RE: Revisions to Administrative Code

DATE: March 1st, 2016

Council Members:

In conjunction with a review of Codified Ordinances conducted by the Development and Service Departments, it has come to my attention that there are two sections of the Administrative Code that require revision.

Chapter 170 created the “Reynoldsburg Arts Commission”, which had the stated purpose to promote displays of fine arts and crafts within the City. Section 171 created the “Reynoldsburg Beautification Commission”, which had no stated purpose but was probably indeed to conduct beautification projects within the City. Records indicate that neither of these commissions have met in many years. Today, the Department of Recreation and Parks partners with community groups to bring art and cultural activities to City residents. In addition, the department partners with the Service Department and other community organizations focused on beautification and the environment to conduct an annual community clean-up.

Neither of these commissions remain important to the business of the City government, and therefore, I am requesting that the sections be repealed. Please contact me or Eric Snowden, Planning Administrator with any additional questions on this legislation.

Respectfully,

Donna Bauman
Parks & Recreation Director
