After many years of discussion, I am glad to learn the city is establishing an annual sidewalk program. I am supportive of this effort and appreciate the option for businesses and residents to benefit from the city's economy of scale. If property owners elect to have Reynoldsburg's contractors perform the necessary work, please consider offering a method to pay the city

directly instead of collecting the fee via lien. Owners may not wish to have their property encumbered in such a manner if it can be avoided. Thank you for your consideration.

Mayor Begeny

Our Tomato Festival headliners are set. The Friday night musical guest will be Morris Day with his dynamic dancing and smooth and gusty vocals. Morris Day played an essential role in the development of the Twin City Dance Club sound of the 1980s. A founding member of Prince's band *The Time* in 1981, he remained with the group until 1984 when he launched his solo career. The Saturday night act is Plain White Tees. Grammy award-winning multi-platinum Chicago quintet with hits like *Rhythm of Love* and *Hey There Delilah*. We are still in the process of locking down our Thursday night entertainment. Saturday, April 22nd from 9 to 12 is our community cleanup day. Thank you for volunteering some of your time. A lot of residents may have received information recently about their energy aggregate service Volunteer Energy. Apparently, they went out of business and no one really knew why or how. The Service Director and I are trying to interview other potential aggregate and we hope to have a list of best options to present to Council for both natural gas and electric. We have received our street bids for East Main Street Phase 2 as well as our regular street bid program. Those will hopefully be on the agenda for your second meeting in April.

A MOTION TO APPROVE A RESOLUTION AUTHORIZING THE MAYOR TO APPLY FOR A GRANT FROM THE FEDERAL EMERGENCY MANAGEMENT ASSOCIATION (FEMA) AS IT RELATES TO THE UPPER BLACKLICK CREEK FLOOD STUDY

Mayor Begeny

I'm happy to give news on the Upper Blacklick Creek Flood Study FEMA grant application. We've been working with FEMA and the Ohio Emergency Management Association to secure a grant to do a comprehensive study of our waterways. We were notified that we need to submit a pending approval of matching funds for the grant. That motion is before you today. The grant itself will encompass approximately \$300,000+. Our share will be 12.5% or about \$41,000 in change. We're not appropriating the funds at this time, but getting permission and approval to apply. I can't guarantee that we're going to get it, but the impression is they're not asking us for matching funds unless it's likely to be positive. The process that you were given in your pocket or that may be emailed to you later is very lengthy. We would go through a series of public meetings over a number of months, complete the study, the map preparations, etc. A lot of that will be guided by the community's overwhelming response and request for information due to flooding. This process should identify some of the things that we can do on a short-term basis as well as long-term solutions. This issue has been a problem back to the 1950s. I ask for a motion to allow me to proceed.

Councilmember Strickland

Thank you so much for involving FEMA early on to figure out some solutions. Hopefully our residents will be able to come in and hear some good news.

Mayor Begeny

The process should take between four to six months depending on any number of factors including weather availability, survey work, processing the documents and a presentation period. There are at least four public hearings.

Development, Parks & Recreation Committee

This is the Development, Parks & Recreation Committee meeting for April 11, 2022.

Members in attendance are: Councilmember Cotner, Councilmember Lawson-Rowe, Councilmember Pyakurel, Chair Baker and President Jenkins.

An Ordinance to Amend Chapter Eleven - Planning and Zoning Code for the City of Reynoldsburg, Ohio

Director Meyer

Planning Commission recommended several changes to the proposed code amendments. Language was added to require fencing around pools as well as language adding restrictions and requirements for driveway size. Additionally, language was added to more thoroughly define public and private rights-of-way. Language was expanded regarding ADUs from just Suburban Residential to Residential Medium in the Old Reynoldsburg District.

Councilmember Baker

I move we forward this Ordinance to Council for a second reading. Second by Councilmember Pyakurel. Motion carries.

Attorney Shook

I would like to see if we could amend the ordinance from first read to reflect the recommendations from Planning Commission.

Councilmember Baker

I'll bring the Ordinance to amend Chapter 11 Planning and Zoning Code for the City of Reynoldsburg, Ohio back up for another vote. This vote would be to amend the

Work Session

AN ORDINANCE TO REPEAL AND REPLACE CHAPTER 511, FIREWORKS, OF THE CODIFIED ORDINANCES OF THE CITY OF REYNOLDSBURG --- Bryant. Public Safety, Law and Courts Committee.

Attorney Shook

This is actually not before you for the purpose of amending the fireworks ordinance. It is presented as a work session for the purpose of informing Council of how HB 172 which was passed last year impacts the city. HB 172 effective

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

July 1, 2022 does legalize the use of consumer-grade fireworks in the state of Ohio unless limited by the local government. It's legal according to the state law on certain specified dates including New Year's Day, Chinese New Year, Cinco de Mayo, Memorial Day weekend, Juneteenth, July 3rd, 4th, and 5th, Labor Day, Diwali and New Year's Eve. Our current code and our current chapter 511 mirror state law. It incorporates whatever the state law is. The options available in the Council are to leave it as is, legal all hours a day those particular days. You could choose to limit it further than just those particular days or you could choose to limit the times or you can choose to ban fireworks in the city altogether.

There are a lot of options that are available to the city in response to HB 172 all the way from do nothing or outright ban fireworks and wanted to be able to bring that on as a discussion item because it's going to go into effect on July 1st and if council were to choose to go the route amending chapter 511, we would have to start that process pretty quickly to get through 3 reads and the 30-day referendum period before the law goes into effect.

Councilmember Lawson Rowe

Chief Baker, could you share with us the number of calls that the department receives regarding fireworks or inappropriate use or neighbors calling to report their neighbors doing fireworks? What type of impact will that be on the department?

Chief Baker

We have had restriction on certain types of fireworks that were allowable under state law. Most of our complaints will start in early July, related to the July 4th holiday. Most of the complaints have to do with the noise that is caused by the fireworks. We have had discussions with council in the past about the difficulty of enforcing current firework statutes. We have to observe the violation. We would have to go on to property. The Fourth Amendment of the US Constitution restricts the ability for us to enter onto private property without a search warrant. Laws are very hard to enforce through the police department related to fireworks laws. I spoke to City Attorney Shook about this matter and if he would consider some restriction, that it would be a time restriction. I can certainly understand when our citizens call us related to fireworks when people are setting them off at 10:00, 11:00 at night or 1:00 in the morning as people are trying to sleep. Most of the complaint deal with the noise aspect of fireworks.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

Councilmember Cotner

It is hard to make a law that you can't enforce and we know that it's already going on and that people purchase them. You're allowed to do something about it, but you can't anyway. If we add more restrictions, are we accomplishing anything? Is there a value of us even trying to put something else and give you another directive to go out and patrol and you can't even do anything about?

Chief Baker

Noise ordinances are easier to enforce than the fireworks laws. If we hear the noise and can pinpoint where that item is shooting off from, we can just enforce the noise ordinance without even touching the firework aspect of it, illegal possession of the fireworks. It is a little easier, still difficult, but it does give us the ability to show up at a property and at least tell them to stop. If we hang out in the area and see something shoot up in the air, we don't need to enter onto a private property to enforce a noise ordinance. We have had these issues in the city in the past.

Attorney Shook

Interestingly and perhaps in a contradictory way this law does not override local city ordinances as it applies to noise. Our noise ordinances still apply regardless of House Bill 172. It is probably close to impossible to set off a firework without violating the noise ordinance in the City of Reynoldsburg. In our prior discussions, it's easier to enforce that noise ordinance because we can apply that to the property owner. We don't necessarily have to see the person who set it off to know who we're going to cite for that. It's not an easy law to enforce especially when you have dozens, perhaps hundreds of people in the city setting them off at once. We don't have the kind of police capability to catch everyone so it's always going to be a problem regardless whatever laws on the books with respect to enforcement. It is always going to be very difficult, close to impossible to enforce.

Chief Baker

If we arrive at a house that somebody has made a complaint on, typically, we will get compliance when we advise them that we know where the activity is involved, what the law is. Everybody knows what the fireworks laws are. They are purposely violating the law. When we show up there and ask them to stop, the overwhelming majority of the time, they will stop at least for the night.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

Councilmember Cotner

If you have some reasonable cause to go, let's say there is a big party and maybe it continues to be an issue, at least if there is another law, you have a stronger cause to be a little tougher if need be.

Chief Baker

It's up to you to apply these restrictions of a time that is reasonable. We have all been around fireworks around July 4th and they seem to continue about a month afterwards. It would be responsible for the city to expect their citizens not to shoot these things off all throughout the night that's just my take on the use of these fireworks.

Councilmember Cotner

July 3rd and 4th and the weekend, you have got a whole week that you could be battling. If you've got an exceptionally patriotic neighbor, you could have a very, very rough week.

Chief Baker

When you pull up the calls for the last few years, we are overwhelmed by the number of these fireworks calls. I would expect the same this year without explaining our deployment of officers were overwhelmed. We've got a lot going on during the July Fourth weekend. Not that fireworks and noise is not important but when you prioritize the types of calls that we have during that weekend, it is on the lower level of prioritization.

Councilmember Cotner

When you get calls on the fireworks, we know people have been using them anyway but with what this new law does is allow for the commercial grade fireworks. It is not just your regular bottle rockets in small things. These get a little more aggressive and louder. Was this the problem was anyway? Is this what you were responding to?

Chief Baker

We are seeing the mortars shoot up out of backyards. Whenever you see something explode and it has a tail to it that is like one of the mortar-type balls that shoot up out of what looks like a cannon.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

Attorney Shook

I would note Councilmember Cotner that the state legislature defines what they can use as consumer-grade. They refer to as 1.4G fireworks. Anything stronger, more powerful than that would still be illegal for consumer use. One other note I would make is that you're absolutely right that it is already a difficult law to enforce and we don't want more laws on the books that are difficult to enforce but there are a lot of people out there who choose not to break the law just because there's a law on the books. That it can at least mitigate it to a certain extent and so to go along with what the Chief had indicated earlier and having some type of time restriction on there could at least operate as a deterrent. Perhaps people can get to sleep at midnight or 1 in the morning.

Councilmember Bryant

I certainly understand that the enforcement on the fireworks ordinances are significantly more difficult than the noise ordinances. My question is going to be for Attorney Shook. At what point do we look at whether it is enforceable and they have the ability to enforce compared to the needs of residents who may suffer from PTSD or some sort of issues that make these loud noises particularly difficult for some. Not to mention many of our four-legged friends around town also have a bad reaction.

Attorney Shook

I'm not on the receiving end of these complaints but my educated guess would be that a lot of these complaints deal with people who suffer from PTSD, animals, and infants who are trying to sleep. Things of that nature. I certainly think that's something that Council should take into account as you decide on whether to take action here. The totality here is that fireworks are going to go off in the city and we have to decide if there's any additional action that we want to take the try to mitigate it if we take it can be mitigated or if it's worth mitigating.

Councilmember Salvati

I personally would prefer to take a look at our noise ordinance to see if there's anything, any tweaks we can put in there and reference specifically to fireworks. Maybe we don't need it. Maybe it's strong enough as is.

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

Attorney Shook

Our noise ordinance is actually very restrictive. The plain language of the noise ordinance, which I don't have in front of me, says that if you can hear something from a property more than 50 feet away from that property, you're in violation. I'm not entirely sure that's particularly enforceable or constitutional, but that's currently what our noise ordinance says. It is very restrictive.

Councilmember Salvati

We could do an advertisement around the first, second, third, fourth, and fifth of July which only enough particularly the way Fourth of July Falls this year is exactly the longest possible time for fireworks because the first is a Friday and then second, third, fourth and fifth.

President Jenkins

Do you recall the number of injuries that you may have calls for during this time?

Chief Baker

I can't recall the exact number. We typically will have a couple minors and I can't think of any major injuries we've had expect them to go up with their change legislation with more people using it but yeah I don't it's nothing significant thank you Councilmember Baker shrewd quick what does the police department do if it's coming from and the township you know when it's out of the city of Reynoldsburg I've always wondered okay we have any other questions or comments sorry do you know of any other state legislator gave communities the authority to do this and you know what I think the concept is allow these products to ship a letter may be out in the more remote areas like the township areas were pretty densely populated and their there's a reason that they allowed municipalities to have some authority to restrict so who is senior who has done anything so far that you may know of our to find in turn see of the city of Reynoldsburg who you will hear from you shortly I did ask to Longaberger and leave the lazy to look into that specific issue and they found that the University Heights actually passed legislation to completely criminalize fireworks so the state will have no impact on their city and fireworks will meet continue to be illegal in that City there are other cities that are considering such legislation and including the City of Mansfield in addition to Madison Township trustees are considering legislation in determining whether or not there's anything that they will do to take action on this but right now there's doesn't appear to be a wave of

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL

Municipal action in response to this legislation perhaps it's because of the later enforcement date but now that it is bearing down upon us I think the me at least need to make a decision as a city what it we're going to take action okay do we have any yes cancel member pack a row but I think we should have something in place I feel for the people that have animals in the house and this is definitely the difficulties for the young children in fencing all but one of the animals are there there's people that are really flaring so much and I think something may be a noise ordinance are with the 50 something at least we'll have something to stop for something to reduce at least this council member Strickland Bryant so my recommendation would put sometimes drinks on when fireworks can happen our offer up 9 at the time for restraint so if anyone else have any you know comment regarding that I would ask her attorney check if maybe we could take a look at the current noise ordinance as it exists today and maybe do a follow up

Perhaps it's because of the later enforcement date but now that it is bearing down upon us I think the least need to make a decision as a city would have we're going to take action hey do we have any yes council member pack a row but I think we should have something in place I feel for the people that have animals in the house and this is definitely a big difficulties for their young children in France in all but one of the animals are there there's people that are really is suffering so much and I think having something to place may be annoyed all demons are with the 50 something at least we'll have something to stop something to reduce at least this council member Strickland future bragging so my recommendation would put sometimes drinks on when fireworks can happen I will offer up 9 as a time for restraint so if anyone else have any you know comment regarding that I would ask her attorney check if maybe we could take a look at the current noise ordinance as it exists today and maybe do a follow-on discussion at the next council meeting so that we can have a better understanding as to where we are already with it with our noise ordinance and then figure out from there if we can do something or if we need to do anything to fill in the gaps yeah I do want to kind of play out the timeline on this so July 3rd may seem like a long way away as we sit here on April 11th and we're talking about 3 referendums. And I am loath to pass any type of legislation by emergency we would probably have to move pretty quickly between 1st and 3rd Reed to play with it a little bit but if there's something that we wanted to put on we would probably want at least get started with a first-rate next week okay well then in that in that case back to committee for further I'm sorry not for further discussion but 4 first reading at our

next meeting and if the attorney should get some sort of analysis for us as to what our options may be but I think what I'll do is in response to suggestion begin drafting directions and put those on the agenda for the next meeting you have anything else Co just kind of going on at the time the issues it's probably too early I think in the summer. Dark at that point so I think you know what is it feasible to do I can't even cut their holidays are stretched and New Year's Eve free probably stressing it to 1 a.m. or something along those lines has annoying is that maybe but if we're going to allow it then I think we have to have some reasonable expectations of what that would look like so like different time constraints placed on the season and holiday would also be worth considering that is why I don't so much fun after Sunset cell once there is sunset you have half hour 45 minutes to celebrate and then they have to be over by then because you're right my phone's going to play in the that right when people a fire out there fireworks at the National Weather Service toggle and put something together.

Councilmember Bryant

I request that Attorney Shook draft an ordinance and bring it back to Committee for review.

Work Session

AN ORDINANCE TO ESTABLISH CHAPTER 703 SINGLE-USE PLASTIC RESTRICTIONS OF THE CODIFIED ORDINANCES OF THE CITY OF REYNOLDSBURG --- Strickland. Public Service and Transportation Committee.

Attorney Shook

This proposal contains complex police considerations as well as complex legal considerations. The Mayor and I have given our two high school interns the job of presenting arguments in support and opposition to this project. Aleah

**MINUTES REGULAR MEETING

Delancey will present the pro position while Andrew Longaberger will present in opposition. We ask that Council take their findings into consideration when determining whether this issue is something you would like to pursue.

Aleah Delancey

Thank you for giving me the opportunity to speak on the environmental impact of continuing to use single-use plastics. The environmental impact of single-use plastics is they are made from fossil fuel-based chemicals, which contain high quantities of carbon dioxide that can become trapped in our atmosphere. It is estimated that production and incineration of plastic products produces 850 million metric tons of greenhouse gasses each year. Single-use plastics are primarily produced to be used once and thrown away. Roughly 79% or 6.3 metric tons of single-use plastic accumulates in landfills and in our natural environment worldwide. Environmental Studies by the United Nations environmental program explained that one single-use plastic bag does not break down, it actually does not disappear. Micro plastics form and can be inhaled and accumulated in organs. The latter half of this study examines the effects of micro plastics in pregnant women and in newborn babies. They found that micro plastics remains were found in the placenta of a woman after birth. If the City instituted restrictions on single-use plastics, it would dramatically decrease plastic waste and protect the quality of our environment. I understand Reynoldsburg is a much larger city than the city of Bexley, which recently instituted single-use plastic restrictions. However, as stated in research by the Ohio State University's College of Environmental Science, respondents to a survey indicated that 95% of people are in favor of legislation to reduce unlimited access to single-use plastics. Single-use plastic bags are simple to produce, less material is needed in production, and it is quite simple to collect the needed materials, which is why plastic bags are so cheap. Alternatives to plastic bags are paper and reusable bags. These items are biodegradable and break down quickly, whereas plastic bags take around four hundred and fifty years to decompose and admit harsh chemicals into the environment, and clog sorting machines in landfills. Paper or reusable bags could provide advertising, which could possibly lead to increased sales. Wooden cutlery versus plastic cutlery in places like schools would be biodegradable and compostable and can be washed and reused. However, in order to keep up with the demand for wooden cutlery, there would need to be more trees cut down. Plastic straws are also a big issue especially with wildlife. Straws are carried into the oceans affecting marine life. Most coastal locations have already instituted

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

paper straws in lieu of plastic straws. In summary, there is a cost difference between paper versus plastic bags. Plastic bags cost about \$0.01 per bag, whereas reusable bags cost about four times more. The disposal of alternative products to single-use plastic bags is much easier on the environment.

Andrew Longaberger

Single-use plastics is a policy issue that can specifically have an economic impact on businesses. I would also question the effectiveness of a ban. Since small businesses are the backbone of our community, I wanted to gain an understanding of how these businesses would be impacted. I visited several businesses and specifically the market across the street from City Hall. I asked him how much he spent on bags. He only distributes plastic bags spending \$6,000 per year on a product he makes no profit on. If he changes to a paper bag, the cost increases five to ten times, going from \$6,000 per year to \$30,000 to \$60,000 per year. Putting that into perspective that is the same cost as a full-time employee making \$15 an hour. I asked him if he had considered switching. He indicated that he would like to, but could not afford to. Another issue with a ban is its impact on the school district and every single student whenever they eat lunch. They use plastic spoons like the one I have in my pocket. Banning plastic spoons would require the school district to buy over 22,000 forks, knives, and spoons. The school district reported that they lost about 40 pieces of silverware every month from students taking them home, throwing them away, or being damaged during washing. The expense to replace these lost pieces would be ongoing. Additionally, the district does not currently have the capability of washing that quantity of items. Also, this legislation would only apply to establishments defined as stores, not to public eating establishments or other restaurants. I have two spoons here of different colors - one from UDF and the other from Culver's. One would be banned and the other would not. The same would be true of straws. If we are trying to eliminate plastics within the City, why are we still allowing some establishments to distribute single-use plastic and not another. I suggest that this is something that Council should look at as to whether or not the application of this ban would be evenly enforced across-the-board. The other issue is enforcement. In looking at Bexley's ban on plastics, there are only two businesses that are in compliance - CVS and Giant Eagle. Both businesses had the ability to pay an additional five to ten times more for paper bags. I reached out to businesses to see what the transition was like. I found five additional businesses that would fall under their ban. I asked them what the transition was

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

like and if they were still using single-use plastics. Four of the five businesses are still using plastic bags and did not even know about the ban. I reached out to Bexley City Schools to ask about their transition. They were also unaware of the ban. The biggest part of such an ordinance is the education component. As I mentioned previously, most businesses were unaware of the ban. It would require a lot of education and reaching out to even make businesses aware of a ban. I propose more of an outreach program to educate business owners and residents and set up plastics recycling locations. I support the not legislate, educate approach.

Councilmember Bryant

Attorney Shook mentioned at the last meeting an issue with Home Rule. If we try to implement something. Do either of you have any information?

Aleah Delancey

According to ORC Section 715.013(B), no municipal corporation may impose a tax or assessment or other charges on containers to be in compliance. To be in compliance with the state statute, we would not be allowed to impose a tax or assessment for auxiliary items. We can impose a fine which is a punishment for committing an unlawful act.

Councilmember Cotner

We continue to compare ourselves to Bexley. The Giant Eagle is a business that can afford to do away with plastics in support of environmental efforts, but many small businesses cannot. I would prefer us to work on educating the public.

Councilmember Salvati

Did you look at any other communities that were able to effectively ban plastics?

Andrew Longaberger

I looked at Cuyahoga County. They have had lots of issues with their implementation. I was not able to speak with anyone.

Councilmember Pyakurel

You mentioned that plastics could affect the health of an individual. If we would switch to paper, what would be the impact to the environment especially regarding cutting down more trees?

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
April 11, 2022**

Aleah Delancey

The Colombian Climate Institute completed environmental impact studies and found that paper bag production costs fifty times more and causes seventy times more water pollution. A paper bag has to be reused five times to offset the carbon footprint of production.

Councilmember Baker

Are there not plastic bag receptacles in stores where plastic bags can be recycled? The individual has some responsibility to make an effort to recycle. I would prefer to promote something that is a little more economical for small businesses and push for more education.

Council thanked both presenters and complimented them on a wonderful presentation.

Councilmember Strickland suggested that the legislation be brought back to Committee for further discussion.

An Ordinance to Accept an Unrecorded Deed of Utility Easement (0.011 Acres) from JMAX, LLC, and Declaring an Emergency

Director Dorman

This Ordinance finalizes the acquisition of easement for the Old Towne East Main Street Project Phase 1. There was this last small section of property that the City needed to secure an easement.

An Ordinance to Certify Special Assessments for Sidewalk Repairs and Replacement Cost Incurred by the City of Reynoldsburg in 2021

Director Dorman

Last year was the first year of our sidewalk maintenance program. Most residents paid the City last year for the cost of sidewalk repairs to their property. The few residents that did not understand that the City would be assessed to the property owner's property taxes as two annual payments. This legislation certifies those costs.

Councilmember Strickland moved to forward the Ordinance to Council for a first reading. Second by Councilmember Pyakurel. Motion carries.

An Ordinance Authorizing the Director of Public Service to Implement an Annual Sidewalk Inspection, Repair, and Maintenance Program (2022)

Director Dorman

This Ordinance will establish the second year of our sidewalk maintenance program. Each year as we make street improvements, we intend to also repair and improve the adjoining sidewalks. Homeowners are contacted via letter advising them of the upcoming repairs and the estimated costs. We meet with any homeowners who may have questions.

Councilmember Cotner

Did you receive any feedback or response from homeowners about the cost of these repairs? I'm concerned about putting an undue burden on homeowners.

Director Dorman

We received a very good response regarding this first year program. If homeowners did call, we went out and met with them to address any concerns. We had a number of homeowners request more repairs or replacements to be completed.

Councilmember Strickland moved to forward the Ordinance to Council for a first reading. Second by Councilmember Lawson Rowe. Motion carries.

An Ordinance Authorizing the Mayor to Accept Public Infrastructure Associated with the Laurel Bluff Development Project

Director Dorman

This Ordinance is another acceptance of infrastructure that the City needs to accept and take over for the condos off Taylor Road just north of Kroger. Most of this development is private. The sanitary sewer is the only public infrastructure.

Councilmember Strickland moved to forward the Ordinance to Council for a first reading. Second by Councilmember Pyakurel. Motion carries.

I am here again tonight to address you as the Vice President of the Community Association. As you know, our annual Spaghetti Dinner was scheduled for February 5th, but due to the ice we cancelled and rescheduled. I would like to invite you to our newly rescheduled dinner on March 26th at Messiah Lutheran Church on Waggoner Road. All you can eat spaghetti. This is our only fundraiser to put our events like the July 4th Parade, the Halloween Party and Christmas on the Town. Tickets are \$8 for adults, \$5 for kids under 12, and kids under 5 eat for free. We hope to see you there.

Mayor Begeny

I want to say congratulations and great job to the State Champion Lady Raiders! I am sure we will be embarrassing the ladies with all of the things that are set up during the next several weeks. I had the opportunity to be at the pep rally at the Livingston Campus today. It was great. The girls are ecstatic. I had a chance to talk with them prior to their trip to Dayton. They were so excited. We have extended an invitation to the team to attend the next Council meeting. There is also a citywide parade this Thursday starting at 6pm. It will

follow the same parade route as the July 4th parade starting at the Livingston campus. Check the school district's social media page for more information. I encourage everyone in the community to come out and celebrate. This is a great accomplishment and is going to be a beautiful day.

Also, our Community Guide was sent out and most residents should have a copy. The City would love to receive feedback about the Guide. The Guide is also available on the City's website. We will be coming back to Council to request additional funding in order to provide translations of the Guide in Spanish, Nepali, and Somali. If members of the community did not receive a Guide or threw it away, there are plenty of copies here at City Hall, the Senior Center, and at future community events. It is a great resource to answer questions about the City and share what's going on in the City.

American Red Cross Emergency Preparedness

American Red Cross

Karen Washbush, Interim Director of the Central Ohio American Red Cross

We are currently facing a critical blood shortage across the country. Not only through blood collections through the Red Cross, but all blood collection agencies. We have never used this verbiage before in the last decade. We are also affected by a shortage in employment. We are asking people to go to our website, select a time to donate, and keep your appointment. If you cannot keep the appointment, please cancel to allow someone else to sign up. We are in a precarious situation right now. Doctors and surgeons are making difficult decisions as to who gets blood and who does not. I ask that you consider donating. The other issue I want to advise you of is our Health and Equity project. We are focusing solely on the critical needs in our communities including vulnerable communities to bring help and awareness about fire safety. There is a disparity in home safety as well as health care, so we started the health inequity project. We are hosting three block parties beginning on May 14th in Franklinton at Dodge Park. The next event is tentatively scheduled for June 11th in the far east side with the third event around August 13th in the near east side. There will be many activities including blood donation, health screenings, and life-saving training. Health care providers will provide a simulation for walking through a doctor's office and visit. Jobs and Family Services, Mount Carmel, Ohio Health and the Ohio State University Hospital will also be there. There is a flyer in the packet provided to you.

Atticus Garden, Disaster Project Manager

I manage disaster services, which encompass preparation response and recovery of all disaster operation for the Red Cross. We have a volunteer work force of 217 individuals. With the lifting of Covid restrictions, we are facing some rebuilding. Your packets contain information about preparation. I would be happy to provide additional information as needed. The one number disaster in the Reynoldsburg area is home fires. We have seen an uptick in house fires during the last twelve months. One of the issues in many of these fires is the lack of a working smoke detector. After discussions with the Truro Township Fire Department, we are in the process of finalizing an MOU to send trained volunteers out door to door to provide home fire safety and smoke alarm installations. We will also provide youth training in the elementary schools. More information will be provided regarding this program after everything is finalized.

Councilmember Strickland

Mr. Garden, do you have specific numbers or information to Reynoldsburg regarding the increase in fires.

Mr. Garden

I can get you the information regarding Red Cross responses to Reynoldsburg, but the fire numbers would be provided by Truro Township. With the pandemic and rising housing prices, there are more people living in homes than before that can cause additional challenges.

Councilmember Lawson-Rowe

I would like to speak with you about possibly participating in our Juneteenth event this year. I will reach out to you.

Councilmember Pyakurel

There is a planned event to hand out smoke detectors are April 2nd from 9am to 1pm here in Reynoldsburg. Also, you mentioned the unprecedented need for blood. Why is there such a need for blood right now?

Ms. Washbush

Much of our blood supply comes from college-aged students and blood drives. With students staying home as well as employees, many normally scheduled blood drive events at colleges and businesses have not been able to occur. We hope businesses begin to reinstate those blood drive.

A MOTION TO APPROVE A RESOLUTION RECOGNIZING WOMEN'S HISTORY MONTH

Councilmember Lawson Rowe read the Women's History Month resolution into the record.

Councilmember Lawson Rowe

It is an honor and privilege to share with you a resolution recognizing women's history month, but before I offer the resolution I would like to personally highlight the numerous, nameless, and faceless women in our families and communities. We celebrate and recognize the nationally or internationally known women who are famous. Today I invite all of you to think about, elevate and amplify the women in your world who were and are leaders. Allow me this opportunity to elevate the 2022 Division 1 Girls Basketball State Champions, the Reynoldsburg High School Lady Raiders. I amplify the women in the community that support our schools and celebrate the women leaders I watched growing up. My Grandmother, who we affectionately called Grand Mommy, was a business owner and later a real estate agent. I celebrate my Mom Ruth Lawson, who was the first woman and black woman to serve as Chief Probation Officer at the Juvenile Court in Clark County. I also lift up one of my favorite great aunt's, who made lemonade out of lemons. Her name was Castella Shropshire. We affectionately called her Aunt Cha-Cha. When she was in high school, her guidance counselor told her that she did not need to take science or math classes and should focus on home economics instead. As an adult, she became one of the most sought-after small businesses in my hometown. Finally, I celebrate all of the female retail workers I watched growing up. One of them is my cousin Debbie Wood. I loved visiting local retail department stores as a kid. My favorite Aunt Barbara worked at a department store called Harts and my cousin Debbie, who I thought was a super model, worked at Sears.

Reynoldsburg Women's Civic Club

President Sheryl Marshall

I would like to tell you a little bit about the Reynoldsburg Women's Civic Club. From villages to cities, there has always been a need for civic improvements. These improvements are generally carried out by the male population; however, in November 1922, Jesse Wyberg, a woman of action and decision, called together a representative group of women from Reynoldsburg and the vicinity to form the Reynoldsburg Civic Club. It has been a vital force in the community for 100 years. The Civic Club instituted many firsts. Among them, in order of happening, a lending library, Kindergarten, horse camp, traffic light, preschool clinic with a nurse and doctor, the erection of large billboards at the entrances to the town proclaiming Welcome to Reynoldsburg and the PTA. Our club motto is "These things we will do." In all probability, those forward looking women were always asking why and they probably answered why not. Let us continue the legacy that was started long ago by Jesse Wyberg and her friends. We have donated money to various areas in Reynoldsburg since 2000. We donated over \$37,000 to the Fish Star Assignment in collaboration with the Reynoldsburg Police Department, who help identify people in need. We are donating a \$1,000 scholarship to each of the high schools. We have donated to Heart Food Pantry, Helping Hands Food Pantry, the Livingston House, Life Center Adult Day Care, band booster, the Tomato Festival and Honor Flight. The Civic Club meets the first Tuesday of the month for lunch at the Reynoldsburg Methodist Church community center. We always have a speaker or some type of enlightening program. We are open to anyone who would like to join our organization and work with us to make Reynoldsburg an even better place than it is.

Urban League

Melinda Carter

Senior Vice President of Minority Business Assistance Center

Congratulations on your support for all women who work to make a difference. President Hightower was unable to be here tonight as she had a previous commitment. My grandmother had that same high school counselor and wanted her to take domestic courses as well as my mother, whose schedule was actually changed to domestic courses. However, my mother changed her schedule with another student's. I love that story. I am here to share with you how the Urban League and particularly the Minority Business Assistance Center can help the women of Reynoldsburg. The Urban League has done over 70,000 hours of counseling to minority women and small business owners. We want to support what Reynoldsburg is doing to support female, minority owned businesses. President Hightower is committed to supporting communities like yours. I

An Ordinance to Amend Chapter Eleven - Planning and Zoning Code for the City of Reynoldsburg, Ohio

Attorney Shook

As our new Economic Director and Planning and Zoning Administrator have had time to look at our zoning code, they are recommending a few changes to start. These changes include allowing Council to designate a zoning district for properties that are annexed into the City at the time of annexation. They also recommend changing the procedures for rezoning parcels to make policies more in line texturally with the City Charter and provide a cleared and coherent process for residents including posting signage on the property notifying neighbors of the rezoning request. They also recommend adding a definition for accessory dwelling units, more standards where an ADU will be allowed in residential districts, and an updated definition for overnight lodging and hotels to remove extended stay from that definition. That removal would make it more in line with temporary stay hotels. We also added language for structured parking to the code. Those are the changes being proposed presently. We recommend that these changes be moved forward for a first read and to the Planning Commission for review and recommendation.

An Ordinance Establishing Section 701.07 of the Codified Ordinances of the City of Reynoldsburg, Commonly Referred to as the Pay to Stay Ordinance

Attorney Shook

This Ordinance has returned to Council to be amended. President Jenkins and I met with the attorney for the Apartment Association, who had several recommendations for changes to the legislation. While I am not recommending all of his suggestions, we did agree to make certain changes that would mitigate the City's position that it would be subject to litigation.

Councilmember Cotner

What were the changes?

Attorney Shook

We removed specific language regarding what fees would need to be paid by the tenant before an eviction could be granted. We changed to the language to reasonable costs that the court would determine. Also, we increased the amount of the late fee that could be charged by the landlord. This change would allow for landlords who have escalated late fees. We increased the cap to 15% of the monthly rent.

An Ordinance to Approve Payment of Services Performed in the Prior Year, and Declaring an Emergency

Director Dorman

This appropriation is for a payment due to the contractor that installed the radio read transmitters on the various towers in the City. The payment was made to Sensus in 2021; however, they subcontracted the work out and did not advise the City. Sensus has since refunded our payment and we now need to pay the appropriate contractor. As the expense was incurred in 2021 and over \$6,000, we need to reappropriate the funds. We are requesting that this Ordinance be a single, read emergency in order to pay the contractor, who has been waiting on payments for a number of months.

Chair Strickland moved to forward this Ordinance to Council as a single, read emergency approval. Second by Councilmember Lawson-Rowe. Motion carried.
An Ordinance Authorizing the Mayor to Enter into a Contract for 2022 Fireworks Display, Waive Competitive Bidding, and Declaring an Emergency

Director Dorman

This Ordinance is our annual request to approve the contract with Pyrotechnics for our July 4th fireworks. Pyrotechnics was delayed in getting us the contract, so in order to secure our date and price, we are requesting that this Ordinance stand as a two-read emergency.

Chair Strickland moved to forward this Ordinance to Council for a first reading. Second by Councilmember Lawson-Rowe. Motion carried.

An Ordinance Authorizing EMH&T to Conduct Design, Engineering, and Bidding Services for the Police Department West Parking Lot Lighting Services, Appropriating Funds Therefor, and Declaring an Emergency

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
March 14, 2022**

Director Dorman

This legislation to build a "carport" and fencing for the police department parking lot is back before Council to address an issue regarding the lights for the parking lot. Initially, we were planning on reusing the existing light poles; however, we have determined that the units are so old, there are no replacement parts available for the units. Therefore, we need to need the cost of engineering new lights for the project as part of our engineering design contract with EMH&T. We are requesting a two-read emergency for this legislation.

Chair Strickland moved to forward this Ordinance to Council for a first reading. Second by Councilmember Pyakurel. Motion carried.

An Ordinance to Amend Ordinance 142-2021 Regarding Chapter 953 Water Charges, Section 953.01(A) Water Rate Schedule of the Code of Ordinances for the City of Reynoldsburg, and Declaring an Emergency

Director Dorman

After reviewing the specific language in the water rate increase Ordinance passed by Council in December, water department staff suggested that additional language be added to provide clarity to the Ordinance regarding the ten percent discount for seniors. This Ordinance would amend the language to read that seniors receive a ten percent discount on water up to the first ten thousand gallons **per quarter**. We are requesting that this legislation be passed as a single, read emergency.

Chair Strickland

How are senior citizens being notified about the availability of this discount?

Director Dorman

Water department staff applied the discount to any seniors that were already receiving a senior discount on their trash bill. Also, we have notified seniors at the Senior Center and they seem to have a great communication network and are sharing it with other seniors.

Councilmember Pyakurel

Why is this legislation an emergency measure?

Mayor Begeny

As we prepare for the 2022 Tomato Festival, we would like to transfer the remaining sponsorship funds that were donated last year into the 2022 Community Events budget.

Councilmember Cotner

Where these all of the sponsorship funds collected in 2021 or just funds left over? Also, if these are sponsorship funds, then the language identifying them as donated funds would be incorrect.

Mayor Begeny

These are funds that were not used in 2021.

An Ordinance Authorizing and Directing the Mayor to Enter into a Contract with the Daimler Group, Inc. for the Sale of Real Property, and Declaring an Emergency

Attorney Shook

This agreement is a PSA (purchase and sale agreement) for 5.5 to 6 acres on the west side of East Main Street across from the Glen Rest Cemetery. This property was purchased by the City last year. The purchase price would be \$190,000 per net acre, depending on how much buildable land the developer is able to identify after an inspection. The purpose of this agreement is to not just recoup some of the funds expended by the City, but for the developer to construct a commercial building that would be at least fifty thousand square feet of medical office space and other uses ancillary to medical services. We currently cannot disclose the name of the user, but they are a reputable provider. I would like to note that there is a lengthy time before closing on this transaction, up to 240 days, as the developer has not yet had access to the property to conduct their inspection. They requested additional time to be able to do that inspection prior to closing. I just wanted to make sure that Council was aware of the extended period.

Mayor Begeny

The intent is to break ground in early 2023 for an opening of the facility in late spring or early summer of 2024.

Councilmember Cotner

There is clearly a development plan in place that is not yet available for review. I do have concerns about the item that requires the developer to submit the site plan to the Mayor or Economic Development Director for approval. Can we do that? Doesn't that bypass our approval process of submitting plans to the Planning Commission and Council for approval?

Attorney Shook

Ordinarily, site plans do not receive a preliminary administrative approval prior to going to Planning Commission. In this agreement, we have added that additional administrative approval, because we want to make sure, as the seller, that the project fits what was expected. The site plan will still need to receive Planning Commission and Council approval.

Minutes Acceptance: Minutes of Mar 14, 2022 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
March 14, 2022**

Councilmember Pyakurel

What was the need for the 200+ day extension prior to closing?

Attorney Shook

This extension was at the request of the developer. The primary reason is to give them the opportunity to be able to fully inspect the property to determine how there are going to place the building and parking on the site and to determine if there is any portion of the site that might be a wetland or other circumstance that would cause a portion to be unbuildable. We do not anticipate there being any issues and are confident in this development. Additionally, the other section of land is next to this site so they need to coordinate both builds on that property.

Chair Salvati moved to forward this Ordinance to Council for a first reading. Second by Councilmember Bryant. Motion carried.

Other Council Matters

Councilmember Strickland

I want to let everyone one that I will be here in City Hall every second and fourth Wednesdays of the month from 6pm to 7pm to give residents an opportunity to know all things about the City. Feel free to get in contact with me if you have any questions.

Councilmember Baker

I want to recognize and thank all of the doctors, nurses, fire and police officers, logistic staff and retail workers for continuing to work through this pandemic. I also want to recognize a young man that wrestles for Reynoldsburg High School named Logan Smiley that was able to make it to the state wrestling tournament. That is a fantastic accomplishment. I want to give him a shout out for a job well done and a great season. I also want to give a shout out to Imarianah Russell for achieving two thousand point in Reynoldsburg Lady Raiders win over Mason.

Community Comments

Aditi Pyakurel

8336 Ashlynd Place

Miss Pyakurel is an 8th grade student at Baldwin Road Junior High school. She came before Council to fulfill a requirement for her Citizenship in the Community merit badge for Boy Scouts. As it was Women's History month she wanted to share her feelings about the first female Secretary of State Madeleine Albright as a woman that inspired her. She discussed her youth, education, and her career path to becoming Secretary of State. I saw herself looking up to Madeleine Albright because her story looked a lot like hers. Ms. Albright had to flee her home because of political prosecution from the government and even though she had only found out about Madeleine Albright a few weeks ago, she has inspired her in a lot of ways.

Mayor Begeny

I wanted to update you and the community about a recent meeting with the Geological Survey staff. We are in the process of acquiring a sensor that will actually be placed on the East Main Street bridge to monitor rising water levels. Once water levels reach a certain level, the monitor will send out a text message to residents that might provide at least an early warning to move and/or resecure items. I should have more information available soon. We may also be receiving a discounted price for the project and we have found some additional funding through a Flood Mitigation grant through the Ohio River Emergency Management Association. We are requesting that residents send us information about their experiences with flooding over the decades. EMA told us that our request for public

information had the most submissions of any Ohio Emergency Management Action grant. This information benefits the City when we are looking for actual solutions to these problems, because it covers a wide range of areas including areas where you would not expect to have significant issues with flooding. We opened bids for Phase 2 of the East Main Street project last week. As you can imagine, the cost of materials is more expensive than originally anticipated. Our 2022 Street Improvement bid opening will be on April 8th. Both of these bids will likely come before Council during your April 25th meeting. AEP is working to bury the electrical lines on East Main Street. The City will be doing some additional work on the retaining walls on the south side of East Main Street. We are getting closer to the final stages of Phase 1, but Phase 2 (from Jackson Street to Waggoner Road) will begin shortly.

A MOTION TO APPROVE A RESOLUTION OF APPRECIATION FOR THE REYNOLDSBURG LADY RAIDERS GIRLS' BASKETBALL TEAM

Councilmember Strickland read the resolution recognizing the Reynoldsburg Lady Raiders basketball team as the 2022 Girls State Division 1 Basketball Champions. Each member of the team was presented a signed resolution as well as Coach Purtell. Councilmembers congratulated the team for ladylike grit and basketball IQ, athleticism and the Herculean effort they exhibited throughout the season. The team was recognized with a standing ovation.

SkilkenGold - East Main Street and Taylor Road Property

Eric Elizondo, SVP of Operations for SkilkenGold, provided an update regarding the tenants at 8555 East Main Street, the Shepard's Park mobile home park. We were here in November to get final approval from Council regarding rezoning of this property. It had received Planning Commission approval, but following that meeting we withdrew the application. We have since hired Rosetta Brown of RH Brown and Company. She has been in contact with tenants working to identify issues they may have. We are still in

contract on this property and still do plan to move forward with our project. Council was provided with information updating the status of the residents regarding their moves. He invited Ms. Brown to provide Council with an update on her progress in contacting residents.

Rosetta Brown stated that her firm was hired by SkilkenGold to complete a relocation assessment of every household at that property. She has met with twenty-five of the residents to date at the Reynoldsburg Library completing one-on-one assessments to gain a better understanding as to what their needs and preferences were. Some of the tenants have already sold their units and have moved or will be moving their units shortly. I have not yet made contact with five tenants.

Councilmember Strickland

When do you expect to have everyone completely out? Has a date been set?

Rosetta Brown

Most of the units have been sold. We are looking at companies, who purchase those units, to come and pick them up to move them off the property. We do not have an actual set date, but we are getting close.

Councilmember Cotner

What does your company primarily do?

Rosetta Brown

I primarily do relocation with public housing authorities. I work with Columbus and have done a number of relocations in central Ohio.

Councilmember Baker

According to the information provided, I see that there are tenants needing assistance with housing down payments. Are you helping those residents with down payments, security deposits and such? Are these residents guaranteed to receive any type of assistance?

Rosetta Brown

We have been able to give some residents housing leads. Once all of the interviews are complete, we will go back and speak with individual household about specific needs.

Minutes Acceptance: Minutes of Mar 28, 2022 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
March 28, 2022**

Councilmember Lawson Rowe

In terms of support, is that coming from your company or is it coming from SkilkenGold? Is there paperwork that the residents have to submit to request monetary assistance?

Rosetta Brown

I am just doing the actual assessments currently, to listen and document their needs. We will be meeting back with SkilkenGold to review the scope of the needs assessments to determine how to move forward and what, if anything, will be done.

Eric Elizondo

Once we have all the information and we hear from the remaining five tenants, we will assess and determine how to proceed. For residents that have made a request, we have provided moving materials, tape and boxes, that were delivered last week. When we have all of the information, we will send another report back to Council that may answer some of your questions.

Councilmember Strickland

I understand that some time ago, there was a letter sent to the tenants indicating that they would need to move by the end of May. I believe that letter came from the property owner. Is that the current timeline and is the property owner providing any assistance? I am concerned about making sure that all of the residents have a place to go with the current housing shortage.

Eric Elizondo

The property owner did send out that letter requesting everyone be out by the end of May. That is still the current timeline, not to say that it cannot be moved. I am not aware of any assistance from the property owner. It is part of our mission and who we are as a company to make sure that things are done correctly. That is why we hired Ms. Brown. We needed to find out from the residents their needs and situations. Back in November, it was very contentious. I wanted to give Council an update of where we are right.

Councilmember Cotner

So, was this presentation this evening just to talk about the status of the residents as we never even got into the real point of the meeting in November? Attorney Shook, there's no ticking clock at this point?

Eric Elizondo

We wanted Council to understand that we are still interested in pursuing the project, but first we are assisting resident by better understanding their situation.

Attorney Shook

Because the applicant pulled their application before Council voted, they will need to restart the process. They will have to submit a new application for rezoning that would need a Planning Commission recommendation and Council approval. They are essentially at square one.

Councilmember Bryant

This is a fairly sizable property and I am familiar with your locations. What, if anything, is planned for the rest of the property?

Eric Elizondo

Planning Commission approved our application to rezone the front portion of the property Community Commercial. The rest of the property would remain Innovation District. The real push right now is for that front portion of the property as we have a tenant, Sheetz, that is very interested and have a lease for the portion. We do not have any current plans for any tenants for the other sections of the property.

Councilmember Pyakurel

What are you doing to make sure that the five families you have not been able to make contact with yet will be given equal opportunities to whatever services you may provide?

Rosetta Brown

We are reaching out to their neighbors to see if they are still living there. We know at least one of the residents is no longer living there.

Reynoldsburg Visitor's Bureau - Les Somogyi, Director and David Reidel, President

Les Somogyi

I would like to recognize two of our Board members that are here tonight - President Dave Reidel and Board member Susan Brusk. Thank you for the opportunity to address Council this evening. The Reynoldsburg Visitor's Bureau receives its funding of \$75,000, which is 23% of the bed tax generated by the three hotels in Reynoldsburg. The

total bed tax collection for 2021 was \$331,400.00. The \$75,000 received from the City makes up 84% of our total revenue. The other 16% (\$14,000) is comprised of advertising revenue from the Reynoldsburg Magazine. The busiest months for bed tax collection in Reynoldsburg is during the months from March through August. Our advertising revenue collection months are March and September. Hotel occupancy in Reynoldsburg is fairly consistent with state and national trends. The Bureau's expenditures consist of 43% for payroll, 35% for advertising and promotions, 13% for partnering with local organizations and 9 % for administrative costs. Some of our community partners are the Reynoldsburg School District, Chamber of Commerce, the Community Activities Association, Reynoldsburg Helping Hands and the Heart Food Pantry. Industry trends show the 87% of travelers plan to travel somewhere in the next six months. The pandemic has caused 50% of travelers to change travel plans in some form, down from 9% a month ago. Many travelers (73%) feel safe traveling outside of their communities and dining in local restaurants. This percentage is the largest since the onset of the pandemic. The remaining travelers (31%) say the pandemic has no influence on their travel plans. However, the current gas prices are expected to affect travel and visitor patterns in a negative way. Our purpose is to promote visitors and foster economic development. We work in partnership with local organizations to promote activities that make people want to visit Reynoldsburg. I am happy to answer any questions.

Councilmember Pyakurel

You might want to talk about what is being planned for May 21st.

Les Somogyi

The Visitor's Bureau is sponsoring Multi-cultural Day on May 21st. We have good representative from various cultures and will begin promotion of the event in the next couple of weeks. I would also like to share with you the cover of our spring Reynoldsburg Magazine, which highlights Health in Reynoldsburg. We were also able to recognize the Lady Raiders Basketball team on the cover. Our next additional will focus on our high school heroes - teachers, students, and staff. I would also like to recognize the decades long contributions made by Councilmember and business man Barth Cotner. I appreciate his contribution and support both as a council person and businessman.

Tax Administrator RITA Presentation

REYNOLDSBURG INCOME TAX ADMINISTRATION

Auditor Cicak

Thank you very much for this opportunity to come before you and the people of Reynoldsburg to teach you a little bit about RITA, why we are here and how we got here. Some of the number you are going to see and the questions answered by Tax Administrator Lori Gischel are very in-depth. I suggest and recommend that you read this report in its entirety a few times. There are a lot of numbers to absorb, but I want to let you know that we administer the tax collection with integrity and honesty and in a manner that produces results for our community. We treat people fairly. We embrace diversity and inclusion. We are the stewards of a public trust of our shared resources. I applaud Councilmember Salvati for admitting a simple mistake that happens to so many people on February 14th. It's really about bringing awareness and reaching out to different communities on how you can do the job better. I want you to see what our collections have been. You see they are trending upwards. The numbers at the top last year were \$25,313,000. But remember, we get \$.73 on the dollar going into the General Fund and \$.15 on the dollar to the CIP Fund. Our cost of collections in 2020 was 1.92% and it ended with 1.4%. The average cost of collections over ten years has been 1.63%. Every year we have a retainer with a true up at the end of the year. The information Tax Administrator Gischel is going to have answers questions I would not even know to ask. Because of her specialization and having run the RITA office in Worthington, she has great insight into RITA. I have provided slides showing the current RITA members. When I was here last, I said that Worthington was not a RITA member. It is actually Westerville I was thinking about along with Dublin and Whitehall. I have not received any complaints regarding RITA services from any taxpayer in the City of Reynoldsburg. I asked City Council for copies of any complaints and I have not received any. It is low-hanging fruit to be able to knock the tax collection process, but I heard this year that politics and taxes do not mix. Our tax reviews bring every City service that we have from police to streets to parks and recreation. Everything that we have comes from the local income tax or about 82% of it. With that information, I would like to bring Lori Gischel to the podium to make her presentation.

REYNOLDSBURG CITY COUNCIL

Tax Administrator Gischel

Tax Administrator Gischel provided Council with the lengthy presentation on RITA (Regional Income Tax Agency).

The agenda items for discussion are:

- Regional Council of Governments (RCOG) and the Regional Income Tax Agency (RITA)
- Neighboring Communities
- Number
- What's in the Numbers
- Comparisons
- Advantages of RITA and In-House Tax Collection

The Regional Council of Governments (RCOG) was established in 1971. It consists of a group of municipalities that formed RITA as a shared income tax administration service. RCOG is the governing body of RITA and consists of a nine member board with each municipality being an equal voting member. RCOG is comprised of 400+ member municipalities and JEDDs from 78 Ohio counties. Being a member of RCOG still allows Reynoldsburg to retain its right to administer and enforce our own income tax laws. Participating Franklin County members include: Hilliard, Upper Arlington, Grandview Heights, Grove City, Groveport, Canal Winchester, Bexley, Gahanna, New Albany and Worthington. Dublin, Whitehall and Westerville are not participating members. An annual percentage showing the cost of RITA to the City of Reynoldsburg for the past ten years was provided. Rates have decreased from an annual percentage of 1.92% to 1.40% in 2020. RITA provides outward facing customer service to 9,749 residents in 2020 and 13,638 residents in 2021. The average wait time for an agenda in 2020 was 3:53 minutes with 6,597 calls taken in all of 2020 and 973 calls taken on April 15, 2020. A five-year average showed that RITA processed 40,891 withholder tax forms, 22, 214 individual tax forms and 3,506 net profit tax forms. RITA offers many electronic services including on-line registration, tax filing, and payment processing as well as resource information. In 2021, RITA process 14,047 electronic filings in the amount of \$9,731,412.00 up from 2020 with 12,283 electronic filings in the amount of \$7,924,523.00. RITA also partners with a variety of professional tax software companies including CCH Small Firm, CCH Inc., HRB Development, LLC, Drake Enterprises, Thomson Reuters, Intuit Inc. (Turbo Tax), TaxAct, and On-Line Taxes Inc. RITA also processes Reynoldsburg's JEDDS, JEDZ, and ENTPZ. An additional part of RITA's services to the City include seeing that residents register through the Non-File Program and

Minutes Acceptance: Minutes of Mar 28, 2022 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
March 28, 2022**

securing tax payments through the Non-Payment Program. RITA uses a step by step process to reach out to residents to advise them of their responsibility to register as a taxpayer and to see that all payments from taxpayers are received. These services are invaluable in identifying and collecting tax liabilities. As local Tax Administrator, Ms. Gischel explained how she was working to improve and make the public aware of RITA and the tax filing process. She has made social media posts, added information to the City's website, appeared on The Joe Show, and placed information in the Reynoldsburg Magazine and Reynoldsburg Connects. She has worked with the Senior Center and developed a one-page information sheet tailored to all taxpayers as well as working to translate the same into Nepali, Spanish and Somali. She is also working to add information to the City's water welcome packet, local developments, and realtors. Tax Administrator Gischel also provided Council with a comparison of the cost of RITA versus handling all returns in-house. RITA is still the most fiscally sound option. In summary, Tax Administrator Gischel listed the increased service levels provided by RITA that would not all be available in-house:

- electronic filing and payment
- modernized E-File
- MyAccount(estimated payments, refund status, and service requests)
- 24/7 interactive voice response
- dedicated member service agents
- large team of subject matter experts
- increased income tax collection due to compliance programs
- access to IRS data
- reduced cost

An Ordinance to Approve the Final Plat Plan for the Eastwood Development

Director Meyer

This plat plan has gone through the Planning Commission process where they approved the plan. I am asking for Council to approve the plat, which would ultimately be filed with the county to become final.

Chair Baker moved to forward this Ordinance to Council for a first reading. Second by Councilmember Pyakurel. Motion carried.

An Ordinance to Amend Ordinance 30-2021, Adopted on April 12, 2021, and to Approve and Authorize the Execution and Delivery of Amendment No. 1 of the Joint Economic Development District Contract No. 7 Between Etna Township and the City of Reynoldsburg, Ohio, and Declaring an Emergency

Attorney Shook

This is an amendment to the JEDD contract with Etna Township. It would add an additional part to the JEDD 7 District as we are adding an additional parcel. The amendment for this added parcel will have a different share of the percentage of revenue generated from the first parcel. The original FedEx Distribution hub has no share to the Southwest Licking School District. With this new parcel, the school district has approved a 100% fifteen year tax abatement. The school district is entitled to 30% of the gross revenue under this contract. We will still receive our 20% of the net revenue, but consequently our piece of the pie will be a little smaller under this agreement. There is now some confusion about what the Township is going to do with this JEDD amendment. We had previously received a good indication that they were prepared to approve this amendment, but there has been a hold up. I am asking that Council move this Ordinance forward for a first read, but it

Minutes Acceptance: Minutes of Mar 28, 2022 6:30 PM (Approval of Minutes)

**MINUTES REGULAR MEETING
REYNOLDSBURG CITY COUNCIL
March 28, 2022**

will not be brought back to Council until the Township has passed a resolution to approve the same. I do not expect any change.

Councilmember Baker

If we are going to receive a smaller piece of the pie, what is that number or percentage?

Attorney Shook

The net revenue is going to be reduced by the fact that the school district now received 30% of the gross. Under the original JEDD, the school district does not receive anything from the revenue. While we still receive our 20% net, that net amount will not be proportionally reduced.

Councilmember Salvati

If the Township does not approve this amendment, the FedEx facility is still built. How does this work?

Attorney Shook

The FedEx facility is the original parcel. The new parcel developer will only go forward if they have the assurances that come along with the Community Reinvestment Area agreement and the JEDD contract. Without the JEDD amendment, whatever facility they plan to build will not get built. My understanding is the Township is asking the developer to improve their screening that is associated with the FedEx site. Until I get assurances that the screening is going to be approved, the Township will not approve this contract. I do not intend to ask Council to vote on this Ordinance until I know that the Township has approved their resolution. We have six months to pass this Ordinance. We had already noticed it for a Public Hearing. I did not want to notice it for another Public Hearing as we just heard about this hold.

We found out it was listed on the state's bid list. It's the same company, the same thing we've been doing, we just found a way to save money.

Chair Bryant moved to forward this Ordinance to Council for a first reading. Second by Councilmember Lawson Rowe. Motion carried.

An Ordinance to Re-Appropriate Funds Approved by Ordinance No. 172-2021 Authorizing the Mayor to Enter into a Contract with Inveris Training Solutions Inc. for a New Indoor Targeting System and Training System and Appropriating Funds Therefor, and Declaring an Emergency

Deputy Chief Grizzell

There was a clerical error last year. We are asking to have the funding appropriated back to the police department from the General Fund so we can make the necessary improvements to the range. Council had already approved the improvements and appropriation.

Chair Bryant moved to forward the Ordinance to Council for a first reading. Second by Councilmember Lawson Rowe. Motion carried.

There is no Public Service & Transportation Committee meeting.

This is the Finance & Administration Committee meeting for March 28, 2022

Members in attendance are: Councilmember Baker, Councilmember Bryant, Councilmember Strickland, Chair Salvati and President Jenkins.

An Ordinance to Establish Section 160.13 Paid Family Leave of the Codified Ordinances of the City of Reynoldsburg

Attorney Shook

I believe Councilmembers received an email from the Auditor's Office expressing some concern about this Ordinance. The amendment I am recommending does not address all of their concerns, but it does address one particular concern - employees, who are on Paid Family Leave still accruing vacation time. A provision was added that prohibits vacation time accruing during Paid Family Leave. We ask that Council amend the Ordinance in Committee to reflect that change and then send the amended Ordinance to Council for a third read and approval.

Chair Salvati moved to amend the Ordinance to remove vacation time from accruing during Paid Family Leave. Second by Councilmember Strickland. Motion carried.

Chair Salvati moved to forward the amended Ordinance to Council for a third reading an approval. Second by Councilmember Bryant. Motion carried.

An Ordinance to Amend Chapter 160, Section 160.02 (A) Authorized Positions, Personnel, Classification and Pay Grade (A) Administration, Section (G) (I) Service Department, Section 160.02 (G) (4) Street Division for the City of Reynoldsburg, Ohio, and Declaring an Emergency

Director Boller

As you know, we run a very lean group of employees in the City. With all of the project and everything that is currently under the Service Department, we are requesting the addition of a Service Manager position. The position would cost the City about \$77,000 with benefits. We would be able to fund this position through the

end of this year. The other position would be to add a second fleet mechanic position. We recently hired a fleet mechanic instead of the Fleet Mechanic Supervisor position. As we are not going to fill that supervisory position, by adding this position we could save about \$34,000 for the rest of this year. That savings would help offset the Service Manager position.

Chair Salvati moved to forward this Ordinance to Council for a first reading. Second by Councilmember Bryant. Motion carried.

An Ordinance to Establish Separate Funds and Accountability for OneOhio Opioid Funds, and Declaring an Emergency

Attorney Shook

The purpose of setting up this special fund is to be able to receive funds from the OneOhio opioid settlement that Council passed last year. We are still trying to get some clarification from the state about how we will be able to use these funds. One issue in particular that we want to clarify is whether the use of these funds can extend beyond just opioids. I would say the most significant, long-standing addition issue that we face in alcohol addiction. We are hoping we can get approval to use these funds of other addictions, not just opioids. It would allow us to address the overarching addiction issues more appropriately.

Chair Salvati moved to forward this Ordinance to Council for a first reading. Second by Councilmember Bryant. Motion carried.

Councilmember Baker

I left a couple of student athletes off my recognition from the last Council meeting and they need to be recognized. Kudos to the Reynoldsburg Boys Basketball for making it to the play offs, even though they came up short. Also, congratulations to two members of our Lady Raiders Wrestling team for making it to state - Ronan Strader and Summer Bater. Great job!

I also want to recognize and thank all of the doctors, nurses, fire and police officers, logistic staff, retail workers, and teachers for continuing to work through this pandemic. They have kept the country moving during this pandemic.

Advance Assistance Application

Applicant: City of Reynoldsburg, Ohio

Point of Contact: William Dorman, Public Service/Building Director

Current Project Title: Upper Blacklick Creek Flood Mitigation Project

Project Summary

The City of Reynoldsburg has experienced flooding and channel erosion along Blacklick Creek and its tributaries, directly impacting residential and commercial properties, and public infrastructure. The City has previously invested in measures to address channel erosion and has adopted and applied floodplain development regulations to limit and protect future encroachments into known flood hazard areas. However, the larger Blacklick Creek watershed is rapidly developing and the impact of this development and emerging weather patterns has resulted in more frequent reports of flooding and resulting property damage. The city is seeking Advanced Assistance funding through the Hazard Mitigation Grant Program (HMGP) to develop a watershed-scale study of the upper portion of Blacklick Creek and identify flood mitigation solutions for critical areas along this watercourse and its tributaries. Some of these flood mitigation solutions may also address the more severe cases of channel bank erosion, which will protect the watercourse from the debris jams that are often associated with flooding upstream of roadway culverts and bridges.

The project qualifies for Advanced Assistance funding as it intends to 'evaluate facilities or areas to determine appropriate mitigation actions', as referenced in the FEMA guidance document. The evaluation will consider numerous flood mitigation activities to determine their feasibility for construction and the associated project costs, including: 1) individual building retrofits/elevation; 2) acquisition of flood prone buildings and beneficial re-use of the resulting open space; 3) hydrologic improvements, such as regional stormwater detention basins; 4) hydraulic improvements, such as channel modifications and bridge replacements; 5) levee systems; and 6) localized drainage improvements.

The execution of this project will require the collection of established hydrologic and hydraulic modeling for the Blacklick Creek watershed, watershed-scale topographic, soils and land use data, site specific field survey information, and collaboration with various watershed stakeholders. The study required to evaluate flood mitigation solutions will rely significantly on a recent FEMA flood hazard restudy for Blacklick Creek and tributaries, including both a new hydrologic analysis and a HEC-RAS floodplain model extending through the City of Reynoldsburg.

The execution of this project will also require a Benefit-Cost Analysis (BCA) prepared in accordance with FEMA guidelines, demonstrating that the preferred flood and channel erosion mitigation project(s) meet or exceed the minimum requirement of a BCA value greater than 1.0. Both FEMA and U.S. Army Corps of Engineers' (USACE) guidelines will be followed pertaining to the development and evaluation of various flood mitigation solutions, with direct input from representatives of those entities as to the feasibility and effectiveness of those solutions.

Advance Assistance Application

Project Deliverables

Provided below is a summary of the various tasks associated with completing a watershed-scale study in support of the Upper Blacklick Creek Flood Mitigation Project. Some of these tasks will extend throughout the duration of the study, while others are sequential and performed in support of other tasks.

Planning Area: The Blacklick Creek watershed, with an emphasis placed on the portion of the watershed within the City of Reynoldsburg.

Planning Process: Create an inclusive process that involves local stakeholders and seeks support from technical/regulatory agencies. Provide hydrologic and hydraulic modeling to establish a baseline of flood hazards and potential flood damages, and apply widely-accepted structural and non-structural measures to reduce those flood damages. Document the study results in terms of achieving study goals, and identifying potential flood mitigation solutions resulting in a Benefit Cost Analysis value of greater than 1.0.

Task 1 – Public/Stakeholder Involvement

Objective / Outcome: Data gathering and information dissemination. Feedback on the study process and results, and potential flood mitigation solutions.

Methodology: The City will conduct organized meetings and publish information through the City's website. Residents and other stakeholders will be invited to share information regarding their experiences with flooding, as well as being provided information about the various flood mitigation solutions under consideration, and how those solutions could affect their property. Public agencies, such as Ohio EMA, FEMA and the USACE will also be engaged in separate meetings to discuss study objectives and outcomes, and to seek technical assistance where appropriate regarding the identification and evaluation of the various flood mitigation solutions.

Resources: Establish meeting dates associated with key project milestones; establish a link to the City's website where information can be shared between the City and project stakeholders. Public meetings will be posted in accordance with the City's policy and records of the meetings will be kept for future reference. We anticipate conducting up to four (4) public meetings throughout the two-year duration of the project. The City's website will be a critical resource and other media may be used to advertise public meetings.

Timeline/Milestones:

Milestone	Start Date	End Date	Duration
Meeting #1	Q1	Q1	1-day
Meeting #2	Q4	Q4	1-day
Meeting #3	Q6	Q6	1-day
Meeting #4	Q8	Q8	1-day
Technical Meetings with Ohio EMA, FEMA, USACE	Q2	Q7	As needed

Advance Assistance Application

Benefits: The City will gain local knowledge of historical flooding conditions on individual properties and have the opportunity to disseminate information to project stakeholders at key project milestones, allowing for constructive feedback that will be applied to the final study documents. The participation of state and federal agencies with knowledge of flood mitigation practices will provide essential technical guidance throughout the study process.

Task 2 – Data Gathering

Objective / Outcome: Acquire the technical data necessary to complete a watershed-scale flood mitigation study. Some of the data that is expected to be acquired and compiled into a study base map is listed below.

1. Franklin County Auditor GIS topography
2. USDA soils information
3. A land use/land cover overlay
4. GIS mapping of existing storm sewer systems and stormwater management facilities
5. A flood hazard overlay
6. Field survey of channel cross-sections at critical locations along Blacklick Creek and select tributaries, within the City of Reynoldsburg.
7. Field survey identifying the elevation of select flood prone buildings.
8. Engineering field reconnaissance to document areas of significant channel bank erosion where this erosion poses a threat to buildings and public infrastructure.

In addition, we will acquire and review the aforementioned FEMA floodplain restudy, as well as any prior watershed studies and data for Blacklick Creek, for utilization as part of the flood mitigation study. We will also acquire historical rainfall data captured by rain gauges within the Blacklick Creek watershed, operated by the City of Columbus and the Ohio EMA. The rainfall data will be used as part of the detailed modeling effort to simulate actual flood events. Both FEMA and the USACE will be contacted regarding their expectations for data gathering and utilization.

Methodology: The data to be collected for this study is part of the public record and will be compiled into a GIS watershed base map for utilization throughout the study process. In addition, a spreadsheet summary of the acquired data and utilization will be compiled for future reference.

Resources: Field survey and engineering field reconnaissance will be performed under the guidance of a licensed professional surveyor and an engineer with experience in stream channel stability evaluations. The referenced FEMA restudy and other watershed studies will be reviewed by an experienced Water Resources Engineer.

Timeline / Milestones:

Advance Assistance Application

Milestone	Start Date	End Date	Duration
Data Gathering	Q1	Q1	2-months
Base Map Preparation	Q1	Q1	1-month
Review of Watershed Studies	Q1	Q1	1-month
Documentation of Resources	Q2	Q2	2-weeks

Benefits: The data acquired through this process will be foundational to the success of the flood mitigation study. We expect to acquire sufficient data to develop watershed and sub-watershed boundaries and outfalls from those areas to the watercourse. The watershed base map, including the field survey information, will support the detailed modeling process, allowing us to enhance the floodplain models for Blacklick Creek and tributaries at critical locations.

Task 3 – Detailed Modeling and Mapping – Existing Conditions

Objective / Outcome: Generate detailed hydrologic and hydraulic models of the Blacklick Creek watershed and watercourse, for the purpose of documenting existing flood hazard conditions and to support the evaluation of potential flood mitigation solutions (Task 4). This modeling and the resulting flood hazard mapping will be used to validate observations of flooding and documented flood damages within the City of Reynoldsburg.

Methodology: The hydrologic modeling will apply the NRCS's rainfall/runoff method to determine peak flood discharge values and flow volumes in Blacklick Creek and tributaries, using the HEC-HMS computer software. Runoff Curve Numbers and Times of Concentration will be derived from the watershed base map following the TR-55 method. Design points in the watershed will be established where computed peak flood discharge values will be compared between existing and proposed conditions. The hydraulic modeling will be based on the HEC-RAS model prepared as part of FEMA's restudy; enhancements to model cross-sections and bridge geometries will be made based on field survey and engineering field reconnaissance. The results of the hydrologic model will be used to adjust peak flood discharge values in the HEC-RAS model, if warranted. Flood hazard mapping will be completed based on a DEM representation of the watercourse and the RAS-Mapper utility, also allowing for the creation of depth-grids showing areas of higher and lower flood risk, where buildings and other infrastructure is affected.

Separately, a PCSWMM model will be developed for the Briarcliff subdivision, where past flooding events suggest the local storm sewer system is inadequate and may be the cause of extensive street and yard flooding, and damage to structures. The information required to develop this model will be derived from the City's GIS mapping of the storm sewer system, supplemented by record plans.

Resources: The watershed base map and accumulated GIS data will be a critical resource for the development of the hydrologic and hydraulic models. The GIS-integrated modeling and mapping software described previously will enable the determination and depiction of flood hazards along Blacklick Creek and tributaries, and within the Briarcliff subdivision. The model results coupled with other study data will identify high flood and channel erosion risk areas.

Timeline / Milestones:

Advance Assistance Application

Milestone	Start Date	End Date	Duration
Model Development	Q2	Q3	4 to 6 months
Flood Risk Mapping	Q4	Q4	1 month
Documentation of High Flood/Erosion Risk Areas	Q4	Q4	1 month

Benefits: The modeling/mapping to document existing flood risks and potential flood damage will feed the required Benefit Cost Analysis (BCA), Task 5. This modeling will also be the platform for evaluating flood mitigation solutions, Task 4.

Task 4: Identification and Evaluation of Flood and Channel Erosion Mitigation Solutions

Objective / Outcome: The evaluation of flood mitigation solutions will quantify benefits in terms of reduced flood damage potential. As noted in the Project Summary, both structural and nonstructural solutions will be considered, and planning level project cost estimates will be developed for feasible flood/channel erosion mitigation solutions.

Methodology: The evaluation of flood mitigation and channel erosion solutions will rely extensively on the modeling and model/mapping results developed under Task 3. A preliminary matrix of potential solutions will be developed and then applied to specific high risk areas using a screening process to determine the initial feasibility and practicality of certain solutions based on the nature of the surrounding infrastructure and the flood mitigation goal for individual areas. The screening process will consider land acquisition, physical conflicts and whether the potential benefits will exceed the estimated costs. More than one potential solution may be applied to a specific flooding location.

Hydrologic solutions (e.g., regional stormwater management) will be evaluated in the HEC-HMS model for translation of reduced peak flood discharge values to the HEC-RAS model. There is only limited opportunities for a large-scale regional basin within the City of Reynoldsburg and the screening process will be used to determine if those basins can sufficiently reduce peak flood discharge values in Blacklick Creek to result in a meaningful reduction in flood hazards. The study process is not anticipated to consider hydrologic solutions outside of the City of Reynoldsburg's corporate limits.

Hydraulic solutions (e.g., channel and bridge improvements) will consider opportunities to increase flood carrying capacity while also addressing notable channel erosion areas and locations where debris jams have contributed to past flooding. Extensive channel widening beyond the ability of the watercourse to transport bedload material will be avoided, so that a recurring channel maintenance effort is not required. Floodplain benching with riparian habitat benefits will be evaluated.

Identifying buildings for acquisition and demolition will be considered and coordinated with individual property owners; building retrofits (floodproofing) will be considered on a limited basis, based on the value of the asset that would justify the potential costs of this flood mitigation solution.

Advance Assistance Application

The application of flood protection levees is expected to be considered on a limited basis as part of this study, given the complexity of design, permitting and construction, and the long-term O&M obligations of this practice. Local drainage improvements are expected to be identified within the Briarcliff subdivision in addition to other large scale solutions to address flooding and channel erosion along Blacklick Creek and tributaries.

The flood mitigation solutions determined to be feasible through the initial screening process will be represented in the detailed hydrologic and hydraulic modeling for the purpose of quantifying the associated flood damage reduction, and generating data to be applied to the BCA. Planning level cost estimates of the flood mitigation solutions will be developed based on FEMA guidance. Schematic plan exhibits will be created representing the nature and extent of flood and channel erosion mitigation solutions, to be included in the report documentation, Task 5.

Resources: The various resources identified in the previous tasks will also apply to Task 4. In addition, state and federal guidance manuals pertaining to the design and implementation of potential flood mitigation solutions will be applied to the study process.

Timeline / Milestones:

Milestone	Start Date	End Date	Duration
Solutions Matrix	Q4	Q4	2 months
Feasibility/Screening Process	Q5	Q5	2 months
Modeling/Mapping of Solutions	Q5	Q7	4 to 5 months
Cost Estimates	Q6	Q7	3 months

Benefits: The identification of feasible flood and channel erosion mitigation solutions and the determination of benefits and costs will result in a determination of recommended solutions for presentation to the project stakeholders.

Task 5: Report Documentation and BCA

Objective / Outcome: The study report will contain recommendations for flood and channel erosion mitigation solutions, reflecting feedback from project stakeholders. The BCA will determine whether federal funding can be applied to the implementation of these solutions. The final report will document the selection of flood and channel erosion mitigation solutions determined to be feasible and prioritized by the city based on benefits and costs, and will include a proposed scope, schedule and funding requirements. The report will also document potential environmental impacts and describe the related regulatory/permitting requirements of implementing the various flood and channel mitigation solutions. This documentation will not constitute a formal Environmental Assessment, which may be required as part of future project implementation with the support of federal funds.

Methodology: The report will use information accumulated through the course of the prior tasks to summarize the study process and findings. The BCA will use FEMA's most recent Toolkit

Resources: Same as above.

Timeline / Milestones

Milestone	Start Date	End Date	Duration
BCA	Q6	Q7	3 months
Study Report	Q7	Q8	3 months

Benefits: The report is the product of the entire study process and will provide the City and other project stakeholders with a 'roadmap' for future implementation of flood and channel erosion mitigation solutions, and document whether these solutions meet the required BCA ratio.

PUBLIC NOTICE The City of Reynoldsburg, in conjunction with the Ohio Emergency Management Agency, has applied for Hazard Mitigation Assistance (HMA) funding from the Federal Emergency Management Agency for Upper Blacklick Creek Flood Mitigation Project. The objective of HMA programs is to fund mitigation measures that reduce the risk of loss of life and property from future hazard events or disasters. The Upper Blacklick Creek Flood Mitigation Project will study and recommend cost effective flood mitigation projects for the Upper Blacklick Creek. Under the National Environmental Policy Act, EO 11988 and EO 11990, public notice is required of any federal actions that may affect floodplains or wetlands. Under the National Historic Preservation Act, public notice is also required for some projects which have the potential to affect historic properties. All necessary permits and approvals will be obtained prior to construction and completion of the project. Public participation is encouraged. Those interested are invited to comment within 30 days by e-mail to duane.castaldi@fema.dhs.gov or by mail to: Duane Castaldi, Regional Environmental Officer FEMA Region V 536 South Clark Street, 6th Floor Chicago, IL 60605 3/10 Reynoldsburg News

Version: As Passed by the General Assembly

Primary Sponsors: Reps. Baldridge and O'Brien

Effective date: Emergency: certain provisions effective November 4, 2021; other provisions effective February 7, 2022, or July 1, 2022

Andrew Little, Attorney

SUMMARY

Effective November 4, 2021

- Extends a general moratorium on the issuance of new, and geographic transfer of existing, fireworks manufacturer or wholesaler licenses from December 31, 2021, to December 31, 2022.
- Establishes a one-time license application and issuance date, outside of the normal fireworks manufacturer and wholesaler licensing timeline, at the end of the new license moratorium.

Effective February 7, 2022

- Establishes the Ohio Fire Code Rule Recommendation Committee to review the Fireworks Law and make recommendations to the State Fire Marshal.
- Requires the State Fire Marshal to adopt rules regulating the time, manner, and location of consumer fireworks use.
- Imposes a 4% fee on the retail sale of consumer grade fireworks, beginning May 18, 2022.
- Credits revenue from the new fee to fund firefighter training programs and the State Fire Marshal's administration of the Fireworks Law.
- Creates a new license allowing retailers to sell ground-based or hand-held sparklers called "fountain devices."
- Requires the State Fire Marshal to enforce the new provisions for fountain device retailers and to adopt related rules.

- Increases from 5,000 to 7,500 square feet the maximum floor area of a retail sales showroom, to which the public has access, that a licensed fireworks manufacturer or wholesaler uses to sell consumer grade fireworks, but requires expanded showrooms to be equipped with sprinkler systems meeting a specific standard.
- Establishes that the “state militia” for purposes of an existing exemption from the Fireworks Law is the state militia as recognized by the Adjutant General of Ohio.

Effective July 1, 2022

- Allows individuals to possess consumer-grade fireworks in Ohio, eliminating a requirement that purchasers transport consumer-grade fireworks out of the state within 48 hours of purchase.
- Allows any person authorized to possess consumer grade fireworks to discharge them on their own property or on another person’s property with permission on the following days:
 - New Year’s Day;
 - Chinese New Year;
 - Cinco de Mayo;
 - Memorial Day weekend;
 - Juneteenth;
 - July 3, 4, and 5, and the Fridays, Saturdays, and Sundays preceding and following;
 - Labor Day weekend;
 - Diwali;
 - New Year’s Eve.
- Permits local governments to restrict the dates and times that individuals may discharge consumer-grade fireworks or to impose a complete ban on the use of consumer-grade fireworks.
- Requires licensed retailers, manufacturers, and wholesalers selling consumer grade fireworks to the general public to offer safety glasses at the point of sale, for free or a nominal charge.
- Requires licensed retailers, manufacturers, and wholesalers selling consumer grade fireworks to the general public to also provide purchasers with a safety pamphlet that contains, at a minimum, specified information.
- Prohibits discharging fireworks (1) while in possession of, or under the influence of, alcohol or a controlled substance, or (2) on the property of another without the property owner’s permission.
- Allows the State Fire Marshal to suspend a fireworks manufacturer or wholesaler license if the licensee has violated the Fireworks Law or the State Fire Marshal’s rules.

- Prohibits the State Fire Marshal from unreasonably withholding a variance that would allow hobbyists to manufacture, possess, and use individual display-grade and consumer-grade fireworks and requires cause for revocation of a hobbyist variance.
- Requires hobbyists seeking variances to demonstrate that they can engage in the hobby safely and legally, and limits hobbyists to possession of five pounds of raw materials and finished fireworks produced through the hobby.

DETAILED ANALYSIS

Effective November 4, 2021, due to emergency clause

The act includes an emergency clause for provisions extending a moratorium on the issuance of new fireworks manufacturer and wholesaler licenses and the geographic transfer of existing licenses. Due to the emergency clause, those provisions took effect November 4, 2021.¹

Geographic transfer moratorium

The act extends for one year the moratorium on the geographic transfer of fireworks manufacturer and wholesaler licenses, which was scheduled to expire on December 31, 2021. Under the act, this moratorium is set to expire on December 31, 2022.²

Fireworks license moratorium and one-time license period

The act also extends the general moratorium on the issuance of new fireworks manufacturer and wholesaler licenses for a particular plant or location. Under prior law, the moratorium applied to all persons except those who already possessed a license for that plant or location immediately prior to June 29, 2001, and would have expired on December 31, 2021. The act extends the moratorium until December 31, 2022, and allows renewal of licenses that were geographically transferred under exceptions to the transfer moratorium created by the 2021 Transportation Budget, [H.B. 74](#) of the 134th General Assembly.

To coincide with the planned end of the new-license moratorium, the act establishes a one-time license period for new fireworks manufacturers and wholesalers. Any person who does not hold a fireworks manufacturer license that will run through January 1, 2023, may submit an application for one by November 1, 2022. If the application meets the requirements for licensure, the State Fire Marshal must issue a license on January 1, 2023.

Licenses issued at the end of the moratorium will run through November 30, 2023. The issuance date and license period are a departure from continuing law's usual requirements, which only allow fireworks manufacturer and wholesaler licenses to be issued on the first day of December, with a one-year duration.

Under the act, after the moratorium expires, the State Fire Marshal may issue new fireworks manufacturer and wholesaler licenses, but those licenses must not be approved in a manner that unduly burdens the State Fire Marshal's ability to ensure public safety.³

³ R.C. 3743.021, 3743.041, 3743.151, 3743.171, and 3743.75(A), (D), and (E).

Effective February 7, 2022

Several of the act's provisions take effect on February 7, 2022.⁴ Those provisions are discussed in this section.

Fire Code Rule Recommendation Committee

The act creates the Ohio Fire Code Rule Recommendation Committee to review the Fireworks Law and make recommendations to the State Fire Marshal. At a minimum, the Committee must make recommendations relating to:

- Fireworks wholesaler and manufacturer licensing and operations;
- Consumer-grade fireworks purchases;
- The moratorium on licenses described above;
- Building code requirements for 1.3G display-grade fireworks manufacturing facilities; and
- A licensing program for fireworks wholesalers and manufacturers.

The Committee must meet periodically, with a first meeting by February 17, 2022. It must submit its report and recommendations to the State Fire Marshal by May 18, 2022.

The Committee is to be made up of the following individuals:

1. The State Fire Marshal, or the State Fire Marshal's designee;
2. Four local fire chiefs appointed by the Ohio Fire Chiefs' Association, or appointed by the Association's designee;
3. A local police chief appointed by the Attorney General, or the Attorney General's designee;
4. Five members of the Ohio State Pyrotechnics Association, appointed by the president of the Association, one of whom must be a licensed wholesaler, one of whom must be a licensed exhibitor, and one of whom must be a licensed manufacturer;
5. One member of Prevent Blindness Ohio, or the organization's designee;
6. One member of the Ohio Optometric Association or the association's designee;
7. One member of the Ohio Pyrotechnic Arts Guild or the guild's designee;
8. One representative of the Ohio Chapter of the American Academy of Pediatrics, appointed by the chapter president;
9. One member of the Ohio Council of Retail Merchants or the council's designee.⁵

⁴ Sections 3 and 5.

⁵ R.C. 3743.67.

Rules for consumer-grade fireworks use

The act requires the State Fire Marshal to adopt rules regulating the time, manner, and location of consumer grade fireworks use (see “**Consumer grade fireworks**,” below). The rules must permit adults to safely and responsibly use consumer grade fireworks on private property with the owner’s consent, and are not to be construed as a de facto ban on that use. The rules may, however, include provisions requiring that all fireworks be used in accordance with manufacturer’s instructions and provisions for the following:

- The use of aerial fireworks;
- Separation distances between fireworks discharges, ignitions, or explosions and adjacent structures, railroads, roadways, airports, publicly owned or controlled places, and places where hazardous materials are manufactured, used, or stored;
- Fireworks use on common areas of multi-tenant properties;
- The suspension of fireworks discharges, ignitions, or explosions during times of drought or similar conditions;
- The proximity of fireworks discharges, ignitions, or explosions to children; and
- Any other similar matters.

The State Fire Marshal must file those rules with the Joint Committee on Agency Rule Review by August 8, 2022. If filed on that date, the earliest possible effective date for the rules would be October 23, 2022, though the State Fire Marshal may file the rules before August 8, 2022 (but not before February 7, 2022) for the rules to take effect earlier.⁶

Consumer-grade fireworks fee

To provide revenue for training programs and regulation of the fireworks industry, the act imposes a fee on licensed sellers of consumer-grade fireworks. The fee is 4% of each licensed retailer’s, manufacturer’s, and wholesaler’s gross receipts from the retail sale of consumer-grade fireworks beginning May 18, 2022. The act excludes sales tax the retailer, manufacturer, or wholesaler collects on behalf of the state or local governments from “gross receipts.”

Licensed retailers (see “**Fountain device retailer licenses**,” below), manufacturers, and wholesalers may separately or proportionally bill the fee to others, but must themselves report and remit it to the State Fire Marshal annually, no later than October 23.

The fee’s proceeds are to be credited to the Fireworks Fee Receipts Fund, which the act creates. The State Fire Marshal must use $\frac{7}{8}$ (87.5%) of the money in the fund for firefighter

training programs. The remaining $\frac{1}{8}$ must be used to pay the State Fire Marshal's expenses in administering the Fireworks Law.⁷

If the State Fire Marshal determines that a licensee has failed to timely report and remit the fee, the State Fire Marshal may either:

- Order the licensee to report and remit the fee within a specified timeframe; or
- Revoke or deny renewal of the license, which requires the licensee to immediately cease operations. It also prohibits licensed manufacturers and licensed wholesalers from applying for new licenses for two years.

The State Fire Marshal is also permitted to adopt rules necessary to administer and enforce the fee.⁸

Fountain device retailer licenses

The act creates a new license for retailers who wish to sell what are called fountain devices. Under the act, a “**fountain device**” is defined as a specific type of 1.4G consumer grade firework that is all of the following:

- Nonaerial and nonreport producing;
- Recognized and manufactured in accordance with sections 3.1.1 and 3.5 of APA standard 87-1 (2001 edition);
- A ground-based or hand-held sparkler with one or more tubes containing a nonexplosive pyrotechnic mixture that produces a shower of sparks, with or without additional effects that may include a colored flame, audible crackling effect, audible whistle effect, or smoke; and
- Containing no more than 75 grams of the pyrotechnic mixture in any individual tube and no more than 500 total grams of the mixture total in the case of multiple tubes.⁹

General licensing process

Generally, the act requires prospective fountain device retailers to apply to the State Fire Marshal by September 30 in any given year. An application must be submitted for each location at which the person wishes to sell fountain devices, and must include:

- A license fee, to be set by the State Fire Marshal at \$25 or less;
- An affidavit affirming that the applicant is in compliance with the National Fire Protection Association's standard “NFPA 1124, Code for the Manufacture, Transportation, Storage, and Retail Sales of Fireworks and Pyrotechnic Articles (2006

⁷ R.C. 3743.22(A) to (C).

⁸ R.C. 3743.08, 3743.21, and 3743.22(D) and (E), conforming changes in R.C. 3743.57 and 5703.21.

⁹ R.C. 3743.01(H) and Section 4.

Edition)” (NFPA 1124) or that they will be in compliance before engaging in the storage and sale of fountain devices; and

- Proof of insurance in an amount and type specified in rules by the State Fire Marshal.

The act requires the State Fire Marshal to review timely submitted applications and determine if they comply with its requirements. If an application is compliant, the State Fire Marshal must issue a license. Licenses are effective for one year, beginning December 1. The State Fire Marshal must send licensees a written notice of expiration by September 1, annually, and licensees must apply for renewal by October 1 of the year the license expires.¹⁰

Special licensing circumstances

The act establishes two special licensing circumstances for fountain device retailers. The first is a one-time license that starts October 25, 2022. Any person wishing to be licensed as a retailer of fountain devices on that date must submit an application by August 16, 2022. If an application is received by the deadline, and if the State Fire Marshal determines that it meets the act’s licensing requirements, the State Fire Marshal must issue a license on October 25, 2022. Licenses issued that day will be effective through November 30, 2023.

The second special licensing circumstance for fountain device retailers applies to retailers that open for business after the annual application deadline in a given year. Those retailers may apply for a license any time between the date they open for business and the subsequent annual deadline. If an application is received under this provision between October 1 and November 30, and meets the act’s requirements for fountain device retailers, the State Fire Marshal must issue a license no earlier than December 1 and no later than two months after the application is received. If a compliant application is received at any other time pursuant to the provision, the State Fire Marshal must issue the license no later than two months after the application is received. These licenses are effective through the last day of the following November.¹¹

Licensed fountain device retailer operations

Licensed fountain device retailers are authorized to possess fountain devices and sell them at retail. Possession and storage of the devices, though, must comply with NFPA 1124 and several other requirements. Those are:

- Sales displays are limited to 300 square feet, total, with no display larger than 150 square feet, and all displays at least 25 feet from other highly flammable materials.
- Retailers may only possess and sell fountain devices as packaged merchandise with covered fuses.

¹⁰ R.C. 3743.26(A) and (B).

¹¹ R.C. 3743.26(C) and (D).

- Fountain devices displayed for sale must be under visual supervision of an employee or other responsible party whenever the retailer is open to the public.
- The possession, storage, *and sale* of the devices must also comply with any rules adopted by the State Fire Marshal pursuant to the act (see “**Rules for fountain device retailers,**” below).
- Sales to minors are prohibited.
- Sales to individuals who are obviously drunk or under the influence of a drug of abuse are prohibited.
- All sales must be conducted from the licensed location and be made inside of a licensed building; sales from any structure or device outside of a licensed building, such as a tent or trailer, are prohibited.
- Retailers must prohibit smoking in the licensed location.
- Purchasers must be provided with the pamphlet and the opportunity to obtain safety glasses that the act requires for other consumer-grade fireworks sales. (See “**Safety glasses and pamphlets required,**” below.)¹²

Rules for fountain device retailers

The act requires the State Fire Marshal to adopt rules for fountain device retailers under the Administrative Procedure Act. The rules must be designed to promote the safety and security of employees, the public, and the premises from which fountain devices are sold, be consistent with the Revised Code and NFPA 1124, and, at a minimum, address the following:

- With respect to buildings and other structures on a retailer’s premises:
 - Cleanliness and orderliness;
 - Heating, lighting, and use of stoves and flame-producing items;
 - The availability of fire extinguishers or other fire-fighting equipment and their use;
 - Emergency procedures.
- Storage of fountain devices; and
- Insurance.

The State Fire Marshal must file the rules with the Joint Committee on Agency Rule Review by August 8, 2022. If filed on that date, the earliest possible effective date for the rules

¹² R.C. 3743.27 and 3743.99(G), with conforming change in R.C. 3743.45.

will be October 23, 2022, though the State Fire Marshal may file the rules before August 8, 2022 (but not before February 7, 2022).¹³

Enforcement authority

The act grants the State Fire Marshal authority to inspect a fountain device retailer's premises, inventory, and retail sale records to ensure compliance with the Fireworks Law and the State Fire Marshal's rules. If an inspection reveals noncompliance, the State Fire Marshal has discretion to do one or more of the following:

- Order the retailer, in writing, to eliminate, correct, or otherwise remedy the issues by a certain date;
- Order the retailer, in writing, to immediately cease the storage and sale of fountain devices; and
- Revoke, or deny the renewal of a license pursuant to the Administrative Procedure Act. If a license is revoked, the State Fire Marshal must remove the retailer's name from the list of licensed retailers and must notify local law enforcement of a revocation or refusal to renew.¹⁴

Showroom size

Under continuing law, a licensed manufacturer or wholesaler may sell consumer grade fireworks only from a representative sample showroom or a retail sales showroom. Under prior law, if a retail sales showroom was used (and first began to operate on or after June 30, 1997), the showroom structure to which the public had access for retail purposes was limited to 5,000 square feet. The act increases the limit to 7,500 square feet. The act also expands application of the size limit to fireworks showrooms that resume operations at any time after a one-year or greater period of inactive licensure status, even if they were in operation prior to June 30, 1997.

Showrooms that expand beyond 5,000 square feet, to which the public has access, pursuant to the act's increased limit, must be equipped with a sprinkler system meeting the standard for "extra hazard (group 2) occupancies" under "NFPA 13, Standard for the Installation of Sprinkler Systems (2019 Edition). Variances may be granted to the standard's requirement, however, if the State Fire Marshal finds that a proposed sprinkler system matches or exceeds the degree of safety provided by a compliant system.¹⁵

¹⁴ R.C. 3743.29.

¹⁵ R.C. 3743.25(C)(2) and 3743.17.

Militia exemption

Under continuing law, the U.S. military and the militia of Ohio are exempt from the Fireworks Law's provisions regarding the manufacture, transportation, storage, and possession of pyrotechnic devices. The act establishes the state militia covered by the exemption is the militia of the state that is recognized by the Adjutant General of Ohio.¹⁶

Effective July 1, 2022

The remainder of the act's provisions take effect July 1, 2022.¹⁷ Those provisions are discussed here.

Consumer-grade fireworks

Purchase and possession

Under continuing law, "1.4G fireworks" are consumer grade fireworks designated under division 1.4 of the U.S. Department of Transportation's regulations.¹⁸ The act continues to allow individuals to possess consumer fireworks but eliminates, beginning July 1, 2022, the requirement that individuals transport consumer grade fireworks out of the state within 48 hours of their purchase.¹⁹

Use and regulation

Beginning July 1, 2022, any person who is authorized to possess consumer grade fireworks under the act may set those fireworks off, either on the person's own property or on another person's property with permission, on specific days. Those days are:

- New Year's Day;
- Chinese New Year;
- Cinco de Mayo;
- Memorial Day weekend;
- Juneteenth;
- July 3, 4, and 5, and the Fridays, Saturdays, and Sundays preceding and following;
- Labor Day weekend;
- Diwali;
- New Year's Eve.

¹⁶ R.C. 3743.80.

¹⁷ Section 3.

¹⁸ R.C. 3743.01.

¹⁹ R.C. 3743.44(A) and (B), 3743.45, and 3743.63.

Consumer grade fireworks set off in accordance with this authorization are not considered a “public exhibition” and are therefore not subject to additional state regulations for public exhibitions.²⁰ Consumer discharge is, however, subject to local regulation, as the act specifically permits a county (with respect to its unincorporated territory), township (with respect to its unincorporated territory), or municipal corporation to restrict the dates and times that a person may discharge consumer fireworks, or impose a complete ban. Additionally, the act’s consumer fireworks changes do not limit the enforcement of an ordinance, resolution, or statute that regulates noise, disturbance of the peace, or disorderly conduct.²¹

Safety glasses and pamphlets required

Beginning July 1, 2022, any licensed retailer, licensed manufacturer, or licensed wholesaler selling consumer grade fireworks, other than to a licensed manufacturer, wholesaler, or exhibitor, must offer safety glasses for free at the point of sale, or make them available to the purchaser for a nominal charge. The retailer, manufacturer, or wholesaler must also provide purchasers with a safety pamphlet that contains certain minimum information detailed in the act.

A licensed retailer, manufacturer, or wholesaler who negligently fails to comply with the pamphlet or safety glasses requirement is guilty of a second degree misdemeanor.²²

Display-grade fireworks

Under continuing law, “1.3G fireworks” are display-grade fireworks designated under division 1.3 of the U.S. Department of Transportation’s regulations.²³ The act eliminates, beginning July 1, 2022, the requirement that a nonresident may possess display fireworks in Ohio only while directly transporting the fireworks out of Ohio, and that the nonresident do so within 48 hours of purchase. The act maintains, however, a criminal prohibition on a nonresident’s failure to transport display fireworks out of Ohio within 72 hours, a first degree misdemeanor.

The act also maintains requirements that individuals purchasing display-grade fireworks do so only from licensed fireworks manufacturers and wholesalers and that manufacturers and wholesalers only sell display fireworks to persons who have an appropriate license.²⁴

New prohibitions

The act prohibits, beginning July 1, 2022, any person from negligently using fireworks while in possession or control of, or under the influence of, any intoxicating liquor, beer, or

controlled substance. A person who violates this prohibition is guilty of a first degree misdemeanor. The act also specifies that, regardless of any other law that specifies otherwise, a person may be convicted of both that violation and a disorderly conduct violation for the same underlying conduct.

Additionally, the act prohibits, beginning on the same date, any person from negligently discharging, igniting, or exploding fireworks on another person's property without that person's permission. A person who violates this prohibition is guilty of a minor misdemeanor.²⁵

Licensee discipline

Continuing law allows the State Fire Marshal to revoke, or deny renewal of, a fireworks manufacturer or fireworks wholesaler license if the licensee has violated the Fireworks Law or the State Fire Marshal's rules. The act adds provisions allowing suspension of a license, but leaves the State Fire Marshal's ability to revoke, or deny renewal of, a license in place.²⁶

Exemptions to the Fireworks Law

Licensing variances

Prior law allowed the State Fire Marshal to grant variances to the Fireworks Law's prohibitions against the possession and use of pyrotechnic compounds to a person who possesses those compounds for personal and noncommercial use as a hobby. The act amends the variance authority by defining "hobbyist activities," limiting the amount of materials a variance allows, adding requirements for variance applications, and limiting the State Fire Marshal's ability to deny and revoke variances.

The act defines "**hobbyist activities**" as the manufacture, possession, and use of individual items, each of which meets the definition of either a 1.3G display firework or 1.4G consumer firework. It also limits a variance holder to possession of five pounds, in total, of explosives, pyrotechnics, or similar raw materials for, and finished 1.3G and 1.4G fireworks manufactured during, hobbyist activities.

A person seeking a variance under the new provisions must do the following:

- Demonstrate that they have the experience, education, and training necessary to protect public safety when engaging in hobbyist activities;
- Demonstrate that they have a safe and legal way to acquire, store, and use explosives, pyrotechnics, and similar raw materials for the manufacture of fireworks; and
- Provide any other information or records the State Fire Marshal considers necessary to protect public safety during a person's hobbyist activities.

²⁵ R.C. 3743.65(G) and (H) and 3743.99(F) and (H).

²⁶ R.C. 3743.08, 3743.21, 3743.60, and 3743.61.

Finally, the act prohibits the State Fire Marshal from unreasonably withholding a variance. It also changes the State Fire Marshal's authority to revoke a variance, which is discretionary under prior law, by requiring cause for revocation.²⁷

Work Session

An Ordinance to Establish Chapter 703 Single-Use Plastic Restrictions of the Codified Ordinances of the City of Reynoldsburg

Section 1.

That Chapter 703 shall be established as follows:

CHAPTER 703 SINGLE-USE PLASTICS RESTRICTIONS

703.01 DEFINITIONS.

As used in this chapter, except where the content clearly indicates a different meaning:

- (a) “Commercial Product in Quantity” means a quantity of 10 (ten) or more items marketed for retail sale.
- (b) “Compostable” products are defined as a product that has been certified as 100% compostable consistent with the timeline and specifications of the American Society of Testing and Materials (ASTM) Standard D6400 or the Biodegradable Products Institute (BPI) or equivalent, and is clearly marked as “compostable”.
- (c) “Customer” means any Person obtaining goods from a Store.
- (d) “Public Eating Establishment” means a restaurant, take-out food establishment or other business (including, but not limited to, food sales from vehicles or mobile vendors open to the public) that receives 90% or more of its revenue from the sale of prepared and ready-to-consume foods and/or drinks to the public.
- (e) “Recyclable” means any substance or object that is accepted for recycling by the City’s curbside recycling program, or that can reasonably be recycled at publicly available drop-off points within Franklin County at no cost to the individual.
- (f) “Recycled Content Paper Bag” means a paper bag provided by a Store to a Customer at the check stand, cash register, point of sale, or other location for the purpose of transporting food or merchandise out of the Store and that contains no old growth fiber and a minimum of forty percent (40%) postconsumer recycled material; is one hundred percent (100%) recyclable; and has printed in a highly visible manner on the outside of the bag the words “Recyclable,” the name and location of the manufacturer, and the percentage of post-consumer recycled content.
- (g) “Reusable Bag” means a bag with handles that is specifically designed and manufactured for multiple reuse and is (1) made of cloth or other machine washable fabric.

- (h) "Single-Use, Plastic Carryout Bag" means any bag that is made predominately of non-compostable plastic derived from petroleum or bio-based sources, except that Single-Use, Plastic Carryout Bags do not include Produce, Meat, or Product Bags.
- (i) "Store" means any commercial establishment operating from a permanent enclosed structure that sells perishable or nonperishable goods including, but not limited to, clothing, food and personal items directly to a customer.
- (j) "Take Out Food Containers" means a food container designed for made-to-order food to be carried off premises.

703.03 CARRYOUT BAG RESTRICTIONS

- (a) No Store shall provide a Single-Use, Plastic Carryout Bag to a Customer at the check stand, cash register, point of sale or other location for the purpose of transporting food or merchandise out of the Store as provided in this Section.
- (b) No Store may make available for sale a Recycled Content Paper Bag or Reusable Bag unless the amount of the sale of the Recycled Content Paper Bag and Reusable Bag is separately itemized on the sales receipt.
- (c) A Store or establishment is not responsible for the materials used by a party that may be renting a facility they own or operate.

703.05 PERMITTED BAGS

- (a) Nothing in this Ordinance prohibits Customers from using bags of any type that they bring to the Store themselves or from carrying away goods that are not placed in a bag.
- (b) Nothing in this Ordinance prohibits or in any way restricts any Store from providing a Compostable Single-Use Carryout or Compostable Reusable Bag.

703.07 OTHER SINGLE USE PLASTICS RESTRICTIONS

- (a) The City of Reynoldsburg shall prohibit the use, provision, and distribution of plastic beverage straws, plastic stirrers, plastic drink stoppers, or plastic cutlery at all City facilities and City-sponsored events.
- (b) Except as provided herein, no Store shall use, provide, or distribute plastic beverage straws, plastic stirrers, plastic drink stoppers, or plastic cutlery, with the exception of plastic straws, which may be provided to those with special needs upon request. Stores shall not be prohibited from selling any of these items packaged as a Commercial Product in Quantity for personal use.
- (c) No Educational Institution, or vendor serving on the premises of an Educational Institution, shall use, provide, distribute, or sell plastic beverage straws, plastic stirrers, plastic drink

stoppers, or plastic cutlery with the exception of plastic straws, which may be provided to those with special needs upon request.

- (d) Non-compostable or non-recyclable food containers or food container lids shall not be provided or distributed at City-sponsored events.
- (e) No Store shall provide or distribute non-Compostable or non-Recyclable Take Out Food Containers as part of a food purchase.

703.99 PENALTY

Whoever violates or fails to comply with any of the provisions of this chapter is guilty of a minor misdemeanor and shall be fined not more than one hundred dollars (\$100.00). A separate offense shall be deemed committed each day during or on which a violation or noncompliance occurs or continues.

**AN ORDINANCE TO CERTIFY SPECIAL ASSESSMENTS FOR SIDEWALK
REPAIRS AND REPLACEMENT COST INCURRED BY THE CITY OF
REYNOLDSBURG IN 2021**

WHEREAS, various property owners (exhibit A) throughout the City were notified of necessary sidewalk repairs abutting their property and ordered to do so by the City in accordance with the City of Reynoldsburg Ordinance No. 54-2021; and

WHEREAS, said property owners did not perform the necessary repairs, or opted to have the City perform this work and assess their property taxes; and

WHEREAS, property owners shall be assessed (property tax bill) the real and full cost of said repair; and

WHEREAS, it was in the best interest of the public's health and safety for this work to be completed.

Service Department**Bill Dorman****7232 E. Main Street****Reynoldsburg OH 43068****Phone**

NOW, THEREFORE, BE IT ORDAINED BY THE REYNOLDSBURG CITY COUNCIL,
THAT:

SECTION 1. The assessment amounts reported, together with the description of said lot and parcel of land, are now on file with the Clerk of Council. Assessments are the actual cost to the City of Reynoldsburg for said services and are not in excess of the special benefits to said property and are not in excess of any statutory limitations.

SECTION 2. The total assessment against each lot or parcel of land shall be assessed to the property in two annual installments without interest.

SECTION 3. Assessment shall be certified by the Clerk of Council to the County Auditor, as provided by law, to be placed on the tax duplicate as a special assessment and collected as other taxes are collected.

SECTION 4. That upon adoption by Council, this Ordinance shall be in effect thirty days following signature by the Mayor

-------------------------	--------------------------	----------------------------

AN ORDINANCE AUTHORIZING THE CITY ENGINEER/DIRECTOR OF PUBLIC SERVICE TO IMPLEMENT AN ANNUAL SIDEWALK INSPECTION, REPAIR AND MAINTENANCE PROGRAM (2022)

WHEREAS, the City believes that sidewalks are necessary for the general welfare of the City and its residents to provide connectivity and a safe means of pedestrian travel; and

WHEREAS, Section 729.01 of the Ohio Revised Code (ORC) provides that a municipal corporation may require the construction and/or repair of sidewalks within the municipal corporation limits; and

WHEREAS, ORC Section 729.01 further provides that if the abutting landowners fails to construct and/or repair the sidewalks within the specific time frame established by the municipality, the municipality may cause the construction and/or repairs to be completed and the total cost of such to be assessed against the abutting lots or lands; and

WHEREAS, in accordance with Ohio Law, the City of Reynoldsburg Codified Ordinances also require that all owners of property abutting on streets of the City shall, upon notice being

given to them pursuant to ORC 729.02 by the Clerk of the legislative authority, construct or repair sidewalks in the street or streets on which the lot or lots abut in accordance with the specifications adopted by Council; and

WHEREAS, the City Engineer has prepared the plans, specifications, and cost estimates for the construction and repair of proper sidewalks for the properties described in "Exhibit A"; and

WHEREAS, the plans, specifications, and cost estimates have been submitted to and are on file with the Clerk of Council.

NOW, THEREFORE, BE IT ORDAINED BY THE REYNOLDSBURG CITY COUNCIL, THAT:

SECTION 1. It is necessary to construct and/or repair sidewalks in the City of Reynoldsburg in accordance with the plans, specifications, and cost estimates prepared by the City Engineer and on file in the office of the Clerk of Council (currently and for thirty days following the passage of this Ordinance) for all properties described in "Exhibit A" attached hereto and incorporated herein.

SECTION 2. The City will implement an annual Sidewalk Inspection, Repair, and Maintenance Program in conjunction with the City's annual Street Maintenance and Repair Program.

SECTION 3. The owners of all of the lots and lands bounding and abutting upon the area of the proposed Annual Sidewalk Inspection, Repair, and Maintenance Program shall construct and/or repair in accordance with the plans and specifications currently on file in the office of the Clerk of Council, the portions of such sidewalks abutting on their respective properties within a period of thirty (30) days after the service of notice of passage of this Ordinance; and, if such construction and/or repair is not completed within the thirty (30) day period, then Council shall have the same done and the entire cost thereof shall be assessed upon the property of each owner of abutting lots or lands and made a lien thereon, with penalty and interest, to be collected in the manner

provided by law.

SECTION 4. The Clerk of this Council is directed to cause a written notice of the passage of this Ordinance to be served as required by law.

SECTION 5. The plans, specifications, and estimate of cost of said construction as heretofore filed are hereby approved.

SECTION 6. That upon adoption by Council, this Ordinance shall be in effect thirty days following signature by the Mayor

RE: Spring 2022 Zoning Code Amendments

Approval:

Completed Joe Begeny	Completed Chris Shook	Stephen Cicak
-------------------------	--------------------------	---------------

Update - The Planning Commission met on April 7th and recommended one change to the presented code changes. Those recommended changes are attached.

Spring 2022 Zoning Updates include amendments to the zoning process for annexation, procedures for re-zoning parcels, definitions for auxiliary dwelling unit, overnight lodging and hotels, and structured parking.

**AN ORDINANCE TO AMEND CHAPTER ELEVEN - PLANNING AND ZONING
CODE FOR THE CITY OF REYNOLDSBURG, OHIO**

WHEREAS, the City of Reynoldsburg determined that the Zoning Code of the City should be revised to improve efficiency, address concerns of residents in the community, and maintain consistency with the Reynoldsburg Comprehensive Master Plan in 2018; and

WHEREAS, the modifications are to be made to the Code that went into effect on April 23, 2020 and subsequently amended, mostly recently by Ordinance Number 103-2021.

WHEREAS, these amendments are to align, and re-calibrate the text to better conform to the usefulness of the code.

City Attorney's Office**Chris Shook****7232 E. Main Street****Reynoldsburg OHIO 43068****6143226869 Phone**

WHEREAS, the new Reynoldsburg code, should continually adopt and be revised to better suite new policies, and practices within the administration, and city planning.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF REYNOLDSBURG, OHIO:

SECTION 1. That Chapter 11-Planning and Zoning Code will be amended with this updated code -

See Exhibit “A” attached hereto and incorporated herein.

SECTION 2. That upon adoption by Council, this Ordinance shall be in effect thirty days following the signature by the Mayor.

1101.19 EFFECTS OF ANNEXATION ON ZONING.

- (a) When a lot developed with an agricultural use or one (1) single-family dwelling is annexed into the City, it shall be classified as SR-Suburban Residential zone upon passage of the ordinance accepting the annexation unless otherwise designated by City Council upon acceptance of the annexation.
- (b) Any land within the City not designated or otherwise included within another zoning district shall be included in the SR-Suburban Residential zone.
- (c) When a lot owned by any public authority is annexed into the City via annexation, it shall be classified as an OS-Open Space/Schools zone upon adoption of the ordinance accepting the annexation unless otherwise specified by City Council upon acceptance of the annexation.
- (d) ~~Except for land annexed in accordance with division (a) above,~~ Annexed land may be incorporated into one (1) or more zoning districts provided the applicant files a development plan satisfying the requirements of Section 1109.23 that depicts the proposed zoning classification(s) for the annexed land.

1109.23 ZONING MAP (REZONING) AND TEXT AMENDMENTS.

- (a) In conformance with the provisions of the City Charter, ordinances or resolutions establishing, amending, revising, changing, or repealing zoning districts, uses, regulations, or other provisions of this Zoning Code shall be initiated by a member of Council.
- (b) Any person having an interest in property in the City may petition City Council to initiate such ordinance or resolution by making an application to the Planning and Zoning Administrator. The Planning and Zoning Administrator shall review the application for compliance with the provisions of this chapter and forward it to the Clerk of Council.
- (c) The Planning Commission may recommend amendments, revisions, changes, or repeals of zoning districts, uses, regulations, or other provisions of this Zoning Code. When the Planning Commission makes an advisory recommendation to City Council, the application requirements and fees shall not apply.
- (d) When a person or persons having an interest in a lot or lots in the City petitions City Council for an amendment to the Zoning Code which involves changing the zoning district assigned to the lot(s), then such petition shall be made in the following form which shall be known as the development plan, unless such requirements are waived by City Council:
 - (1) Correct legal description of the lot(s);
 - (2) The names and addresses of the owners of lot(s) contiguous or directly across the street from the subject lot(s);
 - (3) Existing topography at two (2)-foot contour intervals of the subject lot(s) and extending at least three hundred (300) feet outside of the proposed lot, including lot lines, easements, street rights-of-way, existing structures, trees and landscaping features thereon;
 - (4) The proposed vehicular and pedestrian traffic patterns;
 - (5) The location of all existing and all proposed structures;
 - (6) The proposed assignment of use and subdivision of land including private land and common land;
 - (7) Preliminary plans of all structure types;
 - (8) Deed restrictions and protective covenants;
 - (9) A schedule for construction;
 - (10) Traffic impact study;
 - (11) Utilities impact study;
 - (12) Drainage impact study; and
 - (13) Such other relevant information as City Council may require to determine the propriety of initiating the ordinance for district change.
- (e) In conformance with the Charter, subsequent to initiation by a member of Council of an ordinance or resolution establishing, amending, revising, changing, or repealing zoning districts, uses, regulations, or other provisions of this Zoning Code, the presiding officer of Council shall, immediately after the first reading and initial public hearing of the ordinance or resolution, set a date for a public hearing before the Planning Commission, to be held not earlier than fifteen (15) days after the first reading.

- (f) Immediately after the hearing first read and initial public hearing before Council, a copy of the ordinance or resolution establishing, amending, revising, changing, or repealing zoning districts, uses, regulations, or other provisions of this Zoning Code and, if applicable, the development plan, shall be referred to the Planning Commission. The Planning Commission shall recommend such conditions or amendments with respect to the ordinance or resolution and, if applicable, the development plan, as it deems reasonable and necessary. Within thirty (30) days of referral, the Planning Commission shall return to the Clerk of Council the written recommendations of a majority of the members of the Planning Commission.
- (g) The Planning Commission and City Council shall give consideration to the following standards in making recommendations and taking action with regard to proposed district changes:
 - (1) The compatibility of the proposed zoning district and the features of the proposed development plan with the characteristics of the site and of the surrounding areas;
 - (2) The potential impacts of the proposed uses of the district in terms of traffic, storm water, utility demand, noise, and other impacts;
 - (3) The impacts of the proposed district and development plan on the health, safety, welfare, and morals of the community; and
 - (4) The compatibility of the proposed district and development plan with a comprehensive plan, or any area plans, to surrounding zoning districts, and to existing and planned land uses.
- (h) At the next meeting of Council subsequent to receiving the recommendations of the Commission, the ordinance or resolution shall be given its second reading.
- (i) Council may adopt, deny, or adopt with modifications the recommendations of the Commission. A development plan, along with any conditions or amendments to the petition, shall, upon adoption by Council, become part of the district change and shall be deemed incorporated by reference into legislation amending the district. The development plan, conditions, and amendments shall bind any future development or use of the subject lots.
- (j) A concurring vote of at least three fourths (¾) of the membership of Council shall be necessary to pass any zoning ordinance or resolution which differs from the written recommendations of the Planning Commission, but in no event shall an ordinance or resolution be considered as having passed unless it receives at least a majority vote of the members of Council. Any petition for zoning ordinance or resolution filed under subsection 1109.23(d) that does not receive the required number of votes for approval shall be deemed to have been denied.
- (k) After a proposed district change is denied by City Council, at least twelve (12) months shall elapse before another petition for a district change for the same lot(s) to the same district can be considered.
- (l) A development plan may be amended following the same procedure and standards for approval of the original district amendment. If, in the professional opinion of the Planning and Zoning Administrator, a proposed amendment to a development plan does not contain any substantial deviation from the original development plan, the amendment may be approved by majority vote of the members of the Planning Commission.

(m) The development plan as approved by Council, shall constitute an amendment of the official Zoning Map and a supplement to the Zoning Code as it applies to the land included in the approved district amendment.

(n) An extension of the time limit may be approved by the Planning Commission. Such approval shall be given upon a finding of evidence of reasonable effort toward the accomplishment of the original development plan within the time limit, and that such extension is not in conflict with the general health, safety and welfare of the public or the development standards of this Code.

~~(n)~~(o) When Council reviews an ordinance proposing one or more zoning district changes, whether initiated by Council or an applicant, notice shall be published pursuant to Section 4.11(a) of the Charter of the City of Reynoldsburg. The Planning Commission shall also cause the subject property to be posted with a notice of hearing at least seven (7) days prior to the day of the hearing. The notice of hearing shall state thereon the nature of the request and the time and place of the public hearing.

 - (4) It is located on the same lot as the main building or main use which it serves; and
 - (5) It contributes to the comfort, convenience, or necessity of occupants, business, or industry of the main use or main building served.
 - (6) Except as otherwise provided by this Zoning Code, a use or structure which is interpreted by the Planning and Zoning Administrator or by the Board of Zoning and Building Appeals to be an accessory use or accessory structure may only be established or constructed on a lot having a legally existing main use or main building.
 - (7) Except as otherwise provided in this Zoning Code, an accessory structure:
 - A. Shall not be located closer to any public right-of-way than the main building and shall not be located in the required front yard;
 - B. Shall not be located closer than three (3) feet to any rear lot line and not closer than three (3) feet to any side lot line;
 - C. Shall not be located closer than ten (10) feet to a main building;
 - D. Shall not occupy more than twenty (20) percent of the required rear yard;
 - E. In residential districts, the lot coverage of accessory structures shall not be more than fifty (50) percent of the finished floor area of the main structure;
 - F. In commercial districts, open-sided accessory structures such as pergolas are permitted in the required front or side yard;
 - G. Except for accessory dwelling units, where permitted, shall not contain facilities for dwelling purposes; and
 - H. Shall not exceed fifteen (15) feet in height.
 - (8) For the purposes of this section, a storage building equal to or less than fifty (50) square feet in area, not permanently attached to the ground, is not considered a structure. Only one (1) such storage building may be placed on a lot without a zoning certificate. Any additional buildings shall be considered accessory structures and subject to the provisions of this section. Storage buildings of this type shall be located behind the main structure and shall conform with the minimum lot line setbacks listed in this section.

(b) Accessory Dwelling Units

- (1) Except as otherwise provided by this Zoning Code, a use or structure which is interpreted by the Planning and Zoning Administrator or by the Board of zoning appeals to be an accessory dwelling unit may only be established or constructed on a lot having a legally existing main use or main building.
- (2) Except as otherwise provided in this Zoning Code an Accessory Dwelling Unit
 - A. Shall not be located any closer to any public right of way than the main building and shall not be located in the required front yard;
 - B. Shall follow the side yard setbacks set forth in the applicable zoning district for the primary dwelling unit ;
 - C. Shall be no closer than 8 feet (8FT) from the rear lot line;
 - D. Shall not be located closer than ten feet (10FT) to a main building;
 - E. Shall not occupy more than 20% of the required rear yard;
 - F. The ADU may be no larger than six hundred square feet (600SF) or 50% of the size of the primary dwelling unit whichever is less;
 - G. ADU's that are attached to the primary dwelling unit are not permitted to be located in a portion of the primary dwelling unit that encroaches a required yard setback;
 - H. Exterior finish materials must be compatible with existing primary dwelling unit;
 - I. Only one entrance is allowed and must be located on the primary façade facing the street.

~~(b)~~(c) Garage Standards.

- (1) All garages in a residential district facing the street shall not be located more than eight (8) feet in front of the front façade of the structure.
- (2) In the Suburban Residential District Only. No garage door or combination of garage doors facing the street shall occupy more than sixty percent (60%) of the width of the ground level façade.

SECTION 1103.21 COMMUNITY COMMERCIAL ZONE (CC)

I. Purpose and Intent

A. The Community Commercial (CC) Zone is intended to promote development patterns and businesses that are consistent with larger retail and office-users, including companies with a workforce residing throughout the region that is seeking the convenience of access from heavily-traveled corridors. Existing development in the CC Zone is comprised of traditional large lot retail development with surface parking. Future development patterns in the CC Zone should accommodate changes in retail and transportation, including smaller lots and smaller format retail uses.

II. Uses

A. The following uses are either permitted or conditional uses as indicated in the following chart:

	DISTRICT USES
PERMITTED USES:	• Adult Day Care • Adult Oriented Businesses (Subject to Section 795.02 of Codified Ordinances) • Antique Shop (See definition) • Bakery - Retail • Beverage - Brewing and Distilling (See definition) • Boarding/Kennel • Child Day Care - In Home (See 1105.13(H)) • Clothing Services - Dry Cleaning with drive thru • Clothing Services - Dry Cleaning without drive thru • Clothing Services - Tailor • Community Facility - Park • Community Facility - Trail • Event Center - Private Events and Conferences • Event Center - Public Meetings and Conventions • Financial Services and Banking - with drive thru (See 1105.13(K)) • Financial Services and Banking - without drive thru • Food Sales - Farm Market • Food Sales - Small Format Grocery • Food Sales - Large Format Grocery • Food Service - Commissary/Bakery • Food Service - Deli • Food Service - Fast Casual Restaurant • Food Service - Full Service Restaurant • Food Service - Quick Serve/Fast Food Without Drive Thru • Food Service - Quick Serve/Fast Food With Drive Thru • Gallery - Art • Health and Wellness - Clinic • Health and Wellness - Fitness Facility/Gym • Health and Wellness - Massage • Health and Wellness - Physical Therapy • Indoor Recreation Enterprise • Library • Live Theater • Manufacturing - Artisan • Medical - Clinic • Medical - Emergency Services • Medical - Full Service Hospital • Medical Office • Medical - Outpatient and Urgent Care

SECTION 1103.15 BRICE & EAST MAIN STREET AND EAST MAIN STREET INSIGHT DISTRICTS

Example Development Pattern in Brice & East Main Street District

Example Development Pattern in East Main Street District

I. Purpose and Intent

Brice and East Main Street and the East Main Street Insight Districts are intended to create compact, mixed-use, walkable environments, remove regulatory barriers, and encourage the establishment of local enterprises (e.g. Main Street businesses, start-up makers and other platforms such as shared work spaces, community hubs, and markets). By creating this type of physical environment and reducing regulatory barriers in these two Insight Districts, investors and start-up businesses will be more likely to deploy capital. This will, in turn, enhance community character and

allow existing businesses and residents to remain along with newer uses.

The Brice and Main Street Insight District is intended to be more of an urban, mixed-use zone or Transit oriented Development (TOD) that centers around a transportation hub or multi-modal transportation and leverages the area's proximity to major public transportation routes.

The East Main Street Insight District is intended to serve as a transportation corridor lined with compact, mixed-use, development and with standards to address the transition area where each corridor abuts adjoining neighborhoods.

DISTRICTS AND ZONES

Regulations found in the Insight Districts that are unique to both zones include:

- Transit supportive development standards:
Walkways connecting streets to buildings and locating buildings or pedestrian plazas close to transit stops can set up development to accommodate future transit.
- On-site facilities for pedestrian, bike, and vehicular travel: Standards for bike parking and pedestrian access, particularly within 1/4 mile or not more than 1/2 mile of a transit stop.
- Adjusted regulations for nonconforming buildings and uses: Leaves the nonconforming section of the zoning code intact on nuisances but more lenient on improvements and adaptive re-use.
- Right-sized application fees: Fees are adjusted to reflect the policies of the community. If infill and suburban retrofit is a priority, fees in those environments should be less.
- Adjust front setback regulations: Amend front setback regulations to specify setback ranges instead of just minimums.
- Reduced parking requirements for affordable housing: The reduction depends upon the urban/suburban context and public transportation access.
- Reduced minimum parking requirements:
Requiring more parking than is necessary is a financial barrier to development, wastes site area for parking, and increases impervious surface.

REYNOLDSBURG ZONING CODE

The following supplemental regulations shall apply to all development in the Brice and Main Street and East Main Street Insight Zones. The intent of these regulations to promote the development of the City's auto-oriented corridors to allow for more residential development and access to employment opportunities. The standards and guidelines set forth herein are not intended to stifle innovative design. Instead, these regulations should serve as minimum standards and guidelines to ensure that new development and redevelopment advances the purposes described under this section.

IV. Transit Supportive Development

- A. Enable bus stops, pullouts, shelters, and appropriate road geometry.
- B. Retail, office, institutional buildings provide convenient access to transit:
 - (1) Walkways connecting streets to buildings;
 - (2) Within ½ mile of transit stop: Bicycle facilities, including bicycle racks and areas for storing scooters; and
 - (3) At major transit stops:
 - i. Buildings located within 20 feet or provide pedestrian plaza;
 - ii. Reasonably direct connection to buildings;
 - iii. Accessibility for disabled persons;
 - iv. Easement or dedication for shelter if transit provider requests;
 - v. Lighting;
 - vi. Accommodations for seating or leaning;
 - vii. Bicycle facilities, including bike racks and areas for storing scooters.

V. Exceptions and Reductions in Parking Standards

- A. There is no minimum number of required automobile parking spaces for uses within Brice and Main Street and East Main Street Insight Zones. The applicant may propose a parking standard that is different than the standard under 1105.01 Off-Street Parking and Loading for review and action by the Planning and Zoning Administrator.
 - (1) Site has a bus stop with frequent transit service located adjacent to it, and the site's frontage is improved with a bus stop waiting shelter, consistent with the standards of the applicable transit service provider: Allow up to a 20 percent reduction to the standard number of automobile parking spaces;
 - (2) Site has dedicated parking spaces for carpool or vanpool vehicles: Allow up to a 10 percent reduction to the standard number of automobile parking spaces;
 - (3) Site has dedicated parking spaces for motorcycles, scooters, or electric carts;
 - (4) Site has more than the minimum number of required bicycle parking spaces: Allow up to a 5 percent reduction to the number of automobile parking spaces.

VI. Lot Coverage Bonus

- A. The Planning and Zoning Administrator, subject to review, may approve increases to the lot coverage standards as follows:

DISTRICTS AND ZONES

- (1) Lot coverage may increase by up to one-half square foot for every one square foot of proposed automobile parking area to be contained in a parking structure, either above or below leasable ground floor space (e.g., residential, commercial, or civic use), not to exceed a 20 percent increase in allowable coverage.
- (2) Lot coverage may increase by up to one-half a square foot for every one square foot of proposed parking area paving that uses a City-approved porous or permeable paving material (i.e., allowing stormwater infiltration).
- (3) Lot coverage may increase by up to one-half a square foot for every one square foot of City-approved water quality treatment area (e.g., vegetative swale or bio-filtration) to be provided on the subject site.
- (4) In approving increases in lot coverage under subsections i-iii of this section, the City may require additional landscape buffering or screening, above that which is required by other provisions of this code, and may impose reasonable conditions of approval to ensure the ongoing maintenance of parking areas and surface water management facilities.
- (5) Notwithstanding the lot coverage increases authorized by this section, all other development standards of this chapter, and other applicable provisions of this Code, must be met.

SECTION 1103.17

SUBURBAN RESIDENTIAL ZONE (SR)

I. Purpose and Intent

A. The Suburban Residential (SR) Zone is intended to regulate all land in the city platted for medium-scale suburban single-unit residential development. The existing development pattern in the SR Zone is traditional single-family residential subdivisions with single-unit residential structures. The desired development pattern in the SR Zone is to accommodate multiple forms of single-family development, including attached single-family dwellings. New development in the SR Zone should also promote pedestrian connectivity and the retention of open space as an amenity. Where possible, new residential development should be connected to trail systems and within a half-mile walk from parks or significant open space.

II. Uses

A. The following uses are either permitted or conditional uses as indicated in the following chart:

PERMITTED USES:	- Community Facility - Park - Community Facility - Trail - Dwelling - Detached Single-family - Library - Residential Model Home - School - Primary - School - Secondary

COMMON REGULATIONS

- v. It contributes to the comfort, convenience, or necessity of occupants, business, or industry of the main use or main building served.
- vi. Except as otherwise provided by this Zoning Code, a use or structure which is interpreted by the Planning and Zoning Administrator or by the Board of Zoning and Building Appeals to be an accessory use or accessory structure may only be established or constructed on a lot having a legally existing main use or main building.
- vii. Except as otherwise provided in this Zoning Code, an accessory structure:
 1. Shall not be located closer to any public right-of-way than the main building and shall not be located in the required front yard;
 2. Shall not be located closer than three feet (3FT) to any rear lot line and not closer than three feet (3FT) to any side lot line;
 3. Shall not be located closer than ten feet (10FT) to a main building;
 4. Shall not occupy more than twenty percent (20%) of the required rear yard;
 5. In residential districts, the lot coverage of accessory structures shall not be more than fifty percent (50%) of the finished floor area of the main structure;
 6. In commercial districts, open-sided accessory structures such as pergolas are permitted in the required front or side yard;
 7. Except for accessory dwelling units, where permitted, shall not contain facilities for dwelling purposes; and
 8. Shall not exceed fifteen feet (15FT) in height.
- viii. For the purposes of this section, a storage building equal to or less than fifty square feet (50SF) in area, not permanently attached to the ground, is not considered a structure. Only one (1) such storage building may be placed on a lot without a zoning certificate. Any additional buildings shall be considered accessory structures and subject to the provisions of this section. Storage buildings of this type shall be located behind the main structure and shall conform with the minimum lot line setbacks listed in this section.

B. Garage Standards

- i. All garages in a residential district facing the street shall not be located more than eight (8) feet in front of the front façade of the structure.
- ii. **In the Suburban Residential District Only.** No garage door or combination of garage doors facing the street shall occupy more than sixty percent (60%) of the width of the ground level façade.

SECTION 1105.06 RESIDENTIAL DESIGN STANDARDS

- A. **Purpose and Intent.** The following design standards are intended to enhance the character, aesthetics, and architectural consistency of residential development in the Suburban Residential (SR) and Residential Medium (RM) Districts.

REYNOLDSBURG ZONING CODE

B. Entry to Residential Buildings

- i. Entries shall be visible from the front of the building and shall be connected to a paved driveway or sidewalk by a clearly delineated pedestrian walkway.
- ii. At least two building materials should be used for exterior walls (excluding trim and cornices) on all building facades with road frontage.

C. Building Articulation and Openings

- i. All dwellings must incorporate design features such as offsets, balconies, projections, recesses or covered entrances, windows, doors, window reveals, or similar elements to create horizontal and vertical relief and avoid box-like forms.
- ii. Incorporate at least three of the following features, consistent in design style, that provide articulation and design interest consistently throughout the project:
 - 1. Decorative trim elements that add detail and articulation, such as door surrounds with at least a two-inch depth, decorative eave detailing, belt courses;
 - 2. Pitched / variegated roof forms;
 - 3. Roof overhangs at least 12 inches deep;
 - 4. Variety in use of materials, especially at ground level stories, for detailing at porches / entry areas, paneling at bays or at special parts of the building;
 - 5. Building base (typically bottom three feet) that is faced with a stone or brick material, or is delineated with a channel or projection; and/or
 - 6. Railings with a design pattern and materials such as wood, metal, or stone which reinforces the architectural style of the building.

D. Garage Standards

- i. Side entry garages shall have windows on the front facing wall.
- ii. Garages in a residential district facing the street shall not be located more than eight (8) feet in front of the front façade of the structure.
- iii. For detached single-family only: No garage door or combination of garage doors facing the street shall occupy more than sixty percent (60%) of the width of the ground level façade.

E. Driveway Standards

- i. Driveways shall be located at least 3 feet away from the property line unless the driveway is extended into the nearest front private or public right of way.
- ii. Driveways are permitted to be 10 feet in width for each primary garage space.
- iii. No driveway is permitted to be located beyond the front setback line of the primary structure unless there is a side entry garage, in which case the garage may not extend beyond the rear of the primary structure.

F. Building Orientation, Height, and Form

- i. Divide massing of a structure by limiting building length, or designing buildings with two or more of the following special features to break up building bulk, including:
 - 1. Horizontal and vertical setbacks and stepbacks (instead of a long flat wall);
 - 2. Changes in roof form and height; and/or
 - 3. Major full-height recesses (typically at least 10 feet deep) along the length of the building that successfully break the building into smaller discrete masses.

COMMON REGULATIONS

F. Architectural Design/Materials

- i. Avoid combining structural and decorative characteristics from different architectural styles into a single building.
- ii. Incorporate the surrounding architecture when building in an established neighborhood.
- iii. Utilize durable, high-quality building materials that will last for the life of the building.
- iv. Use exterior siding materials such as stucco, wood siding, masonry, tile, wood shingles, metal panels, and glass panels. Vinyl siding and other plastic materials may be used only in conjunction with other natural materials. Scored plywood (T1-11 or similar), corrugated metal, and cinderblock used for exterior cladding are not permitted.

G. Windows

- i. Design window recesses, window trim, and other window elements to create architectural interest. Incorporate at least one of the following window features throughout the project:
 1. Minimum depth of at least two inches from glass to exterior of trim;
 2. Minimum depth of at least six inches from glass to wall edge around windows if there is no trim (this is only appropriate for certain architectural styles such as Spanish Revival or Modern); and/or
 3. Decorative trim elements that add detail and articulation, such as window surrounds with at least a two-inch depth.

H. Remodeling and Additions.

- i. Design remodeling projects and additions such that the exterior appearance of the building demonstrates design integrity in the following ways:
 1. Use complementary materials for exterior facades;
 2. Use window types that are similar in size, shape, and proportion of the windows on the original building and are characteristic for the architectural style; and/or
 3. Use consistent roof materials and roof forms.
- ii. Do not remove or cover high-quality original finish materials and ornamentation integral to the design integrity of the building.

SECTION 1105.07 LANDSCAPING AND BUFFERING

A. Purpose and Intent. These standards are intended to establish landscaping regulations that:

- i. Improve the aesthetic appearance of setback areas, common open space areas, public rights-of-way and off-street vehicular parking areas;
- ii. Encourage the preservation of existing trees and natural features;
- iii. Promote compatibility among different land uses;
- iv. Promote the use of generally accepted landscape design principles; and

REYNOLDSBURG ZONING CODE

Retail – Large format. A retail establishment containing consumer goods that exceeds 20,000 square feet.

Retail – Medium format. A retail establishment containing consumer goods that is between 5,000 and 20,000 square feet.

Retail – Pharmacy. A business substantially devoted only to the sale of pharmaceutical items, supplies, and equipment such as prescription drugs.

Retail – Shopping center – enclosed. A group of commercial establishments planned, constructed, and managed as a total entity shopping center with customer and employee parking provided on-site, provision for goods delivery separated from customer access, aesthetic considerations, and protection from the elements.

Retail – Shopping center – outdoor. A group of commercial establishments planned, constructed, and managed as a total entity shopping center with customer and employee parking provided on-site, provision for goods delivery separated from customer access, aesthetic considerations, whereby access to individual shops requires outdoor access from a shared sidewalk or road.

Retail – Small format. A retail establishment containing consumer goods that is no greater than 5,000 square feet.

Right-of-Way. A strip of land taken or dedicated for use as a public **or private** way. In addition to the roadway, it normally incorporates the curbs, lawn strips, sidewalks, lighting and drainage facilities, and may include special features (required by the topography or treatment) such as grade separation, landscaped area, viaducts and bridges.

Road. See “Street”.

Routine Maintenance. Work that is planned and performed on a routine basis to maintain and preserve the condition of the building or site including but not limited to painting, addition of awnings, roof repair, parking rehabilitation, and window replacement and treatment.

INTRODUCTION AND HOW TO USE THIS CODE

B. Measuring Distance

- i. When measuring a required distance, such as the minimum distance between a structure and a lot line, the measurement is made at the closest or shortest distance between them.

C. Measuring Setbacks

- i. The front street setback is measured at a right angle from the **private and/or public** right-of-way line.
- ii. Where a lot extends through the block from street to street, the required front yard must be provided along each street.
- iii. The side street setback is measured at a right angle from the side street right-of-way line.
- iv. The rear setback is measured at a right angle from the rear lot line or the rear right-of-way or easement line where there is an alley. The rear lot line is the lot line opposite to the front street lot line. Where there is more than one front street, the Planning and Zoning Administrator will determine the rear lot line.
- v. All lot lines which do not front a street, side street or rear lot lines are considered side interior lot lines.

SECTION 1103.19 RESIDENTIAL MEDIUM ZONE (RM)

I. Purpose and Intent

A. The purpose of the Residential Medium (RM) Zone is to complement single-family residential development through the introduction of a more diverse range of housing options, including two-family buildings, townhomes, row houses, and apartments. Future development in the RM Zones should be well integrated with surrounding uses while allowing for more compact development to accommodate growth.

II. Uses

A. The following uses are either permitted or conditional uses as indicated in the following chart:

Buildable Area

A. INTENT

Because of its location adjacent to the in the Olde Reynoldsburg Neighborhood District (ORD-N) future development should support a more diverse range of housing options and should be well integrated with surrounding uses while allowing for more compact development to accommodate smaller household sizes, an aging population, and a growing number of households without children. Multi-unit buildings with common open spaces are encouraged where appropriate. Developments may include a range of housing options with different price points and styles including stacked flats, higher density single-family, row houses, and apartments. Reduced setbacks, improved streetscapes, and smaller blocks all contribute to improved walkability.

B. ALLOWED BUILDING TYPES

The building types allowed in the ORD-N are limited to the following, which shall be placed on lots with minimum dimensions sufficient to accommodate the minimum building type and setback dimensions. See Chapter 1103.27 (Building Types) for detailed design standards.

1. The land uses allowed by this Code are listed in Table 1103B (Allowed Land Uses and Permit Requirements) below, together with the type of planning permit required for each use. Each land use listed in Table 1103B (Allowed Land Uses and Permit Requirements) is defined in Chapter 1113 (Glossary of Terms).

2. Establishment of an Allowable Use

a. Any one or more land uses allowed in Table 1103B (Allowed Land Uses and Permit Requirements) may be established on any lot within the district, subject to the planning permit requirement listed in the Table, and in compliance with all applicable requirements of this Code.

b. Where a project on a single lot includes two or more of the land uses listed in the Table, the overall project will be subject to the highest permit level required by the Table for any individual use.

c. A land use that is not listed in Table 1103B and is determined by the Director to not be included in the definition listed in Chapter 1113 (Glossary of Terms), is not allowed, unless the Director finds that the proposed use is similar to, compatible with, and will not involve a greater intensity than a listed use and such use is consistent with the purposes of the zone, the Comprehensive Plan, and any applicable City plan.

VIV. Design Guidelines for Olde Reynoldsburg

A. Purpose

The purpose of this section is to:

- (1) protect and enhance the Olde Reynoldsburg Commercial District's (ORD-C) unique aesthetic character;
- (2) support high quality streets and public spaces;
- (3) encourage architecture that blends harmoniously with the natural surroundings and neighboring development;
- (4) safeguard property values and long-term economic assets; and
- (5) carefully preserve the character the District's historic character while permitting appropriate growth.
- (6)

B. Intent and Applicability

These design guidelines shall apply to non-residential development in the ORD-N and ORD-C and are not intended to stifle innovative design or creativity. Instead, these design guidelines are intended to serve as the minimum standards applicable to non-residential development to ensure that new development and redevelopment satisfied the purposes of the Olde Reynoldsburg Districts as described herein. These design guidelines shall be applied by the Planning Commission in conjunction with its review of applications for Certificates of Appropriateness as described under Chapter 1109.21 hereof.

C. General Standards

- (1) **Size, Mass and Scale:** The scale of

COMMON REGULATIONS

6. No temporary special use shall be permitted if it reduces the parking on a lot by greater than twenty-five percent (25%).
 - v. **Vacant Lots.** When the proposed temporary special use is to be conducted on an otherwise vacant or unused lot, the use shall comply with all applicable zoning regulations for the district.
 - vi. **Accessory Structures.** Tents and other temporary structures are subject to building permits and other regulation by the Building Division.
 - vii. **Variance.** The Planning and Zoning Administrator or the Board of Zoning and Building appeals shall have the power to vary the time periods of and add other conditions to an approved permit as deemed necessary by the Planning and Zoning Administrator or the Board of Zoning and Building Appeals in order to further the intent of the Zoning Code or otherwise protect the public health, safety, and general welfare.
- B. Special Events and Community Activities.** The following regulations apply to the approval and operation of special events and community activities.
- i. **Exceptions.** A temporary special land use permit shall not be required for special event or community activity permitted or organized through the Parks and Recreation Department or Public Safety Department.
 - ii. **Exceptions—Open Space Districts.** A temporary special land use permit shall not be required for a special event or community activity associated with a permitted semi-public use in Open Space/Schools District provided that the special event or festival meets the following conditions:
 1. The special event or festival takes place entirely on the lot or parcel associated with the existing approved semi-public use.
 2. The special event or festival is no longer than three (3) consecutive days and that there are no more than two (2) such events or festivals at a given location within a calendar year.
 - iii. **Exceptions—Non-Profit or Charitable Organizations.** A temporary special land use permit shall not be required for a special event or community activity conducted on a commercial parcel that is organized by a non-profit or charitable organization. No more than two (2) such events shall be conducted by the same organization at the same location within a calendar year.
 - iv. **Applicability.** Except as otherwise provided herein, the Planning and Zoning Administrator may require temporary special land use permit for any other type of special event.
 - v. **Accessory Structures.** Tents and other temporary structures for festivals and special events are subject to building permits and other regulation by the Building Division.
- C. Regulations Applicable to Swimming Pools, Fish Ponds, and Water Parks.** A swimming pool, fish pond, or water park shall conform with all yard and setback requirements for accessory structures in the district in which it is located, as well as the following requirements.
- i. **Private Swimming Pool.** A private swimming pool, where in-ground or above-ground shall be permitted in any commercial, mixed-use or residential district as an accessory use provided that it complies with the following conditions and requirements:
 1. Use. The pool shall be intended and used solely for the enjoyment of the occupants of the main use of the lot on which it is located.

REYNOLDSBURG ZONING CODE

2. The pool, including any walks or paved areas or accessory structures adjacent thereto, shall not be located closer than ten feet (10') to any lot line, **shall not be closer than 10' from the principle structure and any accessory structures**, and shall not be closer to any frontage than a distance ten feet (10') greater than the setback required for a principal building.
 3. The area of the swimming pool, exclusive of decks, walks, and other appurtenances, shall not exceed ten percent (10%) of the area of the lot.
 4. No lights, diving board, or other equipment or accessory shall project more than ten feet (10') above the average finished grade of the pool site.
 5. **In ground pools are required to have a fence around the pool or the property, minimum height of 4 feet with a locking gate. Above ground pools are required to have a fence around the pool or the property, minimum height of 4 feet with a locking gate or a removable ladder that is able to be locked up.**
 6. A swimming pool shall be installed or constructed subsequent to and in conformance with the regulations of the Building Code and a permit issued by the Building Inspector. The Building Inspector shall not issue any permit for a swimming pool until he has submitted the application for a swimming pool to the Zoning Officer who shall determine compliance with the Zoning Code and issue a zoning certificate.
- ii. **Community or Club Swimming Pool.** A community or club swimming pool means any pool constructed by an association of property owners or by a private club for use and enjoyment by members of the association or club and their families. Community and club swimming pools are permitted in any district, but shall comply with the following conditions and requirements:
1. A community or club swimming pool shall be intended and used solely for the enjoyment of the members, their families and guests, and guests of the association or club under whose ownership or jurisdiction the pool is operated.
 2. A community or club swimming pool and accessory structures thereto, including the areas used by the bathers, shall not be closer than one hundred feet (100') to any lot line.
 3. A community or club swimming pool and all of the area used by the bathers, including all adjacent deck areas, shall be so walled or fenced as to prevent uncontrolled access by children.
- iii. **Fish Pond, Water Garden.** A body of water designed and used as a fish pond or as a water garden shall conform with all yard and setback requirements for accessory structures in the district in which it is located, as well as the following requirements.
1. Water depth shall not exceed twenty-four inches (24") unless enclosed by a fence forty- eight inches (48") in height with a locking gate.
 2. Water surface area shall not exceed one hundred (100) square feet.

D. Portable Temporary Storage Units. A zoning certificate shall be obtained from the Zoning

Administrator prior to the placement of a portable temporary storage unit on a property when the unit will be on the property for a period of more than seven days. No more than one unit is permitted on a property at any given time, the duration of which shall not exceed a period of fourteen days total. The unit must be placed on a hard surface (not grass), and must be on the property for which it is being used. The use of these units shall be limited to no more than twice in any twelve month period. Permission to exceed these limitations may be granted by the Board of Zoning and Building Appeals. A portable temporary storage units is not permitted as a permanent accessory structure regardless of the proposed location of the unit on a parcel.

Subject: Proposal for Brice Road Park – Program Verification and Schematic Design

Dear Ms. Bauman,

EMH&T is pleased to present a proposal for program verification and schematic design of Brice Park. This improvement is in collaboration with the City of Columbus and has a total park budget of up to \$2 Million excluding any additional property acquisitions. As previously discussed, EMH&T would like to provide design services to the City of Reynoldsburg using a phased approach for this project. The purpose of this first phase of planning, landscape architecture, and engineering services is focused on verifying the key items that will be included in the project and developing a schematic design with budgetary level cost estimates. The objective of this phase is to develop an updated master plan and establish a detailed schedule and budget for future improvements in Brice Park. The future phase(s) of professional services will include topographic survey, detailed final engineering, and bidding services for the improvements that are more clearly defined through this scope of services.

PROJECT UNDERSTANDING

We understand that park improvements will include the following:

- The redevelopment of +/- 10.78 acres of passive parkland owned by the City of Columbus, but located in the City of Reynoldsburg near 1400 Brice Road (See Exhibit A)
- The preparation of an updated master plan for the park containing program elements such as walking trails, outdoor classroom space, nature-based play spaces, interpretive and educational opportunities throughout, boardwalks and overlooks pavilions and native planting areas.
- A redesign of the storm water features is not part of this scope of services. We will design around the storm water features as they currently exist.
- Sensitivity toward accessibility will remain a consistent theme throughout the design effort.
- Enhancement of the surrounding area through the use of topography, plant material, lighting, water and vertical architectural elements will be incorporated into the circulation network, seating areas and designed passive areas when applicable.
- The schematic level design effort will be a collaborative effort led by EMH&T with OHM providing support. Project oversight and communication will be provided by EMH&T.
- This scope of services includes a revised schematic level master plan for the entire park to help determine the appropriate phased improvements based on the available project budget.

SCOPE OF SERVICES

The EMH&T / OHM design team will work with the City to complete the following scope of work with the final deliverable being a schematic design package.

1. Program Verification: EMH&T will work with the City of Reynoldsburg to identify the key members of staff and/or the community that should be included in our planning workshops and meetings. We anticipate the following meetings taking place during the program verification and schematic design phase of the project. These can be completed in-person or virtually, whichever the City prefers.
 - a. Kick-off Meeting: EMH&T will conduct a project kick-off meeting with City staff, our subconsultant-OHM Advisors, and the City of Columbus project representative to discuss the City's goals for the project, our schedule, and review our scope of services.
 - b. Engagement and Master Planning Workshop: EMH&T and OHM will participate in up to two virtual or in-person design workshops. The goal of these meetings is to refine the previously prepared master plan, discuss project opportunities and challenges, review infrastructure needs and support, and verify critical elements which are to be included in the final design.
 - i. Meeting agendas will be prepared and distributed prior to meetings
 - ii. Meeting summaries will be prepared and distributed within one week following each meeting. The summaries will include a list of action items that resulted from each meeting.
 - iii. Following the workshop phase, we will prepare a revised master plan with budgetary level cost estimates, which will be used to determine which park elements will advance into schematic design.
2. Schematic Design: Working with the City, the EMH&T team will utilize the revised Master Plan as the 'basis of design' and begin creating the schematic design package (30% drawings). The design package will illustrate and describe any refinements of the scope, relationships, forms, sizes, quantities, finishes, and appearance by means of plans including specifications that identify major materials and systems.
 - a. Schematic design will be completed using GIS and record plan data. EMH&T will prepare an electronic base map that incorporates City GIS, County topography, and record plan data (provided by Columbus) as a starting point for this design effort.
 - b. A schematic site plan will be developed to show the layout of parking, shelter, restroom, walking path, boardwalk, nature play, landscape areas, etc.
 - c. Details and/or inspirational images will be provided for architectural features such as the shelter house and restroom facility to gain perspective and refine budgets as needed to satisfy City expectations.
 - d. EMH&T will develop a preliminary utility and infrastructure plan to support the park improvements. Concepts for stormwater management, water supply, sanitary sewer, and electrical service will be developed.
 - e. Auditor's topographic data will be used to identify any critical areas for grading and to determine if there is a need to incorporate retaining walls or any significant site grading improvements.
 - f. Preliminary demolition and tree clearing plans will be prepared.
 - g. Preliminary landscape planting plans will be developed.
 - h. EMH&T and OHM will develop a preliminary opinion of probable cost at the conclusion of the schematic design phase.
 - i. EMH&T will present the draft schematic design to the City and other key stakeholders in a meeting. Comments and feedback received will be incorporated into a final schematic design, which will be advanced into the design development and construction document stage under a future scope of services.

January 21, 2022

The Scope of Services does not include the following items:

1. Geotechnical or environmental studies and reports
2. Permit application or permit fees including, but not limited to environmental permitting, floodplain permitting, etc.
3. Topographic survey and construction plans will be prepared under a separate, future project.
4. A scope and fee for construction management and inspection services will be offered to the City once the project has been bid.

SCHEDULE

We are prepared to begin work identified in this proposal immediately upon receipt of Notice to Proceed. Upon receiving authorization, we will develop a detailed project schedule and conduct a kick-off meeting with the City.

FEE

These services will be provided as per the conditions of our Professional Services Agreement and the associated Time Rates for the City. Fees for the work described within the Scope of Services shall not exceed the amount shown in the table, below, without prior authorization from the City. Invoices will be submitted monthly and based on the progress of the work and are payable upon receipt.

Fee Summary Table

Program Verification	\$18,600
Schematic Design	\$50,760
Total Fee	\$69,270

These fees will not be exceeded without prior authorization from the City of Reynoldsburg. Should this scope increase to incorporate additional improvements, additional fees may be necessary to cover the cost of professional services.

Invoices will be submitted monthly and EMH&T services will be billed according to our contracted rate schedule.

If this description and estimated fee meet your approval, please authorize with your signature below. Please contact me at (614) 775-4555 if you have any questions.

WORKFLOW EFFICIENCY

- 10.1" intuitive touchscreen with smartphone-like usability.
- A unique, customized experience tailored to individual preferences using My ADVANCE.
- Supports mobile solutions and integration with many popular cloud services like Google Drive.¹
- Scan and convert documents to searchable digital files in a variety of file formats.
- Integration with Canon and various third-party software with embedded application platform.
- Hot Folders allow users to drag and drop a file into a hot folder, and automatically print with predefined settings such as number of copies and finishing requirements.

SECURITY

- Advanced standard security feature set to help safeguard sensitive information and assist in regulatory compliance.
- Integrates with existing, third-party SIEM* systems to help provide real-time, comprehensive insights into potential threats to the network and printers.
- Technology to verify that the device boot process, firmware, and applications initialize without alteration at startup. McAfee Embedded Control² utilizes a whitelist to protect against malware and tampering of firmware and applications.
- Security policy settings can be controlled with a dedicated password, configured from a central location, and exported to other supported devices.
- Control access to the device and specific features, using a host of flexible authentication methods—PIN code, user name/password, or card access.³

QUALITY AND RELIABILITY

- Canon's signature reliability and engine technologies help keep productivity high and minimize the impact on support resources.
- Outstanding imaging technologies and toner allow for crisp text and consistent images in rich black-and-white tones.
- Designed to achieve maximum uptime with status notifications to help keep supplies replenished and intuitive maintenance videos for consumables replacement.
- imageRUNNER ADVANCE DX models have received many awards and recognition from leading industry analysts, often referencing strong reliability.

* Security Information and Event Management

DEVICE AND FLEET MANAGEMENT

- Designed for quick, easy deployment.
- Remote diagnostics and parts life management for proactive maintenance and rapid fixes.
- Easy and intuitive to monitor device status and consumable levels, turn off devices remotely, observe meter readings, manage settings, and implement security policies.
- Common firmware and regular updates with Unified Firmware Platform (UFP) for continuous improvements and consistency across a fleet.

COST MANAGEMENT

- Track and assess print, copy, scan, and fax usage and allocate costs to departments or projects.
- Apply print policies and restrict usage by user to help reduce unnecessary printing and contribute to cost efficiency.
- Standard cloud-based solution provides a centralized dashboard with up-to-the-minute insights into printer activity.
- Upgrade to uniFLOW server or cloud-based solutions for full accounting and reporting for compatible Canon and third-party devices, pull printing, job routing, and powerful scan workflows.

SUSTAINABILITY

- A combination of fusing technologies and low-melting-point toner minimizes power requirements and helps achieve low energy consumption.
- Encourage environmentally-conscious work practices by enabling multiple settings that can help save paper and energy.
- ENERGY STAR® certified and rated EPEAT® Gold.⁴

TERMS AND CONDITIONS

1. AGREEMENT: You agree to lease from us the goods, together with all replacements, parts, repairs, additions, and accessions incorporated therein or attached thereto and any and all proceeds of the foregoing, including, without limitation, insurance recoveries ("Equipment") and, if applicable, finance certain software, software license(s), software components and/or professional services in connection with software (collectively, the "Financed Items," which are included in word "Equipment" unless separately stated) from software licensor(s) and/or supplier(s) (collectively, the "Supplier"), all as described in this Agreement and in any attached schedule, addendum or amendment hereto ("Agreement"). We represent and warrant that you will use the Equipment for business purposes only. You agree to all of the terms and conditions contained in this Agreement, which, with the acceptance certification, is the entire agreement between you and regarding the Equipment and which supersedes all prior agreements, including any purchase order, invoice, request for proposal, response or other related document. This Agreement becomes valid upon execution by us. If maintenance supplies are not included, the first Payment is due 30 days after the start of this Agreement and each Payment thereafter shall be due on the same day of each month (the "Scheduled Due Date") unless a different due date is mutually agreed to by us and you. If any provision of this Agreement is declared unenforceable, the other provisions herein shall remain in full force and effect to the fullest extent permitted by law. (Continued on Page 2)

2. OWNERSHIP; PAYMENTS; TAXES AND FEES: We own the Equipment, excluding any Financed Items. Ownership of any Financed Items shall remain with Supplier thereof. You will pay all Payments, as adjusted, when due, without notice or demand and without abatement, set-off, counterclaim or deduction of any amount whatsoever. If any part of a Payment is more than 5 days late, you agree to pay a late charge equal to: a) the higher of 10% of the Payment which is late or \$26.00, or b) if less, the maximum charge allowed by law. The Payment may be adjusted proportionately upward or downward: (i) if the shipping charges or taxes differ from the estimate given to you; and/or (ii) to comply with the laws of the state in which the Equipment is located. You shall pay all applicable taxes, assessments and penalties related to this Agreement, whether levied or assessed on this Agreement, on us (except on our income) or you, or on the Equipment, its lease, sale, ownership, possession, use or operation. If we pay any taxes or other expenses that are owed hereunder, you agree to reimburse us when we request. We may charge you a processing fee for administering proper tax filings. You agree to pay us an origination fee of up to \$125 for all closing costs. We may apply all sums received from you to any amounts due and owed to us under the terms of this Agreement. If for any reason your check is returned for insufficient funds, you will pay us a service charge of \$30 or, if less, the maximum charge allowed by law. We may make a profit on any fees, estimated tax payments and other charges paid under this Agreement.

3. EQUIPMENT; SECURITY INTEREST: At your expense, you shall keep the Equipment: (i) in good repair, condition and working order, in compliance with applicable laws, ordinances and manufacturers' and regulatory standards; (ii) free and clear of all liens and claims; and (iii) at your address shown on page 1, and you agree not to move it unless we agree in writing. You grant us a security interest in the Equipment to secure all amounts you owe us under this Agreement and any other agreement with us ("Other Agreements"), except amounts under Other Agreements which are secured by land and/or buildings. You authorize and ratify our filing of any financing statement(s) to show our interest. You will change your name, state of organization, headquarters or residence without providing prior written notice to us. You will notify us within 30 days if your state of organization revokes or terminates your existence.

4. INSURANCE; COLLATERAL PROTECTION; INDEMNITY; LOSS OR DAMAGE: You agree to keep the Equipment fully insured against all risk, with us named as lender's loss payee, in an amount not less than the full replacement value of the Equipment until this Agreement is terminated. You also agree to maintain commercial general liability insurance with such coverage and from such insurance carrier as shall be satisfactory to us and to include us as an additional insured on the policy. You will provide written notice to us within 10 days of any modification or cancellation of your insurance policy(s). You agree to provide us certificates or other evidence of insurance acceptable to us. If you do not provide with acceptable evidence of property insurance within 30 days after the start of this Agreement, we may, at our sole discretion, do as provided in either (A) or (B) below: (A) We may secure property loss insurance on the Equipment from a carrier of our choosing in such forms and amounts as we deem reasonable to protect our interests. If we secure insurance on the Equipment, we will not name you as an insured party, your interests may not be fully protected, and you will reimburse us the premium which may be higher than the premium you would pay if you obtained insurance, and which may result in a profit to us through an investment in reinsurance. In addition, you agree to pay us our standard fees in connection with obtaining such insurance. If you are current in all of your obligations under the Agreement at the time of loss, any insurance proceeds received will be applied, at our option, to repair or replace the Equipment, or to pay us remaining payments due or to become due under this Agreement, plus our booked residual, both discounted at 2% per annum. (B) We charge you a monthly property damage surcharge of up to .0035 of the Equipment cost as a result of credit risk and administrative and other costs, as would be further described on a letter from us to you. We may make a profit on this program. **NOTHING IN THIS PARAGRAPH WILL RELIEVE YOU OF RESPONSIBILITY FOR LIABILITY INSURANCE ON THE EQUIPMENT.** We are not responsible for, and you agree to hold us harmless and reimburse us for and to defend on our behalf against, any claim for any loss, expense, liability or injury caused by or in any way related to delivery, installation, possession, ownership, renting, manufacture, use, condition, inspection, removal, return or storage of the Equipment. All indemnities will survive the expiration or termination of this Agreement. You are responsible for any loss, theft, destruction or damage to the Equipment ("Loss"), regardless of cause, whether or not insured. You agree to promptly notify us in writing of any Loss. If a Loss occurs and we have not otherwise agreed in writing, you promptly pay to us the unpaid balance of this Agreement, including any future Payments to the end of the term plus the anticipated residual value of the Equipment, both discounted to present value at 2%. Any proceeds of insurance will be paid to us and credited against the Loss. You authorize us to sign on your behalf and appoint us as your attorney-in-fact to endorse in your name any insurance drafts or checks issued due to a Loss.

5. ASSIGNMENT: YOU SHALL NOT SELL, TRANSFER, ASSIGN, ENCUMBER, PLEDGE OR SUBLEASE THE EQUIPMENT OR THIS AGREEMENT, without our prior written consent. You shall not consolidate or merge with or with any other entity, distribute, sell or dispose of all or any substantial portion of your assets other than in the ordinary course of business, without our prior written consent, and the surviving, or successor entity or the transferee of such assets, the case may be, shall assume all of your obligations under this Agreement by a written instrument acceptable to us. No event shall occur which causes or results in a transfer of majority ownership of you while any obligations are outstanding hereunder. We may sell, assign, or transfer this Agreement without notice to or consent from you. You agree that if we sell, assign or transfer this Agreement, our assignee will have the same rights and benefits that we have now and will have to perform any of our obligations. **You agree that our assignee will not be subject to any claims, defenses, or offsets that you may have against us.** This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns.

6. DEFAULT AND REMEDIES: You will be in default if: (i) you do not pay any Payment or other sum due to us or you fail to perform in accordance with the covenants, terms and conditions of this Agreement or any other agreement with or any of our affiliates or fail to perform or pay under any material agreement with any other entity; (ii) you make or have made any false statement or misrepresentation to us; (iii) you or any guarantor dies, dissolves, liquidates, terminates existence or is in bankruptcy; (iv) you or any guarantor suffers a material adverse change in its financial, business or operating condition; or (v) any guarantor defaults under any guaranty for this Agreement. If you are ever in default, at our option, we can cancel this Agreement and require that you pay the unpaid balance of this Agreement, including any future Payments to the end of term plus the anticipated residual value of the Equipment, both discounted to present value at 2%. We may recover default interest on any unpaid amount at the rate of 12% per year. Concurrently and cumulatively, we may also use any remedies available to us under the UCC and any other law and we may require that you immediately stop using any Financed Items. If we take possession of the Equipment, you agree to pay the costs of repossession, moving, storage, repair and sale. The net proceeds of the sale of any Equipment will be credited against what you owe under this Agreement and you will be responsible for any deficiency. In the event of any dispute or enforcement of our rights under this Agreement or any related agreement, you agree to pay our reasonable attorneys' fees (including incurred before or at trial, on appeal or in any other proceeding), actual court costs and any other collection costs, including any collection agency fee. **WE SHALL NOT BE RESPONSIBLE TO PAY YOU ANY CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES FOR ANY DEFAULT, ACT OR OMISSION BY ANYONE.** Any delay or failure to enforce our rights under this Agreement will not prevent us from enforcing any rights at a later time. You agree that this Agreement is a "Finance Lease" as defined by Article 2A of the UCC and your rights and remedies are governed exclusively by this Agreement. You waive all rights under sections 2A-508 through 522 of the UCC. If interest is charged or collected in excess of the maximum lawful rate, we will refund such excess to you, which will be your sole remedy.

7. INSPECTIONS AND REPORTS: We have the right, at any reasonable time, to inspect the Equipment and any documents relating to its installation, use, maintenance and repair. Within 30 days after our request (or such longer period provided herein), you will deliver all requested information (including tax returns) which we deem reasonably necessary to determine your current financial condition and faithful performance of the terms hereof. This may include: (i) complete reviewed or audited annual financial statements (including, without limitation, a balance sheet, a statement of income, a statement of cash flow, a statement of changes in equity and notes to financial statements) within 120 days after your fiscal year end, and (ii) management-prepared interim financial statements within 45 days after the requested reporting period(s). Annual statements shall set forth the corresponding figures for the prior fiscal year in comparative form, a reasonable detail without any qualification or exception deemed material by us. Unless otherwise accepted by us, each financial statement shall be prepared in accordance with generally accepted accounting principles consistently applied and shall fairly and accurately present your financial condition and results of operations for the period to which it pertains. You authorize us to obtain credit bureau reports for credit and collection purposes and to share them with our affiliates and agents.

8. END OF TERM: At the end of the initial term, this Agreement shall renew for successive 12-month renewal term(s) under the same terms hereof unless you send us written notice between 90 and 150 days before the end of the initial term or at least 30 days before the end of any renewal term that you want to purchase or return the Equipment, and you timely purchase or return the Equipment. You shall continue making Payments and paying all other amounts due until the Equipment is purchased or returned. As long as you have given us the required written notice, if you do not purchase the Equipment, you will return all of the Equipment to a location we specify, at your expense, in retail re-saleable condition, full working order and complete repair. **YOU ARE SOLELY RESPONSIBLE FOR REMOVING ANY DATA THAT MAY RESIDE IN THE EQUIPMENT, INCLUDING BUT NOT LIMITED TO HARD DRIVES, DISK DRIVES OR ANY OTHER FORM OF MEMORY.** You cannot pay off this Agreement or return the Equipment prior to the end of the initial term without our consent. If we consent, we may charge you, in addition to other amounts owed, an early termination fee equal to 5% of the price of the Equipment.

9. USA PATRIOT ACT NOTICE; ANTI-TERRORISM AND ANTI-CORRUPTION COMPLIANCE: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each customer who opens an account. When you enter into a transaction with us, we ask for your business name, address and other information that will allow us to identify you. We may also ask to see other documents that substantiate your business identity. You and any other person who you control, own a controlling interest in, or who owns a controlling interest in or otherwise controls you in any manner ("Representatives") and will remain in full compliance with all laws, regulations and government guidance concerning foreign asset control, trade sanctions, embargoes, and the prevention and detection of money laundering, bribery, corruption, and terrorism, neither you nor any of your Representatives is or will be listed in any Sanctions-related list of designated persons maintained by the U.S. Department of Treasury's Office of Foreign Assets Control or successor or the U.S. Department of State. You shall, and shall cause any Representative to, provide such information and take such actions as are reasonably requested by us in order to assist us in maintaining compliance with anti-money laundering laws and regulations.

10. MISCELLANEOUS: Unless otherwise stated in an addendum hereto, the parties agree that: (i) this Agreement and any related documents hereto may be authenticated by electronic means; (ii) the "original" of this Agreement shall be copy that bears your manual, facsimile, scanned or electronic signature and that also bears our manually or electronically signed signature and is held or controlled by us; and (iii) to the extent this Agreement constitutes chattel paper defined by the UCC, a security interest may only be created in the original. You agree not to raise as a defense to the enforcement of this Agreement or any related documents that you or we executed or authenticated such document electronically or digital means or that you used facsimile or other electronic means to transmit your signature on such documents. Notwithstanding anything to the contrary herein, we reserve the right to require you to sign this Agreement or related documents hereto manually and to send to us the manually signed, duly executed documents via overnight courier on the same day that you send us the facsimile, scanned or electronic transmission of the documents. You agree to execute any further documents that we may request to carry out the intents and purposes of this Agreement. Whenever our consent is required, we may withhold or condition such consent in our sole discretion, except as otherwise expressly stated herein. From time to time, Supplier may extend to us payment terms for Equipment financed under this Agreement that are more favorable than what has been quoted to you or the general public, and we may provide Supplier information regarding this Agreement if Supplier has assigned or referred it to us. All notices shall be mailed or delivered by facsimile transmission or overnight courier to the respective parties at the addresses shown on this Agreement or such address as a party may provide in writing from time to time. By providing us with a telephone number for a cellular phone or other wireless device, including a number that you later convert to a cellular number, you are expressly consenting to receiving communications, including but not limited to prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system, from us and our affiliates and agents at that number. This express consent applies to each such telephone number that you provide to us now or in the future and permits such calls for non-marketing purposes. Calls and messages may incur access fees from your cellular provider. You authorize us to use non-material amendments (including completing and conforming the description of the Equipment) on any document in connection with this Agreement. Unless stated otherwise herein, all other modifications to this Agreement must be in writing and signed by each party or in a duly authenticated electronic record. This Agreement may not be modified by course of performance.

11. WARRANTY DISCLAIMERS: WE ARE LEASING THE EQUIPMENT TO YOU "AS-IS." YOU HAVE SELECTED SUPPLIER AND THE EQUIPMENT BASED UPON YOUR OWN JUDGMENT. IN THE EVENT WE ASSIGN THIS AGREEMENT, OUR ASSIGNEE DOES NOT TAKE RESPONSIBILITIES FOR THE INSTALLATION OR PERFORMANCE OF THE EQUIPMENT. SUPPLIER IS NOT AN AGENT OF OURS AND WE ARE NOT AN AGENT OF SUPPLIER AND NOTHING SUPPLIER STATES OR DOES CAN AFFECT YOUR OBLIGATIONS HEREUNDER. **YOU WILL MAKE ALL PAYMENTS UNDER THIS AGREEMENT REGARDLESS OF ANY CLAIM OR COMPLAINT AGAINST SUPPLIER, LICENSOR OR MANUFACTURER, AND ANY FAILURE OF A SERVICE PROVIDER TO PROVIDE SERVICES WILL NOT EXCUSE YOUR OBLIGATIONS TO US UNDER THIS AGREEMENT. WE MAKE NO WARRANTY EXPRESS OR IMPLIED, OF, AND TAKE ABSOLUTELY NO RESPONSIBILITY FOR, MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, CONDITION, QUALITY, ADEQUACY, TITLE, DATA ACCURACY, SYSTEMS INTEGRATION, FUNCTION, DEFECTS, INFRINGEMENT OR ANY OTHER ISSUE IN REGARD TO THE EQUIPMENT, ANY ASSOCIATED SOFTWARE AND ANY FINANCED ITEMS. SO LONG AS YOU ARE NOT IN DEFAULT UNDER THIS AGREEMENT, WE ASSIGN TO YOU ANY WARRANTIES IN THE EQUIPMENT GIVEN TO US.**

12. LAW; JURY WAIVER: This Agreement will be governed by and construed in accordance with the law of the principal place of business of Lessor or, if assigned, its assignee. You consent to jurisdiction and venue of any state or federal court in the state of Lessor or, if assigned, its assignee has its principal place of business and waive the defense of inconvenient forum. For any action arising out of or relating to this Agreement or the Equipment, **BOTH PARTIES WAIVE RIGHTS TO A TRIAL BY JURY.**

13. MAINTENANCE AND SUPPLIES: Unless indicated otherwise on page 1, you have elected to enter into a separate arrangement with Supplier for maintenance, inspection, adjustment, parts replacement, drums, cleaning material required for proper operation and toner and developer ("Arrangement"). You agree to pay all amounts owing under this Agreement regardless of any claim you have against Supplier relating to the Arrangement. Supplier will be solely responsible for performing all services and providing all supplies under the Arrangement. You agree not to hold Lessor (if different from Supplier) or any assignee of this Agreement responsible for Supplier's obligations under the Arrangement. For convenience to you, we will provide you with one invoice covering amounts owing under this Agreement and the Arrangement. If necessary, Supplier's obligations to you under the Arrangement may be assigned by us. You agree to pay monthly supply freight fee to cover the costs of shipping supplies to you. Each month, you are entitled to produce the minimum number of impressions shown on page 1 for each applicable impression type. Regardless of the number of impressions made, you will never pay less than the minimum Payment. All 11" x 17" impressions will count as two meter impressions per side. You agree to provide periodic meter readings on the Equipment. If you fail to provide meter readings in a timely manner, we, at our discretion, may assess you a meter administration fee for each meter affected. You agree to pay the applicable overage charge for each metered impression that exceeds the applicable minimum number of impressions. Impressions made on equipment marked as not financed under this Agreement will be included in determining your impression and overage charges. At the end of the first year of this Agreement, and once each successive 12-month period thereafter, the maintenance and supplies portion of the Payment and the overage charges may be increased by a maximum of 15% of the existing payment or charge. In order to facilitate an orderly transition, the start date of this Agreement will be the date the Equipment is delivered to you or a date designated by us, as shown on the first invoice. If a later start date is designated, in addition to all Payments and other amounts due hereunder, you agree to pay a transitional payment equal to 1/30th of the Payment, multiplied by the number of days between the date the Equipment is delivered to you and the designated start date. The first Payment is due 30 days after the start of this Agreement and each Payment thereafter shall be due on the same day of each month.

Machine Removal Information

Hard Drive Security

- ☒ I request Modern Office Methods perform a **Quick Format** of the machine(s) indicated. I understand this procedure eliminates the path to find information on the hard drive, but does not clear the hard drive of all data. While it would be tremendously difficult, if someone has the appropriate tools it may be possible to get data from the hard drive, thus posing a potential security risk. There is no charge for this service.
- ☐ I request Modern Office Methods perform a **Secure Hard Drive Overwrite meeting DoD Standard requirements**. I understand that once overwritten, the data will not be recoverable. I agree to pay Modern Office Methods \$175 per hard drive they overwrite and understand that some devices have more than one hard drive. Modern Office Methods will provide an overwrite certificate(s) upon completion.
- ☐ I request Modern Office Methods **REMOVE** the hard drive(s) from the machine(s) indicated. (MOM will only perform this service on machines we sell or service.) I understand that hard drive removal may render the machine(s) inoperable and agree to hold MOM harmless for all loss of data and machine functionality. We will replace the hard drive with one that should make the machine operable, but, it will remain your responsibility that the machine operates properly. This may be important for any machine that is on a lease contract. I understand that some devices have more than one hard drive and agree to pay MOM \$300 per hard drive that is removed.

Client agrees to hold Modern Office Methods, it's owners, employees & assigns harmless from any & all claims, including attorneys fees and costs. Client acknowledges its full responsibility for any damages and/or financial penalties which may be incurred.

STATE AND LOCAL GOVERNMENT ADDENDUM

Addendum to Agreement # _____, dated _____, between **City of Reynoldsburg**, as Customer and **Modern Office Methods, Inc.**, as Lessor. The words **you** and **your** refer to **Customer**. The words **we**, **us** and **our** refer to **Lessor**.

The parties wish to amend the above-referenced Agreement by adding the following language:

REPRESENTATIONS AND WARRANTIES OF CUSTOMER: You hereby represent and warrant to us that: (a) you have been duly authorized by the Constitution and laws of the applicable jurisdiction and by a resolution or other authority of your governing body to execute and deliver this Agreement and to carry out your obligations hereunder; (b) all legal requirements have been met, and procedures have been followed, including public bidding, in order to ensure the enforceability of this Agreement; (c) this Agreement is in compliance with all laws applicable to you, including any debt limitations or limitations on interest rates or finance charges; (d) the Equipment will be used by you only for essential governmental or proprietary functions of you consistent with the scope of your authority, will not be used in a trade or business of any person or entity, by the federal government or for any personal, family or household use and your need for the Equipment is not expected to diminish during the term of this Agreement; (e) you have funds available to pay contracted Payments until the end of your current appropriation period, and you intend to request funds to make contracted Payments in each appropriation period, from now until the end of the term of this Agreement; and (f) your exact legal name is as set forth on page one of this Agreement.

NON-APPROPRIATION OR RENEWAL: If either sufficient funds are not appropriated to make contracted Payments or any other amounts due under this Agreement or (to the extent required by applicable law) this Agreement is not renewed, this Agreement shall terminate and you shall not be obligated to make contracted Payments under the Agreement beyond the then-current fiscal year for which funds have been appropriated. Upon such an event, you shall, no later than the end of the fiscal year for which contracted Payments have been appropriated, deliver possession of the Equipment to us. If you fail to deliver possession of the Equipment to us, the termination shall nevertheless be effective but you shall be responsible, to the extent permitted by law and legally available funds, for the payment of damages in an amount equal to the portion of contracted Payments thereafter coming due that is attributable to the number of days after the termination during which you fail to deliver possession and for any other loss suffered by us as a result of your failure to deliver possession as required. You shall notify us in writing within seven days after your failure to appropriate funds sufficient for the payment of the contracted Payments or (to the extent required by applicable law) this Agreement is not renewed, but failure to provide such notice shall not operate to extend the Agreement term or result in any liability to you.

TITLE TO THE EQUIPMENT: If the selected purchase option for this Agreement is \$1.00 or \$101.00, unless otherwise required by law, upon your acceptance of the Equipment, title to the Equipment shall be in your name, subject to our interest under this Agreement.

The parties wish to amend the above-referenced Agreement by restating the following language:

Any provision in the Agreement stating this Agreement supersedes any invoice and/or purchase order is hereby amended and restated as follows: "You agree that the terms and conditions of the Agreement and any supplement or schedule thereto and any related acceptance certificate constitutes the entire agreement regarding the financing or lease of the Equipment and supersedes any purchase order, invoice, request for proposal or other related document."

Any provision in the Agreement stating that the Agreement shall automatically renew unless the Equipment is purchased, returned or a notice requirement is satisfied is hereby amended and restated as follows: "This Agreement will renew for month-to-month terms unless you purchase or return the Equipment (according to the conditions herein) or send us written notice at least 30 days (before the end of any term) that you do not want it renewed."

NOTE: SIGNER OF THIS DOCUMENT MUST BE SAME AS ON THE AGREEMENT. A FACSIMILE OF THIS DOCUMENT WITH SIGNATURE SHALL BE CONSIDERED TO BE AN ORIGINAL. CAPITALIZED TERMS IN THIS DOCUMENT ARE DEFINED AS IN THE AGREEMENT, UNLESS SPECIFICALLY STATED OTHERWISE.

Any provision in the Agreement stating that we may assign this Agreement is hereby amended and restated as follows: "We may sell, assign, or transfer this Agreement without notice to or consent from you, and you waive any right you may have to such notice or consent."

Any provision in the Agreement stating that you grant us a security interest in the Equipment to secure all amounts owed to us under any agreement is hereby amended and restated as follows: "To the extent permitted by law, you grant us a security interest in the Equipment to secure all amounts you owe us under this Agreement, and you authorize us to file a UCC-1 financing statement."

Any provision in the Agreement stating that you shall indemnify and hold us harmless is hereby amended and restated as follows: "You shall not be required to indemnify or hold us harmless against liabilities arising from the Agreement. However, as between you and us, and to the extent permitted by law and legally available funds, you shall bear the risk of loss for, shall pay directly, and shall defend against any and all claims, liabilities, proceedings, actions, expenses, damages or losses arising under or related to the Equipment, including, but not limited to, the possession, ownership, lease, use or operation thereof, except that you shall not bear the risk of loss of, nor pay for, any claims, liabilities, proceedings, actions, expenses, damages or losses that arise directly from events occurring after you have surrendered possession of the Equipment in accordance with the terms of the Agreement to us or that arise directly from our gross negligence or willful misconduct."

Any provision in the Agreement stating that a default by you under any agreement with our affiliates or other lenders shall be an event of default under the Agreement is hereby amended and restated as follows: "You will be in default if: (i) you do not pay any Payment or other sum due to us under the Agreement when due or if you fail to perform in accordance with the covenants, terms and conditions of this Agreement, (ii) you make or have made any false statement or misrepresentation to us, (iii) you dissolve, terminate your existence or file bankruptcy, or (iv) there has been a material adverse change in your financial, business or operating condition."

Any provision in the Agreement stating that you shall pay our attorneys' fees is hereby amended and restated as follows: "In the event of any dispute or enforcement of rights under this Agreement or any related agreement, you agree to pay, to the extent permitted by law and to the extent of legally available funds, our reasonable attorneys' fees (including any incurred before or at trial, on appeal or in any other proceeding), actual court costs and any other collection costs, including any collection agency fee."

Any provision in the Agreement requiring you to pay amounts due under the Agreement upon the occurrence of a default, failure to appropriate funds or failure to renew the Agreement is hereby amended to limit such requirement to the extent permitted by law and legally available funds.

Any provision in the Agreement stating that the Agreement is governed by a particular state's laws and you consent to such jurisdiction and venue is hereby amended and restated as follows: "This Agreement will be governed by and construed in accordance with the laws of the state where you are located. You consent to jurisdiction and venue of any state or federal court in such state and waive the defense of inconvenient forum."

By signing this Addendum, Customer acknowledges the above changes to the Agreement and authorizes Lessor to make such changes. In the event of any conflict between this Addendum and the Agreement, this Addendum shall prevail. In all other respects, the terms and conditions of the Agreement remain in full force and effect and remain binding on Customer.

Sick leave, vacation leave, and holiday pay are based upon a 40 hour week for exempt employees.

2. Nonexempt (Hourly): Employees that fall into the non-exempt status, either by ordinance or the federal Fair Labor Standards Act (FLSA), are paid a set wage on an hourly basis.
3. Part-time employees are expected to work their normally prescribed amount of work hours as determined by the City.

160.06 OVERTIME PAY

(a) Overtime will be authorized by the Appointing Authority or designee when it is necessary to prevent loss of life, damage to property, or to continue essential City services. Only full-time non-exempt employees are eligible for overtime pay.

(b) Full-time employees required to work, in excess of the established regular work week, holidays and/or any paid leave during the scheduled work week, shall be

compensated for the excess hours at the rate of one and one-half (1½) times their current rate of pay. Employees must submit a time sheet by noon on Monday in order to be paid for overtime in the prior two (2) weeks. If not, overtime will be paid in the following pay period. Part-time employees must work more than forty (40) hours per week in order to qualify for overtime pay.

(c)The work period for calculating overtime shall be 12:00 a.m. Saturday through 11:59 p.m. Friday, unless the City has established an alternative work period for certain classes of employees. The City's right to use dual calculations to compute overtime owed to employees covered by collective bargaining agreements remains intact.

(d)In case of death of an employee, any earned overtime hours worked credited to such employee shall be paid to the surviving spouse, or to the estate of the deceased, if there is no surviving spouse.

160.07 LONGEVITY

Employee must be employed by the City of Reynoldsburg on their longevity payment date to receive longevity pay. Longevity pay will not be prorated.

160.08 ADMINISTRATION OF PAY PLAN

(a) SALARY SCHEDULE AND PAY GRADES

- 1) Effective January1, 2021 the City will update the step program for non-bargaining unit employees in pay grades 1 through 15 in non-supervisory roles as reflected in 160.03 (a). Effective January 1, 2021, any adjustments in step assignments will be made at the discretion of the Appointing Authority to fall in line with the new step

program being implemented. Effective January 1, 2023, each employee will then move through their steps on their anniversary date of each year that falls on years that end in odd numbers. Effective January 1, 2022 and each January 1 thereafter the scale will adjust by two percent (2%) each year.

- 2) The Appointing Authority will determine what step an individual is assigned based upon the qualification at the time of the initial hiring/transfer/promotion.

In the event an individual does not meet expectations on their annual review, moving to the next step could be delayed. Any employee not meeting performance standards will be notified of a delay of the step increase by six-months. At the six-month mark there will be another evaluation of performance and if the employee meets the performance standards, they will be granted their step increase and then move forward to their next step on their anniversary date. The denial of an increase is not a disciplinary action nor a reduction in pay, the employee has simply not earned an increase.

- 3) If there are specific required certifications and/or licenses that is required for a position and it is achieved, the Appointing Authority may authorize the moving to a higher step within the range.
 - 4) For supervisory staff in pay grades 14 -26A hiring rate of pay will be based upon the minimum and maximum range set forth in each pay grade, based upon qualifications and approval of the appointing authority. Annual increases will be based upon annual performance reviews/feedback from their supervisor and/or Appointing Authority within the approved ranges and will be effective January 1 of each year. Any other salary adjustments will be made at the discretion of the Appointing Authority.
 - 5) All employee change forms shall be signed by the Appointing Authority, City Auditor or designee of the City Auditor, and the Human Resources Director to confirm that such change forms are consistent with the requirements set forth in Chapter 160.
- (b) Cost of Living Adjustments
On January 1 of each calendar year that is an even number, there will be a two-percent (2%) cost of living adjustment for all non-bargaining unit employees.
- (c) Promotions
 Upon promotion, the employee's rate of pay shall be adjusted from their current pay grade and step and to the assigned pay grade and the step determined by the Appointing Authority.
- (d) Transfers and Certain Other Appointments

Upon lateral transfer or appointment to a classification within the same Pay Grade, the employee's pay rate will be set by the Appointing Authority pursuant to Section 160.08 (a) (2). If that lateral transfer or appointment is to a classification with a

lower Pay Grade, the appointing authority may establish the employee's pay at an equitable rate within the lower Pay Grade authorized by Reynoldsburg Chapter 160.03 Salary Schedule. Promotion transfers and appointments will be approved by the Appointing Authority. All benefits are retained when an employee transfers or is appointed to another position within the service of the City for any reason.

160.09 GROUP INSURANCE

(a) Each employee eligible for medical insurance under the Affordable Health Care Act is entitled to such benefits provided by a group insurance contract, the premiums of which, including premiums for dependent coverage, if appropriate, shall be paid by the City less an employee/newly elected or appointed official premium contribution of twelve percent (12%) of the total monthly premium for health, and seven percent (7%) for dental and vision insurance unless otherwise specified. Premium contributions shall be paid by payroll deduction. Coverage's and exclusions are as follows:

1. Effective January 1, 2014, eligible employees and each newly elected official who choose to utilize the City's medical insurance will pay twelve (12%) of the monthly premium contribution.
2. Effective January 1, 2008 for eligible employees and place into the H.S.A. amounts for single and family coverage as determined annually by City Council. Contributions for elected officials shall be equal to the contribution for full-time employees. Said amounts will be placed into the individual H.S.A. by the Auditor not later than January 15th of each year or as determined by the appropriate Labor Agreement.

A. The following shall apply for each full-time employee and is eligible for Medicare coverage:

The City will reimburse said full-time employee or elected official for qualified medical expenses and prescriptions that meet the insurance plan deductible coverage up to the same contribution level of those not eligible for Medicare coverage.

3. Full-time employees required to forfeit insurance coverage because their spouse is also a covered City employee shall receive twenty-five (25) dollars per month while such forfeiture is in effect.
4. Full-time employees may "opt out" of City provided health insurance provided they supply a certificate of coverage from another provider. Employees who "opt out" of employee only coverage will be paid One Thousand Five Hundred Dollars (\$1,500.00) annually. Employees who "opt out" of family coverage will be paid Two Thousand Five Hundred Dollars (\$2,500.00) annually and any employee opting to take employee only coverage in lieu of family coverage, except as determined by Section (4)

above, will be paid One Thousand Five Hundred Dollars (\$1,500.00) annually. All dates of payments made under this “opt out” provision will be determined by the Auditor.

5. Each permanent three-quarter (30 hour) or more employee shall receive a minimum of Fifty Thousand Dollars (\$50,000.00) or one times annual salary Life insurance rounded off to the next higher One Thousand Dollars (\$1,000.00), plus an equal amount of Accidental Death Insurance. Part-time elected officials do not receive Life Insurance benefits. Premiums shall be fully paid by the City. The city shall provide police liability insurance for all police officers.

Effective January 1, 2001 each full-time, non-bargaining unit employee is entitled to disability benefits provided by an insurance carrier, the premium of which is paid by the City of Reynoldsburg.

160.11 CITY CLOTHING PROVIDED

1. The Appointing Authority reserves the right to prescribe appropriate attire and grooming and to set standards which are deemed to be in the best interest of the City and ensure an appropriate image for the City.
2. The Appointing Authority requires that an employee's clothing, grooming, and overall appearance be appropriate, in good taste, present a favorable public image, and be in conformity with regulations established by the City due to the specialized nature of service provided or the employment position maintained.
3. Clothing shall be conducive to the safe and effective performance of required job duties.
4. Certain employees may be required to wear regulation uniforms while on duty. The applicable departments may establish policies and procedures governing uniforms. When employees are required to wear a regulation uniform, the City shall provide the uniforms and/or provide a uniform allowance as prescribed by the City ordinance or applicable collective bargaining agreement.
5. Employees are required to keep uniforms neat, clean, and in good repair. City-issued uniforms may only be worn by employees while conducting official City business.
6. The City shall provide standard work clothing and safety equipment for all maintenance employees of the Parks and Recreation, Service, Street, Vehicle Maintenance, Water/Waste Water, Storm Water Utility and the Building Department employees. Each item of work clothing shall be suitably and permanently identified as belonging to the City. Any item unaccounted for shall be charged to the employee.
7. Employees not required to wear uniforms daily, may be provided shirts, sweaters, and jackets, etc. with the City of Reynoldsburg logo. The clothing may be worn for work at any time but are primarily to be worn for special events where it is desired the City of Reynoldsburg employees can be identified.

All clothing purchased must be approved colors and be branded with City of Reynoldsburg logo/name. Department directors are responsible for approving clothing options with the City of Reynoldsburg logo.

While wearing city branded clothing, employees are to conduct themselves in a professional manner. This portion of the policy does not negate the ability of the

City of Reynoldsburg from providing protective clothing, boots, vests, gloves, aprons or other items deemed protective in nature and intended for specific purposes.

Uniforms or clothing purchased by the city and distributed to employees will be treated as a fringe benefit, included as wages to the employee and subject to withholding tax purposes unless not permit by law.

160.12 CITY CLOTHING PROVIDED (SENIOR POLICE MANAGEMENT)

In addition to non-conflicting provisions in Section 7.07, the following shall apply to Senior Police Management.

The City shall furnish the basic uniforms and new equipment for all sworn officers. Uniform parts and equipment shall be replaced by the City on an as-needed basis. All uniforms and equipment purchased by the City remain the property of the City and must be returned when a member is separated from City service for any reason.

Uniform items not accounted for shall be replaced at the employee's expense. Failure to do so shall result in the value of the uniform items not accounted for being withheld from the employee's separation pay.

The City shall repair or replace all uniform items damaged or destroyed in the line of duty so long as the damage was not due to the employee's misconduct or negligence.

The City shall repair or replace eye glasses damaged or destroyed in the line of duty so long as the damage is not due to the employee's misconduct or negligence. This section shall provide coverage only for a like amount of the damaged eye glasses.

Employees assigned to plain clothes or administrative duty shall be permitted to purchase civilian clothing and components up to the reimbursable amount as agreed upon in the collective bargaining agreement.

If not caused by negligence or misconduct of the employee, civilian clothing and/or components damaged to the point of unserviceability, in the line of duty, shall be replaced by the City as soon as possible at no charge to the current or subsequent allowance. Replacement does not include normal wear and tear.

Employees shall be reimbursed for necessary dry cleaning of uniforms or plain cloths items. Dry cleaning will be provided to staff who serve as Court Liaisons. Employees shall utilize the dry cleaning facility or facilities designated by the City.

The City will provide clothing/equipment per the collective bargaining agreements.
