at Buyer's expense, shall have the right to order and obtain a current ALTA Survey of the Property, in form and content acceptable to Buyer (the "Survey").
- C. Objections to Title & Survey. Buyer shall have thirty (30) days from the date that it receives the Title Commitment to review the Title Commitment and Survey. If the Title

Commitment or Survey shows any defect, covenant, agreement, encroachment, easement, encumbrance, lien, restriction, reservation, condition or other title matter or condition which unreasonably interferes with Buyer's proposed use of the Property, as Buyer may determine in its sole and absolute discretion, Buyer shall, within said period, give Seller written notice specifying the specific objection (the "Buyer's Objection").

1. In the event Buyer should timely notify Seller of any such Buyer's Objection, Seller shall have ten (10) business days following receipt of any such notice from Buyer to remedy said Buyer's Objection. The parties agree in good faith to attempt to resolve any and all of Buyer's Objections provided that such are reasonable. In the event Seller does not remedy or obtain title insurance against any such Buyer's Objection within ten (10) business days after the expiration of the aforementioned ten (10) business day period Buyer, at Buyer's option, shall have the right to waive such Buyer's Objection and proceed with the Closing, or (ii) terminate this Contract, whereupon all Seller's and Buyer's obligations hereunder shall terminate and neither Party shall have any further obligation or liability hereunder to the other Party thereafter. Provided, however, if the Buyer's Objection is one which can be removed by the payment of money, to secure the release of a lien or monetary encumbrance not in excess of the Purchase Price (such as a tax lien certificate of judgment or mortgage), Seller shall be required to and hereby agrees to satisfy any such encumbrance from the net proceeds due and payable to Seller at the Closing in order to remove the lien or encumbrance from title to the Property
 2. Permitted Exceptions. All of the matters set forth on the Survey and Title Commitment, if not constituting a Buyer's Objection, shall be a permitted exception to title to the Property (collectively, the "Permitted Exceptions"). "Permitted Exceptions" shall also include, at Seller's election, the Deed Restrictions (as hereinafter defined).
- D. Title Commitment, Title Policy and Survey Premium and Fees. Buyer shall pay all search, commitment or similar fees for the issuance of the Title Commitment and the premium attributable to the title insurance policy for the owner insuring an amount not in excess of the Purchase Price. Buyer shall be solely responsible for the premiums attributable to its lender's title insurance policy, if any, and any endorsements requested by Buyer and/or its lender.
- Article 7: Closing Costs and Prorations.
- A. Conveyance, Recording and Escrow Fees. Seller shall pay the real property conveyance fee applicable to the sale and conveyance of the Property and any recording fees associated with mortgage or similar lien releases attributable to the Property. Buyer shall pay all other recording fees.
 - B. Real Estate Taxes and Assessments. At Closing, Seller shall pay or credit against the Purchase Price all delinquent taxes, including penalty and interest, all assessments that are

a lien on the date of Closing prorated through the date of Closing. At Closing and based on the Purchase Price, Seller also shall pay or credit on the Purchase Price all other unpaid real estate taxes and assessments that are a lien for years prior to Closing and a portion of such taxes based on a 365-day year and, if undetermined, on most recent available tax rate and valuation, giving effect to applicable exemptions, recently voted millage, change in valuation, etc., whether or not certified. The tax proration determined at Closing shall be final and neither Party shall have the right to contest said amount unless predicated on fraud or intentional misrepresentation.

- C. Other Expenses. Each Party shall be responsible for all other fees, costs and expenses incurred by it in connection with this transaction, including any such expenses for services rendered by accountants, appraisers, architects, attorneys, contractors, engineers and other persons not otherwise expressly provided for herein.

Article 8: Closing Instruments.

- A. Instruments to be Delivered by Seller. At the Closing, Seller shall execute and deliver to Buyer and/or the Title Company the following instruments:
1. Deed. A recordable limited warranty deed (the "Deed") which conveys to Buyer good and marketable title in fee simple to the Property free and clear of all liens, conditions, restrictions, easements, reservations, encumbrances and rights of third parties except the Permitted Exceptions and the following matters which shall be excepted and/or reserved by Seller, as the case may be, in the Deed.
 2. Seller's Affidavit. A seller's affidavit given by Seller to Buyer and the Title Company with respect to the payment of bills for work performed or materials furnished to the Property within ninety (90) days prior to the Closing and with respect to any other off-record matter which is required for the issuance of the owner's policy of title insurance and specifically incorporating the Seller's Warranties contained in Article 10 herein.
 3. Authority. One or more certificates of Seller regarding the authority of the Person or Persons who sign this Contract and the other Closing instruments on behalf of Seller.
 4. Documents. Originals, as available, or copies of all contracts relating to the Property.
 5. Warranties. An assignment of all transferable warranties and guarantees then in effect, if any, with respect to the improvements located on the Property or any repairs or renovations to such improvements being conveyed hereunder in a form that shall be mutually agreed by Buyer and Seller.

6. Other Instruments. A Closing and disbursement statement, an IRS Form 1099-B report of proceeds from a real estate transaction [§6045(e), IRC], and a non-foreign person certificate [§1445, IRC, FIRPTA], if required.
- B. Instruments to be Delivered by Buyer. At the Closing, Buyer shall execute and deliver to Seller and/or the Title Company the following instruments:
1. Authority. One or more certificates of the Buyer regarding the authority of the Person or Persons who sign this Contract and the other Closing instruments on behalf of Buyer.
 2. Other Instruments. A Closing and disbursement statement and a real property conveyance fee statement.

Article 9: Risk of Loss or Damage; Appropriation.

- A. Risk of Loss or Damage. Notwithstanding Buyer's obligations, Seller shall bear the risk of loss or damage to the Property until the Closing and agrees to maintain adequate insurance on the Property with a reputable insurance carrier. If any event should occur prior to the Closing Date which causes a material loss or damage, then Seller shall promptly notify Buyer of such event and Buyer shall have the right, at its option: (i) to proceed with the transaction by giving to Seller written notice thereof in which case Buyer shall be entitled to any and all insurance proceeds, or to terminate this Contract by giving to Seller written notice of such termination. The election of Buyer shall be exercised by written notice given to Seller within twenty (20) days after receipt of notice of such event from Seller. The failure by Buyer to so notify Seller shall constitute an election to proceed with the transaction.
- B. Appropriation. If appropriation proceedings should be commenced against the Property or if any governmental authority should notify Seller of its intention to acquire the same pursuant to the power of eminent domain prior to the Closing, then Seller shall notify Buyer thereof. In such event, Buyer shall have the right, at its option: (i) to proceed with the transaction by giving to Seller written notice that all of Buyer's contingencies of the transaction to be released have been removed subject only to the contingencies which are typically required at Closing, in which event Buyer shall have the right to negotiate with and sell to such governmental authority or to contest such appropriation in litigation proceedings, and shall be entitled to all proceeds thereof, up to the amount of the Purchase Price with all excess being the property of the Seller and Seller shall convey the Property subject to such proceedings and shall receive the Purchase Price specified in this Contract at the Closing; or (ii) to terminate this Contract by giving to Seller written notice of such termination. The election of Buyer shall be exercised by written notice given to Seller within twenty (20) days after Seller has given to Buyer written notice of such governmental action. The failure by Buyer to so notify Seller shall constitute an election to proceed with the transaction.

Article 10: Representations and Indemnification.

A. Seller's Representations. Seller represents and warrants the following as of the Effective Date which said representations and warranties shall survive the Closing:

1. There is no action proceeding, threatened or investigation pending or threatened against Seller relating to the Property or against the Property, or any part thereof before any court or governmental department, commission, ward, agency or instrumentality and Seller does not know of any basis for any such action, proceeding or investigation;
2. There are no adverse or other parties in possession of the Property and no other party has been granted any license, lease or other right relating to the use or possession of the Property, or any part thereof;
3. Seller has not received notice, written or otherwise, from any governmental or quasi- governmental agency requiring correction of any condition with respect to the Property or any part thereof;
4. Seller has not received any notice, written or otherwise, of any pending or contemplated condemnation with respect to the Property, or any part thereof;
5. Seller has not received notice of, or has no other knowledge or information of, any pending or contemplated change in any governmental regulation or private restriction applicable to the Premises, any pending or threatened judicial action or pending or threatened action by adjoining landowners or other persons, parties or entities;
6. On the day of Closing, the Property will be free and clear of liens, encumbrances and encroachments, other than the Permitted Exceptions;
7. There will be no unpaid improvements related to the Property within ninety (90) days immediately preceding the Closing which might constitute the basis of a mechanics' lien;
8. Within twenty (20) days of the Effective Date, Seller shall confirm to Buyer that it has full power and authority to enter into and fully perform and comply with the terms of this Contract. Should Seller fail to secure authority from its Members, this Real Estate Purchase Contract shall be null and void and the Earnest Money shall be returned to Buyer.
9. Neither the execution and delivery of this Contract nor its performance by Seller will conflict with or result in the breach of any mortgage, note, indenture, contract, agreement, law, rule or regulation to which Seller is a party or by which Seller is bound;

10. To the best of Seller's knowledge, the Property is free from any toxic or hazardous material or substance or other pollutant of nature as defined or regulated by applicable federal, state, or local laws and is free from any environmental condition that could give rise to a governmental clean-up. Seller has not received notification, written or otherwise, from any governmental or quasi-governmental entity pertaining to toxic or hazardous material or substance or other pollutant of nature related to the Property;
 11. Seller will not take or omit to take any action that would have the effect of violating any of the representations, warranties or agreements of Seller contained herein nor will Seller enter into any leases which will affect the Property;
 12. Neither the execution and delivery of this Contract nor its performance by Seller will conflict with or result in the breach of any mortgage, note, indenture, contract, agreement, law, rule or regulation to which Seller is a party or by which Seller is bound;
 13. To Seller's knowledge, Seller is not under any legal disability which would impede or void any of Seller's contractual obligations nor is Seller a debtor in any proceeding under the bankruptcy laws of the United States;
 14. Seller has and will convey to Buyer good, marketable and indefeasible fee simple title, free and clear of all conditions, restrictions, exception and reservations, except as specifically permitted herein;
 15. Seller has not entered into any lease, verbal or written agreements, contracts or letters of intent with any third-party pertaining to the Property which have not been disclosed in writing to Buyer in this Contract; and
 16. Seller shall not enter into any verbal or written agreements, contracts or letters of intent with any third-party pertaining to the Property prior to the Closing without Buyer's permission.
 17. At Closing, Seller shall give a certificate to Buyer stating that these representations and warranties are true and accurate as of Closing.
- B. Seller's Indemnification. Seller agrees to indemnify and hold Buyer and its respective nominees, successors, assigns, officers, directors, partners, agents, employees and beneficiaries harmless from any and all third-party liabilities, claims, causes of action, penalties, demands, and expenses of any kind or nature whatsoever related to a breach of the Seller Representations contained in Article 10(A)(1-17), including all expenses related thereto, including without limitation, court costs and attorneys' fees, which said indemnification survive the Closing for a period of one (1) year without the exception of fraud or intentional misrepresentation.

Article 11: General and Miscellaneous Provisions.

- A. Notice. Any notice or other communication required or permitted to be given to a Party under this Contract shall be in writing, unless otherwise specified in this Contract, and shall be given by registered or certified United States mail, return receipt requested and postage prepaid. Notice shall be effective upon receipt of the receiving Party or if the receiving Party refuses service, the date placed in the United States mail system. Either Party may change its address for notice by giving written notice thereof to the other Party. The address of each Party for notice initially is as follows:

Buyer:
City of Reynoldsburg
7232 E. Main Street
Reynoldsburg, Ohio 43068
ATTN: Joe Begeny, Mayor

Seller:
William C. Davis Trust
John C. Lucas, Trustee

ATTN:

With a copy to:
Chris Shook
7232 E. Main Street
Reynoldsburg, Ohio 43068

- B. Complete Agreement, Amendment, Waiver; Counterparts. This Contract, including all exhibits, constitutes the complete agreement between the parties with respect to the subject matter hereof, all previous understandings, if any, between the parties; no oral or implied understandings, representations or warranties shall vary the terms of this Contract; and neither this Contract nor any of its provisions may be amended or waived other than by a written instrument executed by Seller and Buyer. This Contract or any such amendment or waiver may be executed in several counterparts, each of which shall be considered a duplicate original and the same instrument. The Letter of Intent is hereby null and void and is of no force and effect.
- C. Governing Law; Severability. This Contract shall be governed by and construed in accordance with the laws of the State of Ohio. The invalidity or unenforceability of any provision of this Contract in any particular respect shall not affect the validity and enforceability of any other provision of this Contract or of the same provision in any other respect.
- D. Successor and Assigns; Assignment. This Contract shall inure to the benefit of and be binding upon the Parties hereto and their respective heirs, personal representatives, successors and permitted assigns. Notwithstanding the foregoing, Buyer may assign this Contract to any third-party individual or entity, with Seller's prior written consent (and upon written notice to Seller and Title Company), at which time Buyer's assignee will be substituted for Buyer and Buyer shall be relieved of all obligations under this Contract. Seller hereby further agrees to accept all required performance under this Contract from

Buyer's nominee and to render Seller's performance of all of Seller's obligations under this Contract to Buyer's nominee, if requested, in accordance with this paragraph. Seller may assign its rights in this Contract with the prior approval of Buyer.

- E. Survival of the Contract; Survival of Certain Terms. The promises, terms, conditions, representations, warranties and provisions of this Contract shall survive the Closing of the transactions and the delivery and recording of the deed and any other instrument for the conveyance of the Property; and if the deed or any other recorded instrument is or may be construed to be inconsistent with any provision of this Contract, then the applicable provisions of this Contract shall control and shall not be deemed to have been merged into such deed or other recorded instrument, unless otherwise expressly provided in any such instrument.
- F. Real Estate Brokerage Commission. The Seller represents that no real estate broker or other Person has been employed for compensation to represent it in this transaction. The Buyer represents that no real estate broker or other Person has been employed for compensation to represent the Buyer in this transaction. Each Party hereby represents and warrants to the other Party that, except as provided above, it has no knowledge of any agreement, understanding or fact which would entitle any real estate broker, finder or other Person, to any commission, fee or other compensation as a result of the transaction which is the subject of this Contract. Each Party hereby agrees to indemnify, defend and hold harmless the other Party from and against any liability, cost or expense, including attorneys' fees, as a result of any claim for a commission, fee or other compensation made by any real estate broker, finder or other Person and asserted against the other Party by reason of an arrangement made or alleged to have been made by the indemnifying Party.
- G. Certain Defined Terms. For purposes of this Contract, the term: (i) "Person" means a corporation, association, partnership (general or limited), limited liability company, trust, estate, government, governmental agency or other entity as well as an individual or natural person, unless the context otherwise requires, (ii) "Day" or "day" shall mean a calendar day and "Effective Date" means the date that the last Party to execute this Contract delivers this executed Contract to the other Party.
- H. Time. Time is of the essence with respect to the performance of each provision of this Contract. Ownership of Plans. In the event this transaction does not close, all plans, surveys, reports, studies, tests, audits, investigations, designs, drawings and related information and materials (collectively, the "Plans") prepared for or at the request of Buyer and relating to the Property shall, upon the reasonable request of Seller, be promptly delivered to Seller.
- I. Like-Kind Exchange. The Parties acknowledge that either may elect to purchase or sell the Property as part of a tax-free exchange under Section 1031 of the Internal Revenue Code of 1986, as amended ("Code"). As such, the Parties agree to reasonably cooperate in connection therewith. If requested by Buyer or Seller, each will participate in the exchange contemplated by this Article as an accommodation to the other with the express understanding and agreement that:
 1. Seller or Buyer shall not be required to take title to any property in order to

effectuate such exchange;

2. Under no circumstance shall Seller be required to postpone or refrain from receiving any of the Purchase Proceeds due Seller hereunder;
3. Neither Party is making any representation or warranty regarding such exchange or whether such exchange qualifies as such under the Code,
4. Each Party shall indemnify and hold the other harmless from and against any cost, expense or liability, including attorneys' fees, incurred by Buyer and/or Seller as the case may be, in connection with the provisions of this §12(j) or any such exchange; and
5. Buyer and/or Seller as the case may be, shall not be required to incur any additional costs, fees or expenses (including, without limitation, attorney fees) to accommodate any proposed like-kind exchange.

J. Defaults and Remedies.

1. Default by Seller. If this transaction is not closed because of Seller's failure to perform hereunder (through no fault of Buyer), or Seller fails to comply with any of its obligations, covenants, warranties or agreements, Buyer may bring any action against Seller for legal or equitable relief.
2. Default by Buyer. If this transaction is not closed because of Buyer's failure to perform hereunder (through no fault of Seller), or Buyer fails to comply with any of its obligations, covenants, warranties or agreements, Seller may bring any action against Buyer for legal or equitable relief.

K. Recording. Neither Party may record this Contract, however, either Party may record a customary Memorandum of Contract, at the recording Parties' expense.

L. Offer & Acceptance. This Contract shall be open for Seller's acceptance until 5:00 p.m. on the third (3rd) business day after Buyer has delivered this Contract to Seller.

REAL ESTATE PURCHASE CONTRACT

THIS REAL ESTATE PURCHASE CONTRACT (the "Contract") is executed, delivered and made effective as of the Effective Date (as defined in Article 12(h)) by and between (i) **City of Reynoldsburg** ("Buyer") and (ii) **William C. Davis Trust, John C. Lucas, Trustee** ("Seller"; Buyer and Seller sometimes referred to individually as a "Party" or collectively as the "Parties").

Preliminary Statements

- A. Seller is the owner of one parcel identified as Franklin County, Ohio Parcel Number 060-003828-00.00 and Licking County Parcel Number 013-030390-00.00, commonly known as 0 East Main Street, Reynoldsburg, Ohio (as shown on Exhibit A, attached hereto and incorporated herein) being an approximate 13.66 acre tract that contains no improvements (hereinafter "the Property").
- B. Seller desires to sell and convey the Property to Buyer upon the terms and conditions hereinafter set forth.
- C. The Parties desire to set forth in this Contract their respective rights, obligations and conditions with respect to the aforementioned transaction.

Statement of the Contract

In consideration of the foregoing Preliminary Statements, which are hereby incorporated herein, and of the mutual promises herein set forth, the Parties do hereby make this Contract on the following terms and conditions, intending to be bound hereby:

Article 1: Purchase Price and Earnest Money Deposit.

- A. **Purchase Price.** The purchase price (the "Purchase Price") to be paid by Buyer to Seller for the Property shall be One Million, One Hundred and Fifty Thousand Dollars (\$1,150,000.00). The Purchase Price shall be due and payable in immediately available funds at the Closing (as hereinafter defined), subject to adjustments for certain charges and credits as provided hereinafter.
- B. **Earnest Money Deposit.** Buyer shall deposit Ten Thousand and 00/100 Dollars (\$10,000.00) cash as Earnest Money with Esquire Title Services, Inc., C/O Karen Lash, 614-783-4540, within five (5) business days of the Effective Date. If the Earnest Money is not deposited by the Effective Date, the Contract shall be null and void.

If Buyer timely terminates the Contract in accordance with Article 5.B., the Earnest Money shall be promptly returned to Buyer.

If the Seller defaults per Article 11.K.1., the Earnest Money shall be delivered to Buyer.

If the Buyer defaults per Article 11.K.2., the Earnest Money shall be delivered to Seller.

At closing, the Earnest Money shall be applied to the Purchase Price.

Article 2: Closing; Possession; Condition of Property.

- A. Closing. Subject to the provisions of Article 5 and satisfaction and/or waiver of Buyer's Contingencies (as hereinafter defined), the transaction for the sale and purchase of the Property shall be closed as provided below by the delivery of the deed and other Closing instruments specified for the Property as provided in Article 7 and by the payment of the Purchase Price for the Property as provided in Article 1 on or before the thirtieth (30th) day after Buyer waives or satisfies the Buyer's Contingencies (the "Closing"). The specific date, time and location of Closing shall be mutually agreed upon Buyer and Seller, unless extended by mutual agreement of the Parties. Upon termination, all Seller's and Buyer's obligations hereunder shall terminate and neither Party shall have any further obligation or liability hereunder to the other Party thereafter, except those obligations outlined in Article 3.
- B. Possession. Buyer shall be entitled to possession of the Property at the Closing.
- C. Condition. The Property and each building or other improvement thereon shall be sold on an "AS-IS, WHERE IS" condition as of the Effective Date with all faults and without any representations or warranties whatsoever, express or implied, as of the closing except as expressly set for the herein.

Article 3: Inspection of the Property.

Inspection of Property. Within forty-five (45) days after the Effective Date ("Inspection Period"), Buyer and its representatives, agents, and contractors shall have the right to enter upon and have reasonable access to the Property in order to conduct such examinations, inspections, studies and tests thereof as Buyer may deem necessary or desirable in Buyer's sole discretion including, without limitation, surveys, soil tests, environmental examinations, audits and tests, feasibility studies and appraisals; and after conducting the same, Buyer shall restore the Property to substantially the same condition as it was prior to Buyer's undertaking of tests and examinations described in this Article 3. Buyer agrees to indemnify and hold Seller harmless from any and all third-party liabilities, claims, causes of action, penalties, demands, and expenses of any kind or nature whatsoever arising from Buyer or Buyer's representatives actions while inspecting the Property. Buyer agrees to notify Seller prior to Buyer or Buyer's representatives entering the building on the Property.

Article 4: Delivery of Seller's Information.

Within five (5) business days after the Effective Date, Seller shall deliver to Buyer the following: copies of any title insurance policies; the surveys; soils analysis; environmental studies and audits, and related materials; copies of any and all documents received by Seller from governmental

entities; and all other pertinent reports and information related to the Property which are in Seller's or Seller's agents possession or which can be reasonably obtained at no additional cost to Seller. Seller agrees, in good faith, to continue to share other relevant information on the Property throughout the term of this Contract which may be beneficial to the Buyer.

Article 5: Buyer's Contingencies.

- A. Buyer's Contingencies. Buyer's obligations under this Contract are specifically subject to the following conditions precedent and contingencies (individually, a "Buyer's Contingency" and collectively, "Buyer's Contingencies"), which may be satisfied or waived solely by Buyer, in its sole and absolute discretion, and at its expense within the time-period hereinafter specified for each enumerated category of Buyer's Contingencies:
1. Survey and Title. Within the time period provided in Article 6 of this Contract, Buyer shall have approved the Title to and survey, if any, of the Property.
 2. General Due Diligence. Within forty five (45) days after the Effective Date, Buyer, in Buyer's sole discretion, shall have satisfied itself in all matters pertaining to its due diligence on the Property, including, but not limited to the suitability of the soils within the Property for Buyer's intended use; the availability, size, quality and quantity of any utility service or connection; environmental matters (including but not limited to Phase I and Phase II Environmental Assessments); the zoning; any other survey, test, appraisal, examination or inspection described in or permitted by Article 3 of this Contract; review of all documents supplied pursuant to Article 4 of this Contract; the general feasibility, suitability and fitness of the Property; and any and all additional matters or investigations as Buyer deems necessary or appropriate.
 3. Governmental Approval. Within thirty (30) days after the Effective Date, Buyer shall have obtained approval for this Contract and to purchase the Property from the Reynoldsburg City Council, the Mayor of Reynoldsburg, and any and all other related governmental entities as are deemed necessary by the Buyer.
- B. Effect of Failure to Satisfy Buyer's Contingencies. If any of Buyer's Contingencies are not satisfied or waived within the applicable time period specified for each in Article 5(A), then Buyer shall have the right, in Buyer's sole and absolute discretion, to terminate this Contract by giving to Seller written notice of such termination within the time period specified herein and the Earnest Money shall be returned to Buyer. If Buyer should fail to give to Seller such notice on or before the applicable expiration date of each respective Buyer's Contingency in Article 5(A), then Buyer shall be deemed to have satisfied or waived such Buyer's Contingency.

Article 6: Title and Survey.

- A. Issuance of the Title Commitment. Within seven (7) days following the Effective Date, Seller, at Seller's sole expense, shall order and obtain an owner's policy of title insurance with respect to the Property on the then current ALTA form authorized for use within the State of Ohio (the "Title Commitment"). The Title Commitment shall show fee simple title to the Property in Seller free and clear of all liens and encumbrances except: (i) the standard exceptions for an owner's policy, unless one or more of such exceptions are waived by the Title Company, (ii) real estate taxes and assessments affecting the Property, and (iii) easements, conditions, restrictions, covenants, reservations, encumbrances, liens and other matters of record or affecting the Property. The Title Commitment shall be issued in favor of Buyer as the proposed insured, in the aggregate dollar amount of the Purchase Price for the Property.
- B. Survey. Within twenty (20) days following Buyer's receipt of the Title Commitment, Buyer, at Buyer's expense, shall have the right to order and obtain a current ALTA Survey of the Property, in form and content acceptable to Buyer (the "Survey").
- C. Objections to Title & Survey. Buyer shall have thirty (30) days from the date that it receives the Title Commitment, but no longer than forty-five (45) days after the Effective Date, to review the Title Commitment and Survey. If the Title Commitment or Survey shows any defect, covenant, agreement, encroachment, easement, encumbrance, lien, restriction, reservation, condition or other title matter or condition which unreasonably interferes with Buyer's proposed use of the Property, as Buyer may determine in its sole and absolute discretion, Buyer shall, within said period, give Seller written notice specifying the specific objection (the "Buyer's Objection").
 - 1. In the event Buyer should timely notify Seller of any such Buyer's Objection, Seller shall have ten (10) business days following receipt of any such notice from Buyer to remedy said Buyer's Objection. The parties agree in good faith to attempt to resolve any and all of Buyer's Objections provided that such are reasonable. In the event Seller does not remedy or obtain title insurance against any such Buyer's Objection within ten (10) business days after the expiration of the aforementioned ten (10) business day period; Buyer, at Buyer's option, shall have the right to waive such Buyer's Objection and proceed with the Closing, or (ii) terminate this Contract, whereupon all Seller's and Buyer's obligations hereunder shall terminate and neither Party shall have any further obligation or liability hereunder to the other Party thereafter.
 - 2. Permitted Exceptions. All of the matters set forth on the Survey and Title Commitment, if not constituting a Buyer's Objection, shall be a permitted exception to title to the Property (collectively, the "Permitted Exceptions"). "Permitted Exceptions" shall also include, at Seller's election, the Deed Restrictions (as hereinafter defined).
- D. Title Commitment, Title Policy and Survey Premium and Fees. Seller shall pay all search, commitment or similar fees for the issuance of the Title Commitment and the premium attributable to the title insurance policy for the owner insuring an amount not in excess of

the Purchase Price. Buyer shall be solely responsible for the premiums attributable to its lender's title insurance policy, if any, and any endorsements requested by Buyer and/or its lender.

Article 7: Closing Costs and Prorations.

- A. Conveyance, Recording and Escrow Fees. Seller shall pay the real property conveyance fee applicable to the sale and conveyance of the Property, unless the Transfer is exempt from the conveyance fee, and any recording fees associated with mortgage or similar lien releases attributable to the Property. Buyer shall pay all other recording fees.
- B. Real Estate Taxes and Assessments. At Closing, Seller shall pay or credit against the Purchase Price all delinquent taxes, including penalty and interest, all assessments that are a lien on the date of Closing prorated through the date of Closing. At Closing and based on the Purchase Price, Seller also shall pay or credit on the Purchase Price all other unpaid real estate taxes and assessments that are a lien for years prior to Closing and a portion of such taxes based on a 365-day year and, if undetermined, on most recent available tax rate and valuation, giving effect to applicable exemptions, recently voted millage, change in valuation, etc., whether or not certified. The tax proration determined at Closing shall be final and neither Party shall have the right to contest said amount unless predicated on fraud or intentional misrepresentation.
- C. Other Expenses. Each Party shall be responsible for all other fees, costs and expenses incurred by it in connection with this transaction, including any such expenses for services rendered by accountants, appraisers, architects, attorneys, contractors, engineers and other persons not otherwise expressly provided for herein.

Article 8: Closing Instruments.

- A. Instruments to be Delivered by Seller. At the Closing, Seller shall execute and deliver to Buyer and/or the Title Company the following instruments:
 - 1. Deed. A recordable limited warranty deed (the "Deed") which conveys to Buyer good and marketable title in fee simple to the Property free and clear of all liens, conditions, restrictions, easements, reservations, encumbrances and rights of third parties except the Permitted Exceptions and the following matters which shall be excepted and/or reserved by Seller, as the case may be, in the Deed.
 - 2. Seller's Affidavit. A seller's affidavit given by Seller to Buyer and the Title Company with respect to the payment of bills for work performed or materials furnished to the Property within ninety (90) days prior to the Closing and with respect to any other off-record matter which is required for the issuance of the

owner's policy of title insurance and specifically incorporating the Seller's Warranties contained in Article 10 herein.

3. Authority. One or more certificates of Seller regarding the authority of the Person or Persons who sign this Contract and the other Closing instruments on behalf of Seller.
 4. Documents. Originals, as available, or copies of all contracts relating to the Property.
 5. Warranties. An assignment of all transferable warranties and guarantees then in effect, if any, with respect to the improvements located on the Property or any repairs or renovations to such improvements being conveyed hereunder in a form that shall be mutually agreed by Buyer and Seller.
 6. Other Instruments. A Closing and disbursement statement, an IRS Form 1099-B report of proceeds from a real estate transaction [§6045(e), IRC], and a non-foreign person certificate [§1445, IRC, FIRPTA], if required.
- B. Instruments to be Delivered by Buyer. At the Closing, Buyer shall execute and deliver to Seller and/or the Title Company the following instruments:
1. Authority. One or more certificates of the Buyer regarding the authority of the Person or Persons who sign this Contract and the other Closing instruments on behalf of Buyer.
 2. Other Instruments. A Closing and disbursement statement and a real property conveyance fee statement.

Article 9: Risk of Loss or Damage; Appropriation.

- A. Risk of Loss or Damage. Notwithstanding Buyer's obligations, Seller shall bear the risk of loss or damage to the Property until the Closing and agrees to maintain adequate insurance on the Property with a reputable insurance carrier. If any event should occur prior to the Closing Date which causes a material loss or damage, then Seller shall promptly notify Buyer of such event and Buyer shall have the right, at its option: (i) to proceed with the transaction by giving to Seller written notice thereof in which case Buyer shall be entitled to any and all insurance proceeds, or to terminate this Contract by giving to Seller written notice of such termination. The election of Buyer shall be exercised by written notice given to Seller within twenty (20) days after receipt of notice of such event from Seller. The failure by Buyer to so notify Seller shall constitute an election to proceed with the transaction.
- B. Appropriation. If appropriation proceedings should be commenced against the Property or if any governmental authority should notify Seller of its intention to acquire the same

pursuant to the power of eminent domain prior to the Closing, then Seller shall notify Buyer thereof. In such event, Buyer shall have the right, at its option: (i) to proceed with the transaction by giving to Seller written notice that all of Buyer's contingencies of the transaction to be released have been removed subject only to the contingencies which are typically required at Closing, in which event Buyer shall have the right to negotiate with and sell to such governmental authority or to contest such appropriation in litigation proceedings, and shall be entitled to all proceeds thereof, up to the amount of the Purchase Price with all excess being the property of the Seller and Seller shall convey the Property subject to such proceedings and shall receive the Purchase Price specified in this Contract at the Closing; or (ii) to terminate this Contract by giving to Seller written notice of such termination. The election of Buyer shall be exercised by written notice given to Seller within twenty (20) days after Seller has given to Buyer written notice of such governmental action. The failure by Buyer to so notify Seller shall constitute an election to proceed with the transaction.

Article 10: Representations and Indemnification.

- A. Seller's Representations. Seller represents and warrants to the best of its knowledge and/or belief and without a duty to investigate that the following as of the Effective Date which said representations and warranties shall survive the Closing:
1. There is no action proceeding, threatened or investigation pending or threatened against Seller relating to the Property or against the Property, or any part thereof before any court or governmental department, commission, ward, agency or instrumentality and Seller does not know of any basis for any such action, proceeding or investigation, other than Property Maintenance Code Violations issued by Buyer from time to time;
 2. There are no adverse or other parties in possession of the Property and no other party has been granted any license, lease or other right relating to the use or possession of the Property, or any part thereof, except as set forth in 10.A.1.;
 3. Seller has not received notice, written or otherwise, from any governmental or quasi- governmental agency requiring correction of any condition with respect to the Property or any part thereof;
 4. Seller has not received any notice, written or otherwise, of any pending or contemplated condemnation with respect to the Property, or any part thereof;
 5. Seller has not received notice of, or has no other knowledge or information of, any pending or contemplated change in any governmental regulation or private restriction applicable to the Premises, any pending or threatened judicial action or pending or threatened action by adjoining landowners or other persons, parties or entities;

6. On the day of Closing, the Property will be free and clear of liens, encumbrances and encroachments, other than the Permitted Exceptions;
7. There will be no unpaid improvements related to the Property within ninety (90) days immediately preceding the Closing which might constitute the basis of a mechanics' lien;
8. Within twenty (20) days of the Effective Date, Seller shall confirm to Buyer that it has full power and authority to enter into and fully perform and comply with the terms of this Contract.
9. Neither the execution and delivery of this Contract nor its performance by Seller will conflict with or result in the breach of any mortgage, note, indenture, contract, agreement, law, rule or regulation to which Seller is a party or by which Seller is bound;
10. To the best of Seller's knowledge, the Property is free from any toxic or hazardous material or substance or other pollutant of nature as defined or regulated by applicable federal, state, or local laws and is free from any environmental condition that could give rise to a governmental clean-up. Seller has not received notification, written or otherwise, from any governmental or quasi-governmental entity pertaining to toxic or hazardous material or substance or other pollutant of nature related to the Property;
11. Seller will not take or omit to take any action that would have the effect of violating any of the representations, warranties or agreements of Seller contained herein nor will Seller enter into any leases which will affect the Property;
12. Neither the execution and delivery of this Contract nor its performance by Seller will conflict with or result in the breach of any mortgage, note, indenture, contract, agreement, law, rule or regulation to which Seller is a party or by which Seller is bound;
13. To Seller's knowledge, Seller is not under any legal disability which would impede or void any of Seller's contractual obligations nor is Seller a debtor in any proceeding under the bankruptcy laws of the United States;
14. Seller has and will convey to Buyer good, marketable and indefeasible fee simple title, free and clear of all conditions, restrictions, exception and reservations, except as specifically permitted herein;
15. Seller has not entered into any lease, verbal or written agreements, contracts or letters of intent with any third-party pertaining to the Property which have not been disclosed in writing to Buyer in this Contract;

16. Seller shall not enter into any verbal or written agreements, contracts or letters of intent with any third-party pertaining to the Property prior to the Closing without Buyer's permission; and
17. At Closing, Seller shall give a certificate to Buyer stating that these representations and warranties are true and accurate as of Closing.
- B. Seller's Indemnification. Seller agrees to indemnify and hold Buyer and its respective nominees, successors, assigns, officers and employees harmless from any and all third-party liabilities, claims, causes of action, penalties, demands, and expenses of any kind or nature whatsoever related to a breach of the Seller Representations contained in Article 10(A)(1-17), including all expenses related thereto, including without limitation, court costs and attorneys' fees, which said indemnification survive the Closing for a period of one (1) year without the exception of fraud or intentional misrepresentation.

Article 11: General and Miscellaneous Provisions.

- A. Notice. Any notice or other communication required or permitted to be given to a Party under this Contract shall be in writing, unless otherwise specified in this Contract, and shall be given by registered or certified United States mail, return receipt requested and postage prepaid or by a national overnight delivery service. Notice shall be effective upon receipt of the receiving Party or if the receiving Party refuses service, the date placed in the United States mail system or the national overnight delivery service. Either Party may change its address for notice by giving written notice thereof to the other Party. The address of each Party for notice initially is as follows:

- B. Complete Agreement, Amendment, Waiver; Counterparts. This Contract, including all exhibits, constitutes the complete agreement between the parties with respect to the subject matter hereof, all previous understandings, if any, between the parties; no oral or implied understandings, representations or warranties shall vary the terms of this Contract; and neither this Contract nor any of its provisions may be amended or waived other than by a written instrument executed by Seller and Buyer. This Contract or any such amendment or

waiver may be executed in several counterparts, each of which shall be considered a duplicate original and the same instrument. The Letter of Intent is hereby null and void and is of no force and effect.

- C. Governing Law; Severability. This Contract shall be governed by and construed in accordance with the laws of the State of Ohio. The invalidity or unenforceability of any provision of this Contract in any particular respect shall not affect the validity and enforceability of any other provision of this Contract or of the same provision in any other respect.
- D. Successor and Assigns; Assignment. This Contract shall inure to the benefit of and be binding upon the Parties hereto and their respective heirs, personal representatives, successors and permitted assigns. Notwithstanding the foregoing, Buyer may assign this Contract to any third-party individual or entity, with Seller's prior written consent (and upon written notice to Seller and Title Company), at which time Buyer's assignee will be substituted for Buyer and Buyer shall be relieved of all obligations under this Contract. Seller hereby further agrees to accept all required performance under this Contract from Buyer's nominee and to render Seller's performance of all of Seller's obligations under this Contract to Buyer's nominee, if requested, in accordance with this paragraph. Seller may assign its rights in this Contract with the prior approval of Buyer.
- E. Survival of the Contract; Survival of Certain Terms. The promises, terms, conditions, representations, warranties and provisions of this Contract shall survive the Closing of the transactions and the delivery and recording of the deed and any other instrument for the conveyance of the Property; and if the deed or any other recorded instrument is or may be construed to be inconsistent with any provision of this Contract, then the applicable provisions of this Contract shall control and shall not be deemed to have been merged into such deed or other recorded instrument, unless otherwise expressly provided in any such instrument.
- F. Real Estate Brokerage Commission. The Seller represents that J.R. Kern/Capitol Equities, Columbus, Ohio has been employed to represent it in this transaction. The Buyer represents that no real estate broker or other Person has been employed for compensation to represent the Buyer in this transaction. Each Party hereby represents and warrants to the other Party that, except as provided above, it has no knowledge of any agreement, understanding or fact which would entitle any real estate broker, finder or other Person, to any commission, fee or other compensation as a result of the transaction which is the subject of this Contract. Each Party hereby agrees to indemnify, defend and hold harmless the other Party from and against any liability, cost or expense, including attorneys' fees, as a result of any claim for a commission, fee or other compensation made by any real estate broker, finder or other Person and asserted against the other Party by reason of an arrangement made or alleged to have been made by the indemnifying Party.
- G. Certain Defined Terms. For purposes of this Contract, the term: (i) "Person" means a corporation, association, partnership (general or limited), limited liability company, trust, estate, government, governmental agency or other entity as well as an individual or natural

person, unless the context otherwise requires, (ii) "Day" or "day" shall mean a calendar day and "Effective Date" means the date that the last Party to execute this Contract delivers this executed Contract to the other Party.

- H. Time. Time is of the essence with respect to the performance of each provision of this Contract.
- I. Ownership of Plans. In the event this transaction does not close, all plans, surveys, reports, studies, tests, audits, investigations, designs, drawings and related information and materials (collectively, the "Plans") prepared for or at the request of Buyer and relating to the Property shall, upon the reasonable request of Seller, be promptly delivered to Seller.
- J. Like-Kind Exchange. The Parties acknowledge that either may elect to purchase or sell the Property as part of a tax-free exchange under Section 1031 of the Internal Revenue Code of 1986, as amended ("Code"). As such, the Parties agree to reasonably cooperate in connection therewith. If requested by Buyer or Seller, each will participate in the exchange contemplated by this Article as an accommodation to the other with the express understanding and agreement that:
1. Seller or Buyer shall not be required to take title to any property in order to effectuate such exchange;
 2. Under no circumstance shall Seller be required to postpone or refrain from receiving any of the Purchase Proceeds due Seller hereunder;
 3. Neither Party is making any representation or warranty regarding such exchange or whether such exchange qualifies as such under the Code,
 4. Each Party shall indemnify and hold the other harmless from and against any cost, expense or liability, including attorneys' fees, incurred by Buyer and/or Seller as the case may be, in connection with the provisions of this §12(j) or any such exchange; and
 5. Buyer and/or Seller as the case may be, shall not be required to incur any additional costs, fees or expenses (including, without limitation, attorney fees) to accommodate any proposed like-kind exchange.
- K. Defaults and Remedies.
1. Default by Seller. If this transaction is not closed because of Seller's failure to perform hereunder (through no fault of Buyer), or Seller fails to comply with any of its obligations, covenants, warranties or agreements, Buyer may bring any action against Seller for legal or equitable relief.
 2. Default by Buyer. If this transaction is not closed because of Buyer's failure to perform hereunder (through no fault of Seller), or Buyer fails to comply with

any of its obligations, covenants, warranties or agreements, Seller may bring any action against Buyer for legal or equitable relief.

- L. Recording. Neither Party may record this Contract, however, either Party may record a customary Memorandum of Contract, at the recording Parties' expense.
- M. Offer & Acceptance. This Contract shall be open for Seller's acceptance until 5:00 p.m. on the third (3rd) business day after Buyer has delivered this Contract to Seller.

WHEREAS, O.R.C. Section 5709.40(C) authorizes the legislative authority of a municipal corporation, by ordinance, to create an incentive district and to declare the increase in the assessed value of any real property within the incentive district that would first appear on the tax list and duplicate of real and public utility property after the effective date of an ordinance adopted under R.C. Section 5709.40 were it not for the exemption granted by that ordinance (with such increase in assessed value being referred to in this Ordinance, as in R.C. Section 5709.40(A)(4), as the “Incentive District Improvements,” and together with the Public Infrastructure Improvements as defined below, as the “Improvements”) to real property located within the incentive district and the municipal corporation to be a public purpose and exempt from taxation; and

WHEREAS, the City intends to create six incentive districts constituting the real property within the City as described more particularly on Exhibit A attached to and incorporated into this Ordinance (the “City of Reynoldsburg Incentive District #1A”, the “City of Reynoldsburg Incentive District #1B”, the “City of Reynoldsburg Incentive District #2”, the “City of Reynoldsburg Incentive District #3,” the “City of Reynoldsburg Incentive District 4A”, and the “City of Reynoldsburg Incentive District #4B,” and collectively, the “TIF Incentive Districts”), with each parcel within the TIF Incentive Districts referred to herein as a “Parcel”, whether as presently appearing on County tax duplicates or as subdivided or combined and appearing on future tax duplicates; and

WHEREAS, the real property shown in Exhibit A hereto and incorporated herein by reference (the “TIF Area”) is located in the State of Ohio (the “State”), County of Licking (the “County”), and the City, with each parcel within the TIF Area referred to herein as a “Parcel”, whether as presently appearing on County tax duplicates or as subdivided or combined and appearing on future tax duplicates; and

WHEREAS, Ciminello’s, Inc. (the “Developer”), along with the current and future owners of the TIF Area (each an “Owner” and collectively the “Owners”), wish to develop the TIF Area by constructing an estimated 264 multi-family residential units and 159 homes and related improvements thereon and otherwise improving the TIF Area (such improvements being the

“Public Infrastructure Improvements”), provided that the appropriate development incentives are available to support this development; and

WHEREAS, the City intends to (i) declare the increase in assessed value to the TIF Area as a result of the Public Infrastructure Improvements as a public purpose, (ii) exempt seventy-five percent (75%) of the increase in the assessed value of the real property located within the TIF Districts for a period of 10 years, and (iii) identify the public infrastructure improvements to be made on or in support of the TIF Area by the Developer (the “TIF Public Infrastructure Improvements”), which TIF Public Infrastructure Improvements are set forth in Exhibit B hereto and incorporated herein by reference, and

WHEREAS, as required by R.C. Section 5709.40(A)(5)(f), the City Engineer has certified to this Council that (i) each of the TIF Incentive Districts is each less than 300 acres in size, (ii) each of the TIF Incentive Districts is enclosed by continuous boundaries, and (iii) the public infrastructure serving each of the TIF Incentive Districts is inadequate to meet the development needs of the TIF Incentive Districts; and

WHEREAS, notice of the proposed adoption of the exemption authorized under R.C. Section 5709.40(C) by this Ordinance has been delivered by first class mail to every real property owner whose property is located within the boundaries of the proposed Incentive District not later than 30 days prior to September 27, 2021, and [], this Council conducted a public hearing on this Ordinance; and

WHEREAS, the overlay (within the meaning of R.C. Section 5709.40(A)(6)) for the Incentive District provided in the notice delivered to the owners of real property to be included in the Incentive District included all of the real property included in the Incentive District, and therefore no owners of real property were entitled to submit written responses under R.C. 5709.40(C) and this Council has not received any written responses; and

WHEREAS, this Council has determined to provide for the execution and delivery of an agreement between the City and the Developer (the “TIF Agreement”) by which the Developer shall construct or cause to be constructed certain public infrastructure improvements within the

TIF Incentive Districts (the portions of the TIF Agreement related to Parcel TIF Area, as defined in the TIF Agreement, is authorized by Ordinance No [J]); and

WHEREAS, pursuant to R.C. Section 5709.42, the City intends to require the Owner or Owners of each Parcel of real property within the TIF Area to make annual service payments in lieu of taxes to the Treasurer of Licking County, Ohio (“County Treasurer”) on or before the final dates for payment of real property taxes, and the annual service payments in lieu of taxes are to be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the Improvements with respect to each Parcel if it were not exempt from taxation; and

WHEREAS, pursuant to R.C. Section 5709.43(A), this Council intends to establish a municipal public improvement tax increment equivalent fund for the exemptions authorized by this Ordinance into which service payments in lieu of taxes distributed to the City shall be deposited, and which, from the date of this Ordinance, shall be used as provided in this Ordinance; and

WHEREAS, the City has caused notice of the proposed passage of this Ordinance, including a copy of this Ordinance, to be delivered to both the Board of Education of the Southwest Licking Local School District (the “School District”) and the Board of Education of the Career & Technology Education Centers of Licking County (the “JVSD”) in accordance with O.R.C. Sections 5709.40 and 5709.83, or such notice has been waived;

NOW, THEREFORE, Be It Ordained by the Council of the City of Reynoldsburg, Ohio that:

SECTION I.

In accordance with R.C. Section 5709.40(C), the City hereby designates the TIF Area identified on Exhibit A as exempt from taxation under the terms set forth below and hereby establishes the TIF Incentive Districts as identified on Exhibit A, attached to and incorporated into this Ordinance, and further declares that the Improvements to the Parcels within the TIF Area subsequent to the effective date of this Ordinance are a public purpose. This Council hereby finds and determines, in accordance with R.C. Section 5709.40(C)(3)(b), that the Improvements attributable to the TIF Incentive Districts are expected to result from the construction of an

estimated 264 multi-family residential units and 159 single family homes, which development this Council hereby finds and determines will place additional demand on the Public Infrastructure Improvements designated in Section VI of this Ordinance.

SECTION II.

Pursuant to R.C. Section 5709.40(C), the City hereby recognizes that the TIF Public Infrastructure Improvements are a public purpose and benefit or serve, or will benefit or serve, the parcels within the TIF Incentive Districts, and the City hereby exempts 75% of the increase in the assessed value of each parcel of real property located within the TIF Incentive Districts from taxation for a period of 10 years, commencing for each TIF Incentive District with the first tax year following the effective date of the TIF Ordinance in which an increase in the assessed valuation of any real property within the TIF Incentive District first appears on the tax list and duplicate of real and public utility property, and ending on the earlier of (a) ten (10) years after such commencement, or (b) the date on which the City can no longer require service payments in lieu of taxes, all in accordance with the requirements of O.R.C. Sections 5709.40, 5709.42 and 5709.43 and this Ordinance (the “TIF Exemptions”). The life of each of the TIF Incentive Districts shall be coextensive with the term of the TIF Exemption applicable to each such TIF Incentive District.

SECTION III.

Pursuant to R.C. Section 5709.42, during the period when the exemption granted by this Ordinance is in effect the Owner or Owners are hereby required to make, and shall make, service payments in lieu of taxes with respect to the Improvements to the County Treasurer on or before the final dates for payment of real property taxes. Each service payment in lieu of taxes shall be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the Improvements on each Parcel as if it were not exempt from taxation pursuant to Section II of this Ordinance. Any late payments shall be subject to penalty and bear interest at the then current rate established under Ohio Revised Code Sections 323.121(B)(1) and 5703.47, as the same may be amended from time to time, or any successor provisions thereto, as the same may be amended from time to time (the payment of penalties and interest are collectively referred to herein with the payments in lieu of taxes as the “Service Payments”). The Service Payments, and

any other payments in connection with the Improvement which are received by the City Fiscal Officer (the “Fiscal Officer”) in connection with any reduction required by R.C. Section 319.302, as the same may be amended from time to time, or any successor provisions thereto as the same may be amended from time to time (the “Property Tax Rollback Payments”) shall be allocated and deposited in accordance with Section IV.

SECTION IV.

At the same times and in the same manner as real property tax distributions, the County Treasurer shall distribute the Service Payments and the Property Tax Rollback Payments as follows: (i) first, a portion of the Service Payments paid with respect to the TIF Exemptions to various taxing agencies for certain protected tax levies in accordance with Ohio Revised Code Section 5709.40(F), and (ii) second, to the City, all remaining amounts for further deposit into the TIF Funds (as hereinafter defined) for payment of costs of the Public Infrastructure Improvements, as defined in Section VI of this Ordinance. The City shall then distribute the Service Payments and any Property Tax Rollback Payments in the TIF Funds after each semiannual settlement of real property taxes and in the following order of priority:

(a) first, to pay or finance the costs associated with the Public Infrastructure constructed by or on behalf of the Developer or by or on behalf of the City (including payment of interest and payment of any bonds, notes, or any other obligations issued to pay such costs), as further described in the TIF Agreement; and

(b) second, after the Developer and the City have been fully reimbursed as provided in the TIF Agreement, to the City for any other public infrastructure constructed by or on behalf of the City or for any lawful purpose under R.C. Section 5709.40, 5709.42, 5709.43, and this Ordinance.

The TIF Funds, as hereinafter defined, shall remain in existence so long as the Service Payments and Property Tax Rollback Payments are collected

and used for the above purposes, after which the TIF Funds shall be dissolved in accordance with R.C. Sections 5709.40, 5709.42, and 5709.43. Upon such dissolution, any incidental surplus remaining in the Funds shall be transferred to the general fund of the City.

SECTION V.

This Council, pursuant to and in accordance with the provisions of R.C. Section 5709.43, determines to and hereby does establish the City of Reynoldsburg Incentive District #1 Fund (the “Incentive District #1A TIF Fund”), the City of Reynoldsburg Incentive District #1B Fund (the “Incentive District #1B Fund”), the City of Reynoldsburg Incentive District #2 Fund (the “Incentive District #2 Fund”), the City of Reynoldsburg Incentive District #3 Fund (the “Incentive District #3 Fund”) the City of Reynoldsburg Incentive District #4A Fund (the “Incentive District #4A Fund”), and the City of Reynoldsburg Incentive District #4B Fund (the “Incentive District #4B Fund”), and collectively with the Incentive District #1A Fund, the Incentive District #1B Fund, the Incentive District #2 Fund, the Incentive District #3 Fund, the Incentive District #4A Fund, and the Incentive District #4B Fund, the “TIF Funds”) in the custody of the City and shall receive all distributions of Service Payments required to be made to the City pursuant to this Ordinance. The Service Payments and any Property Tax Rollback Payments received by the City shall be deposited into the Funds pursuant to R.C. Section 5709.43 and distributed pursuant to R.C. Section 5709.42 and this Ordinance. The Service Payments and any Property Tax Rollback Payments received by the City shall be used solely for the purposes authorized in R.C. Sections 5709.40, 5709.42, 5709.43, and 5709.82, including, but not limited to, paying the costs of the Public Infrastructure Improvements (as defined in Section VI of this Ordinance), including payment of interest and payment of any bonds, notes, or any other obligations issued to pay such costs, in a manner which is consistent with this Ordinance. The City shall use all Service Payments and any Property Tax Rollback Payments received and deposited into the TIF Funds as provided in this Ordinance. For all purposes of this Ordinance, “costs” of the Public Infrastructure Improvements payable from the Funds also shall include the items of “costs of permanent improvements” set forth in R.C. Section 133.15(B), and incurred with respect to the Public Infrastructure Improvements located within the TIF Area. The TIF Funds shall remain in existence so long as such Service Payments and any Property Tax Rollback Payments are collected and used for the aforesaid purposes, after which

time the TIF Funds shall be dissolved and any surplus funds remaining therein distributed as set forth in Section IV(b) of this Ordinance.

SECTION VI.

The City hereby designates the Public Infrastructure Improvements set forth in Exhibit B for the TIF Incentive Districts, attached to and incorporated into this ordinance by this reference, as the “public infrastructure improvements,” as that term is defined in R.C. Section 5709.40(A)(8), which are made, are to be made, or are in the process of being made, by or on behalf of the City, that benefit or serve, or, once made, will benefit or serve the Parcels, as set forth in R.C. Section 5709.40(C)(3)(a).

The City further determines that all of the Public Infrastructure Improvements set forth in Exhibit B attached hereto, within the TIF Area, are general in nature, and all of the Public Infrastructure Improvements are supportive of and beneficial to the development of the TIF Area.

SECTION VII.

This Council further authorizes and directs the City Manager, the City Law Director, the City Finance Director, or other appropriate officers of the City: (i) to make such arrangements as are necessary and proper for collection of Service Payments from Owners; (ii) to make payment of the Service Payments to the City to be deposited into the TIF Funds; and (iii) to take all other actions as may be appropriate to implement this Ordinance. R.C. Section 5709.911 shall govern the priority status of the exemptions provided under this Ordinance. Under R.C. Sections 5709.40(C) and 5709.911, the City intends to apply for the exemption from real property taxation under this Ordinance. Not later than 30 days prior to September 27, 2021, this Council delivered notice, by first class mail, of a public hearing regarding this Ordinance (the “Residential Notice”). The Residential Notice included an overlay, within the meaning of R.C. Section 5709.40(A)(6), for each of the TIF Incentive Districts, which included all of the real property within the TIF Incentive Districts. On September 27, 2021, this Council conducted a public hearing regarding this Ordinance. No written responses to the Residential Notice were received under R.C. Section 5709.40(C).

SECTION VIII.

This Council hereby approves the TIF Agreement and authorizes the City to execute, deliver, and perform the TIF Agreement, including without limitation, by applying moneys on deposit in the TIF Funds for the purposes identified in the TIF Agreement. The Mayor is hereby authorized and directed, for and on behalf of the City, to execute and deliver the TIF Agreement, substantially in the form now on file with this Council, with such modifications to the form of the TIF Agreement as shall be approved by the Mayor, shall not be materially adverse to the City, and shall be consistent with this Ordinance, all of which shall be conclusively evidenced by the Mayor's signature on the TIF Agreement. The Mayor is further hereby authorized to execute and deliver any additional agreements or instruments as the Mayor shall deem necessary to carry out the purposes of this Ordinance and the TIF Agreement, and the City is hereby authorized to perform its obligations under any of those agreements or instruments

SECTION IX.

Pursuant to R.C. Section 5709.40(I), the Clerk of Council is hereby directed to deliver a copy of this Ordinance to the Director of the Ohio Development Services Agency ("ODSA") within 15 days after its adoption. On or before March 31 of each year that an exemption set forth in Section II of this Ordinance remains in effect, the officer or officers authorized by Section IX of this Ordinance to take actions necessary to implement this Ordinance shall prepare and submit to the Director of ODSA the status report required under R.C. Section 5709.40(G).

SECTION X.

The City hereby maintains the City of Reynoldsburg Tax Incentive Review Council, the membership of which is and shall remain constituted in accordance with R.C. Section 5709.85. In accordance with R.C. Section 5709.85, the City of Reynoldsburg Tax Incentive Review Council reviews and shall continue to review annually all exemptions from taxation resulting from the declarations set forth in this Ordinance and any other such matters as may properly come before it, all in accordance with R.C. Section 5709.85.

SECTION XI.

This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law including R.C. Section 121.22.

SECTION XII.

This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the financial needs of the City. The reason for such necessity is to expeditiously proceed with re-development plans for the Development Site without further delay. This Ordinance shall take effect immediately upon the signature of the Mayor.

TAX INCREMENT FINANCING AGREEMENT

This TAX INCREMENT FINANCING AGREEMENT (this “Agreement”) is made and entered into as of this _____ day of _____, 2021 (the “Effective Date”), by and among CITY OF REYNOLDSBURG, OHIO, a municipal corporation and political subdivision (the “City”), and CIMINELLO’S, INC., an Ohio corporation (the “Company”).

WITNESSETH:

WHEREAS, Company has acquired or will acquire certain real property which is located within the jurisdiction of the City, consisting of [] +/- acres known on the Effective Date as Parcel Numbers 010-017466-00.000, and [] in the records of the Office of the Auditor of Licking County, Ohio (the “Auditor”) (the “Property”), and a depiction and legal description of the Property is attached hereto and incorporated herein by reference as Exhibit A; and

WHEREAS, Company plans to develop the Property as a residential subdivision within which a maximum of [] homes and approximately 264 multi-family units with additional sites available for commercial development are to be constructed (the “Project”); and

WHEREAS, in order to provide for the orderly development of the Property, it is necessary to construct or to cause to be constructed certain public infrastructure improvements as described in Section 4 and in Exhibit B attached hereto and incorporated herein by reference (the “Public Infrastructure Improvements”), which City and Company agree will benefit and serve the Property; and

WHEREAS, City desires to form six tax increment financing districts, as set forth in greater detail in Exhibit A, in accordance with Ohio Revised Code (“O.R.C.”) Section 5709.40(C) and the terms of this Agreement (each a “TIF District” and collectively the “TIF Districts”) for the purpose of providing the means to fund or reimburse the costs of constructing the Public Infrastructure Improvements; and

WHEREAS, by its Ordinance No. 2021-[] passed [], 2021 (the “TIF Ordinance”), the City has declared that seventy-five percent (75%) of the increase in the assessed value of the real property located within the TIF Districts subsequent to the effective date of the TIF Ordinance (such increase, as further defined in O.R.C. Section 5709.40 and the TIF Ordinance, is hereinafter referred to as the “Improvement”), is a public purpose and is exempt from taxation for a period commencing for each TIF District with the earlier of (i) the first tax year following the effective date of the Incentive Ordinance in which an increase in the assessed valuation of any real property attributable to a structure within the TIF District first appears on the tax list and duplicate of real and public utility property, and ending for each TIF District on the earlier of (a) ten (10) years after such commencement, or (b) the date on which the City can no longer require service payments in lieu of taxes, all in accordance with the requirements of O.R.C. Sections 5709.40, 5709.42 and 5709.43 and the TIF Ordinance (the “TIF Exemption”); and

WHEREAS, the City sent notice of the TIF Exemption to both the Board of Education of the Southwest Licking Local School District (the “School District”) and the Board of Education of the Career & Technology Education Centers of Licking County (the “JVSD”) in accordance

with O.R.C. Sections 5709.40(D) and 5709.83, or such notice has been waived; and

WHEREAS, City has determined that it is necessary and appropriate and in the best interest of City to provide for the current owners of each parcel of real property contained within the Property (each such parcel to be referred to herein as a “Parcel”) and any future owners of each Parcel (each such owner referred to herein individually as an “Owner” and collectively as the “Owners”) to make annual service payments in lieu of taxes with respect to any Improvement allocable thereto (the “Service Payments”) to the Licking County Treasurer (the “County Treasurer”), which Service Payments will be used, in part, to pay the costs of Public Infrastructure Improvements, all pursuant to and in accordance with O.R.C. Sections 5709.40, 5709.42 and 5709.43 (collectively, the “TIF Statutes”), the TIF Ordinance, and this Agreement; and

WHEREAS, the City Council of the City in the TIF Ordinance approved the terms of this Agreement and authorized its execution on behalf of the City; and

NOW, THEREFORE, in consideration of the premises and covenants contained herein and to induce the Company to create the Improvements, the parties agree to the foregoing and as follows:

Section 1. Obligation to Make Service Payments.

(a) Service Payments. Each Owner, including the Company, hereby agrees to make the Service Payments due during its period of ownership of one or more Parcels, all pursuant to and in accordance with the requirements of the TIF Statutes, the TIF Ordinance, the provisions of Ohio law relating to real property tax collection, and any subsequent amendments or supplements thereto. Service Payments will be made semiannually to the County Treasurer (or to the County Treasurer’s designated agent for collection of the Service Payments) on or before the final dates for payment of real property taxes for the Parcels in the TIF District, until the respective expirations of the TIF Exemptions. Any late payments will bear penalties and interest at the then current rate established under O.R.C. Sections 323.121 and 5703.47 or any successor provisions thereto, as the same may be amended from time to time. Service Payments will be made in accordance with the requirements of the TIF Statutes and the TIF Ordinance and, for each Parcel, will be in the same amount as the real property taxes that would have been charged and payable against the Improvement to that Parcel (after credit for any other payments received by the City under O.R.C. Sections 319.302, 321.24, 323.152 and 323.156, or any successor provisions thereto, as the same may be amended from time to time, with respect to each Parcel, with such payments referred to herein as the “Property Tax Rollback Payments”) if it were not exempt from taxation pursuant to the TIF Exemption, including any penalties and interest. The City agrees that a City Public Improvement Tax Increment Equivalent Fund shall be created for each TIF District (each an “Incentive District TIF Fund”, the “TIF Funds”), which will receive all applicable Service Payments and Property Tax Rollback Payments made with respect to the Improvement to each Parcel that are payable to the City, together with any investment earnings on money in the TIF Funds.

(b) Priority of Lien. Company acknowledges, for itself and any and all future Owners, that the provisions of O.R.C. Section 5709.91, which specify that the Service Payments for each Parcel will be treated in the same manner as taxes for all purposes of the lien described in O.R.C. Section 323.11, including, but not limited to, the priority of the lien and the collection of Service

Payments, will apply to this Agreement and to the Parcels in the TIF District and any Improvements thereon.

(c) Failure to Make Payments. Should any Owner fail to make any payment required hereunder, that Owner shall pay, in addition to the Service Payments it is required to pay hereunder, such amount as is required to reimburse City and Company for any and all reasonably and actually incurred costs, expenses and amounts (including reasonable attorneys' fees) required by the City or the Company to enforce the provisions of this Agreement against that Owner.

(d) Recordation. Promptly following the date when Company has obtained legal ownership of all or any portion of the Property, it shall, at its sole cost and expense, cause an instrument to be recorded in the Licking County, Ohio real property records for each Parcel in the TIF District that provides evidence of the existence of this Agreement, it being understood and agreed that the lien of this Agreement shall, in accordance with O.R.C. Section 323.11 and O.R.C. Section 5709.91, be prior to any mortgage, assignment, lease or other conveyance by the Owners of any of their part of or interest in the Parcels within the TIF District, and prior to any security instrument encumbering all or any part of or interest in the Parcels within the TIF District; provided, however, that nothing contained in this Agreement shall be construed to permit acceleration of the Service Payments beyond the current year that such Service Payments are due. During the Term of this Agreement, the Owners shall cause all instruments of conveyance of any of their interest in all or any portion of the Parcels within the TIF District, and of any Improvements thereto, to subsequent mortgagees, lessees, lienholders, successors, assigns or transferees, to be made expressly subordinate and subject to this Agreement unless such interest is subordinate to this Agreement by operation of O.R.C. Section 5709.91 or other law. It is intended and agreed, and it shall be so provided by each Owner in any future deed conveying a Parcel or any part thereof, that the covenants provided in this Agreement shall be covenants running with the land and that they shall, in any event and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit and in favor of and enforceable by City and Company whether or not such provision is included by the Owner in any succeeding deed to subsequent Owners. It is further intended and agreed that these agreements and covenants shall remain in effect for the full periods of all of the TIF Exemptions enacted pursuant thereto. Each Owner shall only be responsible for making Service Payments that become due and payable during the period of that Owner's ownership of all or any portion of any Parcels within an applicable TIF District and only with respect to the portion of a Parcel within the TIF District which is owned by the Owner. Upon satisfaction of each Owner's obligations under this Agreement and termination of the obligations of the Owners to make the Service Payments, City shall, upon the request of an Owner, execute an instrument in recordable form evidencing such termination and releasing the covenants running with the land set forth in the deed.

Section 2. Establishment of TIF Funds by City. City agrees that it shall establish the TIF Funds as deposit funds to be held in the custody of City for the sole purpose of receiving the Service Payments made from the Owners to the County Treasurer and payable to City. Pursuant to the TIF Ordinance and in accordance with the TIF Statutes, the County Treasurer is to distribute a portion of the Service Payments from the TIF Funds only to various taxing agencies for certain protected tax levies in accordance with O.R.C. Section 5709.40(F). Following such distribution, the County Treasurer is required to make distribution of the Service Payments to City, and any Service Payments received by the City shall be deposited to the TIF Funds. Pursuant to the TIF

Ordinance and in accordance with the TIF Statutes, amounts on deposit in the TIF Funds shall be used by the City to reimburse the Company for costs of the Public Infrastructure Improvements or to pay obligations issued to finance the Public Infrastructure Improvements in the manner and amounts described and permitted herein.

Section 3. Exemption Applications, Withdrawal, Maintenance and Notice. Company, or the Owner if the Company no longer owns a Parcel for which a TIF Exemption is being applied, shall prepare, execute and request that the City file such applications, documents and other information with the appropriate officials of the State, City or other public bodies as may be required to consent to or claim the TIF Exemptions. City agrees to timely file any such applications prepared by the Company or any Owner. City, Company, and the Owners shall cooperate with one another in such preparation and filing, including, without limitation, by executing such applications and documents as may be appropriate in obtaining such exemption. City, Company, and the Owners agree to perform those acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain the TIF Exemptions, and collect the Service Payments, including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with the TIF Exemptions or the Service Payments. Each Owner agrees to cooperate with the City and the Company as necessary for the purpose of filing any Ohio DTE Form 24 exemption application forms or successor forms or replacement forms necessary to claim the TIF Exemptions.

Section 4. Reimbursement for Costs of Public Infrastructure Improvements. The City shall pay to the Company or the Company's designee in accordance with the terms of this Agreement with respect to the Public Infrastructure Improvements, the actual costs of the Public Infrastructure Improvements (with the costs of all the Public Infrastructure Improvements collectively referred to herein as the "Costs"), plus interest on those Costs at the Interest Rate provided for below. The Company shall submit a written requisition to the City, substantially in the form attached hereto as Exhibit C and incorporated herein by this reference (each a "Written Requisition"), in order for the amounts in the TIF Funds to be used as provided in this Section 5. Except as otherwise agreed between the Company and the Mayor, the Company may submit up to four (4) Written Requisitions per calendar year.

The City shall pay all monies on deposit in the TIF Funds to or as directed by the Company on the first business day following each May 31 and November 30 (each, a "Payment Date") until all of the Costs and all interest thereon have been paid in full. In addition to submission of a Written Requisition for the Costs, the Company shall deliver to the City, at least fifteen (15) days prior to each Payment Date, a statement showing the total amount of interest then due to the Company under this Agreement, along with a brief description of the basis and calculations for the same; provided, however, that failure by the Company to deliver this statement shall not excuse the City from its payment obligation on each Payment Date if the City knows or reasonably should know that amounts are due the Company under this Agreement on that Payment Date, and provided further that in all other cases, that failure by the Company shall only delay payment to the same extent delivery of the statement was delayed. Any monies paid pursuant to this Agreement will be applied first to the payment of interest on those Costs at the applicable Interest Rate provided for below and second to the payment of the Costs, so that all interest due shall be paid before the payment of any Costs.

Interest on the portion of Costs of the Public Infrastructure Improvements shall accrue at the Interest Rate from the date on which the Company submits each Written Requisition and shall continue until all Costs of the Public Infrastructure Improvements and all interest on those Costs have been paid in full. Any interest on any Costs that remain unpaid on the date following each Payment Date will itself accrue interest in the same manner as the Costs. As used in this Agreement, “Interest Rate” means the greater of (i) six percent (6%) per annum, or (ii) the interest paid by any governmental issuer of revenue bonds or revenue notes issued to finance or refinance the Costs of the Public Infrastructure Improvements.

For purposes of this Agreement, “costs” of the Public Infrastructure Improvements includable in “Costs” under this Agreement include, without limitation as to other costs properly allocable to Public Infrastructure Improvements, the costs of: acquiring, constructing, reconstructing, rehabilitating, installing, remodeling, renovating, enlarging, equipping, furnishing, or otherwise improving the Public Infrastructure Improvements; site clearance, improvement, and preparation; acquisition of real or personal property; indemnity and surety bonds and premiums on insurance; all related direct administrative expenses and allocable portions of direct costs of the Company, including but not limited to engineering, architectural, legal, management fees and other consulting and professional services; designs, plans, specifications, feasibility or rate studies, appraisals, surveys, and estimates of cost; interest or interest equivalent, whether capitalized or not; financing costs; title work and title commitment, insurance, and guaranties; audits; the reimbursement of moneys advanced or applied by or borrowed from any person, whether to or by the City, any other political subdivision or the Company or others, from whatever source provided, for the payment of any item or items of cost of Public Infrastructure Improvements, including interest or interest equivalent thereon; and all other expenses necessary or incidental to planning (including but not limited to traffic studies) or determining feasibility or practicability with respect to permanent improvements or necessary or incidental to the acquisition, construction, reconstruction, rehabilitation, installation, remodeling, enlargement, equipping, furnishing, or other improvement of the permanent improvements, including the close-out thereof, the financing of the permanent improvements, and the placing of the permanent improvements in condition for use and operation, and all like or related costs, including any one, part, or combination of, those costs and expenses. As used in this paragraph, “financing costs”, “interest” and “interest equivalent” have the meanings given in R.C. Section 133.01.

All payments to the Company or the Company’s designee hereunder on each Payment Date shall be made pursuant to written instructions provided to the City by the Company.

The Company and City intend that the interest payable by the City under this Agreement shall be exempt from federal income taxation and taxation by the State of Ohio to the extent permitted by law; provided, however, the Company may, by written notice delivered to the City prior to commencement of the City’s obligation to make payments for the Costs under this Agreement, elect to have the interest payable by the City not be exempt from taxation and have the Costs accrue taxable interest. With respect to any portion of that interest so intended to be exempt from federal and Ohio taxation, the City covenants that it will, to the extent possible, (i) comply with all applicable laws to obtain and maintain the Federal and State of Ohio tax exemptions for such interest, including any expenditure requirements, investment limitations, rebate requirements or use restrictions, and (ii) without limiting the generality of the foregoing, that it will restrict the use of any “proceeds” of this Agreement (as defined in the Code, as

defined below) in such manner and to such extent, if any, as may be necessary after taking into account reasonable expectations at the time the City's obligation is incurred, so that this Agreement will not constitute an "arbitrage bond" under Sections 103(b)(2) and 148 of the Code, and will timely file an IRS Form 8038G when applicable. For purposes of this Agreement, "Code" means, collectively the Internal Revenue Code of 1986, as amended, applicable Treasury Regulations, whether temporary or final, under the Internal Revenue Code of 1986 or the statutory predecessor of the Internal Revenue Code of 1986, and any amendments of, or successor provisions to, the foregoing and any official rulings, announcements, notices, procedures and judicial determinations regarding the foregoing, all as and to the extent applicable.

Notwithstanding any other provision of this Agreement, the City's payment obligations hereunder are limited to the monies in the TIF Funds and do not constitute an indebtedness of the City within the provisions and limitations of the laws and the Constitution of the State of Ohio, and the Company does not have the right to have taxes or excises levied by the City for the payment of the Costs and interest thereon.

Section 5. Construction of Project. The Company shall comply with all applicable laws in constructing and developing the Project.

Section 6. Certain Representations and Warranties of City. City represents and warrants as of the date of delivery of this Agreement that:

(a) It is a City and political subdivision duly organized and validly existing under the Constitution and laws of the State of Ohio.

(b) It has duly accomplished all conditions necessary to be accomplished by it prior to the execution and delivery of this Agreement and to constitute this Agreement as a valid and binding obligation of the City enforceable in accordance with its terms.

(c) It is not in violation of or in conflict with any provision of the laws of the State of Ohio or of the United States of America applicable to City that would impair its ability to observe and perform its covenants, agreements and obligations under this Agreement, nor will its execution, delivery and performance of this Agreement (i) result in such a violation or conflict or (ii) conflict with or result in any breach of any provisions of any other agreement or instrument to which City is a party or by which it may be bound.

(d) It has and will have full power and authority (a) to execute, deliver, observe and perform this Agreement and all other instruments and documents executed and delivered by it in connection herewith and (b) to enter into, observe and perform the transactions contemplated by this Agreement and those other instruments and documents.

(e) It has or will have duly authorized the execution, delivery, observance and performance of this Agreement.

(f) The TIF Ordinance has been duly passed by the City, has not been amended, modified, or repealed, and is in full force and effect.

(g) It will deposit into the TIF Funds all Service Payments and Property Tax Rollback Payments received by it.

(h) It will not amend, modify or repeal the TIF Ordinance in any way or pass any other legislation or take any action that would affect the amount of Service Payments and Property Tax Rollback Payments deposited into the TIF Funds except as approved by Company or required by law.

(i) It will not transfer, encumber, spend or use any monies on deposit in the TIF Funds other than as provided in this Agreement and in the assignment and acknowledgement associated with this Agreement.

(j) There is no litigation pending or to its knowledge threatened against or by City wherein an unfavorable ruling or decision would materially and adversely affect City's ability to carry out its obligations under this Agreement.

Section 7. Certain Representations and Warranties of the Company. Company hereby represents and warrants as of the date of delivery of this Agreement that:

(a) It is a corporation duly organized, validly existing and in full force and effect under the laws of the State of Ohio, and it has all requisite power and authority to carry on its business as now being conducted and as presently proposed to be conducted.

(b) It either owns or is affiliated with a party to one or more written contracts to purchase the real property that is located within the TIF District, and such written contract(s) remains effective on the Effective Date.

(c) It has the authority and power to execute and deliver this Agreement and perform its obligations hereunder, and it has duly executed and delivered this Agreement.

(d) The execution and delivery by it of this Agreement and the compliance by it with all of the provisions hereof (i) will not conflict with or result in any breach of any of the provisions of, or constitute a default under, any agreement, its articles of organization or operating agreement, or other instrument to which it is a party or by which it may be bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over it or any of its activities or properties, and (ii) have been duly authorized by all necessary action on its part.

(e) There are no actions, suits, proceedings, inquiries or investigations pending, or to its knowledge threatened, against or affecting it in any court or before any governmental authority or arbitration board or tribunal that challenges the validity or enforceability of, or seeks to enjoin performance of, this Agreement, or if successful would materially impair its ability to perform its obligations under this Agreement.

(f) It is in compliance with State of Ohio campaign financing laws contained in O.R.C. Chapter 3517 and is not subject to an unresolved finding for recovery issued by the Auditor of State as described in O.R.C. Section 9.24.

Section 8. Provision of Information. Company agrees for itself and all Owners, to (i) cooperate in all reasonable ways with, and provide necessary and reasonable information to, the designated tax incentive review council to enable that tax incentive review council to review and determine annually during the term of this Agreement the compliance of the Owners with the terms of this Agreement; and (ii) to cooperate in all reasonable ways with, and provide necessary and reasonable information to the City to enable the City to submit the status report required by O.R.C. Section 5709.40(I) to the Director of the Ohio Development Services Agency on or before March 31st of each year. The City and the Company agree that the Company shall not have any obligation to provide any reporting under this Agreement if the Company no longer owns any property within any of the TIF District.

Section 9. Estoppel Certificate. Within thirty (30) calendar days after a request from Company or any Owner of a Parcel, City will execute and deliver to Company or Owner or any proposed purchaser, mortgagee or lessee of that Parcel, a certificate stating that, with respect to that Parcel, if the same is true: (i) this Agreement is in full force and effect; (ii) the requesting Company or Owner is not in default under any of the terms, covenants or conditions of this Agreement, or, if Company or Owner is in default, specifying such default; and (iii) such other matters as Company or Owner reasonably requests.

Section 10. Notices. Except as otherwise specifically set forth in this Agreement, all notices, demands, requests, consents or approvals given, required or permitted to be given hereunder must be in writing and will be deemed sufficiently given if actually received or if hand-delivered or sent by recognized, overnight delivery service or by certified mail, postage prepaid and return receipt requested, addressed to the other party at the address set forth in this Agreement or any addendum to or counterpart of this Agreement, or to such other address as the recipient has previously notified the sender of in writing, and will be deemed received upon actual receipt by the parties listed below or by any other person employed at the addresses listed below, unless sent by certified mail, in which event such notice will be deemed to have been received when the return receipt is signed or refused. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, certificates, requests or other communications must be sent. The present addresses of the parties follow:

Section 11. Successors; Amendments; City Consents; Assignments. This Agreement is binding upon the parties hereto and their successors and assigns, and this Agreement inures to the benefit of the Company and its beneficiaries, successors, and assigns. This Agreement may only be amended by written instrument executed by all parties to this Agreement. Any consent of City to be given under this Agreement may be given by its Fiscal Officer and Mayor and must be given in writing.

City and Company may only assign this Agreement with the consent of the other, which consent shall not be unreasonably withheld; provided, however, that Company may, without the consent of the City, (i) assign its rights under this Agreement to an entity controlled by or under common control with the Company, (ii) assign its rights under this Agreement for the purpose of obtaining financing (including any refinancing) for the Public Infrastructure Improvements or the Improvements, (iii) designate an authorized designee to receive all or any portion of the Service Payments payable to the Company pursuant to this Agreement, upon which designation such designee shall receive the portion of Service Payments specified by the Company as if it was the Company under this Agreement, and (iv) assign its right, title, and interest in and to this Agreement as security for the payment of all or any portion of the Service Payments payable to the Company pursuant to this Agreement to a designee. Nothing in this Agreement prevents an Owner from transferring any or all of its interest in one or more Parcels to another person or entity.

City will cooperate with any reasonable assignment request made by the Company in connection with any financing (or refinancing) of the Public Infrastructure Improvements or the Improvements. City agrees upon request of the Company in connection with that financing (or refinancing) to consent to any third-party assignment by Company of its interest in the TIF Funds. In accordance with this Section 10, the City agrees to permit any assignment according to the Assignment of Reimbursement Payments and Other Rights to TIF Funds, a form of which is attached hereto as Exhibit D, to the investors identified therein.

Section 12. Extent of Covenants; No Personal Liability. All covenants, stipulations, obligations and agreements of the parties contained in this Agreement are effective and enforceable to the extent authorized and permitted by applicable law. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity. No such covenant, stipulation, obligation or agreement will be deemed a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of any of the parties hereto in their individual capacity. Neither the City, the members of the City's Council or Fiscal Officer, nor any City official executing or approving this Agreement, or any individual person executing this Agreement on behalf of the Company, will be liable personally by reason of the covenants, stipulations, obligations or agreements of the City or the Company contained in this Agreement. The obligation to perform and observe the agreements contained herein on the part of the Company shall be binding and enforceable by City against Company with respect to (and only to) the Company's interest in its portion of the Parcels and the Project, or any parts thereof or any interest therein.

Section 13. Events of Default and Remedies.

(a) Any one or more of the following constitutes an “Event of Default” under this Agreement:

(i) Company or City fails to perform or observe any material obligation punctually and as due under this Agreement;

(ii) Company or City makes a representation or warranty in this Agreement that is materially false or misleading at the time it is made.

For the avoidance of doubt, any failure by an Owner other than the Company to perform or observe any material obligation punctually and as due under this Agreement shall not constitute an Event of Default and shall not provide the Company or the City with any right to pursue remedies under law, including any remedies that may otherwise be available under this Agreement.

(b) General Right to Cure. In the event of any Event of Default in or breach of this Agreement, or any of its terms or conditions, by any party hereto, the defaulting party will, upon written notice from the other, proceed, as soon as reasonably possible, to cure or remedy such Event of Default or breach, and, in any event, within thirty (30) calendar days after receipt of such notice. In the event such Event of Default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting party will upon written notice from the other commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach.

(c) Remedies. If a defaulting party fails to cure any Event of Default pursuant to paragraph (b) of this Section 15, a party may institute such proceedings against the defaulting party as may be necessary or desirable in its opinion to cure and remedy such default or breach. Such remedies include, but are not limited to: (i) instituting proceedings to compel specific performance by the defaulting party, (ii) suspending or terminating the obligations of the non-defaulting party under this Agreement, provided the aggrieved party must provide thirty (30) calendar days’ notice of any termination to the defaulting party and provided further that the aggrieved party must rescind the termination notice and not terminate the Agreement if the defaulting party cures all Events of Default within a reasonable time thereafter, and (iii) any other rights and remedies available at law, in equity or otherwise to collect all amounts then becoming due or to enforce the performance of any obligation under this Agreement. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity.

Section 14. Invalidity. This Agreement shall be construed as a whole and not for or against either party. Should any provision of this Agreement be declared or determined to be null, void, inoperative, illegal or invalid for any reason, the validity of the remaining parts, terms or provisions shall not be affected thereby and they shall retain their full force and effect, and said null, void, inoperative, illegal or invalid part, term or provision shall be deemed not to be a part of this Agreement.

Section 15. Separate Counterparts; Captions. This Agreement may be executed by the parties hereto in one or more counterparts or duplicate signature pages, each of which when so executed and delivered will be an original, with the same force and effect as if all required signatures were contained in a single original instrument. Any one or more of such counterparts

or duplicate signature pages may be removed from any one or more original copies of this Agreement and annexed to other counterparts or duplicate signature pages to form a completely executed original instrument. Captions have been provided herein for the convenience of the reader and shall not affect the construction of this Agreement.

Section 16. Entire Agreement. This Agreement constitutes the entire agreement among the parties with respect to the matters covered herein and supersedes prior agreements and understandings among the parties.

Section 17. Governing Law and Choice of Forum. This Agreement will be governed by and construed in accordance with the laws of the State of Ohio. All claims, counterclaims, disputes and other matters in question among the City, its employees, contractors, subcontractors and agents, and the Company, its employees, contractors, subcontractors and agents arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within the County of Licking, State of Ohio.

Section 18. Additional Documents. City and Company and their respective successors, assigns and transferees, agree to execute any further agreements, documents, or instruments as may be reasonably necessary to fully effectuate the purpose and intent of this Agreement.

Section 19. Release. Upon satisfaction of the Company's obligations under this Agreement and the expiration of the TIF Exemption applicable to the Property under the TIF Ordinance, or the termination of the obligations of the Owners to make the Service Payments by operation of law or otherwise, the City shall, upon request of the Company or of any individual Owner, execute an instrument in recordable form evidencing such satisfaction or termination.

IN WITNESS WHEREOF, City and Company have caused this Agreement to be executed in their respective names by their duly authorized officers as of the date hereinabove written.

EXHIBIT D**FORM OF ASSIGNMENT OF REIMBURSEMENT PAYMENTS AND OTHER RIGHTS
TO TIF FUNDS AND TIF AGREEMENT**

This ASSIGNMENT OF REIMBURSEMENT PAYMENTS AND OTHER RIGHTS TO TIF FUNDS AND TIF AGREEMENT (this “Assignment”), dated as of this ____ day of _____, 20__, is hereby entered into by CIMINELLO’S, INC., an Ohio corporation (“Assignor”), having an address at [], in favor of _____, a _____ (the “Assignee”). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the TIF Agreement.

RECITALS

A. Assignor and Reynoldsburg, Ohio (“City”) intend to enter into that certain Tax Increment Financing Agreement (the “TIF Agreement”). Upon the effectiveness of the TIF Agreement, Assignor has agreed to construct the Public Infrastructure Improvements which will directly benefit the Property in consideration for the City’s agreement to pay the actual costs of the Public Infrastructure Improvements (with the costs of all the Public Infrastructure Improvements collectively referred to herein as the “Costs”), plus interest on those Costs at the Interest Rate provided for in the TIF Agreement and other permitted costs.

B. Assignee has agreed to advance to Assignor the amount of _____ Dollars (\$ _____) (the “Investment”), as consideration for the assignment by the Assignor of all rights to receive Reimbursement Payments (defined below), all pursuant to the terms and conditions set forth in this Assignment.

C. As used herein, this Assignment, the TIF Agreement, and any other instrument, affidavit, certificate, or document heretofore, now or hereafter given by Assignor in connection with the Investment shall hereinafter be referred to as the “Investment Documents”.

D. As used herein, the “Reimbursement Payments” shall mean all payments of the Costs, Interest, and all other sums due to the Assignor under the TIF Agreement from the TIF Funds, including but not limited to all Service Payments received by the City from payments made by the owners of any real property within the Property and any Property Tax Rollback Payments deposited in the TIF Funds.

NOW, THEREFORE, in consideration of the matters described in the recitals set forth above and incorporated herein, and for other good and valuable consideration, Assignor and each of the Assignees agree as follows:

1. Provided that (i) Assignor is not in default of this Assignment, (ii) Assignee has received an executed copy of the TIF Agreement, and (iii) Assignee has received certified, executed copies of all City Ordinances necessary in connection with the establishment of the TIF District, Assignee agrees to disburse funds, up to the full amount of the Investment, to Assignor in accordance with the terms of this Assignment. In consideration for the payment of the Investment by Assignee, Assignor hereby assigns to Assignee all the right, title and interest of Assignor in and

to the Reimbursement Payments, as provided for in the TIF Agreement. The Assignor remains liable for all of its obligations under the TIF Agreement and for the performance of all terms and conditions contained therein.

2. Reimbursement Payments shall be payable to the Assignee at the same times, and in the same manner, as the Reimbursement Payments are payable by the City to the Assignor under the TIF Agreement, and the Reimbursement Payments shall be deemed current and not delinquent if the City has performed its obligations under the TIF Agreement. Assignor agrees that all the Reimbursement Payments received from the City shall be transferred by the Assignor directly into the individual account of the Assignee, in accordance with the Investment Documents. The account information for all deposits to the Assignee under the Investment Documents is set forth on Exhibit A attached hereto and incorporated herein. Reimbursement Payments received from the City by the Assignor will be promptly (not later than seven (7) business days after receipt of such funds) transferred to the Assignee without demand. Assignor and Assignee hereby agree and acknowledge that (i) the City's obligation to make Reimbursement Payments to the Assignor is limited to the City's receipt of Service Payments that are deposited into the TIF Funds and (ii) the City makes no representation to the Assignor or the Assignee that sufficient funds will exist in the TIF Funds to pay the amount of the Investment.

3. Assignor agrees to take such actions as may be reasonably necessary to ensure that this Assignment is and remains a valid assignment of the Assignor's right to receive Reimbursement Payments. Assignor and each of the Assignees, by execution of this Assignment, authorize Ciminello's, Inc., as representative of the Assignee (the "Assignee Representative") to record a memorandum of this Assignment with the Licking County, Ohio Recorder's Office and to cause the filing or recording of any documents, including any UCC-1 Financing Statements, that the Assignee Representative deems reasonably necessary to evidence the assignment of the Reimbursement Payments to Assignees. Assignor agrees to pay or reimburse the Assignee Representative for all fees, costs, and expenses relating to such filing or recording.

4. Assignor further agrees that upon an Event of Default (as defined in the Investment Documents), Assignee shall be entitled to enforce, use and enjoy the benefits of the TIF Agreement, to perform any obligations of the Assignor and to do any and all acts in the name of Assignee with the same force and effect as Assignor could do if this Assignment had not been made, under the TIF Agreement which are necessary to protect Assignee's rights to the Reimbursement Payments under this Assignment. Assignor agrees not to modify or amend the terms of the TIF Agreement in a way that would impact or affect the Reimbursement Payments without the express written consent of Assignee, which consent shall not be unreasonably withheld (it being acknowledged that it will not be unreasonable for an Assignee to withhold its consent if Assignee reasonably expects that the modification or amendment may negatively impact or affect the Reimbursement Payments). Assignor irrevocably constitutes and appoints the Assignee Representative as its attorney-in-fact to demand, enforce and receive Assignor's rights to the Reimbursement Payments under the TIF Agreement. Assignor hereby ratifies all actions that such attorney shall lawfully do or cause to be done by virtue of the preceding sentence. This power of attorney is a power coupled with an interest, will be irrevocable and shall terminate only upon indefeasible payment in full of the Reimbursement Payments and the termination of this Assignment. The powers conferred upon the Assignee and the Assignee Representative hereunder are solely to protect the Assignee's rights under this Assignment, and will not impose any duty upon it to exercise any such powers.

5. This Assignment is not effective until the City has executed and delivered to Assignee the attached acknowledgment and consent to this Assignment.

6. The duties and obligations of Assignor under this Assignment shall automatically terminate when all sums due Assignee under the Investment Documents and in connection with the Investment are paid in full. The Investment is an investment made by the Assignee in the Public Infrastructure Improvements identified in the TIF Agreement, and Assignor and Assignee agree that the Investment is not a loan from the Assignee to the Assignor. The Assignor has no obligation to pay the Investment and Interest to the Assignee, and the sole and exclusive recourse of the Assignee for payment of the Investment and Interest shall be Reimbursement Payments or any other amounts from the TIF Funds paid to the Assignor from the City, except that the Assignor has agreed in Section 2 to promptly pay to Assignee without demand any Reimbursement Payments paid by the City to Assignor. Notwithstanding anything to the contrary in this Assignment, Assignor may elect to terminate this Assignment by paying to Assignee an amount equal to the sum of (i) the difference between \$_____ and the portion of all Reimbursement Payments received to date by the Assignee that do not represent Interest, and (ii) any accrued Interest through the date of termination not yet received by Assignee; provided, that in such event Assignee shall provide to Assignor its accounting of all Reimbursement Payments and all portions thereof constituting Interest to enable Assignor to calculate the correct payment to the Assignee.

7. Notwithstanding anything to the contrary in this Assignment, Assignor agrees to indemnify and hold Assignee and the Assignee Representative harmless from and against all obligations, liabilities, losses, costs, expenses, fines, penalties or damages (including reasonable attorneys' fees) which Assignee or the Assignee Representative may incur by reason of Assignor's violation of any of the terms of this Assignment. Further, if Assignor defaults in the performance of any obligations under this Assignment or under the TIF Agreement or if any representation or covenant made by Assignor under this Assignment was untrue or incomplete on the date of this Assignment or thereafter becomes untrue or incomplete and Assignor fails to cure such default or such untrue or incomplete representation or covenant within thirty (30) days after notice of such default or such untrue or incomplete representation or covenant is given to Assignor by the Assignee, the Assignee may terminate this Assignment by providing written notice thereof to Assignor, at which point this Assignment shall be immediately terminated and the sole remedy of the Assignee shall be a payment by Assignor to Assignee of an amount equal to the sum of (i) the difference between \$_____ and the portion of all Reimbursement Payments received to date by the Assignor and transferred to the Assignee that do not represent Interest, and (ii) any accrued Interest through the date of such default not yet received by Assignee; provided, that in such event Assignee shall provide to Assignor its accounting of all Reimbursement Payments and all portions thereof constituting Interest to enable Assignor to calculate the correct payment to the respective Assignee.

This Section 7 shall survive the termination of this Assignment and the TIF Agreement, except that this Section 7 shall not survive any termination elected by Assignor under Section 6 of this Assignment.

8. This Assignment shall be governed by the laws of the State of Ohio.

9. **ASSIGNOR AND ASSIGNEE EACH HEREBY WAIVE ANY RIGHT TO**

HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE AGREEMENT OR THIS ACKNOWLEDGMENT, THE TRANSACTIONS RELATED THERETO OR THE RELATIONSHIP ESTABLISHED THEREBY. THIS PROVISION IS A MATERIAL INDUCEMENT TO ASSIGNOR AND ASSIGNEE TO ENTER INTO THIS TRANSACTION.

10. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which when taken together shall constitute one and the same document.

11. All notices expressly provided hereunder to be given by Assignee to Assignor and all notices, demands and other communications of any kind or nature whatever which Assignor may be required or may desire to give to or serve on Assignees shall be in writing and shall be (1) hand-delivered, effective upon receipt, (2) sent by United States Express Mail or by private overnight courier, effective upon receipt, or (3) served by registered or certified mail, return receipt requested, to the appropriate address set forth below, or at such other place as the Assignor or Assignee, as the case may be, may from time to time designate in writing by ten (10) days' prior written notice thereof. Any such notice or demand served by registered or certified mail, return receipt requested, shall be deposited in the United States mail, with postage thereon fully prepaid and addressed to the party so to be served at its address below stated or at such other address of which said party shall have theretofore notified in writing, as provided above, the party giving such notice. Service of any such notice or demand so made shall be deemed effective on the day of actual delivery as shown by the addressee's return receipt or the expiration of three (3) business days after the date of mailing, whichever is the earlier in time. Rejection or other refusal to accept or inability to deliver because of changed address of which no notice has been received shall also constitute receipt.

Assignor hereby requests that any notice, demand, request or other communication desired to be given or required pursuant to the terms hereof be addressed to Assignor as follows:

**FORM OF ACKNOWLEDGMENT OF ASSIGNMENT OF REIMBURSEMENT
PAYMENTS AND OTHER RIGHTS TO TIF FUNDS AND TIF AGREEMENT**

CITY OF REYNOLDSBURG, OHIO (“City”) hereby acknowledges and consents to the foregoing Assignment of Reimbursement Payments and Other Rights to TIF Funds and TIF Agreement (the “Assignment”), and agrees that, upon an Event of Default by Assignor under the TIF Agreement, the City shall, upon the written request of the Assignee Representative, continue performance of the City’s obligations under the TIF Agreement, including, but not limited to, disbursing the Reimbursement Payments (as defined in the Assignment) directly into the account specified by the Assignor, to be disbursed to the Assignee in accordance with the Assignment; provided, that as a condition of the City’s continued performance of its obligations under the TIF Agreement, the Assignee shall cure any Event of Default on the part of the Assignor under the TIF Agreement and continue performance (or cause performance) of Assignor’s obligations in accordance with the terms of the TIF Agreement.

The City agrees that no notice to Assignor of any default or Event of Default by Assignor in connection with the TIF Agreement shall be valid or effective unless and until a copy of the notice is given to the Assignee at the address provided in the Assignment (or such other address as Assignee may provide to the City from time to time), that Assignee shall thereafter have the right, but not the obligation, to cure such default or Event of Default, and that the period of time during which Assignee may so cure shall be the period allowed to Assignor, plus thirty (30) additional days; provided, however, that if the default or Event of Default may not be reasonably cured in such additional thirty (30) day period, if Assignee is diligently pursuing the cure of such default or Event of Default, the time period for the Assignee to complete such cure shall be extended by an additional thirty (30) day period.

The City acknowledges the power of attorney granted to Assignee in the Assignment and agrees to accept any reasonable performance of any obligations of Assignor under the TIF Agreement made by Assignee pursuant to such power of attorney, whether done in the name of Assignor or Assignee.

The City agrees to direct all Reimbursement Payments and all other sums to be paid to Assignor under the TIF Agreement directly into the account of the Assignor set forth on Exhibit A attached hereto and incorporated herein.

The City is under no obligation to ensure that the Reimbursement Payments made to the Assignor are subsequently transferred to the Assignees in accordance with the payment provisions of the Assignment. Once the Reimbursement Payments have been disbursed to Assignor, the Assignee’s recourse with respect to such payment will be limited to an enforcement action against the Assignor in accordance with the Assignment.

The City represents and warrants that Ordinance No. 2021-__, adopted by the City Council of the City on _____, 2021 has not been amended since its adoption and remains in full force and effect on the date hereof, that there has been no prior assignment of the TIF Agreement or the Reimbursement Payments of which it has notice, that the City’s agreements in the TIF Agreement

are valid, enforceable agreements of the City which are in full force and effect, that the TIF Agreement is unmodified and un-amended, that neither City nor, to the knowledge of the officers of the City signing this Acknowledgement, the Assignor is in default to the other thereunder and that all covenants, conditions and agreements to be performed by the City have been performed as required therein, except those not due to be performed until after the date hereof. The City agrees not to enter into any material modifications of the TIF Agreement which would impact or affect the Reimbursement Payments without the express written consent of each of the Assignees.

This Acknowledgment shall be governed by and construed in accordance with the laws of the State of Ohio.

ASSIGNEE, BY ACCEPTANCE OF THIS ACKNOWLEDGMENT, AND THE CITY HEREBY MUTUALLY, VOLUNTARILY, IRREVOCABLY AND UNCONDITIONALLY WAIVE FOR THE BENEFIT OF THE OTHER ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE TIF AGREEMENT OR THIS ACKNOWLEDGMENT, THE TRANSACTIONS RELATED THERETO OR THE RELATIONSHIP ESTABLISHED THEREBY. THIS PROVISION IS A MATERIAL INDUCEMENT TO ASSIGNEES AND THE CITY TO ENTER INTO THIS TRANSACTION.

ORDINANCE NO.

AN ORDINANCE DECLARING THE IMPROVEMENT OF CERTAIN REAL PROPERTY LOCATED IN THE CITY OF REYNOLDSBURG, OHIO TO BE A PUBLIC PURPOSE; CREATING SIX INCENTIVE DISTRICTS, THE CITY OF REYNOLDSBURG INCENTIVE DISTRICT #1A, CITY OF REYNOLDSBURG INCENTIVE DISTRICT #1B, CITY OF REYNOLDSBURG INCENTIVE DISTRICT #2, CITY OF REYNOLDSBURG INCENTIVE DISTRICT #3 WITHIN THE CITY, CITY OF REYNOLDSBURG INCENTIVE DISTRICT #4A, AND CITY OF REYNOLDSBURG INCENTIVE DISTRICT #4B WITHIN THE CITY; DECLARING THE IMPROVEMENTS TO REAL PROPERTY WITHIN THE INCENTIVE DISTRICTS TO BE A PUBLIC PURPOSE; DECLARING SUCH PROPERTY WITHIN THE INCENTIVE DISTRICTS TO BE EXEMPT FROM REAL PROPERTY TAXATION; DESCRIBING THE PUBLIC INFRASTRUCTURE IMPROVEMENTS MADE OR TO BE MADE TO DIRECTLY BENEFIT OR SERVE THE PARCELS FOR WHICH IMPROVEMENTS ARE DECLARED TO BE A PUBLIC PURPOSE; REQUIRING ANNUAL SERVICE PAYMENTS IN LIEU OF TAXES DURING THE PERIODS OF EXEMPTION; ESTABLISHING MUNICIPAL PUBLIC IMPROVEMENT TAX INCREMENT EQUIVALENT FUNDS FOR THE DEPOSIT OF SUCH SERVICE PAYMENTS; AUTHORIZING THE EXECUTION OF A TAX INCREMENT FINANCING AGREEMENT; AND APPROVING RELATED MATTERS, AND DECLARING AN EMERGENCY

WHEREAS, O.R.C. Section 5709.40(C) authorizes the legislative authority of a municipal corporation, by ordinance, to create an incentive district and to declare the increase in the assessed value of any real property within the incentive district that would first appear on the tax list and duplicate of real and public utility property after the effective date of an ordinance adopted under R.C. Section 5709.40 were it not for the exemption granted by that ordinance (with such increase in assessed value being referred to in this Ordinance, as in R.C. Section 5709.40(A)(4), as the “Incentive District Improvements,” and together with the Public Infrastructure Improvements as defined below, as the “Improvements”) to real property located within the incentive district and the municipal corporation to be a public purpose and exempt from taxation; and

WHEREAS, the City intends to create six incentive districts constituting the real property within the City as described more particularly on Exhibit A attached to and incorporated into this Ordinance (the “City of Reynoldsburg Incentive District #1A”, the “City of Reynoldsburg Incentive District #1B”, the “City of Reynoldsburg Incentive District #2”, the “City of Reynoldsburg Incentive District #3,” the “City of Reynoldsburg Incentive District 4A”, and the “City of Reynoldsburg Incentive District #4B,” and collectively, the “TIF Incentive Districts”), with each parcel within the TIF Incentive Districts referred to herein as a “Parcel”, whether as presently appearing on County tax duplicates or as subdivided or combined and appearing on future tax duplicates; and

WHEREAS, the real property shown in Exhibit A hereto and incorporated herein by reference (the “TIF Area”) is located in the State of Ohio (the “State”), County of Licking (the “County”), and the City, with each parcel within the TIF Area referred to herein as a “Parcel”, whether as presently

Attachment: Eastwood TIF #2 (Eastwood TIF #2)

appearing on County tax duplicates or as subdivided or combined and appearing on future tax duplicates; and

WHEREAS, Ciminello's, Inc. (the "Developer"), along with the current and future owners of the TIF Area (each an "Owner" and collectively the "Owners"), wish to develop the TIF Area by constructing an estimated 264 multi-family residential units and 159 homes and related improvements thereon and otherwise improving the TIF Area (such improvements being the "Public Infrastructure Improvements"), provided that the appropriate development incentives are available to support this development; and

WHEREAS, the City intends to (i) declare the increase in assessed value to the TIF Area as a result of the Public Infrastructure Improvements as a public purpose, (ii) exempt seventy-five percent (75%) of the increase in the assessed value of the real property located within the TIF Districts for a period of 10 years, and (iii) identify the public infrastructure improvements to be made on or in support of the TIF Area by the Developer (the "TIF Public Infrastructure Improvements"), which TIF Public Infrastructure Improvements are set forth in Exhibit B hereto and incorporated herein by reference, and

WHEREAS, as required by R.C. Section 5709.40(A)(5)(f), the City Engineer has certified to this Council that (i) each of the TIF Incentive Districts is each less than 300 acres in size, (ii) each of the TIF Incentive Districts is enclosed by continuous boundaries, and (iii) the public infrastructure serving each of the TIF Incentive Districts is inadequate to meet the development needs of the TIF Incentive Districts; and

WHEREAS, notice of the proposed adoption of the exemption authorized under R.C. Section 5709.40(C) by this Ordinance has been delivered by first class mail to every real property owner whose property is located within the boundaries of the proposed Incentive District not later than 30 days prior to September 27, 2021, and [], this Council conducted a public hearing on this Ordinance; and

WHEREAS, the overlay (within the meaning of R.C. Section 5709.40(A)(6)) for the Incentive District provided in the notice delivered to the owners of real property to be included in the Incentive District included all of the real property included in the Incentive District, and therefore no owners of real property were entitled to submit written responses under R.C. 5709.40(C) and this Council has not received any written responses; and

WHEREAS, this Council has determined to provide for the execution and delivery of an agreement between the City and the Developer (the "TIF Agreement") by which the Developer shall construct or cause to be constructed certain public infrastructure improvements within the TIF Incentive Districts (the portions of the TIF Agreement related to Parcel TIF Area, as defined in the TIF Agreement, is authorized by Ordinance No []); and

WHEREAS, pursuant to R.C. Section 5709.42, the City intends to require the Owner or Owners of each Parcel of real property within the TIF Area to make annual service payments in lieu of taxes to the Treasurer of Licking County, Ohio ("County Treasurer") on or before the final dates for payment of real property taxes, and the annual service payments in lieu of taxes are to be

charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the Improvements with respect to each Parcel if it were not exempt from taxation; and

WHEREAS, pursuant to R.C. Section 5709.43(A), this Council intends to establish a municipal public improvement tax increment equivalent fund for the exemptions authorized by this Ordinance into which service payments in lieu of taxes distributed to the City shall be deposited, and which, from the date of this Ordinance, shall be used as provided in this Ordinance; and

WHEREAS, the City has caused notice of the proposed passage of this Ordinance, including a copy of this Ordinance, to be delivered to both the Board of Education of the Southwest Licking Local School District (the “School District”) and the Board of Education of the Career & Technology Education Centers of Licking County (the “JVSD”) in accordance with O.R.C. Sections 5709.40 and 5709.83, or such notice has been waived;

NOW, THEREFORE, Be It Ordained by the Council of the City of Reynoldsburg, Ohio that:

SECTION I.

In accordance with R.C. Section 5709.40(C), the City hereby designates the TIF Area identified on Exhibit A as exempt from taxation under the terms set forth below and hereby establishes the TIF Incentive Districts as identified on Exhibit A, attached to and incorporated into this Ordinance, and further declares that the Improvements to the Parcels within the TIF Area subsequent to the effective date of this Ordinance are a public purpose. This Council hereby finds and determines, in accordance with R.C. Section 5709.40(C)(3)(b), that the Improvements attributable to the TIF Incentive Districts are expected to result from the construction of an estimated 264 multi-family residential units and 159 single family homes, which development this Council hereby finds and determines will place additional demand on the Public Infrastructure Improvements designated in Section VI of this Ordinance.

SECTION II.

Pursuant to R.C. Section 5709.40(C), the City hereby recognizes that the TIF Public Infrastructure Improvements are a public purpose and benefit or serve, or will benefit or serve, the parcels within the TIF Incentive Districts, and the City hereby exempts 75% of the increase in the assessed value of each parcel of real property located within the TIF Incentive Districts from taxation for a period of 10 years, commencing for each TIF Incentive District with the first tax year following the effective date of the TIF Ordinance in which an increase in the assessed valuation of any real property within the TIF Incentive District first appears on the tax list and duplicate of real and public utility property, and ending on the earlier of (a) ten (10) years after such commencement, or (b) the date on which the City can no longer require service payments in lieu of taxes, all in accordance with the requirements of O.R.C. Sections 5709.40, 5709.42 and 5709.43 and this Ordinance (the “TIF Exemptions”). The life of each of the TIF

Incentive Districts shall be coextensive with the term of the TIF Exemption applicable to each such TIF Incentive District.

SECTION III.

Pursuant to R.C. Section 5709.42, during the period when the exemption granted by this Ordinance is in effect the Owner or Owners are hereby required to make, and shall make, service payments in lieu of taxes with respect to the Improvements to the County Treasurer on or before the final dates for payment of real property taxes. Each service payment in lieu of taxes shall be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the Improvements on each Parcel as if it were not exempt from taxation pursuant to Section II of this Ordinance. Any late payments shall be subject to penalty and bear interest at the then current rate established under Ohio Revised Code Sections 323.121(B)(1) and 5703.47, as the same may be amended from time to time, or any successor provisions thereto, as the same may be amended from time to time (the payment of penalties and interest are collectively referred to herein with the payments in lieu of taxes as the "Service Payments"). The Service Payments, and any other payments in connection with the Improvement which are received by the City Fiscal Officer (the "Fiscal Officer") in connection with any reduction required by R.C. Section 319.302, as the same may be amended from time to time, or any successor provisions thereto as the same may be amended from time to time (the "Property Tax Rollback Payments") shall be allocated and deposited in accordance with Section IV.

SECTION IV.

At the same times and in the same manner as real property tax distributions, the County Treasurer shall distribute the Service Payments and the Property Tax Rollback Payments as follows: (i) first, a portion of the Service Payments paid with respect to the TIF Exemptions to various taxing agencies for certain protected tax levies in accordance with Ohio Revised Code Section 5709.40(F), and (ii) second, to the City, all remaining amounts for further deposit into the TIF Funds (as hereinafter defined) for payment of costs of the Public Infrastructure Improvements, as defined in Section VI of this Ordinance. The City shall then distribute the Service Payments and any Property Tax Rollback Payments in the TIF Funds after each semiannual settlement of real property taxes and in the following order of priority:

- (a) first, to pay or finance the costs associated with the Public Infrastructure constructed by or on behalf of the Developer or by or on behalf of the City (including payment of interest and payment of any bonds, notes, or any other obligations issued to pay such costs), as further described in the TIF Agreement; and
- (b) second, after the Developer and the City have been fully reimbursed as provided in the TIF Agreement, to the City for any other public

infrastructure constructed by or on behalf of the City or for any lawful purpose under R.C. Section 5709.40, 5709.42, 5709.43, and this Ordinance.

The TIF Funds, as hereinafter defined, shall remain in existence so long as the Service Payments and Property Tax Rollback Payments are collected and used for the above purposes, after which the TIF Funds shall be dissolved in accordance with R.C. Sections 5709.40, 5709.42, and 5709.43. Upon such dissolution, any incidental surplus remaining in the Funds shall be transferred to the general fund of the City.

SECTION V.

This Council, pursuant to and in accordance with the provisions of R.C. Section 5709.43, determines to and hereby does establish the City of Reynoldsburg Incentive District #1 Fund (the “Incentive District #1A TIF Fund”), the City of Reynoldsburg Incentive District #1B Fund (the “Incentive District #1B Fund”), the City of Reynoldsburg Incentive District #2 Fund (the “Incentive District #2 Fund”), the City of Reynoldsburg Incentive District #3 Fund (the “Incentive District #3 Fund”) the City of Reynoldsburg Incentive District #4A Fund (the “Incentive District #4A Fund”), and the City of Reynoldsburg Incentive District #4B Fund (the “Incentive District #4B Fund”), and collectively with the Incentive District #1A Fund, the Incentive District #1B Fund, the Incentive District #2 Fund, the Incentive District #3 Fund, the Incentive District #4A Fund, and the Incentive District #4B Fund, the “TIF Funds”) in the custody of the City and shall receive all distributions of Service Payments required to be made to the City pursuant to this Ordinance. The Service Payments and any Property Tax Rollback Payments received by the City shall be deposited into the Funds pursuant to R.C. Section 5709.43 and distributed pursuant to R.C. Section 5709.42 and this Ordinance. The Service Payments and any Property Tax Rollback Payments received by the City shall be used solely for the purposes authorized in R.C. Sections 5709.40, 5709.42, 5709.43, and 5709.82, including, but not limited to, paying the costs of the Public Infrastructure Improvements (as defined in Section VI of this Ordinance), including payment of interest and payment of any bonds, notes, or any other obligations issued to pay such costs, in a manner which is consistent with this Ordinance. The City shall use all Service Payments and any Property Tax Rollback Payments received and deposited into the TIF Funds as provided in this Ordinance. For all purposes of this Ordinance, “costs” of the Public Infrastructure Improvements payable from the Funds also shall include the items of “costs of permanent improvements” set forth in R.C. Section 133.15(B), and incurred with respect to the Public Infrastructure Improvements located within the TIF Area. The TIF Funds shall remain in existence so long as such Service Payments and any Property Tax Rollback Payments are collected and used for the aforesaid purposes, after which time the TIF Funds shall be dissolved and any surplus funds remaining therein distributed as set forth in Section IV(b) of this Ordinance.

SECTION VI.

The City hereby designates the Public Infrastructure Improvements set forth in Exhibit B for the TIF Incentive Districts, attached to and incorporated into this ordinance by this reference, as the “public infrastructure improvements,” as that term is defined in R.C. Section 5709.40(A)(8), which are made, are to be made, or are in the process of being made, by or on behalf of the City, that benefit or serve, or, once made, will benefit or serve the Parcels, as set forth in R.C. Section 5709.40(C)(3)(a).

The City further determines that all of the Public Infrastructure Improvements set forth in Exhibit B attached hereto, within the TIF Area, are general in nature, and all of the Public Infrastructure Improvements are supportive of and beneficial to the development of the TIF Area.

SECTION VII.

This Council further authorizes and directs the City Manager, the City Law Director, the City Finance Director, or other appropriate officers of the City: (i) to make such arrangements as are necessary and proper for collection of Service Payments from Owners; (ii) to make payment of the Service Payments to the City to be deposited into the TIF Funds; and (iii) to take all other actions as may be appropriate to implement this Ordinance. R.C. Section 5709.911 shall govern the priority status of the exemptions provided under this Ordinance. Under R.C. Sections 5709.40(C) and 5709.911, the City intends to apply for the exemption from real property taxation under this Ordinance. Not later than 30 days prior to September 27, 2021, this Council delivered notice, by first class mail, of a public hearing regarding this Ordinance (the “Residential Notice”). The Residential Notice included an overlay, within the meaning of R.C. Section 5709.40(A)(6), for each of the TIF Incentive Districts, which included all of the real property within the TIF Incentive Districts. On September 27, 2021, this Council conducted a public hearing regarding this Ordinance. No written responses to the Residential Notice were received under R.C. Section 5709.40(C).

SECTION VIII.

This Council hereby approves the TIF Agreement and authorizes the City to execute, deliver, and perform the TIF Agreement, including without limitation, by applying moneys on deposit in the TIF Funds for the purposes identified in the TIF Agreement. The Mayor is hereby authorized and directed, for and on behalf of the City, to execute and deliver the TIF Agreement, substantially in the form now on file with this Council, with such modifications to the form of the TIF Agreement as shall be approved by the Mayor, shall not be materially adverse to the City, and shall be consistent with this Ordinance, all of which shall be conclusively evidenced by the Mayor's signature on the TIF Agreement. The Mayor is further hereby authorized to execute and deliver any additional agreements or instruments as the Mayor shall deem necessary to carry out the purposes of this Ordinance and the TIF Agreement, and the City is hereby authorized to perform its obligations under any of those agreements or instruments

SECTION IX.

Pursuant to R.C. Section 5709.40(I), the Clerk of Council is hereby directed to deliver a copy of this Ordinance to the Director of the Ohio Development Services Agency (“ODSA”) within 15 days after its adoption. On or before March 31 of each year that an exemption set forth in Section II of this Ordinance remains in effect, the officer or officers authorized by Section IX of this Ordinance to take actions necessary to implement this Ordinance shall prepare and submit to the Director of ODSA the status report required under R.C. Section 5709.40(G).

SECTION X.

The City hereby maintains the City of Reynoldsburg Tax Incentive Review Council, the membership of which is and shall remain constituted in accordance with R.C. Section 5709.85. In accordance with R.C. Section 5709.85, the City of Reynoldsburg Tax Incentive Review Council reviews and shall continue to review annually all exemptions from taxation resulting from the declarations set forth in this Ordinance and any other such matters as may properly come before it, all in accordance with R.C. Section 5709.85.

SECTION XI.

This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law including R.C. Section 121.22.

SECTION XII.

This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the financial needs of the City. The reason for such necessity is to expeditiously proceed with re-development plans for the Development Site without further delay. This Ordinance shall take effect immediately upon the signature of the Mayor.

Passed this 8th day of November, 2021.

RE: Ohio Revised Code Sections 5709.40 Notice Regarding Proposed
Tax Increment Financing

Dear Superintendent Malainy:

This letter constitutes notice to the Board of Education of the Career & Technology Education Centers Licking County (the "School District") that the City Council ("Council") of the City of Reynoldsburg, Ohio (the "City") intends to consider and vote upon an ordinance (the "TIF Ordinance") pursuant to Ohio Revised Code Section 5709.40, relating to (i) the creation of six tax increment financing incentive districts (each individually as "Incentive District" and collectively as the "Incentive Districts"); and (ii) the exemption from real property taxation of the increase in the assessed value of certain real property located in the Incentive Districts to pay for public infrastructure improvements, such as the construction of roads and water lines, that will benefit the properties located in the Incentive Districts ("Improvements"). The Improvements attributable to the Incentive Districts are expected to result from the construction of an estimated 264 multi-family residential units and 159 single family homes located within the School District and the City.

Maps delineating the boundaries of each Incentive District and the overlay for each Incentive District are enclosed. And a description of the real property in question is contained in Exhibit A of the TIF Ordinance attached hereto as **Exhibit A**.

Pursuant to the TIF Ordinance, the TIF exemption will provide improvements to the real property in question a seventy-five percent (75%) exemption from real property taxation for a period of ten (10) years. The Board intends to adopt the TIF Ordinance in substantially the same form as it appears at **Exhibit A** hereto at the Board meeting to be held on September 27, 2021 at 6:30 p.m.

Please be advised that this notice is given pursuant to Ohio Revised Code Section 5709.40. We believe the proposed TIF to be in the best interest of the community and welcome any comments or questions you may have concerning the proposed TIF. Please be sure to submit any such comments or questions to me prior to September 17, 2021.

RE: Ohio Revised Code Sections 5709.40 and 5709.83 Notice Regarding Proposed
 Tax Increment Financing

Dear Superintendent Perkins:

This letter constitutes notice to the Board of Education of the Southwest Licking Local School District (the "School District") that the City of Reynoldsburg, Ohio (the "City") intends to adopt an ordinance establishing a tax increment financing ("TIF") exemption from real property taxation for certain improvements to certain parcels of real property located within the School District and the City under Ohio Revised Code Sections 5709.40(B). A draft of the proposed ordinance (the "TIF Ordinance") in substantially the same form as it will be presented to the Council of the City (the "Council") is enclosed as Exhibit A. The following information is given pursuant to Ohio Revised Code Sections 5709.40 and 5709.83:

Identification of Parcels to Be Exempted: See Exhibit B.

Period for Which the Improvement Will Be Exempted from Taxation: Pursuant to the TIF Ordinance and in accordance with Ohio Revised Code Sections 5709.40(B) and 5709.40(G), the exemption for each parcel subject to the TIF exemption shall terminate on the earlier of (a) 10 years after the Improvement (as defined in the TIF Ordinance) to each parcel first appeared on the tax list and duplicate of real and public utility property, or (b) the date on which the City can no longer require service payments in lieu of taxes, all in accordance with the requirements of Ohio Revised Code Sections 5709.40, 5709.42, and 5709.43.

Percentage of Improvements to Be Exempted: 75%.

The Council intends to adopt the TIF Ordinance on September 27, 2021. Council meetings are held at Council Chambers, 7232 E. Main Street, Reynoldsburg, Ohio 43068 and begin at 6:30 p.m.

Any comments or questions which you may have concerning the proposed TIF Ordinance should be forwarded to Andrew Bowsher, Development Director, prior to September 24, 2021. We believe this project is in the best interests of the City, and that it will benefit the entire community, including the School District.

TAX INCREMENT FINANCING AGREEMENT

This TAX INCREMENT FINANCING AGREEMENT (this “Agreement”) is made and entered into as of this _____ day of _____, 2021 (the “Effective Date”), by and among CITY OF REYNOLDSBURG, OHIO, a municipal corporation and political subdivision (the “City”), and CIMINELLO’S, INC., an Ohio corporation (the “Company”).

WITNESSETH:

WHEREAS, Company has acquired or will acquire certain real property which is located within the jurisdiction of the City, consisting of [] +/- acres known on the Effective Date as Parcel Numbers 010-017466-00.000, and [] in the records of the Office of the Auditor of Licking County, Ohio (the “Auditor”) (the “Property”), and a depiction and legal description of the Property is attached hereto and incorporated herein by reference as Exhibit A; and

WHEREAS, Company plans to develop the Property as a residential subdivision within which a maximum of [] homes and approximately 264 multi-family units with additional sites available for commercial development are to be constructed (the “Project”); and

WHEREAS, in order to provide for the orderly development of the Property, it is necessary to construct or to cause to be constructed certain public infrastructure improvements as described in Section 4 and in Exhibit B attached hereto and incorporated herein by reference (the “Public Infrastructure Improvements”), which City and Company agree will benefit and serve the Property; and

WHEREAS, City desires to form six tax increment financing districts, as set forth in greater detail in Exhibit A, in accordance with Ohio Revised Code (“O.R.C.”) Section 5709.40(C) and the terms of this Agreement (each a “TIF District” and collectively the “TIF Districts”) for the purpose of providing the means to fund or reimburse the costs of constructing the Public Infrastructure Improvements; and

WHEREAS, by its Ordinance No. 2021-[] passed [], 2021 (the “TIF Ordinance”), the City has declared that seventy-five percent (75%) of the increase in the assessed value of the real property located within the TIF Districts subsequent to the effective date of the TIF Ordinance (such increase, as further defined in O.R.C. Section 5709.40 and the TIF Ordinance, is hereinafter referred to as the “Improvement”), is a public purpose and is exempt from taxation for a period commencing for each TIF District with the earlier of (i) the first tax year following the effective date of the Incentive Ordinance in which an increase in the assessed valuation of any real property attributable to a structure within the TIF District first appears on the tax list and duplicate of real and public utility property, and ending for each TIF District on the earlier of (a) ten (10) years after such commencement, or (b) the date on which the City can no longer require service payments in lieu of taxes, all in accordance with the requirements of O.R.C. Sections 5709.40, 5709.42 and 5709.43 and the TIF Ordinance (the “TIF Exemption”); and

WHEREAS, the City sent notice of the TIF Exemption to both the Board of Education of the Southwest Licking Local School District (the “School District”) and the Board of Education of the Career & Technology Education Centers of Licking County (the “JVSD”) in accordance

Attachment: Licking Heights Notice (Eastwood TIF #2)

with O.R.C. Sections 5709.40(D) and 5709.83, or such notice has been waived; and

WHEREAS, City has determined that it is necessary and appropriate and in the best interest of City to provide for the current owners of each parcel of real property contained within the Property (each such parcel to be referred to herein as a “Parcel”) and any future owners of each Parcel (each such owner referred to herein individually as an “Owner” and collectively as the “Owners”) to make annual service payments in lieu of taxes with respect to any Improvement allocable thereto (the “Service Payments”) to the Licking County Treasurer (the “County Treasurer”), which Service Payments will be used, in part, to pay the costs of Public Infrastructure Improvements, all pursuant to and in accordance with O.R.C. Sections 5709.40, 5709.42 and 5709.43 (collectively, the “TIF Statutes”), the TIF Ordinance, and this Agreement; and

WHEREAS, the City Council of the City in the TIF Ordinance approved the terms of this Agreement and authorized its execution on behalf of the City; and

NOW, THEREFORE, in consideration of the premises and covenants contained herein and to induce the Company to create the Improvements, the parties agree to the foregoing and as follows:

Section 1. Obligation to Make Service Payments.

(a) Service Payments. Each Owner, including the Company, hereby agrees to make the Service Payments due during its period of ownership of one or more Parcels, all pursuant to and in accordance with the requirements of the TIF Statutes, the TIF Ordinance, the provisions of Ohio law relating to real property tax collection, and any subsequent amendments or supplements thereto. Service Payments will be made semiannually to the County Treasurer (or to the County Treasurer’s designated agent for collection of the Service Payments) on or before the final dates for payment of real property taxes for the Parcels in the TIF District, until the respective expirations of the TIF Exemptions. Any late payments will bear penalties and interest at the then current rate established under O.R.C. Sections 323.121 and 5703.47 or any successor provisions thereto, as the same may be amended from time to time. Service Payments will be made in accordance with the requirements of the TIF Statutes and the TIF Ordinance and, for each Parcel, will be in the same amount as the real property taxes that would have been charged and payable against the Improvement to that Parcel (after credit for any other payments received by the City under O.R.C. Sections 319.302, 321.24, 323.152 and 323.156, or any successor provisions thereto, as the same may be amended from time to time, with respect to each Parcel, with such payments referred to herein as the “Property Tax Rollback Payments”) if it were not exempt from taxation pursuant to the TIF Exemption, including any penalties and interest. The City agrees that a City Public Improvement Tax Increment Equivalent Fund shall be created for each TIF District (each an “Incentive District TIF Fund”, the “TIF Funds”), which will receive all applicable Service Payments and Property Tax Rollback Payments made with respect to the Improvement to each Parcel that are payable to the City, together with any investment earnings on money in the TIF Funds.

(b) Priority of Lien. Company acknowledges, for itself and any and all future Owners, that the provisions of O.R.C. Section 5709.91, which specify that the Service Payments for each Parcel will be treated in the same manner as taxes for all purposes of the lien described in O.R.C. Section 323.11, including, but not limited to, the priority of the lien and the collection of Service

Payments, will apply to this Agreement and to the Parcels in the TIF District and any Improvements thereon.

(c) Failure to Make Payments. Should any Owner fail to make any payment required hereunder, that Owner shall pay, in addition to the Service Payments it is required to pay hereunder, such amount as is required to reimburse City and Company for any and all reasonably and actually incurred costs, expenses and amounts (including reasonable attorneys' fees) required by the City or the Company to enforce the provisions of this Agreement against that Owner.

(d) Recordation. Promptly following the date when Company has obtained legal ownership of all or any portion of the Property, it shall, at its sole cost and expense, cause an instrument to be recorded in the Licking County, Ohio real property records for each Parcel in the TIF District that provides evidence of the existence of this Agreement, it being understood and agreed that the lien of this Agreement shall, in accordance with O.R.C. Section 323.11 and O.R.C. Section 5709.91, be prior to any mortgage, assignment, lease or other conveyance by the Owners of any of their part of or interest in the Parcels within the TIF District, and prior to any security instrument encumbering all or any part of or interest in the Parcels within the TIF District; provided, however, that nothing contained in this Agreement shall be construed to permit acceleration of the Service Payments beyond the current year that such Service Payments are due. During the Term of this Agreement, the Owners shall cause all instruments of conveyance of any of their interest in all or any portion of the Parcels within the TIF District, and of any Improvements thereto, to subsequent mortgagees, lessees, lienholders, successors, assigns or transferees, to be made expressly subordinate and subject to this Agreement unless such interest is subordinate to this Agreement by operation of O.R.C. Section 5709.91 or other law. It is intended and agreed, and it shall be so provided by each Owner in any future deed conveying a Parcel or any part thereof, that the covenants provided in this Agreement shall be covenants running with the land and that they shall, in any event and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit and in favor of and enforceable by City and Company whether or not such provision is included by the Owner in any succeeding deed to subsequent Owners. It is further intended and agreed that these agreements and covenants shall remain in effect for the full periods of all of the TIF Exemptions enacted pursuant thereto. Each Owner shall only be responsible for making Service Payments that become due and payable during the period of that Owner's ownership of all or any portion of any Parcels within an applicable TIF District and only with respect to the portion of a Parcel within the TIF District which is owned by the Owner. Upon satisfaction of each Owner's obligations under this Agreement and termination of the obligations of the Owners to make the Service Payments, City shall, upon the request of an Owner, execute an instrument in recordable form evidencing such termination and releasing the covenants running with the land set forth in the deed.

Section 2. Establishment of TIF Funds by City. City agrees that it shall establish the TIF Funds as deposit funds to be held in the custody of City for the sole purpose of receiving the Service Payments made from the Owners to the County Treasurer and payable to City. Pursuant to the TIF Ordinance and in accordance with the TIF Statutes, the County Treasurer is to distribute a portion of the Service Payments from the TIF Funds only to various taxing agencies for certain protected tax levies in accordance with O.R.C. Section 5709.40(F). Following such distribution, the County Treasurer is required to make distribution of the Service Payments to City, and any Service Payments received by the City shall be deposited to the TIF Funds. Pursuant to the TIF

Ordinance and in accordance with the TIF Statutes, amounts on deposit in the TIF Funds shall be used by the City to reimburse the Company for costs of the Public Infrastructure Improvements or to pay obligations issued to finance the Public Infrastructure Improvements in the manner and amounts described and permitted herein.

Section 3. Exemption Applications, Withdrawal, Maintenance and Notice. Company, or the Owner if the Company no longer owns a Parcel for which a TIF Exemption is being applied, shall prepare, execute and request that the City file such applications, documents and other information with the appropriate officials of the State, City or other public bodies as may be required to consent to or claim the TIF Exemptions. City agrees to timely file any such applications prepared by the Company or any Owner. City, Company, and the Owners shall cooperate with one another in such preparation and filing, including, without limitation, by executing such applications and documents as may be appropriate in obtaining such exemption. City, Company, and the Owners agree to perform those acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain the TIF Exemptions, and collect the Service Payments, including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with the TIF Exemptions or the Service Payments. Each Owner agrees to cooperate with the City and the Company as necessary for the purpose of filing any Ohio DTE Form 24 exemption application forms or successor forms or replacement forms necessary to claim the TIF Exemptions.

Section 4. Reimbursement for Costs of Public Infrastructure Improvements. The City shall pay to the Company or the Company's designee in accordance with the terms of this Agreement with respect to the Public Infrastructure Improvements, the actual costs of the Public Infrastructure Improvements (with the costs of all the Public Infrastructure Improvements collectively referred to herein as the "Costs"), plus interest on those Costs at the Interest Rate provided for below. The Company shall submit a written requisition to the City, substantially in the form attached hereto as Exhibit C and incorporated herein by this reference (each a "Written Requisition"), in order for the amounts in the TIF Funds to be used as provided in this Section 5. Except as otherwise agreed between the Company and the Mayor, the Company may submit up to four (4) Written Requisitions per calendar year.

The City shall pay all monies on deposit in the TIF Funds to or as directed by the Company on the first business day following each May 31 and November 30 (each, a "Payment Date") until all of the Costs and all interest thereon have been paid in full. In addition to submission of a Written Requisition for the Costs, the Company shall deliver to the City, at least fifteen (15) days prior to each Payment Date, a statement showing the total amount of interest then due to the Company under this Agreement, along with a brief description of the basis and calculations for the same; provided, however, that failure by the Company to deliver this statement shall not excuse the City from its payment obligation on each Payment Date if the City knows or reasonably should know that amounts are due the Company under this Agreement on that Payment Date, and provided further that in all other cases, that failure by the Company shall only delay payment to the same extent delivery of the statement was delayed. Any monies paid pursuant to this Agreement will be applied first to the payment of interest on those Costs at the applicable Interest Rate provided for below and second to the payment of the Costs, so that all interest due shall be paid before the payment of any Costs.

Interest on the portion of Costs of the Public Infrastructure Improvements shall accrue at the Interest Rate from the date on which the Company submits each Written Requisition and shall continue until all Costs of the Public Infrastructure Improvements and all interest on those Costs have been paid in full. Any interest on any Costs that remain unpaid on the date following each Payment Date will itself accrue interest in the same manner as the Costs. As used in this Agreement, "Interest Rate" means the greater of (i) six percent (6%) per annum, or (ii) the interest paid by any governmental issuer of revenue bonds or revenue notes issued to finance or refinance the Costs of the Public Infrastructure Improvements.

For purposes of this Agreement, "costs" of the Public Infrastructure Improvements includable in "Costs" under this Agreement include, without limitation as to other costs properly allocable to Public Infrastructure Improvements, the costs of: acquiring, constructing, reconstructing, rehabilitating, installing, remodeling, renovating, enlarging, equipping, furnishing, or otherwise improving the Public Infrastructure Improvements; site clearance, improvement, and preparation; acquisition of real or personal property; indemnity and surety bonds and premiums on insurance; all related direct administrative expenses and allocable portions of direct costs of the Company, including but not limited to engineering, architectural, legal, management fees and other consulting and professional services; designs, plans, specifications, feasibility or rate studies, appraisals, surveys, and estimates of cost; interest or interest equivalent, whether capitalized or not; financing costs; title work and title commitment, insurance, and guaranties; audits; the reimbursement of moneys advanced or applied by or borrowed from any person, whether to or by the City, any other political subdivision or the Company or others, from whatever source provided, for the payment of any item or items of cost of Public Infrastructure Improvements, including interest or interest equivalent thereon; and all other expenses necessary or incidental to planning (including but not limited to traffic studies) or determining feasibility or practicability with respect to permanent improvements or necessary or incidental to the acquisition, construction, reconstruction, rehabilitation, installation, remodeling, enlargement, equipping, furnishing, or other improvement of the permanent improvements, including the close-out thereof, the financing of the permanent improvements, and the placing of the permanent improvements in condition for use and operation, and all like or related costs, including any one, part, or combination of, those costs and expenses. As used in this paragraph, "financing costs", "interest" and "interest equivalent" have the meanings given in R.C. Section 133.01.

All payments to the Company or the Company's designee hereunder on each Payment Date shall be made pursuant to written instructions provided to the City by the Company.

The Company and City intend that the interest payable by the City under this Agreement shall be exempt from federal income taxation and taxation by the State of Ohio to the extent permitted by law; provided, however, the Company may, by written notice delivered to the City prior to commencement of the City's obligation to make payments for the Costs under this Agreement, elect to have the interest payable by the City not be exempt from taxation and have the Costs accrue taxable interest. With respect to any portion of that interest so intended to be exempt from federal and Ohio taxation, the City covenants that it will, to the extent possible, (i) comply with all applicable laws to obtain and maintain the Federal and State of Ohio tax exemptions for such interest, including any expenditure requirements, investment limitations, rebate requirements or use restrictions, and (ii) without limiting the generality of the foregoing, that it will restrict the use of any "proceeds" of this Agreement (as defined in the Code, as

defined below) in such manner and to such extent, if any, as may be necessary after taking into account reasonable expectations at the time the City's obligation is incurred, so that this Agreement will not constitute an "arbitrage bond" under Sections 103(b)(2) and 148 of the Code, and will timely file an IRS Form 8038G when applicable. For purposes of this Agreement, "Code" means, collectively the Internal Revenue Code of 1986, as amended, applicable Treasury Regulations, whether temporary or final, under the Internal Revenue Code of 1986 or the statutory predecessor of the Internal Revenue Code of 1986, and any amendments of, or successor provisions to, the foregoing and any official rulings, announcements, notices, procedures and judicial determinations regarding the foregoing, all as and to the extent applicable.

Notwithstanding any other provision of this Agreement, the City's payment obligations hereunder are limited to the monies in the TIF Funds and do not constitute an indebtedness of the City within the provisions and limitations of the laws and the Constitution of the State of Ohio, and the Company does not have the right to have taxes or excises levied by the City for the payment of the Costs and interest thereon.

Section 5. Construction of Project. The Company shall comply with all applicable laws in constructing and developing the Project.

Section 6. Certain Representations and Warranties of City. City represents and warrants as of the date of delivery of this Agreement that:

(a) It is a City and political subdivision duly organized and validly existing under the Constitution and laws of the State of Ohio.

(b) It has duly accomplished all conditions necessary to be accomplished by it prior to the execution and delivery of this Agreement and to constitute this Agreement as a valid and binding obligation of the City enforceable in accordance with its terms.

(c) It is not in violation of or in conflict with any provision of the laws of the State of Ohio or of the United States of America applicable to City that would impair its ability to observe and perform its covenants, agreements and obligations under this Agreement, nor will its execution, delivery and performance of this Agreement (i) result in such a violation or conflict or (ii) conflict with or result in any breach of any provisions of any other agreement or instrument to which City is a party or by which it may be bound.

(d) It has and will have full power and authority (a) to execute, deliver, observe and perform this Agreement and all other instruments and documents executed and delivered by it in connection herewith and (b) to enter into, observe and perform the transactions contemplated by this Agreement and those other instruments and documents.

(e) It has or will have duly authorized the execution, delivery, observance and performance of this Agreement.

(f) The TIF Ordinance has been duly passed by the City, has not been amended, modified, or repealed, and is in full force and effect.

(g) It will deposit into the TIF Funds all Service Payments and Property Tax Rollback Payments received by it.

(h) It will not amend, modify or repeal the TIF Ordinance in any way or pass any other legislation or take any action that would affect the amount of Service Payments and Property Tax Rollback Payments deposited into the TIF Funds except as approved by Company or required by law.

(i) It will not transfer, encumber, spend or use any monies on deposit in the TIF Funds other than as provided in this Agreement and in the assignment and acknowledgement associated with this Agreement.

(j) There is no litigation pending or to its knowledge threatened against or by City wherein an unfavorable ruling or decision would materially and adversely affect City's ability to carry out its obligations under this Agreement.

Section 7. Certain Representations and Warranties of the Company. Company hereby represents and warrants as of the date of delivery of this Agreement that:

(a) It is a corporation duly organized, validly existing and in full force and effect under the laws of the State of Ohio, and it has all requisite power and authority to carry on its business as now being conducted and as presently proposed to be conducted.

(b) It either owns or is affiliated with a party to one or more written contracts to purchase the real property that is located within the TIF District, and such written contract(s) remains effective on the Effective Date.

(c) It has the authority and power to execute and deliver this Agreement and perform its obligations hereunder, and it has duly executed and delivered this Agreement.

(d) The execution and delivery by it of this Agreement and the compliance by it with all of the provisions hereof (i) will not conflict with or result in any breach of any of the provisions of, or constitute a default under, any agreement, its articles of organization or operating agreement, or other instrument to which it is a party or by which it may be bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over it or any of its activities or properties, and (ii) have been duly authorized by all necessary action on its part.

(e) There are no actions, suits, proceedings, inquiries or investigations pending, or to its knowledge threatened, against or affecting it in any court or before any governmental authority or arbitration board or tribunal that challenges the validity or enforceability of, or seeks to enjoin performance of, this Agreement, or if successful would materially impair its ability to perform its obligations under this Agreement.

(f) It is in compliance with State of Ohio campaign financing laws contained in O.R.C. Chapter 3517 and is not subject to an unresolved finding for recovery issued by the Auditor of State as described in O.R.C. Section 9.24.

Section 8. Provision of Information. Company agrees for itself and all Owners, to (i) cooperate in all reasonable ways with, and provide necessary and reasonable information to, the designated tax incentive review council to enable that tax incentive review council to review and determine annually during the term of this Agreement the compliance of the Owners with the terms of this Agreement; and (ii) to cooperate in all reasonable ways with, and provide necessary and reasonable information to the City to enable the City to submit the status report required by O.R.C. Section 5709.40(I) to the Director of the Ohio Development Services Agency on or before March 31st of each year. The City and the Company agree that the Company shall not have any obligation to provide any reporting under this Agreement if the Company no longer owns any property within any of the TIF District.

Section 9. Estoppel Certificate. Within thirty (30) calendar days after a request from Company or any Owner of a Parcel, City will execute and deliver to Company or Owner or any proposed purchaser, mortgagee or lessee of that Parcel, a certificate stating that, with respect to that Parcel, if the same is true: (i) this Agreement is in full force and effect; (ii) the requesting Company or Owner is not in default under any of the terms, covenants or conditions of this Agreement, or, if Company or Owner is in default, specifying such default; and (iii) such other matters as Company or Owner reasonably requests.

Section 10. Notices. Except as otherwise specifically set forth in this Agreement, all notices, demands, requests, consents or approvals given, required or permitted to be given hereunder must be in writing and will be deemed sufficiently given if actually received or if hand-delivered or sent by recognized, overnight delivery service or by certified mail, postage prepaid and return receipt requested, addressed to the other party at the address set forth in this Agreement or any addendum to or counterpart of this Agreement, or to such other address as the recipient has previously notified the sender of in writing, and will be deemed received upon actual receipt by the parties listed below or by any other person employed at the addresses listed below, unless sent by certified mail, in which event such notice will be deemed to have been received when the return receipt is signed or refused. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, certificates, requests or other communications must be sent. The present addresses of the parties follow:

Section 11. Successors; Amendments; City Consents; Assignments. This Agreement is binding upon the parties hereto and their successors and assigns, and this Agreement inures to the benefit of the Company and its beneficiaries, successors, and assigns. This Agreement may only be amended by written instrument executed by all parties to this Agreement. Any consent of City to be given under this Agreement may be given by its Fiscal Officer and Mayor and must be given in writing.

City and Company may only assign this Agreement with the consent of the other, which consent shall not be unreasonably withheld; provided, however, that Company may, without the consent of the City, (i) assign its rights under this Agreement to an entity controlled by or under common control with the Company, (ii) assign its rights under this Agreement for the purpose of obtaining financing (including any refinancing) for the Public Infrastructure Improvements or the Improvements, (iii) designate an authorized designee to receive all or any portion of the Service Payments payable to the Company pursuant to this Agreement, upon which designation such designee shall receive the portion of Service Payments specified by the Company as if it was the Company under this Agreement, and (iv) assign its right, title, and interest in and to this Agreement as security for the payment of all or any portion of the Service Payments payable to the Company pursuant to this Agreement to a designee. Nothing in this Agreement prevents an Owner from transferring any or all of its interest in one or more Parcels to another person or entity.

City will cooperate with any reasonable assignment request made by the Company in connection with any financing (or refinancing) of the Public Infrastructure Improvements or the Improvements. City agrees upon request of the Company in connection with that financing (or refinancing) to consent to any third-party assignment by Company of its interest in the TIF Funds. In accordance with this Section 10, the City agrees to permit any assignment according to the Assignment of Reimbursement Payments and Other Rights to TIF Funds, a form of which is attached hereto as Exhibit D, to the investors identified therein.

Section 12. Extent of Covenants; No Personal Liability. All covenants, stipulations, obligations and agreements of the parties contained in this Agreement are effective and enforceable to the extent authorized and permitted by applicable law. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity. No such covenant, stipulation, obligation or agreement will be deemed a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of any of the parties hereto in their individual capacity. Neither the City, the members of the City's Council or Fiscal Officer, nor any City official executing or approving this Agreement, or any individual person executing this Agreement on behalf of the Company, will be liable personally by reason of the covenants, stipulations, obligations or agreements of the City or the Company contained in this Agreement. The obligation to perform and observe the agreements contained herein on the part of the Company shall be binding and enforceable by City against Company with respect to (and only to) the Company's interest in its portion of the Parcels and the Project, or any parts thereof or any interest therein.

Section 13. Events of Default and Remedies.

Attachment: Licking Heights Notice (Eastwood TIF #2)

(a) Any one or more of the following constitutes an “Event of Default” under this Agreement:

(i) Company or City fails to perform or observe any material obligation punctually and as due under this Agreement;

(ii) Company or City makes a representation or warranty in this Agreement that is materially false or misleading at the time it is made.

For the avoidance of doubt, any failure by an Owner other than the Company to perform or observe any material obligation punctually and as due under this Agreement shall not constitute an Event of Default and shall not provide the Company or the City with any right to pursue remedies under law, including any remedies that may otherwise be available under this Agreement.

(b) General Right to Cure. In the event of any Event of Default in or breach of this Agreement, or any of its terms or conditions, by any party hereto, the defaulting party will, upon written notice from the other, proceed, as soon as reasonably possible, to cure or remedy such Event of Default or breach, and, in any event, within thirty (30) calendar days after receipt of such notice. In the event such Event of Default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting party will upon written notice from the other commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach.

(c) Remedies. If a defaulting party fails to cure any Event of Default pursuant to paragraph (b) of this Section 15, a party may institute such proceedings against the defaulting party as may be necessary or desirable in its opinion to cure and remedy such default or breach. Such remedies include, but are not limited to: (i) instituting proceedings to compel specific performance by the defaulting party, (ii) suspending or terminating the obligations of the non-defaulting party under this Agreement, provided the aggrieved party must provide thirty (30) calendar days’ notice of any termination to the defaulting party and provided further that the aggrieved party must rescind the termination notice and not terminate the Agreement if the defaulting party cures all Events of Default within a reasonable time thereafter, and (iii) any other rights and remedies available at law, in equity or otherwise to collect all amounts then becoming due or to enforce the performance of any obligation under this Agreement. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity.

Section 14. Invalidity. This Agreement shall be construed as a whole and not for or against either party. Should any provision of this Agreement be declared or determined to be null, void, inoperative, illegal or invalid for any reason, the validity of the remaining parts, terms or provisions shall not be affected thereby and they shall retain their full force and effect, and said null, void, inoperative, illegal or invalid part, term or provision shall be deemed not to be a part of this Agreement.

Section 15. Separate Counterparts; Captions. This Agreement may be executed by the parties hereto in one or more counterparts or duplicate signature pages, each of which when so executed and delivered will be an original, with the same force and effect as if all required signatures were contained in a single original instrument. Any one or more of such counterparts

or duplicate signature pages may be removed from any one or more original copies of this Agreement and annexed to other counterparts or duplicate signature pages to form a completely executed original instrument. Captions have been provided herein for the convenience of the reader and shall not affect the construction of this Agreement.

Section 16. Entire Agreement. This Agreement constitutes the entire agreement among the parties with respect to the matters covered herein and supersedes prior agreements and understandings among the parties.

Section 17. Governing Law and Choice of Forum. This Agreement will be governed by and construed in accordance with the laws of the State of Ohio. All claims, counterclaims, disputes and other matters in question among the City, its employees, contractors, subcontractors and agents, and the Company, its employees, contractors, subcontractors and agents arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within the County of Licking, State of Ohio.

Section 18. Additional Documents. City and Company and their respective successors, assigns and transferees, agree to execute any further agreements, documents, or instruments as may be reasonably necessary to fully effectuate the purpose and intent of this Agreement.

Section 19. Release. Upon satisfaction of the Company's obligations under this Agreement and the expiration of the TIF Exemption applicable to the Property under the TIF Ordinance, or the termination of the obligations of the Owners to make the Service Payments by operation of law or otherwise, the City shall, upon request of the Company or of any individual Owner, execute an instrument in recordable form evidencing such satisfaction or termination.

IN WITNESS WHEREOF, City and Company have caused this Agreement to be executed in their respective names by their duly authorized officers as of the date hereinabove written.

**FORM OF ASSIGNMENT OF REIMBURSEMENT PAYMENTS AND OTHER RIGHTS
TO TIF FUNDS AND TIF AGREEMENT**

This ASSIGNMENT OF REIMBURSEMENT PAYMENTS AND OTHER RIGHTS TO TIF FUNDS AND TIF AGREEMENT (this “Assignment”), dated as of this ____ day of _____, 20__, is hereby entered into by CIMINELLO’S, INC., an Ohio corporation (“Assignor”), having an address at [], in favor of _____, a _____ (the “Assignee”). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the TIF Agreement.

RECITALS

A. Assignor and Reynoldsburg, Ohio (“City”) intend to enter into that certain Tax Increment Financing Agreement (the “TIF Agreement”). Upon the effectiveness of the TIF Agreement, Assignor has agreed to construct the Public Infrastructure Improvements which will directly benefit the Property in consideration for the City’s agreement to pay the actual costs of the Public Infrastructure Improvements (with the costs of all the Public Infrastructure Improvements collectively referred to herein as the “Costs”), plus interest on those Costs at the Interest Rate provided for in the TIF Agreement and other permitted costs.

B. Assignee has agreed to advance to Assignor the amount of _____ Dollars (\$_____) (the “Investment”), as consideration for the assignment by the Assignor of all rights to receive Reimbursement Payments (defined below), all pursuant to the terms and conditions set forth in this Assignment.

C. As used herein, this Assignment, the TIF Agreement, and any other instrument, affidavit, certificate, or document heretofore, now or hereafter given by Assignor in connection with the Investment shall hereinafter be referred to as the “Investment Documents”.

D. As used herein, the “Reimbursement Payments” shall mean all payments of the Costs, Interest, and all other sums due to the Assignor under the TIF Agreement from the TIF Funds, including but not limited to all Service Payments received by the City from payments made by the owners of any real property within the Property and any Property Tax Rollback Payments deposited in the TIF Funds.

NOW, THEREFORE, in consideration of the matters described in the recitals set forth above and incorporated herein, and for other good and valuable consideration, Assignor and each of the Assignees agree as follows:

1. Provided that (i) Assignor is not in default of this Assignment, (ii) Assignee has received an executed copy of the TIF Agreement, and (iii) Assignee has received certified, executed copies of all City Ordinances necessary in connection with the establishment of the TIF District, Assignee agrees to disburse funds, up to the full amount of the Investment, to Assignor in accordance with the terms of this Assignment. In consideration for the payment of the Investment by Assignee, Assignor hereby assigns to Assignee all the right, title and interest of Assignor in and

to the Reimbursement Payments, as provided for in the TIF Agreement. The Assignor remains liable for all of its obligations under the TIF Agreement and for the performance of all terms and conditions contained therein.

2. Reimbursement Payments shall be payable to the Assignee at the same times, and in the same manner, as the Reimbursement Payments are payable by the City to the Assignor under the TIF Agreement, and the Reimbursement Payments shall be deemed current and not delinquent if the City has performed its obligations under the TIF Agreement. Assignor agrees that all the Reimbursement Payments received from the City shall be transferred by the Assignor directly into the individual account of the Assignee, in accordance with the Investment Documents. The account information for all deposits to the Assignee under the Investment Documents is set forth on Exhibit A attached hereto and incorporated herein. Reimbursement Payments received from the City by the Assignor will be promptly (not later than seven (7) business days after receipt of such funds) transferred to the Assignee without demand. Assignor and Assignee hereby agree and acknowledge that (i) the City's obligation to make Reimbursement Payments to the Assignor is limited to the City's receipt of Service Payments that are deposited into the TIF Funds and (ii) the City makes no representation to the Assignor or the Assignee that sufficient funds will exist in the TIF Funds to pay the amount of the Investment.

3. Assignor agrees to take such actions as may be reasonably necessary to ensure that this Assignment is and remains a valid assignment of the Assignor's right to receive Reimbursement Payments. Assignor and each of the Assignees, by execution of this Assignment, authorize Ciminello's, Inc., as representative of the Assignee (the "Assignee Representative") to record a memorandum of this Assignment with the Licking County, Ohio Recorder's Office and to cause the filing or recording of any documents, including any UCC-1 Financing Statements, that the Assignee Representative deems reasonably necessary to evidence the assignment of the Reimbursement Payments to Assignees. Assignor agrees to pay or reimburse the Assignee Representative for all fees, costs, and expenses relating to such filing or recording.

4. Assignor further agrees that upon an Event of Default (as defined in the Investment Documents), Assignee shall be entitled to enforce, use and enjoy the benefits of the TIF Agreement, to perform any obligations of the Assignor and to do any and all acts in the name of Assignee with the same force and effect as Assignor could do if this Assignment had not been made, under the TIF Agreement which are necessary to protect Assignee's rights to the Reimbursement Payments under this Assignment. Assignor agrees not to modify or amend the terms of the TIF Agreement in a way that would impact or affect the Reimbursement Payments without the express written consent of Assignee, which consent shall not be unreasonably withheld (it being acknowledged that it will not be unreasonable for an Assignee to withhold its consent if Assignee reasonably expects that the modification or amendment may negatively impact or affect the Reimbursement Payments). Assignor irrevocably constitutes and appoints the Assignee Representative as its attorney-in-fact to demand, enforce and receive Assignor's rights to the Reimbursement Payments under the TIF Agreement. Assignor hereby ratifies all actions that such attorney shall lawfully do or cause to be done by virtue of the preceding sentence. This power of attorney is a power coupled with an interest, will be irrevocable and shall terminate only upon indefeasible payment in full of the Reimbursement Payments and the termination of this Assignment. The powers conferred upon the Assignee and the Assignee Representative hereunder are solely to protect the Assignee's rights under this Assignment, and will not impose any duty upon it to exercise any such powers.

5. This Assignment is not effective until the City has executed and delivered to Assignee the attached acknowledgment and consent to this Assignment.

6. The duties and obligations of Assignor under this Assignment shall automatically terminate when all sums due Assignee under the Investment Documents and in connection with the Investment are paid in full. The Investment is an investment made by the Assignee in the Public Infrastructure Improvements identified in the TIF Agreement, and Assignor and Assignee agree that the Investment is not a loan from the Assignee to the Assignor. The Assignor has no obligation to pay the Investment and Interest to the Assignee, and the sole and exclusive recourse of the Assignee for payment of the Investment and Interest shall be Reimbursement Payments or any other amounts from the TIF Funds paid to the Assignor from the City, except that the Assignor has agreed in Section 2 to promptly pay to Assignee without demand any Reimbursement Payments paid by the City to Assignor. Notwithstanding anything to the contrary in this Assignment, Assignor may elect to terminate this Assignment by paying to Assignee an amount equal to the sum of (i) the difference between \$_____ and the portion of all Reimbursement Payments received to date by the Assignee that do not represent Interest, and (ii) any accrued Interest through the date of termination not yet received by Assignee; provided, that in such event Assignee shall provide to Assignor its accounting of all Reimbursement Payments and all portions thereof constituting Interest to enable Assignor to calculate the correct payment to the Assignee.

7. Notwithstanding anything to the contrary in this Assignment, Assignor agrees to indemnify and hold Assignee and the Assignee Representative harmless from and against all obligations, liabilities, losses, costs, expenses, fines, penalties or damages (including reasonable attorneys' fees) which Assignee or the Assignee Representative may incur by reason of Assignor's violation of any of the terms of this Assignment. Further, if Assignor defaults in the performance of any obligations under this Assignment or under the TIF Agreement or if any representation or covenant made by Assignor under this Assignment was untrue or incomplete on the date of this Assignment or thereafter becomes untrue or incomplete and Assignor fails to cure such default or such untrue or incomplete representation or covenant within thirty (30) days after notice of such default or such untrue or incomplete representation or covenant is given to Assignor by the Assignee, the Assignee may terminate this Assignment by providing written notice thereof to Assignor, at which point this Assignment shall be immediately terminated and the sole remedy of the Assignee shall be a payment by Assignor to Assignee of an amount equal to the sum of (i) the difference between \$_____ and the portion of all Reimbursement Payments received to date by the Assignor and transferred to the Assignee that do not represent Interest, and (ii) any accrued Interest through the date of such default not yet received by Assignee; provided, that in such event Assignee shall provide to Assignor its accounting of all Reimbursement Payments and all portions thereof constituting Interest to enable Assignor to calculate the correct payment to the respective Assignee.

This Section 7 shall survive the termination of this Assignment and the TIF Agreement, except that this Section 7 shall not survive any termination elected by Assignor under Section 6 of this Assignment.

8. This Assignment shall be governed by the laws of the State of Ohio.

9. **ASSIGNOR AND ASSIGNEE EACH HEREBY WAIVE ANY RIGHT TO**

HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE AGREEMENT OR THIS ACKNOWLEDGMENT, THE TRANSACTIONS RELATED THERETO OR THE RELATIONSHIP ESTABLISHED THEREBY. THIS PROVISION IS A MATERIAL INDUCEMENT TO ASSIGNOR AND ASSIGNEE TO ENTER INTO THIS TRANSACTION.

10. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which when taken together shall constitute one and the same document.

11. All notices expressly provided hereunder to be given by Assignee to Assignor and all notices, demands and other communications of any kind or nature whatever which Assignor may be required or may desire to give to or serve on Assignees shall be in writing and shall be (1) hand-delivered, effective upon receipt, (2) sent by United States Express Mail or by private overnight courier, effective upon receipt, or (3) served by registered or certified mail, return receipt requested, to the appropriate address set forth below, or at such other place as the Assignor or Assignee, as the case may be, may from time to time designate in writing by ten (10) days' prior written notice thereof. Any such notice or demand served by registered or certified mail, return receipt requested, shall be deposited in the United States mail, with postage thereon fully prepaid and addressed to the party so to be served at its address below stated or at such other address of which said party shall have theretofore notified in writing, as provided above, the party giving such notice. Service of any such notice or demand so made shall be deemed effective on the day of actual delivery as shown by the addressee's return receipt or the expiration of three (3) business days after the date of mailing, whichever is the earlier in time. Rejection or other refusal to accept or inability to deliver because of changed address of which no notice has been received shall also constitute receipt.

Assignor hereby requests that any notice, demand, request or other communication desired to be given or required pursuant to the terms hereof be addressed to Assignor as follows:

**FORM OF ACKNOWLEDGMENT OF ASSIGNMENT OF REIMBURSEMENT
PAYMENTS AND OTHER RIGHTS TO TIF FUNDS AND TIF AGREEMENT**

CITY OF REYNOLDSBURG, OHIO (“City”) hereby acknowledges and consents to the foregoing Assignment of Reimbursement Payments and Other Rights to TIF Funds and TIF Agreement (the “Assignment”), and agrees that, upon an Event of Default by Assignor under the TIF Agreement, the City shall, upon the written request of the Assignee Representative, continue performance of the City’s obligations under the TIF Agreement, including, but not limited to, disbursing the Reimbursement Payments (as defined in the Assignment) directly into the account specified by the Assignor, to be disbursed to the Assignee in accordance with the Assignment; provided, that as a condition of the City’s continued performance of its obligations under the TIF Agreement, the Assignee shall cure any Event of Default on the part of the Assignor under the TIF Agreement and continue performance (or cause performance) of Assignor’s obligations in accordance with the terms of the TIF Agreement.

The City agrees that no notice to Assignor of any default or Event of Default by Assignor in connection with the TIF Agreement shall be valid or effective unless and until a copy of the notice is given to the Assignee at the address provided in the Assignment (or such other address as Assignee may provide to the City from time to time), that Assignee shall thereafter have the right, but not the obligation, to cure such default or Event of Default, and that the period of time during which Assignee may so cure shall be the period allowed to Assignor, plus thirty (30) additional days; provided, however, that if the default or Event of Default may not be reasonably cured in such additional thirty (30) day period, if Assignee is diligently pursuing the cure of such default or Event of Default, the time period for the Assignee to complete such cure shall be extended by an additional thirty (30) day period.

The City acknowledges the power of attorney granted to Assignee in the Assignment and agrees to accept any reasonable performance of any obligations of Assignor under the TIF Agreement made by Assignee pursuant to such power of attorney, whether done in the name of Assignor or Assignee.

The City agrees to direct all Reimbursement Payments and all other sums to be paid to Assignor under the TIF Agreement directly into the account of the Assignor set forth on Exhibit A attached hereto and incorporated herein.

The City is under no obligation to ensure that the Reimbursement Payments made to the Assignor are subsequently transferred to the Assignees in accordance with the payment provisions of the Assignment. Once the Reimbursement Payments have been disbursed to Assignor, the Assignee’s recourse with respect to such payment will be limited to an enforcement action against the Assignor in accordance with the Assignment.

The City represents and warrants that Ordinance No. 2021-___, adopted by the City Council of the City on _____, 2021 has not been amended since its adoption and remains in full force and effect on the date hereof, that there has been no prior assignment of the TIF Agreement or the Reimbursement Payments of which it has notice, that the City’s agreements in the TIF Agreement

are valid, enforceable agreements of the City which are in full force and effect, that the TIF Agreement is unmodified and un-amended, that neither City nor, to the knowledge of the officers of the City signing this Acknowledgement, the Assignor is in default to the other thereunder and that all covenants, conditions and agreements to be performed by the City have been performed as required therein, except those not due to be performed until after the date hereof. The City agrees not to enter into any material modifications of the TIF Agreement which would impact or affect the Reimbursement Payments without the express written consent of each of the Assignees.

This Acknowledgment shall be governed by and construed in accordance with the laws of the State of Ohio.

ASSIGNEE, BY ACCEPTANCE OF THIS ACKNOWLEDGMENT, AND THE CITY HEREBY MUTUALLY, VOLUNTARILY, IRREVOCABLY AND UNCONDITIONALLY WAIVE FOR THE BENEFIT OF THE OTHER ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE TIF AGREEMENT OR THIS ACKNOWLEDGMENT, THE TRANSACTIONS RELATED THERETO OR THE RELATIONSHIP ESTABLISHED THEREBY. THIS PROVISION IS A MATERIAL INDUCEMENT TO ASSIGNEES AND THE CITY TO ENTER INTO THIS TRANSACTION.

Subject: Proposal for Professional Services – Waggoner Road Survey & Preliminary Engineering

Dear Mr. Dorman,

EMH&T is pleased to present this proposal for professional services related to survey and design of improvements to Waggoner Road between Main Street and Broad Street. Our recommended scope and fee are outlined below. This work will be performed in accordance with the terms and conditions of our current Master Service Agreement with the City.

A. PROJECT UNDERSTANDING

1. Scope of Improvements to be Designed

- a. Waggoner Road will be widened and reconstructed from Main Street to Broad Street (approximately 11,000 linear feet). One through lane will be provided in each direction, along with center turn lanes as generally shown on the enclosed Schematic Exhibit;
- b. The roadside will feature curb and gutter, with a closed-conduit stormwater drainage system;
- c. A shared-use path will be constructed on one side of the road and a sidewalk will be constructed on the other side. The location (side) of each will be determined during design.
- d. Crosswalks will be provided at intersections and other strategic locations. Enhanced traffic control (Rectangular Rapid Flashing Beacons, or similar) will be considered for crossings of Waggoner Road at un-signalized intersections;
- e. Street lighting will be installed along the roadway.
- f. Existing overhead utilities will remain overhead, relocated where necessary in coordination with the roadway design;
- g. The existing Bridge over French Run will be widened/extended to accommodate the proposed road section;
- h. Approximately five stormwater drainage pipe/box culverts will be extended throughout the corridor where required;
- i. The existing traffic signals at both Rodebaugh Road and Ross Way (Waggoner Road Jr. High School) will be modified or replaced to accommodate the pavement widening and pedestrian facilities;
- j. Traffic signals at Main Street and Broad Street will remain undisturbed by the project.

2. Phasing

We understand that the City intends to construct the Waggoner Road Improvements in two phases. Phase 1 will extend from Main Street to just north of Priestly Drive. The second phase will extend from Priestly Drive to Broad Street. The survey and preliminary engineering tasks outlined below will cover both Phase 1 and Phase 2 project limits.

B. SCOPE OF SERVICES

EMH&T's professional services will include documentation, design, and coordination to successfully advance the project. The following tasks are anticipated:

1. Survey & Basemapping

EMH&T will perform topographic and boundary survey of the project area to support design activities. This will include the following services:

- a. Research available public records such as deeds, plats, and right-of-way plans (easement research will not be performed as part of this task but be appropriate as part of a future task);
- b. Recover existing monumentation (fee includes up to 24 hours of law enforcement officer time to assist the recovery of centerline monuments within the roadway).
 - i. Property pins will be recovered along the right-of-way but not in rear property corners. Property lines will be plotted based upon record information. Rear property corners will be recovered to confirm property lines as part of a future phase of work when the specific right-of-way needs of the project are better understood;
- c. Establish control network including up to eight horizontal control points using GPS and up to eight benchmarks;
- d. Request plans and markings of underground utilities through the Ohio Utilities Protection Service;
- e. Perform topographic survey of the project corridor;
- f. Gather record plan information from the City and County;
- g. Prepare topographic and boundary basemaps in AutoCAD for use in design and plan production.

2. Preliminary Geometrics Design

The conceptual geometrics shown on the enclosed Schematic Exhibit will be refined to a level commensurate with detailed design activities.

- a. Refine horizontal geometrics;
- b. Geometric design of proposed cross street intersections / driveway locations (8 intersections, 14 commercial driveways, 50 residential driveways). AutoTurn analysis will be performed for intersections and commercial driveways where appropriate;
- c. Design vertical alignment (profile);
- d. Design typical sections;
- e. Develop preliminary cross sections and design roadside grading;
- f. Identify locations and limits of retaining walls;
- g. Develop schematic layouts for utility features such as water mains and street lighting;
- h. Develop preliminary traffic signal layout;
- i. Develop preliminary construction limits;
- j. Prepare and submit a Preliminary Geometrics Plan (scroll plot) for review by the City.

3. Preliminary Stormwater & BMP Design

Preliminary stormwater drainage and BMP design will be prepared in accordance with City of Reynoldsburg standards and ODOT's Location and Design Manual Volume 2 to support preliminary engineering and cost estimate development.

- a. Identify outfalls and develop tributary area mapping;
- b. Preliminary inlet spacing design;
- c. Preliminary storm sewer calculations;
- d. Post-Construction Stormwater BMP concept development;

- e. Perform preliminary culvert analysis
 - i. Preliminary hydrology to determine approximate peak flow rates;
 - ii. Preliminary hydraulics analysis of impact of roadway reconstruction on culvert performance and flood routing conditions;

4. Preliminary Construction Plans

Preliminary construction plans (approx. 30% complete) will be developed in general accordance with City of Reynoldsburg and ODOT standards. The following plan elements will be included:

- a. Title Sheet;
- b. Schematic Plan with Survey Control;
- c. Typical Sections;
- d. Plan & Profile;
- e. Cross Sections;
- f. Traffic Control Plan (Striping Only);
- g. Right-of-Way Exhibits depicting the type and location of permanent and temporary right-of-way needed along the corridor.

Plans will be submitted electronically to the City and Franklin County Engineer's Office for review upon completion of 30% complete plans. Comments received will be addressed as part of final engineering. Plans will also be submitted to private utility companies for verification that their facilities are shown completely and accurately.

5. Opinions of Cost

EMH&T will prepare detailed project cost opinions including design, construction, and right-of-way acquisition costs. Quantities will be based on preliminary construction plans. Unit pricing will be based upon historical bid information. Right-of-way costs will be generally based upon Franklin County Auditor valuations and should be verified by a real estate professional.

6. Project Advocacy, Coordination, and Meetings

We anticipate the following services related to project advocacy, coordination, and management.

- a. Attend progress meetings with the City and other stakeholders (assume two staff at six meetings).
- b. Prepare exhibits for meetings and coordination;
- c. General project coordination and oversight.

C. COMPENSATION

EMH&T proposes to provide our professional services as described in the above Scope of Services for the following prices.

Scope Item #	Description	Price
1	Survey & Basemapping	\$143,000
2.	Preliminary Geometrics Design	\$67,000
3.	Preliminary Stormwater & BMP Design	\$38,000
4.	Preliminary Construction Plans	\$94,000
5.	Opinions of Cost	\$9,000
6.	Project Advocacy, Coordination, and Meetings	\$19,000
	Total (Items 1 through 6) =	\$370,000

The fees listed above includes labor, direct costs, and reimbursable expenses. Invoices will be submitted monthly based on the progress of work and are payable upon receipt. Invoices will be prepared in a time and materials format based upon the progress of work and accrued fees. Labor rates will be in accordance with our current Master Services Agreement with the City.

D. SCHEDULE

EMH&T will begin work upon notice to proceed. Upon authorization, we will prepare a detailed Gantt chart schedule for the project. We will review the schedule with the City for approval. We will update the schedule throughout the design phase of the project.

E. CLARIFICATIONS AND EXCLUSIONS

The scope of work identified in this document is based on EMH&T's knowledge of the project requirements at the time when the document was prepared, and serves as the basis for the price proposal and agreed fee. However, changes in work may be required as the project develops and more complete information becomes available. Such changes also may be dictated by revisions to written procedures included in manuals or decisions made by, the Client, the City, or other reviewing agencies. Although EMH&T routinely incorporates minor design changes in our work, we will notify the Client in writing of any significant changes in the work that may require modification of the agreement, and will maintain separate cost accounting for each specific issue.

The following services are specifically excluded from our proposal:

1. Traffic Studies;
2. Geotechnical investigations;
3. Detailed design and final engineering;
4. Floodplain analysis and permitting;
5. Environmental services and permitting;

6. Detailed bridge surveys;
7. Legal descriptions and exhibits;
8. Easement or title research;
9. ODOT-style right-of-way plans;
10. Funding applications;
11. Valuation and acquisition of right-of-way and easement parcels including appraisal, offer letter preparation and delivery, negotiation, preparation of transfer documents, recording of documents, etc.

Should any of these services or other additional services become necessary, they can be performed on an hourly basis in accordance with our standard rate schedule or under separate contract as warranted. Additional services shall be performed only upon receipt of written authorization by the City.

We look forward to working with you in the successful advancement of this project. If you approve of our proposal, please authorize with your signature below. If you have any questions or require additional information, please do not hesitate to contact me at 614-775-4555 or randrews@emht.com.

Respectfully submitted,

- j. Traffic signals at Main Street and Broad Street will remain undisturbed by the project.

2. Phasing

We understand that the City intends to construct the Waggoner Road Improvements in two phases. Phase 1 will extend from Main Street to just north of Priestly Drive. The second phase will extend from Priestly Drive to Broad Street. The survey and preliminary engineering tasks outlined below will cover both Phase 1 and Phase 2 project limits.

B. SCOPE OF SERVICES

EMH&T's professional services will include documentation, design, and coordination to successfully advance the project. The following tasks are anticipated:

1. Survey & Basemapping

EMH&T will perform topographic and boundary survey of the project area to support design activities. This will include the following services:

- a. Research available public records such as deeds, plats, and right-of-way plans (easement research will not be performed as part of this task but be appropriate as part of a future task);
- b. Recover existing monumentation (fee includes up to 24 hours of law enforcement officer time to assist the recovery of centerline monuments within the roadway).
 - i. Property pins will be recovered along the right-of-way but not in rear property corners. Property lines will be plotted based upon record information. Rear property corners will be recovered to confirm property lines as part of a future phase of work when the specific right-of-way needs of the project are better understood;
- c. Establish control network including up to eight horizontal control points using GPS and up to eight benchmarks;
- d. Request plans and markings of underground utilities through the Ohio Utilities Protection Service;
- e. Perform topographic survey of the project corridor;
- f. Gather record plan information from the City and County;
- g. Prepare topographic and boundary basemaps in AutoCAD for use in design and plan production.

2. Preliminary Geometrics Design

The conceptual geometrics shown on the enclosed Schematic Exhibit will be refined to a level commensurate with detailed design activities.

- a. Refine horizontal geometrics;
- b. Geometric design of proposed cross street intersections / driveway locations (8 intersections, 14 commercial driveways, 50 residential driveways). AutoTurn analysis will be performed for intersections and commercial driveways where appropriate;
- c. Design vertical alignment (profile);
- d. Design typical sections;
- e. Develop preliminary cross sections and design roadside grading;
- f. Identify locations and limits of retaining walls;
- g. Develop schematic layouts for utility features such as water mains and street lighting;
- h. Develop preliminary traffic signal layout;
- i. Develop preliminary construction limits;
- j. Prepare and submit a Preliminary Geometrics Plan (scroll plot) for review by the City.

3. Preliminary Stormwater & BMP Design

Preliminary stormwater drainage and BMP design will be prepared in accordance with City of Reynoldsburg standards and ODOT's Location and Design Manual Volume 2 to support preliminary engineering and cost estimate development.

- a. Identify outfalls and develop tributary area mapping;
- b. Preliminary inlet spacing design;
- c. Preliminary storm sewer calculations;
- d. Post-Construction Stormwater BMP concept development;

- e. Perform preliminary culvert analysis
 - i. Preliminary hydrology to determine approximate peak flow rates;
 - ii. Preliminary hydraulics analysis of impact of roadway reconstruction on culvert performance and flood routing conditions;

4. Preliminary Construction Plans

Preliminary construction plans (approx. 30% complete) will be developed in general accordance with City of Reynoldsburg and ODOT standards. The following plan elements will be included:

- a. Title Sheet;
- b. Schematic Plan with Survey Control;
- c. Typical Sections;
- d. Plan & Profile;
- e. Cross Sections;
- f. Traffic Control Plan (Striping Only);
- g. Right-of-Way Exhibits depicting the type and location of permanent and temporary right-of-way needed along the corridor.

Plans will be submitted electronically to the City and Franklin County Engineer's Office for review upon completion of 30% complete plans. Comments received will be addressed as part of final engineering. Plans will also be submitted to private utility companies for verification that their facilities are shown completely and accurately.

5. Opinions of Cost

EMH&T will prepare detailed project cost opinions including design, construction, and right-of-way acquisition costs. Quantities will be based on preliminary construction plans. Unit pricing will be based upon historical bid information. Right-of-way costs will be generally based upon Franklin County Auditor valuations and should be verified by a real estate professional.

6. Project Advocacy, Coordination, and Meetings

We anticipate the following services related to project advocacy, coordination, and management.

- a. Attend progress meetings with the City and other stakeholders (assume two staff at six meetings).
- b. Prepare exhibits for meetings and coordination;
- c. General project coordination and oversight.

C. COMPENSATION

EMH&T proposes to provide our professional services as described in the above Scope of Services for the following prices.

Scope Item #	Description	Price
1	Survey & Basemapping	\$143,000
2.	Preliminary Geometrics Design	\$67,000
3.	Preliminary Stormwater & BMP Design	\$38,000
4.	Preliminary Construction Plans	\$94,000
5.	Opinions of Cost	\$9,000
6.	Project Advocacy, Coordination, and Meetings	\$19,000
	Total (Items 1 through 6) =	\$370,000

The fees listed above includes labor, direct costs, and reimbursable expenses. Invoices will be submitted monthly based on the progress of work and are payable upon receipt. Invoices will be prepared in a time and materials format based upon the progress of work and accrued fees. Labor rates will be in accordance with our current Master Services Agreement with the City.

D. SCHEDULE

EMH&T will begin work upon notice to proceed. Upon authorization, we will prepare a detailed Gantt chart schedule for the project. We will review the schedule with the City for approval. We will update the schedule throughout the design phase of the project.

E. CLARIFICATIONS AND EXCLUSIONS

The scope of work identified in this document is based on EMH&T's knowledge of the project requirements at the time when the document was prepared, and serves as the basis for the price proposal and agreed fee. However, changes in work may be required as the project develops and more complete information becomes available. Such changes also may be dictated by revisions to written procedures included in manuals or decisions made by, the Client, the City, or other reviewing agencies. Although EMH&T routinely incorporates minor design changes in our work, we will notify the Client in writing of any significant changes in the work that may require modification of the agreement, and will maintain separate cost accounting for each specific issue.

The following services are specifically excluded from our proposal:

1. Traffic Studies;
2. Geotechnical investigations;
3. Detailed design and final engineering;
4. Floodplain analysis and permitting;
5. Environmental services and permitting;

6. Detailed bridge surveys;
7. Legal descriptions and exhibits;
8. Easement or title research;
9. ODOT-style right-of-way plans;
10. Funding applications;
11. Valuation and acquisition of right-of-way and easement parcels including appraisal, offer letter preparation and delivery, negotiation, preparation of transfer documents, recording of documents, etc.

Should any of these services or other additional services become necessary, they can be performed on an hourly basis in accordance with our standard rate schedule or under separate contract as warranted. Additional services shall be performed only upon receipt of written authorization by the City.

We look forward to working with you in the successful advancement of this project. If you approve of our proposal, please authorize with your signature below. If you have any questions or require additional information, please do not hesitate to contact me at 614-775-4555 or randrews@emht.com.

Respectfully submitted,

WHEREAS, relocating these facilities will allow the area to be consistent, aesthetically, with the other portions of Main Street that are to the West all the way to Brice Road and to the East throughout the Olde Reynoldsburg Commercial District; and

WHEREAS, relocating these facilities further promotes public safety at a heavily traveled intersection where traffic accident often occur, substantially reducing the risk that an overhead power line could be struck and fall upon a pedestrian or motorists; and

WHEREAS, the City Engineer has also concluded that Complete General Construction has the ability, the resources, and the experience to properly complete the project, and given time constraints, has recommended that this project be awarded to Complete General Construction at a base bid of \$1,127,812.00; and

WHEREAS, this contract shall be considered a “change order” to the original construction contract awarded to Complete General for the Main Street Phase I Project improvements and does not require competitive bidding; and

WHEREAS, in the alternative, pursuant to Reynoldsburg City Charter Section 8.04, the Ohio Revised Code Section 735.051, and Reynoldsburg Code of Ordinances Section 175.01(j) competitive bidding may be waived for a real and present emergency that affects public safety and the welfare of the community.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF REYNOLDSBURG, OHIO:

SECTION 1. That the Mayor be and is hereby authorized and directed to enter into contract with Complete General Construction for the Main Street Utility Relocation Project (Main Street and Lancaster Avenue intersection) for a base bid of \$1,127,812.00 plus an additional \$56,390.60 (5%) for contingency purposes.

SECTION 2. That an amount of \$1,184,202.60 from the unappropriated Capital Improvement

-------------------------	--------------------------	----------------------------

We have selected Civicengage Central to facilitate website improvements. The base cost of this service is \$24,949 however the two year annual service fee will increase total cost beyond the \$25,000 so for transparency we are bringing this before Council.

After a lengthy search process we have selected Civicengage to redesign our website. The base cost is \$24,949 with a two year service agreement that totals \$4,725 for a grand total of \$29,674.

I am requesting appropriation of funds in the amount of \$6,000 from the Franklin County Cares Act, account number 203.000.5529 and \$7,000 from the Licking County Cares Act, account number 204.000.5529 with the remaining funds in the amount of \$16,674 appropriated from the Miscellaneous Contracts from the Computer account number 110.584.5339

**AN ORDINANCE TO AUTHORIZE THE MAYOR TO ENTER INTO A
 CONTRACT WITH CIVICENGAGE CENTRAL FOR WEBSITE DESIGN AND
 APPROPRIATE FUNDS**

WHEREAS, it has been determined that the City's website is in need of a redesign in order to accommodate the additional digital and graphic information for use by the community; and

WHEREAS, the cost of the website redesign is \$24,949 with an additional \$4,725.00 for a two-year service contract; and

WHEREAS, after reviewing several proposals by multiple vendors, CivicEngage Central provided the most comprehensive and best proposal.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF REYNOLDSBURG, OHIO:

SECTION 1. That the Mayor be and is hereby authorized to enter into a contract with CivicEngage Central for a redesign of the City's website.

SECTION 2. That \$6,000.00 be unappropriated from account number 203.000.5529 Franklin County Cares Act Fund and \$7,000.00 unappropriated from account number 204.000.5529 Licking County Cares Act Fund with the balance of \$16,674 unappropriated from account number 110.5843.5339 Miscellaneous Contracts Computer for a total of \$29,674.00.

SECTION 3. That upon adoption by Council this ordinance shall be in effect thirty days following signature by the Mayor.

2021 LICKING COUNTY TIRC WEDNESDAY, JUNE 30, 2021

PLACE: Virtual Zoom Meeting

1. Michael Smith, Licking County Auditor

Michael Smith called the meeting to order at 2:48 pm

Present: Michael Smith, Brad Mercer, Chris Harkness, Christine Boucher, Joni Crawford, Stephen Cicak, Andrew Bowsher, and Chris Shook

2. Approval of 2020 Minutes

Chris Harkness made a motion to approve the Minutes, seconded by Andrew Bowsher; eight affirmative votes, no negative votes; Minutes stand approved as submitted.

3. Taylor Road TIF #1

Mr. Bowsher: For 2020 \$12,726.15 was collected the first half and for the second half \$8,439.47 was collected. This was for the Taylor Chase Condominiums. This should increase this year as the developer has built out eight more buildings to finish out this development and we should start collecting on that soon. TIF 2 will have an increase as the ranch apartments to this development will be completed as well.

Andrew Bowsher made a motion to accept the report of Taylor Road TIF#1 and continue the TIF, seconded by Chris Harkness; eight affirmative votes, no negative votes; the Motion carried.

4. Taylor Road TIF #2

Mr. Bowsher: This is the second portion of Taylor Road. Due to the apartments being built in this TIF we will see the largest increase as in 2020 this was vacant land. This year's amounts are \$634.67 the first half and \$634.67 for the second half.

Chris Shook made a motion to accept the report of Taylor Road TIF #2, seconded by Chris Harkness; eight affirmative votes, no negative votes; the Motion carried.

5. Summit Road TIF

Mr. Bowsher: No new changes on this TIF. This has been vacant farm land with the exception of The Inn at Summit. We do have a proposal for Eastwood that's about three years out. That development will significantly increase this TIF. The first half collections are \$15,997.70 and the second half is \$15,997.70.

Chris Shook made a motion to accept the report of the Summit Road TIF, seconded by Andrew Bowsher; eight affirmative votes, no negative votes; the Motion carried.

Mr. Slater called the meeting to order at 3:03pm

Present: Jon Slater, Ed Laramée, Carri Brown, James Mako, Rick Szabrak, Christine Boucher, Robin Duffee, Ed Drobina, Joni Crawford, Stephen Cicak, Chris Shook, and Andrew Bowsher

2. Approval of 2020 Minutes

Andrew Bowsher made a motion to approve the Minutes, seconded by Stephen Cicak; twelve affirmative votes, no negative votes; Minutes stand approved as submitted.

3. Taylor Square TIF

Mr. Bowsher: For the first half we collected \$697,663.44 and the second half was \$1,072,786.84 for a grand total of \$1,770,420.82. Updates from last year are a new Starbucks as well as the corner lot being a Mount Carmel facility with emergency and primary care. Drury has looked to divest its interest in the parcel they currently own. I have been told that is going to be pushed into two outparcels with restaurant spaces. Additionally, we have the Chick-fil-A with a planned opening of August of this year and Caliber Automotive is being constructed next to Big Sandy. Caliber will have a payroll of a few million. Casto has been working with a Gabes to potentially fill the Babies-R-US location. We have seen a lot of interest in this area and continue to receive inquiries and fill some of the vacancies.

Mr. Slater: Any questions from members of the city or members of the TIRC? There's been some good activity there and I think this is a good example of a TIF. I'm not sure how much debt is left on that project.

Ms. Crawford: The final debt payment will be December 2023. Our principal balance at the end of 2020 was \$1,640,000.00.

Mr. Slater: So the collections is supporting that, that's great.

Carri Brown made a motion to accept the report of the Taylor Square TIF, seconded by Chris Shook; twelve affirmative votes, no negative votes; the Motion carried.

REAL ESTATE PURCHASE CONTRACT

THIS REAL ESTATE PURCHASE CONTRACT (the "Contract") is executed, delivered and made effective as of the Effective Date (as defined in Article 12(h)) by and between (i) **City of Reynoldsburg** ("Buyer") and (ii) **Quarry Park Homeowners Association Inc**, an Ohio limited liability company ("Seller"; Buyer and Seller sometimes referred to individually as a "Party" or collectively as the "Parties").

Preliminary Statements

A. Seller is the owner of one (1) Franklin County, Ohio Parcel Number 060-008445-00, commonly known as Priestly Drive, Reynoldsburg, Ohio (as shown on Exhibit A, attached hereto and incorporated herein) being an approximate .38 acre tract improved with a nature trail, together with all improvements thereon, and all easements and other rights and privileges appurtenant thereto (hereinafter "the Property").

B. Seller desires to (i) sell and convey the Property to Buyer upon the terms and conditions hereinafter set forth.

C. The Parties desire to set forth in this Contract their respective rights, obligations and conditions with respect to the aforementioned transaction.

Statement of the Contract

In consideration of the foregoing Preliminary Statements, which are hereby incorporated herein, and of the mutual promises herein set forth, the Parties do hereby make this Contract on the following terms and conditions, intending to be bound hereby:

Article 1: Purchase Price.

The purchase price (the "Purchase Price") to be paid by Buyer to Seller for the Property shall be Twenty Five Hundred Dollars (\$2,500.00). The Purchase Price shall be due and payable in immediately available funds at the Closing (as hereinafter defined), subject to adjustments for certain charges and credits as provided hereinafter.

In the event title company requires the parties to execute an addendum or other agreement with respect to the title company serving as Holder, then the parties agree to execute such addendum or other agreement.

Article 2: Closing; Possession; Condition of Property.

a. Closing. Subject to the provisions of Article 5 and satisfaction and/or waiver of Buyer's Contingencies (as hereinafter defined), the transaction for the sale and purchase of the Property shall be closed as provided below by the delivery of the deed and other Closing instruments specified for the Property as provided in Article 7 and by the payment of the Purchase Price for the Property as provided in Article 1 on or before the thirtieth (30th) day after Buyer waives or satisfies the Buyer's Contingencies (the "Closing"). The specific date, time and location of Closing shall be mutually agreed upon Buyer and Seller, but shall be no later than June 15, 2021, unless extended by mutual agreement of the Parties. Upon termination, all Seller's and Buyer's obligations hereunder shall terminate and neither Party shall have any further obligation or liability hereunder to the other Party thereafter, except those obligations outlined in Article 3.

b. Possession. Buyer shall be entitled to possession of the Property at the Closing.

c. Condition. The Property and each building or other improvement thereon shall be sold in "as is" condition as of the Effective Date.

Article 3: Inspection of the Property.

a. Inspection of Property. As of the Effective Date, Buyer and its representatives, agents, and contractors shall have the right to enter upon and have reasonable access to the Property in order to conduct such examinations, inspections, studies and tests thereof as Buyer may deem necessary or desirable in Buyer's sole discretion including, without limitation, surveys, soil tests, environmental examinations, audits and tests, feasibility studies and appraisals; and after conducting the same, Buyer shall restore the Property to substantially the same condition as it was prior to Buyer's undertaking of tests and examinations described in this Article 3. Buyer agrees to indemnify and hold Seller harmless from any and all third-party liabilities, claims, causes of action, penalties, demands, and expenses of any kind or nature whatsoever arising from Buyer or Buyer's representative's actions while inspecting the Property. Buyer agrees to notify Seller prior to Buyer or Buyer's representatives entering the building on the Property.

Article 4: Delivery of Seller's Information.

Within five (5) business days after the Effective Date, Seller shall deliver to Buyer the following: copies of any title insurance policies; the surveys; soils analysis; environmental studies and audits, and related materials; copies of any and all documents received by Seller from governmental entities; and all other pertinent reports and information related to the Property which are in Seller's or Seller's agents possession or which can be reasonably obtained at no additional cost to Seller. Seller agrees, in good faith, to continue to share other relevant information on the Property throughout the term of this Contract which may be beneficial to the Buyer.

Article 5: Buyer's Contingencies.

a. Buyer's Contingencies. Buyer's obligations under this Contract are specifically subject to the following conditions precedent and contingencies (individually, a "Buyer's Contingency" and collectively, "Buyer's Contingencies"), which may be satisfied or waived solely by Buyer, in its sole and absolute discretion, and at its expense within the time-period hereinafter specified for each enumerated category of Buyer's Contingencies:

- i. Survey and Title. Within the time period provided in Article 6 of this Contract, Buyer shall have approved the Title to the Property.
- ii. General Due Diligence. Within forty five (45) days after the Effective Date, Buyer, in Buyer's sole discretion, shall have satisfied itself in all matters pertaining to its due diligence on the Property, including, but not limited to the suitability of the soils within the Property for Buyer's intended use; the availability, size, quality and quantity of any utility service or connection; environmental matters (including but not limited to Phase I and Phase II Environmental Assessments); the zoning; any other survey, test, appraisal, examination or inspection described in or permitted by Article 3 of this Contract; review of all documents supplied pursuant to Article 4 of this Contract; the general feasibility, suitability and fitness of the Property; and any and all additional matters or investigations as Buyer deems necessary or appropriate.
- iii. Governmental Approval. Within thirty (30) days after the Effective Date, Buyer shall have obtained approval for this Contract and to purchase the Property from the Reynoldsburg City Council, the Mayor of Reynoldsburg, and any and all other related governmental entities as are deemed necessary by the Buyer.

b. Effect of Failure to Satisfy Buyer's Contingencies. If any of Buyer's Contingencies are not satisfied or waived within the applicable time period specified for each in Article 5(a), then Buyer shall have the right, in Buyer's sole and absolute discretion, to terminate this Contract by giving to Seller written notice of such termination within the time period specified herein and the earnest money shall be returned to Buyer. If Buyer should fail to give to Seller such notice on or before the applicable expiration date of each respective Buyer's Contingency in Article 5(a), then Buyer shall be deemed to have satisfied or waived such Buyer's Contingency.

Article 6: Title and Survey.

a. Issuance of the Title Commitment. Within seven (7) days following the Effective Date, Buyer, at Buyer's sole expense, shall order and obtain an owner's policy of title insurance with respect to the Property on the then current ALTA form authorized for use within the State of Ohio (the "Title Commitment"). The Title Commitment shall show fee simple title to the Property in Seller free and clear of all liens and encumbrances except: (i) the standard exceptions for an owner's policy, unless one or more of such exceptions are waived by the Title Company, (ii) real estate taxes and assessments affecting the Property, and (iii) easements, conditions, restrictions, covenants, reservations, encumbrances, liens and other matters of record or affecting the Property. The Title Commitment shall be issued in favor of Buyer as the proposed insured, in the aggregate dollar amount of the Purchase Price for the Property.

b. Survey. Within twenty (20) days following Buyer's receipt of the Title Commitment, Buyer, at Buyer's expense, shall have the right to order and obtain a current ALTA Survey of the Property, in form and content acceptable to Buyer (the "Survey").

c. Objections to Title & Survey. Buyer shall have thirty (30) days from the date that it receives the Title Commitment to review the Title Commitment and Survey. If the Title Commitment or Survey shows any defect, covenant, agreement, encroachment, easement, encumbrance, lien, restriction, reservation, condition or other title matter or condition which unreasonably interferes with Buyer's proposed use of the Property, as Buyer may determine in its sole and absolute discretion, Buyer shall, within said period, give Seller written notice specifying the specific objection (the "Buyer's Objection").

In the event Buyer should timely notify Seller of any such Buyer's Objection, Seller shall have ten (10) business days following receipt of any such notice from Buyer to remedy said Buyer's Objection. The parties agree in good faith to attempt to resolve any and all of Buyer's Objections provided that such are reasonable. In the event Seller does not remedy or obtain title insurance against any such Buyer's Objection within ten (10) business days after the expiration of the aforementioned ten (10) business day period Buyer, at Buyer's option, shall have the right to (i) waive such Buyer's Objection and proceed with the Closing, or (ii) terminate this Contract, whereupon all Seller's and Buyer's obligations hereunder shall terminate and neither Party shall have any further obligation or liability hereunder to the other Party thereafter. Provided, however, if the Buyer's Objection is one which can be removed by the payment of money, to secure the release of a lien or monetary encumbrance not in excess of the Purchase Price (such as a tax lien certificate of judgment or mortgage), Seller shall be required to and hereby agrees to satisfy any such encumbrance from the net proceeds due and payable to Seller at the Closing in order to remove the lien or encumbrance from title to the Property

d. Permitted Exceptions. All of the matters set forth on the Survey and Title Commitment, if not constituting a Buyer's Objection, shall be a permitted exception to title to the Property (collectively, the "Permitted Exceptions"). "Permitted Exceptions" shall also include, at Seller's election, the Deed Restrictions (as hereinafter defined).

e. Title Commitment, Title Policy and Survey Premium and Fees. Buyer shall pay all search, commitment or similar fees for the issuance of the Title Commitment and the premium attributable to the title insurance policy for the owner insuring an amount not in excess of the Purchase Price. Buyer shall be solely responsible for the premiums attributable to its lender's title insurance policy, if any, and any endorsements requested by Buyer and/or its lender.

Article 7: Closing Costs and Prorations.

a. Conveyance, Recording and Escrow Fees. Seller shall pay the real property conveyance fee applicable to the sale and conveyance of the Property and any recording fees associated with mortgage or similar lien releases attributable to the Property. Buyer shall pay all other recording fees.

b. Real Estate Taxes and Assessments. At Closing, Seller shall pay or credit against the Purchase Price all delinquent taxes, including penalty and interest, all assessments that are a lien on the date of Closing prorated through the date of Closing. At Closing and based on the Purchase Price, Seller also shall pay or credit on the Purchase Price all other unpaid real estate taxes and assessments that are a lien for years prior to Closing and a portion of such taxes based on a 365-day year and, if undetermined, on most recent available tax rate and valuation, giving effect to applicable exemptions, recently voted millage, change in valuation, etc., whether or not certified. The tax proration determined at Closing shall be final and neither Party shall have the right to contest said amount unless predicated on fraud or intentional misrepresentation.

c. Other Expenses. Each Party shall be responsible for all other fees, costs and expenses incurred by it in connection with this transaction, including any such expenses for services rendered by accountants, appraisers, architects, attorneys, contractors, engineers and other persons not otherwise expressly provided for herein.

Article 8: Closing Instruments.

a. Instruments to be Delivered by Seller. At the Closing, Seller shall execute and deliver to Buyer and/or the Title Company the following instruments:

(i) Deed. A recordable limited warranty deed (the "Deed") which conveys to Buyer good and marketable title in fee simple to the Property free and clear of all liens, conditions, restrictions, easements, reservations, encumbrances and rights of third parties except the Permitted Exceptions and the following matters which shall be excepted and/or reserved by Seller, as the case may be, in the Deed.

(ii) Seller's Affidavit. A seller's affidavit given by Seller to Buyer and the Title Company with respect to the payment of bills for work performed or materials furnished to the Property within ninety (90) days prior to the Closing and with respect to any other off-record matter which is required for the issuance of the owner's policy of title insurance and specifically incorporating the Seller's Warranties contained in Article 10 herein.

(iii) Authority. One or more certificates of Seller regarding the authority of the

Person or Persons who sign this Contract and the other Closing instruments on behalf of Seller.

(iv) Documents. Originals, as available, or copies of all contracts relating to the Property.

(v) Warranties. An assignment of all transferable warranties and guarantees then in effect, if any, with respect to the improvements located on the Property or any repairs or renovations to such improvements being conveyed hereunder in a form that shall be mutually agreed by Buyer and Seller.

(vi) Intentionally Deleted

(vii) Other Instruments. A Closing and disbursement statement, an IRS Form 1099-B report of proceeds from a real estate transaction [§6045(e), IRC], and a non- foreign person certificate [§1445, IRC, FIRPTA], if required.

b. Instruments to be Delivered by Buyer. At the Closing, Buyer shall execute and deliver to Seller and/or the Title Company the following instruments:

(i) Authority. One or more certificates of the Buyer regarding the authority of the Person or Persons who sign this Contract and the other Closing instruments on behalf of Buyer.

(ii) Other Instruments. A Closing and disbursement statement and a real property conveyance fee statement.

Article 9: Risk of Loss or Damage; Appropriation.

a Risk of Loss or Damage. Notwithstanding Buyer's obligations, Seller shall bear the risk of loss or damage to the Property until the Closing and agrees to maintain adequate insurance on the Property with a reputable insurance carrier. If any event should occur prior to the Closing Date which causes a material loss or damage, then Seller shall promptly notify Buyer of such event and Buyer shall have the right, at its option: (i) to proceed with the transaction by giving to Seller written notice thereof in which case Buyer shall be entitled to any and all insurance proceeds, or (ii) to terminate this Contract by giving to Seller written notice of such termination. The election of Buyer shall be exercised by written notice given to Seller within twenty (20) days after receipt of notice of such event from Seller. The failure by Buyer to so notify Seller shall constitute an election to proceed with the transaction.

Appropriation. If appropriation proceedings should be commenced against the Property or if any governmental authority should notify Seller of its intention to acquire the same pursuant to the power of eminent domain prior to the Closing, then Seller shall notify Buyer thereof. In such event, Buyer shall have the right, at its option: (i) to proceed with the transaction by giving to Seller written notice that all of Buyer's contingencies of the transaction to be released

have been removed subject only to the contingencies which are typically required at Closing in which event Buyer shall have the right to negotiate with and sell to such

governmental authority or to contest such appropriation in litigation proceedings, and shall be entitled to all proceeds thereof, up to the amount of the Purchase Price with all excess being the property of the Seller and Seller shall convey the Property subject to such proceedings and shall receive the Purchase Price specified in this Contract at the Closing; or (ii) to terminate this Contract by giving to Seller written notice of such termination. The election of Buyer shall be exercised by written notice given to Seller within twenty (20) days after Seller has given to Buyer written notice of such governmental action. The failure by Buyer to so notify Seller shall constitute an election to proceed with the transaction.

Article 10: Representations and Indemnification.

a Seller's Representations. Seller represents and warrants the following as of the Effective Date which said representations and warranties shall survive the Closing:

- (i) There is no action proceeding, threatened or investigation pending or threatened against Seller relating to the Property or against the Property, or any part thereof before any court or governmental department, commission, ward, agency or instrumentality and Seller does not know of any basis for any such action, proceeding or investigation;
- (ii) There are no adverse or other parties in possession of the Property and no other party has been granted any license, lease or other right relating to the use or possession of the Property, or any part thereof;
- (iii) Seller has not received notice, written or otherwise, from any governmental or quasi-governmental agency requiring correction of any condition with respect to the Property or any part thereof;
- (iv) Seller has not received any notice, written or otherwise, of any pending or contemplated condemnation with respect to the Property, or any part thereof;
- (v) Seller has not received notice of, or has no other knowledge or information of, any pending or contemplated change in any governmental regulation or private restriction applicable to the Premises, any pending or threatened judicial action or pending or threatened action by adjoining landowners or other persons, parties or entities;
- (vi) On the day of Closing, the Property will be free and clear of liens, encumbrances and encroachments, other than the Permitted Exceptions;
- (vii) There will be no unpaid improvements related to the Property within ninety (90) days immediately preceding the Closing which might constitute the basis of a mechanics' lien;
- (viii) Within twenty (20) days of the Effective Date, Seller shall confirm to Buyer that it has full power and authority to enter into and fully perform and comply with the terms of this Contract. Should Seller fail to secure authority from its Members, this Real Estate Purchase Contract shall be null and void and the Earnest Money shall be returned to Buyer.
- (ix) Neither the execution and delivery of this Contract nor its performance by Seller will conflict with or result in the breach of any mortgage, note, indenture, contract, agreement, law, rule or regulation to which Seller

is a party or by which Seller is bound;

- (x) To the best of Seller's knowledge, the Property is free from any toxic or hazardous material or substance or other pollutant of nature as defined or regulated by applicable federal, state, or local laws and is free from any environmental condition that could give rise to a governmental clean-up. Seller has not received notification, written or otherwise, from any governmental or quasi-governmental entity pertaining to toxic or hazardous material or substance or other pollutant of nature related to the Property;
- (xi) Seller will not take or omit to take any action that would have the effect of violating any of the representations, warranties or agreements of Seller contained herein nor will Seller enter into any leases which will effect the Property;
- (xii) Neither the execution and delivery of this Contract nor its performance by Seller will conflict with or result in the breach of any mortgage, note, indenture, contract, agreement, law, rule or regulation to which Seller is a party or by which Seller is bound;
- (xiii) To Seller's knowledge, Seller is not under any legal disability which would impede or void any of Seller's contractual obligations nor is Seller a debtor in any proceeding under the bankruptcy laws of the United States;
- (xiv) Seller has and will convey to Buyer good, marketable and indefeasible fee simple title, free and clear of all conditions, restrictions, exception and reservations, except as specifically permitted herein;
- (xv) Seller has not entered into any lease, verbal or written agreements, contracts or letters of intent with any third-party pertaining to the Property which have not been disclosed in writing to Buyer in this Contract; and
- (xvi) Seller shall not enter into any verbal or written agreements, contracts or letters of intent with any third-party pertaining to the Property prior to the Closing without Buyer's permission.

At Closing, Seller shall give a certificate to Buyer stating that these representations and warranties are true and accurate as of Closing.

b. Seller's Indemnification. Seller agrees to indemnify and hold Buyer and its respective nominees, successors, assigns, officers, directors, partners, agents, employees and beneficiaries harmless from any and all third-party liabilities, claims, causes of action, penalties, demands, and expenses of any kind or nature whatsoever related to a breach of the Seller Representations contained in Article 10(a)(i)-(xv), including all expenses related thereto, including without limitation, court costs and attorneys' fees, which said indemnification survive the Closing for a period of one (1) year without the exception of fraud or intentional misrepresentation.

Article 12: General and Miscellaneous Provisions.

a. Notice. Any notice or other communication required or permitted to be given to a Party under this Contract shall be in writing, unless otherwise specified in this Contract, and shall be given by registered or certified United States mail, return receipt requested and postage prepaid. Notice shall be effective upon receipt of the receiving Party or if the receiving Party refuses service, the date placed in the United States mail system. Either Party may change its address for notice by giving written notice thereof to the other Party. The address of each Party for notice initially is as follows:

Buyer:
City of Reynoldsburg
7232 E. Main Street
Reynoldsburg, Ohio 43068
ATTN: Joe Begeny, Mayor

Seller:
Quarry Park Homeowners Association Inc.
PO Box 395,
Columbus, Ohio 43213
ATTN: Andrew F. Meinert, Esq.

With a copy to:
Chris Shook
7232 E. Main Street
Reynoldsburg, Ohio
43068

b. Complete Agreement, Amendment, Waiver; Counterparts. This Contract, including all exhibits, constitutes the complete agreement between the parties with respect to the subject matter hereof, all previous understandings, if any, between the parties; no oral or implied understandings, representations or warranties shall vary the terms of this Contract; and neither this Contract nor any of its provisions may be amended or waived other than by a written instrument executed by Seller and Buyer. This Contract or any such amendment or waiver may be executed in several counterparts, each of which shall be considered a duplicate original and the same instrument. The Letter of Intent is hereby null and void and is of no force and effect.

c. Governing Law; Severability. This Contract shall be governed by and construed in accordance with the laws of the State of Ohio. The invalidity or unenforceability of any provision of this Contract in any particular respect shall not affect the validity and enforceability of any other provision of this Contract or of the same provision in any other respect.

d. Successor and Assigns; Assignment. This Contract shall inure to the benefit of and be binding upon the Parties hereto and their respective heirs, personal representatives, successors and permitted assigns. Notwithstanding the foregoing, Buyer may assign this Contract to any third-party individual or entity, with Seller's prior written consent (and upon written notice to Seller and Title Company), at which time Buyer's assignee will be substituted for Buyer and Buyer shall be relieved of all obligations under this Contract. Seller hereby further agrees to accept all required performance under this Contract from Buyer's nominee and to render Seller's performance of all of Seller's obligations under this

Contract to Buyer's nominee, if requested, in accordance with this paragraph. Seller may assign its rights in this Contract with the prior approval of Buyer.

e. Survival of the Contract; Survival of Certain Terms. The promises, terms, conditions, representations, warranties and provisions of this Contract shall survive the Closing of the transactions and the delivery and recording of the deed and any other instrument for the conveyance of the Property; and if the deed or any other recorded instrument is or may be construed to be inconsistent with any provision of this Contract, then the applicable provisions of this Contract shall control and shall not be deemed to have been merged into such deed or other recorded instrument, unless otherwise expressly provided in any such instrument.

f. Real Estate Brokerage Commission. The Seller represents that no real estate broker or other Person has been employed for compensation to represent it in this transaction, except Hadler Realty Co., representing the Seller. The Buyer represents that no real estate broker or other Person has been employed for compensation to represent the Buyer in this transaction. Each Party hereby represents and warrants to the other Party that, except as provided above, it has no knowledge of any agreement, understanding or fact which would entitle any real estate broker, finder or other Person, to any commission, fee or other compensation as a result of the transaction which is the subject of this Contract. Each Party hereby agrees to indemnify, defend and hold harmless the other Party from and against any liability, cost or expense, including attorneys' fees, as a result of any claim for a commission, fee or other compensation made by any real estate broker, finder or other Person and asserted against the other Party by reason of an arrangement made or alleged to have been made by the indemnifying Party. Seller is responsible for any brokerage fees to Hadler Realty.

g. Certain Defined Terms. For purposes of this Contract, the term: (i) "Person" means a corporation, association, partnership (general or limited), limited liability company, trust, estate, government, governmental agency or other entity as well as an individual or natural person, unless the context otherwise requires, (ii) "Day" or "day" shall mean a calendar day and "Effective Date" means the date that the last Party to execute this Contract delivers this executed Contract to the other Party.

h. Time. Time is of the essence with respect to the performance of each provision of this Contract. Ownership of Plans. In the event this transaction does not close, all plans, surveys, reports, studies, tests, audits, investigations, designs, drawings and related information and materials (collectively, the "Plans") prepared for or at the request of Buyer and relating to the Property shall, upon the reasonable request of Seller, be promptly delivered to Seller.

i. Like-Kind Exchange. The Parties acknowledge that either may elect to purchase or sell the Property as part of a tax-free exchange under Section 1031 of the Internal Revenue Code of 1986, as amended ("Code"). As such, the Parties agree to reasonably cooperate in connection therewith. If requested by Buyer or Seller, each will participate in the exchange contemplated by this Article as an accommodation to the other with the express understanding and agreement that:

(i) Seller or Buyer shall not be required to take title to any property in order to effectuate such exchange, (ii) under no circumstance shall Seller be required to postpone or refrain from receiving any of the Purchase Proceeds due Seller hereunder, (iii) neither Party is making any representation or warranty regarding such exchange or whether such exchange qualifies as such under the Code, (iv) each Party shall indemnify and hold the other harmless from and against any cost, expense or liability, including attorneys' fees, incurred by Buyer and/or Seller as the case may be, in connection with the provisions of this §12(j) or any such exchange and (v) Buyer and/or Seller as the case may be, shall not be required to incur any additional costs, fees or expenses (including, without limitation, attorney fees) to accommodate any proposed like-kind exchange.

l. Defaults and Remedies.

- Default by Seller. If this transaction is not closed because of Seller's failure to perform hereunder (through no fault of Buyer), or Seller fails to comply with any of its obligations, covenants, warranties or agreements, Buyer may bring any action against Seller for legal or equitable relief.
- Default by Buyer. If this transaction is not closed because of Buyer's failure to perform hereunder (through no fault of Seller), or Buyer fails to comply with any of its obligations, covenants, warranties or agreements, Seller may bring any action against Buyer for legal or equitable relief.

m. Recording. Neither Party may record this Contract, however, either Party may record a customary Memorandum of Contract, at the recording Parties' expense.

n. Offer & Acceptance. This Contract shall be open for Seller's acceptance until 5:00 p.m. on the third (3rd) business day after Buyer has delivered this Contract to Seller.

**AGREEMENT FOR THE ACCEPTANCE AND PROCESSING OF
RECYCLABLE MATERIALS GENERATED IN AND COLLECTED
FROM THE CITY OF REYNOLDSBURG, OHIO**

THIS AGREEMENT for the acceptance and processing of Recyclable Materials generated in and collected from within the City of Reynoldsburg, Ohio (“Agreement” or “Recycling Services Agreement”) entered into this ____ day of _____ 2021, is by and between the community of City of Reynoldsburg, Ohio (“Participating Community”), with its offices located at 7232 E. Main Street, Reynoldsburg, Ohio 43068, and Rumpke of Ohio, Inc. (“Contractor”), a corporation with an office located at 10795 Hughes Road, Cincinnati, Ohio 45251.

RECITALS

WHEREAS, pursuant to Section 715.43 and Section 3707.43 of the Ohio Revised Code, the Participating Community may establish such collection systems and Solid Waste facilities as may be necessary or appropriate to provide for the safe and sanitary management of Solid Waste, including Recyclable Materials, generated within the Participating Community; and

WHEREAS, the Participating Community has determined that it is in the best interests of the Participating Community and its residents that the Participating Community arrange for the guaranteed acceptance and processing of all Recyclable Materials generated at Residential Units, Residential Unit Equivalents and Municipal Facilities and during Special Events located within the Participating Community from a single Contractor on an exclusive basis (“Recycling Services”); and

WHEREAS, on February 18, 2021 and on February 25, 2021, the Participating Community, as part of a Joint Bidding Process with several communities located within the jurisdiction of the Solid Waste Authority of Central Ohio (“2021 Solid Waste Consortium”), invited through advertisement in the Daily Reporter qualified providers of the Recycling Services to submit bids to provide Recycling Services on the terms and conditions contained herein; and

WHEREAS, the Contractor owns, operates or has reserved capacity available at a properly licensed and permitted material recovery facility or Legitimate Recycling Facility for the processing of Recyclable Materials, known as Rumpke Recycling and located at 1191 Field Road, Columbus, Ohio 43201 (“Identified Facility”); and

WHEREAS, the Contractor submitted a Bid to become the sole provider of Recycling Services for Recyclable Materials generated at Residential Units and Municipal Facilities and during Special Events located within the Participating Community; and

WHEREAS, the Participating Community has accepted and awarded a separate contract to a Collection Contractor, for the collection, transportation and delivery of all Recyclable Materials generated at Residential Units and Municipal Facilities and during Special Events located within the Participating Community; and

WHEREAS, in reliance upon the Contractor's Bid, the Participating Community requires that the Collection Contractor deliver all Recyclable Materials to the Contractor's Identified Facility for processing by the Contractor; and

WHEREAS, the Participating Community desires to accept the Contractor's Recycling Services Bid and engage the Contractor to be the sole provider of Recycling Services; and

WHEREAS, the Participating Community and the Contractor each represents that it has the authority to execute this Agreement for the Recycling Services.

NOW, THEREFORE, in consideration of the promises and mutual covenants below, the parties incorporate the foregoing recitals and agree as follows:

ARTICLE I - DEFINITIONS

The capitalized terms used herein shall be defined in Exhibit A, which is attached and incorporated.

ARTICLE II - TERM

- 2.1. Term of Agreement.** The term of this Agreement shall commence on January 1, 2021, upon its execution by both parties hereto and shall continue for two (2) years. The Agreement shall automatically renew for three additional one-year term(s) unless, at the sole discretion of the Participating Community, the Participating Community provides notice of termination within thirty (30) days of the renewal date. The Participating Community shall have a right to terminate at any time for cause. Cause includes but is not limited to violation of the terms of this Agreement, substantial non-performance, or as set forth in in paragraph 3.5 herein.

ARTICLE III – CONTRACTOR'S OBLIGATIONS

- 3.1. Recycling Services.** The Contractor agrees to accept any and all Recyclable Materials identified on the Bid Form, attached hereto and incorporated herein as Exhibit C, generated and collected from within the Participating Community and delivered to the Contractor's Identified Facility by the Participating Community's Collection Contractor, the Participating Community or its Residents during the term and any renewal term of this Agreement. The Contractor shall make such Recycling Services available to the Collection Contractor between the hours of 7:00 a.m. and 7:00 p.m., Monday through Friday, and between the hours of 7:00 am and 12:00 p.m. on Saturdays, exclusive of the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.
- 3.2. Charges for Recycling Services.** The Contractor agrees that it shall charge the Participating Community or pay to the Participating Community a price in accordance with the amount provided in the Bid Form, attached hereto and incorporated herein as Exhibit C, measured on a per ton basis or fraction thereof of Recyclable Materials delivered to the Identified Facility by Collection Contractor, the Participating Community or its Residents ("Contractor Charge").

- 3.3. Recyclable Materials.** The Successful Bidder shall accept and process for recycling not less than the following Recyclable Materials: steel cans, aluminum cans (including empty aerosol containers), plastic bottles and jugs (all colors and resin types), cartons and aseptic containers, newspapers, magazines and other residential mixed paper, cardboard, glass bottles and glass jars (all colors). The processor may identify other material types accepted.
- 3.4. Performance Bond.** Within ten (10) days after receiving the Notice of Award, the Contractor shall furnish and maintain for the term and any renewal term of this Agreement, a Performance Bond, substantially in the form attached hereto and incorporated herein as Exhibit B, executed by a duly authorized surety, acceptable to the Participating Community in all respects, or such other security acceptable to the Participating Community, in the amount of twenty-five thousand dollars (\$25,000.00).
- 3.5. Performance Assurance.** The Contractor shall immediately report to the Participating Community any notice or order from any governmental agency or court or any event, circumstance or condition which may adversely affect the ability of the Contractor to fulfill its obligations. If upon receipt of such report or upon the Participating Community's own determination that any such notice, order, event, circumstance or condition adversely affects the ability of the Contractor to fulfill its obligations, the Participating Community shall have the right to demand adequate assurances from the Contractor that the Contractor is able to continue to perform. Within fourteen (14) days of reading such demand, the contractor shall submit to the Participating Community its written response. In the event that the Participating Community, in good faith, does not agree that the Contractor's response provides adequate assurance of future performance to the Participating Community and its Residents, the Participating Community may, in the exercise of its sole discretion, seek substitute or additional sources for the delivery of all or a portion of the Recycling Services, declare the Contractor is in default of its obligations under this Agreement and terminate the Agreement or take such other action the Participating Community deems necessary to assure that the Recycling Services will be provided to the Participating Community and its Residents.
- 3.6. Notice Requirement.** The Contractor shall immediately notify the Participating Community of any problem or dispute, including payment, which the Contractor has with the Collection Contractor. The Contractor shall not refuse to accept any Recyclable Materials collected from within the Participating Community delivered by the Collection Contractor for processing unless and until the Participating Community has been notified and has had a reasonable opportunity to investigate and correct any violation and resolve the dispute.
- 3.7. Environmental Indemnification.** The Contractor shall save, indemnify and hold the Participating Community, its members of council, employees, agents, officers and consultants (each a "Participating Community Indemnatee") harmless from and against any and all liabilities, claims, demands, causes of action, penalties, judgments, forfeitures, liens, suits, costs and expenses whatsoever (including those arising out of death, injury to persons, or damage to or destruction of property), and the cost and expenses incident thereto (including reasonable attorneys' fees), which any Participating Community Indemnatee may incur, become responsible for, or pay out for or resulting from

contamination of or adverse effects on the environment, or any violation of governmental laws, regulations, or orders, in each case, to the extent caused by the Contractor's negligence or willful misconduct relating to the operation of the Identified Facility, including the processing of Recyclable Materials within said Identified Facility. Any Participating Community Indemnitee shall promptly notify Contractor of any assertion of any claim against it for which it is entitled to be indemnified, shall give the Contractor the opportunity to defend such claim and shall not settle such claim without the approval of the Contractor. This Section 3.7 shall survive expiration or earlier termination of this Agreement.

- 3.8. Employment Practices.** The Contractor agrees that the Contractor and its agents and subcontractors shall not discriminate, by reason of race, color, religion, sex, military status, national origin, disability, age, or ancestry against any person with respect to hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment in the performance of the Recycling Services.
- 3.9. Compliance with Applicable Laws.** The Contractor agrees that it will provide the Recycling Services and operate and maintain its Identified Facility in strict compliance with all applicable federal, state, and local laws, ordinances, rules and regulations, including but not limited to the rules and regulations of the Solid Waste Authority of Central Ohio (including Rule 4-2017) and the Franklin County District Board of Health, which may apply to the performance of the Recycling Services.
- 3.10. Volume of Generation.** The Contractor acknowledges that the Participating Community makes no commitment that any specific amount of Recyclable Materials will be available for processing.
- 3.11. Records and Inspections.** The Recycling Services Contractor shall permit representatives of the Participating Community, at the Participating Community's sole expense, to inspect the Designated Facility and obtain copies of Recyclable Materials log sheets, weight tickets, gate receipts, and any documents relevant to processing fees and rebates that are maintained by the Designated Facility for incoming, outgoing, delivery to market, or sale of Recyclable Materials and residual Solid Waste attributable to the Participating Community. Any such inspection or copying requested by the Participating Community shall be conducted during the Designated Facility's normal business hours and the Participating Community shall give the Recycling Services Contractor at least twenty-four (24) hours prior notice of any such inspection or copying. In the event that the Participating Community requests copies of log sheets, weight tickets, gate receipts, or any documents relevant to processing fees and rebates, the Recycling Services Contractor agrees to make such copies available to the Participating Community within a reasonable time.

ARTICLE IV – MISCELLANEOUS

- 4.1. Bid Forms.** The Bid Form attached as Exhibit C is hereby incorporated. In the event of any conflict between the Bid Forms and a provision of this Agreement, this Agreement shall control.

- 4.2. **Entire Agreement.** This Agreement and the incorporated Bid Form represent the entire agreement of the parties and supersedes all other prior written or oral understandings. This Agreement may be modified or amended only by a writing signed by both parties.
- 4.3. **Notices.** Written notice required to be given under this Agreement shall be sufficient if delivered personally or mailed by certified mail, return receipt requested to the Contractor, attention _____, and to the Participating Community, attention _____, at their respective addresses set forth above. Any change in address must be given in like manner.
- 4.4. **Waiver.** No waiver, discharge, or renunciation of any claim or right of the Participating Community or the Contractor arising out of a breach of this Agreement by the Participating Community or the Contractor shall be effective unless in writing signed by the Participating Community and Contractor.
- 4.5. **Applicable Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of Ohio. Venue is proper in Franklin County, Ohio.
- 4.6. **Unenforceable Provision.** If any provision of this Agreement is determined by a court of law to be unenforceable, such provision shall be deemed stricken. The parties agree to remain bound by all remaining provisions and to negotiate in good faith a replacement for any stricken provision.
- 4.7. **Binding Effect.** This Agreement shall be binding upon and shall inure to the benefit of, and be enforceable by and against, the respective successors and assigns of each party, provided, however, that the Contractor may not assign this Agreement or any of the Contractor's rights or obligations without the express written consent of the Participating Community, which consent may be withheld for any reason or for no reason.
- 4.8. **Rights or Benefits.** Nothing herein shall be construed to give any rights or benefits in this Agreement to anyone other than the Participating Community and the Contractor and all duties and responsibilities undertaken are for the sole and exclusive benefit of the Participating Community and the Contractor and not for the benefit of any other party

IN WITNESS WHEREOF, the parties by their duly authorized officers, trustees or partners, have executed this Agreement on the date set forth above.

EXHIBIT A

DEFINED TERMS

The 2021 Consortium I and 2021 Consortium III (“2021 Consortiums”): collectively, the Cities of Bexley, Dublin, Gahanna, Grove City, New Albany, Reynoldsburg, and Westerville; Blendon, Hamilton, Jackson, Mifflin, Norwich, Plain, and Washington Townships; and the Villages of Lockbourne and Urbancrest, each located within the jurisdiction of the Solid Waste Authority of Central Ohio and participating in a Joint Bid Process to obtain the Recycling Services.

Bid Bond: a bond insuring the Participating Communities that the Successful Bidder will execute the agreements for the Recycling Services substantially in the form provided in the Bid Documents.

Bidder: a person, partnership, joint venture, corporation or limited liability company submitting a Bid in response to the Invitation to Bid or requests for proposals by the Participating Communities.

Bid Documents: the documents prepared and furnished by the Participating Communities inviting bids to obtain the Recycling Services; including the Legal Notice to Bidders, Instructions to Bidders, Bid Forms, forms of agreement and any and all attachments and exhibits.

Bid Form: the exhibit to the Recycling Services Agreement included in the Bid Documents upon which a Bidder shall submit its bid price for the acceptance and processing of Recyclable Materials.

Bid Process: the bidding process for the Recycling Services designed by the Participating Communities.

Collection Contractor: an individual or entity selected by the Participating Communities for the collection of Solid Waste, Recyclable Materials and/or Yard Waste at Residential Units, Municipal Facilities and during Special Events within the Participating Communities, if any.

Effective Date: the date of last execution of the Recycling Services Agreement.

Identified Facility or Designated Facility: the facility or location where all Recyclable Materials generated in the Participating Communities must be delivered upon commencement of Recyclable Services Agreement.

Invitation to Bid: the request of the Participating Communities to secure the Recycling Services.

Legitimate Recycling Facility: an engineered facility or site where Recycling of material other than scrap tires is the primary objective of the facility, including: (a) Facilities that accept only Source-Separated Recyclable Materials, except scrap tires, and/or commingled Recyclables which are currently recoverable utilizing existing technology; and (b) Facilities that: (i) accept mixed or

Source-Separated Solid Waste; (ii) recover for beneficial use not less than sixty per cent (60%) of the weight of Solid Waste brought to the facility each month (as averaged monthly) for not less than eight (8) months in each calendar year, and (iii) dispose of not more than forty per cent (40%) of the total weight of Solid Waste brought to the facility each month (as averaged monthly) for not less than eight (8) months in each calendar year.

Multi-Family: Municipal Facility pricing options for collection of recyclable materials will also be offered to local commercial business and multi-family housing developments by the Collection Contractor, although neither will be required to use the service. The Collection Contractor is required to provide recycling to local business and multi-family developments at the bid prices and contract directly with those business and multi-family developments that voluntarily choose to participate in the program. The Successful Bidder shall accept the recyclable materials generated from Multi-Family collected by the Collection Contractor.

Municipal Facilities: Participating Community-owned buildings, parks, and/or other locations which may be a source of Participating Community-generated Recyclable Materials.

Notice of Award: written notification that a Bid has been accepted for the Recycling Services.

Participating Community: the City of Reynoldsburg, Ohio.

Participating Communities: the following political subdivisions, located within the jurisdiction of the Solid Waste Authority of Central Ohio and participating in a Joint Bid Process to obtain the Recycling Services, including the Cities of Bexley, Dublin, Gahanna, Grove City, New Albany, Reynoldsburg, and Westerville; Blendon, Hamilton, Jackson, Mifflin, Norwich, Plain, and Washington Townships; and the Villages of Lockbourne and Urbancrest.

Performance Bond: the bond insuring performance of the Recycling Services, to be submitted in substantially the same form as that included in the Bid Documents.

Recyclable Material: means not less than the following Recyclable Materials: steel cans, aluminum cans (including empty aerosol containers), plastic bottles and jugs (all colors and resin types), cartons and aseptic containers, newspapers, magazines and other residential mixed paper, cardboard, glass bottles and glass jars (all colors). The processor may identify other material types accepted.

Recycling Services Agreement, Recycling Agreement, or Agreement: agreement establishing where all Source-Separated Recyclable Materials, except for Food Waste, shall be delivered for Recycling Services by and between the provider of Recycling Services and the Participating Communities.

Recycling Services: the acceptance of Source-Separated Recyclable Materials at the location where Source-Separated Recyclable Materials are to be delivered, and the processing of Source-Separated Recyclable Materials at the location where Source-Separated Recyclable Materials are to be processed, pursuant to the Recycling Services Agreement.

Residential Unit or Units: all residential dwellings within the corporate limits of each Participating Community occupied by a family unit, and considered by that Participating

Community to qualify as a Residential Unit; including but not limited to residences of three (3) units or less and single-family condominiums. A Residential Unit shall be deemed “occupied” when either water or power services have been established.

Residential Unit Equivalent: a commercial establishment that receives Collection Services in the same manner as a Residential Unit by agreement of the Participating Community.

Solid Waste: unwanted residual solid or semisolid material as results from industrial, commercial, agricultural, and community operations, excluding earth or material from construction, mining or demolition operations, or other waste materials of the type that would normally be included in demolition debris, nontoxic fly ash, spent nontoxic foundry sand, and slag and other substances that are not harmful or inimical to public health, and includes, but is not limited to, garbage, tires, combustible and non-combustible material, street dirt, and debris. Solid Waste does not include any material that is an infectious waste or a hazardous waste.

Solid Waste Authority of Central Ohio, or SWACO: the Board of Trustees of the Solid Waste Authority of Central Ohio with its principal offices located at 4239 London-Groveport Road, Grove City, Ohio 43123.

Source-Separated Recyclable Materials: Solid Waste Recyclable Materials that are separated from other Solid Waste at the location where such materials are generated for the purpose of recycling.

Special Events: services provided to Municipal Facilities and during Participating Community - identified events listed on Exhibit E, attached to each Participating Community’s Collection Agreement and included in the Bid Documents, including but not limited to Participating Community -wide designated clean-up weeks.

Successful Bidder: the Bidder that the Participating Communities conclude has submitted the lowest price and best bid for the Recycling Services, receiving a final Notice of Award.

EXHIBIT B**PERFORMANCE BOND FOR THE PROVISION OF RECYCLING SERVICES**

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned Recycling Services Provider ("Principal") and _____ [insert name of surety] ("Surety"), a corporation organized and doing business under and by virtue of the laws of the State of Ohio, and duly licensed for the purpose of making, guaranteeing, or becoming sole surety upon bonds or undertakings required or authorized under the laws of the State of Ohio, and that the liability incurred is within the limits of section 3929.02 of the Revised Code are held and firmly bound unto the community of _____, Ohio ("Beneficiary") Beneficiary in the sum of **twenty-five thousand dollars (\$25,000.00)**, in lawful money of the United States, of such sum to be made, the Principal and Surety bind ourselves, and each of our administrators, successors, and assigns, jointly and severally, firmly by this Performance Bond.

The State of Recycling

The past several years have brought with them many unforeseen changes in recycling and commodity markets have become more unpredictable. Despite this, Rumpke's longstanding regional partnerships and reputation for quality ensure Ohio's recyclables continue to be reused. More than 98% of Rumpke's collected recyclables go to domestic end users, with 80% destined for end users in Ohio and the Midwest. Rumpke has cultivated these regional opportunities by supplying bales of high-quality uncontaminated recyclables that manufacturers can turn into new products.

About the Recycling Processing Adjustment

Rumpke's goal is to support recycling in communities by offering a reliable processing solution at a fair, consistent and sustainable price. In the new state of recycling, collaborative pricing models have become a common practice for doing so. These models adjust price commensurate with recycling markets to help both communities and recyclers sustain their recycling programs.

Rumpke's Recycling Processing Adjustment uses a standard calculation to derive a per ton rebate or charge based on verifiable commodity indexes. The adjustment proposed herein offers communities price protection by setting a maximum charge of \$35 per ton while rebates may reach up to \$20 per ton.

Service Description

The included prices and terms are for the and acceptance of source-separated Single Stream Recyclable Materials generated by the communities listed below, collected by the Collection Contractor and delivered to Rumpke's Material Recovery Facility at 1191 Fields Avenue, Columbus, Ohio 43201. All fees shall be paid by the community and, if not paid directly by the community, all fees for Recycling Services shall be paid by the community's Collection Contractor.

Communities:

Recyclable Materials

Recyclable Materials will include all steel cans, aluminum cans, plastic bottles/jugs/tubs, cartons and aseptic containers, newspapers, magazines and other residential mixed paper, cardboard, and glass bottles/jars combined. If excessive Residuals (materials that are not permitted and/or processable as single stream recyclables at Rumpke's Columbus MRF) impede processing, charges may apply to properly manage the material stream.

Calculating the Recycling Processing Adjustment

Allocation Percentage

Allocation Percentage of each commodity category will be adjusted every 6 months based on the actual volume (by weight) of residential recyclables processed and sold during a 6-month time period. The Allocation Percentage provided in the sample is for demonstration purposes only.

Index Price Formula

The Index Price Formula Rate will be based on the monthly published value of the index associated with the Recyclable Material, as described below.

Fiber

Set forth by Pulp & Paper Week, the category listed below, shall be used.

Sorted Residential News	P&PW/OBM High SRP #56 News
Cardboard	P&PW/OBM High Side OCC #11 Corrugated
Mixed Paper	P&PW/OBM High Side Mixed Paper #54
Aseptic Containers	P&PW/OBM High Side, (SOP) Sort Office Paper @ 50%

Non-Fiber

Set forth at www.SecondaryMaterialsPricing.com, the first published "Current Average" price for each month, Chicago (Midwest/Central) Region shall be used. Prices shall be retroactive to the first published price of the month and shall be applied to the month delivery.

Grade	Description	Average

Steel Cans	Baled, .lb, picked up	Average
#3-#7 Plastic Mixed	Baled, .lb, picked up	Average
Glass (3 Mix)	Baled, .lb, picked up	Average

Residuals Cost

The Residuals Cost shall be \$59 per ton.

Processing Fee

The Processing Fee shall be \$90 per ton.

Fee Adjustments

Rumpke reserves the right to adjust the Processing Fee annually based on Federal, State or local laws, regulations, environmental mandates imposed or other factors that affect the cost of fulfilling services; or by the Consumer Price Index for All Urban Consumers (CPI-U): U.S. city average, Garbage and Trash Collection expenditure category as announced by the United States Department of Labor; or by five percent (5%). Federal, State or local laws, regulations, environmental mandates imposed, or other factors may include, but are not limited to, tipping fees, disposal fees, additional fuel costs, or new or increased surcharges, fees or taxes that regulate the type of material collected, the location for disposition of such material, or the payment of fees for disposing of such materials.

Net Value

The Net Value per ton will be derived by summing the value (positive or negative) of the Commodity Categories, Residuals Cost and Processing Fee. If the calculation derives a positive (+) Net Value per ton, Rumpke will share evenly (50/50) in the difference between \$0 and the Net Value, up to \$20 per ton. If the calculation derives a negative (-) Net Value per ton, the difference between \$0 and the Net Value will be charged in full, up to \$35 per ton.

HOW ARE RECYCLABLES SORTED?

DRUM FEEDER

Creates a consistent flow of material from the tipping floor to the pre-sort line.

PRE-SORT AREAS

Trash is removed.

CARDBOARD SCREENER

Rotating discs remove the cardboard from the stream.

GLASS BREAKER

Glass is broken on the screen, conveyed to a bunker and sent to Rumpke's Dayton Glass Processing Facility.

PAPER SCREENER

Rotating discs separate the paper from the containers.

OPTICAL SCANNER

Infrared light shines on the conveyor belt. The designated material (paper, cartons or plastic) is identified by a scanner and separated using bursts of air.

OVERHEAD MAGNET

Attracts the steel cans.

EDDY CURRENT

Rare earth magnet repels the aluminum cans and causes them to "jump" onto the designated belt.

BALER

Compacts the material into bales to be sold and made into something new.

Clarifications

The prices, terms and other items submitted are applicable and specific to the costs, resources and requirements for processing Source-Separated Recyclable Materials generated by Residential Units and City/Township/Village-owned buildings and parks of the communities listed below, collected by the Collection Contractor and delivered to Rumpke's Material Recovery Facility at 1191 Fields Avenue, Columbus, Ohio 43201. They are therefore extended only to the listed communities by way of this submission.

Communities:

- | | | |
|------------------------|-----------------------|-------------------------|
| • City of Bexley | • Blendon Township | • Jackson Township |
| • City of Dublin | • Mifflin Township | • Norwich Township |
| • City of Gahanna | • Plain Township | • Village of Lockbourne |
| • City of New Albany | • Washington Township | • Village of Urbancrest |
| • City of Reynoldsburg | • Grove City | |
| • City of Westerville | • Hamilton Township | |

The City of Columbus is excluded from this bid as they are subject to a separate contract with Rumpke. While Rumpke will consider extending the same prices and/or terms and/or services to other municipalities or townships located within or adjacent to SWACO's district should they wish to opt in at a later date, Rumpke reserves the right to accept or deny their participation altogether or under the same prices, terms and services, in accordance with Ohio Revised Code Section 9.48. Rumpke will also consider extending the same prices and/or terms and/or services to Source-Separated Recyclable Materials collected from a local commercial business, multi-family housing development, Special Event or other location which may be a source of the communities' generated Recyclable Materials but Rumpke reserves the right to address pricing and terms on a case by case basis, which will be available separately upon a hauler's individual request.

Excessive Residual: For the benefit of most entities who generate material with acceptable residual percentages, stated prices are for processing Source Separated Recyclable Materials collected from the communities' Residential Units and City/Township/Village-owned buildings and parks by its Collection Contractor and delivered to Rumpke's MRF (Fields Avenue) by its Collection Contractor. Pricing does not include services required to properly manage delivered materials that are not accepted as Recyclable Materials or are not processable at Rumpke's MRF (Fields Avenue). When the percentage of residuals hinders, prohibits or damages the process or processing of delivered materials, Rumpke reserves the right to charge the Collection Contractor or hauler for transportation, disposal, material handling and other costs incurred as a result of the materials obtained.

Billing & Reporting: No agreements will be executed, nor material accepted for processing unless the Collection Contractor can (1) abide by acceptable processes for quantifying delivered material by community and/or entity for accurate billing and reporting and (2) meet material quality, reporting, compliance and regulatory requirements enforced by Rumpke.

Rumpke reserves the right to annually adjust the per ton price for processing Recyclable Materials (Base Bid) or the Processing Fee (Alternate Proposal) based on Federal, State or local laws, regulations, environmental mandates imposed or other factors that affect the cost of fulfilling services; or by the Consumer Price Index for All Urban Consumers (CPI-U): U.S. city average, Garbage and Trash Collection expenditure category as announced by the United States Department of Labor; or by five percent (5%). Federal, State or local laws, regulations, environmental mandates imposed, or other factors may include, but are not limited to, tipping fees, disposal fees, additional fuel costs, or new or increased surcharges, fees or taxes that regulate the type of material collected, the location for disposition of such material, or the payment of fees for disposing of such materials.

Hours of Acceptance: Recyclable Materials will be accepted at Rumpke's Columbus MRF Monday through Friday between the hours of 7:00 a.m. and 5:00 p.m., exclusive of the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day. Hours are subject to change. Rumpke will accommodate additional hours of delivery when feasible and practicable.

Subject: RE: Cruiser 250 Evaluation

Kevin, Parts cost from AutoZone is attached.

- 1) This does not include the cost of a Dash Cluster from Ford. There is no ETA on shipment for that part. Its cost is \$338.
- 2) The AM/FM stereo does not work in the car and there is not factory part available for it.
- 3) The car needs new rear pads, rotors and calipers.
- 4) The car needs the rear pinion seal replaced which entails tearing apart the rear axle housing.
- 5) Needs a right rear CV axle replaced.
- 6) Left front fog light assembly is busted and missing the lens
- 7) Fuel pump assembly needs replaced
- 8) Alternator charging is intermittent
- 9) Front driveshaft has a bad U-Joint

This car is 12 years old. Once a vehicle gets to a certain point, parts become tough to get. Especially when it comes to the factory electronic type parts. We just put \$1800 in engine/steering parts into cruiser 263 which is a 7 year old car. If we were to get the cars on a constant life cycle rotation these types of repairs and downtime can be avoided. If you have any more questions, feel free to reach out.

Thanks,

Justin H Jones

Attention: Mayor, City Council President Jenkins
and Reynoldsburg City Council Members

Date: July 5th, 2021

All,

On June 10th, 2021 The City of Reynoldsburg received bids for the collection and transportation of solid waste and recycling materials. Based on an evaluation of all bids received (Local Waste Services and Rumpke Waste and Recycling) by the consortium, the City has determined Local Waste Services Alternative Bid to be the lowest and best bid received. As outlined in the Alternative Bid the following shall apply:

- Collection days will be Wednesday and Thursday of each week. All items (solid waste, recycling, yard waste and bulk pick-up) will be serviced on the selected day. Maps will be provided to the City outlining what areas will be serviced on what day in the weeks to come.
- Each resident will receive a ninety-five (95) gallon solid waste cart at no additional cost. Sixty-five (65) and thirty-five (35) gallon solid waste carts would be available to those customers whose condition deems such modification necessary.
- Fleet will be use Compressed Natural Gas (CNG).

The consortium received only one bid for the process of recycling materials which was from Rumpke Waste and Recycling. The cost for this service is \$35.00 per ton which has been included (\$0.50) in the proposed monthly fee of \$20.97 per household:

Company	Monthly Cost			Current Price
	Three Year Term (2022-24)	First One-Year Extension (2025)	Second One-Year Extension (2026)	
Rumpke Waste and Recycling	\$22.31	\$23.09	\$23.90	\$19.13
Local Waste Services	\$20.47	\$20.47	\$20.47	

Senior citizen discount of ten (10) percent offered.

Thank you,

William Dorman
Public Service Director

**AGREEMENT FOR THE COLLECTION, TRANSPORTATION AND DELIVERY
FOR DISPOSAL OR PROCESSING OF RESIDENTIAL SOLID WASTE,
RECYCLABLE MATERIALS AND YARD WASTE GENERATED WITHIN THE
CITY OF REYNOLDSBURG, FRANKLIN COUNTY, OHIO**

THIS AGREEMENT for the collection, transportation and delivery for disposal or processing of Solid Waste, Recyclable Materials and Yard Waste (“Collection Services”) generated within the City of Reynoldsburg, Ohio (the “Collection Agreement”) entered into this ____ day of _____, 2021, is by and between the City of Reynoldsburg, Ohio, with its principal office located at 7232 E. Main Street, Reynoldsburg, Ohio 43068 (“Participating Community”), and Local Waste Services, LLC, a limited liability company an office located at 1300 S. Columbus Airport Road, Columbus, Ohio 43207 (“Collection Contractor”).

RECITALS

WHEREAS, pursuant to Sections 715.43 and 3707.43 of the Ohio Revised Code, the Participating Community may enter into written contracts with independent contractors to establish such collection systems and designate solid waste facilities as may be necessary or appropriate to provide for the safe and sanitary management of Solid Waste, including Recyclable Materials and Yard Waste, generated within the Participating Community; and

WHEREAS, the Participating Community has determined that it is in the best interests of the Participating Community and its Residents that the Participating Community arrange for the collection, transportation and delivery for disposal or processing of all Solid Waste, Recyclable Materials and Yard Waste generated at Residential Units, Residential Unit Equivalents, Participating Community Facilities and during Special Events located within the Participating Community from a single Collection Contractor on an exclusive basis (“Collection Services”); and

WHEREAS, on May 6, 2021, the Participating Community, as part of a Joint Bid Process with several communities located within the jurisdiction of the Solid Waste Authority of Central Ohio (“2021 Solid Waste Consortium”), invited through advertisement in The Daily Reporter qualified providers of the Collection Services to submit bids to provide such Collection Services on the terms and conditions contained herein; and

WHEREAS, the Collection Contractor submitted a bid to become the exclusive provider of Collection Services for the benefit of the Participating Community and its Residents; and

WHEREAS, following the June 10, 2021 official opening of the bids by the 2021 Solid Waste Consortium and consideration of bids for Collection Services, the Participating Community determined that the Collection Contractor is qualified to provide the Collection Services to the Participating Community and approved the award of the Collection Agreement to the Collection Contractor; and

WHEREAS, Solid Waste shall be delivered to the Franklin County Sanitary Landfill or an in-district transfer station owned and operated by the Solid Waste Authority of Central Ohio (“SWACO”); the Participating Community has selected Rumpke of Ohio, Inc. to provide Recycling Services, so Recyclable Materials shall be delivered to 1191 Fields Avenue, Columbus, Ohio 43201 unless otherwise required and approved by the Participating Community; and Yard

Waste shall be delivered to any Yard Waste Services provider that has a contract with SWACO or is otherwise approved by the Participating Community; and

WHEREAS, the above-enumerated facilities are the only Designated Facilities that the Collection Contractor may use for the delivery of Solid Waste, Recyclable Materials and Yard Waste collected by the Collection Contractor pursuant to this Collection Agreement; and

WHEREAS, the Participating Community and the Collection Contractor have agreed on terms and conditions for the Collection Services in conformance with the Bid Documents, incorporated herein by reference, at the bid prices as stated on the Bid Forms, which are attached hereto as Exhibit G and incorporated by reference; and

WHEREAS, the Participating Community and the Collection Contractor each represents that it has the authority to execute this Collection Agreement for the Collection Services identified herein.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements below, the parties incorporate the foregoing recitals and agree as follows:

ARTICLE I – DEFINED TERMS

The capitalized terms used in this Collection Agreement are defined in Exhibit A, Defined Terms, which is attached and incorporated by reference.

ARTICLE II – AGREEMENT, TERM & RENEWAL TERMS

- 2.1** Community hereby authorizes the Collection Contractor, and the Collection Contractor hereby accepts such authorization, on an exclusive basis and as an independent Collection Contractor, to collect, transport, and deliver for disposal or processing, Solid Waste, Recyclable Materials and Yard Waste generated at Residential Units, Residential Unit Equivalents, Participating Community Facilities and during certain Special Events within the Participating Community to the Designated Facilities. Except in the event a Participating Community implements a Food Waste, Textile or other reusable items diversion, recycling, or source reduction program, no other independent Collection Contractor or other person or entity shall provide the services agreed to in this Collection Agreement during the term of this Collection Agreement.
- 2.2 Effective Date and Term.** This Collection Services Agreement shall be effective on the date of last execution.

The term of the Collection Services Agreement shall commence 12:01 a.m. on the 1st day of January, 2022 and expire at midnight on the 31st day of December, 2024. The Agreement shall be automatically renewed, and the term extended, for two additional consecutive one-year periods (commencing at 12:01 a.m. on the 1st day of January, 2025 and expiring at midnight on the 31st day of December, 2025, and commencing at 12:01 a.m. on the 1st day of January, 2026 and expiring at midnight on the 31st day of December, 2026, respectively).

The Participating Community has the option, at its sole discretion, to not renew this Agreement. To exercise this option, the Participating Community must provide notification of non-renewal to the Collection Contractor in accordance with Section 8.2 herein no later than June 1st of the year immediately preceding the commencement of the applicable one-year term. Any extensions to this Collection Agreement shall be sequential and continuous.

Additionally, the Participating Community agrees not to issue an invitation to bid for Collection Services to be provided during a period of time contemporaneous to any one-year extension term under this Collection Agreement, unless the Participating Community has already issued a notice of non-renewal to the Collection Contractor in accordance with this Section.

- 2.3 Implementation Plan.** On or before October 1, 2021, the Collection Contractor shall submit proof that the benchmarks identified in the implementation plan, which is attached as Exhibit C and incorporated by reference, have been met. The Collection Contractor shall provide to the Participating Community and SWACO the total number of miles traveled by the Collection Contractor in one month for the Participating Community, (including miles traveled on the Collection Route, and average number of round trips to the Franklin County Sanitary Landfill, Participating Community-Designated Recyclable Materials Facility, and Participating Community-Designated Yard Waste Facility). The Collection Contractor shall submit to the Participating Community and SWACO certification of the following: (a) compliance with the benchmarks which include, but are not limited to, the identification of the number of vehicles and type of vehicle (diesel, CNG), sufficient number of drivers/employees, collection containers and equipment to perform; (b) that Collection Contractor's employees have been identified and completed training relating to the Participating Community-approved Collection Routes (required to be submitted the Participating Community for approval). The Participating Community may incorporate additional time restrictions, notwithstanding Section 4.3, such as for major roads during rush hour; (c) that Participating Community-approved written notices to Residents were sent to each Resident by U.S. mail explaining the procedures and obligations of each owner or occupant of a Residential Unit to receive Collection Services, and detailing the requirements for placement of collection containers; (d) a plan detailing how the delivery of collection containers will be completed and when; (e) that the Collection Contractor will deliver the Recyclable Materials to the Participating Community's Designated Facility for processing; and (f) that the Collection Contractor has delivered to the proof of insurance, proof of workers' compensation coverage and the required Performance Bond, which are attached as Exhibits B, D and F, and incorporated by reference. Finally, the Collection Contractor shall certify that all conditions precedent to the commencement of performance of the Collection Services have been satisfied by the dates stated on the implementation plan submitted by the Collection Contractor.

ARTICLE III – GENERAL REQUIREMENTS OF THE COLLECTION CONTRACTOR

- 3.1 Collection and Delivery Services.** The Collection Contractor shall provide regular weekly collection of Solid Waste, Recyclable Materials and Yard Waste from each

Residential Unit, Residential Unit Equivalent, Participating Community Facilities and during Special Events located within the Participating Community.

All Solid Waste, Recyclable Materials and Yard Waste generated at each Residential Unit shall be collected by the Collection Contractor on the same day, provided the Resident places such items in the manner specified in the Participating Community-approved written notice specified in Section 2.3 and Section 4.4.

The Collection Contractor shall collect, transport and deliver all: (a) Solid Waste to the Franklin County Sanitary Landfill or to an in-district Transfer Station operated by SWACO; (b) Recyclable Materials to the Participating Community Designated Facility for Recyclable Materials; and (c) Yard Waste to any facility that has a contract to process Yard Waste with SWACO or is otherwise approved by the Participating Community. The Collection Contractor shall pay to the owner or operator of the Participating Community-Designated Facilities all charges, costs, fees and expenses incurred for the disposal or processing of the Solid Waste and Yard Waste collected by the Collection Contractor and delivered to the Participating Community-Designated Facilities. The Participating Community shall pay the Recycling Processing fees unless otherwise indicated in Exhibit E. The charge by the Participating Community-Designated Facilities shall be limited to the charges approved by SWACO for the receipt of Solid Waste at the Franklin County Sanitary Landfill or Transfer Station operated by SWACO, and rates and charges approved by SWACO at any SWACO-contracted Yard Waste facility or such rates and charges applicable at Yard Waste facility otherwise approved by the Participating Community, and the rates and charges for Recycling Processing at the Participating Community's Designated Facility. Source-Separated Recyclable Materials and Yard Waste shall not be delivered to any landfill. All Collection Services performed by the Collection Contractor pursuant to this Collection Agreement shall be performed in a competent and workmanlike manner.

- 3.2 Vehicles and Equipment.** The Collection Contractor shall furnish all vehicles and equipment necessary to provide the Collection Services required under this Collection Agreement, as well as the necessary facilities for the thorough cleaning and maintenance of the vehicles and equipment. All vehicles shall be painted uniformly, and shall bear the Collection Contractor's name, vehicle number and Collection Contractor's telephone number. The Collection Contractor shall install, if not already installed, and use equipment capable of reading information on the Radio Frequency Identification (RFID) tag in collection vehicles used by the Collection Contractor. The Collection Contractor shall keep all vehicles and equipment in a clean, sanitary and safe operating condition at all times. All vehicles used by the Collection Contractor for the collection of Solid Waste, Recyclable Materials and Yard Waste shall be enclosed, washed and cleaned, leak proof, rust-free, packer-type trucks equipped with a broom, shovel and rake. Other types of vehicles may be used only as approved by the Participating Community.

The Collection Contractor shall be responsible for cleanup of all hydraulic or other fluids which leak from collection vehicles. All such cleanups are required to be performed as soon as possible, but in no case longer than eight (8) hours after the spilled leak, or the end of the collection day. In the event the Collection Contractor fails to adequately perform a

cleanup required pursuant to this Section, the Participating Community shall have the right to perform such cleanup services using Participating Community employees or other Collection Contractors and withhold release of quarterly payment in accordance with Section 6.2.

All vehicles and equipment may be inspected from time to time by the Participating Community to determine that same are clean, sanitary and in safe operating condition; however, such an inspection shall not constitute a representation by the Participating Community that the vehicles and equipment are safe. Any vehicles or equipment that, in the opinion of the Participating Community, are not clean, sanitary or in a safe operating condition shall be removed from service by the Collection Contractor until such vehicles have been cleaned and/or repaired to the satisfaction of the Participating Community. Failure to comply with these standards constitutes grounds for termination of this Collection Agreement by the Participating Community.

- 3.3 **Collection Contractor's Office and Telephone.** The Collection Contractor shall maintain an office in Franklin County, Ohio, or in an adjacent county, and telephone service with a non-toll telephone number from the Participating Community, which shall be manned by a live operator and a supervisor on working days from 8:00 a.m. to 5:00 p.m. to receive any complaints or calls regarding the Collection Services from a Resident or the Participating Community. Provided that the Participating Community approves, email may also be utilized to address complaints. The Collection Contractor shall also maintain an emergency contact number which is available 24 hours per day, seven (7) days per week.
- 3.4 **Collection Contractor Ability to Communicate with Vehicles in the Field.** The Collection Contractor shall maintain two-way radio or cellular telephone or other means of communication service with the drivers of all vehicles used to provide Collection Services within the Participating Community, so that the Collection Contractor may communicate with the drivers in order to expedite the Collection Contractor's response to complaints regarding the Collection Services.
- 3.5 **Employee Training.** The Collection Contractor shall provide training in operations, approved Collection Routes, safety practices, use of employee uniforms and conduct for all employees involved in providing the Collection Services.
- 3.6 **Recyclable Materials Collection Containers.** The Participating Community may provide Residential Units with Recyclable Material collection containers, including but not limited to 65- or 95-gallon, wheeled collection container for Recyclable Materials, in which case the Collection Contractor shall collect all Recyclable Materials from each Residential Unit placed at the point of collection. In the event a Resident chooses to rent an additional collection container(s) for Recyclable Materials, the Collection Contractor shall bill the Resident directly for the use of such Contractor-provided collection container(s) at the price stated in Exhibit G. In no event shall the Participating Community be responsible for the costs of such Contractor-provided collection container(s) for Recyclable Materials.
- 3.7 **Solid Waste and Yard Waste Collection Containers.** Unless otherwise provided by the Participating Community, the Collection Contractor shall provide, on or before the date

identified by the Collection Contractor in the implementation plan, but in no event later than _____, 202_, a 95-gallon, wheeled collection container for Solid Waste (or 35 or 65 gallon if requested by the Resident) and Residents shall provide containers for Yard Waste. The volume of Solid Waste and Yard Waste placed curbside for collection by each Residential Unit or Residential Unit Equivalent shall be unlimited, and the Collection Contractor shall collect such Solid Waste and Yard Waste. A Residential Unit may request a different size Solid Waste collection container at any time after April 1, 2022, and the Contractor shall provide such collection container to the Residential Unit and may charge for additional delivery at the bid price stated in Exhibit G. The Collection Contractor may offer to rent additional green, grey, brown, black, or a color approved by the Participating Community collection containers to the Residents at the price stated on Exhibit G. In the event a Resident chooses to rent an additional collection container, or requests a different sized container after April 1, 2022, from the Collection Contractor, the Collection Contractor shall bill the Resident directly for the delivery or use of such Collection Contractor-provided collection containers at the price and in the manner stated on the Exhibit G. Cardboard containers shall be acceptable for bulk or loose materials. The Collection Contractor may refuse to collect collection containers that are in excess of 50 pounds or cardboard containers that become wet, with the exception of Participating Community or Collection Contractor-provided collection containers. Yard Waste shall be placed for collection in Yard Waste bags or containers approved by the Participating Community and SWACO. Any containers shall be clearly identified as containing Yard Waste.

- 3.8 Collection of Bulk Items Included.** The Collection Contractor shall collect all Bulk Items, including but not limited to larger household objects such as furniture, appliances, carpet and padding, mattresses and box springs, child play equipment, fencing and Christmas trees, in one piece, on the regularly scheduled collection day from the usual point of pickup at a Residential Unit. Bulk Items are defined in Exhibit A. Bulk Item collection does not include collection of a Judicial Set-Out Order/Eviction. The Owner of a Residential Unit may contract with any private hauler for collection of Solid Waste resulting from a Judicial Set-Out Order/Eviction or if collected by the Collection Contractor, the Collection Contractor may directly bill the Owner of the Residential Unit at the bid price stated in Exhibit G. Any appliances containing chlorofluorocarbon gas (CFC or freon) shall be subject to the requirements of Section 3.9. Annually, or more frequently upon request of the Participating Community, the Collection Contractor shall provide a written report to the Participating Community of the Bulk Items collected by the Collection Contractor, including the number of individual Bulk Items or an estimated volume/tonnage.
- 3.9 Collection of Chlorofluorocarbon (CFC) Appliances.** Appliances containing chlorofluorocarbon (CFC) shall be collected by the Collection Contractor on the same day as the Participating Community-approved day for the collection of Solid Waste. In the event a CFC-containing appliance is placed for collection without proper certification of CFC removal attached, the Collection Contractor shall arrange for the proper removal of all CFCs from such appliances in compliance with all applicable laws and regulations. Annually, or more frequently upon request of the Participating Community, the Collection Contractor shall provide a written report to the Participating Community of the number of

CFC-containing appliances collected by the Collection Contractor, including the Collection Contractor's certification and documentation that the removal of CFC was performed in compliance with all applicable laws and regulations. The Collection Contractor shall invoice each Resident who places an appliance containing CFC for the cost and proper removal of CFC. The Participating Community shall not be responsible for the cost of CFC removal. In no event shall the Collection Contractor's invoice to a Resident for the removal of CFC exceed the per appliance price as stated on Exhibit G. Annually, or more frequently upon request of the Participating Community, the Collection Contractor shall provide a written report to the Participating Community of the Appliances containing CFCs collected by the Collection Contractor.

- 3.10 Collection of Home Remodeling Construction and Demolition Debris.** The Collection Contractor may limit the collection to minor home remodeling projects only. If such a limit is to be imposed, the Collection Contractor shall include such limitation in the Resident obligation notice mailed to the Residents of the Participating Community.
- 3.11 Services at Participating Community Facilities.** The Collection Contractor shall provide collection containers to the Participating Community at the location, number, container type, container size and day of collection as stated on Exhibit E, which is attached hereto and incorporated by reference. The Collection Contractor shall collect all Solid Waste and Recyclable Materials deposited in the collection containers on the collection day stated in Exhibit E. In the event that additional collections of the collection containers shown on Exhibit E are necessary, the Collection Contractor shall collect such containers as requested by the Participating Community at no additional charge, unless otherwise indicated in Exhibit E, provided that the Participating Community's requests for additional collection are not greater than four (4) in a calendar month. Within reason, the number, sizes and locations of the collection containers are subject to change in the discretion of the Participating Community upon written notice to the Collection Contractor. Unless otherwise stated in Exhibit E, the Collection Contractor shall provide Recyclable Material collection containers at any location identified on Exhibit E and provide collection and delivery to the Participating Community-Designated Facility for Recyclable Materials at no additional charge.
- 3.12 Collection at Special Events and Minor Remodeling Projects of Participating Community Buildings.** The Collection Contractor shall provide open top roll-off containers of up to forty (40) yards capacity and disposal for Solid Waste and Recyclable Materials upon request of the Participating Community for Special Events, in the amount of containers and number of pulls included on attached Exhibit E. In addition, the Collection Contractor will provide up to two (2) open top roll-off containers of up to thirty (30) yards capacity for two (2) additional special events per year for no more than two (2) pulls as requested by the Participating Community, and collect and dispose the Solid Waste in such additional containers without additional charge, unless otherwise indicated in Exhibit E. The Collection Contractor shall provide open top roll-off containers and of up to thirty (30) yards capacity for the minor remodeling of any Participating Community Facility, up to five (5) pulls per year without additional charge, unless otherwise indicated by Exhibit E.

The Collection Contractor shall provide up to four 30-yard solid waste collection containers, twice per year, for an annual total of eight 30-yard solid waste containers, at no cost to the Participating Community for community cleanups. The length of time for a community cleanup may last up to five days. For all of the above services, the Collection Contractor is responsible for the delivery of the containers, pickup of containers after event, transportation of containers to an approved disposal facility, and the costs associated with disposal of the material within the containers. Unless indicated otherwise in Exhibit E, there shall be no costs for the community for this service and the bid price shall include this service.

Additional pulls may be requested at the price indicated on Exhibit G. Unless otherwise indicated in Exhibit E or otherwise agreed in writing, no additional fee shall be charged to the Participating Community for these services notwithstanding the frequency of collections that may be required at Participating Community Facilities or the volume or nature of the Solid Waste or Recyclable Materials collected.

- 3.13 Commercial Establishments Excluded.** This Collection Agreement does not require the Collection Contractor to provide any services to commercial establishments within the Participating Community, unless the Participating Community has made the determination that the commercial establishment is a Residential Unit Equivalent, or except as provided for under Exhibit G hereto. The Collection Contractor may, in its sole discretion, enter into private contracts to provide services to commercial establishments, not defined as Participating Community Facilities, Residential Units, or Residential Unit Equivalents.
- 3.14 Multi-Family Collection.** The Participating Communities desire to provide recycling opportunities for Multi-Family, as defined in Exhibit A. Pricing options for collection of Recyclable Materials shall be offered to local Multi-Family housing developments. The Collection Contractor is required to provide recycling to Multi-Family housing developments at the bid prices in Bid Form G, or lower, and contract directly with those Multi-Family housing developments that voluntarily choose to participate in the program.

ARTICLE IV – COLLECTION CONTRACTOR’S CONDITIONS OF RESIDENTIAL UNIT COLLECTION

- 4.1 Collection Routes and Day of Collection.** In addition to the route information provided pursuant to Section 2.3, above, on or before October 1, 2021, the Collection Contractor shall furnish the following to the Participating Community, for approval: (a) collection routes consisting of a route map, showing the individual routes for the collection of Solid Waste, Recyclable Materials and Yard Waste, their beginning and ending points, identification of any route not made pursuant to this Collection Agreement that is combined with a route under this Collection Agreement prior to transporting Solid Waste, Recyclable Materials, or Yard Waste to a Participating Community-Designated Facility, the number of Residential Units and Residential Unit Equivalents per route, the total number of Residential Units under the Contract, including currently unoccupied and vacant Residential Units that could receive service in the future, the total number of Residential Unit Equivalents under the Contract, and the addresses of all Residential Units and Residential Unit Equivalents under the Contract; (b) confirming the weekday on which all

Residential Solid Waste, Recyclable Materials and Yard Waste will be collected within the Participating Community (collection of Residential Solid Waste, Recyclable Materials, and Yard Waste shall be on the same day of collection for each Residential Unit or Residential Unit Equivalent whether the day of the week by **Wednesday or Thursday**, as set forth in the collection day and route schedule provided by the Collection Contractor and approved by the Participating Community.) The Collection Contractor shall not change the day of collection without written approval by the Participating Community. In the event such a change is approved by the Participating Community, written notice of such approved change must be provided to each affected Residential Unit at least ten (10) days prior to the new collection day. The Participating Community retains the right to adjust the collection routes submitted by the Collection Contractor to provide for public convenience and safety. The Collection Contractor shall perform the Collection Services using the final Participating Community-approved Collection Routes.

- 4.2 Holidays.** Holidays that may be observed by the Collection Contractor include New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day. In any week containing an observed holiday, the day of collection may be moved to the day immediately following the regular day of collection. The Collection Contractor shall resume the regular schedule the following week.
- 4.3 Starting and Ending Time.** Collection of Solid Waste, Recyclable Materials and Yard Waste shall occur between 7:00 a.m. and 7:00 p.m. on the day designated for collection. In the event the Participating Community notifies the Collection Contractor that the Collection Contractor has violated the permissible hours of collection three or more times in any ninety (90) day period, except for the purposes of picking up missed collections as set forth above, the Participating Community may, at the Participating Community's discretion, withhold or invoice two hundred dollars (\$200.00) per occasion from the quarterly payment due to Collection Contractor, including the first three occasions, from the quarterly release of funds held by the Collection Contractor as provided in 6.1.
- 4.4 Notice to Residential Units.** No later than ten (10) days prior to the first date of the Collection Services and semi-annually thereafter during the term, the Collection Contractor, at the Collection Contractor's expense, shall provide written notice to each Residential Unit by letter delivered by U.S. mail or, if preferred by the Residential Unit owner or tenant, by electronic means, listing the procedures and obligations of the owner or tenant of each Residential Unit receiving Collection Services, including the obligation to place only accepted Recyclable Materials and Yard Waste in the appropriate containers. Notice shall identify the Recyclable Materials and Yard Waste acceptable for processing, a contact telephone number for the Participating Community and the Collection Contractor, and each Residential Unit's collection schedule including holidays to be observed pursuant to Section 4.2. The notice may include notification of any fuel price adjustments implemented pursuant to Section 6.5. The initial notice, including the procedures and obligations, shall be submitted to the Participating Community for approval. Subsequent notices shall be submitted to the Participating Community for approval not later than twenty (20) days prior to mailing to the Residential Units. The bid price shall include all costs associated with development and distribution of the written notice.

- 4.5 Procedure for Curbside Collection Service.** Except as provided in Section 4.6, collection of Solid Waste, Recyclable Materials and Yard Waste shall be made for each Residential Unit at one point of pick-up at the curbside of the Residential Unit or other identified location for non-curbed Residential Units.
- 4.6 Procedure for Carry-out Collection Service.** The Collection Contractor shall provide Carry-out Collection Service at the same rate as the Curbside Collection Service to any Resident with a physical disability which limits or impairs the ability to walk, in accordance with Ohio Revised Code Section 4503.44(A)(1). By agreement, either the Participating Community or the Collection Contractor may maintain the list of Residents who are eligible to receive Carry-out Collection Service at no additional charge, and notify the other party of any changes to that list. The Collection Contractor shall provide Optional Carry-out Collection Service to any Residential Unit requesting such service, in accordance with the Bid Price as stated on Exhibit G. In the event the Collection Contractor directly bills the Residents, the Participating Community shall not be responsible for the cost of Optional Carry-out Collection Service.
- 4.7 Handling of Collection Containers.** All re-usable collection containers used by a Resident shall be returned to the location from which they were removed, erect and with lids in place. If a collection container has no lid, such collection container shall be placed upside down at the location from which it was removed. Notwithstanding the foregoing requirements, all re-usable collection containers shall be returned in a manner and to a location such that the container does not create a hazard to pedestrians or motor vehicles. The Collection Contractor shall immediately pick up or sweep up any materials that the Collection Contractor spills during collection. In the event the Participating Community notifies the Collection Contractor that the Collection Contractor has violated the requirements set forth in this section three or more times in any ninety (90) day period, the Participating Community may, at the Participating Community's discretion, withhold or invoice two hundred dollars (\$200.00) per occasion, including the first three occasions, from the quarterly payment due to Collection Contractor or from the quarterly release of funds held by the Collection Contractor as provided in 6.1.
- 4.8 Damage to Collection Containers.** The Collection Contractor shall exercise due care to avoid damaging collection containers. The Collection Contractor shall make a like kind replacement of collection containers that it has substantially damaged through the negligence of the Collection Contractor. The Collection Contractor shall warrant that any Collection Contractor-provided collection container shall be free from defects and engineered to last for not less than ten (10) years. Any damaged or broken Collection Contractor-provided collection containers shall be maintained, repaired, and replaced by the Collection Contractor, at the sole cost and expense of the Collection Contractor.
- 4.9 Violation of Resident Obligations; Refusal to Collect.** Upon the first instance that a Resident places Solid Waste, Recyclable Materials or Yard Waste for collection in a manner that violates the Resident's obligations as contained in the original notice mailed by the Collection Contractor to each Residential Unit, the Collection Contractor shall, except where prohibited pursuant to Section 4.11, collect such items and leave a tag advising the Resident of the reasons why such placement is unacceptable. Upon any subsequent

instance that a Resident places Solid Waste, Recyclable Materials or Yard Waste for collection in a manner that violates the Resident's obligations, the Collection Contractor may refuse to pick up such materials provided that at the time of refusal, the Collection Contractor leaves a tag advising the Resident of the reasons for the Collection Contractor's refusal to collect the materials. The Collection Contractor shall provide the Participating Community with copies of all tags left at each Residential Unit pursuant to this Section or may provide photographic evidence of the tagging and uncollected materials, or other such notification as agreed to between the Participating Community and the Collection Contractor. The Collection Contractor shall not take undue measures to determine compliance with specified weight or size restrictions, but shall act, in good faith, in favor of the Participating Community and the Residents receiving the Collection Services.

- 4.10 Conduct of Collection Contractor and Its Employees.** The Collection Contractor shall perform all Collection Services in compliance with federal, state and local laws and ordinances, specifically including, but not limited to, applicable traffic laws as well as rules and regulations adopted by SWACO and the Franklin County District Board of Health. This includes, but is not limited to, SWACO's rules prohibiting Source Separated Recyclable Materials or Source Separated Yard Waste from being comingled with Solid Waste for delivery to the Franklin County Sanitary Landfill. Notwithstanding any deduction pursuant to Section 6.2, any and all violations may be enforced in accordance with Ohio Revised Code Section 343.99.

The Collection Contractor's employees shall conduct themselves in a polite, courteous and helpful manner at all times and shall refrain from the use of loud or profane language. All employees shall wear a shirt or other appropriate clothing bearing the Collection Contractor's company name in large type. When performing the Collection Services, the Collection Contractor's employees shall operate the Collection Contractor vehicles with due regard for the safety of all persons and property. The Participating Community may request transfer of any employee who performs his or her duties in a manner that is unsatisfactory to the Participating Community.

- 4.11 Daily Reports.** The Collection Contractor shall report any Residential Units not placing collection containers on the collection day to the Participating Community. This report shall be provided to the Participating Community at the end of each collection day to avoid disputes regarding whether collection containers were placed for collection by the Resident. The Collection Contractor and the Participating Community may agree to utilize a different procedure, provided such agreement is in writing.
- 4.12 Collection Contractor's Response to Complaints.** The Participating Community shall notify the Collection Contractor of any complaints received regarding the Collection Contractor's services or performance and suggest corrective measures. The Collection Contractor shall contact the Participating Community to determine if any complaints have been received at least once before 5:00 p.m., and once again before the last collection vehicle leaves the Participating Community at the end of the day of collection. The Collection Contractor shall give prompt and courteous attention to all complaints, and in the case of missed collections, shall arrange for collection on the same day.

- 4.13 Biannual Residential Recycling Participation Survey.** The Collection Contractor shall conduct a residential recycling participation survey in April and October of each contract year or other dates as indicated by the Participating Community and provide the survey results to the Participating Community and the Solid Waste Authority of Central Ohio no later than May 31st and November 30th of the survey year. The participation survey shall delineate the total number of households that participate in the recycling program by documenting whether a Recyclable Materials container is placed out for collection on a regularly scheduled collection day. The Collection Contractor shall conduct the survey for all Residential Units and Residential Unit Equivalents in the Participating Community during the same collection week and shall report the total number of participants, and the total number of non-participants, which collective total shall equal the total number of Residential Units and Residential Unit Equivalents eligible for service under the Contract. The participation survey shall be conducted during a collection week with regularly scheduled collection days, and shall not be conducted on a holiday collection week or any other week where collection days are different from the normal collection schedule.

**ARTICLE V – PERFORMANCE ASSURANCE, BOND, INSURANCE
AND INDEMNIFICATION**

- 5.1 Performance Assurance.** The Collection Contractor shall immediately report to the Participating Community any notice or order from any governmental agency or court or any event, circumstance or condition, including Force Majeure, which may adversely affect the ability of the Collection Contractor to fulfill any of its obligations hereunder. If, upon receipt of such report, or upon the Participating Community's own determination that any such notice, order, event, circumstance or condition adversely affects the ability of the Collection Contractor to fulfill its obligations, the Participating Community shall have the right to demand adequate assurances from the Collection Contractor that the Collection Contractor is able to fulfill its obligations. Upon receipt by the Collection Contractor of any such demand, the Collection Contractor, within fourteen (14) days of such demand, shall submit to the Participating Community its written response to any such demand. In the event that the Participating Community does not agree that the Collection Contractor's response will provide adequate assurance of future performance to the Participating Community and its Residents, the Participating Community may, in the exercise of its sole and reasonable discretion, seek substitute or additional sources for the delivery of all or a portion of the Collection Services, declare that the Collection Contractor is in default of its obligations under this Collection Agreement, or take such other action the Participating Community deems necessary to assure that the Collection Services will be provided including the right to terminate the Collection Agreement.
- 5.2 Performance Bond.** Within ten (10) days after receiving the Notice of Award, the Collection Contractor shall furnish and maintain for the duration of this Collection Agreement, including any renewal terms, a Performance Bond executed by a duly authorized surety, acceptable to the Participating Community in all respects, or such other security acceptable to the Participating Community, in the amount of two million four hundred seventy five thousand, seven hundred and ninety-two dollars (\$2,475,792.00). The Performance Bond is attached as Exhibit D and may be renewed by a substitute surety acceptable to the Participating Community, provided that the terms and conditions of this

Performance Bond obligate the surety to honor the Performance Bond until the Participating Community accepts, in writing, a substitute surety.

- 5.3 Liability Insurance.** The Collection Contractor, at the Collection Contractor's sole cost and expense, agrees that it shall at all times during the term and any renewal term of this Collection Agreement carry and maintain in full force and effect, for the mutual benefit of the Participating Community and the Collection Contractor, commercial general public liability insurance against claims for personal injury, death or property damage, occurring as a result of the performance of the Collection Services. The insurance coverage to be purchased and maintained by Collection Contractor as required by this paragraph shall be primary to any insurance, self-insurance, or self-funding arrangement maintained by the Participating Community. The coverage and limits of such insurance are listed on Exhibit F, which is attached and incorporated by reference. The Collection Contractor shall be responsible for payment of any and all deductible(s) or retention(s) under the policies of insurance purchased and maintained by it pursuant to this Contract.
- 5.4 Proof of Insurance.** All insurance required by this Collection Agreement shall be obtained from a responsible insurance company or companies reasonably satisfactory to the Participating Community and authorized to do business in the State of Ohio. The Participating Community shall be named as an additional insured in such insurance policies. Originals of the insurance policies or certificates shall be delivered to the Participating Community promptly upon commencement of the term of this Collection Agreement, and insurance policy renewals or certificates shall be delivered to the Participating Community not less than thirty (30) days prior to the expiration dates of any policy. Each policy shall provide that the insurance company shall give notice to the Participating Community at least thirty (30) days prior to the effective date of any cancellation or expiration of any such insurance policy.
- 5.5 Workers' Compensation Coverage.** Prior to commencing work under this Collection Agreement, the Collection Contractor shall furnish to the Participating Community satisfactory proof that the Collection Contractor has paid current premiums for workers' compensation coverage for all persons employed in carrying out the work covered by this Collection Agreement. Such proof must be included as Exhibit B, which is attached and incorporated by reference. The Collection Contractor is responsible for forwarding updated proof of payment for workers' compensation coverage on an on-going basis, as such proofs expire. The Collection Contractor shall hold the Participating Community free and harmless for any and all personal injuries of all persons performing work for the Collection Contractor under this Collection Agreement.
- 5.6 Indemnification.** The Collection Contractor shall save, indemnify and hold the Participating Community, its Council, its Board of Trustees, employees, agents, officers and consultants (each an indemnitee) harmless from and against any and all liabilities, claims, demands, causes of action, penalties, judgments, forfeitures, liens, suits, costs and expenses whatsoever (including those arising out of death, injury to persons, or damage to or destruction of property), and the cost and expenses incident thereto (including reasonable attorneys' fees), which any indemnitee may hereafter incur, become responsible

for, or pay out for or resulting from the performance of the Collection Services under this Collection Agreement, provided that any such claim, damage, loss, or expense:

- (a) is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including any resulting loss of use; and
- (b) is caused in whole or in part by any intentional, reckless or negligent act or omission of the Collection Contractor, anyone directly or indirectly employed by the Collection Contractor, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Section.

- 5.7 Environmental Indemnification.** The Collection Contractor shall save, indemnify and hold the Participating Community, its Board of Trustees, employees, agents, officers and consultants (each an indemnitee) harmless from and against any and all liabilities, claims, demands, causes of action, penalties, judgments, forfeitures, liens, suits, costs and expenses whatsoever (including those arising out of death, injury to persons, or damage to or destruction of property), and the cost and expenses incident thereto (including reasonable attorneys' fees), which any indemnitee may hereafter incur, become responsible for, or pay out for or resulting from contamination of or adverse effects on the environment, or any violation of governmental laws, regulations, or orders, in each case, to the extent caused by the Collection Contractor's negligent, reckless, or willful misconduct relating to the Collection Services. Any indemnitee shall promptly notify the Collection Contractor of any assertion of any claim against it for which it is entitled to be indemnified, shall give the Collection Contractor the opportunity to defend such claim and shall not settle such claim without the approval of the Collection Contractor. This Section shall survive expiration or earlier termination of this Agreement.
- 5.8 Indemnity Not Limited.** In any and all claims against the Participating Community, its employees, agents, officers and consultants, by any employee of the Collection Contractor or anyone for whose acts any of them may be liable, the indemnification obligation under this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Collection Contractor under workers' compensation acts, disability benefit acts, or other employees' benefit acts.
- 5.9 Personal Liability.** Nothing herein shall be construed as creating any personal liability on the part of any employee, agent, officer or consultant of the Participating Community.
- 5.10 Covenant Not to Sue.** During the term or any renewal term of the Collection Agreement, the Collection Contractor shall not challenge, directly or indirectly, the Participating Community or SWACO's designation of one or more facilities to provide processing and/or Disposal Services for Solid Waste, Recyclable Materials or Yard Waste generated within the Participating Community.

**ARTICLE VI – BILLING, PAYMENT, ADJUSTMENTS
OR REDUCTIONS TO PAYMENT**

- 6.1 Collection Contractor Billings to the Participating Community for Payment.** The Collection Contractor shall bill the Participating Community for the Collection Services within ten (10) days following the end of the month, and the Participating Community shall pay the Collection Contractor on or before the thirtieth (30th) day following the end of such month. Such billing and payment shall be based on the prices and charges stated in the Exhibit G, increased for additional services requested and approved by the Participating Community or reduced by the Participating Community as provided in this Collection Agreement. In the event the Participating Community reduces payment to the Collection Contractor, in good faith and at its sole discretion, the Participating Community will provide a written explanation and reference to the authorizing provision of the Collection Agreement, including paragraphs 4.3, 4.7, and 6.2. In the event that the Collection Contractor disputes the basis for the reduction in payment, the Participating shall consider the basis for the dispute and may refund any such deduction to the Collection Contractor. However, the Participating Community is under no obligation to accept the validity of any such dispute.

The Collection Contractor shall be paid for the number of Residential Units within the Participating Community based on the records maintained and provided by the Participating Community or by the Franklin County Auditor as those parcels are listed on the real property tax duplicate for Franklin County, subject to Section 6.3. As the number of Residential Units being serviced in the Participating Community increases or decreases, the Collection Contractor and the Participating Community may adjust the number of Residential Units accordingly. Any Optional Services Service Charges must be billed to the Owner directly, unless the Participating Community has otherwise agreed to be responsible for such charges in writing.

- 6.2 Deductions from Collection Contractor's Invoice for Non-performance.** If the Collection Contractor misses or fails to make a collection on the regularly scheduled day from any Residential Unit(s), even if corrected within twenty-four (24) hours, the Participating Community may withhold Twenty-Five Dollars (\$25.00) per Residential Unit from payment or the quarterly release of funds held by the Collection Contractor as provided in 6.1, or invoice the Collection Contractor. If the miss or failed collection is not corrected by the Collection Contractor within twenty-four (24) hours after receiving a report of such miss, by the Participating Community or the owner or occupant of the Residential Unit, the Participating Community may withhold Fifty Dollars (\$50.00) per Residential Unit from payment or the quarterly release of funds held by the Collection Contractor as provided in 6.1, or invoice the Collection Contractor. In the event that the Participating Community performs cleanup services pursuant to Section 4.7, or collects a missed pickup more than twenty-four (24) hours after reporting such miss to the Collection Contractor, the Participating Community may withhold from payment or the quarterly release of funds held by the Collection Contractor, or invoice the Collection Contractor, one hundred dollars (\$100.00) per service call plus fifty dollars (\$50.00) per hour for cleanup services performed by the Participating Community. If the Collection Contractor has violated the container handling requirements set forth in Section 4.7 three or more

times in any ninety (90) day period, the Participating Community may, at the Participating Community's discretion, withhold or invoice two hundred dollars (\$200.00) per occasion, including the first three occasions, from the quarterly payment due to Collection Contractor or from the quarterly release of funds held by the Collection Contractor. If the Collection Contractor commingles Source Separated Recyclable Materials or Yard Waste with Solid Waste for Disposal, the Participating Community may withhold from payment or the quarterly release of funds held by the Collection Contractor as provided in Section 6.1, or invoice the Collection Contractor the amount of one hundred dollars (\$100.00) per Residential Unit. In the event the Participating Community is charged by the Recyclable Materials processing designated facility for contaminated loads or excessive residuals, the Participating Community may withhold from payment or the quarterly release of funds held by the Collection Contractor as provided in Section 6.1, or invoice the Collection Contractor the amount of the charge.

The remedies available pursuant to this Section are in addition to any other remedies available to the Participating Community pursuant to this Collection Agreement, and the Participating Community's determination not to use any remedy in response to a failure to perform shall not constitute a waiver by the Participating Community of the right to exercise any remedy in response to subsequent failures to perform. In addition, the Participating Community may direct that any of the above deductions apply to the invoice for Service Charges for the Owner of a Residential Unit or Residential Unit Equivalent impacted by the Collection Contractor's non-performance.

- 6.3 Unoccupied or Vacant Residential Units.** Residents shall be permitted to discontinue Collection Services on a temporary basis while unoccupied because of extended vacations of three (3) months or more, or when the Residential Unit is vacant, upon notification provided to the Participating Community. Residential Units that are unoccupied or vacant shall not be charged for Collection Service. The owner of the unoccupied or vacant Residential Unit shall notify the Participating Community that Collection Services is not required at the unoccupied or vacant Residential Unit. The Participating Community shall notify the Collection Contractor of the addresses of unoccupied or vacant Residential Units. The Collection Contractor shall not invoice the Participating Community or the Residential Unit for Collection Services during the period of time when a Residential Unit is unoccupied or vacant, and the Collection Contractor has been duly notified.
- 6.4 Annual Review and Report.** The Collection Contractor shall prepare and report the following data on the Collection Services provided by the Collection Contractor on forms provided or approved by the Participating Community:
- (a) Records regarding Bulk Item as required by Section 3.8 herein;
 - (b) Records regarding appliances containing CFCs as required by Section 3.9 herein;
 - (c) Records of all notifications of refusal to collect left at a Residential Unit or Residential Unit Equivalent pursuant to Section 4.9 herein;

- (d) Records regarding any Residential Units or Residential Unit Equivalents not placing out collection containers on the collection day as required by Section 4.11 herein;
- (e) Results of the two residential recycling participation surveys and respective numbers of participants and non-participants, as required by Section 4.13 herein;
- (f) Records regarding addresses of all Residential Units and Residential Unit Equivalents which are delinquent in payment of Services Charges, as required by Section 6.1 herein;
- (g) Records regarding any charge assessed to the Collection Contractor for contaminated loads or excessive residuals by the Recyclable Materials processing designated facility or yard waste processing facility, as provided for by Section 6.6 herein;
- (h) A record of the number and addresses of Residential Units and Residential Unit Equivalents within the Participating Community collected by the Collection Contractor on each regular collection day, as required by Section 6.8 herein;
- (i) A record of the number of collection container types by volume and address within the Participating Community and collected by the Collection Contractor on each regular collection day, as required by Section 6.8 herein;
- (j) A record of the total amount of Solid Waste, Recyclable Materials and Yard Waste collected within the Participating Community pursuant to this Collection Agreement that the Collection Contractor delivers to the Participating Community-Designated Facilities specified in tons, for each day that such Solid Waste, Recyclable Material or Yard Waste is delivered to the Participating Community-Designated Facilities, as required by Section 6.8 herein; and
- (k) Copies of weight receipts and invoices that the Collection Contractor obtains from the Participating Community-Designated Facilities, as required by Section 6.8 herein.

The Collection Contractor shall prepare such records and provide them to the Participating Community and SWACO on an annual basis. Following the first year of the Term, the annual report containing data for the preceding calendar year shall be submitted no later than January 30th each remaining year of the Term.

Annually, the Collection Contractor and the Participating Community shall meet to establish, if needed, an updated number of Residential Units eligible under the Contract, including currently unoccupied and vacant Residential Units pursuant to Section 6.3 that could receive service in the future, an updated number of Residential Unit Equivalents, and an updated address list. The Collection Contractor and Participating Community shall also review the volumes of Solid Waste, Recyclable Materials and Yard Waste collected from the Participating Community and its Residents and delivered to the Participating Community-Designated Facilities. If based on a review of the volumes collected, and

based on the average per household generation figures available from the prior year, there is a decrease in the average per household generation of Solid Waste of more than ten percent (10%), the per Residential Unit base-line charge included in Exhibit G, not including any-fuel price adjustments, collection container rental charges, or other fees, shall be reduced as follows:

$$\text{Per Residential Unit base-line charge} - \frac{\text{Tonnage Decrease} \times \text{Tipping Fee}}{\text{\# of Households}}$$

- 6.5 Adjustment for Changes in Cost of Fuel.** Either the Collection Contractor or the Participating Community may request a quarterly per Residential Unit fuel price adjustment for Collection Services in a form approved by the Participating Community. For purposes of this provision, a request for fuel price adjustment, upon approval by the Participating Community or Collection Contractor, as applicable, will result in an adjustment to the Collection Contractor's invoice received by the Participating Community or Residential Units. All fuel price adjustment requests and approvals shall be in writing and a copy shall be provided to SWACO. The form of invoice shall include a fuel price adjustment as an increase or decrease in the quarterly price per Residential Unit for the collection of Solid Waste, Recyclable Materials or Yard Waste.

The invoice shall include the base bid price per Residential Unit, and a separate fuel price adjustment amount to be added or subtracted for each Residential Unit. The price may be adjusted when the price of fuel has changed during the preceding period in increments of at least twenty-five cents (\$.25) per gallon. (For example: an increase or decrease in the price per gallon of fuel between \$.25 and \$.49 shall be equal to \$.25 per gallon for purposes of the fuel price adjustment formula provided; an increase or decrease in the price per gallon of fuel between \$.50 and \$.74 shall be equal to \$.50 per gallon for purposes of the fuel price adjustment formula, etc.).

The base price for fuel to be utilized in determining whether a fuel price adjustment is appropriate shall be the average gasoline gallon equivalent of **CNG fuel** on June 9, 2021 (\$2.459) as determined by the IGS CNG fueling station located at 3909 Alum Creek Dr., Obetz, Ohio.

The per Residential Unit fuel price adjustment may first be adjusted, if necessary, on the Collection Services commencement date contained in the Notice to Proceed. Thereafter, the per Residential Unit fuel price adjustment may be made at the end of each quarter (quarters being January through March, April through June, July through September, and October through December) of the contract period, when the price per gallon of fuel, as reported by the Collection Contractor, has changed by an average amount during the preceding quarter of at least twenty-five cents more or less (\$.25) per gallon from the base price. Each twenty-five cent incremental (\$.25) change in the average price per gallon of fuel, when compared with the base price per gallon for fuel, shall adjust the per Residential Unit fee as follows:

M = total number of miles traveled by the Collection Contractor in one month for the Participating Community, (including miles traveled on the Collection Route, and average

number of round trips to: the Franklin County Sanitary Landfill, Participating Community-Designated Recyclable Materials Facility, and Participating Community-Designated Yard Waste Facility), divided by three (3) (the average number of miles per gallon for collection vehicles) multiplied by P, where P = fuel price adjustment in \$.25 per gallon increments, divided by RU plus RUE, where RU = the number of Residential Units and RUE = the number of Residential Unit Equivalents .

$$\text{Per Residential Unit base-line charge} + \frac{M/3 \times P}{RU+RUE}$$

The Collection Contractor shall notify owners and/or tenants of Residential Units or Residential Unit Equivalents of any fuel price adjustment made pursuant to this Section. Such notification shall be given no later than 30 days following approval of the fuel price adjustment and may be included in the notice required by Section 4.4 herein.

6.6 Permissible Pass-Through Charges. The following fees, rates, or charges shall be passed on by the Collection Contractor:

- (a) Any and all governmental fee increases or decreases for disposal or processing of Solid Waste at the Franklin County Sanitary Landfill or at the Participating Community-Designated Recycling Services and Yard Waste Services Facilities. A governmental fee is a fee applied to the disposal or processing of Solid Waste levied by the United States Federal Government, State of Ohio, Franklin County, or SWACO;
- (b) Any increase or decrease in a rate or charge for the disposal of Solid Waste at the Franklin County Sanitary Landfill; and
- (c) Any increase or decrease in a rate or charge incurred for disposal or processing of organics, Food Waste, or Yard Waste at a Designated Facility or SWACO-approved facility.

The Collection Contractor shall give the Participating Community and Residents as much notice as is practicable before adjusting for governmental fee, rate or charge modifications. In the event an adjustment is necessary, the Collection Contractor charge per Residential Unit shall be adjusted by an amount to be determined as follows:

For Solid Waste Disposal: per ton price difference ÷ 12

For Yard Waste Composting: (1/5) (per ton price difference) ÷ 12

Any charge for contaminated loads or excessive residuals by the Recyclable Materials processing designated facility or yard waste processing facility shall be the sole responsibility of the Collection Contractor. If any such charges are assessed to the Collection Contractor, the Collection Contractor shall notify the Participating Community within 48 hours of receiving the charge.

6.7 Data Collection and Monthly Reporting. The Collection Contractor shall prepare and report the following data on the Collection Services provided by the Collection Contractor on forms provided or approved by the Participating Community:

- (a) record of the number and addresses of Residential Units and Residential Unit Equivalents within the Participating Community collected by the Collection Contractor on each regular collection day;
- (b) A record of the number of collection container types by volume and address within the Participating Community collected by the Collection Contractor on each regular collection day;
- (c) A record of the total amount of Solid Waste, Recyclable Materials and Yard Waste collected within the Participating Community pursuant to this Collection Agreement that the Collection Contractor delivers to the Participating Community-Designated Facilities specified in tons, for each day that such Solid Waste, Recyclable Material or Yard Waste is delivered to the Participating Community-Designated Facilities;
- (d) Copies of weight receipts and invoices that the Collection Contractor obtains from the Participating Community-Designated Facilities;
- (e) Records regarding Bulk Item as required by Section 3.8 herein;
- (f) Records regarding appliances containing CFCs as required by Section 3.9 herein;
- (g) Records of all notifications of refusal to collect left at a Residential Unit or Residential Unit Equivalent pursuant to Section 4.9 herein;
- (h) Records regarding any Residential Units or Residential Unit Equivalents not placing out collection containers on the collection day as required by Section 4.11 herein; and
- (i) Records regarding any charge assessed to the Collection Contractor for contaminated loads or excessive residuals by the Recyclable Materials processing designated facility or yard waste processing facility, as provided for by Section 6.6 herein.
- (j) **The monthly average gasoline gallon equivalent price of CNG fuel as determined by the IGS CNG fueling station located at 3909 Alum Creek Dr., Obetz, Ohio.**

The Collection Contractor shall prepare such records and provide them to the Participating Community and SWACO on a monthly basis within thirty (30) days of the close of each month.

The Collection Contractor shall also utilize the data management system selected by the Participating Community and report volumes in tons collected of Solid Waste, Yard Waste

and Recyclable Materials for the Participating Community for as long as the Solid Waste Authority of Central Ohio pays any required dues or annual subscription fees for use of the system. The Collection Contractor shall input such data and provide such data to the Participating Community and to SWACO on a monthly basis within thirty (30) days of the close of each month.

- 6.8 Senior Citizen Discount.** The Collection Contractor shall provide Residents who are sixty (60) years of age or older and the head of household a discount of ten percent (10%) or one dollar and fifty cents (\$1.50), whichever is greater, off the per Residential Unit charge contained in attached Exhibit G. By agreement, either the Participating Community or the Collection Contractor will maintain a list of Residents entitled to this discount, which list shall be provided upon request to the other party.

ARTICLE VII – BREACH, CURE, AND TERMINATION

- 7.1 Breach of Contract; Termination.** Upon the material failure of the Collection Contractor to comply with the terms or conditions of this Collection Agreement, the Participating Community may terminate the Collection Agreement in the following manner: the Participating Community shall provide notice to the Collection Contractor, by certified mail, return receipt requested, of the alleged material failure of the Collection Contractor to comply with the Collection Agreement. The Collection Contractor shall have ten (10) days to provide the Participating Community with written assurance, which can be substantiated by reasonable proof, that the material failure(s) issues identified in the notice have been corrected. In the event that the Collection Contractor fails to provide such written assurance and substantiating proof within the ten (10) day period for corrective action, or there are ongoing or continuing failures to perform the Collection Services, the Participating Community may terminate this Collection Agreement. Any such termination shall not take effect until the Participating Community is able to secure alternate or substitute performance for the Collection Services. The Participating Community may commence the process to obtain an alternate or substitute service provider for the Collection Services following the failure of the Collection Contractor to cure the alleged material failure to the satisfaction of the Participating Community, in the exercise of the reasonable discretion of the Participating Community.
- 7.2 Surety or Participating Community Cover in the Event of a Material Failure.** In the event of termination, the Collection Contractor's surety shall have the right to take over and perform under the Collection Agreement. However, if the surety does not commence performance, the Participating Community shall take over performance by contract or otherwise at the expense of the surety. In the event there is no surety-provided cover, or the Participating Community is unable to provide or obtain cover, the effective termination date may be delayed by the Participating Community until the Participating Community completes the process of obtaining a substitute service provider of the Collection Services. In such event, the Collection Contractor shall continue to perform its responsibilities under this Collection Agreement until the effective date of termination. Material failure includes, but is not limited to, the Participating Community's receipt of more than twenty (20) bona fide complaints in any given month regarding the Collection Services. A bona fide complaint is a complaint that the Participating Community has investigated and determined

that the complaints represent failures of the Collection Contractor to provide the required Collection Services. Material failure also includes the failure of the Collection Contractor to provide the Performance Bond and proof of insurance as required, or payment of the Participating Community income taxes.

- 7.3 Termination for Change of Control of Collection Contractor.** The award of this Collection Agreement is based on the ownership and control of the Collection Contractor as of the time of the award. Such ownership and control is a material term in such award. If during the term of this Collection Agreement, the Collection Contractor shall be merged or sold, the Participating Community shall have the right, in its sole discretion, to terminate this Collection Agreement upon thirty (30) days written notice of termination to the Collection Contractor. In the event of such notice of termination, the Collection Contractor shall continue to perform under the terms of this Collection Agreement until such time as the Participating Community is able to obtain alternate or substitute service.
- 7.4 Termination for Excessive Fuel Price Adjustment.** In the event that the fuel price adjustment provision results in a twenty percent (20%) increase in the price per Residential Unit per month for the Collection Services from the initial price per Residential Unit per month accepted by the Participating Community, the Participating Community may, in the exercise of its sole discretion and without liability to the Collection Contractor, terminate this Agreement and issue a replacement Invitation to Bid. In the event of termination by the Participating Community as provided herein, the effective date of any such termination shall be the date of the Notice to Proceed in the replacement Invitation to Bid.
- 7.5 Expiration/Termination of Participating Community-Designated Facility Agreements.** The Collection Contractor is required to deliver materials collected pursuant to the Collection Services to certain Participating Community-Designated Facilities. In the event of expiration or termination of an agreement with a Participating Community-Designated Facility, and until notification by the Participating Community of an alternative facility selected by the Participating Community, the Collection Contractor shall be excused from delivering materials to the Participating Community-Designated Facility, and may deliver such materials to an alternate facility selected by the Collection Contractor. Upon the Participating Community's designation of an alternate facility, the Collection Contractor shall deliver all applicable materials to the alternate Participating Community-Designated Facility. Any increase or decrease in the cost of providing Collection Services as a result of utilizing an alternate facility due to the expiration or termination of a Participating Community-Designated Facility agreement shall be documented and provided to the Participating Community. Any additional reasonable costs as determined by the Participating Community incurred by the Collection Contractor may be invoiced as an authorized increase in the price for that service on a per Residential Unit basis. In the event that any such increase in price requires that the Participating Community obtain competitive bids for the Collection Services, the Collection Contractor shall continue to provide the Collection Services at the increased price as authorized until the Participating Community is able to issue a replacement Invitation to Bid. In the event of termination by the Participating Community as provided herein, the effective date of any such termination shall be the date of the Notice to Proceed in the replacement Invitation to Bid.

ARTICLE VIII - MISCELLANEOUS PROVISIONS

- 8.1 Entire Agreement.** This Collection Agreement, Bid Forms and other attachments and exhibits incorporated herein represent the entire agreement of the parties, and supersede all other prior written or oral understandings. This Collection Agreement may be modified or amended only by a writing signed by both parties.
- 8.2 Notices.** Unless stated otherwise herein, written notice required to be given under this Collection Agreement shall be sufficient if delivered personally or mailed by certified mail, return receipt requested, to the Collection Contractor, attention Rick Cattran, and to the Participating Community, attention Grant Crawford, at their respective addresses set forth above. Any change in address must be given in like manner.
- 8.3 Waiver.** No waiver, discharge, or renunciation of any claim or right of the Participating Community or the Collection Contractor arising out of a breach of this Collection Agreement by the Participating Community or the Collection Contractor shall be effective unless in writing signed by the Participating Community and the Collection Contractor.
- 8.4 Applicable Law.** This Collection Agreement shall be governed by, and construed in accordance with, the laws of the State of Ohio. Venue is proper in Franklin County, Ohio.
- 8.5 Unenforceable Provision.** If any provision of this Collection Agreement is in any way unenforceable, such provision shall be deemed stricken from this Collection Agreement and the parties agree to remain bound by all remaining provisions. The parties agree to negotiate in good faith a replacement provision for any provision so stricken.
- 8.6 Binding Effect.** This Collection Agreement shall be binding upon and shall inure to the benefit of, and be enforceable by and against, each party's successors and assigns. Provided, however, that the Collection Contractor may not assign this Collection Agreement or any of the Collection Contractor's rights or obligations without the express written consent of the Participating Community, which consent may be withheld for any reason or for no reason.
- 8.7 Rights or Benefits.** Nothing herein shall be construed to give any rights or benefits in this Collection Agreement to anyone other than the Participating Community and the Collection Contractor. All duties and responsibilities undertaken pursuant to this Collection Agreement will be for the sole and exclusive benefit of the Participating Community and the Collection Contractor and not for the benefit of any other party.

IN WITNESS WHEREOF, the parties by their duly authorized officers, trustees or partners, have executed this Collection Agreement on the date set forth above.
