Mr. Baker: Is there a second, ok. Councilwoman Bryant, all in favor?

ORDINANCE TO AMEND ORDINANCE 112-18 ADOPTED ON SEPTEMBER 19, 2018 WHICH READ AN ORDINANCE APPROVING AND AUTHORIZING THE EXECUTION AND DELIVERY OF A JOINT ECONOMIC DEVELOPMENT DISTRICT CONTRACT AND ANNEXATION AGREEMENT BY AND BETWEEN ETNA TOWNSHIP AND THE CITY OF REYNOLDSBURG, OHIO AND DECLARING AN EMERGENCY; AND DECLARING AN EMERGENCY. --- Spalding. Development Department.

Mr. Bowsher: Thank you Councilman Baker, other members of Council. This comes before you, this is just an agreement amending the contract for our JEDD 4 agreement. This is the one that has the Kohl's distribution center, they are looking to add some additional acreage to build some additional square footage when they build out that complex. This JEDD here is south of 310 and Etna Township, so we would just like to include the additional acreage to provide for a better JEDD.

DISCUSSION OF PARKS AND REC FEE SCHEDULE

Mr. Luzader: Thank you Chairman Baker, I just wanting to maybe get a little bit of a clarification if I could and probably Ms. Bauman. And I see you provided us with more information here this evening but is there anywhere in your fee schedule that you can waive these fees for certain things for... Because I know we have the taste coming up and then RCA provides a number of difference things for the community.

Ms. Bauman: Yes. This is just a very preliminary document that we put together to help with an event that is coming up in the very near future. We are working as a group here to try to come up with a document that will be utilized for any kind of race, The Taste, anything that is held within the City within the Parks that will encompass the Police Department, Street Department, the Parks and Rec Department, the Building Department and in there I hope to have legislation, or not legislation, language that state the administration can waive fees for certain events or groups based upon what they are being held for. Such as a 501 3(c), such as perhaps the Taste with the Chamber, with the Visitors Bureau, things like that. So this is going to be changing once again. So this is not a final, final but we will be bringing forth something here hopefully soon.

Mr. Luzader: Ok, so what actually will be proposing there will be an all encompassing....

Ms. Bauman: Document, yes. Were going to mimic it off of, or were taking a real hard look at what Columbus does and so were taking that document that they have, its probably a 50 some page booklet that they produce and were looking at that.

Mr. Luzader: I know some of these things like if RCA had to pay for the entire Police presence for the parade and different things like that, the parade would be gone. They cant afford things like that.

Ms. Bauman: Correct. And we understand that.

Mr. Luzader: Ok, I just wanted clarification on that, thank you very much.

Ms. Bauman: Your welcome.

DESIGNATING THE REYNOLDSBURG COMMUNITY IMPROVEMENT CORPORATION AS AN AGENCY OF THE CITY UNDER OHIO REVISED CODE SECTION 1724.10 AND AUTHORIZING THE EXECUTION OF AN AGREEMENT AND PLAN FOR INDUSTRIAL, COMMERCIAL, DISTRIBUTION AND RESEARCH DEVELOPMENT. --- Spalding. Development, Parks and Recreation Committee.

Mr. Luzader: Thank you Chairman Baker. Once again, I would like to reiterate and I don't care if we make it as an ex officio member, I think the Auditor should be a member of the committee. I did some checking again over the weekend and some different I found out that they are open to Sunshine Laws, they have to be audited. They have to keep all their books and everything else, so I think someone from the Auditors Office would be beneficial on that committee.

Mr. Joseph: Thank you. Councilman Luzader once this gets to Council you could make an amendment at that time if you wanted to, to make that chance. I agree, I think ex officio probably be good because that person would still be there to interact with those that are there. I think that would be a good idea, thank you.

RE: A boundary adjustment between the City of Columbus and the City of Reynoldsburg has been proposed. The site is located on the eastern edge of Brice Road and consists of 3 parcels, as well as a narrow sliver of land adjacent to West Side of Brice (Easement). The proposed adjustment moves the corporate boundary slightly Westward to the edge of the Columbus. The transfer will place Brice Road and associated infrastructure in Reynoldsburg, which it primarily serves. This legislation is being filed in response to the provisions of the Ohio Revised Code - section 709.37 regarding municipal boundary adjustments. Parallel legislation is being submitted to Columbus City Council. Reynoldsburg approval will allow the adjustment proposal to be submitted to Franklin County for finalization.
