Community Comments and Requests- - -

Mr. Wright: Thank you Mr. Hills, and good evening Council. Events of the past year have demonstrated that the citizens of Reynoldsburg do not want Calvary International to operate in the former Big Bear store located in the Century City Shopping Center on Livingston Avenue. I urge Reynoldsburg City Council to pass an ordinance which would prohibit any commercial space within the City of Reynoldsburg from being used as a permanent church. Bold action must be taken if we in Reynoldsburg are to avoid the anti-cultural quagmire represented by store front churches. That's my statement. But I did want to mention to Council that when I was by there, by the property on Thursday night at 10 p.m., all the lights were on which had not been previously on. And it appeared to be that the doors were open on the building. I don't know what the significance was. I didn't see any people there but I just thought I'd mention that to you too. And I and probably a few others are still hoping for some action on it. But that's my statement.

Meeting adjourned at 8:05 p.m.
