MINUTES COMMITTEE MEETING
 REYNOLDSBURG PUBLIC SAFETY, LAW AND COURTS COMMITTEE
 January 14, 2019

Ward 4 Councilmember Mel Clemens called the meeting to order at 7:55 PM

Call to Order - Roll Call

PRESENT: Clemens, Baker, Bryant, Skinner

ABSENT:

Approval of Agenda

Approval of Minutes

a. Public Safety, Law and Courts Committee – Committee Meeting – December 17, 2018

RESULT:	ACCEPTED
----------------	-----------------

NEW LEGISLATION/DISCUSSION ITEMS

ELECTION OF CHAIRMAN; APPOINTMENT OF VICE CHAIRMAN

Chairman Clemens appointed Councilwoman Bryant as Vice Chairman.

RESULT:	ADOPTED [UNANIMOUS]
MOVER:	Caleb Skinner, Ward 1 Councilmember
SECONDER:	Kristin Bryant, At-Large Councilmember
AYES:	Clemens, Baker, Bryant, Skinner

ORDINANCE APPROPRIATING FUNDS FROM UNAPPROPRIATED GENERAL FUND TO AN ACCOUNT IN THE POLICE DEPARTMENT. --- Clemens. Public Safety, Law and Courts Committee.

Chief Plesich: Thank you Chairman, this was money that was donated to the K9 program and we'd like to publicly thank Wesbanco, Beanie Auto Service, Vick's Pizza, ** Corporation, Coughlin, BW3, Five Bean and several other donors including a Go Fund Me page that raised over \$5000 from our citizens and our officers. Any questions?

RESULT:	REFERRED TO COUNCIL [UNANIMOUS]	Next: 1/14/2019 7:34 PM
MOVER:	Mel Clemens, Ward 4 Councilmember	
SECONDER:	Caleb Skinner, Ward 1 Councilmember	
AYES:	Clemens, Baker, Bryant, Skinner	

ORDINANCE AUTHORIZING THE MAYOR TO PURCHASE RADIOS AND RELATED EQUIPMENT FOR THE POLICE DEPARTMENT FROM R.E.M. COMMUNICATIONS; AND DECLARING AN EMERGENCY. --- Clemens. Public Safety, Law and Courts Committee.

Chief Plesich: This will be for our Kenwood radios, 15 in all for walkie talkies.

Minutes Acceptance: Minutes of Jan 14, 2019 7:31 PM (Approval of Minutes)

MINUTES COMMITTEE MEETING
 REYNOLDSBURG PUBLIC SAFETY, LAW AND COURTS COMMITTEE
 January 14, 2019

RESULT:	REFERRED TO COUNCIL [UNANIMOUS]	Next: 1/14/2019 7:34 PM
MOVER:	Mel Clemens, Ward 4 Councilmember	
SECONDER:	Stacie Baker, At-Large Councilmember	
AYES:	Clemens, Baker, Bryant, Skinner	

ORDINANCE AUTHORIZING THE MAYOR TO PURCHASE BODY CAMERAS AND RELATED EQUIPMENT FOR THE POLICE DEPARTMENT FROM KUSTOM SIGNAL; AND DECLARING AN EMERGENCY. --- Clemens. Public Safety, Law and Courts Committee.

Chief Plesich: This is for 50 body worn cameras for our uniformed officers and supervisors.

Mr. Skinner: Just to clarify, we currently don't have any body cameras correct? This would be across the board giving them to everybody?

Chief Plesich: That is correct, we don't have any.

Mr. Baker: More of a comment. I would like to say, I like the idea of this. Thank you first of all because this will help keep our men and women in law enforcement safe and also the general public safe as well.

Chief Plesich: We think so as well.

Mr. Cotner: Everyone will have one? Will they be worn at all times? Will this be a new policy that every time they're on patrol they're worn by every officer? How are they going to be implemented and what do you envision happening?

Chief Plesich: Well we're purchasing 50. Our goal is to ultimately have 12 officers per shift and 2 supervisors per shift. We're a little short of that right now, that's what we're working on some of these purchases for walkies and what not. So currently we're probably at about 10 or 11 officers per shift and 2 supervisors per shift and plus we have a couple extras. Policy has not been adopted yet. When we did test a couple of body worn cameras a few months back, we did adopt a policy that I had at a previous location just so that we had something on record. So generally the idea is that uniformed officers responding to calls will be required to turn them on when they are responding.

Ms. Bryant: With that same policy, will they also have discretion to turn it off when speaking to sensitive witness or taking care of personal needs like breaks and what not?

Chief Plesich: Having been an officer that had failed to do that from time to time, yes, we definitely will have times when it is appropriate to turn them off.

Mr. Skinner: I believe that this is the same policy that Columbus police uses is that correct?

Chief Plesich: We will not adopt Columbus policy. I used Charleston, South Carolina's policy and the DC and I will use that as a starting point and we'll come up with our own.

Minutes Acceptance: Minutes of Jan 14, 2019 7:31 PM (Approval of Minutes)

MINUTES COMMITTEE MEETING
 REYNOLDSBURG PUBLIC SAFETY, LAW AND COURTS COMMITTEE
 January 14, 2019

Mr. Baker: Can I get a copy of that policy because I'm very aware of Columbus policy but I don't know anything about South Carolina policy.

Chief Plesich: As soon as we have it written, you'll have it.

Mr. Joseph: What is the time table as far as when you want to see this fully implemented?

Chief Plesich: I would hate to estimate because I don't know if the company has them on the shelf. Perhaps at the next Council meeting I can give you a better time table.

Mr. Joseph: Have you done any research as to how often these have to be replaced due to breakage or failure or any other issues that may cause them to malfunction?

Chief Plesich: No, but I can tell you from personal experience, they are very robust. If the clips are not robust, they can fly off during combat and it's been my experience that that's never manageable that I'm aware of. We're implementing a camera that has a very strong clip, stronger than the one I've ever used. And we're also a very strong magnet and we're also looking at outer vest carriers for our officers that comes with an area designated for body worn cameras. So they're designing equipment now that hang onto them a little bit better.

RESULT:	REFERRED TO COUNCIL [UNANIMOUS]	Next: 1/14/2019 7:34 PM
MOVER:	Mel Clemens, Ward 4 Councilmember

ORDINANCE AUTHORIZING MAYOR TO PURCHASE FOUR (4) POLICE CRUISERS AND RELATED EQUIPMENT FOR THE REYNOLDSBURG POLICE DEPARTMENT. --- Clemens. Public Safety, Law and Courts Committee.

Chief Plesich: This will be for four new Ford Police SUVs and this will begin a rotation that we are hopeful that every year we can come back and ask for the same amount of cars that way there's not a spike in cost for cruisers every so often.

Mr. Skinner: I would just like to make a comment that I appreciate that as well. The consistency of it as opposed to every so many years we have to splurge and buy 10 new vehicles, we had a situation like that last year where we just had a lot of malfunctioning vehicles and we had to spend a large sum on them at one time. So I appreciate the consistency that we're looking at here.

Chief Plesich: Well thank you and we definitely appreciate the support of the Council that did provide those vehicles because that got us where we needed to be.

Mr. Luzader: I've mentioned this before Chief and I'm hoping that the city mechanic has been included on the specifications not necessarily the cruisers, but, because I know cruisers can be a

January 14, 2019

different breed of animal and a lot of times those are specked out before you ever get them. But also for your next item on the pick-up truck to make sure that it will do the job that it needs to do.

Chief Plesich: Absolutely. I delegate vehicle acquisition to one of my Sargents, Sgt. Bachmoyer, he's the one that did advise that the City crew was the entity that the previous truck, reference number 5, was no longer viable and so, they do our striping now so it's a team effort now.

ORDINANCE TO AUTHORIZE THE MAYOR TO PURCHASE ONE (1) PICK-UP TRUCK AND RELATED EQUIPMENT FOR THE POLICE DEPARTMENT; AND DECLARING AN EMERGENCY. --- Clemens. Public Safety, Law and Courts Committee.

Chief Plesich: I kind of hinted at this a moment ago. So, we have a pick up truck that is assigned to our special investigations unit and due to some frame rot I believe, we were informed that the vehicle was no longer safe to operate so we did have to take it out of service. This is a replacement vehicle and for the type of work that it is used for, we thought it was more appropriate to buy a used vehicle which we spent several days to find one that fit the needs of the SIU and was significantly lower cost than a brand new vehicle that came in at about \$19,000.

Mr. Clemens: Declaring it an emergency because its used and buying it at the proper price?

Chief Plesich: We declared an emergency because it is assigned as the vehicle for one of my SIU detectives to operate and it is necessary for the type of work he does.

Mr. Clemens: I understand that, the reason I brought that up is we have so many pick up trucks floating around Reynoldsburg here, I figured if you needed something you could use it from another department and I don't know why this is not done to be honest with you.

Chief Plesich: Well, this is for undercover work sir.

Mr. Clemens: Alright.

STATE OF OHIO
DEPARTMENT OF ADMINISTRATIVE SERVICES
GENERAL SERVICES DIVISION
OFFICE OF PROCUREMENT SERVICES
4200 SURFACE ROAD, COLUMBUS, OH 43228-1395MANDATORY USE CONTRACT FOR: NEW, MODEL YEAR 2019 OR MANUFACTURER'S CURRENT PRODUCTION
MODEL, LAW ENFORCEMENT VEHICLESCONTRACT No.: RS901519EFFECTIVE DATES: 10/26/18 to 09/30/19

The Department of Administrative Services has accepted bids submitted in response to Invitation to Bid No. RS901519 that opened on 09/14/18. The evaluation of the bid response(s) has been completed. The bidder(s) listed herein have been determined to be the lowest responsive and responsible bidder(s) and have been awarded a contract for the item(s) listed. The respective bid response, including the Instructions to Bidders and Standard Terms and Conditions, special contract terms & conditions, any bid addenda, specifications, pricing schedules and any attachments incorporated by reference and accepted by DAS become a part of this Requirements Contract.

This Requirements Contract is effective beginning and ending on the dates noted above unless, prior to the expiration date, the Contract is renewed, terminated or cancelled in accordance with the Contract Terms and Conditions.

CONTRACT RENEWAL. This Contract may be renewed after the ending date of the Contract solely at the discretion of the Contracting Agency for a period of one month. Any further renewals will be by mutual agreement between the Contractor and the Contracting Agency for any number of times and for any period of time. The cumulative time of all mutual renewals may not exceed 24 months unless the Contracting Agency determines that additional renewal is necessary.

This Requirements Contract is available to all State Agencies, State institutions of higher education and properly registered members of the Cooperative Purchasing Program of the Department of Administrative Services, as applicable.

Agencies are eligible to make purchases of the listed supplies and/or services in any amount and at any time as determined by the agency. The State makes no representation or guarantee that agencies will purchase the volume of supplies and/or services as advertised in the Invitation to Bid.

SPECIAL NOTE: State agencies may make purchases under this Requirements Contract up to \$2500.00 using the State of Ohio payment card. Any purchase that exceeds \$2500.00 will be made using the official State of Ohio purchase order (ADM-0523). Any non-state agency, institution of higher education or Cooperative Purchasing member will use forms applicable to their respective agency.

This Requirements Contract and any Amendments thereto are available from the DAS website at the following address:

<http://www.ohio.gov/procure>

Signed: _____

SPECIAL CONTRACT TERMS AND CONDITIONS

AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

DELIVERY AND ACCEPTANCE: Supplies will be delivered to the participating agency within timeframe noted on price schedule after receipt of order. The delivery location will be noted on the purchase order issued by the participating agency. Acceptance (transfer of title) will occur upon the inspection and written confirmation by the ordering agency that the supplies delivered conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, acceptance shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

DESCRIPTIVE LITERATURE: The Bidder may be required to submit descriptive literature of the supplies or services being offered. If requested, the literature will be used in the evaluation process to determine the lowest responsive and responsible bidder. If not provided as part of the bid response, the Bidder must provide said literature within ten (10) calendar days after request/notification by the Office of Procurement Services to do so. Any references, that may appear in the descriptive literature, that may alter the terms and conditions and specifications of the bid (e.g. F.O.B. Shipping Point or Prices Subject to Change), will not be part of any contract and will be disregarded by the state of Ohio. Failure of the bidder to furnish descriptive literature either as part of their bid response or within the time specified herein will deem the bidder not responsive.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instructions to Bidders". In addition, the State will evaluate the bid based on the total item cost, which equals the estimated number of units multiplied by the unit bid price plus the appropriate delivery charge. If estimated usages are unknown a quantity of one (1) will be used for the evaluation. If there is no "delivery charge per mile round trip map mileage rate" supplied or, the calculated value of the delivery charge is less than the minimum delivery charge, the minimum delivery charge will be used for evaluation purposes. The state reserves the right to reject the "per mile" delivery charge or the "minimum" delivery charge if it is determined to be excessive.

Example Calculation:

Total Item Cost = [(vehicle unit price) x (estimated number of units)] + [(delivery charge per mile round trip x 300) x estimated number of vehicles]

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder by vehicle line item by specified manufacturer make and model pursuant to OAC 123:5-1-10(I). No other makes or models will be acceptable.

OPTION PRICING NOTE: Option prices bid are to be less than the manufacturer's suggested retail price(s) (MSRP). Bidder signifies by their signature on page one (1) of the ITB, that the option prices bid are less than MSRP. Bidders found to be over charging for options during bid evaluation may have those options deleted from any award. Ordering entities are advised to compare window sticker prices of options, where possible, with option charges on invoices. Bidders found to be over charging for options at the time of invoicing will be required to submit corrected invoices reflecting proper pricing.

Bidders must indicate "Included", "Not Available", or a Price for each option specified. Failure to enter a cost for the options with a value in the units to evaluate field may deem your bid response as non-responsive and ineligible for an award for that item. If an option is not available as original factory equipment and is supplied as an aftermarket item, the Dealer Option/Order Code is to include an "AM" designation.

- A. **REQUIRED OPTIONS:** Bidders must provide a unit cost for options that are listed in the options table. If the option is included in the base unit, the bidder is to enter "Included" in the space provided and the numerical value of \$0.00 will be used in the evaluation. Options quoted will be made available to the ordering entities at the discretion of DAS, as part of the contract. Failure to enter "included" or a cost for all options may deem your bid non-responsive and ineligible for an award for that item.
- B. **ADDITIONAL OPTION PACKAGES:** Bidders may elect to supply pricing for popular or common option packages not included in the required option table. Additional option packages quoted will be made available to the ordering entities at the discretion of DAS, as part of the contract.
- C. **UNSPECIFIED OPTION PRICE:** Is the percentage above the manufacturer's invoice cost that is used to calculate unit cost for non-specified optional equipment required by an ordering entity.

SPECIAL CONTRACT TERMS AND CONDITIONS (CONT'D)

FIRM FIXED-PRICE CONTRACT: The contract is a Firm Fixed-Price Contract. The Contractor(s) is required to provide to the using agency supplies or services at the listed price(s) for the duration of the contract, and any extensions thereto.

COOPERATIVE PURCHASING CONTRACT: This Contract may be relied upon by Ohio institutions of higher education and Ohio political subdivisions. Ohio political subdivisions include any county, township, municipal corporation, school district, conservancy district, township park district, park district created under Chapter 1545 of the Revised Code, regional transit authority, regional airport authority, regional water and sewer district, port authority or any other political subdivision as described in the Ohio Revised Code. To qualify to use this Contract the political subdivision must be currently enrolled in the State's Cooperative Purchasing Program. Purchases made from this Contract by a political subdivision that is not properly registered with the State's Cooperative Purchasing Program will be a violation of law and may be contrary to the political subdivision's competitive bidding requirements. If a political subdivision or institution of higher education relies upon this Contract to issue a purchase order or other ordering document, the political subdivision or institution of higher education "steps into the shoes" of the State under this Contract. The political division's or institution of higher education's order and this Contract are between the Contractor and the political subdivision or institution of higher education. The Contractor must look solely to the political subdivision or institution of higher education for performance, including payment. The Contractor agrees to hold the state of Ohio harmless with regard to political subdivisions and institution of higher education's orders and political subdivision's and institution of higher education's performance. DAS may cancel this Contract and may seek remedies if the Contractor fails to honor its obligations under an order from a political subdivision or institution of higher education.

CONTRACTOR QUARTERLY SALES REPORT: The Contractor must report the quarterly dollar value (in U.S. dollars and rounded to the nearest whole dollar) of the sales, to include both state agencies and political subdivisions, under this Contract by calendar quarter (e.g. January-March, April-June, July-September and October-December). The dollar value of the sale is the price paid by the Contract user for the products and/or services listed on the purchase order or other encumbering document, as recorded by the Contractor.

The Contractor will receive an email with a User ID and password and must report the quarterly dollar value of sales to the Department of Administrative Services (DAS) via the Internet using the web form at the Ohio DAS Contract Management Contractor Portal, <https://cm.ohio.gov/>. If no sales occur, the Contractor must show zero. The report must be submitted thirty (30) days following the completion of the reporting period. The Contractor is responsible for emailing the Analyst listed on page one of the contract with any company contact changes.

The Contractor shall also submit a close-out report within one hundred and twenty (120) days after the expiration of this Contract. The Contract expires upon the physical completion of the last outstanding task or delivery order of the Contract. The close-out report must cover all sales not shown in the final quarterly report and reconcile all errors and credits. If the Contractor reported all contract sales and reconciled all errors and credits on the final quarterly report, then the Contractor should show zero "0" sales in the close-out report.

The Contractor must forward the Quarterly Sales Report to one of the following addresses,

For same day or overnight deliveries:

Huntington National Bank
ATTN: L-3686
7 Easton Oval
Columbus, OH 43219

All other deliveries may be sent to the following address:

Department of Administrative Services
L-3686
Columbus, OH 43260-3686

If the Contractor fails to submit sales reports, falsifies reports or fails to submit sales reports in a timely manner, DAS may suspend, terminate or cancel this Contract.

SPECIAL CONTRACT TERMS AND CONDITIONS (CONT'D)

CONTRACTOR REVENUE SHARE: The Contractor must pay the Department of Administrative Services (DAS) a revenue share of the sales transacted under this contract. The Contractor must remit the revenue share in U.S. dollars within thirty (30) days after the end of the quarterly sales reporting period. The revenue share equals 0.75% of the total quarterly sales reported. Contractors must include the revenue share in their prices. The revenue share is included in the award price(s) and reflected in the total amount charged to ordering agencies which includes both state agencies and political subdivisions using this Contract.

The contractor must remit any monies due as the result of the close-out report at the time the close-out report is submitted to DAS. The Contractor must pay the revenue share amount due by check. To ensure the payment is credited properly, the Contractor must identify the check as a "Revenue Share" and include the Ohio Contract Management Remittance Report

The Contractor should make the check payable to: Treasurer, State of Ohio.

Use the following address for same day or overnight deliveries:

Huntington National Bank
ATTN: L-3686
7 Easton Oval
Columbus, OH 43219

All other deliveries may be sent to the following address:

Department of Administrative Services
L-3686
Columbus, OH 43260-3686

If the full amount of the revenue share is not paid within thirty (30) calendar days after the end of the applicable reporting period, the non-payment constitutes a contract debt to the State. The State may either initiate withholding or setting off payments or employ the remedies available under Ohio law for the non-payment of the revenue share.

If the Contractor fails to pay the revenue share in a timely manner, DAS may suspend, terminate or cancel this Contract.

TRANSPORTATION CHARGES: Any items(s) ordered from this contract shall be delivered F.O.B. destination to any state agency or any political subdivision located within the state of Ohio as stated on the purchase order, at the rate per mile, per vehicle delivery charge as listed on the item page. When generating orders, contact the contractor and establish the total round trip miles for one (1) vehicle from dealers location, using the state of Ohio Official Highway Map, unless some other mutually agreed upon method is acceptable.

MINIMUM DELIVERY CHARGE: This charge is to be used when the rate per mile per vehicle, as listed on the item page, times the number of round trip miles is less than the minimum delivery charge. The contractor may not bill for both the rate per mile, per vehicle and the minimum delivery charge.

PLACEMENT OF ORDERS: Ordering entities are strongly encouraged to place orders as early as possible in the model year. Purchase orders for any item(s) listed in a contract, awarded pursuant to this bid, will be placed directly with the contractor(s) by the using agency. No order shall specify delivery to exceed thirty (30) days beyond the expiration and/or cancellation date of the contract.

SPECIAL CONTRACT TERMS AND CONDITIONS (CONT'D)

PURCHASE ORDERS: Purchase Orders for item(s) listed in this contract will be placed directly with the contractor by the ordering agency. All purchases, made by state agencies only, will be placed using either the official state of Ohio Purchase Order or, by a purchase order issued by the State's third party financing administrator. The state will not be obligated to pay for purchases of any supplies or services, made by any other method. No order shall specify delivery to exceed thirty (30) days beyond the expiration, termination, or cancellation date of the contract. A Purchase Order will authorize the contractor to provide the required supplies or services and, upon delivery, acceptance and submission of a proper invoice, will obligate the ordering agency to pay for the supplies or services furnished by the contractor.

When applicable, purchase orders may be placed for delivery to the agency on a quarterly basis. Any orders issued prior to the expiration, termination, or cancellation date of the contract, which require delivery up to ninety (90) days beyond the approved expiration, termination, or cancellation date are to be fulfilled by the contractor.

ALL purchase orders placed against this contract are to contain verbiage exactly as to how the title, delivery instructions, etc. are to read, i.e.:

TITLE TO:	SHIP TO:	BILL TO:
AGENCY TAX NO. _____		
AGENCY _____		
ADDRESS _____		
CITY/STATE _____		
COUNTY _____	CONTACT _____	TELEPHONE _____

In addition, list on each purchase order an agency contact person with phone number for dealer questions, delivery notification, etc., as shown above.

SUBMISSION OF INVOICES: Refer to the Standard Contract Terms and Conditions; III, Payment Provisions. Invoices will not be issued prior to receipt of a purchase order.

PAYMENT: During the term of this contract, a third party financing option will be made available to State agencies only; not to political subdivisions. The contractors (dealers) will be notified by the State to review the order to pay process utilized by the third party administrator. Contractors will continue to receive payment in full; either from the State or the third party administrator. If payment is received from the third party administrator, the title to the vehicle is to (may) be forwarded to the third party administrator. If a third party administrator is used for payment, there could be a delay in receipt of payment.

It is unknown which agencies may purchase through a third party administrator or quantity of vehicles being purchased. This payment method may increase the number of vehicles purchased. Electronic Funds Transfer (EFT) may be used as payment method with mutual agreement between the third party financing administrator and the dealer.

SERVICE: The vehicle will be completely dealer serviced and conditioned as per the manufacturer's pre-delivery recommendations and all equipment is to be completely installed with all adjustments made which are required to prepare the vehicle for immediate and continuous operation upon delivery. This requires that all fluids are filled to their maximum levels unless otherwise defined. Unit shall conform to all current Federal Safety Regulations including OSHA.

SERVICE POLICY: The successful bidder shall furnish with each vehicle delivered, or within three (3) days after delivery of the vehicle, the Manufacturer's Owner Service Policy. In addition, the Owner's Service Policy shall be recognized and accepted by all authorized dealers within the boundaries of the state of Ohio regardless of the location of the District or Regional Headquarters under which the vehicle operates.

CERTIFICATE OF TITLE: The contractor must submit application for certificate of title within one (1) business day after delivery of vehicle(s) has been made to the ordering agency. The title shall be delivered within fifteen (15) days after delivery of vehicle(s) to the ordering agency.

AGENCY REGISTRATION: The contractor shall furnish the Title Documents for each new vehicle and deliver same to the department ordering the vehicle, unless otherwise specified on purchase order. The contractor shall deliver with the necessary papers a \$5.00 per vehicle filing fee at time of vehicle(s) delivery to any agency authorized to complete their own title registration.

SPECIAL CONTRACT TERMS AND CONDITIONS (CONT'D)

ADVERTISEMENT: Dealer name-signs shall not be affixed to any part of the delivered vehicle.

DEALER LICENSE: In reference to ORC [4517.12](#), DAS may ask for proof of a dealers written authority from the manufacturer or distributor to sell new vehicles.

SALES LICENSE: Contractor must be licensed to sell new motor vehicles pursuant to ORC [4517.01](#) and [4517.02](#).

In reference to OAC [4501:1-3-05](#), DAS may ask for proof of a salesperson's license after bid opening if not provided at bid opening. If requested, the dealer will have five (5) business days to respond.

USAGE REPORTS: Every six (6) months the contractor must submit a report (written or on disk) indicating sales generated by this contract. The report shall list usage by customer, by line item, showing the quantities/dollars generated by this contract. The report shall be forwarded to the Office of Procurement Services, 4200 Surface Road, Columbus, OH 43228-1395, Attn: Contract Analyst (GDC050).

Contractor is to submit two (2) separate reports, one (1) for state agencies purchases and the other report for political subdivision purchases.

INDEX NUMBER	CONTRACT NUMBER	CUSTOMER	ITEM NUMBER	# UNITS SOLD	\$ VALUE
--------------	-----------------	----------	-------------	--------------	----------

NOTE: THE ENERGY POLICY ACT WAS SIGNED INTO LAW IN 1992. Under the act, state and federal government fleets must begin phasing in alternative fuel vehicles as replacements for petroleum fuel vehicles. The act recognizes methanol, ethanol and other alcohol-gasoline blends, natural gas, liquefied petroleum gas and other fuels as sources of replacement ("reformulated gasoline" and 10% ethanol are excluded from the definition of alternate fuels).

Attachment: New Cruisers (Purchase of 4 Police Cruisers)

SPECIFICATIONS

I. SCOPE AND CLASSIFICATION

- A. Scope: These specifications define the State's requirements for new, Model Year 2019 or manufacturer's current production model vehicles to be utilized by State Agencies in the operation of State government, primarily for law enforcement work. This includes political subdivisions that are members of the Department of Administrative Services, Office of Procurement Services Cooperative Purchasing program.
- B. Vehicle shall be the latest current model, complete with all standard equipment, unless otherwise specified. Any item which is standard equipment on the vehicle being bid, but not listed below, must not be removed from the vehicle. Manufacturer's disclaimers indicate changes in product specifications may occur during the model year and they reserve the right to do so without repercussion. All current mandatory Department of Transportation safety requirements are to be furnished, including seat belts and shoulder harness.
- C. Classification: The information listed below is based upon vehicle purchases the Office of State Procurement had received from usage reports. Due to the life cycle of vehicles, usage data will change from year to year. The State makes no representation or guarantee as to the actual number of vehicles that will be purchased by participating agencies.

Item Number	Estimated Usage	Classification
1	45 Units	Ford Interceptor: Sedan-4 Door-V6-All Wheel Drive
2	40 Units	Dodge Charger: Sedan-Full Size-4 Door-V8- All Wheel Drive
3	265 Units	Ford Interceptor: Sport Utility Vehicle-4 Door-V6- All Wheel Drive
4	73 Units	Chevrolet Tahoe: Sporty Utility Vehicle -Full Size-4 Door-V8- Rear Wheel Drive

II. APPLICABLE DOCUMENTS:

- A. [Ohio Revised Code Section 125](#)
- B. Ohio Revised Code Chapters [4501](#), [4503](#), [4513](#), and [4517](#)
- C. Ohio Administrative Code Sections [4501:1-3-05](#)
- D. Federal Motor Vehicle Safety Standards (FMVSS)
- E. Society of Automotive Engineers (SAE) Automotive Technical Standards
- F. Occupational Safety & Health Administration (OSHA) Regulations
- G. U.S. Environmental Protection Agency (EPA) Laws & Regulations
- H. Model Year 2018 or Manufacturer's most current Model EPA Fuel Economy Guide
- I. State of Michigan, Department of State Police, National Law Enforcement & Corrections Technology Center and Department of Technology Management and Budget, Model Year 2018 or Manufacturer's most current Model Police Evaluation Program. Must meet and exceed the standards established by the Michigan State Police Vehicle Test/Evaluation Team for the Police (Pursuit) Category vehicles
- J. State of Ohio Law Enforcement Vehicle specifications and optional equipment listed in this bid

SPECIFICATIONS (CONT'D)

- III. REQUIREMENT: In addition to the Model Year 2019 or Manufacturer's most current Model Year State of Ohio Law Enforcement Vehicles minimum specification sheets, the following items of factory-installed equipment shall be required as Standard Equipment on each vehicle listed in this bid, unless otherwise noted. Optional Equipment required to be furnished on the unit is noted on the State's Specifications. Options listed herein, are to be factory installed except for items(s) not available from the factory.

A. REQUIRED STANDARD EQUIPMENT:

1. 12V power point
2. Rust Proofing: Each vehicle listed in this bid shall have the Manufacturer's standard corrosion protection system. A copy of the corrosion protection warranty is to be included with this bid certifying compliance of this requirement. NOTE: Failure to provide this warranty may result in disqualification of this bid.
3. Spare wheel and tire to be manufacturer's standard for the model bid.
4. All vehicles to be delivered with fuel tank at least one-half (1/2) full.
5. Radio Suppression: Each vehicle listed in this bid shall have the manufacturer's standard radio suppression system.

Radio Suppression shall be equipped with noise suppression equipment for two-way radio operation, which shall suppress vehicle electrical and electronic generated radio frequency interference problems. Broad band vehicular generated noises shall not exceed ½ microvolt, as measured by the 12 DB SINAD method, at the two-way radio receiver antenna. Further, the vehicle shall not produce any on-frequency interference problems encountered with any of the on-board systems of the supplied vehicles. It is the responsibility of the contractor to insure that operation of properly installed two-way mobile low band radio transmitters will not adversely affect the operation of the vehicle in any manner.

Do your vehicles comply? Yes _____ No _____

6. Tires: Shall be as recommended by the manufacturer for the vehicle specified, and shall be premium quality of recognized manufacturer, all season, steel belted radials, black walled, and meet the minimum speed rating specified (unless otherwise specified).
7. Paint: The entire unit shall be painted in accordance with automotive standards. All colors are to be solid and manufacturing standard and will be specified on the order. Certain items may require specific paint as noted. Bidder to note which colors are standard at no extra cost on each item bid. If no chart is submitted or no notations are made it will be assumed all colors are standard and no additional compensation will be made for any factory color ordered.
8. Restraint System and Supplemental Restraint Systems: Restraint Systems refers to lap and shoulder seat belts and Supplemental Restraint Systems refers to air bag system.
9. Additional Option Package: This has been included on the pricing pages for the bidder to include several of their more popular options. In the event of an order for one (1) or more of these options, it is the responsibility of the contractor to assure that the entire content(s) of the Option Package is made available to the ordering entity and is what the ordering entity is requesting to be included with their purchase.

- B. MILES PER GALLON REQUIREMENTS (2018 DATA) EPA ESTIMATED MILEAGE: Vehicles bid shall be in the EPA classes shown on the respective bid pages, offering the engine requested.
- C. OPTIONAL EQUIPMENT: Inside Trunk Lid Warning Flashing Lights are to be installed as high as possible to provide maximum visibility from the rear of the vehicle.

SPECIFICATIONS (CONT'D)

IV. DELIVERY:

A. Upon receipt of an order from an ordering agency, contractors are expected to enter orders with the factory within two (2) days after of receipt of purchase order. The contractor will confirm receipt of the agency's order and projected shipping date to the ordering agency within two (2) working days, by either fax or electronic means. The confirmation document shall confirm the contractor's order number, specific item(s), order quantities, unit price, a copy of the order notification and vehicle order number. The confirmation document may be a copy of the agency's order with the contractor's order number entered thereon. Delivery to the ordering agency is to be accomplished within seven (7) days after the contractor receives and services ordered items (refer to paragraph IV. D, page 10).

B. Any State of Ohio ordering entity and/or political subdivision ordering from this contract needs to be sure that they have included a contact, phone/fax numbers on the purchase order to the dealership. State's Cooperative Purchasing members need to be sure to include their current membership certificate number and / or a copy of their current membership certificate when placing an order to the dealership.

C. PERFORMANCE AGREEMENT:

1. The State declares that time is of the essence and the delivery of the vehicle(s) ordered by the projected delivery date is crucial to the ordering agency. The State realizes that there are circumstances beyond the control of the contractor that cause delay in delivery. In the event the contractor is unable to meet the projected delivery date referenced above due to circumstances beyond his control, the contractor must contact the ordering agency and inform the agency why there is a delay, setting forth therein the reasons for the delay and there will be an extension to the delivery date. The contractor's plea that insufficient time as specified is not a valid reason for an extension of time. If accord cannot be obtained, a written request by the agency must be made to the Office of Procurement Services, or if a co-operative purchasing order, to the Office of Cooperative Purchasing for review.
2. If the contractor fails to meet the original and/or any revised delivery date, the contractor agrees to pay to the ordering agency liquidated damages according to the following schedule:
 - a) Delivery completed within ten (10) calendar days beyond the original and/or revised scheduled date \$10.00 per vehicle per day beyond the scheduled delivery date.
 - b) Liquidated damages will be deducted from the final invoice submitted by the contractor after delivery and acceptance has occurred
3. The manufacturer has, upon occasion oversold their productive capability and could not deliver all of the contractor's orders that had been properly entered and acknowledged. When this occurs, the contractor cannot deliver for reasons beyond his control and cannot be held responsible. Usually the manufacturer will complete deliveries with the new model year vehicle at the contractor's bid price.

D. DELAYED DELIVERY:

1. Certain agencies may require delayed delivery on various items within this contract. For any vehicle order that requests delayed delivery, the storage charges per day shall commence seven (7) calendar days after agency contact person notification that vehicle(s) so ordered are serviced and ready for delivery. The rate of such charges shall not exceed 12% annual rate.
2. If ordering entities elect to take delivery at the contractor's place of business; pickup must be within seven (7) calendar days after notification that the vehicle is serviced and ready for pickup. If the vehicle is not picked up within the seven (7) calendar days after notification, the ordering entity is subject to a storage charge. The charge shall not exceed 12% annual rate for delayed pickup.

E. DELIVERY INSTRUCTIONS:

The transporting and delivery of automobiles shall be accomplished by surface transport, or by being driven individually. Tow bar delivery is not acceptable. All deliveries shall be effected per bid commitment. Failure to meet delivery requirements may be cause for cancellation, only with the approval of the Office of Procurement Services.

SPECIFICATIONS (CONT'D)

F. MANUFACTURER'S PRODUCTION TERMINATION NOTICE (BUILD-OUT):

1. The contractor is required to notify the Office of Procurement Services when build out dates are released by the manufacturer. A Build Out Schedule is listed in the contract to assist entities in planning vehicle purchases. If an order is accepted by the contractor after the build out date and price protection for the new model year has not been established, the normal delivery timeline for delivery is required.
2. Orders prior to manufacturer production termination notice (build-out date): All orders placed against any contract resulting from this bid, shall be provided to the contractor no later than the manufacturer's build-out date, which in the past is usually around March, but may be much earlier. Agencies will be notified of these dates, but are urged to submit their orders as quickly as possible after receipt of the contract.
3. All orders received and accepted by the contractor on, or prior to, the build-out date shall guarantee delivery of the vehicle as described on the purchase order at the contract price.
4. Any order received by the contractor after the build-out date will be subject to availability. The contractor reserves the right to accept or reject these orders. The contractor will be required to notify the ordering agency, within five (5) working days, after the purchase order has been received by the contractor, whether the purchase order will be accepted or rejected. If the purchase order cannot be accepted it shall be returned to the ordering agency by the contractor. Once accepted, the contractor shall be required to fulfill the order. Failure to do so may result in the ordering agency purchasing a comparable vehicle from another source. The contractor will be held liable for any difference in price.

V. NOTES:

- A. WARRANTY: Unless ordered with extended warranty, manufacturer's standard warranty shall apply, copy of warranty to be delivered with vehicle(s) purchased. Order will be considered incomplete until warranty is delivered.
- B. Any delivered vehicle not conforming to these specifications shall be rejected and it will be the responsibility of the dealer or manufacturer to comply with State of Ohio requirements (See "Contract Terms & Conditions"). Any extra accessories delivered on vehicles cannot and will not be paid for.
- C. Some equipment requested may be available only in combination with other options or subject to additional ordering requirements or limitations. Be sure such requirements are noted. Once awarded, contractors are expected to deliver vehicles as ordered, incurring no additional costs beyond the stated prices.
- D. ADDITIONAL OPTIONS: Bidders may elect to quote some of their more popular options for the item being bid. The options(s) being offered must be available for the item being bid. The additional options being offered must not change the item model being bid.
- E. DIFFERENTIAL TYPE/RATIO: For the purposes of this bid the terms limited slip, anti-spin, automatic locking, rear locking, TRAC-LOC, etc. are to have the same meaning. The bidder is to state the standard rear axle ratio being provided and is to quote any additional ratio that may be available when preparing their bid.
- F. EPA ESTIMATED MILEAGE: Vehicles bid shall be equipped with an engine that meets at least the minimum requirements for the EPA Estimated Mileage as stated in the State of Ohio specification sheet. In the instance where an EPA Estimated Mileage is not available, the bidder is to supply the manufacturer's estimated mileage for the engine quoted.

SUMMARY OF AMENDMENTS

Amendment Number	Effective Date	Description
1	12/04/18	This amendment is issued to remove the 3.0L V6 EcoBoost engine option for Item #3 and add the summary of amendments page.

2019 POLICE & SPECIAL SERVICE VEHICLES

5.c.a

Attachment: New Cruisers (Purchase of 4 Police Cruisers)

UNSURPASSED SELECTION

Ford presents its greatest variety of crimefighting power ever. In addition to the vaunted, pursuit-rated Ford Police Interceptor Utility and Sedan, you're offered a dynamic pair of Ford Police Responders – the first pursuit-rated truck and the first pursuit-rated hybrid. There's also the first-ever Ford Special Service Plug-in Hybrid Sedan (not shown); it can go up to an EPA-estimated 25 miles without gas! Rounding things out, and rounding up criminals, is the capable Expedition/MAX SSV, along with the Built Ford Tough® F-150 SSV (not shown) and Transit PTV. An impressive array.

Attachment: New Cruisers (Purchase of 4 Police Cruisers)

#1 BESTSELLER IN THE U.S.

The Ford Police Interceptor® Utility is the best-selling pursuit-rated police vehicle in the United States¹; when armed with the 365-hp² EcoBoost® V6³ and standard AWD, it also out-accelerates the competition's V8-equipped utility⁴. In the most recent official tests by the Michigan State Police and Los Angeles County Sheriff's Department vs. competitive utility entries, this Police Interceptor clocked the quickest 0-60-mph and 0-100-mph acceleration times — along with the fastest lap, fastest average lap, fastest 1/4 mile, and fastest top speed in the 1/4 mile. Year after year, phenomenal is the word for it.

An intimidating presence, offering commanding views and more. Front seats feature slim, uniquely shaped bolsters that enable officers to quickly get in, get going and get out. These minimized bolsters supply a generous amount of space for a duty belt. To allow for a finessed fit, the 6-way power driver's seat is standard. Reconfigure the rear 60/40 split-fold bench as desired, or fold it fully out of the way for 85.1 cu. ft. of load space to go with its 1,630-lb. standard payload capacity. Devices and K9 officers can be kept cooler with the auxiliary air conditioning.⁵

Keeping it all as simple as possible. The liftgate release switch in the overhead console is not only handy, but helps provide added security by relocking the mechanism after 45 seconds if unopened. A rear view camera with washer is standard — the camera display in the 4.2" center-stack LCD screen is standard too, or choose to have that display in the rearview mirror as a no-charge option.

It's purpose-built in the U.S.A.⁶ — engineered in Dearborn and assembled in Chicago. As a cost-control measure for your agency, a number of components on the Utility are identical to the Sedan. The standard 3.7L V6 and available 3.5L EcoBoost V6 share many parts for simplified service. This holds true for the brakes, wheels and tires. Furthermore, the 4 keys that come with the Police Interceptor don't contain microchips. Meaning cost is minimal for copies, and the entire fleet can run with one common key when the keyed-alike option is ordered.

See the full Police Interceptor Utility DNA on pages 18-27.

#1 INTERIOR SPACE IN AMERICA

The Ford F-150 Police Responder has the most interior passenger volume of any pursuit-rated police vehicle.¹ With 131.8 cu. ft. of interior space, it can comfortably seat 5 of America's biggest heroes – complete with body armor and holsters. Shoulder room, hip room and rear leg room are the most of any pursuit-rated police vehicle.¹ The driver's seat is 8-way powered, and both front seats – with reduced bolsters to ensure comfort when wearing a duty belt – are outfitted in heavy-duty cloth. Front seat backs have anti-stab plates, head restraints in both rows are locking, and the flooring is vinyl. Locks, windows and sideview-mirror glass are power. Amenities extend to SYNC[®], a productivity screen, and the Remote Keyless Entry System.

Possessing the highest horsepower and greatest torque of any pursuit-rated police vehicle,² the F-150 Police Responder[™] is also the first-ever pursuit-rated pickup truck to market. 375 horses are at your command, supplemented with a super-responsive 470 lb.-ft. of torque. Its 3.5L EcoBoost[®] 4-valve V6 is partnered with a 10-speed automatic transmission configured with progressive range select and selectable drive modes: Normal, Tow/Haul, Snow/Wet, EcoSelect, and Sport. The shifter is steering column-mounted, the alternator is 240 amps, and the speedo is police-calibrated. Also, upgraded brake calipers, unique brake pad-friction material and an upgraded front stabilizer bar deliver necessary performance.

Resounding with the best payload capacity³ (2,030 lbs.) and best standard towing capacity⁴ (7,000 lbs.) of any pursuit-rated police vehicle, this powerful pickup has a first-in-class,³ military-grade, aluminum-alloy⁴ body and cargo box to reinforce its Built Ford Tough[®] reputation for quality, durability and high-strength. Aluminum resists corrosion, and this grade-fends off dents and dings: the fully boxed high-strength steel frame sets the foundation.

Outfitted exclusively in a SuperCrew[®] 4x4 setup – and buttressed with a versatile 5.5' box – the go-anywhere attitude is fortified with an FX4 Off-Road Package aptitude. This power-packed Police Interceptor is provisioned with off-road-tuned shock absorbers and underbody skid plates. The rear axle is electronic-locking, and there's the added benefit of Hill Descent Control.[™]

POLICE RESPONDER

SAVINGS CALCULATOR

RESPONSIVE TO YOUR BUDGET

Purpose-built for the police duty cycle, the Police Responder™ Hybrid Sedan powertrain offers significant potential fuel savings compared to a traditional police cruiser. Its lithium-ion hybrid battery can provide added benefits when considering the unique idling demands of day-to-day police use.

While driving. Estimated Police Responder Hybrid Sedan fuel economy compares favorably against the Police Interceptor® Sedan.

Police Interceptor Sedan (3.7L AWD) 20,000 miles driven per year $\div 18 \text{ MPG}$ (EPA estimated combined rating) ¹⁾ $= 1,111$ gallons of fuel consumed per year

While driving, the Police Responder Hybrid Sedan potentially saves **585** gallons of fuel per year, per vehicle.

Police Responder Hybrid Sedan (2.0L HEV FWD) 20,000 miles driven per year $\div 38 \text{ MPG}$ (EPA estimated combined rating) ²⁾ $= 526$ gallons of fuel consumed per year
--

While stopped. Even when not in motion, police vehicles must constantly keep their engines running to power electrical equipment. Ford data shows that police vehicles spend approximately 61% of each shift at engine idle. This equates to roughly 4.9 hours of every 8-hour shift. The Police Responder Hybrid Sedan reduces engine idle time by powering the high electrical loads of a police vehicle with its lithium-ion battery. So the engine runs less – it's intermittently called upon to top off the battery.

Police Interceptor Sedan (3.7L AWD) 4.9 hours idling per 8-hour shift $\times 2$ shifts per day $\times 365$ days per year $= 1,681$ gallons of fuel consumed per year
--

Police Responder Hybrid Sedan (2.0L HEV FWD) 4.9 hours idling per 8-hour shift $\times 2$ shifts per day $\times 365$ days per year $= 715$ gallons of fuel consumed per year

While stopped, the Police Responder Hybrid Sedan potentially saves **966** gallons of fuel per year, per vehicle.

In total, and in comparison, the Police Responder Hybrid Sedan potentially saves:

- An estimated **585** gallons of fuel per year while driving.
 - (+) An estimated **966** gallons per year saved while vehicle is at idle.
 - (=) An estimated **1,551** total gallons saved per year, total.
- That's **\$3,877** in potential savings per year, per vehicle. (Assuming an example gas price of \$2.50 per gallon.)
- And a potential **27,421 lbs.** of CO₂ output* reduced per year, per vehicle.

Visit fordpolicesponder.com to calculate your own agency's potential savings.

PATROL, PLUG IN, REPEAT

The all-new 2019 Ford Special Service Plug-In Hybrid Sedan is the first Ford plug-in hybrid police vehicle to market. It's aimed squarely at specialized, non-pursuit applications like detective, investigative and administrative.

Strong evidence supports the possibility you can perform your daily duties in a zero-fuel/-emissions capacity: The EPA-estimated all-electric rating is 25 miles¹ – patrol in this all-battery mode at speeds up to 85 mph. Plug the stealthy sedan in and make the rounds. Upon your return to the station, simply plug it in and do the same thing all over again, and again and again. The day-on-day savings rapidly start to add up. Whenever you surpass the estimated "25," you'll seamlessly transition into gasoline-electric hybrid mode for the added miles each and every time out. While in this mode, the projected EPA-estimated rating is a 42 combined mpg² with a projected EPA-estimated range of 610 miles.³

Utilizing an optional 240-volt charger, you can power up the high-capacity, 9.0-kWh lithium-ion battery of the Special Service Plug-In Hybrid Sedan in approximately 2.5 hours.⁴ It can also be fully energized in about 7 hours⁴ with the standard 120-volt convenience charge cord that plugs into a conventional wall socket. Simply plug one end of the cord into the receptacle, and then plug the other end into the vehicle's illuminated charge port.

Unique 5-spoke alloy wheels add a hint more shine to the outside; purpose-built police living quarters welcome you inside. The police-formed front seats feature slimmed-down bolsters, heavy-duty fabric and anti-stab plates. They're divided by the metal console mounting plate. Flooring material up front and in back is easy-clean vinyl – the rear bench seat is also vinyl. The special police setup extends to the front-door check straps and unique door-trim panels (with rear closeout panels). A reinforced top tray on the dashboard is for mounting equipment, and the police-purposed instrumentation includes a calibrated speedometer. Among other standard highlights, the overhead console has red-and-white task lighting, and there's the benefit of a rear power lug, plus an auxiliary power distribution box (PDB) in the trunk. The Police Engine Idle Feature allows for secure idling, preventing the vehicle from being driven unless an authorized key fob is present. Numerous options include the Dark Car Feature, driver spot lamp and a variety of police lighting packages.

F-150 SSV

WHEN PURSUIT ISN'T CRUCIAL

Fulfill your agency's need for extreme capability and a go-anywhere attitude with the Ford F-150 Special Service Vehicle. F-150 is the first light-duty pickup made of high-strength, military-grade, aluminum alloys.¹ These panels don't rust, and they're dent- and ding-resistant. In other words, this SSV is made to stand up to punishment. High-strength steel comprises up to 78% of its fully boxed, modular frame that's stronger than ever.

The SSV edition seats 5 and is available on XL SuperCab and XL SuperCrew,² as a 4x4² or 4x2, with either the 395-hp³ 5.0L Ti-VCT V8 FFV or 375-hp³ 3.5L EcoBoost[®] V6 torque-heavy engines – each powerplant is mated with a 10-speed SelectShift[®] automatic transmission for peak acceleration and performance. Pair the EcoBoost V6 with the Max. Trailer Tow Package² to tap into a remarkable 12,700 lbs.^{3,4} of max. towing capacity. To help direct the hitch ball to the trailer receiver, the rear view camera with dynamic hitch assist provides a visible sight line on the instrument panel display. It turns the complicated task of hitching a trailer into a simple, one-person job. Special features also include a high-output 240-amp alternator, cloth front seating with center-section delete, the space-saving convenience of a column-mounted shifter, and a vinyl rear bench and vinyl floor covering for ease of maintenance.

Standard Auto Start-Stop Technology helps to reduce fuel consumption and vehicle emissions wherever the task takes you. When F-150 comes to a stop and is at idle, the engine automatically shuts off. Then, it seamlessly restarts when you step on the accelerator or when your foot leaves the brake pedal.

F-150 is Built Ford Tough[®] to work hard. In other words, you can depend on it to get the job done. After all, there are a million and one reasons why Ford F-Series is America's best-selling truck for over 41 years.

TRANSIT PTV

FLEXIBLE PRISONER TRANSPORT

Make it happen with the Ford Transit Prisoner Transport Vehicle: compartmentalize with single, double or triple prisoner-transport inserts; customize with surveillance cameras, lighting accents, heating/cooling and more.¹ Versatility also extends to the best-in-class² choice of vehicle configurations. Transit Cargo Van is available in 3 roof heights, 3 body lengths, 3 engines and 2 wheelbases. Class-best² max. interior height³ among gas-powered cargo vans in the high-roof model lets you carry tall items without hindrance. The cargo floor is flat, with near-vertical sides for maximum usable space.

A substantial hauling capacity of up to 4,650 lbs.³ helps the Transit PTV master even the most demanding of challenges. When extra muscle is required, an impressive gross vehicle weight rating (GVWR) of up to 10,360 lbs.³ comes in handy. As does the front overhead console – with built-in storage compartments and dual grab handles – that's standard on medium- and high-roof vans.

Innovative technology helps counteract unwanted, inadvertent lateral movement due to perpendicular wind gusts. Side-wind stabilization joins AdvanceTrac[®] with RSC[®] (Roll Stability Control[™]) to help handle sudden side-wind gusts; the system can apply the brakes on one side of the vehicle if needed to help reduce the effect of such occurrences.⁴

To ensure the Transit PTV fulfills its missions day after day, development vehicles were punished in durability testing. They had to tow fully loaded trailers up long inclines in 120°F heat. They were also started at -40°F and at over 14,500 ft. They even underwent 250,000 door-slam evaluation cycles, which is nearly 3 times as much scrutiny as what would normally be expected of a retail vehicle. Built Ford Tough[®] is built into the DNA of Transit Van, meaning every technological advance has passed exhaustive engineering standards.

Attachment: New Cruisers (Purchase of 4 Police Cruisers)

SAFETY & SECURITY

SERVING TO PROTECT YOU

A. Industry-exclusive: 75-mph rear-impact crash-tested! Ford Police Interceptors continue a tradition of being the only vehicles on the market engineered to meet this test.

B. Level III+ or Level IV+ ballistic front-door panels.^{2,3} Police Interceptors offer National Institute of Justice Level IV protection against armor-piercing, .30-caliber rifle ammunition. Level III panels can resist all handgun and non-armor-piercing bullets up to .30 caliber. Each panel style can also handle specific special-threat rounds identified by the Los Angeles Police Department.

C. Extra-tough anti-stab plates. To help keep unruly types at bay, deflective steel intrusion plates are built into the driver and front-passenger seat backs.

D. Surveillance Mode.^{2,4} This system warns that someone is approaching the rear of the vehicle. Upon detection, a chime sounds, the driver's window automatically rises and all doors lock. Intermittent Fault Filter® (IFF) technology sifts out erroneous changes in sensor signals.

E. SPACE (Side Protection And Cabin Enhancement) Architecture. A hydroformed cross-vehicle beam solidifies the vehicle's sides.

F. Multiple airbags.⁵ Just in case, the front-seat Personal Safety System™ (with front airbags), front-seat side airbags, and 1st- and 2nd-row Safety Canopy® System (housing side-curtain airbags) are at the ready. Both Police Interceptors additionally include a rollover sensor.

G. Virtual force field of assurance. In the event of a crash, advanced safety technology helps to absorb the energy of the collision and to direct the impact forces away from the occupants. Additionally, crumple zones are strategically placed in the frame or body of the vehicle, further absorbing and dissipating the energy of a crash to reduce intrusion into the occupant compartment.

H. Hidden rear door-lock plungers.³ These out-of-sight plungers are manually operable only by officers in front.

I. Manual key lock cylinders. The 3 exterior cylinders – on the front doors and decklid/liftgate – provide quick, reliable access with a simple fleet key.

PERFORMANCE

DON'T LOSE A SPLIT SECOND

Police-calibrated AWD¹ isn't an add-on – on Ford Police Interceptors, it's the standard mode of operation: a full-time, always-active system that continually adjusts torque distribution. And it's easy to operate. Just drive. Preemptive torque is delivered by the millisecond among all 4 wheels to help maximize traction in snow or rain, on ice or gravel, and even when maneuvering over dry pavement. An active, on-demand coupler allocates torque precisely from the front to the rear: up to 100% of available torque to either axle. There's no delay in delivery. Aggressive handling at any speed is predictable and easy. This unique AWD was co-developed with EVOIC (Emergency Vehicle Operator Course) instructors for the utmost responsiveness and performance in challenging situations.

In addition, police-programmed AdvanceTrac[®] electronic stability control provides the confidence to hit corners hard. The system constantly monitors wheel speeds, steering angle, lateral acceleration, and vehicle rotation for both the vertical yaw axis and horizontal roll axis. To help avoid skidding and fishtailing, it utilizes the Anti-Lock Brake System (ABS) and traction control whenever wheelslip, understeer, oversteer or roll motion is detected. Roll Stability Control[™] is unique to the Utility; gyroscopic sensors check body-roll angle at least 100 times per second.

Designed exclusively for police operations, high-powered Police Interceptor V6 output is just the ticket to optimize closing speed. Generating a formidable 365 hp,^{3,4} the available twin-turbo, direct-injection EcoBoost[®] V6 also delivers a powerful flat torque curve across the rev range. Output for the standard flex-fuel 3.7L V6 on the Interceptor Utility is a robust 304 horses.³ A 305-hp flex-fuel^{3,5} 3.7L V6 is standard on the Interceptor Sedan AWD, while the available FWD-configured Interceptor Sedan performs with a 288-hp³ flex-fueled⁵ 3.5L V6. Naturally aspirated V6 muscle employs twin independent variable camshaft timing (Ti-VCT) to help achieve peak power or efficiency, as conditions warrant.

Shift points for the 6-speed automatic are police-modified to maximize V6 acceleration. The transmission adapts to officer driving habits, tracking maneuvers for optimal response in cruising situations as well as pursuit mode. Police-tuned, electric power-assisted steering (EPAS) ensures light turning effort at low speeds. Suspension components are fine-tuned for deft maneuvering at any speed. All of which reinforces the maxim of "just drive."

Engine and transmission components are backed by the assurance of the earlier of 5 years or 100,000 miles with Ford Protect[™] PowertrainCARE.⁶ Here's further proof of the faith in dependability – backed by Ford Motor Company, honored at all Ford Dealerships, and fixed with Ford authorized parts installed by factory-trained and -certified technicians.

PURPOSE-BUILT

POLICE INTERCEPTOR® UTILITY & SEDAN **DNA**

POLICE INTERCEPTOR® UTILITY & SEDAN SPECS

STANDARD FEATURES

4.2" color LCD screens including digital speed readout in police instrument cluster and center stack "smart display"	Headliner – Easy-to-drop
9" space between driver's seat and front-passenger seat for aftermarket consoles	Independent front and rear suspensions
12-volt powerpoints (2)	Liftgate unlock switch – Overhead console (Utility)
75-mph rear-impact crash tested ¹	Mirrors – Power sideview, manual foldaway with integrated blind spot mirrors
All-wheel drive (AWD)	Power-adjustable pedals
Alternator – Heavy-duty 220-amp	Power distribution junction block with two (2) 50-amp battery ground circuits
Audio – AM/FM stereo/single-CD player with MP3 capability, clock and 4 speakers (Sedan), 6 speakers (Utility)	Power door locks
Badge – Police Interceptor	Power windows with one-touch-up/-down driver's side with disable feature (Sedan)
Battery – Heavy-duty (78-amp-hr/750 CCA)	Power windows with one-touch-up/-down driver/front-passenger side with disable feature (Utility)
Built-in steel intrusion plates in both front seat backs	Powertrain mounts – Heavy-duty
Climate controls – Manual air conditioning	Rear recovery hook (Utility)
Column-mounted shifter	Rear-window defroster
Console mounting plate – Front	Red/white dome light – 1st row
Cooling system – Heavy-duty	Redundant digital speedometer display
Cruise control	Seat – Front heavy-duty cloth, 6-way power driver's with manual lumbar
Dash pass-through for aftermarket wiring	Seat – Front heavy-duty cloth passenger
Door-sill scuff plates – Front and rear	Seat – Rear vinyl bench (Sedan)
Easy Fuel® capless fuel filler	Seat – Rear vinyl 60/40 split-fold bench (Utility)
Electric power-assisted steering – Heavy-duty	Taillamps – Halogen (Sedan)
Engine – 3.7L Ti-VCT V6 FFV-capable	Taillamps – LED (Utility)
Engine-hour meter	Tilt/telescoping steering column (Sedan)
Engine-idle-hour meter	Tilt steering column (Utility)
Exterior key locks – Driver and front-passenger doors and decklid/liftgate	Tires – 245/55R18 all-season BSW
Fleet key – Low-cost replacement (includes 4 keys)	Transmission – 6-speed automatic (police-calibrated)
Flooring – Heavy-duty vinyl	Trunk/cargo area – Flat load floor
Full-size spare wheel and tire with TPMS	Underbody deflector plate
Glass – Solar-tinted (Sedan)	(Sedan; Utility with 3.5L EcoBoost®)
Glass – Solar-tinted 1st row; privacy glass 2nd row, rear quarter and liftgate (Utility)	Universal top tray for police equipment
Headlamps – Projector-beam halogen (Sedan)	Wheels – Heavy-duty 18" 5-spoke steel
Headlamps – LED low beams; incandescent (halogen) high beams (Utility)	

STANDARD SAFETY & SECURITY

Advanced, ultra-high-strength boron steel in the A-, B- and C-pillars	Ignition-wired trunk release (Sedan)
AdvanceTrac® electronic stability control (Sedan)	Personal Safety System™ for driver and front passenger ²
AdvanceTrac with RSC® (Roll Stability Control™) (Utility)	Rear view camera with washer (Utility)
Airbag – Front-passenger knee (Utility)	SOS Post-Crash Alert System™
Airbags – Front-seat side, plus Safety Canopy ³	Tire Pressure Monitoring System (TPMS); Utility features a true-location Individual TPMS
System with side-curtain airbags and rollover sensor	Traction control
Brakes – 4-wheel heavy-duty disc with Anti-Lock Brake System (ABS) (police-calibrated)

ESSENTIAL RESOURCES

How many units can you add to your fleet this year? The Ford Credit Municipal Lease/Purchase Finance Program is a flexible funding plan available to state and local governments that will let you acquire the units you need when you need them.

FORD CREDIT
Municipal Finance

BENEFITS

- Maximize limited budget funds – typically, you can get the benefit of cost-efficient tax-exempt financing
- Avoid the high cost and downtime of maintaining older high-mileage vehicles
- Add units to your fleet with current technology
- Finance add-on equipment, upfits and extended warranty plans
- No down payment or security deposit required
- Accumulate equity with each payment, and realize ownership at lease-end
- Flexible payment schedules, including monthly, quarterly or annual payments, can be arranged to meet your needs

Best of all – Ford Credit Municipal Finance Specialists will assist you in handling the transaction from start to finish.

FORD PROTECT

FORD PROTECT IS AVAILABLE FOR ALL FORD SPECIAL SERVICE VEHICLES

Upgrade your protection: Select the extended warranty that best suits your needs. There are 4 plans available that wrap around or extend the powertrain warranty – PowertrainCare, BaseCare, ExtraCare, PremiumCare – with comprehensive coverage for up to 8 years and 150,000 miles on new vehicles. In addition, drop-off first-day rental is included on all plans.

FORD PARTS

FORD COLLISION PARTS

Dependability is crucial. To do your job, you depend on every piece of your equipment to function as it was designed. The same goes for your police unit, and if you're ever in an accident, you can depend on Ford Collision Parts: sheet metal, bumpers and lights to help restore your vehicle to pre-accident condition. Ford Collision Parts are equal in quality, fit and structural integrity to the original parts that came on your vehicle because they are the same parts used in the production of new vehicles. Designed, engineered, and produced by Ford Motor Company to meet Federal Motor Vehicle Safety Standards. Cheap imitation parts can't make that claim. So don't settle for anything less dependable than Ford Collision Parts.

Quality Fleet Care

FORD FLEET CARE

Ford Fleet Care is a centralized billing service you can use to make a single monthly payment on behalf of your entire fleet for maintenance and repairs performed at participating Ford Dealers and Quick Lane® Tire & Auto Centers. Over-the-counter parts purchases at participating Ford Dealers can also be included. There is no enrollment fee, no per-vehicle fee and no administration fee for warranty-covered repairs. Plus, you preset your drivers' spending limits, which cannot be exceeded without your approval. Visit fleetcare.ford.com or call **1.800.367.3721** for more information.

FORD FLEET

North American Fleet, Lease & Remarketing Operations

fleet.ford.com • 1.800.34.FLEET

Non-original equipment can adversely impact vehicle crash performance. For example, push-bars could adversely affect airbag deployment in frontal impacts, and prisoner barricades could result in head and neck trauma in high-speed rear impacts. Due to the variability of equipment installed based on individual law-enforcement agency requirements, Ford does not test aftermarket equipment for functionality with Ford components. Law enforcement must balance needs for function and other officer safety concerns when equipping police vehicles with non-original equipment.

Some features discussed may be optional. Vehicles throughout this brochure may be shown with optional features and/or aftermarket equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Information in this brochure was developed from Order Guides as of May 2018. Following publication of this brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. • Always wear your safety belt, secure children in the rear seat and follow airbag warning label instructions. • SYNC®: Don't drive while distracted. Police Department**David Plesich****7240 E. Main Street****Reynoldsburg OHIO 43068****614-322-6947 Phone****ORDINANCE REQUEST****DATE: January 28, 2019****TO: Public Safety, Law and Courts Committee****RE: ORDINANCE TO AUTHORIZE THE MAYOR TO PURCHASE ONE
(1) PICK-UP TRUCK AND RELATED EQUIPMENT FOR THE
POLICE DEPARTMENT; AND DECLARING AN EMERGENCY.**

Approval:

Completed Brad McCloud	Completed Jed Hood	Completed Stephen Cicak
---------------------------	-----------------------	----------------------------

Emergency/Suspension: Emergency

Reason For Emergency: Financial needs of the City's government

Requesting funds from 290.111.4616 (Law Enforcement Fund) in the amount of \$19679.50.00 be appropriated to account 290.111.5632 (FA vehicles account) to purchase a used truck from Ricart and waive the competitive bidding based on ordinance 44-17 in which this vendors is currently part of. Current vehicle (2007 Ford Truck 1FTRW14W67FB17289) has been deemed unsafe by the City Mechanics and is no longer operational.

In addition, we are asking for the removal of FA1927 which represents the vehicle that is no longer operational.

** Revised by April Beggerow***

That the Mayor be and is hereby authorized and directed to purchase from Ricart Automotive, 4255 S. Hamilton Road, Columbus, Ohio, 43227 one 2010 Ford F150 pick-up truck for the

Police Department**David Plesich****7240 E. Main Street****Reynoldsburg OHIO 43068****614-322-6947 Phone**

Police Department for a total cost of nineteen thousand, six hundred seventy nine dollars and fifty cents (\$19,679.50).

That to fund the purchase requested in Section 1, an amount of \$19,679.50 in the unappropriated Law Enforcement Fund (290) be appropriated to account number 290.111.5632 -FA vehicles.

That pursuant to Reynoldsburg city code section 175, requesting that competitive bidding is be suspended.

That asset tag number FA1927, a 2007 Ford Truck (1FTRW14W67FB17289) be removed from the Fixed Asset list and disposed of appropriately.

☐ IF BOX IS MARKED, FINANCING FOR THIS PURCHASE TRANSACTION HAS NOT BEEN FINALIZED, PLEASE CAREFULLY READ THE FOLLOWING. Although we are permitting you to take possession of the Vehicle, you understand that financing for the purchase of the Vehicle has not been approved. This is known as a "Spot Delivery". You acknowledge that we have advised you that we will not loan you the money for the purchase of the vehicle and you understand that this transaction is conditioned upon final financing approval by a third party lender ("lender"). "Final financing approval" by a third party lender means that financing has been obtained directly from a lender or the Retail Installment Sales Contract/Finance Contract has been assigned to and accepted by a lender on the exact terms agreed upon. You understand that by signing below, the Vehicle, maintain full insurance coverage on the Vehicle, and may not permit anyone who does not have a valid driver's license to operate the Vehicle; (2) If final financing approval is not provided by a third party lender for your purchase of the Vehicle within _____ days from the date of this Agreement, this Agreement and the Contract may be cancelled and you will immediately return the Vehicle to the Dealership or pay the Unpaid Balance Due as reflected in this Agreement within 48 hours of the date of verbal or written notice of cancellation; (3) If you are required to return the Vehicle to the Dealership, you will return it in the same condition it was in when it left the Dealership, normal wear and tear excepted. Upon your return of the Vehicle to the Dealership, we will return your Trade-In Vehicle to you and refund any Partial Payment made by you in accordance with the terms of this Retail Purchase Agreement, less the cost of repairing any damage that occurred to the Vehicle during your use, possession and control of the Vehicle and any other amounts you owe us pursuant to this Agreement. If the amount of these charges exceeds the total amount you paid us, you must pay any additional amounts owed to us upon your return of the Vehicle; (4) If you are in breach of this Agreement or fail to return the Vehicle to us upon our demand, you will be required to pay all expenses incurred by us to have the Vehicle returned and the Dealership, or any of its agents or employees, may peacefully retake possession of the Vehicle. You further agree to defend, indemnify and hold harmless the Dealership from and against any and all losses, liabilities, damages, injuries, claims, demands, costs and expenses arising out of your use, possession and control of the Vehicle and/or any breach of your responsibilities as set in this Agreement. I have read this Spot Delivery Agreement and understand and agree to be bound by these terms and conditions. I further agree that these terms and conditions modify and are part of the Retail Installment Sales Contract/Finance Contract; but if the Retail Installment Sales Contract/Finance Contract contains a Spot Delivery/Conditional Delivery Agreement or Limited Right to Cancel, then the terms and conditions set forth therein shall control.
