Mrs. Cannella: I'll call Community Development Committee to order at 7:32. Approval of the minutes of July 1, 2002. Are there any changes, additions, deletions? If not, they will stand as read. Approval of the agenda. Any additions, deletions? I just have an announcement from Mr. Brandt that I will add to that; I'll make that 5a. On item 4, Ordinance authorizing Mayor to purchase a Toro 580D Groundsmaster mower for Parks and Recreation Department and declaring an emergency, and item 5, Ordinance amending Ordinance No. 177-01 passed December 17, 2001 to reflect substitution of item(s) to be purchased by the Parks and Recreation Department from Capital Equipment Funds and declaring an emergency, I would like to put those into Other Legislation. And the announcement from Mr. Brandt, 5a is the Reynoldsburg Commercial Corridor Improvements Preliminary Plans for the Main Street improvements. We'll be having a meeting on Wednesday, July 17 between 3 and 6:30 p.m. This is to enhance the street fronts of your business. They will be unveiled at City Hall Council Chambers for your private open house viewing. The design engineers of EG&G Inc. and EMH&T will be available to personally brief you and answer your questions. We really would like to have everyone attend that and get as much information on that as possible. Thank you.

And with that, I will adjourn Community Development at 7:35.
