a. ORDINANCE TO AMEND THE CODE OF ORDINANCES OF THE CITY OF REYNOLDSBURG, OHIO: SECTION 160.02 “AUTHORIZED POSITIONS, PERSONNEL, CLASSIFICATION AND PAY GRADE” Subsection (F) “Police Department”; of CHAPTER 160 EMPLOYEE COMPENSATION, AND DECLARING AN EMERGENCY.

Mr. Long: I would like to say that this is something that we've needed here in our city for quite some time. Then Councilman Nathan Burd and myself in 2010 conducted a study and determined that back then the manning levels for our police department were below the levels that are recommended by both the state as far as associations like the Chiefs of Police and US Department of Justice.

This currently has no budget or appropriation impact at this time. What it does is lay the framework for the Chief of Police and the Mayor of the City of Reynoldsburg that when they determine its deemed necessary, that officers can be added and its also then appropriate for them to go ahead and work with them in the department under training then we can bring the officers on, increasing the number of staffing within the community.
