Amending Sections 741.01 Sales and 741.05 Waiver of Chapter 741 Solicitors. (First
Reading 2/13/2017).**

Mr. Snowden: Thank you Chairman Long and other members of Council. This Solicitors Chapter, Chapter 741 of the Code is one of the sections I worked with with former Service Director Nathan Burd to standardize all the language we're using throughout the Code. In this case, we missed 2 items that we need corrected. The point of this was to have all of Chapter 741 read Service Director when the question of which Director is implementing the chapter and Mr. Sampson and his team handle all of the permitting done under this section. With that I think it's pretty self explanatory. Now that we have the new code I can go through and make sure we didn't miss anything.
