Motion to amend to the redraft date of 5/9/2019 by Mr. Clemens. Second by Mr. Skinner

All voted Aye by voice vote. Motion carries legislation amended.

Mayor: Thank you Chairman Clemens, members of Council. This pending legislation before is to transfer existing funds within the budget from one department to another. This is not a request for new funds. The last time this was up I think I was remiss and not focusing on the real issue. Obviously, we didn't have to go to City Council to purchase the thing that we talked about. But it is going to be used for that purpose but the biggest is not so much with the police Department, but this thing will be used a lot by Joe Taggart's group to, were going to put a brush on it so we can the debris clear on Main Street, the gravel and the pieces of asphalt built up on the sidewalk, it will be used to clear snow, we will be able to put a blade on it. So, that's kind of beside the point but this a

request to simply transfer funds within the existing budget. I know Joe, is there anything you wanted to add.

Mr. Taggart: No, its just for cleaning for sidewalks. Anywhere around the City, it could be used for anything, snow removal, salt spreader... <INAUDIBLE>

Mr. Clemens: Are there any other questions for our Mayor or Joe? Committee, members of Council?
