

COMMUNITY DEVELOPMENT COMMITTEE MEETING MINUTES

September 3, 2002

Members of Community Development Committee present: Sarah Cannella, Jim Wade, Ron Stake, Lane Beougher

Other members of Council present: William L. Hills, Eric Gilbert, Mel Clemens, Council President Bradley L. McCloud

Meeting was called to order at 7:30 p.m.

Mrs. Cannella: I'll bring Community Development Committee to order. Approval of the minutes of July 15. It was our last Committee meeting. Any deletions or additions? If not, they'll stand as read.

Number 4 on our agenda is the Youth football field. Mr. Wade, do you have an update for us?

Mr. Wade: Yes I do. Thank you. I know a lot of people are probably curious about this and I'm going to hold it tonight but before I do that I'd like to just bring everybody up to speed. Mr. Walsh has been working very hard with RYF on this and the reason it has taken as long as it has is I think that Mr. Walsh is trying to be as practical as he can in the use of the park and there seems to be some, a lot of communications. There are a lot of people we have to get on the same page with this thing but he is working diligently with that and working with the engineers to get another plan from them because he wasn't comfortable with the ones that he has. So, for that reason we'll hold it for two more weeks and at that time we'll see if he has anything, but he's not real confident of that at this time. So I would ask that we hold that for two more weeks.

Mrs. Cannella: And with that we will adjourn at 7:31.
