4. Discussion

a. Income Tax Board of Review Seeking 2 Appointments.

Mr. Cotner: We do need to find someone willing to serve. Council is responsible for finding 2 people that are willing to serve in this position and President Joseph, you have a comment I know on this.

Mr. Joseph: Yes, there was some changes made to this board in 2005 which have gone into effect and all of the previous members of that board, their terms have expired and under the new terms, Council receives 2 appointments and the Mayor 1 and the Mayor has made his appointment but that's still not enough to have a functioning Board. So we have 1 person who was already on the Board who was willing to serve again and would give us an operating majority because my understanding is we may get an appeal coming down before we can fill the second position it would be good to have a functioning board if we have an appeal coming down and not having to wait until the middle of next month or even later this month if it comes down sooner. So, since its someone who has already been on the board and we still have one to fill, that's why I list that we have the vote on the first one this evening.

Minutes Acceptance: Minutes of Feb 13, 2017 7:50 PM (Approval of Minutes)

Mr. Cotner: Absolutely, the one named mentioned is Kara Joseph, so we do have that name before us to appoint to that board if we so choose, then we still need at least one more person to be willing to serve on that. Comments by anyone else on Finance or Council?

Mr. Joseph: Just to point out, this board does not require any special partisan make-up, republican, democrat or independent can apply. Just has to be a resident, but does not have to be any particular party.

Mr. Cotner: So if anyone knows a person that is still interested and/or willing, please contact anyone on Council or the Mayor and put them in our direction.

- b. Motion that the Reynoldsburg City Council Does Hereby Approve the Mayor's Appointment of Jodelle D'Amico to the Reynoldsburg Civil Service Commission to Serve the Unexpired Term Vacated by Robert M. Sanders, Term Expiring January 14, 2020.

- c. Ordinance Authorizing the Reynoldsburg Parks and Recreation Department to Apply for and Accept the Community Development Grant through Recycle Ohio, Ohio Environmental Protection Agency. (First Reading 2/13/2017).

Mayor McCloud: Thank you Chairman Cotner. This is a request for authorization to apply for a grant. This would help offset, if this comes to fruition, the costs that we annually incur for specific events for items that you have before you.

Mr. Cotner: I think any time we have a chance to secure some dollars is a great thing for our community and it seems like a no-brainer obviously.

Mayor McCloud: This is a request to amend, currently Chapter 160 provides for two 3/4 time property room clerks. The Chief has calculated that if we can successfully amend chapter 160, perform these functions with a savings of a little over \$17,000 by creating one full time and 1 20 hour position and that is the proposal before you.

Mr. Cotner: Seems to make quite a bit of sense.

- e. Ordinance Authorizing and Directing the Mayor to Enter into Lease Agreement Document Solutions for Copier for Police Department. (First Reading 2/13/2017).

Lt. Wright: Thank you, for the copier, that's correct we'd like to enter into a lease, keep the copiers that we do have. Seems to work out better that we lease the copiers and it does seem to save us money rather than having to purchase the toner and having them service these things, it just works out better for us. We have 2 copiers that we lease.

- f. Ordinance Authorizing Mayor to Purchase Two Police Cruisers and Related Equipment for Reynoldsburg Police Department. (First Reading 2/13/2017).

Lt. Wright: There is another ordinance that you'll see later on asking in conjunction with this to trade in 2 cruisers to get monies towards the 2 new ones. Essentially we're getting rid of the old Ford Crown Vics that have in excess of 150,000 miles on them. They've kind of been de-commissioned and used for special purposes, this will give us the opportunity to improve our fleet by buying 2 SUVs that you've seen rolling around and fully equip those SUVs with the necessary equipment to make them patrol ready.

Mr. Long: Lieutenant, a couple of years ago, we put together a, for the lack of a better term, almost a vehicle replacement where we knew we had the revenue and it was best then to retire some of the vehicles that were beginning to fall apart. Does this still fall into that process that we set in place a couple of years ago?

Lt. Wright: That is correct sir. There was an increase last year of the fleet itself with the creation of the Community Resource Bureau, so you did see an increase of cruisers last year, but this is in conjunction with what you just spoke of sir, having the cruisers just rotate.

Mr. Joseph: Once this legislation is completed and the cruisers are replaced, how many SUVs will we have vs. how many cars are we in the process of shifting out.

Lt. Wright: We're actually trying to shift over to complete SUVs. The cruisers themselves, the small cars, the sedans are not very conducive from crime fighting and I'll tell you this from personal experience jumping in them, they're very difficult to see out of the cruisers to see what's going on around you, you're very low profile. Some of the officers don't fit and its not because they're heavy, we have some very tall officers that cannot fit into those cruisers,

Sergeant Gregory being one of them, if you've not met Jeff Gregory, he's not an overweight man but he's about 7 feet tall.. oh currently. Currently I believe we have 18 total police cruisers if you count the Crown Vics about 5 sedans. The older style were still nice and big but the newer sedans, I believe we have 3 of those.

Mr. Joseph: Ok, and the Crown Vics are the ones that are not very useful anymore because they're falling apart.

Lt. Wright: Yes sir.

Mr. Harris: This is something that for a number of years we used to do this appropriation ordinance the state said it should be done as a separate ordinance, so here we are. I passed out tonight the fund balances from December 31 with those special revenue funds and we ask that you go ahead and encumber that money. It is restricted money that the police has gotten from a number of different things including drug forfeitures and other things that very specific things that law says they can spend it on. We would ask that you go ahead and appropriate that money in case they have something that comes up that they need to buy.

Mr. Sampson: Thank you Chairman Cotner. At our last Council meeting, I presented that Constellation came in at the lowest indicative rate of 5.5 center per kilowatt hour. That was indicative pricing and I received tonight that the rate that we will be locked into is 5.8 cents per kilowatt hour. That rate is still lower than the other 2 bids that were received.

Mr. Long: You have a public meeting coming up here next week as well Bill right?

Mr. Sampson: Thank you Councilman Long, we do have a public meeting to provide more detailed information this Wednesday at 6:30 PM.

Mr. Cicak: Was there a grant that came with this?

This Council determines that it is necessary and in the best interest of the City to issue bonds of this City in the maximum principal amount of \$1,500,000 (the “*Bonds*”) for the purpose of paying the costs of improving the municipal waterworks system by replacing water lines along Main Street, together with all necessary appurtenances thereto (the “*Improvement*”). The Bonds shall be issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance and the Certificate of Award.

The principal amount of Bonds to be issued shall not exceed the maximum principal amount specified in this Section 2 and shall be an amount determined by the City Auditor in the Certificate of Award to be the principal amount of Bonds that is required to be issued at this time for the purpose stated in this Section 2, taking into account the costs of the Improvement, the estimates of the Financing Costs and the interest rates on the Bonds.

The proceeds from the sale of the Bonds received by the City (or withheld by the Original Purchaser on behalf of the City) shall be paid into the proper fund or funds, and those proceeds are hereby appropriated and shall be used for the purpose for which the Bonds are being issued, including without limitation but only to the extent not paid by others, the payment of the costs of issuing and servicing the Bonds, printing and delivery of the Bonds, legal services including obtaining the approving legal opinion of bond counsel, fees and expenses of any municipal advisor, paying agent and rating agency, any fees or premiums relating to municipal bond insurance or other security arrangements determined necessary by the City Auditor, and all other Financing Costs and costs incurred incidental to those purposes. The Certificate of Award and the Purchase Agreement (if any) may authorize the Original Purchaser to withhold certain proceeds from the purchase price of the Bonds to provide for the payment of Financing Costs related to the Bonds on behalf of the City. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Purchase Agreement (if any)) or accrued interest shall be paid into the Bond Retirement Fund.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Certificate of Award,

provided that their dated date shall not be more than sixty (60) days prior to the Closing Date. If requested by the Original Purchaser, the City Auditor is hereby authorized to prepare one bond representing the aggregate principal amount of Bonds maturing on all of the Principal Payment Dates, all as set forth in the Certificate of Award.

(a) Interest Rates and Payment Dates. The Bonds shall bear interest at the rate or rates per year and computed on the basis as shall be determined by the City Auditor, subject to subsection (c) of this Section 3, in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the Principal Payment Dates in principal amounts as shall be determined by the City Auditor, subject to subsection (c) of this Section 3, in the Certificate of Award, which determination shall be in the best interest of and financially advantageous to the City.

Consistent with the foregoing and in accordance with the determination of the best interest of and financial advantages to the City, the City Auditor shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (each a “*Mandatory Redemption Date*”) and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other fiscal year. The net interest cost for the Bonds determined by taking into account the respective principal amounts of the Bonds and terms to maturity or Mandatory Sinking Fund Redemption Requirements of those principal amounts of Bonds shall not exceed 6.00%.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of the Bonds, shall be payable when due upon presentation and surrender of the Bonds at the main office of the Bond Registrar; *provided, however*, to the extent that the Bonds are represented by a single Term Bond as permitted by this Section 3, principal of the Bonds which is redeemed pursuant to a Mandatory Sinking Fund Redemption Requirement shall be payable when due without prior presentation or surrender of the Bond but

redemption of such principal shall be duly endorsed on the Bond Register, and in the case of the final principal payment due hereunder, surrender of the Bond at the main office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day of the calendar month next preceding that Interest Payment Date.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund redemption requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such Dates and amounts being referred to as the "*Mandatory Sinking Fund Redemption Requirements*").

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Date the principal amount of Term Bonds payable on that Date pursuant to the Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the City Auditor, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the City Auditor, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the City Auditor, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for

Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the City Auditor, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities and interest rates specified in the Certificate of Award (if any are so specified) shall be subject to optional redemption by and at the sole option of the City, in whole or in part in Authorized Denominations, on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the City Auditor in the Certificate of Award; *provided* that the redemption price for any optional redemption date shall not be greater than 103%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity (and interest rate within a maturity if applicable) to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the City Auditor to the Bond Registrar, given upon the direction of the City by passage of an ordinance or adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity (and interest rate within a maturity if applicable) of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity (or interest rate within a maturity if applicable) are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates selected by the City. If fewer than all of the Bonds of a single maturity (or interest rate within a maturity if applicable) are to be redeemed, the selection of Bonds of that maturity (or interest rate within a maturity if applicable) to be redeemed, or portions thereof in Authorized Denominations, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than the Authorized Denominations are then outstanding, each Authorized Denomination unit of principal thereof shall be treated as if it were a separate Bond of the Authorized Denomination. If it is determined that one or more, but not all, of the Authorized Denomination units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of an Authorized

Denomination unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the Authorized Denomination unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of Section 3(d), upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; *provided* that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the City Auditor, in the name of the City and in their official capacities; *provided* that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the City Auditor, shall be numbered as determined by the City Auditor in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance and the Certificate of Award.

The City Auditor is hereby authorized to designate in the Certificate of Award the City Auditor, the Original Purchaser or a bank or trust company authorized to do business in the State of Ohio to act as the initial Bond Registrar. The City Auditor shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Certificate of Award, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond Proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the City Auditor on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book Entry System.

(a) Bond Register. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at its main office. Subject to the provisions of Section 3(d), the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond Proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section 5. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the main office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the main office of the Bond Registrar together with an assignment signed by the registered owner or by a

person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond Proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

Section 6. Sale of the Bonds to the Original Purchaser. The City Auditor is authorized to sell the Bonds at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof, as shall be determined by the City Auditor in the Certificate of Award, plus accrued interest (if any) on the Bonds from their date to the Closing Date, and shall be awarded by the City Auditor with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement (if any). The City Auditor is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Ohio Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The City Auditor shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price.

To the extent that the City Auditor determines it would be financially advantageous to the City, the Mayor and the City Auditor shall sign and deliver, in the name and on behalf of the City, the Purchase Agreement between the City and the Original Purchaser, in substantially the form as is now on file with the Clerk of Council, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Mayor and the City Auditor on behalf of the

City, all of which shall be conclusively evidenced by the signing of the Purchase Agreement or amendments thereto.

The Mayor, the City Auditor, the City Attorney, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7. Provision for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent the net revenues from the municipal waterworks system are available for the payment of the debt charges on the Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of such net revenues so available and appropriated.

In each year to the extent receipts from the municipal income tax are available for the payment of the debt charges on the Bonds and are appropriated for that purpose, and to the extent not paid from net revenues of the municipal waterworks system, the amount of the tax shall be reduced by the amount of such receipts so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and the laws of the State of Ohio, and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7) of the Ohio Revised Code, to appropriate annually from such municipal income taxes such amount as is necessary to meet such annual debt charges.

Nothing in the two preceding paragraphs in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Bonds.

Section 8. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The City Auditor or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties with respect to the Bonds, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments with respect to the Bonds, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds. The City Auditor or any other officer of the City having responsibility for issuance of the Bonds is specifically authorized to designate the Bonds as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants.

Section 9. Rating; Bond Insurance and Financing Costs.

(a) Application for Rating or Bond Insurance. If, in the judgment of the City Auditor, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the City Auditor is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy, except to the extent otherwise paid in accordance with the Certificate of Award or the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose. The City Auditor is hereby authorized, to the extent necessary

or required, to enter into any agreements, in the name of and on behalf of the City, that the City Auditor determines to be necessary in connection with the obtaining of that bond insurance.

(b) Financing Costs. The expenditure of the amounts necessary to pay any Financing Costs in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), is authorized and approved, and the City Auditor is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 10. Bond Counsel. The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery related legal opinions, all as set forth in the form of engagement letter from that firm which is now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The City Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

Section 11. Municipal Advisor. The services of H.J. Umbaugh & Associates, Certified Public Accountants, LLP, as municipal advisor, are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Bonds. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The City Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

Section 12. Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to promptly deliver or cause to be delivered a certified copy of this Ordinance and an executed copy of the Certificate of Award to the County Auditors of Fairfield, Franklin and Licking Counties, Ohio.

Section 13. Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the City are pledged for the timely payment of the debt charges on the Bonds; that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds; and that the Bonds are being authorized and issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance, the Certificate of Award and other authorizing provisions of law.

Section 14. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or any of its committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Ohio Revised Code.

Section 15. Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety, and for the further reason that this Ordinance is required to be immediately effective in order to issue and sell the Bonds, which is necessary to enable the City to timely enter into contracts for the construction of the Improvement and to coordinate the sale of the Bonds with other bonds of the City; wherefore, this Ordinance shall be in full force and effect immediately upon its passage.

Section 2. Authorized Principal Amount and Purpose; Application of Proceeds. This Council determines that it is necessary and in the best interest of the City to issue bonds of this City in the maximum principal amount of \$1,100,000 (the “*Bonds*”) for the purpose of paying the costs of improving the municipal storm water system by replacing storm water facilities along Graham Road and Rodebaugh Road and installing culverts on Cobblestone Road, together with all necessary appurtenances thereto (the “*Improvement*”). The Bonds shall be issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance and the Certificate of Award.

The principal amount of Bonds to be issued shall not exceed the maximum principal amount specified in this Section 2 and shall be an amount determined by the City Auditor in the Certificate of Award to be the principal amount of Bonds that is required to be issued at this time for the purpose stated in this Section 2, taking into account the costs of the Improvement, the estimates of the Financing Costs and the interest rates on the Bonds.

The proceeds from the sale of the Bonds received by the City (or withheld by the Original Purchaser on behalf of the City) shall be paid into the proper fund or funds, and those proceeds are hereby appropriated and shall be used for the purpose for which the Bonds are being issued, including without limitation but only to the extent not paid by others, the payment of the costs of issuing and servicing the Bonds, printing and delivery of the Bonds, legal services including obtaining the approving legal opinion of bond counsel, fees and expenses of any municipal advisor, paying agent and rating agency, any fees or premiums relating to municipal bond insurance or other security arrangements determined necessary by the City Auditor, and all other Financing Costs and costs incurred incidental to those purposes. The Certificate of Award and the Purchase Agreement (if any) may authorize the Original Purchaser to withhold certain proceeds from the purchase price of the Bonds to provide for the payment of Financing Costs related to the Bonds on behalf of the City. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Purchase Agreement (if any)) or accrued interest shall be paid into the Bond Retirement Fund.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal

amount maturing on that date. The Bonds shall be dated as provided in the Certificate of Award, *provided* that their dated date shall not be more than sixty (60) days prior to the Closing Date. If requested by the Original Purchaser, the City Auditor is hereby authorized to prepare one bond representing the aggregate principal amount of Bonds maturing on all of the Principal Payment Dates, all as set forth in the Certificate of Award.

(a) Interest Rates and Payment Dates. The Bonds shall bear interest at the rate or rates per year and computed on the basis as shall be determined by the City Auditor, subject to subsection (c) of this Section 3, in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the Principal Payment Dates in principal amounts as shall be determined by the City Auditor, subject to subsection (c) of this Section 3, in the Certificate of Award, which determination shall be in the best interest of and financially advantageous to the City.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other fiscal year. The net interest cost for the Bonds determined by taking into account the respective principal amounts of the Bonds and terms to maturity or Mandatory Sinking Fund Redemption Requirements of those principal amounts of Bonds shall not exceed 6.00%.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of the Bonds, shall be payable when due upon presentation and surrender of the Bonds at the main office of the Bond Registrar; *provided, however*, to the extent that the Bonds are represented by a single Term Bond as permitted by this Section 3, principal of the Bonds which is redeemed pursuant to a Mandatory Sinking Fund Redemption

Requirement shall be payable when due without prior presentation or surrender of the Bond but redemption of such principal shall be duly endorsed on the Bond Register, and in the case of the final principal payment due hereunder, surrender of the Bond at the main office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day of the calendar month next preceding that Interest Payment Date.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund redemption requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such Dates and amounts being referred to as the "*Mandatory Sinking Fund Redemption Requirements*").

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Date the principal amount of Term Bonds payable on that Date pursuant to the Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the City Auditor, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the City Auditor, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the City Auditor, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for

Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the City Auditor, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities and interest rates specified in the Certificate of Award (if any are so specified) shall be subject to optional redemption by and at the sole option of the City, in whole or in part in Authorized Denominations, on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the City Auditor in the Certificate of Award; *provided* that the redemption price for any optional redemption date shall not be greater than 103%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity (and interest rate within a maturity if applicable) to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the City Auditor to the Bond Registrar, given upon the direction of the City by passage of an ordinance or adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity (and interest rate within a maturity if applicable) of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity (or interest rate within a maturity if applicable) are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates selected by the City. If fewer than all of the Bonds of a single maturity (or interest rate within a maturity if applicable) are to be redeemed, the selection of Bonds of that maturity (or interest rate within a maturity if applicable) to be redeemed, or portions thereof in Authorized Denominations, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than the Authorized Denominations are then outstanding, each Authorized Denomination unit of principal thereof shall be treated as if it were a separate Bond of the Authorized Denomination. If it is determined that one or more, but not all, of the Authorized Denomination units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of an Authorized

Denomination unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the Authorized Denomination unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of Section 3(d), upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; *provided* that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the City Auditor, in the name of the City and in their official capacities; *provided* that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the City Auditor, shall be numbered as determined by the City Auditor in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance and the Certificate of Award.

The City Auditor is hereby authorized to designate in the Certificate of Award the City Auditor, the Original Purchaser or a bank or trust company authorized to do business in the State of Ohio to act as the initial Bond Registrar. The City Auditor shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Certificate of Award, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond Proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the City Auditor on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book Entry System.

(a) Bond Register. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at its main office. Subject to the provisions of Section 3(d), the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond Proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section 5. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the main office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the main office of the Bond Registrar together with an assignment signed by the registered owner or by a

person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond Proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

Section 6. Sale of the Bonds to the Original Purchaser. The City Auditor is authorized to sell the Bonds at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof, as shall be determined by the City Auditor in the Certificate of Award, plus accrued interest (if any) on the Bonds from their date to the Closing Date, and shall be awarded by the City Auditor with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law and the provisions of this Ordinance and the Purchase Agreement (if any). The City Auditor is authorized, if it is determined to be in the best interest of the City, to combine the issue of Bonds with one or more other bond issues of the City into a consolidated bond issue pursuant to Section 133.30(B) of the Ohio Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The City Auditor shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price.

To the extent that the City Auditor determines it would be financially advantageous to the City, the Mayor and the City Auditor shall sign and deliver, in the name and on behalf of the City, the Purchase Agreement between the City and the Original Purchaser, in substantially the form as is now on file with the Clerk of Council, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Mayor and the City Auditor on behalf of the

City, all of which shall be conclusively evidenced by the signing of the Purchase Agreement or amendments thereto.

The Mayor, the City Auditor, the City Attorney, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7. Provision for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

In each year to the extent the net revenues from the municipal storm water system are available for the payment of the debt charges on the Bonds and are appropriated for that purpose, the amount of the tax shall be reduced by the amount of such net revenues so available and appropriated.

In each year to the extent receipts from the municipal income tax are available for the payment of the debt charges on the Bonds and are appropriated for that purpose, and to the extent not paid from net revenues of the municipal storm water system, the amount of the tax shall be reduced by the amount of such receipts so available and appropriated in compliance with the following covenant. To the extent necessary, the debt charges on the Bonds shall be paid from municipal income taxes lawfully available therefor under the Constitution and the laws of the State of Ohio, and the Charter of the City; and the City hereby covenants, subject and pursuant to such authority, including particularly Section 133.05(B)(7) of the Ohio Revised Code, to appropriate annually from such municipal income taxes such amount as is necessary to meet such annual debt charges.

Nothing in the two preceding paragraphs in any way diminishes the irrevocable pledge of the full faith and credit and general property taxing power of the City to the prompt payment of the debt charges on the Bonds.

Section 8. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The City Auditor or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties with respect to the Bonds, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments with respect to the Bonds, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds. The City Auditor or any other officer of the City having responsibility for issuance of the Bonds is specifically authorized to designate the Bonds as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants.

Section 9. Rating; Bond Insurance and Financing Costs.

(a) Application for Rating or Bond Insurance. If, in the judgment of the City Auditor, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies, or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds, is in the best interest of and financially advantageous to this City, the City Auditor is authorized to prepare and submit those applications, to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy, except to the extent otherwise paid in accordance with the Certificate of Award or the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose. The City Auditor is hereby authorized, to the extent necessary

or required, to enter into any agreements, in the name of and on behalf of the City, that the City Auditor determines to be necessary in connection with the obtaining of that bond insurance.

(b) Financing Costs. The expenditure of the amounts necessary to pay any Financing Costs in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), is authorized and approved, and the City Auditor is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 10. Bond Counsel. The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery related legal opinions, all as set forth in the form of engagement letter from that firm which is now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The City Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

Section 11. Municipal Advisor. The services of H.J. Umbaugh & Associates, Certified Public Accountants, LLP, as municipal advisor, are hereby retained. The municipal advisory services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Bonds. In rendering those municipal advisory services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those municipal advisory services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those municipal advisory services. The City Auditor is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

Section 12. Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to promptly deliver or cause to be delivered a certified copy of this Ordinance and an executed copy of the Certificate of Award to the County Auditors of Fairfield, Franklin and Licking Counties, Ohio.

Section 13. Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 7) of the City are pledged for the timely payment of the debt charges on the Bonds; that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds; and that the Bonds are being authorized and issued pursuant to Chapter 133 of the Ohio Revised Code, the Charter of the City, this Ordinance, the Certificate of Award and other authorizing provisions of law.

Section 14. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or any of its committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Ohio Revised Code.

Section 15. Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety, and for the further reason that this Ordinance is required to be immediately effective in order to issue and sell the Bonds, which is necessary to enable the City to timely enter into contracts for the construction of the Improvement and to coordinate the sale of the Bonds with other bonds of the City; wherefore, this Ordinance shall be in full force and effect immediately upon its passage.

REPLACEMENT COPIER FOR POLICE DEPARTMENT.**

The Reynoldsburg Division of Police is requesting permission from City Council to remove the current copier from the contract held with Document Solutions (a Division of Modern Office Methods) and replace it with a better option that will save money. There have been multiple service calls with the current copier and the most effective solution is to replace the machine. Please see the attached pricing and contract details provided by Document Solutions.

Monthly Lease Price: \$366.97

Length of Term: 60 Months

Whom it may concern,

This letter is to guarantee that we are ending the contract early on the Canon iR4045 (SN # HRN08026) due to frequent service calls based on the amount of use at no penalty to the police department. This machine is being separated from the contract that the Canon iRC7260 (SN # LVX00579) is on, because it was too early to do them both together, so we had the contract split into two. As of late, the Canon iR4045 has had multiple issues, and with permission of Cheryl Kristy, we found a better option, which also saves the police department some money...

DATED

1. AGREEMENT: For business purposes only, you agree to lease from us the goods, together with all replacements, parts, repairs, additions, and accessions incorporated therein or attached thereto and any and all proceeds of the foregoing, including, without limitation, insurance recoveries (the "Equipment") and/or to finance certain licensed software and services ("Financed Items", which are included in the word "Equipment" unless separately stated), all as described on page 1 of this Agreement, excluding equipment marked as not financed under this Agreement, as it may be supplemented from time to time. You agree to all of the terms and conditions contained in this Agreement and any supplement which (with the acceptance certification) is the entire agreement regarding the Equipment ("Agreement") and which supersedes any purchase order or invoice. You authorize us to correct or insert missing Equipment identification information and to make corrections to your proper legal name and address. This Agreement becomes valid upon execution by us. If service and supplies are not included, this Agreement will start on the date we pay the supplier and interim rent/di date adjustments will be in an amount equal to 1/30th of the Payment, multiplied by the number of days between the Agreement start date and the first Payment due date. This Agreement will automatically renew for 12-month term(s) unless you purchase or return the Equipment (according to the conditions herein) and send us written notice between 90 and 150 days (before the end of any term) that you do not want it renewed. If any provision of this Agreement is declared unenforceable in any jurisdiction, the other provisions herein shall remain in full force and effect in that jurisdiction and all others. You shall deliver all information requested by us which we deem reasonably necessary to determine your financial condition and faithful performance of the terms hereof.

2. RENT, TAXES AND FEES: You will pay the monthly Payment (as adjusted) when due, plus any applicable sales, use and property taxes. The base Payment will be adjusted proportionately upward or downward: (1) by up to 10% to accommodate changes in the actual Equipment cost; (2) if the taxes differ from the estimate given to you; and (3) to comply with the tax laws of the state in which the Equipment is located. If we pay any taxes, insurance or other expenses that you owe hereunder, you agree to reimburse us when we request and to pay us a processing fee for each expense or charge we pay on your behalf. We may charge you for any filing fees required by the Uniform Commercial Code (UCC) or other laws, which fees vary state-to-state. We will have the right to apply all sums, received from you, to any amounts due and owed to us under the terms of this Agreement. If for any reason your check is returned without payment, you will pay us a bad check charge of \$30 or, if less, the maximum charge allowed by law. We may make a profit on any fees, estimated tax payments and other charges paid under this Agreement.

3. MAINTENANCE AND LOCATION OF EQUIPMENT; SECURITY INTEREST: At your expense, you agree to keep the Equipment: (1) in good repair, condition and working order, in compliance with applicable manufacturers' or regulatory standards; (2) free and clear of all liens and claims; and (3) only at your address shown on page 1, and you agree not to move it unless we agree. As long as you have given us the written notice as required in paragraph 1 prior to the expiration or termination of this Agreement's term, if you do not purchase the Equipment, you will return all but not less than all of the Equipment and all related manuals and use and maintenance records to a location we specify, at your expense, in retail re-saleable condition, full working order and complete repair. You are solely responsible for removing any data that may reside in the Equipment you return, including but not limited to hard drives, disk drives or any other form of memory. You grant us a security interest in the Equipment to secure all amounts you owe us under any agreement with us, and you authorize us to file a financing statement (UCC-1). You will not change your state of organization headquarters or residence without providing prior written notice to us so that we may amend or file a new UCC-1. You will notify us within 30 days if your state of organization revokes or terminates your existence.

4. COLLATERAL PROTECTION; INSURANCE; INDEMNITY; LOSS OR DAMAGE: You agree to keep the Equipment fully insured against risk and loss, with us as lender's loss payee, in an amount not less than the original cost until the Agreement is terminated. You also agree to obtain a general public liability insurance policy with such coverage and from such insurance carrier as shall be satisfactory to us and to include us as an additional insured on the policy. Your insurance policy(s) will provide for 10 days advance written notice to us of any modification or cancellation. You agree to provide us certificates or other evidence of insurance acceptable to us. If you fail to comply with this requirement within 30 days after the start of this Agreement, we may (A) secure property loss insurance on the Equipment from a carrier of our choosing in such forms and amounts as we deem reasonable to protect our interests. If we place insurance on the Equipment, we will not name you as an insured and your interests may not be fully protected. If we secure insurance on the Equipment, you will pay us an amount for the premium which may be higher than the premium that you would pay if you placed the insurance independently and an insurance fee which may result in a profit to us through an investment in reinsurance; or (B) charge you a monthly property damage surcharge of up to .0035 of the Equipment cost as a result of our credit risk and administrative and other costs, as would be further described on a letter from us to you. We may make a profit on this program. NOTHING IN THIS PARAGRAPH WILL RELIEVE YOU OF RESPONSIBILITY FOR LIABILITY INSURANCE ON THE EQUIPMENT. We are not responsible for, and you agree to hold us harmless and reimburse us for and to defend on our behalf against, any claim for any loss, expense, liability or injury caused by or in any way related to delivery, installation, possession, ownership, use, condition, inspection, removal, return or storage of the Equipment. You are responsible for the risk of loss or for any destruction of or damage to the Equipment. You agree promptly notify us in writing of any loss or damage. If the Equipment is destroyed and we have not otherwise agreed in writing, you will pay to us the unpaid balance of this Agreement, including any future rent to the end of the term plus the anticipated purchase price of the Equipment (both discounted at 4%). Any proceeds of insurance will be paid to us and credited, at our option, against any loss or damage. Hard Drive Security

- ☒ I request Modern Office Methods perform a **Quick Format** of the machine(s) indicated. I understand this procedure eliminates the path to find information on the hard drive, but does not clear the hard drive of all data. While it would be tremendously difficult, if someone has the appropriate tools it may be possible to get data from the hard drive, thus posing a potential security risk. There is no charge for this service.
- ☐ I request Modern Office Methods perform a **Secure Hard Drive Overwrite meeting DoD Standard requirements**. I understand that once overwritten, the data will not be recoverable. I agree to pay Modern Office Methods \$175 per hard drive they overwrite and understand that some devices have more than one hard drive. Modern Office Methods will provide an overwrite certificate(s) upon completion.
- ☐ I request Modern Office Methods **REMOVE** the hard drive(s) from the machine(s) indicated. (MOM will only perform this service on machines we sell or service.) I understand that hard drive removal may render the machine(s) inoperable and agree to hold MOM harmless for all loss of data and machine functionality. We will replace the hard drive with one that should make the machine operable, but, it will remain your responsibility that the machine operates properly. This may be important for any machine that is on a lease contract. I understand that some devices have more than one hard drive and agree to pay MOM \$300 per hard drive that is removed.

Client agrees to hold Modern Office Methods, it's owners, employees & assigns harmless from any & all claims, including attorneys fees and costs. Client acknowledges its full responsibility for any damages and/or financial penalties which may be incurred.

Perform ordinary tasks with extraordinary precision

Improve the way you manage information

Work faster, make better decisions

How quickly can you get information in the hands of those who need it the most? Use the Lanier MP 4054/MP 5054/MP 6054 to transition from one job to the next with ease. With recovery from sleep mode in only 4.9 seconds, you can start moving information almost as soon as you think of it. Use the intuitive, one-touch controls to produce up to 60 black-and-white pages per minute on a wide range of media. Convert paper documents into digital format for faster retrieval and distribution with the standard 220-Sheet Single Pass Document Feeder (SPDF), which scans up to 180 color or black-and-white images per minute. You can also use the optional OCR scanning feature to create PDF files that can be accessed simply by searching for key words in the document.

Work from more locations

You never know where your workday will take you. Be ready for anything — from anywhere. Print directly to the Lanier MP 4054/MP 5054/MP 6054 using Lanier HotSpot Enterprise. Use your smartphone to connect to the MFP and print network documents at your convenience and save yourself a long trek back to your desk. You can also bring your work with you via a USB drive or SD card. Simply plug it into the networked MFP and print or scan documents right from the device. With the Smart Device Connector app, you can copy, print, scan and fax directly from your smart device. Simply touch your smart device to the NFC tag on the optional Smart Operation Panel or scan the QR Code to automatically connect to the MFP and access these functions.

Minimize steps, maximize productivity

Nobody knows your job better than you do — so you know how to make it better. With the Lanier MP 4054/MP 5054/MP 6054, you can customize workflows to simplify how you work. Use icons on the Home Screen as shortcuts to frequently used tasks and skip repetitive steps with a single touch. Take advantage of embedded software like GlobalScan® NX to scan and convert paper documents to digital files quickly so you gain easier access to important information across the enterprise. Add other third-party vendor solutions to simplify content management and other business-critical tasks so you can work with fewer manual touchpoints and minimize errors.

Impress with high-quality documents

Capture the attention of your audience with a wider range of professional-looking documents. It's easy with the icon-driven, preset PCL6 interface driver. With a single click, you can produce eye-catching black-and-white documents at up to 1200 dpi. Print on more types of stocks, including thicker paper, sizes up to 11" x 17" and even envelopes from the standard tray. Plus, you can choose between several automated finishers for end-to-end document production with incredible quality in fewer steps.

Simplify your workday with a wider range of capabilities

Access key functions conveniently

You use your smartphone or tablet every day because it's convenient and keeps you connected. Now you can say the same about the MFP in your office. With the Lanier MP 4054/MP 5054/MP 6054, you can simplify routine actions like printing, copying, scanning and faxing with the same intuitive drag-and-drop, pinch-and-flick and swipe scrolling you use on your personal devices. Navigate between key functions with ease via the optional 10.1" Wide Super VGA Smart Operation Panel. You'll have fewer steps, so you can access and share information in only moments.

Move information in more ways, from more places

You have enough to do. Let us handle some of it for you. After all, our legacy includes finding fast, affordable ways to automate routine tasks to simplify the way you work. Need to grab an important document to share with an offsite client? Want to share newly captured information with people who may be away from the office? Use the optional Integrated Cloud Environment (ICE) solution to manage information in the Cloud — and be spared expensive servers, equipment and maintenance. Visitors to your office can have the same convenience. They can send emails with attachments directly to the MFP for fast, easy printing without downloading print drivers.

Protect what's most important

You have something in high demand — information. It's important that you protect it to ensure it gets to the right people. With the Lanier MP 4054/MP 5054/MP 6054, you can store documents at the device for safekeeping. Release them by swiping an authorized ID card at the optional card reader or by entering a passcode on the control panel. Add watermarks to documents and mask copy when unauthorized users try to duplicate them. You can also use PDF encryption to scramble data on confidential PDFs to keep information safe. Worried about information you leave behind? With the DataOverwriteSecurity System (DOSS), images and data on the hard drive are rendered unreadable automatically.

Discover an easier way to handle more types of jobs

Improve collaboration with digital delivery

You can't predict when you're going to get a great idea. But you can know exactly when the next person gets it. Send important information — including black-and-white or color images and documents — in PDF, TIFF or JPEG formats via Scan-to-File/Folder/URL/FTP/Email without wasting paper or time. You can compress larger or more complex graphics files and send them just as easily without compromising quality. When you need to send contracts, invoices or other paper documents, use Internet Faxing, LAN Faxing or IP Fax for fast delivery. You can even use the Lanier MP 4054/MP 5054/MP 6054 as a conduit for remote faxing and minimize the need for additional phone lines and fax boards.

Expedite everyday tasks

You're facing enough challenges. Your office MFP shouldn't be your next one. On other systems, a single paper jam can derail productivity for an entire workgroup before the problem is even discovered. With the Lanier MP 4054/MP 5054/MP 6054, you only need to follow the on-screen animation and LED guide (inside the MFP) and you can trace the source of the problem in moments. Reloading paper is just as easy. Expand capacity to 4,700 sheets with optional paper trays and print for extended runs without interruptions. In addition, you can automate meter reads, access system settings, streamline firmware updates and more — all from the convenience of your desktop — so you can spend more time on core, revenue-generating tasks.

Conserve energy to reduce operating costs

You'll find just the opposite to be true with the Lanier MP 4054/MP 5054/MP 6054. It offers low cost-per-page and best-in-class typical electricity consumption (TEC) values so you can reduce costs while meeting your sustainability goals. With a shorter recovery time of less than 5 seconds from sleep mode, the Lanier MP 4054/MP 5054/MP 6054 keeps up with today's fast-paced business environment. You can program the device to power on or off during specified times to conserve energy for even greater savings. Plus, the device meets EPEAT® Gold* criteria — a global environmental rating system for electronic products — and is certified with the latest ENERGY STAR™ specifications.

Eco-Friendly Indicator Screen as shown on the Smart Operation Panel.

*EPEAT Gold rating is applicable only in the USA.

1. AGREEMENT: For business purposes only, you agree to lease from us the goods, together with all replacements, parts, repairs, additions, and accessions incorporated therein or attached thereto and any and all proceeds of the foregoing, including, without limitation, insurance recoveries (the "Equipment") and/or to finance certain licensed software and services ("Financed Items", which are included in the word "Equipment" unless separately stated), all as described on page 1 of this Agreement, excluding equipment marked as not financed under this Agreement, as it may be supplemented from time to time. You agree to all of the terms and conditions contained in this Agreement and any supplement, which (with the acceptance certification) is the entire agreement regarding the Equipment ("Agreement") and which supersedes any purchase order or invoice. You authorize us to correct or insert missing Equipment identification information and to make corrections to your proper legal name and address. This Agreement becomes valid upon execution by us. If service and supplies are not included, this Agreement will start on the date we pay the supplier and interim rent/due date adjustments will be in an amount equal to 1/30th of the Payment, multiplied by the number of days between the Agreement start date and the first Payment due date. This Agreement will automatically renew for 12-month term(s) unless you purchase or return the Equipment (according to the conditions herein) and send us written notice between 90 and 150 days (before the end of any term) that you do not want it renewed. If any provision of this Agreement is declared unenforceable in any jurisdiction, the other provisions herein shall remain in full force and effect in that jurisdiction and all others. You shall deliver all information requested by us which we deem reasonably necessary to determine your financial condition and faithful performance of the terms herein.

2. RENT, TAXES AND FEES: You will pay the monthly Payment (as adjusted) when due, plus any applicable sales, use and property taxes. The base Payment will be adjusted proportionately upward or downward: (1) by up to 10% to accommodate changes in the actual Equipment cost; (2) if the taxes differ from the estimate given to you; and (3) to comply with the tax laws of the state in which the Equipment is located. If we pay any taxes, insurance or other expenses that you owe hereunder, you agree to reimburse us when we request and to pay us a processing fee for each expense or charge we pay on your behalf. We may charge you for any filing fees required by the Uniform Commercial Code (UCC) or other laws, which fees vary state-to-state. We will have the right to apply all sums, received from you, to any amounts due and owed to us under the terms of this Agreement. If for any reason your check is returned for nonpayment, you will pay us a bad check charge of \$30 or, if less, the maximum charge allowed by law. We may make a profit on any fees, estimated tax payments and other charges paid under this Agreement.

3. MAINTENANCE AND LOCATION OF EQUIPMENT; SECURITY INTEREST: At your expense, you agree to keep the Equipment: (1) in good repair, condition and working order, in compliance with applicable manufacturers' and regulatory standards; (2) free and clear of all liens and claims; and (3) only at your address shown on page 1, and you agree not to move it unless we agree. As long as you have given us the written notice as required in paragraph 1 prior to the expiration or termination of this Agreement's term, if you do not purchase the Equipment, you will return all but not less than all of the Equipment and all related manuals and use and maintenance records to a location we specify, at your expense, in retail re-saleable condition, full working order and complete repair. You are solely responsible for removing any data that may reside in the Equipment you return, including but not limited to hard drives, disk drives or any other form of memory. You grant us a security interest in the Equipment to secure all amounts you owe us under any agreement with us, and you authorize us to file a financing statement (UCC-1). You will not change your state of organization, headquarters or residence without providing prior written notice to us so that we may amend or file a new UCC-1. You will notify us within 30 days if your state of organization revokes or terminates your existence.

4. COLLATERAL PROTECTION; INSURANCE; INDEMNITY; LOSS OR DAMAGE: You agree to keep the Equipment fully insured against risk and loss, with us as lender's loss payee, in an amount not less than the original cost until this Agreement is terminated. You also agree to obtain a general public liability insurance policy with such coverage and from such insurance carrier as shall be satisfactory to us and to include us as an additional insured on the policy. Your insurance policy(s) will provide for 10 days advance written notice to us of any modification or cancellation. You agree to provide us certificates or other evidence of insurance acceptable to us. If you fail to comply with this requirement within 30 days after the start of this Agreement, we may (A) secure property loss insurance on the Equipment from a carrier of our choosing in such forms and amounts as we deem reasonable to protect our interests. If we place insurance on the Equipment, we will not name you as an insured and your interests may not be fully protected. If we secure insurance on the Equipment, you will pay us an amount for the premium which may be higher than the premium that you would pay if you placed the insurance independently and an insurance fee which may result in a profit to us through an investment in reinsurance; or (B) charge you a monthly property damage surcharge of up to .0035 of the Equipment cost as a result of our credit risk and administrative and other costs, as would be further described on a letter from us to you. We may make a profit on this program. **NOTHING IN THIS PARAGRAPH WILL RELIEVE YOU OF RESPONSIBILITY FOR LIABILITY INSURANCE ON THE EQUIPMENT.** We are not responsible for, and you agree to hold us harmless and reimburse us for and to defend on our behalf against, any claim for any loss, expense, liability or injury caused by or in any way related to delivery, installation, possession, ownership, use, condition, inspection, removal, return or storage of the Equipment. You are responsible for the risk of loss or for any destruction of or damage to the Equipment. You agree to promptly notify us in writing of any loss or damage. If the Equipment is destroyed and we have not otherwise agreed in writing, you will pay to us the unpaid balance of this Agreement, including any future rent to the end of the term plus the anticipated purchase price of the Equipment (both discounted at 4%). Any proceeds of insurance will be paid to us and credited, at our option, against any loss or damage. You authorize us to sign on your behalf and appoint us as your attorney-in-fact to endorse in your name any insurance drafts or checks issued due to loss or damage to the Equipment. All indemnities will survive the expiration or termination of this Agreement.

5. ASSIGNMENT: YOU HAVE NO RIGHT TO SELL, TRANSFER, ASSIGN OR SUBLEASE THE EQUIPMENT OR THIS AGREEMENT, without our prior written consent. Without our prior written consent, you shall not reorganize or merge with any other entity or transfer all or a substantial part of your ownership interests or assets. We may sell, assign, or transfer this Agreement without notice. You agree that if we sell, assign or transfer this Agreement, our assignee will have the same rights and benefits that we have now and will not have to perform any of our obligations. You agree that the new Lessor will not be subject to any claims, defenses, or offsets that you may have against us. You shall cooperate with us in executing any documentation reasonably required by us or our assignee to effectuate any such assignment. This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns.

6. DEFAULT AND REMEDIES: You will be in default if (a) you do not pay any Payment or other sum due to us or any other person when due or if you fail to perform in accordance with the covenants, terms and conditions of this Agreement or any other agreement with us or any of our affiliates or any material agreement with any other lender, (b) you make or have made any false statement or misrepresentation to us, (c) you or any guarantor dies, dissolves or terminates existence, (d) there has been a material adverse change in your or any guarantor's financial, business or operating condition, or (e) any guarantor defaults under any guaranty for this Agreement. If any part of a Payment is more than 5 days late, you agree to pay a late charge of 10% of the Payment which is late or if less, the maximum charge allowed by law. If you are ever in default, at our option, we can terminate this Agreement and require that you pay the unpaid balance of this Agreement, including any future Payments to the end of the term plus the anticipated purchase price of the Equipment (both discounted at 2%). We may recover default interest on any unpaid amount at the rate of 12% per year. Concurrently and cumulatively, we may also use any or all of the remedies available to us under Articles 2A and 9 of the UCC and any other law, including requiring that you: (1) return the Equipment to us to a location we specify; and (2) immediately stop using any Financed Items. In addition, we will have the right, immediately and without notice or other action, to set-off against any of your liabilities to us any money, including depository account balances, owed by us to you, whether or not due. In the event of any dispute or enforcement of rights under this Agreement or any related agreement, you agree to pay our reasonable attorney's fees (including any incurred before or at trial, on appeal or in any other proceeding), actual court costs and any other collection costs, including any collection agency fee. If we have to take possession of the Equipment, you agree to pay the costs of repossession, moving, storage, repair and sale. The net proceeds of the sale of any Equipment will be credited against what you owe us under this Agreement. **YOU AGREE THAT WE WILL NOT BE RESPONSIBLE TO PAY YOU ANY CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES FOR ANY DEFAULT, ACT OR OMISSION BY ANYONE.** Any delay or failure to enforce our rights under this Agreement will not prevent us from enforcing any rights at a later time. You agree that this Agreement is a "Finance Lease" as defined by Article 2A of the UCC and your rights and remedies are governed exclusively by this Agreement. You waive all rights under sections 2A-508 through 522 of the UCC. If interest is charged or collected in excess of the maximum lawful rate, we will not be subject to any penalties.

7. STATE AND LOCAL GOVERNMENT ADDENDUM

Addendum to Agreement # _____, dated _____, between _____, as Customer and **Modern Office Methods, Inc. dba Document Solutions**, as Lessor.

The parties wish to amend the above-referenced Agreement to add the following language:

REPRESENTATIONS AND WARRANTIES OF CUSTOMER: Customer hereby represents and warrants to Lessor that: (a) Customer has been duly authorized by the Constitution and laws of the applicable jurisdiction and by a resolution of its governing body (which resolution, if requested by Lessor, is attached hereto), to execute and deliver the Agreement and to carry out its obligations hereunder; (b) All legal requirements have been met, and procedures have been followed, including public bidding, in order to ensure the enforceability of the Agreement; (c) The Agreement is in compliance with all laws applicable to Customer, including any debt limitations or limitations on interest rates or finance charges; (d) The Equipment will be used by Customer only for essential governmental or proprietary functions of Customer consistent with the scope of Customer's authority and will not be used in a trade or business of any person or entity, by the federal government or for any personal, family or household use; Customer's need for the Equipment is not expected to diminish during the term of the Agreement; (e) Customer has funds available to pay contracted Payments until the end of its current appropriation period, and it intends to request funds to make contracted Payments in each appropriation period, from now until the end of the term of the Agreement; (f) Customer's exact legal name is as set forth on page one of the Agreement; and (g) Customer will not change its legal name in any respect without giving thirty (30) days prior written notice to Lessor.

NON-APPROPRIATION: If either sufficient funds are not appropriated to make contracted Payments under the Agreement or (to the extent required by applicable law) the Agreement is not renewed, the Agreement shall terminate and Customer shall not be obligated to make contracted Payments under the Agreement beyond the then-current fiscal year for which funds have been appropriated. Upon such an event, Customer shall, no later than the end of the fiscal year for which contracted Payments have been appropriated, deliver possession of the Equipment to Lessor. If Customer fails to deliver possession of the Equipment to Lessor, the termination shall nevertheless be effective but Customer shall be responsible for the payment of damages in an amount equal to the portion of contracted Payments thereafter coming due that is attributable to the number of days after the termination during which the Customer fails to deliver possession and for any other loss suffered by Lessor as a result of Customer's failure to deliver possession as required. Customer shall notify Lessor in writing within seven (7) days after either the failure of the Customer to appropriate funds sufficient for the payment of the contracted Payments or (to the extent required by applicable law) the Agreement is not renewed, but failure to provide such notice shall not operate to extend the Agreement term or result in any liability to Customer.

ENTIRE AGREEMENT: Customer agrees that the terms and conditions of the Agreement and any supplement or schedule thereto and any related acceptance certificate constitutes the entire agreement regarding the financing or lease of the Equipment and supersedes any purchase order, invoice, request for proposal or other document.

The parties wish to amend the above-referenced Agreement by restating the following:

Any provision in the Agreement stating that the Agreement shall automatically renew unless the Equipment is purchased, returned or a notice requirement is satisfied is hereby amended and restated as follows: "This Agreement will renew for month-to-month terms unless you purchase or return the Equipment (according to the conditions herein) or send us written notice at least 30 days (before the end of any term) that you do not want it renewed."

NOTE: SIGNER OF THIS DOCUMENT MUST BE SAME AS ON THE AGREEMENT. A FACSIMILE OF THIS DOCUMENT WITH SIGNATURE SHALL BE CONSIDERED TO BE AN ORIGINAL. CAPITALIZED TERMS IN THIS DOCUMENT ARE DEFINED AS IN THE AGREEMENT, UNLESS SPECIFICALLY STATED OTHERWISE.

Any provision in the Agreement stating that you grant us a security interest in the Equipment to secure all amounts owed to us under any agreement is hereby amended and restated as follows: "To the extent permitted by law, you grant us a security interest in the Equipment to secure all amounts you owe us under this Agreement, and you authorize us to file a UCC-1 financing statement.

Any provision in the Agreement stating that you shall indemnify and hold us harmless is hereby amended and restated as follows: "You shall not be required to indemnify or hold us harmless against liabilities arising from the Agreement. However, as between you and us, and to the extent permitted by law and legally available funds, you shall bear the risk of loss for, shall pay directly, and shall defend against any and all claims, liabilities, proceedings, actions, expenses, damages or losses arising under or related to the Equipment, including, but not limited to, the possession, ownership, lease, use or operation thereof, except that you shall not bear the risk of loss of, nor pay for, any claims, liabilities, proceedings, actions, expenses, damages or losses that arise directly from events occurring after you have surrendered possession of the Equipment in accordance with the terms of the Agreement to us or that arise directly from our gross negligence or willful misconduct."

Any provision in the Agreement stating that a default by you under any agreement with our affiliates or other lenders shall be an event of default under the Agreement is hereby amended and restated as follows: "You will be in default if: (a) you do not pay any Payment or other sum due to us under the Agreement when due or if you fail to perform in accordance with the covenants, terms and conditions of this Agreement, (b) you make or have made any false statement or misrepresentation to us, (c) you or any guarantor dies, dissolves or terminates existence, (d) there has been a material adverse change in your or any guarantor's financial, business or operating condition, or (e) any guarantor defaults under any guaranty for this Agreement."

Any provision in the Agreement requiring you to pay amounts due under the Agreement upon the occurrence of a default, failure to appropriate funds or failure to renew the Agreement is hereby amended to limit such requirement to the extent permitted by law and legally available funds.

Any provision in the Agreement stating that the Agreement is governed by a particular state's laws and you consent to such jurisdiction and venue is hereby amended and restated as follows: "This Agreement will be governed by and construed in accordance with the laws of the state where Customer is located. You consent to jurisdiction and venue of any state or federal court in such state and waive the defense of inconvenient forum."

By signing this Addendum, Customer acknowledges the above changes to the Agreement and authorizes Lessor to make such changes. In all other respects, the terms and conditions of the Agreement remain in full force and effect and remain binding on Customer.

MEMORANDUM

Date: 22 February 2017

To: City Council

From: LT R. Wright #90

Subject: Purchase of Replacement Unmarked Vehicle

The Reynoldsburg Detective Bureau currently possesses an unmarked van used for undercover narcotics operations and surveillance. The van is a 1993 Chevy Conversion van that is in very poor and unsafe condition for driving. The street mechanic assessment to repair the van is estimated to exceed the value of the van. A newer 2007 Chevy Express van was located at Coughlin Cars in Pataskala and will suit the needs of the detective bureau.

Request the following actions:

1. Approval to appropriate money from the Federal Forfeiture account 294.111.5529 to enter into a contract with Coughlin Cars and purchase the 2007 Chevy Express van at \$9999.00.
2. Remove the following vehicles from the asset tag list for trade in (the maintenance costs of both vehicles exceeds the actual value of the vehicles):
 - a. 1993 Chevy Conversion Van: 1GBEG25K2PF354914
 - b. 2003 Chevy Malibu: 1G1ND52J13M721480
3. Declare this request an emergency to secure immediate purchase as Coughlin does not want to hold the vehicle for over 30 days.
