Mr. Cotner: Mr. Mayor, some comments?

Mayor McCloud: Just briefly, there were a couple of amendments to the Budget you have in front of you, almost exclusively of which were capital purchases by the Parks and Recreation department which I hope the administration delineated appropriately. It was certainly not our intent to slide anything in at the last minute, but we had some decisions to make as to some internal things on how we were going to approach those. So with that said, that is, I sincerely believe that is the end of this budget process.

Mr. Cotner: Any questions for the Mayor or anyone else regarding the budget?

Mr. Long: I just wanted to thank you and all of your people that made themselves available today for clarification and questions. It cleared up very neatly and once again you're commended to be able to do we're talking about doing with this budget and still come in barely over what the spending limit was last year in the budget. Thank you.

Please consult with your body upfitter to assure all dimensions and needed components are included in truck specification (i.e.; frame extensions, special bumper, wiring, switches, axle capacities, etc). Any post production chassis modifications are responsibility of buyer or body upfitter.

Invoicing will occur upon delivery of bare chassis to customer or location of customer s choice.

MEMORANDUM

Date: 3/24/2016
TO: Reynoldsburg City Council

CC: Mayor Brad McCloud, Auditor Richard Harris, Service Director Bill Sampson

RE: Authorization to remove equipment from fixed asset list

1. Asset # 1767 – 2001 Ford F550 dump truck. This was originally proposed to be given to the Parks and Recreation department last year. Before it was given to them the frame rusted and broke creating a safety concern. I would like to send this to the scrap yard and have the money returned to the street fund.

2. Asset #1346 – sno-way snow plow. This was bought and used with the truck listed above, it is rusted and broken. I recommend sending it the scrap yard with the truck and have the money returned to the street fund.

3. Asset #1768- Strobe lights originally purchased with the truck listed above. These have no value and should be disposed of.

4. Asset #1348 – sign cutter / plotter. This piece of equipment was purchased in 1996 and replaced in about 10 years ago. I'm not sure if it works or has much of a value given its age. I recommend it be disposed.

5. Asset #1431 – Listed as an 18ft utility trailer for the storm water department is duplicated on the asset list. The correct trailer number is (1419). I recommend that #1431 be taken off the list.

MEMORANDUM

DATE: 3/28/2016

TO: Reynoldsburg City Council

CC: Mayor Brad McCloud, Auditor Richard Harris, Service Director, Bill Sampson

RE: Authorization to Purchase Two Vehicles for Wastewater Dept.

I will be replacing two pickup trucks that were approved in the budget. One truck that will be replaced is a 1997 Chevy S-10 and the other ruck is a 2000 Dodge Dakota.

I'm asking for these to pass after one reading to secure 2016 pricing and delivery. We are close to the year cut off and would cost the city more money for a 2017. Both years are the same but price.

I will be transferring both of the old trucks to the Parks and Recreation Department for their use.

2016 Ford F-150 is $22,370.00

2016 Ford F-250 is $25,937.00

The total for both trucks is $48,307.00

The money has been appropriated in account 720.736.5632.
