NEW LEGISLATION/DISCUSSION ITEMS

LIQUOR PERMIT REQUEST #82000580005; 6748 E MAIN STREET, 6748EMAINST LLC
DBA MAIN STREET MARATHON

Chief Plesich: Affirmative. Good Evening President Joseph and members of Council. Marathon Oil company is the company, there is no background history on the company that would prevent them from owning the permit. It is no situated near a school, library, church or hospital. It does not place us over the limits for our C1 and C2 permits. They also have a place in Grove City that has never been cited. And we can find no reason why this application should be appealed and recommend the City does not appeal.

Mr. Spalding: We will let that permit go then, thank you.

ORDINANCE APPROPRIATING FUNDS FROM UNAPPROPRIATED GENERAL FUND TO AN ACCOUNT IN THE POLICE DEPARTMENT --- Spalding. Public Safety, Law and Courts Committee.

Mr. Spalding: Chief would you like to share?

Chief Plesich: Yes, this is money for National Night Out, which will be August 7th. We do collect monies throughout the last couple months we would like to appropriate for that purpose. And I would like to pass this on a first reading tonight with an emergency on the second reading in September and the amount is \$1200.00.

Mr. Spalding: Any discussion from Committee?

MINUTES COMMITTEE MEETING
REYNOLDSBURG PUBLIC SAFETY, LAW AND COURTS COMMITTEE
July 23, 2018

Mr. Baker: Just a quick question, is there anyway we increase this budget for next year? I know right now its a little too late. But give it a little more money because this is a great program, a lot of communities do it. City of Columbus, Dublin Worthington also does it. And I was just wondering, down the road we could look at maybe allocating just a little more so we could have a little more.

Chief Plesich: Yea that's a great question, can we increase the budget to make it even bigger and better. We are assessing a lot of what were doing over at the Police Department right now. And National Night Out is a part of that assessment. We want to make sure its in a safe place that is accessible and kind of family friendly and so were actually assessing where to hold it next year. Somewhere we can have it where there is a lot of grass opposed to asphalt. So let me look at it over the coming year. Were working our budget right now and see where and what we can get done for next time.

Mr. Spalding: Yes sir you have a question?

Mr. Hood: I do, is this on? I'm not how to use, yes? I'm talking into it.

Ms. Beggerow: I turned it on, question is does it... its on, alright.

Mr. Hood: Thank you. Chief you said you wanted this passed in the first meeting in September? Are we planning on spending these dollars in August? Because if so, I think we would recommend that we should pass it this evening as an emergency.

Chief Plesich: That's a negative at this time.

Mr. Hood: Ok, I didn't want to stick my nose in the business but I just didn't know.

Chief Plesich: Thank you.

Mr. Spalding: So what night is the National Night Out?

Chief Plesich: Tuesday, August 7th.

Mr. Spalding : August 7th is when were going to have it?

Chief Plesich: Yes

Mr. Spalding: So we, in essence we would be spending that money.

Chief Plesich: Well there are other funds that are also applicable...
