a. Resolution Authorizing Participation in the ODOT Winter Contract (018-17) for Road Salt and Declaring an Emergency

Mr. Kundtz: Good evening Chairman Long, members of Council. Its unfortunately that time of year again we need to talk about salt. This is a Resolution for us to piggyback off the ODOT State Contract for this year and next year's seasons so it would be 2016-2017 snow season. Last year we gave this a try, this was a new contract it worked out very well, I was very pleased with it and we would like to continue it again. We do, I did just receive this on May 4th so we have to move fairly quickly on this. The Resolution would have to be passed as an emergency, I have turn it back into ODOT by May 27th, so at next Monday's Council meeting we'd have to pass this if you all agree with it. If there are any questions, I'll try to answer them.

Mr. Long: Any questions?
