INVOCATION - Bishop Hezekiah Martin of Southside Community Missionary Baptist Church

PLEDGE OF ALLEGIANCE

ROLL CALL

PRESENT: Abram, Baker, Johnson, Pyakurel, Towns, Salvati, Chambers
ABSENT: Hill

APPROVAL OF AGENDA

The agenda was approved as submitted.

APPROVAL OF MINUTES

Regular Meeting Minutes from February 23, 2026

The regular meeting minutes of February 23, 2026 were approved as submitted.

COMMUNITY COMMENTS

Councilmember Johnson
Councilmember Johnson thanked the women of the City of Respect that came out to support the International Women's Day event this past Saturday at City Hall. She stated that it was a great event and was very thankful to everyone who showed up and made it so wonderful.

Councilmember Chambers also thanked everyone for showing up to the event and reiterated how great it was.

Mayoral Comments

Mayor Begeny
Mayor Begeny thanked everyone who attended the fundraiser to support Officer Mark Nichols. The total amount of money raised has not yet been released. Mayor Begeny also thanked everyone who attended the State of the City. He indicated there was a great turnout and would have news about the Tomato Festival musical acts soon.

President Pyakurel
President Pyakurel stated that, at this time, there was a Hindu festival called Holi, which was the festival of color. He wanted to give a shout-out about that event and that many more events may be happening around the City to support it.

PROCLAMATIONS

A Proclamation Recognizing International Women's Day, Harriet Tubman Day, and Day of the Girl

Councilmember Abram thanked everyone who attended the International Women's Day and Harriet Tubman Day celebration.

Councilmember Abram read the Proclamation.

Councilmember Baker thanked the Council for bringing this Proclamation forward and thanked everyone for attending the City's great events.

President Pyakurel stated that it was a great event and was thankful for all the notable figures that attended.

Councilmember Towns made a motion to approve this Proclamation. Second by Councilmember Johnson. Motion carried.

MOTIONS

A Motion to Affirm the Mayor's Selection of Joey Eringman to the Civil Service Commission

President Pyakurel explained that the Mayor appoints community members to the Civil Service Commission, and he selected Joey Eringman to serve and fill an open position. Council must affirm the Mayor's selection.

Councilmember Salvati made a motion to approve this appointment. Second by Councilmember Johnson. Motion carried.

REPORTS

Development, Parks & Recreation Committee

This is the Development, Parks & Recreation Committee meeting for March 9, 2026.

Members in attendance are: Councilmember Abram, Councilmember Chambers, Councilmember Towns, Chair Salvati, and President Pyakurel.

A Resolution Authorizing the Mayor to Enter into a Contract with Baker Tilly for TIF Consulting Services

Director Meyer stated that this Resolution was an agreement for a not-to-exceed number of $40,000 with Baker Tilly. As Council is aware, there are several TIFs in our area, which are complicated financially. He explained staff needed additional help with reporting and forecasting the monies generated from these TIFs. He stated that staff preferred to have professionals who were experienced in this field make the projections to ensure accuracy. This project was approved as part of the budget for 2026.

Councilmember Chambers asked if Baker Tilly was the only firm that was interviewed. Director Meyer replied in the affirmative. As the contract was for professional service, and the City had worked with Baker Tilly on numerous projects in the past, the City was exempted from seeking bids.

Councilmember Baker asked if Baker Tilly's rate had increased recently. Director Meyer stated that this Resolution was for a not-to-exceed amount, so the City would only pay for the services used. It was an hourly rate rather than a flat fee. Director Meyer added that the hourly fee had gone up, but the City was additional work from Baker Tilly.

Councilmember Salvati made a motion to forward this Resolution to Council for approval. Second by Councilmember Chambers. Motion carried.

There is no Public Safety, Law & Courts Committee meeting.

There is no Public Service & Transportation Committee meeting.

There is no Finance & Administration Committee meeting.

CONSENT AGENDA FOR SECOND READING

President Pyakurel stated that this Ordinance stood for a second reading.

An Ordinance Authorizing the Mayor to Enter into a Contract with EMH&T for Engineering Design Services Relating to the City's State Route 256 Intersection Improvement Project

OTHER COUNCIL MATTERS

Councilmember Baker stated that he wanted to comment on Items b and c in the Consent Agenda for Emergency Adoption. He had a conversation with Councilmember Nancy Day-Achauer from the city of Columbus regarding water and sewer rates charged to Reynoldsburg. He advised her that Reynoldsburg was a master-meter community, which meant we service our own water and sewer lines. We do not request Columbus come make repairs to our lines. He explained that he had an issue with Reynoldsburg being charged the same fees as other communities that use Columbus to service utility lines. He wanted to advise Council about this conversation. He hoped more conversations would occur to better address this issue. Councilmember Baker also congratulated the Reynoldsburg boys basketball team for winning their regional game. He thanked RPD, nurses, doctors, teachers, and those who work in retail and logistics.

A RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A SECOND AMENDMENT TO THE PURCHASE OPTION AGREEMENT WITH METROPOLITAN HOUSING PARTNERS, INC. FOR THE PURPOSE OF A FUTURE SALE AND RE-DEVELOPMENT OF REAL ESTATE

WHEREAS, the City of Reynoldsburg purchased real property located at 7185, 7215, and 7221 East Main Street, Reynoldsburg, Ohio, for the purpose of redevelopment; and

WHEREAS, the aforementioned real properties are contiguous parcels of real estate located at the southeast corner of Davidson Drive and East Main Street with said parcels identified by the Franklin County Auditor as Parcel Nos. 060-000955, 060-000992, 060-000959, and 060-000954000215 (further referenced herein as "Development Site"); and

WHEREAS, the City of Reynoldsburg identified Metropolitan Housing Partners, Inc. as a qualified, experienced developer capable of expending resources for the purpose of preparing a development plan consistent with the Comprehensive Master Plan; and

WHEREAS, the Reynoldsburg City Council authorized the Mayor to enter into a Purchase Option Agreement with Metropolitan Housing Partners, Inc. through the passage of Ordinance

No. 36-2024; and

WHEREAS, the City of Reynoldsburg and Metropolitan Housing Partners, Inc. executed the Purchase Option Agreement passed by Ordinance No. 36-2024 and the First Amendment passed as Resolution 2025-06.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF REYNOLDSBURG IN THE COUNTIES OF FRANKLIN, LICKING, AND FAIRFIELD, STATE OF OHIO, THAT:

SECTION 1. The Mayor is hereby authorized to amend the Purchase Option Agreement with Metropolitan Housing Partners, Inc., attached as Exhibit A, for the purpose of future sale and redevelopment of real estate identified as Parcel Nos. 060-000955, 060-000992, 060-000959, and 060-000954.

SECTION 2. Upon approval of Council, this Resolution shall be effective immediately following the signature of the Mayor.

FIRST AMENDMENT TO
PURCHASE OPTION AGREEMENT

This **FIRST AMENDMENT TO PURCHASE OPTION AGREEMENT** (this "Amendment") is made as of the ____ day of _____, 2026 (the "Effective Date"), by and between **The City of Reynoldsburg,** an Ohio municipal corporation, having an address of 7223 E. Main Street, Reynoldsburg, Ohio 43068 ("Seller"), and **Metropolitan Housing Partners, Inc.**, an Ohio not-for-profit corporation, having an address of 880 East 11th Avenue, Columbus, Ohio 43211, its successor or assigns ("Buyer"). Seller and Buyer may be referred to herein collectively as the "Parties" and each, individually, as a "Party".

RECITALS:

WHEREAS, Seller and Buyer entered into that certain Purchase Option Agreement dated February 10, 2025 (the "Purchase Option Agreement") in connection with that certain real property commonly referred to as 7185, 7215, and 7221 E. Main Street, Reynoldsburg, Ohio 43068, Franklin County, Tax Parcel Nos. 060-000955, 060-000992, 060-000959, and 060-000954, as more particularly described in the Purchase Option Agreement (the "Property"); and

WHEREAS, Seller and Buyer have agreed to amend the terms and provisions of the Purchase Option Agreement as more specifically set forth herein.

NOW, THEREFORE, in consideration of the mutual agreements set forth herein, and in further consideration of the terms and provisions of the Purchase Option Agreement, the parties hereby agree as follows:

1. Defined Terms. Any capitalized terms used in this Amendment, but not defined herein, shall be deemed to have the same meanings as are respectively ascribed to those terms in the Purchase Option Agreement.

2. Price and Terms. The following sentence is hereby added to the end of Section 2 of the Purchase Option Agreement:

> Notwithstanding the foregoing, the Purchase Option Deposit shall be fully refundable to Buyer if Buyer terminates this Agreement on or before September 7, 2026.

3. Conveyance and Closing. The following sentence is hereby added to the end of Section 12 of the Purchase Option Agreement:

> Notwithstanding the foregoing, Buyer shall have the right to extend the Closing Date through December 31, 2026 upon written notification to the Seller.

4. Exhibit B. Exhibit B of the Purchase Option Agreement shall be replaced with the attached Exhibit B.

5. Full Force and Effect. Except as specifically amended hereby, the Purchase Option Agreement remains in full force and effect and is hereby ratified by the parties hereto. In the event that any of the terms or conditions of the Purchase Option Agreement conflict with this Amendment, the terms and conditions of this Amendment shall control. Any references to the "Agreement" in the Purchase Option Agreement or any document delivered in connection therewith shall be deemed to mean the Purchase Option Agreement as amended hereby.

6. Counterpart/Electronic Execution. This Amendment may be executed in one or more counterparts, each of which shall be deemed an original. Furthermore, execution counterparts of this Amendment may be delivered by reliable electronic means (including emails of PDF documents), and such electronic transmissions shall be valid and binding for all purposes when transmitted to, and actually received by, the other party.

7. Authority. Seller and Buyer represent and warrant to each other that they have the full right and authority to execute and perform their obligations under this Amendment, and Seller and Buyer and the person(s) signing this Amendment on Seller's or Buyer's behalf represent and warrant to the other that such person(s) are duly authorized to execute this Amendment on Seller's or Buyer's behalf without further consent or approval by anyone. Seller and Buyer shall deliver to each other promptly upon request all documents reasonably requested by the other to evidence such authority.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed under seal and effective as of the day and year first above written.

Mollie Prasher

EMERGENCY:

REASON FOR EMERGENCY:

STAFF REPORT:

The Reynoldsburg Division of Police is requesting approval to enter into an agreement with Axon Enterprise, Inc for the purchase of (3) Skydio X10 drone bundles with a total cost of $632,629.40 which will be appropriated from the Other Equipment account (account number 110.584.5639). These bundles include all equipment for the devices, as well as training on the use of the devices. The proposal allows equal annual payments of $126,525.88 over (60) months. The funds for the first annual payment of the Skydio X10 contract are appropriated in the 2026 budget and the first invoice associated with this purchase will be remitted in 2026.

The purchase shall be made using the Sourcewell Contract #101223-AXN, thereby waiving competitive bidding pursuant to Reynoldsburg City Code Section 175.01.

A RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH AXON ENTERPRISE, INC. TO PURCHASE SKYDIO X10 DRONE BUNDLES WITH RELATED EQUIPEMENT AND WAIVE COMPETIVIE BIDDING

WHEREAS, the City of Reynoldsburg Police Department requests authorization to three (3) Skydio X10 drone bundles, related equipment, and training; and

WHEREAS, that an amount not to exceed $632,629.40 over the period of five years; and

WHEREAS, the Reynoldsburg City Council does hereby authorize the purchase of said drone equipment and further authorizes the Mayor to execute any documentation necessary to effectuate said purchase and waive competitive bidding.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF REYNOLDSBURG, OHIO:

SECTION 1. That the Mayor be and is hereby authorized to purchase three Skydio X10 drone bundles and related equipment in an amount not to exceed $632,629.40 over five years.

SECTION 2. That an amount not to exceed $126,525.88 be paid from account number 110.111.5639 Other Equipment for 2026, as this amount was included in the 2026 Budget.

SECTION 3. That pursuant to RCO section 175.01(g), the purchase shall be made through a Sourcewell contract #101223-AXN; therefore, waiving competitive bidding.

SECTION 4. That this Resolution be effective immediately upon approval by Council and the signature of the Mayor.

This Master Services and Purchasing Agreement ("**Agreement**") is between Axon Enterprise, Inc. ("**Axon**"), and the Customer listed below or, if no Customer is listed below, the customer on the Quote (as defined below) ("**Customer**"). This Agreement is effective as of the later of the (a) last signature date on this Agreement or (b) date of acceptance of the Quote ("**Effective Date**"). Axon and Customer are each a "**Party**" and collectively "**Parties**". This Agreement governs Customer's purchase and use of the Axon Devices and Services detailed in the Quote. It is the intent of the Parties that this Agreement will govern all subsequent purchases by Customer for the same Axon Devices and Services in the Quote, and all such subsequent quotes accepted by Customer shall be also incorporated into this Agreement by reference as a Quote. The Parties agree as follows:

1. **Definitions.**

   1.1. **"Axon Cloud Services"** means Axon's web services, but excludes third-party applications, hardware warranties, and my.evidence.com.

   1.2. **"Axon Device"** means all hardware provided by Axon under this Agreement. Axon-manufactured Devices are a subset of Axon Devices.

   1.3. **"Quote"** means an offer to sell and is only valid for devices and services on the offer at the specified prices. Any inconsistent or supplemental terms within Customer's purchase order in response to a Quote will be void. Orders are subject to prior credit approval. Changes in the deployment estimated ship date may change charges in the Quote. Shipping dates are estimates only. Axon is not responsible for typographical errors in any Quote by Axon, and Axon reserves the right to cancel any orders resulting from such errors.

   1.4. **"Services"** means all services provided by Axon under this Agreement, including software, Axon Cloud Services, and professional services.

2. **Term.** This Agreement begins on the Effective Date and continues until all subscriptions hereunder have expired or have been terminated (**"Term"**).

   2.1. All subscription plans begin on the date stated in the Quote. Each subscription term ends upon completion of the subscription stated in the Quote (**"Subscription Term"**).

   2.2. Upon completion of the Subscription Term, the Subscription Term may renew upon mutual written agreement of the Parties for a mutually agreeable term (**"Renewal Term"**). For purchase of TASER 7 or TASER 10 as a standalone, Axon may increase pricing to its then-current list pricing for any Renewal Term. New devices and services may require additional terms. Axon will not authorize new services until Axon receives a signed Quote or accepts a purchase order, whichever is first.

3. **Payment.** Axon invoices for Axon Devices upon shipment, or on the date specified within the invoicing plan in the Quote. Payment is due net 30 days from the invoice date. Axon invoices for Axon Cloud Services on an upfront annual basis prior to the beginning of the Subscription Term and upon the anniversary of the Subscription Term. Payment obligations are non-cancelable. Unless otherwise prohibited by law, Customer will pay interest on all past-due sums at the lower of one-and-a-half percent (1.5%) per month or the highest rate allowed by law. Customer will pay invoices without setoff, deduction, or withholding. If Axon sends a past due account to collections, Customer is responsible for collection and attorneys' fees.

4. **Taxes.** Customer is responsible for sales and other taxes associated with the order unless Customer provides Axon a valid tax exemption certificate.

5. **Shipping.** Axon may make partial shipments and ship Axon Devices from multiple locations. All shipments are EXW (Incoterms 2020) via common carrier. Title and risk of loss pass to Customer upon Axon's delivery to the common carrier. Customer is responsible for any shipping charges in the Quote.

6. **Returns.** All sales are final. Axon does not allow refunds or exchanges, except warranty returns or as provided by state or federal law.

7. **Warranty.**

   7.1. **Limited Warranty.** Axon warrants that Axon-manufactured Devices, except for TASER devices covered under the TASER Appendix, are free from defects in workmanship and materials for one (1) year from the date of Customer's receipt, except Signal Sidearm which Axon warrants for thirty (30) months from Customer's receipt and Axon-manufactured accessories, which Axon warrants for ninety (90) days from Customer's receipt, respectively, from the date of Customer's receipt. Extended warranties run from the expiration of the one- (1-) year hardware warranty through the extended warranty term purchased.

   7.2. **Disclaimer. All software and Axon Cloud Services are provided "AS IS," without any warranty of any kind, either express or implied, including without limitation the implied warranties of merchantability, fitness for a particular purpose and non-infringement. Axon Devices and Services that are not manufactured, published or performed by Axon ("Third-Party Products") are not covered by Axon's**

warranty and are only subject to the warranties of the third-party provider or manufacturer. If Customer purchases Axon Loki, Customer acknowledges the Loki device is designed for operation in enclosed, controlled environments and must be used in compliance with all applicable laws and safety guidelines. Operation in open or unapproved areas may result in signal interference, loss of control, or damage, and Axon assumes no liability for improper use, including any resulting harm or regulatory violations.

7.3. **Claims.** If Axon receives a valid warranty claim for an Axon-manufactured Device during the warranty term, Axon's sole responsibility is to repair or replace the Axon-manufactured Device with the same or like Axon-manufactured Device, at Axon's option. A replacement Axon-manufactured Device will be new or like new. Axon will warrant the replacement Axon-manufactured Device for the longer of (a) the remaining warranty of the original Axon-manufactured Device or (b) ninety (90) days from the date of repair or replacement.

7.3.1. If Customer exchanges an Axon Device or part, the replacement item becomes Customer's property, and the replaced item becomes Axon's property. Before delivering an Axon-manufactured Device for service, Customer must upload Axon-manufactured Device data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the Axon-manufactured Device sent to Axon for service.

7.4. **Spare Axon Devices.** At Axon's reasonable discretion, Axon may provide Customer a predetermined number of spare Axon Devices as detailed in the Quote ("**Spare Axon Devices**"). Spare Axon Devices are intended to replace broken or non-functioning units while Customer submits the broken or non-functioning units, through Axon's warranty return process. Axon will repair or replace the unit with a replacement Axon Device. Title and risk of loss for all Spare Axon Devices shall pass to Customer in accordance with shipping terms of this Agreement. Axon assumes no liability or obligation in the event Customer does not utilize Spare Axon Devices for the intended purpose.

7.5. **Limitations.** Axon's warranty excludes damage related to: (a) failure to follow Axon Device use instructions; (b) Axon Devices used with equipment not manufactured or recommended by Axon; (c) abuse, misuse, or intentional damage to Axon Device; (d) force majeure; (e) Axon Devices repaired or modified by persons other than Axon without Axon's written permission; or (f) Axon Devices with a defaced or removed serial number. Axon's warranty will be void if Customer resells Axon Devices.

7.5.1. **To the extent permitted by law, the above warranties and remedies are exclusive. Axon disclaims all other warranties, remedies, and conditions, whether oral, written, statutory, or implied. If statutory or implied warranties cannot be lawfully disclaimed, then such warranties are limited to the duration of the warranty described above and by the provisions in this Agreement. Customer confirms and agrees that, in deciding whether to sign this Agreement, Customer has not relied on any statement or representation by Axon or anyone acting on behalf of Axon related to the subject matter of this Agreement that is not in this Agreement.**

7.5.2. **Axon's cumulative liability to any party for any loss or damage resulting from any claim, demand, or action arising out of or relating to this Agreement will not exceed the purchase price paid to Axon for the Axon Device, or if for Services, the amount paid for such Services over the twelve (12) months preceding the claim. Neither Party will be liable for special, indirect, incidental, punitive or consequential damages, however caused, whether for breach of warranty or contract, negligence, strict liability, tort or any other legal theory.**

7.6. **Online Support Platforms.** Use of Axon's online support platforms (e.g., Axon Academy and MyAxon) is governed by the Axon Online Support Platforms Terms of Use Appendix available at www.axon.com/sales-terms-and-conditions.

7.7. **Third-Party Hardware, Software and Services.** Use of hardware, software, or services other than those provided by Axon is governed by the terms, if any, entered into between Customer and the respective third-party provider, including, without limitation, the terms applicable to such software or services located at www.axon.com/sales-terms-and-conditions, if any.

7.8. **Axon Aid.** Upon mutual agreement between Axon and Customer, Axon may provide certain products and services to Customer, as a charitable donation under the Axon Aid program. In such event, Customer expressly waives and releases any and all claims, now known or hereafter known, against Axon and its officers, directors, employees, agents, contractors, affiliates, successors, and assigns (collectively, "**Releasees**"), including but not limited to, on account of injury, death, property damage, or loss of data, arising out of or attributable to the Axon Aid program whether arising out of the negligence of any Releasees or otherwise. Customer agrees not to make or bring any such claim against any Release, and forever release and discharge all Releasees from liability under such claims. Customer expressly allows Axon to publicly announce its participation in Axon Aid and use its name in marketing materials. Axon may terminate the Axon Aid program without cause immediately upon notice to the Customer.

8. **Free Trial.**

8.1. **Trial Period and License.** At any time during the Term, Customer and Axon may elect to enter a free trial of Axon Devices and Services new to the Customer for a designated period ("**Trial Period**") as described in a quote issued ("**Trial Quote**"). During the Trial Period, Axon grants Customer a nonexclusive, terminable, non-transferable, license to use new Axon Devices and Services provided for trial to the Customer ("**Trial Products**"). Trial Products may include Axon beta software or firmware which additional terms may be required and included within the Trial Quote. Axon may limit the number of Trial Products Customer receives within the Trial Quote. Axon may supply refurbished Trial Products. ALL FREE TRIAL PRODUCTS INCLUDING, WITHOUT LIMITATION, AXON CLOUD SERVICES, ARE PROVIDED "AS IS" AND TO THE EXTENT NOT PROHIBITED BY LAW, AXON DISCLAIMS ALL LIABILITY REGARDLESS OF THE CLAIM.

8.2. **Trial Quote Termination.** Upon at least 10 business days' prior written notice to Axon at any time prior to the end of the Trial Period, Customer may as its sole option, terminate the free Trial Period and underlying Trial Quote associated with the Trial Products for convenience. Customer's rights to the Trial Products will immediately terminate at the end of the Trial Period, and Customer will return any Trial Products hardware to Axon within 10 days after the effective date of such termination or at the end of the Trial Period, excluding used CEW cartridges. If any individual component of the Trial Products is not returned, Axon will invoice Customer the MSRP of the unreturned items. Customer agrees to pay the invoice along with any applicable taxes and shipping. Customer will return the Trial Products to Axon in good working condition, minus normal wear and tear. Axon may charge Customer if there is damage beyond normal wear and tear. Any Customer Content shall be stored and returned pursuant to the Axon Cloud Services Terms of Use Appendix

9. **Statement of Work.** Certain Axon Devices and Services, including, but not limited to, Axon Interview Room, Axon Channel Services, Axon Justice Implementation, FUSUS, and Axon Fleet, may require a Statement of Work that details Axon's Service deliverables ("**SOW**"). In the event Axon provides an SOW to Customer, Axon is only responsible for the performance of Services described in the SOW. Additional services outside of the SOW, Quote, or this Agreement are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule. Any applicable SOW is incorporated into this Agreement by reference.

10. **Axon Device Warnings.** See www.axon.com/legal for the most current Axon Device warnings.

11. **Design Changes.** Axon may make design or feature changes to any Axon Device or Service without notifying Customer or making the same change to Axon Devices and Services previously purchased by Customer.

12. **Combined Offerings.** Some offerings in a Quote combine existing and pre-released Axon Devices or Services. Some offerings may not be available at the time of Customer's purchase. Axon will not provide a refund, credit, or additional discount beyond what is in the Quote due to delay of availability or Customer's choice not to utilize any portion of a combined offering.

13. **Insurance.** Axon will maintain General Liability, Workers' Compensation, and Automobile Liability insurance. Upon request, Axon will supply certificates of insurance.

14. **IP Rights.** Axon owns and reserves all right, title, and interest in Axon-manufactured Devices and Services and suggestions to Axon, including all related intellectual property rights. Customer will not cause any Axon proprietary rights to be violated.

15. **IP Indemnification.** Axon will indemnify Customer against all claims, losses, and reasonable expenses from any third-party claim alleging that the use of Axon-manufactured Devices, Axon Cloud Services or Axon software ("**Axon Products**") infringes or misappropriates the third-party's intellectual property rights. Customer must promptly provide Axon with written notice of such claim, tender to Axon the defense or settlement of such claim at Axon's expense and cooperate fully with Axon in the defense or settlement of such claim. Axon's IP indemnification obligations do not apply to claims based on (a) modification of Axon Products by Customer or a third-party not approved by Axon; (b) use of Axon Products in combination with hardware or services not approved by Axon; (c) use of Axon Products other

than as permitted in this Agreement; or (d) use of Axon Products that is not the most current software release provided by Axon.

16. **Customer Responsibilities.** Customer is responsible for (a) Customer's use of Axon Devices; (b) Customer or a Customer-authorized user's breach of this Agreement or violation of applicable law; (c) disputes between Customer and a third-party over Customer's use of Axon Devices; (d) secure and sustainable destruction and disposal of Axon Devices at Customer's cost; and (e) any regulatory violations or fines, as a result of improper destruction or disposal of Axon Devices.

17. **Termination.**

    17.1. **For Breach.** A Party may terminate this Agreement for cause if it provides thirty (30) days written notice of the breach to the other Party, and the breach remains uncured thirty (30) days after written notice. If Customer terminates this Agreement due to Axon's uncured breach, Axon will refund prepaid amounts on a prorated basis based on the effective date of termination.

    17.2. **By Customer.** If sufficient funds are not appropriated or otherwise legally available to pay the fees, Customer may terminate this Agreement. Customer will deliver notice of termination under this section as soon as reasonably practicable.

    17.3. **Effect of Termination.** Upon termination of this Agreement, Customer rights immediately terminate. Customer remains responsible for all fees incurred before the effective date of termination. If Customer purchases Axon Devices for less than the manufacturer's suggested retail price ("**MSRP**") and this Agreement terminates before the end of the Term, Axon will invoice Customer the difference between the MSRP for Axon Devices procured, including any Spare Axon Devices, and amounts paid towards those Axon Devices. Only if terminating for non-appropriation, Customer may return Axon Devices to Axon within thirty (30) days of termination. MSRP is the standalone price of the individual Axon Device at the time of sale. For multiple Axon Devices that may be combined as a single offering on a Quote, MSRP is the standalone price of all individual components.

18. **Confidentiality.** "**Confidential Information**" means nonpublic information designated as confidential or, given the nature of the information or circumstances surrounding disclosure, should reasonably be understood to be confidential. Each Party will take reasonable measures to avoid disclosure, dissemination, or unauthorized use of the other Party's Confidential Information. Unless required by law, neither Party will disclose the other Party's Confidential Information during the Term and for five (5) years thereafter. To the extent permissible by law, Axon pricing is Confidential Information and competition sensitive. If Customer receives a public records request to disclose Axon Confidential Information, to the extent allowed by law, Customer will provide notice to Axon before disclosure. Axon may publicly announce information related to this Agreement.

19. **General.**

    19.1. **Force Majeure.** Neither Party will be liable for any delay or failure to perform due to a cause beyond a Party's reasonable control.

    19.2. **Independent Contractors.** The Parties are independent contractors. Neither Party has the authority to bind the other. This Agreement does not create a partnership, franchise, joint venture, Customer, fiduciary, or employment relationship between the Parties.

    19.3. **Third-Party Beneficiaries.** There are no third-party beneficiaries under this Agreement.

    19.4. **Non-Discrimination.** Neither Party nor its employees will discriminate against any person based on race; religion; creed; color; sex; gender identity and expression; pregnancy; childbirth; breastfeeding; medical conditions related to pregnancy, childbirth, or breastfeeding; sexual orientation; marital status; age; national origin; ancestry; genetic information; disability; veteran status; or any class protected by local, state, or federal law.

    19.5. **Compliance with Laws.** Each Party will comply with all applicable federal, state, and local laws, including without limitation, import and export control laws and regulations as well as firearm regulations and the Gun Control Act of 1968. Customer acknowledges that Axon Devices and Services are subject to U.S. and international export control laws, including the U.S. Export Administration Regulations (EAR) and International Traffic in Arms Regulations (ITAR). Customer represents and warrants that neither it nor any End User is a "Restricted Person," meaning any individual or entity that (1) is subject to U.S. sanctions or trade restrictions, (2) appears on any U.S. government restricted party list, (3) engages in prohibited weapons proliferation activities, or (4) is owned or controlled by, or acting on behalf of, such persons or entities. Customer must promptly notify Axon of any change in status, and Axon may terminate this Agreement if Customer or any End User becomes a Restricted Person or violates export laws.

    19.6. **Assignment.** Neither Party may assign this Agreement without the other Party's prior written consent. Axon

may assign this Agreement, its rights, or obligations without consent: (a) to an affiliate or subsidiary; or (b) for purposes of financing, merger, acquisition, corporate reorganization, or sale of all or substantially all its assets. This Agreement is binding upon the Parties respective successors and assigns.

19.7. **Waiver.** No waiver or delay by either Party in exercising any right under this Agreement constitutes a waiver of that right.

19.8. **Severability.** If a court of competent jurisdiction holds any portion of this Agreement invalid or unenforceable, the remaining portions of this Agreement will remain in effect.

19.9. **Survival.** The following sections will survive termination: Payment, Warranty, Axon Device Warnings, Indemnification, IP Rights, Customer Responsibilities and any other Sections detailed in the survival sections of the Appendices.

19.10. **Governing Law.** The laws of the country, state, province, or municipality where Customer is physically located, without reference to conflict of law rules, govern this Agreement and any dispute arising from it. The United Nations Convention for the International Sale of Goods does not apply to this Agreement. The Parties expressly agree that either Party may appear for and attend all matters, remotely via teleconference or videoconference at the party's discretion, to the extent allowable by court.

19.11. **Notices.** All notices must be in English. Notices posted on Customer's Axon Evidence site are effective upon posting. Notices by email are effective on the sent date of the email. Notices by personal delivery are effective immediately. Notices to Customer shall be provided to the address on file with Axon. Notices to Axon shall be provided to Axon Enterprise, Inc. Attn: Legal, 17800 North 85th Street, Scottsdale, Arizona 85255 with a copy to legal@axon.com.

19.12. **Entire Agreement.** This Agreement, the Appendices, including any applicable Appendices not attached herein for the products and services purchased, which are incorporated by reference and located in the Master Purchasing and Services Agreement located at https://www.axon.com/sales-terms-and-conditions, Quote and any SOW(s), represents the entire agreement between the Parties. This Agreement supersedes all prior agreements or understandings, whether written or verbal, regarding the subject matter of this Agreement. This Agreement may only be modified or amended in a writing signed by the Parties.

Each Party, by and through its respective representative authorized to execute this Agreement, has duly executed and delivered this Agreement as of the date of signature.

Axon Cloud Services Terms of Use Appendix

1. **Definitions.**
   1.1. "**Data Controller**" means the natural or legal person, public authority, or any other body which alone or jointly with others determines the purposes and means of the processing of Personal Data.
   1.2. "**Data Processor**" means a natural or legal person, public authority or any other body which processes Personal Data on behalf of the Data Controller.
   1.3. "**Customer Content**" is data uploaded into, ingested by, or created in Axon Cloud Services within Customer's tenant, including media or multimedia uploaded into Axon Cloud Services by Customer. Customer Content includes Evidence but excludes Non-Content Data.
   1.4. "**Evidence**" is media or multimedia uploaded into Axon Evidence as 'evidence' by Customer. Evidence is a subset of Customer Content.
   1.5. "**End User**" means the natural person subject to Customer's authorized license grant who ultimately uses the Cloud Services as provided under this Agreement. End Users must adhere to the terms of use and are subject to any usage restrictions or limitations specified in this Agreement.
   1.6. "**Non-Content Data**" is data, configuration, and usage information about Customer's Axon Cloud Services tenant, Axon Devices and client software, and users that is transmitted or generated when using Axon Devices. Non-Content Data includes data about users captured during account management and customer support activities. Non-Content Data does not include Customer Content.
   1.7. "**Personal Data**" means any information relating to an identified or identifiable natural person. An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.
   1.8. "**Provided Data**" means de-identified, de-personalized, data derived from Customer's TASER energy weapon deployment reports, related TASER energy weapon logs, body-worn camera footage, and incident reports.
   1.9. "**Subprocessor**" means any third party engaged by the Data Processor to assist in data processing activities that the Data Processor is carrying out on behalf of the Data Controller.
   1.10. "**Transformed Data**" means the Provided Data used for the purpose of quantitative evaluation of the performance and effectiveness of TASER energy weapons in the field across a variety of circumstances.
2. **Access.** Upon Axon granting Customer a subscription to Axon Cloud Services, Customer may access and use Axon Cloud Services to store and manage Customer Content. Customer may not exceed the total number of End Users specified in the Quote. Axon Air requires an Axon Evidence subscription for each drone operator. For Axon Evidence access granted solely for TASER, Customer may access and use Axon Evidence only to store and manage TASER CEW data ("TASER Data") and Customer may not upload non-TASER Data to Axon Evidence.
3. **Customer Owns Customer Content.** Customer controls and owns all rights, title, and interest in Customer Content. Except as outlined herein, Axon obtains no interest in Customer Content, and Customer Content is not Axon's business records. Customer is solely responsible for uploading, sharing, managing, and deleting Customer Content. Axon will only have access to Customer Content for the limited purposes set forth herein. Customer agrees to allow Axon access to Customer Content to (a) perform troubleshooting, maintenance, or diagnostic screenings; and (b) enforce this Agreement or policies governing use of the Axon products.
4. **Security.** Axon will implement commercially reasonable and appropriate measures to secure Customer Content against accidental or unlawful loss, access or disclosure. Axon will maintain a comprehensive information security program to protect Axon Cloud Services and Customer Content including logical, physical access, vulnerability, risk, and configuration management; incident monitoring and response; encryption of uploaded digital evidence; security education; and data protection. Axon agrees to the Federal Bureau of Investigation Criminal Justice Information Services Security Addendum for its digital evidence or records management systems.
5. **Customer Responsibilities.** Customer is responsible for (a) ensuring Customer owns Customer Content or has the necessary rights to use Customer Content (b) ensuring no Customer Content or Customer End User's use

of Customer Content or Axon Cloud Services violates this Agreement or applicable laws; (c) maintaining necessary computer equipment and Internet connections for use of Axon Cloud Services and (d) verify the accuracy of any auto generated or AI-generated reports. If Customer becomes aware of any violation of this Agreement by an End User, Customer will immediately terminate that End User's access to Axon Cloud Services.

5.1. Customer will also maintain the security of End User usernames and passwords and security and access by end users to Customer Content. Customer is responsible for ensuring the configuration and utilization of Axon Cloud Services meet applicable Customer regulation and standards. Customer may not sell, transfer, or sublicense access to any other entity or person. If Customer provides access to unauthorized third-parties, Axon may assess additional fees along with suspending Customer's access. Customer shall contact Axon immediately if an unauthorized party may be using Customer's account or Customer Content, or if account information is lost or stolen.

5.2. To the extent Customer uses the Axon Cloud Services to interact with YouTube®, such use may be governed by the YouTube Terms of Service, available at https://www.youtube.com/static?template=terms.

6. **Privacy.** Customer's use of Axon Cloud Services is subject to the Axon Cloud Services Privacy Policy, a current version of which is available at https://www.axon.com/legal/cloud-services-privacy-policy. Customer agrees to allow Axon access to Non-Content Data from Customer to (a) perform troubleshooting, maintenance, or diagnostic screenings; (b) provide, develop, improve, and support current and future Axon products and related services; and (c) enforce this Agreement or policies governing the use of Axon products.

7. **Axon Body Wi-Fi Positioning.** Axon Body cameras may offer a feature to enhance location services where GPS/GNSS signals may not be available, for instance, within buildings or underground. Customer administrators can manage their choice to use this service within the administrative features of Axon Cloud Services. If Customer chooses to use this service, Axon must also enable the usage of the feature for Customer's Axon Cloud Services tenant. Customer will not see this option with Axon Cloud Services unless Axon has enabled Wi-Fi Positioning for Customer's Axon Cloud Services tenant.

8. **Storage.** For Axon Unlimited Device Storage subscriptions, Customer may store unlimited data in Customer's Axon Evidence account only if the Axon Device data is shared to Customer through Axon Evidence from a partner agency using Axon Evidence, or the data originates from Axon Capture or an Axon Device. Axon may charge Customer additional fees for exceeding purchased storage amounts. Axon may place Customer Content that Customer has not viewed or accessed for six (6) months into archival storage. Customer Content in archival storage will not have immediate availability and may take up to twenty-four (24) hours to access.

8.1. **Third-Party Unlimited Storage.** For Third-Party Unlimited Storage the following restrictions apply: (i) it may only be used in conjunction with a valid Axon Evidence user license; (ii) is limited to data of the law enforcement Customer that purchased the Third-Party Unlimited Storage and the Axon Evidence End User; (iii) Customer is prohibited from storing data for other customers or law enforcement agencies; and (iv) Customer may only upload and store data that is directly related to (1) the investigation of, or the prosecution or defense of a crime, (2) common law enforcement activities, or (3) any Customer Content created by Axon Devices or Axon Evidence.

8.2. **Location of Storage.** Axon may transfer Customer Content to third-party subcontractors for storage. Axon will determine the locations of data centers for storage of Customer Content If Customer is located in the United States, Canada, or Australia, Axon will ensure all Customer Content stored in Axon Cloud Services remains in the country where Customer is located Ownership of Customer Content remains with Customer.

9. **Suspension.** Axon may temporarily suspend Customer's or any End User's right to access or use any portion or all of Axon Cloud Services immediately upon notice, if Customer or End User's use of or registration for Axon Cloud Services may (a) pose a security risk to Axon Cloud Services or any third-party; (b) adversely impact Axon Cloud Services, the systems, or content of any other customer; (c) subject Axon, Axon's affiliates, or any third-party to liability; or (d) be fraudulent. Customer remains responsible for all fees incurred through suspension. Axon will not delete Customer Content because of suspension, except as specified in this Agreement.

10. **Axon Cloud Services Warranty.** Axon disclaims any warranties or responsibility for data corruption or errors before Customer uploads data to Axon Cloud Services Service Offerings will be subject to the Axon Cloud Services Service Level Agreement, a current version of which is available at https://www.axon.com/products/axon-evidence/sla.

11. **Roles of the Parties.** To the extent that Customer is the Data Controller of Personal Data, Axon is its Data Processor. To the extent that Customer is a Data Processor of Personal Data, Axon is its Subprocessor. Notwithstanding the foregoing, to the extent any usage data (including query logs and metadata)

and/or operations data (including billing and support data) in connection with Customer's use of the Services (collectively "Usage and Operations Data") is considered Personal Data, Axon is an independent Data Controller and shall Process such data in accordance with the Agreement and applicable data protection laws to develop, improve, support, and operate its products and services. For the avoidance of doubt, Axon will not disclose any Usage and Operations Data that includes confidential information with a third party except (a) in accordance with the relevant confidentiality provisions in the Agreement, or (b) to the extent the Usage and Operations Data is, in accordance with applicable data protection laws, anonymized, de-identified, and/or aggregated such that it can no longer directly or indirectly identify Customer or any particular individual.

12. **TASER Data Science Program.** Axon will provide a quantitative evaluation on the performance and effectiveness of TASER energy weapons in the field across a variety of circumstances.

    12.1. If Customer purchases the TASER Data Science Program, Customer grants Axon, its affiliates, and assignees an irrevocable, perpetual, fully paid, royalty-free, and worldwide right and license to use Provided Data solely for the purposes of this Agreement and to create Transformed Data. Customer shall own all rights and title to Provided Data. Axon shall own all rights and title to Transformed Data and any derivatives of Transformed Data.

    12.2. Axon grants to Customer an irrevocable, perpetual, fully paid, royalty-free, license to use to TASER Data Science report provided to Customer for its own internal purposes. The Data Science report is provided "as is" and without any warranty of any kind.

    12.3. In the event Customer seeks Axon's deletion of Provided Data, it may submit a request to privacy@axon.com. Where reasonably capable of doing so, Axon will implement the request but at a minimum will not continue to collect Provided Data from Customer.

13. **Axon Records.** The following terms apply to Axon Records. Customers may purchase Axon Records either as part of an OSP 7 or OSP 10 plan or individually through a Quote.

    13.1. Axon Record subscription begins on the later of the (1) start date of the Quote, or (2) the date Axon provisions Axon Records to Customer. The Axon Records Subscription Term will end upon the completion of the Axon Records Subscription as documented in the Quote, or if purchased as part of an OSP 7 or OSP 10 plan, upon completion of the OSP 7 or OSP 10 Term ("Axon Records Subscription Term").

    13.2. An "Update" is a generally available release of Axon Records that Axon makes available from time to time. An "Upgrade" includes (i) new versions of Axon Records that enhance features and functionality, as solely determined by Axon; and/or (ii) new versions of Axon Records that provide additional features or perform additional functions. Upgrades exclude new products that Axon introduces and markets as distinct products or applications. During the Customer's Axon Records Subscription Term Axon will provide Update and Upgrade releases to the Customer on an if-and-when available basis.

    13.3. New or additional Axon products and applications, as well as any Axon professional services needed to configure Axon Records, are not included as part of the Axon Records Subscription.

    13.4. End Users of Axon Records may upload files to entities (incidents, reports, cases, etc.) in Axon Records with no limit to the number of files and amount of storage. Notwithstanding the foregoing, Axon may limit usage should the Customer exceed an average rate of one-hundred (100) GB per user per year of uploaded files. Axon will not bill for overages.

14. **FUSUS. If Customer purchases a subscription to FUSUS, the following terms apply:**

    14.1. **License and Storage.** The specific license number(s) and associated data storage terms for FUSUS subscription and Axon Devices shall be set forth in the applicable Quote provided by Axon.

    14.2. **Third party Components.** Customer is responsible for use of any internet access devices and/or all third-party hardware, software, services, telecommunication services (including Internet connectivity), or other items used by Customer to access the service ("Third-Party Components") are the sole and exclusive responsibility of Customer, and Axon has no responsibility for such Third-party Components, FUSUS cloud services, or Customer relationships with such third parties. Customer agrees to at all times comply with the lawful terms and conditions of agreements with such third parties. Axon does not represent or warrant that the FUSUS cloud services and the Customer Content are compatible with any specific third-party hardware or software or any other Third-Party Components. Customer is responsible for providing and maintaining an operating environment as reasonably necessary to accommodate and access the FUSUS cloud services.

14.3. **Data Privacy.** Axon may collect, use, transfer, disclose and otherwise process Customer Content in the context of facilitating communication of data with Customer through their use of FUSUS cloud services FUSUS app (iOS or Android interface), complying with legal requirements, monitoring the Customer's use of FUSUS systems, and undertaking data analytics.

14.4. **Hardware Allowance.** If Customer purchases a hardware allowance, Customer may select hardware up to the value if the allowance. Axon does not provide refunds for unused portions of the allowance.

15. **Carbyne Products and Services**

15.1. **Privacy Policy**. Carbyne Privacy Policy governs the collection, use and disclosure of certain data provided to Axon in connection with Customer's use of the Carbyne products and services. The current policy is located: https://carbyne.com/app-privacy-policy/ and is incorporated into this Agreement by reference.

15.2. **Data Retention and Storage**. Unless Customer provides Axon with written instruction otherwise, Axon will retain Customer Content which uploaded to the Carbyne cloud services or which is recorded or stored in the course of your use of the Carbyne products and services, for a period of two years (the period we retain your data referred to as the "Data Retention Period"), provided that Customer acknowledges it is responsible for your compliance with any applicable data retention laws. Customer Content is automatically deleted after the Data Retention Period; however, at any time prior to such deletion, Customer may download Customer Content which has been stored on the Carbyne Cloud Services. Customer is solely responsible for the retention of such data for any applicable retention periods and for the purpose of any subsequent data requests.

15.3. **Disclaimer**. **CUSTOMER ACKNOWLEDGES THE CARBYNE PRODUCTS DO NOT PROVIDE TELEPHONE SERVICES, INTERCONNECTED VOIP SERVICES, OR 911 SERVICES. AXON MAKES NO REPRESENTATION THAT CARBYNE PRODUCTS ARE AN INTERCONNECTED VOIP SERVICE.**

16. **Prepared Products and Services.**

16.1. Prepared product deployment timelines for Prepared products within the Scope of Work (SOW) shall be mutually agreed to by the Parties in the SOW. The initial deployment of Assistive Call Taking (ACT) may take up to 12 months from the execution of the SOW and the service start date listed in the Agreement; deployments of the remaining Prepared products may take up to twenty-four (24) months from the execution of the SOW. Axon must confirm feasibility based on technical requirements for Prepared products prior to the execution of the SOW.

16.2. Customers using Solacom (Comtech CHE) call handling equipment in a multi-tenant configuration are not eligible for Prepared ACT or Prepared AQA, as call audio cannot be isolated to a single agency. Such Customers remain eligible for ANET and Assistive Dispatch. Customers on Solacom single-tenant configurations are eligible for all Prepared products, subject to SPAN port fees described below.

17. **Axon Community Request Storage.** If Community Request is included as part of Customer's Quote or combined offering, Customer may store an unlimited amount of data submitted through the public portal ("Portal Content"), within Customer's Axon Evidence instance. The post-termination provisions outlined in the Axon Cloud Services Terms of Use Appendix also apply to Portal Content.

18. **Performance Auto-Tagging Data.** If Axon Performance is included in Customer's Quote or a combined offering, Axon will store call for service data from Customer's CAD or RMS in order to provide services and features of Axon Performance to Customer.

19. **Axon Cloud Services Restrictions.** Customer and Customer End Users (including employees, contractors, agents, officers, volunteers, and directors), may not, or may not attempt to:

19.1. copy, modify, tamper with, repair, or create derivative works of any part of Axon Cloud Services;

19.2. reverse engineer, disassemble, or decompile Axon Cloud Services or apply any process to derive any source code included in Axon Cloud Services, or allow others to do the same;

19.3. access or use Axon Cloud Services with the intent to gain unauthorized access, avoid incurring fees or exceeding usage limits or quotas;

19.4. use trade secret information contained in Axon Cloud Services, except as expressly permitted in this Agreement;

19.5. access Axon Cloud Services to build a competitive device or service or copy any features, functions, or graphics of Axon Cloud Services;

19.6. remove, alter, or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon's or Axon's licensors on or within Axon Cloud Services; or

19.7. use Axon Cloud Services to store or transmit infringing, libelous, or other unlawful or tortious material; material in violation of third-party privacy rights; or malicious code.

20. **After Termination.** Axon will not delete Customer Content for ninety (90) days following termination. Axon Cloud Services will not be functional during these ninety (90) days other than the ability to retrieve Customer Content. Customer will not incur additional fees if Customer downloads Customer Content from Axon Cloud Services during this time. Axon has no obligation to maintain or provide Customer Content after these ninety (90) days and will thereafter, unless legally prohibited, delete all Customer Content. Upon request, Axon will provide written proof that Axon successfully deleted and fully removed all Customer Content from Axon Cloud Services.
21. **Post-Termination Assistance.** Axon will provide Customer with the same post-termination data retrieval assistance that Axon generally makes available to all customers. Requests for Axon to provide additional assistance in downloading or transferring Customer Content, including requests for Axon's data egress service, will result in additional fees and Axon will not warrant or guarantee data integrity or readability in the external system.
22. **U.S. Government Rights.** If Customer is a U.S. Federal department or using Axon Cloud Services on behalf of a U.S. Federal department, Axon Cloud Services is provided as a "commercial item," "commercial computer software," "commercial computer software documentation," and "technical data", as defined in the Federal Acquisition Regulation and Defense Federal Acquisition Regulation Supplement. If Customer is using Axon Cloud Services on behalf of the U.S. Government and these terms fail to meet the U.S. Government's needs or are inconsistent in any respect with federal law, Customer will immediately discontinue use of Axon Cloud Services.
23. **Survival.** Upon any termination of this Agreement, the following sections in this Appendix will survive: Customer Owns Customer Content, Privacy, Storage, Axon Cloud Services Warranty, Customer Responsibilities and Axon Cloud Services Restrictions.

AI Technology Appendix

This AI Technology Appendix shall only apply to Customers who license Axon Cloud Services in a Quote that specifically utilizes AI Technology. Unless explicitly defined otherwise, capitalized terms used in this Appendix have the same meaning as those in the Agreement.

1. **Definitions.**
   1.1. **AI Technology.** Refers to artificial intelligence functionalities embedded in Axon's Cloud Services, which may include: (a) Enhanced Evidence Management; (b) AI-powered redaction tools; (c) Large Language Model-based tools (e.g., "Draft One" "Policy Chat"); (d) Predictive Analytics for operational insights; or (e) Natural Language Processing (NLP) for text and speech analysis.

   1.2. **Model Drift.** The degradation of AI model performance due to changes in input data or external conditions, requiring retraining or updates.

   1.3. **Bias Mitigation.** Strategies and techniques used to identify, measure, and minimize bias in AI Technology.

2. **Integration.** Axon AI Technology is intended to improve public safety, streamline operations, and ensure data accuracy. The AI functionalities will only be used as described in the Agreement or applicable documentation.

3. **Data Use.** Axon acts as a Data Processor for AI Technology. All inquiries submitted are processed solely to provide accurate responses based on Customer Content submitted. Customer remains the Data Controller of all Customer Content. Axon and Axon's subprocessors do not train their models on Customer Content. Customers who elect to participate in Axon's ACEIP program can enter into custom agreements to assist in product development efforts like AI model training. Even in those cases, Axon operates carefully on redacted data and not on Customer Content.

4. **Automatic Data Collection.** AI Technology may automatically collect Non-Content Data about user interactions with the service and their devices to enhance the functionality and security of the system. The details collected include, but are not limited to, the following:
   4.1. **User Engagement and Activity Metrics.** AI Technology may track key engagement statistics, including Daily Active Users (DAUs), Weekly Active Users (WAUs), and Monthly Active Users (MAUs). Additional metrics include new user activations, repeat usage rates, total queries submitted, follow-up query volume, session lengths, retention rates, and user satisfaction ratings (e.g., thumbs up/down feedback).

   4.2. **Sales and Adoption Tracking.** Axon monitors the number of licenses and agencies purchasing the service, including those in trial phases, fully deploying the service, and conversion rates from trials to paid subscriptions.

   4.3. **End User inputs.** Axon may process de-identified end-user inputs to the AI Technology, excluding Customer Content or any data that directly or indirectly identifies individuals.

5. **Axon Responsibilities.**
   5.1. **Ethical AI Development.** Axon shall: (a) Follow its responsible innovation framework; (b) Engage with the Ethics and Equity Advisory Council (EEAC) for feedback; (c) Conduct testing to minimize bias and ensure reliability; and (d) Implement Bias Mitigation techniques in model development and deployment.

   5.2. **Security Program.** Axon will maintain a comprehensive information security program, including logical and physical access, vulnerability, risk, and configuration management; incident monitoring and response; encryption of digital evidence; and security education.

   5.3. **Transparency.** Axon will provide documentation describing AI functionalities and their intended use and disclose any material limitations, risks, or Model Drift incidents.

   5.4. **Incident Response.** Axon will promptly address and rectify anomalies in AI functionalities, as outlined in its incident management procedures.

   5.5. **Compliance.** Axon will ensure compliance with applicable laws, regulations, and standards, including but not limited to the EU AI Act, NIST AI standards, and ISO/IEC 27001.

6. **Customer Responsibilities.**

6.1. **Ownership of Customer Content.** Customer controls and owns all rights, title, and interest in Customer Content. Axon obtains no interest in Customer Content and will only access Customer Content for limited purposes as outlined in the Agreement.

6.2. **Use of AI Technologies.** Customer must: (a) review AI-generated outputs to ensure accuracy and appropriateness; (b) maintain control over Customer Content shared with AI Technologies (c) comply with applicable laws when using Axon AI Technology and Axon Services; (d) monitor for potential issues with AI outputs, including false positives or negatives; (e) actively opt-in for programs involving data sharing through Axon's ACEIP program; and (f) provide timely feedback on Axon AI Technology performance.

6.3. **Restrictions.** AI Technology is not designed for emergencies, and in such cases, users should contact appropriate emergency services directly. Axon disclaims liability for queries containing prohibited content, such as hate, sexual material, or violence, and reserves the right to restrict such usage. Axon translation products may not be used by healthcare providers (doctors, nurses, paramedics, etc.) for the purpose of providing healthcare services and are only meant to allow healthcare providers to de-escalate confrontations.

7. **Policy Chat.** This section outlines the specific terms and conditions related to the use of Policy Chat by the Customer. By utilizing Policy Chat, the Customer agrees to comply with the following provisions:

7.1. **License and Content Restrictions.** Any uploads beyond 5,000 pages may be limited by Axon. It is the Customer's responsibility to manage uploads to ensure system efficiency and compliance with these terms.

7.2. **Data Processing.** Inquiries submitted to Policy Chat are processed solely to provide accurate responses based on existing policy documents provided by the Customer. The Customer remains the Data Controller of all policy content, and Axon's role is strictly limited to facilitating access to this information through Policy Chat.

7.3. **Policy Chat Restrictions.** The information provided by Policy Chat is for informational purposes only and is based on the policy documents uploaded by the Customer. Axon does not guarantee the accuracy, completeness, or timeliness of the information, and disclaims all liability for any reliance placed on such information. Policy Chat is not a substitute for official policy documents, legal advice, or comprehensive training. Users should consult their supervisors, legal advisors, or official sources for the most accurate and up-to-date policy guidance. Changes to policies may not be reflected immediately, and it is the Customer's responsibility to ensure data integrity by uploading the most current documents and removing outdated versions.

8. **Draft One.** Specifically for Customers who utilize Draft One, Axon may impose usage restrictions if a single user generates more than three hundred (300) reports per month for two or more consecutive months.

9. **Brief One.** Brief One includes automatic summarization of all products that can be transcribed. If Customer subscribes to Brief One, Customer may utilize Brief One with no limit on the number of pieces of evidence or cases. Notwithstanding the foregoing, Axon may limit evidence and case summaries for cases with over one thousand (1000) pieces of evidence or after three hundred (300) cases per End User per month for two (2) consecutive months in a row.

10. **Auto-Transcribe.** This section outlines licensing terms for Customer's subscription of Auto-Transcribe:

10.1. **A-La-Carte Minutes.** Upon Axon granting Customer a set number of minutes, Customer may utilize Axon Auto-Transcribe, subject to the number of minutes allowed on the Quote. Customers cannot roll over unused minutes to future Auto-Transcribe terms. Axon may charge Customer additional fees for exceeding the number of purchased minutes. Axon Auto-Transcribe minutes expire one year after being provisioned to Customer by Axon.

10.2. **Axon Unlimited Transcribe.** Upon Axon granting Customer an Unlimited Transcribe subscription to Axon Auto-Transcribe, Customer may utilize Axon Auto-Transcribe with no limit on the number of minutes. Unlimited Transcribe includes automatic transcription of all Axon BWC and Axon Capture footage. With regard to Axon Interview Room, Axon Fleet, Axon Community Request, or third-party transcription, transcription must be requested on demand. Notwithstanding the foregoing, Axon may limit usage after 5,000 minutes per user per month for multiple months in a row. Axon will not bill for overages.

11. **Prepared Products.** This section applies to a Customer's AI Eras subscription for Prepared products:

11.1. Deploying Assistive Dispatch may require Axon to procure additional third party-licensing. Axon reserves the right to pass through these third-party costs to the Customer. Assistive Dispatch may also require

additional third-party hardware or services to be purchased by the Customer directly from the third-party vendor. AI Era pricing does not include these third-party hardware or services costs.

11.2. Assistive Dispatch is available for Customers using supported CAD and radio console configurations. A technical assessment will determine eligibility. Customers with analog radio consoles or unsupported digital console configurations are not eligible for Assistive Dispatch but may use other Prepared products included in AI Era (ACT, AQA, ANET). Axon will conduct eligibility assessment only when explicitly requested by customer.

11.3. PSAP eligibility for Prepared products under the AI Era Plan requires that AI Era licenses purchased to represent at least one-third (33%) of the total sworn officer count associated with the PSAP. For PSAPs serving multiple agencies, eligibility is calculated based on the aggregate AI Era licenses purchased by all participating agencies relative to the combined sworn officer count served by that PSAP. Axon retains sole discretion to determine PSAP eligibility, and may consider additional factors including call volume, deployment feasibility, and PSAP configuration in making its determination. If customer is interested in Prepared products as part of the purchase of AI Era Plan, Customer to assist Axon in making all eligibility determinations within 90 days of the date of quote signature.

Axon Customer Experience Improvement Program Appendix

The ACEIP is designed to accelerate Axon's development of technology, such as building and supporting automated features, aiming to increase safety within communities and efficiency in public safety. Axon may make limited use of Customer Content from participating customers to provide, develop, improve, and support current and future Axon products (collectively, "ACEIP Purposes"). ACEIP has 2 modes of participation, Basic and Custom. Customer is enrolled in ACEIP Basic by default. If Customer does not want to participate in ACEIP Basic, ACEIP Custom, or both, Customer can revoke its consent at any time via email to aceip@axon.com.

Axon Obligations

ACEIP Basic
When Axon uses Customer Content for ACEIP Purposes, Axon will:

- Use Customer Content only for ACEIP Purposes.
- Prohibit direct human access to Customer Content, including by Axon personnel and subprocessors, except as needed to perform or validate deletion.
- Retain Customer Content only as long as needed to create Transformed Content (defined below) and validate the transformations.
- Apply privacy-preserving transformations that remove identifying information appropriate to the use case ("Transformed Content"). AI model weights and similar insights that do not contain Customer Content are Transformed Content. Transformed Content is not Customer Content.
- Retain and permit direct human access to Transformed Content for ACEIP Purposes.
- Maintain security, privacy, and data governance programs as described in the Axon Cloud Services Terms Appendix, and apply them to ACEIP.

Transparency Portal Publication
Before activating a use case, Axon will publish it on the Axon Transparency Portal, including the product development purpose, data types involved, and privacy-preserving techniques used. Axon will also notify ACEIP participants when the Transparency Portal is updated with a new or materially changed use case. Fifteen (15) calendar days after notification, Axon may activate the use case for all Basic participants.

Opt Out
Customer may opt out of ACEIP Basic at any time via aceip@axon.com. Axon endeavors to implement opt outs within fifteen (15) calendar days. Transformations of Customer Content cease when Axon implements the opt out. Axon may retain Transformed Content created before it implemented the opt out request.

ACEIP Custom
Custom use cases may be governed by separate written terms between Axon and Customer. Those terms will control that use case. Please direct inquiries regarding Custom participation to aceip@axon.com.

Professional Services Appendix

If any of the Professional Services specified below are included on the Quote, this Appendix applies.

1. **Utilization of Services.** Customer must use professional services as outlined in the Quote and this Appendix within six (6) months of the Effective Date.

Dock configuration • Work with Customer to decide the ideal location of Docks and set configurations on Dock • Authenticate Dock with Axon Evidence using admin credentials from Customer • On-site assistance, not to include physical mounting of docks
Best practice implementation planning session • Provide considerations for the establishment of video policy and system operations best practices based on Axon's observations with other customers • Discuss the importance of entering metadata in the field for organization purposes and other best practices for digital data management • Provide referrals of other customers using the Axon camera devices and Axon Evidence • Recommend rollout plan based on review of shift schedules
System Admin and troubleshooting training sessions Step-by-step explanation and assistance for Customer's configuration of security, roles & permissions, categories & retention, and other specific settings for Axon Evidence.
Axon instructor training (Train the Trainer) Training for Customer's in-house instructors who can support Customer's Axon camera and Axon Evidence training needs after Axon has fulfilled its contractual on-site obligations.
Evidence sharing training Tailored workflow instruction for Investigative Units on sharing cases and evidence with local prosecuting agencies.
Users go-live training and support sessions • Assistance with device set up and configuration • Training on device use, Axon Evidence, and Evidence Sync
Implementation document packet Axon Evidence administrator guides, camera implementation guides, network setup guide, sample policies, and categories & roles guide.
Post go-live review

3. **Body-Worn Camera Starter Service (Axon Starter).** Axon Starter includes advance remote project planning and configuration support and one (1) day of on-site Services and a professional services manager to work closely with Customer to assess Customer's deployment and determine which Services are appropriate. If Customer requires more than one (1) day of on-site Services, Customer must purchase additional on-site Services. The Axon Starter options include:

System set up and configuration (Remote Support) • Instructor-led setup of Axon View on smartphones (if applicable) • Configure categories & custom roles based on Customer need

• Troubleshoot IT issues with Axon Evidence and Dock access
Dock configuration • Work with Customer to decide the ideal location of Dock setup and set configurations on Dock • Authenticate Dock with Axon Evidence using "Administrator" credentials from Customer • Does not include physical mounting of docks
Axon instructor training (Train the Trainer) Training for Customer's in-house instructors who can support Customer's Axon camera and Axon Evidence training needs after Axon's has fulfilled its contracted on-site obligations
User go-live training and support sessions • Assistance with device set up and configuration • Training on device use, Axon Evidence, and Evidence Sync
Implementation document packet Axon Evidence administrator guides, camera implementation guides, network setup guide, sample policies, and categories & roles guide

4. **Body-Worn Camera Virtual 1-Day Service (Axon Virtual).** Axon Virtual includes all items in the BWC Starter Service Package, except one (1) day of on-site services.

5. **CEW Services Packages.** CEW Services Packages are detailed below:

System set up and configuration • Configure Axon Evidence categories & custom roles based on Customer need. • Troubleshoot IT issues with Axon Evidence. • Register users and assign roles in Axon Evidence. • **For the CEW Full-Service Package**: On-site assistance included • **For the CEW Starter Package**: Virtual assistance included
Dedicated Project Manager Assignment of specific Axon representative for all aspects of planning the rollout (Project Manager). Ideally, Project Manager will be assigned to Customer 4–6 weeks before rollout.
Best practice implementation planning session to include: • Provide considerations for the establishment of CEW policy and system operations best practices based on Axon's observations with other customers. • Discuss the importance of entering metadata and best practices for digital data management. • Provide referrals to other customers using TASER CEWs and Axon Evidence. • **For the CEW Full-Service Package:** On-site assistance included. • **For the CEW Starter Package:** Virtual assistance included.
System Admin and troubleshooting training sessions On-site sessions providing a step-by-step explanation and assistance for Customer's configuration of security, roles & permissions, categories & retention, and other specific settings for Axon Evidence.
Axon Evidence Instructor T raining • Provide training on the Axon Evidence to educate instructors who can support Customer's subsequent Axon Evidence training needs. • **For the CEW Full-Service Package:** Training for up to 3 individuals at Customer's facility • **For the CEW Starter Package:** Training for up to 1 individual virtually
TASER CEW inspection and device assignment Axon's on-site professional services team will perform functions check on all new TASER CEW Smart weapons and assign them to a user on Axon Evidence.
Post go-live review **For the CEW Full-Service Package**: On-site assistance included. **For the CEW Starter Package**: Virtual assistance included.

6. **Smart Weapon Transition Service.** The Smart Weapon Transition Service includes:

Archival of CEW Firing Logs Axon's on-site professional services team will upload CEW firing logs to Axon Evidence from all TASER CEW Smart Weapons that Customer is replacing with newer Smart Weapon models.

Return of Old Weapons Axon's on-site professional service team will ship all old weapons back to Axon's headquarters. Axon will provide Customer with a Certificate of Destruction.

*Note: CEW Full-Service packages for TASER 7 or TASER 10 include Smart Weapon Transition Service instead of 1-Day Device Specific Instructor Course.

7. **VR Services Package.** VR Service includes advance remote project planning and configuration support and one (1) day of on-site service and a professional services manager to work with Customer to assess Customer's deployment and determine which Services are appropriate. The VR Service training options include:

System set up and configuration (Remote Support) • Instructor-led setup of Axon VR headset content • Configure Customer settings based on Customer need • Troubleshoot IT issues with Axon VR headset
Axon instructor training (Train the Trainer) Training for up to five (5) Customer in-house instructors who can support Customer's Axon VR CET and SIM training needs after Axon has fulfilled its contracted on-site obligations.
Classroom and practical training sessions Step-by-step explanation and assistance for Customer's configuration of Axon VR CET and SIM functionality, basic operation, and best practices.

8. **Axon Air, On-Site Training.** Axon Air, On-Site training includes advance remote project planning and configuration support and one (1) day of on-site Services and a professional services manager to work closely with Customer to assess Customer's deployment and determine which Services are appropriate. If Customer requires more than one (1) day of on-site Services, Customer must purchase additional on-site Services. The Axon Air, On-Site training options include:

System set up and configuration (Remote Support) • Instructor-led setup of Axon Air App (ASDS) • Configure Customer settings based on Customer need • Configure drone controller • Troubleshoot IT issues with Axon Evidence
Axon instructor training (Train the Trainer) Training for Customer's in-house instructors who can support Customer's Axon Air and Axon Evidence training needs after Axon's has fulfilled its contracted on-site obligations
Classroom and practical training sessions Step-by-step explanation and assistance for Customer's configuration of Axon Respond+ livestreaming functionality, basic operation, and best practices

9. **Axon Air, Virtual Training.** Axon Air, Virtual training includes all items in the Axon Air, On-Site Training Package, except the practical training session, with the Axon Instructor training for up to four hours virtually.

10. **Signal Sidearm Installation Service.**

    a. **Purchases of 50 SSA units or more:** Axon will provide one (1) day of on-site service and one professional services manager and will provide train the trainer instruction, with direct assistance on the first of each unique holster/mounting type. Customer is responsible for providing a suitable work/training area.

    b. **Purchases of less than 50 SSA units:** Axon will provide a 1-hour virtual instruction session on the basics of installation and device calibration.

11. **Axon Justice Implementation.** Axon Justice Implementation includes advanced remote project planning, configuration support, and training. Axon Justice Implementation includes:

System set up and configuration • Axon performs discovery to understand and document the Agency's needs. • Axon collaborates with the Client to configure workflows, permissions, and privileges within Axon Evidence based on the Client's needs. • Axon will facilitate a workflow discussion with the core admin team.

Disclosures • Axon enables the Client to share digital evidence to the defense through the following methods as determined by Client and Axon: 1. Public Defender Case Sharing 2. Disclosure Portal 3. Download Links
Training • Agency Trainers. Axon works with the Agency to identify the Agency trainers receiving instruction on the product. Axon provides a training guide that outlines the covered topics, intended audience, facility needs, and duration of the training. Axon will schedule a cadence of remote training sessions as needed, which are not to exceed three (3) 2-hour training sessions for Agency staff. Each session can accommodate up to 20 users and will train them in full system functionality. Training sessions provided by Axon are conducted on consecutive weekdays (Tuesday-Thursday) during normal business hours (9am-6pm with an hour break in between sessions). After the initial training, is responsible for any future training. Axon provides all training materials for successful training. • Partner Agencies: Axon will provide Train the Trainer training to the Agency so that it is equipped to train and support their partner agencies. Ensuring the partner agencies are trained to follow the ingestion method is the Agency's responsibility.
Go-Live Plan • Axon works in partnership with the Agency to build, coordinate, and execute a Go-Live plan to ensure successful system acceptance. Axon coordinates the Go-Live event.
Implementation document packet • Axon Evidence administrator guides, camera implementation guides, network setup guide, sample policies, and categories & roles guide
Post go-live review

12. **Out of Scope Services.** Axon is only responsible to perform the professional services described in the Quote, this Appendix, and any applicable SOW. Any additional professional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in the charges or schedule.

13. **Delivery of Services.** Axon personnel will work Monday through Friday, 8:30 a.m. to 5:30 p.m., except holidays. Axon will perform all on-site tasks over a consecutive timeframe. Axon will not charge Customer travel time by Axon personnel to Customer premises as work hours.

14. **Access Computer Systems to Perform Services.** Customer authorizes Axon to access relevant Customer computers and networks, solely for performing the Services. Axon will work to identify as soon as reasonably practicable resources and information Axon expects to use and will provide an initial itemized list to Customer. Customer is responsible for and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by Customer.

15. **Site Preparation.** Axon will provide a hardcopy or digital copy of current user documentation for the Axon Devices ("**User Documentation**"). User Documentation will include all required environmental specifications for the professional services and Axon Devices to operate per the Axon Device User Documentation. Before installation of Axon Devices (whether performed by Customer or Axon), Customer must prepare the location(s) where Axon Devices are to be installed ("**Installation Site**") per the environmental specifications in the Axon Device User Documentation. Following installation, Customer must maintain the Installation Site per the environmental specifications. If Axon modifies Axon Device User Documentation for any Axon Devices under this Agreement, Axon will provide the update to Customer when Axon generally releases it.

    Additional Trainings. If the Customer purchases a training voucher, Customer must use the voucher within one (1) year of issuance, or the voucher will be void. The voucher has no cash value. Customer cannot exchange it for another device or service. Unless stated in the Quote, the voucher does not include travel expenses and will be Customer responsibility.

16. **Acceptance.** When Axon completes professional services, Axon will present an acceptance form ("**Acceptance Form**") to Customer. Customer will sign the Acceptance Form acknowledging completion. If Customer reasonably believes Axon did not complete the professional services in substantial conformance with this Agreement, Customer

must notify Axon in writing of the specific reasons for rejection within seven (7) calendar days from delivery of the Acceptance Form. Axon will address the issues and re-present the Acceptance Form for signature. If Axon does not receive the signed Acceptance Form or written notification of reasons for rejection within seven (7) calendar days of delivery of the Acceptance Form, the professional services will be deemed accepted by Customer.

17. **Customer Network.** For work performed by Axon transiting or making use of Customer's network, Customer is solely responsible for maintenance and functionality of the network. In no event will Axon be liable for loss, damage, or corruption of Customer's network from any cause.

Technology Assurance Plan Appendix

If Technology Assurance Plan ("**TAP**") or a combined offering including TAP is on the Quote, this appendix applies.

1. **Officer Safety Plan.** If Customer purchases an Officer Safety Plan ("**OSP**"), Customer will receive the deliverables detailed in the Quote. Customer must accept delivery of the TASER CEW and accessories as soon as available from Axon.

2. **OSP 7 or OSP 10 Term.** OSP 7 or OSP 10 begins on the date specified in the Quote ("**OSP Term**").

3. **TAP Refresh.** If Customer has no outstanding payment obligations and purchased TAP, Axon will provide Customer a new Axon Device ("**Device Refresh**") as scheduled in the Quote. If Customer purchased TAP, Axon will provide a Device Refresh that is the same or like Axon Device, at Axon's option. Axon makes no guarantee the Device Refresh will utilize the same accessories or Axon Dock.

4. **Dedrone Refresh.** Under the Dedrone Refresh Program ("Program"), you will receive replacement hardware for each covered product purchased under the Program. The replacement hardware will be the same model as, or a comparable model to, the original. The Program does not require Axon to provide next-generation or upgraded versions. You are not required to return the original hardware upon receipt of the replacement.

5. **TAP Dock Refresh.** If Customer has no outstanding payment obligations and purchased TAP, Axon will provide Customer a new Axon Dock, if required for an Axon Device, as scheduled in the Quote ("**Dock Refresh**"). Accessories associated with any Dock Refreshes are subject to change at Axon discretion. Dock Refreshes will only include a new Axon Dock Bay configuration unless a new Axon Dock core is required for Axon Device compatibility. If Customer originally purchased a single-bay Axon Dock, the Dock Refresh will be a single-bay Axon Dock model that is the same or like Axon Device, at Axon's option. If Customer originally purchased a multi-bay Axon Dock, the Dock Refresh will be a multi-bay Axon Dock that is the same or like Axon Device, at Axon's option.

6. **Refresh Delay.** Axon may ship the Axon Device and Dock Refreshes as scheduled in the Quote without prior confirmation from Customer unless the Parties agree in writing otherwise at least ninety (90) days in advance. Axon may ship the final Axon Device and Dock Refreshes as scheduled in the Quote sixty (60) days before the end of the Subscription Term without prior confirmation from Customer.

7. **Upgrade Change.** If Customer wants to upgrade Axon Device models from the current Axon Device to an upgraded Axon Device, Customer must pay the price difference between the MSRP for the current Axon Device and the MSRP for the upgraded Axon Device. If the model Customer desires has an MSRP less than the MSRP of the offered Axon Device Refreshes or Dock Refresh, Axon will not provide a refund. The MSRP is the MSRP in effect at the time of the upgrade. For Dedrone devices Axon does not guarantee that next-gen products will be available at the time of refresh.

8. **Return of Original Axon Device.** Except for any Dedrone devices, within thirty (30) days of receiving a Deviceor Dock Refresh, Customer must return the original Axon Devices to Axon or destroy the Axon Devices and provide a certificate of destruction to Axon including serial numbers for the destroyed Axon Devices. If Customer does not return or destroy the Axon Devices, Axon will deactivate the serial numbers for the Axon Devices received by Customer. For Dedrone hardware, the Customer has no obligation to return or destroy the hardware under the TAP program.

9. **Termination.** If TAP or OSP terminates or expires:

   9.1. TAP and OSP coverage terminate as of the date of termination and no refunds will be given.

   9.2. Axon will not and has no obligation to provide the Upgrade Models.

   9.3 Customer must make any missed payments due to the termination before Customer may purchase any future TAP or OSP.

TASER Device Appendix

This TASER Device Appendix applies to Customer's TASER 7, TASER 10, OSP 7, OSP 10, OSP Plus, OSP 7 Plus Premium OSP 10 Plus Premium and the TASER component of any TASER mounted drones purchased from Axon, if applicable.

1. **Duty Cartridge Replenishment Plan.** If the Quote includes "**Duty Cartridge Replenishment Plan**", Customer must purchase the plan for each CEW user. A CEW user includes officers that use a CEW in the line of duty and those that only use a CEW for training. Customer may not resell cartridges received. Axon will only replace cartridges used in the line of duty.

2. **Training.** If the Quote includes a TASER On Demand Certification subscription, Customer will have on-demand access to TASER Instructor and TASER Master Instructor courses only for the duration of the TASER Subscription Term. Axon will issue a maximum of ten (10) TASER Instructor vouchers and ten (10) TASER Master Instructor vouchers for every one thousand TASER Subscriptions purchased. Customer shall utilize vouchers to register for TASER courses at their discretion; however, Customer may incur a fee for cancellations less than 10 business days prior to a course date or failure to appear to a registered course. The voucher has no cash value. Customer cannot exchange voucher for any other Device or Service. Any unused vouchers at the end of the Term will be forfeited. A voucher does not include any travel or other expenses that might be incurred related to attending a course.

3. **Limited Warranty.**

   3.1. **"Deployment"** means use of the TASER weapon resulting in the discharge of the conducted energy weapon (**"CEW"**) cartridge probe. For TASER 10 each probe discharged is consider one Deployment and for TASER 7 the dual probe discharged is considered one Deployment.

   3.2. **Single User Warranty.** If the TASER Device is assigned and used by a single user, Axon warrants that Axon-manufactured TASER Device is free from defects in workmanship and materials for the earlier of: one (1) year from the date of Customer's receipt or 100.

   3.3. **Pooled User Warranty.** If the TASER Device is assigned and used by multiple users, Axon warrants that Axon-manufactured TASER Device is free from defects in workmanship and materials for the earlier of: one (1) year from the date of Customer's receipt or, 100 Deployments.

   3.4. **Training User Devices.** If the TASER Device is used for training, Axon warrants that Axon-manufactured TASER Device is free from defects in workmanship and materials for the earlier of: one (1) year from the date of Customer's receipt or 100 Deployments.

   3.5. **TASER 10L Devices.** If the TASER Device is a TASER 10L (TASER 10 Light) as defined in the Quote, Axon warrants that the TASER Device is free from defects in workmanship and materials for the earlier of one (1) year from the date of Customer's receipt or 100 Deployments.

   3.6. **CEW Cartridges.** Used CEW cartridges are deemed to have operated properly.

   3.7. **Remaining Terms.** The remaining Warranty terms of the Agreement including Disclaimer, Claims, Spare Axon Devices and Limitations shall apply to this TASER Device Appendix.

   3.8. **Registration.** Prior to use of the TASER Device, Customer must register each TASER Device in TASER Device Axon Evidence tenancy as a single user, pooled or training device. Failure to properly register the TASER Device prior to its use may void the warranty at Axon's sole discretion.

4. **Extended Warranty.** If the Quote includes an extended warranty, the extended warranty coverage period begins upon the expiration of the Limited Warranty and continues for the period defined in the Quote. Each additional year of warranty purchased will be in accordance with the applicable Limited Warranty category above. The maximum warranty period that may be purchased for an individual TASER Device will be the earlier of five (5) years or 500 Deployments, this includes the Limited Warranty. Limited Warranty. Reduced Life TASER 10L device has a maximum warranty that may be purchased will be the earlier of two (2) years or 200 including the Limited Warranty.

5. **Upgrade Change.** If Customer wants to upgrade TASER Device from the current TASER Device to an upgraded Axon TASER Device that was not available at the time the parties entered into the original Quote, Customer must pay the price difference between the MSRP for the current TASER Device and the MSRP for the upgraded TASER Device. If the model Customer desires has an MSRP less than the MSRP of the offered new TASER Device, Axon will not provide a refund. The MSRP is the MSRP in effect at the time of the upgrade.

6. **Trade-in.** If the Quote contains a discount on CEW-related line items and that discount is contingent upon the trade-

in of hardware, Customer must return used hardware and accessories associated with the discount ("**Trade-In Units**") to Axon within the below prescribed timeline. Customer must ship batteries via ground shipping. Axon will provide Customer with a pre-paid shipping label for the return of the Trade-In Units. If Axon does not receive Trade-In Units within the timeframe below, Axon will invoice Customer the value of the trade-in credit. Customer may not destroy Trade-In Units and receive a trade-in credit.

Customer Size	Days to Return from Start Date of TASER 10 Subscription
Less than 100 officers	60 days
100 to 499 officers	90 days
500+ officers	180 days

7. **Customer Warranty.** If Customer is located in the US, Customer warrants and acknowledges that TASER 10 is classified as a firearm and is being acquired for official Customer use pursuant to a law enforcement agency transfer under the Gun Control Act of 1968.
8. **Purchase Order.** To comply with applicable laws and regulations, Customer must provide a purchase order to Axon prior to shipment of TASER 10.
9. **Apollo Grant (US only).** If Customer has received an Apollo Grant from Axon, Customer must pay all fees in the Quote prior to upgrading to any new TASER Device offered by Axon.
10. **Termination**. If payment for TASER Device is more than thirty (30) days past due, Axon may terminate Customer's TASER Device plan by notifying Customer. Upon termination for any reason, then as of the date of termination:

    10.1. TASER Device extended warranties and access to Training Content will terminate. No refunds will be given.

    10.2. Customer will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future TASER Device plan.

    10.3. Axon will invoice Customer the remaining MSRP for TASER Devices received before termination. If terminating for non-appropriation, Axon will not invoice Customer if Customer returns the TASER Device, rechargeable battery, holster, dock, core, training suits, and unused cartridges to Axon within thirty (30) days of the date of termination.

Axon Auto-Tagging Appendix

If Auto-Tagging is included on the Quote, this Appendix applies.

1. **Scope.** Axon Auto-Tagging consists of the development of a module to allow Axon Evidence to interact with Customer's Computer-Aided Dispatch ("**CAD**") or Records Management Systems ("**RMS**"). This allows End Users to auto-populate Axon video meta-data with a case ID, category, and location-based on data maintained in Customer's CAD or RMS.

2. **Support.** For thirty (30) days after completing Auto-Tagging Services, Axon will provide up to five (5) hours of remote support at no additional charge. Axon will provide free support due to a change in Axon Evidence, if Customer maintains an Axon Evidence and Auto-Tagging subscription. Axon will not provide support if a change is required because Customer changes its CAD or RMS.

3. **Changes.** Axon is only responsible to perform the Services in this Appendix for Auto-Tagging and any applicable SOW. Any additional Services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule.

4. **Customer Responsibilities.** Axon's performance of Auto-Tagging Services requires Customer to:

   4.1. Make available relevant systems, including Customer's current CAD or RMS, for assessment by Axon (including remote access if possible);

   4.2. Make required modifications, upgrades or alterations to Customer's hardware, facilities, systems and networks related to Axon's performance of Auto-Tagging Services;

   4.3. Provide access to the premises where Axon is performing Auto-Tagging Services, subject to Customer safety and security restrictions, and allow Axon to enter and exit the premises with laptops and materials needed to perform Auto-Tagging Services;

   4.4. Provide all infrastructure and software information (TCP/IP addresses, node names, network configuration) necessary for Axon to provide Auto-Tagging Services;

   4.5. Promptly install and implement any software updates provided by Axon;

   4.6. Ensure that all appropriate data backups are performed;

   4.7. Provide assistance, participation, and approvals in testing Auto-Tagging Services;

   4.8. Provide Axon with remote access to Customer's Axon Evidence account when required;

   4.9. Notify Axon of any network or machine maintenance that may impact the performance of the module at Customer; and

   4.10. Ensure reasonable availability of knowledgeable staff and personnel to provide timely, accurate, complete, and up-to-date documentation and information to Axon.

5. **Access to Systems.** Customer authorizes Axon to access Customer's relevant computers, network systems, and CAD or RMS solely for performing Auto-Tagging Services. Axon will work diligently to identify the resources and information Axon expects to use and will provide an initial list to Customer. Customer is responsible for and assumes the risk of any problems, delays, losses, claims, or expenses resulting from the content, accuracy, completeness, and consistency of all data, materials, and information supplied by Customer.

Axon ALPR Appendix

If Axon Fleet 2, Axon Fleet 3, or any future generation of Axon Fleet (collectively, "**Axon Fleet**") or Axon Outpost or Axon Lightpost (collectively all "ALPR Products") is included on the Quote, this Appendix applies.

1. **Customer Responsibilities.**

   1.1. Customer must ensure its infrastructure and vehicles adhere to the minimum requirements to operate Axon ALPR Products as established by Axon during the qualifier call and on-site assessment at Customer and in any technical qualifying questions. If Customer's representations are inaccurate, the Quote is subject to change.

   1.2. Customer is responsible for providing a suitable work area for Axon or Axon third-party providers to install Axon ALPR Products into Customer vehicles and/or at designated installation location(s).s Customer is responsible for making available all vehicles for which installation services were purchased and preparing all installation sites, during the agreed upon onsite installation dates, Failure to make vehicles available or prepare installation sites may require an equitable adjustment in fees or schedule

2. **Third-party Installer.** Axon will not be liable for the failure of Axon Fleet, Axon Outpost, or Axon Lightpost hardware to operate per specifications if such failure results from installation not performed by, or as directed by Axon.

3. **Axon Fleet Specific Terms.**

   3.1. **Cradlepoint.** If Customer purchases Cradlepoint hardware, software, or services, Customer will comply with Cradlepoint's end user license agreement. The term of the Cradlepoint license may differ from the Axon Evidence Subscription. If Customer requires Cradlepoint support, Customer will contact Cradlepoint directly. By accepting a Quote including Cradlepoint products, Customer designates and authorizes Axon as its partner of record for purposes of Cradlepoint product renewals, support coordination, and other relevant functions. This designation applies to all Cradlepoint products acquired by Customer during the Subscription Term of the applicable Quote whether directly from Cradlepoint, through Axon, or through any third-party vendor or distributor. Axon shall have no liability to Customer or any third party arising out of or relating to Axon's acts or omissions as the Partner of Record. Customer has the right to opt out of this authorization at any time by providing prior written notification to both Axon and Cradlepoint. Upon such notification, the designation will be removed. This authorization remains effective until formally removed in accordance with this section or as otherwise agreed between the parties in the Agreement.

   3.2. **Axon Vehicle Software License.** Axon grants Customer a non-exclusive, royalty-free, worldwide, perpetual license to use ViewXL or Dashboard (collectively, "Axon Vehicle Software".) "Use" means storing, loading, installing, or executing Axon Vehicle Software solely for data communication with Axon Devices. The Axon Vehicle Software term begins upon the start of the Axon Evidence Subscription

   3.3. **Restrictions.** Customer may not: (a) modify, alter, tamper with, repair, or create derivative works of Axon Vehicle Software; (b) reverse engineer, disassemble, or decompile Axon Vehicle Software, apply any process to derive the source code of Axon Vehicle Software, or allow others to do so; (c) access or use Axon Vehicle Software to avoid incurring fees or exceeding usage limits; (d) copy Axon Vehicle Software in whole or part; (e) use trade secret information contained in Axon Vehicle Software; (f) resell, rent, loan or sublicense Axon Vehicle Software; (g) access Axon Vehicle Software to build a competitive device or service or copy any features, functions or graphics of Axon Vehicle Software; or (h) remove, alter or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon or Axon's licensors on or within Axon Vehicle Software.

   12. **Axon Outpost Specific Terms.**

   3.4. **Outpost License and Permits**. Customers will obtain, maintain all legally required permits, authorizations, and/or licensing in order to place, maintain, and/or remove the Axon Outpost device at the installation location including licenses or permits for fixed installation of poles. If mutually agreed by the parties, Axon or an Axon authorized subcontractor may assist with obtaining the necessary local, state, or Federal approvals before installing Axon Outpost.

   13. **Installation. Customer will adhere to the installation requirements as agreed in the Outpost SOW.**

   14. **Vandalism or Motor Vehicle Accident Warranty. If Customer purchases the Vandalism and Accident warranty, Axon will provide up to two (2) replacements per warranty purchased if your Outpost is damaged due to vandalism or a motor vehicle accident. Axon will make a commercially reasonable effort**

to provide new installation free of charge, but installation may require additional cost. Axon does not provide refunds or credits if the warranty is not used during the Term of the Quote.

15. **Axon Lightpost Specific Terms.**

3.5. **Ubicquia.** If Customer purchases Lightpost hardware and installation services, any warranties for the hardware are provided exclusively by the third-party manufacturer Ubicquia. All hardware-related support or warranty claims must be directed to the respective third-party provider. Axon is not responsible for servicing or replacing hardware. Axon will provide and support software components in accordance with the applicable Quote.

3.6. **Installation.** Installation of Axon Lightpost equipment will be performed by a third-party service provider authorized by Axon. Axon does not directly perform installation services.

3.7. **Power.** Customer agrees to supply a power source, in compliance with Lightpost requirements, at each site where a Lightpost device is installed. The power must be available on a 24-hour, 7 days per week (24/7) basis.

16. **Wireless Offload Server**

7.1 **License Grant.** Axon grants Customer a non-exclusive, royalty-free, worldwide, perpetual license to use Wireless Offload Server ("**WOS**"). "Use" means storing, loading, installing, or executing WOS solely for data communication with Axon Devices for the number of licenses purchased. The WOS term begins upon the start of the Axon Evidence Subscription.

7.2 **Restrictions.** Customer may not: (a) modify, alter, tamper with, repair, or create derivative works of WOS; (b) reverse engineer, disassemble, or decompile WOS, apply any process to derive the source code of WOS, or allow others to do so; (c) access or use WOS to avoid incurring fees or exceeding usage limits; (d) copy WOS in whole or part; (e) use trade secret information contained in WOS; (f) resell, rent, loan or sublicense WOS; (g) access WOS to build a competitive device or service or copy any features, functions or graphics of WOS; or (h) remove, alter or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon or Axon's licensors on or within WOS.

7.3 **Updates.** If Customer purchases WOS maintenance, Axon will make updates and error corrections to WOS ("**WOS Updates**") available electronically via the Internet or media as determined by Axon. Customer is responsible for establishing and maintaining adequate Internet access to receive WOS Updates and maintaining computer equipment necessary for use of WOS. The Quote will detail the maintenance term.

7.4 **WOS Support.** Upon request by Axon, Customer will provide Axon with access to Customer's store and forward servers solely for troubleshooting and maintenance.

17. **Acceptance Checklist. If Axon provides Services to Customer pursuant to any statement of work in connection with Axon ALPR Products, within seven (7) days of the date on which Customer retrieves Customer's vehicle(s) from the Axon installer or Axon Outpost or Axon Lightpost installation is complete, said ALPR Products having been installed and configured with tested and fully and properly operational hardware and software identified above, Customer will receive a Professional Services Acceptance Checklist to submit to Axon indicating acceptance or denial of said deliverables. In the event Customer does not respond to the Professional Services Acceptance Checklist within seven (7) business days, the installation of the ALPR Products and services shall be deemed accepted.**

Axon Respond Appendix

This Axon Respond Appendix applies to Axon Respond, Axon Respond Device Plus, and Device Connectivity if any are included on the Quote.

1. **Axon Respond Subscription Term.** If Customer purchases Axon Respond as part of a combined offering on a Quote, the Axon Respond subscription begins on the later of the (1) start date of that offering within the Quote, or (2) date Axon provisions Axon Respond to Customer. If Customer purchases Axon Respond as a standalone, the Axon Respond subscription begins the later of the (1) date Axon provisions Axon Respond to Customer, or (2) first day of the month following the Effective Date. The Axon Respond subscription term will end upon the completion of the Axon Evidence Subscription associated with Axon Respond.

2. **Scope of Axon Respond.** The scope of Axon Respond is to assist Customer with real-time situational awareness during critical incidents to improve officer safety, effectiveness, and awareness. In the event Customer uses Axon Respond outside this scope, Axon may initiate good-faith discussions with Customer on upgrading Customer's Axon Respond to better meet Customer's needs.

3. **Axon Body LTE Requirements.** Axon Respond is only available and usable with an LTE enabled body-worn camera. Axon is not liable if Customer utilizes the LTE device outside of the coverage area or if the LTE carrier is unavailable. LTE coverage is available in the United States including U.S. territories, Additional verification will be required for use in select international regions. Axon may utilize a carrier of Axon's choice to provide LTE service. Axon may change LTE carriers during the Term without Customer's consent.

4. **Axon Fleet LTE Requirements.** Axon Respond is only available and usable with a Fleet 3 system configured with LTE modem and service. Customer is responsible for providing LTE service for the modem. Coverage and availability of LTE service is subject to Customer's LTE carrier.

5. **Axon Respond Service Limitations.** Customer acknowledges that LTE service is made available only within the operating range of the networks. Service may be temporarily refused, interrupted, or limited because of: (a) facilities limitations; (b) transmission limitations caused by atmospheric, terrain, other natural or artificial conditions adversely affecting transmission, weak batteries, system overcapacity, movement outside a service area or gaps in coverage in a service area, and other causes reasonably outside of the carrier's control such as intentional or negligent acts of third parties that damage or impair the network or disrupt service; or (c) equipment modifications, upgrades, relocations, repairs, and other similar activities necessary for the proper or improved operation of service.

   5.1. With regard to Axon Body, Partner networks are made available as-is and the carrier makes no warranties or representations as to the availability or quality of roaming service provided by carrier partners, and the carrier will not be liable in any capacity for any errors, outages, or failures of carrier partner networks. Customer expressly understands and agrees that it has no contractual relationship whatsoever with the underlying wireless service provider or its affiliates or contractors and Customer is not a third-party beneficiary of any agreement between Axon and the underlying carrier.

6. **Termination.** Upon termination of this Agreement, or if Customer stops paying for Axon Respond or combined offerings that include Axon Respond, Axon will end Axon Respond services, including any Axon-provided LTE service.

Axon Virtual Reality Content Terms of Use Appendix

If Virtual Reality is included on the Quote, this Appendix applies.

1. **Term.** The Quote will detail the products and license duration, as applicable, of the goods, services, and software, and contents thereof, provided by Axon to Customer related to virtual reality (collectively, "**Virtual Reality Media**").
2. **Headsets.** Customer may purchase additional virtual reality headsets from Axon. In the event Customer decides to purchase additional virtual reality headsets for use with Virtual Reality Media, Customer must purchase those headsets from Axon.
3. **License Restrictions.** All licenses will immediately terminate if Customer does not comply with any term of this Agreement. If Customer utilizes more users than stated in this Agreement, Customer must purchase additional Virtual Reality Media licenses from Axon. Customer may not use Virtual Reality Media for any purpose other than as expressly permitted by this Agreement. Customer may not:
   - 3.1. modify, tamper with, repair, or otherwise create derivative works of Virtual Reality Media;
   - 3.2. reverse engineer, disassemble, or decompile Virtual Reality Media or apply any process to derive the source code of Virtual Reality Media, or allow others to do the same;
   - 3.3. copy Virtual Reality Media in whole or part, except as expressly permitted in this Agreement;
   - 3.4. use trade secret information contained in Virtual Reality Media;
   - 3.5. resell, rent, loan or sublicense Virtual Reality Media;
   - 3.6. access Virtual Reality Media to build a competitive device or service or copy any features, functions, or graphics of Virtual Reality Media; or
   - 3.7. remove, alter, or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon or Axon's licensors on or within Virtual Reality Media or any copies of Virtual Reality Media.
4. **Privacy.** Customer's use of the Virtual Reality Media is subject to the Axon Virtual Reality Privacy Policy, a current version of which is available at https://www.axon.com/axonvrprivacypolicy.
5. **Termination.** Axon may terminate Customer's license immediately for Customer's failure to comply with any of the terms in this Agreement.

Axon Evidence Local Software Appendix

This Appendix applies if Axon Evidence Local is included in the Quote.

1. **License.** Axon owns all executable instructions, images, icons, sound, and text in Axon Evidence Local. All rights are reserved to Axon. Axon grants a non-exclusive, royalty-free, worldwide right and license to use Axon Evidence Local. "Use" means storing, loading, installing, or executing Axon Evidence Local exclusively for data communication with an Axon Device. Customer may use Axon Evidence Local in a networked environment on computers other than the computer it installs Axon Evidence Local on, so long as each execution of Axon Evidence Local is for data communication with an Axon Device. Customer may make copies of Axon Evidence Local for archival purposes only. Customer shall retain all copyright, trademark, and proprietary notices in Axon Evidence Local on all copies or adaptations.
2. **Term.** The Quote will detail the duration of the Axon Evidence Local license, as well as any maintenance. The term will begin upon installation of Axon Evidence Local.
3. **License Restrictions.** All licenses will immediately terminate if Customer does not comply with any term of this Agreement. Customer may not use Axon Evidence Local for any purpose other than as expressly permitted by this Agreement. Customer may not:
   - 3.1. modify, tamper with, repair, or otherwise create derivative works of Axon Evidence Local;
   - 3.2. reverse engineer, disassemble, or decompile Axon Evidence Local or apply any process to derive the source code of Axon Evidence Local, or allow others to do the same;
   - 3.3. access or use Axon Evidence Local to avoid incurring fees or exceeding usage limits or quotas;
   - 3.4. copy Axon Evidence Local in whole or part, except as expressly permitted in this Agreement;
   - 3.5. use trade secret information contained in Axon Evidence Local;
   - 3.6. resell, rent, loan or sublicense Axon Evidence Local;
   - 3.7. access Axon Evidence Local to build a competitive device or service or copy any features, functions, or graphics of Axon Evidence Local; or
   - 3.8. remove, alter, or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon or Axon's licensors on or within Axon Evidence Local or any copies of Axon Evidence Local.
4. **Support.** Axon may make available updates and error corrections ("**Updates**") to Axon Evidence Local. Axon will provide Updates electronically via the Internet or media as determined by Axon. Customer is responsible for establishing and maintaining adequate access to the Internet to receive Updates. Customer is responsible for maintaining the computer equipment necessary to use Axon Evidence Local. Axon may provide technical support of a prior release/version of Axon Evidence Local for six (6) months from when Axon made the subsequent release/version available.
5. **Termination.** Axon may terminate Customer's license immediately for Customer's failure to comply with any of the terms in this Agreement. Upon termination, Axon may disable Customer's right to login to Axon Evidence Local.

Axon Application Programming Interface Appendix

This Appendix applies if Axon's API Services or a subscription to Axon Cloud Services are included on the Quote.

1. **Definitions.**
   1.1. **"API Client"** means the software that acts as the interface between Customer's computer and the server, which is already developed or to be developed by Customer.
   1.2. **"API Interface"** means software implemented by Customer to configure Customer's independent API Client Software to operate in conjunction with the API Service for Customer's authorized Use.
   1.3. **"Axon Evidence Partner API, API or Axon API"** (collectively **"API Service"**) means Axon's API which provides a programmatic means to access data in Customer's Axon Evidence account or integrate Customer's Axon Evidence account with other systems.
   1.4. **"Use"** means any operation on Customer's data enabled by the supported API functionality.
2. **Purpose and License.**
   2.1. Customer may use API Service and data made available through API Service, in connection with an API Client developed by Customer. Axon may monitor Customer's use of API Service to ensure quality, improve Axon devices and services, and verify compliance with this Agreement. Customer agrees to not interfere with such monitoring or obscure from Axon Customer's use of API Service. Customer will not use API Service for commercial use.
   2.2. Axon grants Customer a non-exclusive, non-transferable, non-sublicensable, worldwide, revocable right and license during the Term to use API Service, solely for Customer's Use in connection with Customer's API Client.
   2.3. Axon reserves the right to set limitations on Customer's use of the API Service, such as a quota on operations, to ensure stability and availability of Axon's API. Axon will use reasonable efforts to accommodate use beyond the designated limits.
3. **Configuration.** Customer will work independently to configure Customer's API Client with API Service for Customer's applicable Use. Customer will be required to provide certain information (such as identification or contact details) as part of the registration. Registration information provided to Axon must be accurate. Customer will inform Axon promptly of any updates. Upon Customer's registration, Axon will provide documentation outlining API Service information.
4. **Customer Responsibilities.** When using API Service, Customer and its End Users shall not:
   4.1. use API Service in any way other than as expressly permitted under this Agreement;
   4.2. use in any way that results in, or could result in, any security breach to Axon;
   4.3. perform an action with the intent of introducing any virus, worm, defect, Trojan horse, malware, or any item of a destructive nature to Axon Devices and Services;
   4.4. interfere with, modify, disrupt or disable features or functionality of API Service or the servers or networks providing API Service;
   4.5. reverse engineer, decompile, disassemble, or translate or attempt to extract the source code from API Service or any related software;
   4.6. create an API Interface that functions substantially the same as API Service and offer it for use by third parties;
   4.7. provide use of API Service on a service bureau, rental or managed services basis or permit other individuals or entities to create links to API Service;
   4.8. frame or mirror API Service on any other server, or wireless or Internet-based device;
   4.9. make available to a third-party, any token, key, password or other login credentials to API Service;
   4.10. take any action or inaction resulting in illegal, unauthorized or improper purposes; or
   4.11. disclose Axon's API manual.
5. **API Content.** All content related to API Service, other than Customer Content or Customer's API Client content, is considered Axon's API Content, including:

5.1. the design, structure and naming of API Service fields in all responses and requests;

5.2. the resources available within API Service for which Customer takes actions on, such as evidence, cases, users, or reports;

5.3. the structure of and relationship of API Service resources; and

5.4. the design of API Service, in any part or as a whole.

6. **Prohibitions on API Content.** Neither Customer nor its End Users will use API content returned from the API Interface to:

6.1. scrape, build databases, or otherwise create permanent copies of such content, or keep cached copies longer than permitted by the cache header;

6.2. copy, translate, modify, create a derivative work of, sell, lease, lend, convey, distribute, publicly display, or sublicense to any third-party;

6.3. misrepresent the source or ownership; or

6.4. remove, alter, or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices).

7. **API Updates.** Axon may update or modify the API Service from time to time ("**API Update**"). Customer is required to implement and use the most current version of API Service and to make any applicable changes to Customer's API Client required as a result of such API Update. API Updates may adversely affect how Customer's API Client access or communicate with API Service or the API Interface. Each API Client must contain means for Customer to update API Client to the most current version of API Service. Axon will provide support for one (1) year following the release of an API Update for all depreciated API Service versions.

Axon Channel Services Appendix

This Appendix applies if Customer purchases Axon Channel Service, as set forth on the Quote.

1. **Definitions**.
   1.1. "**Axon Digital Evidence Management System**" means Axon Evidence or Axon Evidence Local, as specified in the attached Channel Services Statement of Work.
   1.2. "**Active Channel**" means a third-party system that is continuously communicating with an Axon Digital Evidence Management System.
   1.3. "**Inactive Channel**" means a third-party system that will have a one-time communication to an Axon Digital Evidence Management System.
2. **Scope**. Customer currently has a third-party system or data repository from which Customer desires to share data with Axon Digital Evidence Management. Axon will facilitate the transfer of Customer's third-party data into an Axon Digital Evidence Management System or the transfer of Customer data out of an Axon Digital Evidence Management System as defined in the Channel Services Statement of Work ("**Channel Services SOW**"). Channel Services will not delete any Customer Content. Customer is responsible for verifying all necessary data is migrated correctly and retained per Customer policy.
3. **Changes**. Axon is only responsible to perform the Services described in this Appendix and Channel Services SOW. Any additional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in the charges or schedule.
4. **Purpose and Use**. Customer is responsible for verifying Customer has the right to share data from and provide access to third-party system as it relates to the Services described in this Appendix and the Channel Services SOW. For Active Channels, Customer is responsible for any changes to a third-party system that may affect the functionality of the channel service. Any additional work required for the continuation of the Service may require additional fees. An Axon Field Engineer may require access to Customer's network and systems to perform the Services described in the Channel Services SOW. Customer is responsible for facilitating this access per all laws and policies applicable to Customer.
5. **Project Management**. Axon will assign a Project Manager to work closely with Customer's project manager and project team members and will be responsible for completing the tasks required to meet all contract deliverables on time and budget.
6. **Warranty**. Axon warrants that it will perform the Channel Services in a workmanlike manner.
7. **Monitoring**. Axon may monitor Customer's use of Channel Services to ensure quality, improve Axon devices and services, prepare invoices based on the total amount of data migrated, and verify compliance with this Agreement. Customer agrees not to interfere with such monitoring or obscure from Axon Customer's use of channel services.
8. **Customer's Responsibilities**. Axon's successful performance of the Channel Services requires Customer:
   8.1. Make available its relevant systems for assessment by Axon (including making these systems available to Axon via remote access);
   8.2. Provide access to the building facilities and where Axon is to perform the Channel Services, subject to safety and security restrictions imposed by the Customer (including providing security passes or other necessary documentation to Axon representatives performing the Channel Services permitting them to enter and exit Customer premises with laptop personal computers and any other materials needed to perform the Channel Services);
   8.3. Provide all necessary infrastructure and software information (TCP/IP addresses, node names, and network configuration) for Axon to provide the Channel Services;
   8.4. Ensure all appropriate data backups are performed;
   8.5. Provide Axon with remote access to the Customer's network and third-party systems when required for Axon to perform the Channel Services;
   8.6. Notify Axon of any network or machine maintenance that may impact the performance of the Channel Services; and
   8.7. Ensure the reasonable availability by phone or email of knowledgeable staff, personnel, system administrators, and operators to provide timely, accurate, complete, and up-to-date documentation and information to Axon (these contacts are to provide background information and clarification of information required to perform the Channel Services).

Axon Technical Account Manager Appendix

This Appendix applies if Axon Support Engineer services are included in the Quote.

1. **Axon Technical Account Manager Payment.** Axon will invoice for Axon Technical Account Manager ("**TAM**") services, as outlined in the Quote, when the TAM commences work on-site at Customer.

The TAM will work with Customer to coordinate any time off and will provide Customer with at least two (2) weeks' notice before utilizing any vacation days.

Axon Investigate Appendix

If the Quote includes Axon's On Prem Video Suite known as Axon Investigate or Third-Party Video Support License, the following appendix shall apply.

1. **License Grant.** Subject to the terms and conditions specified below and upon payment of the applicable fees set forth in the Quote, Axon grants to Customer a nonexclusive, nontransferable license to install, use, and display the Axon Investigate software ("**Software**") solely for its own internal use only and for no other purpose, for the duration of subscription term set forth in the Quote. This Agreement does not grant Customer any right to enhancements or updates, but if such are made available to Customer and obtained by Customer, they shall become part of the Software and governed by the terms of this Agreement.

2. **Third-Party Licenses.** Axon licenses several third-party codecs and applications that are integrated into the Software. Users with an active support contract with Axon are granted access to these additional features. By accepting this agreement, Customer agrees to and understands that an active support contract is required for all of the following features: DNxHD output formats, decoding files via the "fast indexing" method, proprietary file metadata, telephone and email support, and all future updates to the software. If Customer terminates the annual support contract with Axon, the features listed above will be disabled within the Software. It is recommended that users remain on an active support contract to maintain the full functionality of the Software.

3. **Restrictions on Use.** Customer may not permit any other person to use the Software unless such use is in accordance with the terms of this Agreement. Customer may not modify, translate, reverse engineer, reverse compile, decompile, disassemble or create derivative works with respect to the Software, except to the extent applicable laws specifically prohibit such restrictions. Customer may not rent, lease, sublicense, grant a security interest in or otherwise transfer Customer's rights to or to use the Software. Any rights not granted are reserved to Axon.

4. **Title.** Axon and its licensors shall have sole and exclusive ownership of all right, title, and interest in and to the Software and all changes, modifications, and enhancements thereof (including ownership of all trade secrets and copyrights pertaining thereto), regardless of the form or media in which the original or copies may exist, subject only to the rights and privileges expressly granted by Axon. This Agreement does not provide Customer with title or ownership of the Software, but only a right of limited use.

5. **Copies.** The Software is copyrighted under the laws of the United States and international treaty provisions. Customer may not copy the Software except for backup or archival purposes, and all such copies shall contain all Axon's notices regarding proprietary rights as contained in the Software as originally provided to Customer. If Customer receives one copy electronically and another copy on media, the copy on media may be used only for archival purposes and this license does not authorize Customer to use the copy of media on an additional server.

6. **Actions Required Upon Termination.** Upon termination of the license associated with this Agreement, Customer agrees to destroy all copies of the Software and other text and/or graphical documentation, whether in electronic or printed format, that describe the features, functions and operation of the Software that are provided by Axon to Customer ("**Software Documentation**") or return such copies to Axon. Regarding any copies of media containing regular backups of Customer's computer or computer system, Customer agrees not to access such media for the purpose of recovering the Software or online Software Documentation.

7. **Export Controls.** None of the Software, Software Documentation or underlying information may be downloaded or otherwise exported, directly or indirectly, without the prior written consent, if required, of the office of Export Administration of the United States, Department of Commerce, nor to any country to which the U.S. has embargoed goods, to any person on the U.S. Treasury Department's list of Specially Designated Nations, or the U.S. Department of Commerce's Table of Denials.

8. **U.S. Government Restricted Rights.** The Software and Software Documentation are Commercial Computer Software provided with Restricted Rights under Federal Acquisition Regulations and Customer supplements to them. Use, duplication or disclosure by the U.S. Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFAR 255.227-7013 et. Seq. or 252.211-7015, or subparagraphs (a) through (d) of the Commercial Computer Software Restricted Rights at FAR 52.227-19, as applicable, or similar clauses in the NASA FAR Supplement. Contractor/manufacturer is Axon Enterprise, Inc., 17800 North 85th Street, Scottsdale, Arizona 85255.

My90 Terms of Use Appendix

1. **Definitions.**

1.1. "**My90**" means Axon's proprietary platform and methodology to obtain and analyze feedback, and other related offerings, including, without limitation, interactions between My90 and Axon products.

1.2. "**Recipient Contact Information**" means contact information, as applicable, including phone number or email address (if available) of the individual whom Customer would like to obtain feedback.

1.3. "**Customer Data**" means

1.3.1. "My90 Customer Content" which means data, including Recipient Contact Information, provided to My90 directly by Customer or at their direction, or by permitting My90 to access or connect to an information system or similar technology. My90 Customer Content does not include My90 Non-Content Data.

1.3.2. "My90 Non-Content Data" which means data, configuration, and usage information about Customer's My90 tenant, and client software, users, and survey recipients that is Processed (as defined in Section 1.6 of this Appendix) when using My90 or responding to a My90 Survey. My90 Non-Content Data includes data about users and survey recipients captured during account management and customer support activities. My90 Non-Content Data does not include My90 Customer Content.

1.3.3. "Survey Response" which means survey recipients' response to My90 Survey.

1.4. "**My90 Data**" means

1.7. "**Sensitive Personal Data**" means Personal Data that reveals an individual's health, racial or ethnic origin, sexual orientation, disability, religious or philosophical beliefs, or trade union membership.

2. **Access.** Upon Axon granting Customer a subscription to My90, Customer may access and use My90 to store and manage My90 Customer Content, and applicable My90 Surveys and Aggregated Survey Responses. This Appendix is subject to the Terms and Conditions of Axon's Master Service and Purchasing Agreement or in the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern.

3. **IP address.** Axon will not store survey respondents' IP address.

4. **Customer Owns My90 Customer Content.** Customer controls or owns all rights, titles, and interests in My90 Customer Content. Except as outlined herein, Axon obtains no interest in My90 Customer Content, and My90 Customer Content is not Axon's business records. Except as set forth in this Agreement, Customer is responsible for uploading, sharing, managing, and deleting My90 Customer Content. Axon will only have access to My90 Customer Content for the limited purposes set forth herein. Customer agrees to allow Axon access to My90 Customer Content to (a) perform troubleshooting, maintenance, or diagnostic screenings; and (b) enforce this Agreement or policies governing use of My90 and other Axon products.

5. **Details of the Processing.** The nature and purpose of the Processing under this Appendix are further specified

in Schedule 1 Details of the Processing, to this Appendix.

6. **Security.** Axon will implement commercially reasonable and appropriate measures to secure Customer Data against accidental or unlawful loss, access, or disclosure. Axon will maintain a comprehensive information security program to protect Customer Data including logical, physical access, vulnerability, risk, and configuration management; incident monitoring and response; security education; and data protection. Axon will not treat Customer Data in accordance with FBI CJIS Security Policy requirements and does not agree to the CJIS Security Addendum for this engagement or any other security or privacy related commitments that have been established between Axon and Customer, such as ISO 27001 certification or SOC 2 Reporting.

7. **Privacy.** Customer use of My90 is subject to the My90 Privacy Policy, a current version of which is available at https://www.axon.com/legal/my90privacypolicy. Customer agrees to allow Axon access to My90 Non-Content Data from Customer to (a) perform troubleshooting, maintenance, or diagnostic screenings; (b) provide, develop, improve, and support current and future Axon products including My90 and related services; and (c) enforce this Agreement or policies governing the use of My90 or other Axon products.

8. **Location of Storage.** Axon may transfer Customer Data to third-party subcontractors for Processing. Axon will determine the locations for Processing of Customer Data. For all Customer, Axon will Process and store Customer Data within the country in which Customer is located. Ownership of My90 Customer Content remains with Customer.

9. **Required Disclosures.** Axon will not disclose Customer Data that Customer shares with Axon except as compelled by a court or administrative body or required by any law or regulation. Axon will notify Customer if any disclosure request is received for Customer Data so Customer may file an objection with the court or administrative body, unless prohibited by law.

10. **Data Sharing.** Axon may share data only with entities that control or are controlled by or under common control of Axon, and as described below:

    10.1. Axon may share Customer Data with third parties it employs to perform tasks on Axon's behalf to provide products or services to Customer.

    10.2. Axon may share Aggregated Survey Response with third parties, such as other Axon customers, local city agencies, private companies, or members of the public that are seeking a way to collect analysis on general policing and community trends. Aggregated Survey Response will not be reasonably capable of being associated with or reasonably linked directly or indirectly to a particular individual.

11. **License and Intellectual Property.** Customer grants Axon, its affiliates, and assignees the irrevocable, perpetual, fully paid, royalty-free, and worldwide right and license to use Customer Data for internal use including but not limited to analysis and creation of derivatives. Axon may not release Customer Data to any third party under this right that is not aggregated and de-identified. Customer acknowledges that Customer will have no intellectual property right in any media, good or service developed or improved by Axon. Customer acknowledges that Axon may make any lawful use of My90 Data and any derivative of Customer Data including, without limitation, the right to monetize, redistribute, make modification of, and make derivatives of the surveys, survey responses and associated data, and Customer will have no intellectual property right in any good, service, media, or other product that uses My90 Data.

12. **Customer Use of Aggregated Survey Response.** Axon will make available to Customer Aggregated Survey Response and rights to use for any Customer purpose.

13. **Data Subject Rights.** Taking into account the nature of the Processing, Axon shall assist Customer by appropriate technical and organizational measures, insofar as this is reasonable, for the fulfilment of Customer's obligation to respond to a Data Subject Request regarding any Personal Data contained within My90 Customer Content. If in regard to My90 Customer Content, Axon receives a Data Subject Request from Customer's data subject to exercise one or more of its rights under applicable Data Protection Law, Axon will redirect the data subject within seventy-two (72) hours, to make its request directly to Customer. Customer will be responsible for responding to any such request.

14. **Assistance with Requests Related to My90 Customer Content.** With regard to the processing of My90 Customer Content, Axon shall, if not prohibited by applicable law, notify Customer without delay after receipt, if Axon: (a) receives a request for information from the Supervisory Authority or any other competent authority regarding My90 Customer Content; (b) receives a complaint or request from a third party regarding the obligations of Customer or Axon under applicable Data Protection Law; or (c) receives any other communication which directly or indirectly pertains to My90 Customer Content or the Processing or protection of My90 Customer Content. Axon

shall not respond to such requests, complaints, or communications, unless Customer has given Axon written instructions to that effect or if such is required under a statutory provision. In the latter case, prior to responding to the request, Axon shall notify Customer of the relevant statutory provision and Axon shall limit its response to what is necessary to comply with the request.

15. **Axon Evidence Partner Sharing.** If Axon Evidence partner sharing is used to share My90 Customer Content, Customer will manage the data sharing partnership with Axon and access to allow only for authorized data sharing with Axon. Customer acknowledges that any applicable audit trail on the original source data will not include activities and processing performed against the instances, copies or clips that has been shared with Axon. Customer also acknowledges that the retention policy from the original source data is not applied to any data shared with Axon. Except as provided herein, data shared with Axon may be retained indefinitely by Axon.

16. **Data Retention.** Phone numbers provided to Axon directly by Customer or at their direction, or by permitting My90 to access or connect to an information system or similar technology will be retained for twenty-four (24) hours. Axon will not delete Aggregated Survey Response for four (4) years other than the ability to submit a request to retrieve Aggregated Survey Response. Axon has no obligation to maintain or provide Aggregated Survey Response after these four years and may thereafter, unless legally prohibited, delete all Aggregated Survey Response.

17. **Termination.** Termination of an My90 Agreement will not result in the removal or modification of previously shared My90 Customer Content or the potential monetization of Survey Response and Aggregated Survey Response.

18. **Managing Data Shared.** Customer is responsible for:

    18.1. Ensuring My90 Customer Content is appropriate for use in My90. This includes, prior to sharing: (a) applying any and all required redactions, clipping, removal of metadata, logs, etc. and (b) coordination with applicable public disclosure officers and related legal teams;

    18.2. Ensuring that only My90 Customer Content that is authorized to be shared for the purposes outlined is shared with Axon. Customer will periodically monitor or audit this shared data;

    18.3. Using an appropriately secure data transfer mechanism to provide My90 Customer Content to Axon;

    18.4. Immediately notify Axon if My90 Customer Content that is not authorized for sharing has been shared. Axon may not be able to immediately retrieve or locate all instances, copies or clips of My90 Customer Content in the event Customer requests to un-share previously shared My90 Customer Content;

19. **Prior to enrollment in My90.** Prior to enrolling in My90, Customer will:

    19.1. determine how to use My90 in accordance with applicable laws and regulations including but not limited to consents, use of info or other legal considerations;

    19.2. develop a set of default qualification criteria of what My90 Customer Content may be shared with Axon; and

    19.3. assign responsibilities for managing what My90 Customer Content is shared with Axon and educate users on what data may or not be shared with Axon.

20. **Customer Responsibilities.** Customer is responsible for:

    20.1. ensuring no My90 Customer Content or Customer End User's use of My90 Customer Content or My90 violates this Agreement or applicable laws;

    20.2. providing, and will continue to provide, all notices and has obtained, and will continue to obtain, all consents and rights necessary under applicable laws for Axon to process Customer Data in accordance with this Agreement; and

    20.3. maintaining necessary computer equipment and Internet connections for use of My90. If Customer becomes aware of any violation of this Agreement by an End User, Customer will immediately terminate that End User's access to My90. Customer will also maintain the security of End User's usernames and passwords and security and access by End Users to My90 Customer Content. Customer is responsible for ensuring the configuration and utilization of My90 meets applicable Customer regulations and standards. Customer may not sell, transfer, or sublicense access to any other entity or person. Customer shall contact Axon immediately if an unauthorized party may be using Customer's account or My90 Customer Content or if account information is lost or stolen.

21. **Suspension.** Axon may temporarily suspend Customer's or any End User's right to access or use any portion or all of My90 immediately upon notice, if Customer or End User's use of or registration for My90 may (a) pose a security risk to Axon products including My90, or any third-party; (b) adversely impact My90, the systems, or content of any other customer; (c) subject Axon, Axon's affiliates, or any third-party to liability; or (d) be fraudulent. Customer remains responsible for all fees, if applicable, incurred through suspension. Axon will not delete My90 Customer Content or Aggregated Survey Response because of suspension, except as specified in this Agreement.

22. **My90 Restrictions.** Customer and Customer End Users, may not, or may not attempt to:

    22.1. copy, modify, tamper with, repair, or create derivative works of any part of My90;

    22.2. reverse engineer, disassemble, or decompile My90 or apply any process to derive any source code included in My90, or allow others to do the same;

    22.3. access or use My90 with the intent to gain unauthorized access, avoid incurring fees or exceeding usage limits or quotas;

    22.4. use trade secret information contained in My90, except as expressly permitted in this Agreement;

    22.5. access My90 to build a competitive product or service or copy any features, functions, or graphics of My90;

    22.6. remove, alter, or obscure any confidentiality or proprietary rights notices (including copyright and trademark notices) of Axon's or Axon's licensors on or within My90; or

    22.7. use My90 to store or transmit infringing, libelous, or other unlawful or tortious material; to store or transmit material in violation of third-party privacy rights; or to store or transmit malicious code.

Schedule 1- Details of the Processing

1. **Nature and Purpose of the Processing.** To help Customer obtain feedback from individuals, such as members of their community, staff, or officers. Features of My90 may include:

   1.1. Survey Tool where Customer may create, distribute, and analyze feedback from individuals it designates. Customer may designate members of the community, staff or officers from whom they would like to obtain feedback;

   1.2. Creation of custom forms for surveys. Customer may select questions from a list of pre-drafted questions or create their own;

   1.3. Distribution of survey via multiple distribution channels such as text message;

   1.4. Ability to access and analyze Survey Response. Axon may also provide Customer Aggregated Survey Responses which contain analysis and insights from the Survey Response;

   1.5. Direct integration into information systems including Computer Aided Dispatch ("**CAD**"). This will enable Customer to share contact information easily and quickly with Axon of any individuals from whom it wishes to obtain feedback, enabling Axon to communicate directly with these individuals;

   1.6. Data Dashboard Beta Test ("**Data Dashboard**") where Survey Response and Aggregated Survey Response will be displayed for Customer use. Customer will be able to analyze, interpret, and share results of the Survey Response. My90 may provide beta versions of the Data Dashboard that are specifically designed for Customer to test before they are publicly available;

   1.7. Survey Responses will be aggregated and de-identified and may be subsequently distributed and disclosed through various mediums to: (1) Customer; (2) other Axon Customer; (3) private companies; and (4) members of the public. The purpose of disclosure is to provide ongoing insights and comparisons on general policing and community trends. Prior to disclosing this information, Axon will ensure that the Survey Response has been de-identified and aggregated or transformed so that it is no longer reasonably capable of being associated with, or could reasonably be linked directly or indirectly to a particular individual; and

   1.8. Provide services and materials to engage Customer stakeholders, market the partnership to the public, and facilitate training.

Axon Event Offer Appendix

If the Agreement includes the provision of, or Axon otherwise offers, ticket(s), travel and/or accommodation for select events hosted by Axon ("Axon Event"), the following shall apply:

1. **General.** Subject to the terms and conditions specified below and those in the Agreement, Axon may provide Customer with one or more offers to fund Axon Event ticket(s), travel and/or accommodation for Customer-selected employee(s) to attend one or more Axon Events. By entering into the Agreement, Customer warrants that it is appropriate and permissible for Customer to receive the referenced Axon Event offer(s) based on Customer's understanding of the terms and conditions outlined in this Axon Event Offer Appendix.
2. **Attendee/Employee Selection.** Customer shall have sole and absolute discretion to select the Customer employee(s) eligible to receive the ticket(s), travel and/or accommodation that is the subject of any Axon Event offer(s).
3. **Compliance.** It is the intent of Axon that any and all Axon Event offers comply with all applicable laws, regulations and ethics rules regarding contributions, including gifts and donations. Axon's provision of ticket(s), travel and/or accommodation for the applicable Axon Event to Customer is intended for the use and benefit of Customer in furtherance of its goals, and not the personal use or benefit of any official or employee of Customer. Axon makes this offer without seeking promises or favoritism for Axon in any bidding arrangements. Further, no exclusivity will be expected by either party in consideration for the offer. Axon makes the offer with the understanding that it will not, as a result of such offer, be prohibited from any procurement opportunities or be subject to any reporting requirements. If Customer's local jurisdiction requires Customer to report or disclose the fair market value of the benefits provided by Axon, Customer shall promptly contact Axon to obtain such information, and Axon shall provide the information necessary to facilitate Customer's compliance with such reporting requirements.
4. **Assignability.** Customer may not sell, transfer, or assign Axon Event ticket(s), travel and/or accommodation provided under the Agreement.
5. **Availability.** The provision of all offers of Axon Event ticket(s), travel and/or accommodation is subject to availability of funds and resources. Axon has no obligation to provide Axon Event ticket(s), travel and/or accommodation.
6. **Revocation of Offer.** Axon reserves the right at any time to rescind the offer of Axon Event ticket(s), travel and/or accommodation to Customer if Customer or its selected employees fail to meet the prescribed conditions or if changes in circumstances render the provision of such benefits impractical, inadvisable, or in violation of any applicable laws, regulations, and ethics rules regarding contributions, including gifts and donations.

Axon Training Pod Appendix

1. **Customer Responsibilities**. Customer is responsible for: (i) all permits to use the Axon Training Pod; (ii) complying with all applicable laws pertaining to the use of the Axon Training Pod; (iii) any maintenance required for the Axon Training Pod; and (iv) disposal of the Axon Training Pod.

2. **Warranties. TO THE EXTENT NOT PROHIBITED BY LAW, AXON TRAINING POD IS SOLD "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.**

3. **Placement.** Axon will make its best efforts to work with Customer on the initial placement of the Axon Training Pod. After the initial placement, it is the Customer's responsibility to make any adjustments to the Axon Training Pod's placement.

4. **Deemed Acceptance.** The Axon Training Pod will be deemed accepted by Customer upon delivery. Customer waives any right to reject the Axon Training Pod except in the event of damage during shipment, which must be reported to Axon in writing within five (5) business days of delivery.

Dedrone Product Appendix

If the Quote includes Dedrone Hardware, Dedrone Software, and/or Airspace Security as a Service (collectively, "Dedrone Products"), this Dedrone Product Appendix shall apply.

1. **Definitions.**

1.1 **"Dedrone Data"** means data that Axon maintains regarding a wide variety of drone models and manufacturers in the marketplace ("DedroneDNA", formerly "DroneDNA"), as well as usability information that Axon collects regarding the performance of the Dedrone Software and Dedrone Hardware, aggregate or de-identified Collected Data compiled or used by Axon in accordance with Section 4.2, and any other information that Axon makes available to Customer by means of the Dedrone Software

1.2 **"Dedrone Hardware"** means the Axon drone detection hardware sensor or mitigation products set forth on a Quote and does not include any Third-Party Hardware.

1.3 **"Sensor"** means a radio frequency, video, radar or other hardware sensor for drone detection purchased by Customer from Axon or obtained from any third-party vendor.

1.4 **"Dedrone Software"** means (i) Axon's proprietary drone-tracking software, known as DedroneTracker (formerly DroneTracker), whether deployed on-premise or hosted by Axon as a cloud-based solution, (ii) Axon's video analytics software (currently known as Analytics Server), and/or (iii) software and/or firmware deployed or installed on the Dedrone Hardware or available for download and installation onto Customer's Third-Party Hardware.

1.5 **"Third-Party Hardware"** means hardware products owned by Customer or purchased by Customer from third parties that are used by Customer in conjunction with the Software.

2. **Customer License.**

2.1 **Software License.** Subject to the terms of this Agreement, Axon grants Customer a royalty-free, nonexclusive, nontransferable, worldwide right during each Quote Term to use the Dedrone Software, including the Dedrone Data and Collected Data, subject to the terms of the Agreement and this Appendix (the "License"). Customer must purchase a License to the Software for each unit of Dedrone Hardware and/or Third-Party Hardware using Dedrone Software. Accordingly, Customer may only use the Software quantity and type of Hardware and/or Third-Party Hardware units specified on the applicable Quote. If Customer purchases additional Licenses during a current Term, the Term of the new License(s) will be pro-rated to terminate at the end of the then-current License Term. Use of the Dedrone Software is subject to the terms of the Agreement between the parties

2.2 **Restrictions.** Customer will not: (i) use (or allow a third party to use) the Dedrone Products in order to monitor the availability, security, performance, or functionality of the Dedrone Products, or for any other benchmarking or competitive purposes; (ii) market, sublicense, resell, lease, loan, transfer, or otherwise commercially exploit the Dedrone Products; (iii) modify, create derivative works, decompile, reverse engineer, attempt to gain access to the source code, or copy the Dedrone Products or any of their components; (iv) use the Dedrone Products to conduct any fraudulent, malicious, or illegal activities; or (v) use the Dedrone Products in contravention of any applicable laws or regulations (each of (i) through (v), a ("Prohibited Use").

3. **Customer Obligations.**

3.1 **Compliance.** Customer will use the Dedrone Products only in accordance with applicable specifications (the "Specifications") and in compliance with all applicable laws, including all applicable export laws and regulations of the United States or any other country. Customer acknowledges that due to the nascent nature of drone detection and mitigation technologies applicable laws and regulations may be changing or emerging over time, and agrees that it is Customer's responsibility to keep itself aware and remain compliant with the current laws and regulations that may apply, including but not limited to those that may apply to advanced features available at Customer's option in the Dedrone Software. Customer will ensure that none of the Dedrone Products are directly or indirectly exported, re-exported, or used to provide services in violation of such export laws and regulations. Axon reserves the right to suspend use of any Dedrone Products operating in violation of such laws, following written notice to Customer. If Customer uses a radio jammer, or any other controlled device, in connection with the Dedrone Software, Customer represents to Axon that it is authorized to do so by the relevant authorities, that it will do so only in accordance with such authorization, and it will provide supporting documentation regarding such authorization upon request. Customer may be required to obtain legal

authorization before any purchase or use of hardware sold by third parties. Axon shall not be liable if any government export authorization is delayed, denied, revoked, restricted or not renewed, nor shall any such delay, denial, revocation, restriction or non-renewal shall not constitute a breach of the Agreement by Axon.

3.2 **Computing Environment.** Customer is responsible for the maintenance and security of its own network and computing environment that it uses to host and/or access the Dedrone Products and for ensuring that any Third-Party Hardware meets the necessary specifications for use with the Dedrone Software.

4. **Data Protection.**

4.1 **Data.** If Customer licenses Dedrone Software, as part of its operation, the Dedrone Software may collect and send to servers owned, operated or controlled by Axon data or other information regarding Customer's use of the Dedrone Software, which may include (i) information generated by each Sensor deployed by Customer, including information related to the date, time, and duration of the detection of the drone, as well as the locations of the detected drones and remote controls and of the Sensor itself (collectively, "Sensor Data"), and (ii) video recording of the detected drones, including flight path ("Video Data") (Sensor Data and Video Data are collectively referred to as "Collected Data").

4.2 **Use of Collected Data.** Axon has the right to use Collected Data for any purpose, including: (i) improving any Dedrone Product; (ii) analyzing any Dedrone Product or the performance of any Dedrone Product; or (iii) compiling or using aggregate or de-identified Collected Data with other customers, or government and law enforcement entities, with or without compensation. Customer acknowledges that Axon may learn from the performance or use of any Dedrone Product, and Axon shall have the sole right to exploit any modification, enhancement or improvement of any Dedrone Product resulting from such learning.

4.3 **User Data.** To the extent Axon uses User login information, including name, email, username, and password (collectively, "User Data") for any purpose other than to provide services to the Customer, such User Data will be deidentified and anonymized, and will not be identified as having come from Customer, except that Axon may disclose User Data where Axon, in good faith, believes that the law or legal process (such as a court order, search warrant or subpoena) requires Axon to do so.

4.4 **Security.** Axon maintains industry standard physical, technical, and administrative safeguards (the "Security Measures") to protect Collected Data.

4.5 **No Access.** Except for User Data, Axon does not (and will not) collect, process, store, or otherwise have access to any personal information, about End Users or users of Customer's products or services.

5. **Ownership.**

5.1 **Axon Property.** Axon owns and retains all rights, title, and interest in and to the Dedrone Data, Collected Data, the Dedrone Software, and all intellectual property embodied in the Dedrone Hardware, if the Dedrone Hardware is provided by Axon. Except for the limited license granted to Customer in Section 2.1, Axon does not by means of this Agreement or otherwise transfer or license any rights in the Dedrone Products to Customer, whether by implication, estoppel or otherwise. To the maximum extent permitted by applicable law Customer will take no action inconsistent with Axon intellectual property rights in the Dedrone Products or any Dedrone Data.

5.2 **Customer Property.** Customer owns and retains all right, title, and interest in and to the User Data and does not by means of this Agreement or otherwise transfer any rights in the User Data to Axon, except for the limited rights set forth in Section 4.3.

6. **Government Restricted Rights.** To the extent that Customer is an agency or instrumentality of the U.S. government, the parties agree that the Dedrone Software and documentation are commercial computer software and commercial computer software documentation, respectively, and Customer's rights therein are as specified in this License, per FAR 12.212 and DFARS 227.7202-3, as applicable, or in the case of NASA, subject to NFS 1852.22.

7. **Updates.** The Dedrone Software may include functionality that allows it to automatically download updates that may be made available by Axon. Customer consents to the installation of such functionality.

Contract Sourcewell #101223-AXN is incorporated by reference into the terms and conditions of this Agreement. In the event of conflict the terms of Axon's Master Services and Purchasing Agreement shall govern.

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at https://www.axon.com/sales-terms-and-conditions), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.

Exceptions to Standard Terms and Conditions

Rewrite Estimates

Estimated Amounts and Contract Terminations. Any amounts stated as due under existing or terminated contracts — including contract transfer balances carried forward to new or pending contracts — are estimates based on payments received as of the calculation date. These estimates may be adjusted if new contracts are not executed on the anticipated dates or if expected payments are not made.

Refresh Shipment Timing

Technology Assurance Plan (TAP) Refresh Prior to Renewal. For Customers with expiring agreements that include TAP refresh rights, Axon may, in its discretion, ship refresh hardware under the existing contract while renewal or replacement agreements are in progress. Any such shipments will be deemed made under the terms of the existing contract until the new contract is fully executed, after which any applicable updates, fees, or adjustments will apply.

Shipment Timing

Shipment Variance. Estimated shipment dates are provided for planning purposes only and are not guarantees. Axon may ship hardware before or after the estimated shipment date, and failure to meet an estimated shipment date will not, by itself, constitute a breach, provided Axon uses commercially reasonable efforts to meet estimated shipment dates.

Re: Waggoner Rd Improvements, Phase 2

Dear Mr. Dorman,

We have completed our analysis of the bids received on February 6, 2026 for the **Waggoner Road Improvements, Phase 2** project. Based on our review of the public bid results, we recommend that the Contract be awarded to Shelly & Sands, Inc. for the amount of **$ 12,916,989.80** for the work included under the Base Bid. Shelly & Sands, Inc. has project history with the City and is qualified for this type of work. Their prices are comparable to recent bids of projects with similar size and scope.

Please review the enclosed information. Once City Council authorizes the contracts for construction, please have the Mayor sign the Notice of Award and forward it to me. Once I receive that, we will prepare conformed copies of the contract documents and forward them to the selected Contractors for execution. Please do not hesitate to contact me if you should have any additional questions.

Sincerely,

EVANS, MECHWART, HAMBLETON & TILTON, INC.

Mitchell Yake, PE

Subject: Professional Services Proposal for Waggoner Road Phase 1 & 2 Construction Phase Services

Dear William,

EMH&T is pleased to present this proposal for Design Engineer Construction Phase Support Services related to Waggoner Road Phase 1 & 2. The proposed scope of services and associated fees are outlined below for your consideration.

SCOPE OF SERVICES

EMH&T will provide engineering services to support the project's construction phase in a task-oriented manner as directed by the City and to the level of effort desired by the City and limited by available budget. Tasks are expected to include a sampling of the following:

1. Review shop drawings and material submittals as requested. Provide submittal review comments with recommended dispositions, including electrical engineer subconsultant review of certain lighting and signal submittals.
2. Review design-related Contractor requests for clarification/requests for information (RFIs) and provide proposed response and/or minor plan revisions if appropriate.
3. Conduct periodic site observation services as needed to respond to Contractor requests for clarification and perform submittals reviews.
4. Attend preconstruction meeting, progress meetings, and issue resolution meetings upon request.
5. Perform limited utility coordination during construction (we expect the CA/CI consultant to perform the bulk of utility coordination during construction).
6. On-going right-of-way acquisition support such as staking right-of-way or preparing additional legal descriptions on properties previously surveyed.
7. Prepare record drawings using red-line markups provided by the CA/CI consultant.
8. Set permanent monumentation (property corner pins) for new right-of-way following construction.

FEE

The professional services described herein will be completed on a time and materials basis, not to exceed a budget of eighty thousand dollars (**$80,000**). This budget includes labor, subconsultant fees, reimbursable items, and direct costs. Invoices will be submitted monthly and will be based only on the actual number of hours worked and on expenses incurred according to the rate schedule attached to our approved Professional Services Agreement.

CLARIFICATIONS & EXCLUSIONS

Specific services that are not included in this proposal include the following:

1. Construction administration, inspection, or on-site owner representation.
2. Construction survey or layout stakes.
3. Material testing or geotechnical analysis.

4. Post-approval plan updates and revisions.
5. SWPPP inspections/observations.
6. Major plan revisions.
7. Field survey confirmation of as-built conditions.

If desired, we can provide these services to the City under separate authorization.

TERMS & CONDITIONS OF PROFESSIONAL SERVICES

The work described herein will be completed in accordance with the terms and conditions of the Professional Services Agreement between EMH&T and the City of Reynoldsburg dated January 1, 2024.

We look forward to working with you in the successful advancement of this project. If you approve of our proposal, please authorize with your signature below. If you have any questions or require additional information, please do not hesitate to contact me at 614-775-4616 or mbrehm@emht.com.

Respectfully submitted,

MEMO

Date: February 16, 2026

To: William Dorman, Director of Public Service

From: Mitchell Yake, PE, City Engineer

Subject: Waggoner Road Improvements, Phase 2 - Bid Results

Copies: File

EMH&T has completed bid tabulation and analysis. The following is a budget summary for the construction phase of the subject project based on bid pricing from contractors and 10% for Contingency. Budget for Construction Services is not included, please have Shelly & Sands, Inc. prepare proposal for those services to include in the City's budget.

Base Bid:.....$ 12,916,989.80

Recommended Contingency (10%):.....$ 1,292,000.00

Construction Design Support (EMH&T):.....$ 80,000.00

Construction Management/Inspection (DLZ):.....$ TBD

Total Construction Phase Budget:.....$ 14,288,989.80 + DLZ Fee

I have attached the Bid Tabulation, Award Recommendation Letter, and Notice of Award to this memorandum for your review. If the City is in agreement with our recommendation, please move forward with funding legislation. Once the legislation is in place, please return a signed copy of the Notice of Award to me so we can prepare the contracts for signing. If you have any other questions, please feel free to contact me at 614-775-4209.

TERMS & CONDITIONS

A. DEFINITIONS. Seller is Southeastern Equipment Co. Inc.; Purchaser is the entity denoted above in the box titled purchaser; collectively Seller and Purchaser may be referred to as Parties; Equipment is new or used equipment being purchased by Purchaser; Trade-In Equipment is equipment being sold by Purchaser to Seller in exchange for a credit only applied to this sale; and Agreement is this contract for the sale and Trade-In of equipment between the Parties.

B. PRICE AND PAYMENT. The Purchaser and Seller agree that the Total Amount Due will be finally determined by Seller on the date of Delivery of the Equipment based on the manufacturer invoice plus any surcharges from the manufacturer. Seller hereby does sell, convey and transfer title to Purchaser for Equipment upon full payment of the Balance Due, as calculated pursuant to this Agreement. Purchaser shall remit payment to Seller by cash, check, electronic wire, ACH or other reasonable commercially acceptable method of payment within thirty (30) days of Delivery of Equipment if Purchaser has established line of credit with Seller or immediately upon Delivery of Equipment if no line of credit is established. A finance charge of 1.5% per month (or the maximum amount permitted under applicable state law) will be assessed on all past due balances. All additional taxes or fees owed because of the sale are the responsibility of the Purchaser. **SELLER RETAINS A SECURITY INTEREST IN THE EQUIPMENT UNTIL THE FULL PURCHASE PRICE IS RECEIVED BY SELLER.**

C. DELIVERY OF EQUIPMENT. Seller will make Equipment available according to the delivery instructions contained herein. If no instructions are included, the Seller will make Equipment available at the location where the Equipment is located. Purchaser is responsible for all shipping and trucking costs, including loading and unloading, permits and other expenses. Costs may be included in the Total Amount Due if trucking has been predetermined. Any change in delivery location may result in additional charges to be borne by Purchaser. Special order Equipment will be made available once delivery is received by Seller from Equipment supplier. Unless Seller is using Seller's in-house trucking services, Equipment is delivered FOB Seller's location. Seller reserves the right to subcontract or assign Seller's obligation to deliver Equipment. Seller reserves the right to substitute Equipment that is the same year, condition, make, model, within ten (10) hours on the hour meter, and of the same or better configuration without breach of this Agreement or notice.

D. CONDITION OF EQUIPMENT. ALL EQUIPMENT IS SOLD AS IS, WHERE IS UNLESS OTHERWISE STATED IN THIS AGREEMENT. SELLER MAKES NO EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS, EXCEPT FOR WARRANTY EXPRESSLEY MADE ON THIS AGREEMENT. Manufacturer warranty does not in itself create a warranty by Seller. Any reference to hour meters on used equipment is for informational purposes only, Purchaser should inspect any used equipment prior to purchase. Purchaser acknowledges warning and responsibility for inspecting all equipment and ensuring equipment meets any and all applicable safety and operational guidelines and laws for use, including the standards set forth in the Federal Occupational Safety and Health Act of 1970, as amended and restated.

E. TRADE-IN EQUIPMENT. If Trade-In Equipment is included on this Agreement, Purchaser hereby bargains, sells and conveys unto Seller the Trade-In Equipment and represents and warrants that Purchaser has marketable title free and clear of any encumbrances, liens, and security interests except to the extent included in the trade payoff number and fully disclosed to Seller. If Trade-In Equipment is not delivered to the Seller prior to delivery of the Equipment to Purchaser, the Trade-In Equipment may be reappraised at the sole discretion of Seller and such reappraisal value shall determine the allowance made for such Trade-In Equipment. In the event the Trade-In Equipment appraisal value is less than the original allowance for said equipment, the Purchaser may terminate this order, however, termination will only be valid if received prior to delivery of Equipment.

F. LIMITATION OF LIABILITY. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, OR USE INCURRED BY PURCHASER OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT, OR TORT, OR OTHERWISE EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SELLER'S LIABILITY FOR DAMAGES ARISING OUT OFOR IN CONNECTION WITH THIS AGREEMENT SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE RELEVANT EQUIPMENT. Seller shall not be deemed to be in default of any provision of this Agreement, or for failures in performance, resulting from acts or events beyond Seller's reasonable control ("Force Majeure"). Force Majeure shall include, but are not limited to, acts of God, civil or military authority, civil disturbance, war, strikes, fires, and labor disputes. In the event delivery of Equipment is delayed more than thirty (30) days because of Force Majeure, Purchaser may cancel all or part of its purchase of Equipment.

G. MISCELLANEOUS.

Due to price fluctuations in the market, Seller reserves the right to pass on any price increase or surcharge to the Purchaser and Purchaser agrees to pay it pursuant to the terms set forth in paragraph B. This Agreement constitutes the complete agreement between the Parties with respect to its subject matter and supersedes all prior or contemporaneous agreements, understandings, representations, discussions, proposals, literature, and the like written or oral. This Agreement may not be modified or amended except in a writing signed by an authorized representative of the Seller and Purchaser. Use of headings in this Agreement are for convenience only and are not to be construed in the meaning of the instrument. This Agreement may be executed in counterparts and any scan, copy or facsimile will be deemed valid as an original copy. In the event any provision of this Agreement is determined to be unlawful or against public policy and found invalid or unenforceable, the remaining provisions will remain in full force and effect. The waiver by either party of any default or breach of this Agreement shall not constitute a waiver of any other or subsequent breach. This Agreement, and all matters arising out of or relating to this Agreement, are governed by the laws of the State of Ohio. Any legal action or proceeding

relating to this Agreement may only be brought within the jurisdiction of Guernsey County, Ohio.

H. AUTHORITY AND UNDERSTANDING. In signing this Sales Order, you represent that you have the authority to sign on behalf of the Purchaser for the purchase of Equipment and disposition of Trade-In Equipment, you have read and fully understand all terms of this Agreement, and you acknowledge receipt of a fully complete and accurate copy of this Agreement and waive notice of the acceptance or rejection of the Purchaser's offer by the Seller.

I. IF CUSTOMER PAYS ANY BALANCE OWED UNDER THIS SALES ORDER USING CREDIT/CHARGE CARD, SOUTHEASTERN RESERVES THE RIGHT TO CHARGE AN ADDITIONAL 3% OF THE TOTAL INVOICE AS A CONVENIENCE FEE WHICH CUSTOMERHEREBY AGREES TO PAY.

STAFF REPORT:

This ordinance authorizes a one-time contribution of $9,900.00 from the net proceeds of the 2025 beer garden operations associated with the Reynoldsburg Tomato Festival. The contribution will be provided to support youth athletic programs within the Reynoldsburg City Schools. The beer garden was operated under the City's liquor permit and supported by volunteer assistance from several athletic booster organizations during the festival. This legislation authorizes the City Auditor to appropriate the funds as a one-time contribution recognizing community volunteer participation and support of youth athletic opportunities that benefit Reynoldsburg residents.

March 20, 2026

Mr. William Dorman
Director of Public Service
City of Reynoldsburg
7232 East Main Street
Reynoldsburg, OH 43068

Subject: 2026 Street Maintenance Program and Water Main Replacement

Dear Mr. Dorman,

EMH&T is pleased to present this proposal for professional engineering services associated with the City's **2026 Street Maintenance Program and Water Main Replacement project**. Our services include surveying, on-site pavement evaluations, pavement treatment recommendations, cost estimating, preparation of street exhibits illustrating proposed improvements, design of watermain replacement, development of construction documents and specifications, bidding assistance, and design support throughout construction.

The City has allocated an estimated budget of approximately $3,400,000 for the 2026 pavement restoration program and $800,000 for the water main replacement. Our scope has been developed based on the preliminary street list provided and its alignment with this budget. As part of the program, the City has elected to replace and upsize (6-in diameter pipe to 8-in diameter) a portion of the existing water distribution system along Burkey Avenue from Graham Road to Southwood Avenue (approximately 1,900 linear feet). The anticipated construction duration is approximately 120 calendar days, with the intent to complete the proposed improvements within the 2026 paving season. These projects have been coupled together to allow the roadway restoration for the water main replacement project to occur as part of the annual street maintenance program.

The scope of services outlined herein reflects EMH&T's understanding of project requirements at the time of proposal development and serves as the basis for the associated fee. As the project advances and additional information becomes available, adjustments to the scope and corresponding fee may be necessary.

Scope of Services

The Scope of Services for this improvement is outlined below:

1. Survey

a. The survey fee includes reasonable accommodation, under the Standard of Care, to investigate and identify existing field boundary conditions to determine the property limits. Unless otherwise noted herein, this accommodation does not include the establishment of field control beyond the property due to the existence of limited or insufficient field monumentation, nor does it include extensive investigation due to conflicting evidence with found monumentation.
b. Prior to beginning any field work, EMH&T will contact Ohio811 to coordinate utility marking, as required. We will also review available public records including deeds, plats, right-of-way plans, and surveys on file with the county engineer to support retracement of the boundary survey for the project area.

c. EMH&T will collect features and ground shots on a 50-foot grid, or at intervals sufficient to generate 1-foot contour mapping for the water main replacement project. A minimum of two site benchmarks will be established, with full horizontal and vertical coordinate descriptions. Visible pavement features, utilities, and other surface elements within the project limits will be located, including but not limited to: streets, alleys, drives, sidewalks, paths, street name signs, fences, gates, retaining walls, buildings, storm and sanitary systems, water and gas lines, electrical components, transformers, pull boxes, communication infrastructure, watercourses, ditches, and edges of streams or ponds.
d. Where full curb replacement or curb ramp improvements are anticipated, EMH&T will perform targeted topographic surveys to capture curb lines, pavement limits, tree lawns, drive approaches, curb inlets, sidewalks, and other relevant features needed for design. These areas are identified as follows:
    i. Curb profiles on streets of Burkey Avenue, Retton Court, and Wollam Avenue (Pleasant Drive to Cottingham Road).
    ii. Curb Ramp design at the following intersections:
        1. Bichon Court / Landseer Drive
        2. Brindle Court / Landseer Drive
        3. Landseer Drive / Bedlington Drive
        4. Landseer Drive / Brindle Court
        5. Sealyham Court / Sealyham Drive
        6. Sealyham Drive / Bedlington Drive
        7. Wind River Drive / Marlan Ave
        8. Jackies Bend / Hunnicut Drive

2. Street Program Design

a. EMH&T will conduct a kick-off meeting with the City to confirm the streets selected for field assessment. Two progress meetings one at the preliminary design stage and one at final design will be held to review budgets, discuss findings, and refine the program scope.
b. We will evaluate available information including GIS data, recent PCI ratings, and record plans. Where gaps in information exist, pavement cores will be obtained by a subconsultant to verify existing pavement conditions.
c. EMH&T will assess pavement conditions to identify settlement, cracking, and other indicators of full-depth failure. Curb conditions and curb ramp compliance with PROWAG will be reviewed, and noncompliant ramps will be measured to determine replacement quantities. Stormwater structures and drainage patterns will also be evaluated to identify deterioration or ponding issues.
d. Based on field observations, EMH&T will recommend either resurfacing or full roadway reconstruction. When curb replacement exceeds approximately 30%, full curb replacement will be recommended in place of partial (spot) repairs.
e. EMH&T will assist the City in identifying candidate streets for preventive maintenance. Based on a review of the City's recent paving programs, EMH&T will recommend segments suitable for application of an asphalt rejuvenator (Reclamite), with a target budget of $100,000 for streets included in the 2024 Street Program. In addition, EMH&T will evaluate the feasibility and limits of crack sealing improvements along Burkey Court, with a target budget of $50,000.
f. GIS-based exhibits will be prepared showing pavement treatment limits. Preliminary cost estimates will be developed and reviewed with the City to confirm scope, schedule, and budget alignment.
g. Following coordination with the City, EMH&T will prepare final pavement treatment exhibits detailing curb ramp locations, full-depth pavement repair areas, and contractor guidance. Final cost estimates will reflect refined field measurements. EMH&T will also prepare comprehensive street program specifications, including supplemental instructions, general provisions, and scheduling requirements, which will form the basis for bidding and construction.

h. For streets requiring full curb replacement, EMH&T will develop detailed curb profiles to address existing drainage deficiencies, including sags and flat spots. Based on prior field investigations, we understand that the targeted streets for continuous curb replacement are Burkey Avenue, Retton Court, and Wollam Avenue.
    i. Using survey data and record plans, we will prepare basemaps and design new curb profiles that ensure proper drainage, ADA compliance, and seamless integration with adjacent infrastructure.
    ii. Profile sheets will detail existing and proposed curb grades, driveway replacement limits, and modifications to curb and gutter inlets. All profiles will be coordinated with pavement design and utility considerations to support constructability and long-term performance. Final curb profile plans will be provided to the Contractor for staking prior to curb removal.

i. For streets requiring curb ramp replacement, EMH&T will develop detailed curb ramp layouts. Based on prior field investigations, we understand that the targeted streets for curb ramp replacement / new curb ramps are at the following intersections: Bichon Court / Landseer Drive, Brindle Court / Landseer Drive, Landseer Drive / Bedlington Drive, Landseer Drive / Brindle Court, Sealyham Court / Sealyham Drive, Sealyham Drive / Bedlington Drive, Wind River Drive / Marlan Ave, Jackies Bend / Hunnicut Drive.
    i. EMH&T will create a base map using survey, GIS, record plan and plat, and aerial photo data for the purpose of layout out curb ramp and transition panel sidewalk improvements.
    ii. Grading plans will be prepared showing the proposed curb ramp layout with corner shots on panels and "match existing" points showing the limits of transition panel replacement.
    iii. Any areas where the sidewalk has been lowered to a point where yard grading exceeds a 4:1 slope will be identified and shared with City Staff. If needed, grade walls will be shown on the drawings with top and bottom of wall elevations. Nonstructural grade wall material (poured concrete, stacked stone, modular block, etc.) called-out on the plan will be the City's preference.

3. Watermain Replacement Plan

a. Review of existing site conditions, record plans, and GIS information. Creation of an electronic base map that is developed using topographic survey, GIS, record plan, and OUPS data.

b. Horizontal Alignment Review – Once the electronic base map is prepared, EMH&T will evaluate feasible alignment alternatives and coordinate with the City to identify a preferred alignment. Several factors will guide the selection of the best alignment alternative including:
    i. Existing public and private utilities
    ii. Right-of-way and easement boundaries
    iii. 10-State Standards for Water Distribution Facilities
    iv. City of Reynoldsburg Standards
    v. Construction and maintenance of traffic considerations

c. EMH&T will meet with the City's Service Department to review / discuss the alignment options and select a preferred alternative, which will be the basis for design.

d. The design will be provided to private utility owners to allow them to determine extent of impact from the proposed improvements.

e. Pre-Final Plans – These plans will illustrate the overall waterline replacement improvements. EMH&T will meet with City staff again to discuss comments before completion of the plans. An opinion of probable construction cost will also be presented. In addition to roadway plans, the waterline replacement plan will include the following:

i. Title Sheet
ii. General Notes
iii. Estimate of Quantities and Coordinate Table
iv. Plan Details and Supplemental Specifications
v. Plan and Profiles
vi. Sedimentation and Erosion Control Plan
vii. Maintenance of Traffic Plan

f. Final Plans – Watermain replacement plan will be included on the Final Plans provided to the City for signature approval. These will have all comments addressed in preparation of bidding.

4. Bidding Services

a. EMH&T will prepare bidding and contract documents utilizing the City's Bid Express platform. This will include incorporating any additional bid requirements specified by the funding source.
b. EMH&T will review questions submitted by bidders and prepare bid addenda as necessary throughout the bidding process.
c. Upon receipt of bids, EMH&T will review submissions, compile a bid tabulation, and provide a recommendation for award.
d. Conformed contracts will be prepared and delivered to the contractor selected by the City for signature prior to the preconstruction meeting.

5. Design Support During Construction

a. Review shop drawings and material submittals as requested by the City/Contractor and provide review comments with recommendations
b. Review design-related requests for information (RFI) from the Contractor, as requested by the City, and prepare responses
c. Attend preconstruction and other construction phase meetings as requested by the City
d. Provide limited utility coordination during construction. EMH&T will hand off management of any private utility relocation to the City's CA/CI consultant but will be available to answer questions or help resolve issues at the request of the City.
e. Prepare record drawings using red-line mark-ups provided by the City's CA/CI consultant

Fees

Services will be provided as per the conditions of our Professional Services Agreement **effective January 1, 2024,** and the associated Time Rates for the City. Fees for the work described within the Scope of Services shall not exceed fee described below without prior authorization from the City.

EMH&T DESIGN SERVICES FEE SUMMARY

Description of Design Service/Task	Fee
1. Survey	$40,800
2. Street Program Design	$76,500
3. Waterline Design	$38,000
4. Bidding Services	$7,900
5. Design Support During Construction	$21,600
Labor Fee	$184,800.00
Pavement Cores (Subconsultant Allowance)	$7,500.00
Reimbursable Expenses (printing, mileage, etc.)	$1,000.00
TOTAL FEE	**$193,300.00**

Clarifications and Exclusions

The following general items are not included as a part of this proposal:

- Traffic study, traffic counts or intersection capacity analysis, signal warrants, or turn lane sizing
- Flood Plain modeling & permitting
- Environmental studies & permitting
- Easement and/or Right-of-way legal descriptions
- Construction Management/Inspection

Should any of these services or other additional services become necessary, they can be performed on an hourly basis in accordance with our standard rate schedule or under separate contract as warranted. Additional services shall be performed only upon receipt of written authorization by the owner.

TERMS AND CONDITIONS OF PROFESSIONAL SERVICE

This proposal is executed and delivered pursuant to the Professional Service Agreement (PSA) between EMH&T and the City of Reynoldsburg, effective January 1, 2024, (the "Agreement"). All terms and conditions of the Agreement are incorporated by reference and made part hereof for all purposes.

The receipt of a signed copy of this proposal will constitute authorization to begin work. If this proposal is not accepted and executed within ninety (90) days, EMH&T reserves the right to adjust the fee or withdraw the offer to perform the services described. Further, if the services are suspended for more than ninety (90) days, EMH&T shall be entitled to an equitable adjustment in the service fee and/or schedule.

EMH&T appreciates the opportunity to submit this proposal to you and looks forward to working with you on this project. EMH&T is prepared to commence work upon receipt of your acceptance.

Respectfully submitted,

In order to meet bid and contract deadlines

STAFF REPORT:

AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT WITH SHELLY & SANDS, INC. FOR THE WAGGONER ROAD PHASE II IMPROVEMENTS PROJECT, APPROPRIATING FUNDS THEREFOR, AND DECLARING AN EMERGENCY

WHEREAS, the City of Reynoldsburg received multiple bids for the Waggoner Road Phase II Improvement Project on February 6, 2026; and

WHEREAS, the City Engineer reviewed the bids submitted and determined that the lowest and best bidder for the project was Shelly & Sands, Inc.; and

WHEREAS, the City Engineer has also concluded that Shelly & Sands, Inc. has the ability, resources, and experience to properly complete the project; and

WHEREAS, the City Engineer recommends that the Mayor enter into a contract with Shelly & Sands, Inc. for $12,916,989.80 for the Waggoner Road Phase II Improvement Project.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF REYNOLDSBURG, OHIO:

SECTION 1. That the Mayor is hereby authorized to enter into contract with Shelly & Sands, Inc. for $12,916,989.80 for the Waggoner Road Phase II Improvement Project.

SECTION 2. That a contingency of $1,033,359.18 (8%) also be included in the total funding for this project.

SECTION 3. That $13,950,348.98 shall be appropriated from the unappropriated General Fund (110) and appropriated to the Capital Improvement Fund (410) Miscellaneous Infrastructure Fund (5659).

SECTION 4. That these funds will be reimbursed to the General Fund (110) when the Notes are received.

SECTION 5. That this Ordinance is deemed to be an emergency measure necessary for the financial needs of the City to meet contract deadlines; wherefore, upon adoption by Council, this Ordinance shall be in effect immediately following the signature of the Mayor.

STAFF REPORT:

This ordinance authorizes a one-time contribution of $9,900.00 from the net proceeds of the 2025 beer garden operations associated with the Reynoldsburg Tomato Festival. The contribution will be provided to support youth athletic programs within the Reynoldsburg City Schools. The beer garden was operated under the City's liquor permit and supported by volunteer assistance from several athletic booster organizations during the festival. This legislation authorizes the City Auditor to appropriate the funds as a one-time contribution recognizing community volunteer participation and support of youth athletic opportunities that benefit Reynoldsburg residents.

AN ORDINANCE APPROPRIATING Funds from the Unappropriated General Fund to Accounts in the Communications and Community Events Department

WHEREAS, the City of Reynoldsburg had net proceeds from the 2025 Tomato Festival beer garden sales in the amount of $9,900; and

WHEREAS, these funds were collected through the operation of a beer garden under the City's liquor permit and supported by volunteer assistance by several athletic booster organizations during the Tomato Festival; and

WHEREAS, this legislation would authorize the City Auditor to make a one-time contribution of these funds to support youth athletic programs within the City of Reynoldsburg in recognition of

community volunteer support and to benefit local youth sports.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF REYNOLDSBURG, OHIO:

Section 1. That an amount of $9,900.00 in the unappropriated General Fund hereby be appropriated to account 110.344.5399 Other Miscellaneous Services.

Section 2. That upon adoption by Council, this Ordinance shall be in effect thirty days following signature by the Mayor.

Mr. William Dorman
Director of Public Service
City of Reynoldsburg

Reynoldsburg, OH 43068

Subject: SR 256 Improvements

Dear Mr. Dorman,

EMH&T is pleased to submit our proposal for professional services for the City's State Route 256 Intersection Improvements. The following assumptions are the basis for EMH&T's scope of work and professional fee in this proposal:

PROJECT ASSUMPTIONS

1. This project will extend improvements along SR-256 from the 5-Way Intersection to Taylor Road SW. The anticipated work limits encompass five (5) intersections: 5-Way, Farmsbury Drive, Taylor Park Drive, Taylor Road SW, and Taylor Road SW/Taylor Square Drive, as illustrated on the attached exhibit.

2. Improvements at the 5-Way Intersection are expected to extend along all legs of the intersection, including approximately 800 feet along Lancaster Avenue (north), 900 feet along Livingston Avenue (west), 850 feet along SR-256 (south), 50 feet along Slate Ridge Boulevard (east), and 50 feet along Graham Road (north). Planned enhancements include pavement resurfacing with widening for additional turn lanes, traffic signal upgrades—specifically, replacement of span wire systems with mast arm installations—sidewalk improvements, storm sewer upgrades, and other associated roadway corridor improvements.

3. At the Farmsbury Drive, Taylor Park Drive, Taylor Road SW, and Taylor Road SW/Taylor Square Drive intersections, the scope of work will be limited to ADA-related improvements, including curb ramp upgrades, pedestrian pushbuttons, audible pedestrian signal features, and operational timing adjustments.

4. The traffic signal improvement scope outlined in this proposal is based upon the recommendations provided by EMH&T in the memorandum dated June 6, 2025.

5. The proposed fees assume that two additional turn lanes will be incorporated into the design of the 5-Way Intersection. Should the traffic study identify the need for additional improvements beyond these assumptions, corresponding fee adjustments may be required.

6. The scope of services identified in this document reflects EMH&T's knowledge of the project requirements at the time this proposal was prepared and serves as a basis for the price proposal and agreed fee. However, changes in services may be required as the project develops and information becomes available. As the project develops, EMH&T will advise you of significant changes in the work that may require modification of the agreement and maintain separate cost accounting for each item.

SCOPE OF SERVICES

The Scope of Services for this improvement is outlined below:

1. Traffic Study

EMH&T will study the SR 256/Livingston Avenue/Lancaster Road/Graham Road/Slate Ridge Boulevard five-points intersection as outlined below.

a. Study Area - The Study Area of this TIS is limited to the SR 256/Livingston Avenue/Lancaster Road/Graham Road/Slate Ridge Boulevard five-points intersection

b. Data Collection - EMH&T will perform morning (6-10 AM) and afternoon (2-6 PM) turning-movement counts at the Study Area intersection. In addition, we will count movements to/from three driveways accessing the Livingston Center retail area and Burger King in the southwest quadrant of the intersection and one driveway accessing the Slate Ridge Office Park from Graham Road.

c. Safety Review - EMH&T will review previous safety assessments documented in the FRA SR-256 0.74 Safety Study and consider countermeasures in the development of recommendations for roadway improvements.

d. Traffic Forecasting - This study will increase counts to design-year conditions based on a growth rate that we will request from the Mid-Ohio Regional Planning Commission. We will prepare Study Area traffic volumes for both morning and afternoon peak hours during horizon year (20 years after opening) conditions.

e. Analysis and Recommendations - EMH&T will use Synchro (v.12) software to evaluate intersection capacity at the Study Area intersection. Traffic analysis is limited to AM and PM peak capacity analysis for horizon year, No-Build and Build conditions. We will evaluate the length of existing and proposed Study Area turn lanes using SimTraffic queue simulation with reference to the Location and Design Manual § 401 (Ohio Department of Transportation).

f. Reports and Documentation - We will prepare a report documenting the findings and methodology of the study. We will submit the report to Reynoldsburg staff for review. We will respond to one set of review comments pertinent to the scope of study outlined above.

2. Survey

Conduct a topographic & right-of-way survey of the subject area as defined on the attached exhibit.

a. Prior to performing any field work and as required byOhio811, EMH&T will contact Ohio811 regarding field marking existing utilities.

b. Research available public records such as deeds, plats, right-of-way plans and surveys on file at the county engineer's office, to aid in the retracement of the boundary survey of the subject area.

c. Features and "Ground Shots" will be located on a 50' grid or at sufficient spacing to produce 1' contour intervals.

d. Field locate observed site improvements to include but not limited to: streets, alleys, roads, drives, walkways, sidewalks, paths, street names, fences, gates, retaining walls, buildings, structures and sheds within the project limits.

e. Field locate marked utilities such as; storm, sanitary, gas, water, electrical, transformers, pull boxes and communications within the project limits.

f. Field locate water courses, ditches, edge of streams, rivers and bodies of water.

g. Obtain roadway measurements and pavement markings, utilize a law enforcement officer for safety purposes.

h. Set a minimum of 4 site benchmarks and provide the established horizontal and vertical coordinates with detailed description.

i. Establish the right-of-way lines based upon the above research in combination with field located boundary markers. Our survey will meet or exceed the minimum requirements of Ohio Administrative Code 4733-37.

j. The survey fee includes reasonable accommodation, under the Standard of Care, to investigate and identify existing field boundary conditions to determine the property limits. Unless otherwise noted herein, this accommodation does not include the establishment of field control beyond the property due to the existence of limited or insufficient field monumentation nor does it include extensive investigation due to conflicting evidence with found monumentation.

3. Geometric Design and Grading

The Conceptual geometrics shown on the enclosed exhibit will be refined to a level of commensurate with detailed design activities.

a. EMH&T will prepare an AutoCAD basemap of existing conditions by integrating topographic survey data, record plan information, and GIS features. Following completion of the basemap, a field walk will be conducted to verify accuracy and confirm the locations of existing utilities.

b. Develop proposed horizontal alignment geometry of intersection. Incorporate the findings and recommendations from the traffic study into the geometric design. Refine horizontal geometrics at intersections and driveway locations to achieve appropriate operational and safety performance. Review and establish sidewalk and shared-use path connections to ensure compliance with accessibility and connectivity objectives.

c. Develop the proposed vertical alignment (Roadway Profile) in accordance with applicable design standards and project constraints.

d. Prepare typical roadway sections reflecting proposed lane configurations, widths, and associated features. Develop preliminary cross sections and design roadside grading to ensure proper drainage and constructability.

e. Prepare a preliminary layout of required storm sewer modifications.

f. Develop a preliminary traffic signal layout based on anticipated intersection improvements.

g. Establish preliminary construction limits and identify corresponding right-of-way needs.

h. Prepare and submit a Preliminary Geometric Plan for review by the City and other applicable review agencies.

4. Roadway and Drainage Plan

a. EMH&T will prepare construction plans for 60%, 90%, and Final design phases. These plans will include a combination of the following components:

   i. General Sheets - Title Sheet, Schematic Plan and Survey Control, Typical Sections and Details, General Notes, and Estimate of Quantities

   ii. Roadway Plan and Profile – The roadway is proposed to be resurfaced with areas of full reconstruction and widening. Accordingly, only minor adjustments to the profile grade are anticipated along most of the corridor. EMH&T will establish curb profile grades for both sides of the roadway, implementing minor adjustments to improve stormwater flow to inlets. In isolated locations with existing poor drainage, limited full-depth reconstruction and more substantial curb adjustments will be performed to enhance drainage performance.

   iii. Pavement Analysis – In areas where the roadway will be widened to accommodate new turn lanes, EMH&T will engage a subconsultant to obtain pavement cores. These borings will document existing pavement thicknesses and structural composition. EMH&T will evaluate the pavement core data in conjunction with available record plans to determine an appropriate pavement section for all proposed widening. The resulting pavement section will be designed to match or appropriately transition to the existing roadway to ensure long-term performance and constructability.

   iv. Cross Sections – Cross sections will be prepared at 50-foot intervals to illustrate proposed grading along the roadway and adjacent roadside areas.

   v. Intersection & Driveway Details - Detailed drawings will be prepared for each intersecting street and private driveway, illustrating proposed limits, grades, and drainage patterns.

   vi. Storm Sewer Design - The storm sewer system will primarily utilize the existing infrastructure, with only minor modifications where roadway widening occurs. EMH&T will prepare a storm sewer tributary area map for the corridor and complete all necessary drainage design computations in accordance with the City's Stormwater Design Manual.

   vii. Post Construction BMP Plans and Details – Details will be prepared in accordance with the City's Stormwater Design Manual and applicable Ohio EPA requirements for post-construction stormwater management. EMH&T will develop layout sheets, design details, sizing calculations, and supporting narrative to document the selected BMPs and their functionality.

   viii. Fire Hydrant Relocation Plan (if-needed) – It is anticipated that approximately three (3) fire hydrants will be in conflict with the proposed improvements. A Fire Hydrant Relocation Plan will be prepared to address any existing hydrants that are impacted by roadway widening, grading adjustments, or modifications to curb lines and utility alignments.

   ix. Landscape Plan – Plan will be prepared as a focused corridor-level streetscape plan consisting primarily of street tree planting layout and associated design details.

   x. Sediment and Erosion Control Plan - Sediment and Erosion Control Plan will be prepared in accordance with the City of Reynoldsburg's standards , incorporating

applicable Ohio EPA requirements and detailing the temporary best management practices necessary to control sedimentation and erosion throughout construction.

b. Final R/W Exhibit – EMH&T will prepare color right-of-way exhibits for individual property owners, illustrating the proposed improvements over aerial photography of existing conditions. These exhibits will assist the City during coordination and acquisition discussions with affected property owners.

5. Traffic Plan

a. Traffic Signal Improvements - Based on the foregoing assumptions, EMH&T will develop traffic signal improvement plans to provide Accessible Pedestrian Signal (APS) features as outlined below for each intersection.

i. All intersections:
   1. Calculate pedestrian times for walk and don't walk.
   2. Specify conduit/wiring to service the updated pedestrian features.
   3. Provide phasing / timing updates.

ii. SR 256 at Taylor Road
   1. Accessible pedestrian pushbuttons for the north and west crosswalk.
   2. No pedestrian crossing signs for the east and south legs.
   3. Pedestrian pedestals on the SW and NW corners.
   4. Existing pedestrian signal heads will remain.
   5. No modifications to existing traffic signal mast arm structures.
   6. Existing curb ramps to remain, but sidewalk replaced where impacted by new signal conduit.

iii. SR 256 at Taylor Park Drive
   1. Accessible pedestrian pushbuttons for all 4 crosswalks.
   2. Pedestrian pedestals on all 4 corners
   3. New curb ramps on the SW, SE and NE corners.
   4. No modifications to existing traffic signal mast arm structures.
   5. Sidewalk replaced where impacted by new signal conduit.
   6. East crosswalk shifted east.

iv. SR 256 at Farmsbury Drive
   1. Accessible pedestrian pushbuttons for all 4 crosswalks.
   2. Pedestrian pedestals on all 4 corners
   3. New curb ramps on the SE corner.
   4. No modifications to existing traffic signal mast arm structures.
   5. Sidewalk replaced where impacted by new signal conduit.
   6. East crosswalk located adjusted.

v. SR 256 at 5-points
   1. Existing traffic signal removed

2. Full new traffic signal designed. We will attempt to design the replacement with mast arms. If mast arms are not feasible, due to the size and unique geometry, a span wire traffic signal will be designed. If it is determined that a mast arm traffic signal is not feasible, we will notify the city prior to proceeding with the design of a span wire signal.
3. New curb ramps on the SE and NE corners. (if turn lanes are added, this list of curb ramp may need to updated)
4. Sidewalk replaced where impacted by new signal conduit.

vi. Taylor Road at Taylor Square Drive

1. Accessible pedestrian pushbuttons for all 4 crosswalks.
2. Pedestrian pedestals on all 4 corners
3. Ex. curb ramps to remain.
4. No modifications to existing traffic signal mast arm structures.
5. Sidewalk replaced where impacted by new signal conduit.

b. Signing and Pavement Marking Modifications - Traffic control (signing and pavement marking) modification plans will be provided for all intersections. Traffic control modifications at the 5-points intersection will include the turn lane additions as well as stop bar and crosswalk modifications. Traffic control modifications at the remaining intersections will be limited to stop bar and crosswalk adjustments.

c. Maintenance of Traffic - Detailed maintenance of traffic plans will be developed for the turn lane improvements planned at the 5-points intersection. Maintenance of traffic plans will not be developed for improvements at the remaining intersections. Signal upgrades and sidewalk improvements at these other intersections will be addressed with notes and references to standard construction drawings.

d. Street Lighting Modifications - Street lighting modifications will be designed for existing street lighting impacted by the addition of new turn lanes at the 5-points intersection. It is anticipated that the existing lighting controllers will be reused and will not be impacted by the project.

6. Right-of-Way Exhibits and Legal Descriptions

a. Legal descriptions and exhibits will be prepared for warranty deeds and easements for utilities, drainage, and/or temporary construction. For the purposes of this proposal, we have assumed a total of ten (10) Descriptions with accompanying boundary exhibits.

7. Project Coordination and Permitting

a. EMH&T will advocate for advancement of the project through the following services.

i. Attend Meetings as directed by the City including preparation and documenting meeting minutes (up to 6 meetings).

ii. Prepare exhibits for coordination and meetings.

iii. Prepare project schedule upon authorization and periodically update throughout the life of the project.

iv. Coordinate with Subconsultants and manage schedules.

b. EMH&T will coordinate with private utility companies. We will ask private utilities to verify that their facilities are shown completely and accurately on the plans and work with their designers to identify conflicts and plan for adjustments. Services include the following:

    i. Submit plans to utility companies at each (30%, 60%, 90%, and Final) phases of design.

    ii. Organizing coordination meetings and reviewing relocation plans for private utilities.

    iii. Maintain a correspondence log with private utility companies.

c. EMH&T will coordinate with ODOT throughout the design process to ensure compliance with ongoing ODOT Projects (SR-256 Signal Timing / I-70 Interchange).

    i. EMH&T will maintain ongoing communication with ODOT District staff, addressing any impacts to state-maintained facilities, ensuring signal timing coordination, and incorporating those coordination efforts throughout the design process.

d. EMH&T will prepare a formal SWPPP manual for use by the City and its contractor during construction.

    i. The manual will be submitted to the Ohio EPA along with a Notice of Intent (NOI) for coverage under the state's General Permit for construction activities.

    ii. EMH&T will pay the application fee and will be reimbursed by the City.

8. Bidding Services

a. EMH&T will prepare bidding and contract documents using the City's Bid Express platform. This will include any additional bid requirements identified by the funding source.

b. EMH&T will review the bidder questions and prepare bid addenda as needed during the bidding process.

c. We will review bids, prepare a bid tabulation, and make an award recommendation following the receipt of bids.

d. Conformed contracts will be prepared and delivered to the City-selected contractor for signatures prior to the preconstruction meeting.

<u>(Allowance / If Authorized Services)</u>

9. Right-of-Way Acquisition Support (If Authorized)

It is our understanding that the City is requesting that EMH&T provide a budgetary allowance for right-of-way acquisition support. The scope of work to be performed under this allowance is as follows:

a. Throughout the design process, EMH&T will make every effort to maintain all proposed improvements within the existing right-of-way limits. However, based on preliminary engineering completed to date, it is anticipated that permanent right-of-way will be required from approximately ten (10) property owners.

b. Our subconsultant will perform title research for each affected parcel to identify ownership, existing encumbrances, easements, and any recorded property interests relevant to the acquisition process.

c. Our subconsultant will prepare appraisal reports to establish fair and reasonable valuations for the proposed acquisitions. These reports will document the methodology, assumptions, and supporting data used to assess the impact of the project on each property. All appraisal activities will be completed in accordance with applicable state and local requirements, providing the City with the necessary documentation to support subsequent right-of-way negotiations.

d. It is further anticipated that the City will be responsible for issuing offer letters, conducting negotiations, and completing closing activities associated with the right-of-way acquisition.

10. Construction Phase Design Support (If Authorized)

It is our understanding the City is requesting that EMH&T provide a budgetary allowance for design support during construction. The scope of work to be performed under this allowance is as follows:

a. Review shop drawings and material submittals as requested by the City / contractor. Provide review comments with recommendations.

b. Review design-related requests for information (RFI) from the contractor as requested by the City and prepare responses.

c. Conduct periodic site observation services as needed to respond to contractor requests for clarification and perform submittals reviews.

d. Attend preconstruction and other construction phase meetings as requested by the City.

e. Provide limited utility coordination during construction. EMH&T will hand off management of any private utility relocation to the City's CA/CI consultant but will be available to answer questions or help resolve issues at the request of the City.

f. On-going right-of-way acquisition support such as staking right-of-way or preparing additional legal descriptions on properties already surveyed.

g. Prepare record drawings using red-line mark-ups provided by the City's CA/CI consultant.

These allowances are budgetary estimates for consultation during construction based on similar recent projects. EMH&T will provide services to support the construction phase in a task-oriented manner as directed by the City and to the level of effort desired by the City and limited by available budget.

EXCLUSIONS

1. Planning and zoning submittals and coordination
2. Floodplain modeling and permitting
3. Water modeling
4. Construction phase management and inspection services
