b. Revisions to Administrative Codes Chapter 170 & Chapter 171

Mr. Snowden: Thank you Chairman Skinner and members of Council. As you know myself, in conjunction with our Service Department have been doing an overall review of our codified ordinances, many of them relate to one another. As part of that process, I brought to the attention of Donna over at Parks and Recreation that there are two Commissions that are within our Administrative Code that haven't met in many years and we started doing research to find out what are these. One is called the Reynoldsburg Arts Commission the other is the Beautification Commission. What these were, were city commissions that were created a number of decades ago at this point to perform specific functions. Donna's team today works with community groups and other city departments to perform many of these functions. I did some research with our Clerk of Council and the Clerk also found that one of the commissions had not met since 1992 according to the records. Donna made the decision that these are no longer required, but like I said she still works with community groups to do the community clean up, there's a Keep Reynoldsburg Beautiful community organization, she works with art education folks to bring that programming to our citizens and so I drafted the

legislation that's in front of you to repeal the 2 sections, the logic behind it being that we shouldn't have a city commission created in the code that's not functioning, meeting or has members etc... With that I'd be happy to answer any questions.

Mr. Skinner: Any questions for Mr. Snowden from the Committee or Council members?

Revisions to Administrative Codes Chapter 170 & Chapter 171. Chapter 170 created the Reynoldsburg Arts Commission and Chapter 171 created the Reynoldsburg Beautification Commission. Records indicate that neither of these two commissions have met in years and today, the Department of Recreation and Parks, partners with community groups to bring art and cultural activities to City residents.

RE: Revisions to Administrative Code

DATE: March 1st, 2016

Council Members:

In conjunction with a review of Codified Ordinances conducted by the Development and Service Departments, it has come to my attention that there are two sections of the Administrative Code that require revision.

Chapter 170 created the “Reynoldsburg Arts Commission”, which had the stated purpose to promote displays of fine arts and crafts within the City. Section 171 created the “Reynoldsburg Beautification Commission”, which had no stated purpose but was probably indeed to conduct beautification projects within the City. Records indicate that neither of these commissions have met in many years. Today, the Department of Recreation and Parks partners with community groups to bring art and cultural activities to City residents. In addition, the department partners with the Service Department and other community organizations focused on beautification and the environment to conduct an annual community clean-up.

Neither of these commissions remain important to the business of the City government, and therefore, I am requesting that the sections be repealed. Please contact me or Eric Snowden, Planning Administrator with any additional questions on this legislation.

Respectfully,

Donna Bauman
Parks & Recreation Director
